Disposal Commentary

6 assets were sold during the last quarter for total gross sales proceeds of €9.8m, 4 of which are so called "eject" assets which were fully vacant and for which interest could be found in the market. The Rotterdam asset was sold to an owner-occupier.

Property number 19 in Rotterdam was removed from the tenancy schedule last quarter although the disposal had not yet been distributed through the waterfall. As a result, the number of properties reported in the portfolio fell from 195 to 190 in spite of 6 properties being reported as sold.
