

Payroll services

Growing your business in an increasingly complex global environment can be a challenge. With our wealth of experience, we understand the key challenges HR and finance teams face and are dedicated to being your local partner on the ground. We provide you with peace of mind, ensuring that you're compliant with local regulations, meaning you can focus on your core business.

We safeguard your reputation

Our local experts help you navigate employment rules and regulations so you're compliant as an employer. At the same time, we keep you up to date with any local legislation changes, so you're always one step ahead.

Time and cost efficient

Keeping up to speed with local payroll rules and regulations, data management and reporting requirements can be a daunting process for in-house teams. With a single point of contact Intertrust can coordinate your payroll duties across offices and jurisdictions. We're proactive, reliable and will guide you through the process. Our payroll system allows global access saving you time and money that could be invested in your other priorities.

One-stop-shop

Whether you're thinking of outsourcing your complete payroll process or just need an extra hand in business-critical times, we can offer you a full suite of services tailored to your needs. By combining our extensive experience and the latest technology, we provide a variety of payroll solutions on a local, regional or global scale. Our services include:

- Employer administration and payroll set up
- Basic employment contracts or local group employment contracts
- Payroll calculation and other payroll related tasks
- Payroll templates (e.g. time and travel reporting)
- Statutory reporting
- Customised reporting
- Administration of compensation and benefits
- Relocation services
- Assistance with visa application for investment and employment
- Development of local harmonisation of employee handbook and policies
- Pension and insurance set up and ongoing administration
