

Escrow & Settlement

Having a trusted third party holding funds, documents or shares is a very beneficial tool in many situations, such as M&A transactions, real estate acquisitions, projects, litigation and fundraising. It is reassuring to know that funds and/or documents are held by a trusted third party, the escrow agent, who will release them only in accordance with the conditions specified in the escrow agreement; tailor-made to your specific needs.

Over 15 years
of experience

Specialised team

Our Escrow & Settlement team consists of specialised and dedicated centres of excellence in key financial cities across the world. Our professionals are experts in both legal and operational aspects of escrow arrangements, dedicated to providing you with smooth delivery and execution.

Escrow agreements
can be organised under
several jurisdictions

We specialise in arranging tailor-made escrow agreements geared to service cross-border transactions governed by the laws of many major jurisdictions. Our flexibility in applying a simple structure to complicated contracts has made us a leading Escrow & Settlement provider in Europe.

Advantages of using an independent escrow agent

- Neutral trusted party
- Risk mitigation
- Protects both buyer and seller
- Can be tailored to requirements
- Funds held bankruptcy-remote
- Transparent
- Thorough client due diligence
- Cost efficient and flexible compared to a bank guarantee
