

EXECUTIVE BIOGRAPHY

E.J. Dealy

E.J. Dealy is the chief financial officer for **CSC**. In this role, he contributes strong financial management experience and a deep understanding of the company. He continues to co-lead M&A as he has since 2011, serving an instrumental role in 13 acquisitions thus far.

His previous roles at CSC include business unit leader and head of Enterprise Technology. E.J. joined CSC in 2010 in Corporate Development following a career in manufacturing and consulting where he gained diverse financial, corporate development, and enterprise technology experience. He's is a member of the YPO and previously served with their Philadelphia Chapter and on their Northeast region board of directors.

E.J. serves on the boards of Nexxt (former Safeguard Scientifics investment), and Limen Recovery + Wellness.

He attended Cornell for both his undergraduate and MBA degrees, and more recently attended Harvard Business School's Advanced Management Program.
