Coventry Building Society

(incorporated in England and Wales under the Building Societies Act 1986, as amended)

€7 billion

Global Covered Bond Programme

unconditionally and irrevocably guaranteed as to payments by

Coventry Building Society Covered Bonds LLP

(a limited liability partnership incorporated in England and Wales)

Under this €7 billion covered bond programme (the "**Programme**"), Coventry Building Society (the "**Issuer**") may from time to time issue bonds (the "**Covered Bonds**") denominated in any currency agreed between the Issuer and the relevant Dealer(s) (as defined below). The price and amount of the Covered Bonds to be issued under the Programme will be determined by the Issuer and the relevant Dealer at the time of issue in accordance with prevailing market conditions.

Coventry Building Society Covered Bonds LLP (the "**LLP**") has guaranteed payments of interest and principal under the Covered Bonds pursuant to a guarantee which is secured over the Portfolio (as defined below) and its other assets. Recourse against the LLP under its guarantee is limited to the Portfolio and such assets.

Covered Bonds may be issued in bearer or registered form. The maximum aggregate nominal amount of all Covered Bonds from time to time outstanding under the Programme will not exceed €7 billion (or its equivalent in other currencies calculated as described in the Programme Agreement described herein), subject to increase as described herein.

Covered Bonds may be issued on a continuing basis to one or more of the Dealers specified under "*Overview of the Programme*" and any additional Dealer appointed under the Programme from time to time by the Issuer (each, a "**Dealer**" and together, the "**Dealers**"), which appointment may be in relation to a specific issue or on an ongoing basis. References in this Offering Circular to the "**relevant Dealers**" shall, in the case of an issue of Covered Bonds being (or intended to be) subscribed for by more than one Dealer, be to all Dealers agreeing to subscribe for such Covered Bonds.

See Risk Factors on page 29 of this Offering Circular for a discussion of certain factors to be considered in connection with an investment in the Covered Bonds.

This Offering Circular constitutes a Base Prospectus for the purposes of the Prospectus Directive - Directive 2003/71/EC as amended, which includes the amendments made by Directive 2010/73/EU to the extent that such amendments have been implemented in a relevant Member State (the "**Prospectus Directive**"). Application has been made to the Financial Conduct Authority (the "**FCA**") under Part VI of the Financial Services and Markets Act 2000 (the "**FSMA**") for the purposes of the Prospectus Directive and relevant implementing measures in the United Kingdom (the "**UK Listing Authority**"), for approval of this Offering Circular as a base prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of Covered Bonds issued under the Programme during the period of 12 months from the date of this Offering Circular to be admitted to the official list of the UK Listing Authority (the "**Official List**") and to the London Stock Exchange plc (the "**London Stock Exchange**") for such Covered Bonds to be admitted to trading on the regulated market of the London Stock Exchange which is a "regulated market" for the purposes of Directive 2004/39/EC (the "**Markets in Financial Instruments Directive**") (the "**regulated market of the London Stock Exchange**"). References in this Offering Circular to Covered Bonds being "listed" (and all related references) shall mean that such Covered Bonds have been admitted to trading on the regulated market of the London Stock Exchange and have been admitted to the Official List. Notice of the aggregate nominal amount of Covered Bonds, interest (if any) payable in respect of Covered Bonds, the issue price of Covered Bonds and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "*Terms and Conditions of the Covered Bonds*") of Covered Bonds will be set out in a separate document containing the final terms for that Tranche ("**Final Terms**") which, with respect to Covered Bonds to be admitted to the Official List and admitted to trading by the London Stock Exchange, will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of such Tranche of Covered Bonds.

On 11 April 2011, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds issued previously under the Programme) were admitted to the register of regulated covered bonds, under the Regulated Covered Bonds Regulations 2008 (SI 2008/346) as amended by the Regulated Covered Bonds (Amendment) Regulations 2008 (SI 2008/1714), the Regulated Covered Bonds (Amendment) Regulations 2011 (SI 2011/2859) and the Regulated Covered Bonds (Amendment) Regulations 2012 (SI 2012/2977) (the "**RCB Regulations**").

The Covered Bonds and the Covered Bond Guarantee (as defined below) have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), and may not be offered or sold in the United States or to or for the benefit of U.S. persons unless such securities are registered under the Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. See "*Form of the Covered Bonds*" for a description of the manner in which Covered Bonds will be issued. Registered Covered Bonds are subject to certain restrictions on transfer, see "*Subscription and Sale and Transfer and Selling Restrictions*".

The Issuer and the LLP may agree with any Dealer and the Bond Trustee that Covered Bonds may be issued in a form not contemplated by the Terms and Conditions of the Covered Bonds herein, in which event (in the case of Covered Bonds admitted to the Official List only) a supplementary prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Covered Bonds.

Each Series (as defined below) of Covered Bonds issued under the Programme may be rated or unrated. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating organisation. The rating of certain Series of Covered Bonds to be issued under the Programme may be specified in the applicable Final Terms. The credit ratings included and referred to in this Offering Circular have been issued by Fitch Ratings Limited ("**Fitch**") and/or Moody's Investor Service Ltd ("**Moody's**") each of which is a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 (as amended) (the "**CRA Regulation**"). In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused.

This Offering Circular has been approved by the UK Listing Authority as a base prospectus for the purposes of Article 5.4 of the Prospectus Directive and has been published in accordance with the prospectus rules made under the FSMA. This Offering Circular is not a prospectus for the purposes of section 12(a)(2) or any other provision or order under the Securities Act.

The Issuer and the LLP (each a "Responsible Person") each accept responsibility for the information contained in this offering circular (the "Offering Circular") including the Final Terms relating to each Tranche of Covered Bonds issued under the Programme. To the best of the knowledge and belief of each of the Issuer and the LLP (each having taken all reasonable care to ensure that such is the case) the information contained in this Offering Circular is in accordance with the facts and does not omit anything likely to affect the import of such information. Any information sourced from third parties contained in this Offering Circular has been accurately reproduced (and is clearly sourced where it appears in the document) and, as far as each of the Issuer and the LLP are aware and are able to ascertain from information published by that third party, no facts have been omitted which would render the reproduced information inaccurate or misleading.

On 11 April 2011, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds issued previously under the Programme) were admitted to the register of regulated covered bonds under the RCB Regulations.

Copies of each set of Final Terms in relation to Covered Bonds issued pursuant to this Offering Circular will be available from the principal office of the Issuer and from the specified office set out below of each of the Paying Agents (as defined below).

This Offering Circular is to be read in conjunction with any supplements hereto, all documents which are deemed to be incorporated herein by reference (see "*Documents Incorporated by Reference*" below) and any Final Terms. This Offering Circular shall, save as specified herein, be read and construed on the basis that such documents are so incorporated and form part of this Offering Circular.

The information contained in this Offering Circular was obtained from the Issuer, the LLP and other sources, but no assurance can be given by the Dealers, the Arrangers, the Bond Trustee or the Security Trustee as to the accuracy or completeness of this information. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers, the Arrangers, the Bond Trustee or the Security Trustee as to the accuracy or completeness of the information contained or incorporated by reference in this Offering Circular or any other information provided by the Issuer and the LLP in connection with the Programme. Neither the Dealers, nor the Arrangers, nor the Bond Trustee nor the Security Trustee accepts any liability in relation to the information contained or incorporated by reference in this Offering Circular or any other information provided by the Issuer and the LLP in connection with the Programme.

No person is or has been authorised by the Issuer, the LLP, any of the Dealers, the Arrangers, the Bond Trustee or the Security Trustee to give any information or to make any representation not contained in or not consistent with this Offering Circular or any other information supplied in connection with the Programme or the Covered Bonds and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the LLP, any of the Dealers, the Arrangers, the Bond Trustee or the Security Trustee.

Neither this Offering Circular nor any other information supplied in connection with the Programme or any Covered Bonds (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer, the LLP, the Seller, any of the Dealers, the Arrangers, the Bond Trustee or the Security Trustee that any recipient of this Offering Circular or any other information supplied in connection with the Programme or any Covered Bonds should purchase any Covered Bonds. Each investor contemplating purchasing any Covered Bonds should make its own independent investigation of the financial condition and affairs, and its own appraisal of

the creditworthiness, of the Issuer and/or the LLP. Neither this Offering Circular nor any other information supplied in connection with the Programme or the issue of any Covered Bonds constitutes an offer or invitation by or on behalf of the Issuer, the LLP, the Seller, any of the Dealers, the Arrangers, the Bond Trustee or the Security Trustee to any person to subscribe for or to purchase any Covered Bonds.

Neither the delivery of this Offering Circular nor the offering, sale or delivery of any Covered Bonds shall in any circumstances imply that the information contained herein concerning the Issuer and/ or the LLP and/or the Seller is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers, the Arrangers, the Bond Trustee and the Security Trustee expressly do not undertake to review the financial condition or affairs of the Issuer, the LLP or the Seller during the life of the Programme or to advise any investor in the Covered Bonds of any information coming to their attention. Investors should review, *inter alia*, the most recently published documents incorporated by reference into this Offering Circular when deciding whether or not to purchase any Covered Bonds.

The Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act. The Covered Bonds in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. Treasury regulations (see "*Subscription and Sale and Transfer and Selling Restrictions*" below). Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and the U.S. Treasury regulations promulgated thereunder.

As set forth in the applicable Final Terms, the Covered Bonds are being offered and sold (a) (i) to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act ("Rule 144A") ("QIBs"), and/or (ii) to institutional "accredited investors" as defined in Rule 501(a) (1), (2), (3) or (7) under the Securities Act ("Institutional Accredited Investors" or "IAIs") and/or (b) in accordance with Regulation S under the Securities Act ("Regulation S") to non-US persons in offshore transactions. Prospective purchasers are hereby notified that the sellers of the Covered Bonds may be relying on the exemption from the provisions of section 5 of the Securities Act provided by Rule 144A.

This Offering Circular does not constitute an offer to sell or the solicitation of an offer to buy any Covered Bonds in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Offering Circular and the offer or sale of Covered Bonds may be restricted by law in certain jurisdictions. The Issuer, the LLP, the Dealers, the Arrangers, the Bond Trustee and the Security Trustee do not represent that this Offering Circular may be lawfully distributed, or that any Covered Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the LLP, the Dealers, the Arrangers, the Bond Trustee or the Security Trustee which would permit a public offering of any Covered Bonds or distribution of this Offering Circular in any jurisdiction where action for that purpose is required. Accordingly, no Covered Bonds may be offered or sold, directly or indirectly, and neither this Offering Circular nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Offering Circular or any Covered Bonds may come must inform themselves about, and observe, any such restrictions on the distribution of this Offering Circular and the offering and sale of Covered Bonds. In particular, there are restrictions on the distribution of this Offering Circular and the offer or sale of Covered Bonds in the United States, the United Kingdom and the Republic of Italy (see "*Subscription and Sale and Transfer and Selling Restrictions*").

All references in this document to "Sterling" and "£" refer to the lawful currency for the time being of the United Kingdom of Great Britain and Northern Ireland, references to "euro" and "€" refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended, references to "U.S. Dollars" and "\$" refer to the lawful currency per the time being of the United States of America and references to "Yen", "JPY" and "¥" refer to the lawful currency for the time being of Japan.

In connection with the issue of any Tranche of Covered Bonds, one or more relevant Dealers acting as stabilising manager (each a "Stabilising Manager") may over-allot Covered Bonds or effect transactions with a view to supporting the market price of the Covered Bonds at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Covered Bonds is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Covered Bonds and 60 days after the date of the allotment of the relevant Tranche of Covered Bonds. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

In making an investment decision, investors must rely on their own examination of the Issuer and the LLP and the terms of the Covered Bonds being offered, including the merits and risks involved. The Covered Bonds have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Offering Circular or confirmed the accuracy or determined the adequacy of the information contained in this Offering Circular. Any representation to the contrary is unlawful.

None of the Dealers, the Arrangers, the Issuer, the LLP, the Security Trustee or the Bond Trustee makes any representation to any investor in the Covered Bonds regarding the legality of its investment under any applicable laws. Any investor in the Covered Bonds should be able to bear the economic risk of an investment in the Covered Bonds for an indefinite period of time.

The Covered Bonds may not be a suitable investment for all investors. Each potential investor in the Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Covered Bonds, the merits and risks of investing in the Covered Bonds and the information contained or incorporated by reference in this Offering Circular or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Covered Bonds and the impact the Covered Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Covered Bonds, including Covered Bonds with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the Covered Bonds and be familiar with the behaviour of any relevant indices and financial markets; and

- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Covered Bonds are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Covered Bonds which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Covered Bonds will perform under changing conditions, the resulting effects on the value of the Covered Bonds and the impact this investment will have on the potential investor's overall investment portfolio.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Covered Bonds are legal investments for it, (2) Covered Bonds can be used as collateral for various types of borrowing, (3) Covered Bonds can be used as repo-eligible securities and (4) other restrictions apply to its purchase or pledge of any Covered Bonds. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Covered Bonds under any applicable risk-based capital or similar rules.

Unless otherwise stated, terms used in this paragraph have the meanings given to them in "*Form of the Covered Bonds*".

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Covered Bonds that are "restricted securities" within the meaning of the Securities Act, each of the Issuer and the LLP has undertaken in the Trust Deed (as defined under "*Terms and Conditions of the Covered Bonds*") to furnish, upon the request of a holder of such Covered Bonds or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, any of the Covered Bonds remain outstanding as "restricted securities" within the meaning of Rule 144(a)(3) of the Securities Act and each of the Issuer and the LLP is neither a reporting company under Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended, (the *Exchange Act*) nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

By requesting copies of any of the documents referred to herein, each potential purchaser agrees to keep confidential the various documents and all written information clearly labelled "Confidential" which from time to time have been or will be disclosed to it concerning the LLP or the Issuer or any of their affiliates, and agrees not to disclose any portion of the same to any person.

Notwithstanding anything herein to the contrary, investors (and each employee, representative or other agent of the investors) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the offering and all materials and any kind (including opinions or other tax analyses) that are provided to the investors relating to such tax treatment and tax structure (as such terms are defined in Treasury Regulation section 1.6011-4). This authorisation of tax disclosure is retroactively effective to the commencement of discussions between the Issuer, the Dealers of their respective representations and a prospective investor regarding the transactions contemplated herein.

FORWARD-LOOKING STATEMENTS

This Offering Circular contains various forward-looking statements regarding events and trends that are subject to risks and uncertainties that could cause the actual results and financial position of Coventry Building Society and its consolidated subsidiaries undertakings (collectively, the "**Coventry Group**") to differ materially from the information presented herein. When used in this Offering Circular, the words "estimate", "project", "intend", "anticipate", "believe", "expect", "should" and similar expressions, as they relate to the Coventry Group and its management, are intended to identify such forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Coventry Group does not undertake any obligation to publicly release the result of any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

The Issuer is a building society organised under the laws of England and Wales and the LLP is a limited liability partnership organised under the laws of England. All of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuer and the LLP and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside England and Wales (as applicable) upon the Issuer, the LLP or such persons, or to enforce judgments against them obtained in courts outside England and Wales (as applicable) predicated upon civil liabilities of the Issuer or such directors and officers under laws other than English laws (as applicable), including any judgment predicated upon United States federal securities laws. The Issuer has been advised by Allen & Overy LLP, its counsel, that there is doubt as to the enforceability in England and Wales in original actions or in actions for the enforcement of judgments of United States courts of civil liabilities predicated solely upon the federal securities laws of the United States.

Structure Diagram

Structure Overview

- **Programme:** Under the terms of the Programme, the Issuer will issue Covered Bonds to the Covered Bondholders on each Issue Date. The Covered Bonds will be direct, unsecured and unconditional obligations of the Issuer.
- **Intercompany Loan Agreement:** Under the terms of the Intercompany Loan Agreement, the Issuer will make Term Advances to the LLP in an amount equal to the Principal Amount Outstanding on the Issue Date of each Series or, as applicable, Tranche of Covered Bonds. Payments by the Issuer of

amounts due under the Covered Bonds are not conditional upon receipt by the Issuer of payments from the LLP pursuant to the Intercompany Loan Agreement. Amounts owed by the LLP under the Intercompany Loan Agreement will be subordinated to amounts owed by the LLP under the Covered Bond Guarantee.

- *Covered Bond Guarantee:* Under the terms of the Trust Deed, the LLP has provided a guarantee as to payments of interest and principal under the Covered Bonds. The LLP has agreed to pay an amount equal to the Guaranteed Amounts when the same shall become Due for Payment but which would otherwise be unpaid by the Issuer. The obligations of the LLP under the Covered Bond Guarantee constitute direct and (following the service of a Notice to Pay on the LLP or, if earlier, the service on the Issuer and the LLP of an LLP Acceleration Notice) unconditional obligations of the LLP, secured as provided in the Deed of Charge. Subject as provided in the Trust Deed, the Bond Trustee will be required to serve a Notice to Pay on the LLP following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice. An LLP Acceleration Notice may be served by the Bond Trustee on the Issuer and the LLP following the occurrence of an LLP Event of Default.

If an LLP Acceleration Notice is served, the Covered Bonds will become immediately due and payable as against the Issuer and the LLP's obligations under the Covered Bond Guarantee will be accelerated. Payments made by the LLP under the Covered Bond Guarantee will be made subject to, and in accordance with, the Guarantee Priority of Payments or the Post-Enforcement Priority of Payments, as applicable. The recourse of the Covered Bondholders to the LLP under the Covered Bond Guarantee will be limited to the assets of the LLP from time to time.

- *The proceeds of Term Advances:* The LLP must use the proceeds of the Term Advances received under the Intercompany Loan Agreement (if not denominated in Sterling, after swapping the same into Sterling under the relevant Covered Bond Swap Agreement): (i) to purchase Loans and their Related Security from the Seller in accordance with the terms of the Mortgage Sale Agreement; and/or (ii) to invest in Substitution Assets in an amount not exceeding the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP: (a) to purchase Loans and their Related Security, from the Seller in accordance with the terms of the Mortgage Sale Agreement; and/or (b) to invest in Substitution Assets in an amount not exceeding the prescribed limit; and/or (c) (subject to complying with the Asset Coverage Test (as described below)) to make a Capital Distribution to a Member; and/or (d) if an existing Series or Tranche, or part of an existing Series or Tranche, of Covered Bonds is being refinanced (by the issue of a further Series or Tranche of Covered Bonds), to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced; and/or (e) to make a deposit of all or part of the proceeds in the Standby GIC Account (including, without limitation, to fund the Reserve Fund to an amount not exceeding the prescribed limit). To protect the value of the Portfolio under the terms of the LLP Deed, the LLP and the Members (other than the Liquidation Member) will be obliged to ensure that the Asset Coverage Test (as described below) will be satisfied on each Calculation Date.
- *Consideration:* Under the terms of the Mortgage Sale Agreement, the consideration payable to the Seller for the sale of Loans and their Related Security to the LLP on any Transfer Date will be a combination of (i) a cash payment paid by the LLP to the Seller and/or (ii) the Seller being treated as having made a Capital Contribution in Kind to the LLP (in an amount up to the difference between the True Balance of the Loans sold by the Seller as at the relevant Transfer Date and the cash payment (if any) paid by the LLP) and (iii) Deferred Consideration.
- *Security:* To secure its obligations under the Covered Bond Guarantee and the Transaction Documents to which it is a party, the LLP has granted security over the Charged Property (which consists principally of the LLP's interest in the portfolio of Loans and their Related Security, the Substitution Assets, the Transaction Documents to which it is a party, the LLP Accounts and the

Authorised Investments) in favour of the Security Trustee (for itself and on behalf of the other Secured Creditors) pursuant to the Deed of Charge.

- *Cashflows*: Prior to service of an Asset Coverage Test Breach Notice, a Notice to Pay or an LLP Acceleration Notice on the LLP and/or realisation of the Security and/or the commencement of winding-up proceedings against the LLP, the LLP will:
 - (a) apply Available Revenue Receipts to pay interest due on the Term Advances (the proceeds of which the Issuer may apply to pay interest due on the Covered Bonds) and to pay Deferred Consideration to the Seller in respect of the Loans sold by the Seller to the LLP. However, these payments will only be made after payment of certain items ranking higher in the Pre-Acceleration Revenue Priority of Payments (including, but not limited to, certain expenses and amounts due to the Interest Rate Swap Provider and the Covered Bond Swap Providers). For further details of the Pre-Acceleration Revenue Priority of Payments, see "*Cashflows*" below; and
 - (b) apply Available Principal Receipts towards making Capital Distributions to the Members but only after payment of certain items ranking higher in the Pre-Acceleration Principal Priority of Payments (including, but not limited to, acquiring New Loans and their Related Security offered by the Seller to the LLP). For further details of the Pre-Acceleration Principal Priority of Payments, see "*Cashflows*" below.

Following service on the LLP of an Asset Coverage Test Breach Notice (which has not been revoked) but prior to service of a Notice to Pay or an LLP Acceleration Notice and/or the realisation of the Security and/or the commencement of winding-up proceedings against the LLP, the LLP will continue to apply Available Revenue Receipts and Available Principal Receipts as described above, except that, whilst any Covered Bonds remain outstanding:

- (a) in respect of Available Revenue Receipts, no further amounts will be paid to the Issuer under the Intercompany Loan Agreement, into the Reserve Fund, towards any indemnity amount due to the Members pursuant to the LLP Deed or any indemnity amount due to the Asset Monitor pursuant to the Asset Monitor Agreement, towards any Deferred Consideration or towards any profit for the Members' respective interests in the LLP (but payments will, for the avoidance of doubt, continue to be made under the relevant Swap Agreements); and
- (b) in respect of Available Principal Receipts, no payments will be made other than into the Standby GIC Accounts after exchange (if required) in accordance with the relevant Covered Bond Swap (see "*Cashflows*" below).

Following the service on the LLP of a Notice to Pay (but prior to an LLP Event of Default and service of an LLP Acceleration Notice on the LLP and/or the realisation of the Security and/or the commencement of winding-up proceedings against the LLP) the LLP will use all monies (other than Third Party Amounts and Swap Collateral) to pay Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment subject to paying certain higher ranking obligations of the LLP in the Guarantee Priority of Payments. In such circumstances, the Members of the LLP, including the Seller, will only be entitled to receive any remaining income of the LLP after all amounts due under the Covered Bond Guarantee in respect of the Covered Bonds have been paid in full or have otherwise been provided for.

Following the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice on the LLP and/or the realisation of the Security and/or the commencement of winding-up proceedings against the LLP, the Covered Bonds will become immediately due and repayable (if not already due and payable following the occurrence of an Issuer Event of Default) and the Bond Trustee will then have a claim against the LLP under the Covered Bond Guarantee for an amount equal to the Early Redemption Amount in respect of each Covered Bond together with accrued interest and any other

amounts due under the Covered Bonds other than additional amounts payable by the Issuer under Condition 7 (*Taxation*) and the security created by the LLP over the Charged Property will become enforceable. Any monies received or recovered by the Security Trustee following enforcement of the Security created by the LLP in accordance with the Deed of Charge, realisation of such Security and/or the commencement of winding-up proceedings against the LLP will be distributed according to the Post-Enforcement Priority of Payments as to which, see "*Cashflows*" below.

- *Interest Accumulation Ledger*: In relation to each series of Covered Bonds that does not (a) have a Covered Bond Swap in place and (b) does not have monthly Interest Payment Dates (each such Series, an "**Accumulation Series of Covered Bonds**"), the Cash Manager shall maintain an Interest Accumulation Ledger, to which the LLP Monthly Interest Amounts will be credited on each LLP Payment Date. Amounts standing to the credit of the Interest Accumulation Ledger in respect of each such Accumulation Series of Covered Bonds will be applied on the relevant Loan Interest Payment Date or Interest Payment Date, as the case may be, together with Available Revenue Receipts (applied in accordance with the relevant Priorities of Payments), to make payments under the Term Advances or Covered Bonds, as applicable.
- *Asset Coverage*: The Programme provides that the assets of the LLP are subject to an Asset Coverage Test in respect of the Covered Bonds. Accordingly, for so long as Covered Bonds remain outstanding, the LLP and the Members (other than the Liquidation Member) must ensure that on each Calculation Date, the Adjusted Aggregate Loan Amount will be in an amount equal to or in excess of the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on that Calculation Date. The Asset Coverage Test will be tested by the Cash Manager on each Calculation Date. A breach of the Asset Coverage Test on a Calculation Date which is not remedied on the immediately succeeding Calculation Date will require the Bond Trustee (subject to the Bond Trustee having actual knowledge or express notice of such breach) to serve an Asset Coverage Test Breach Notice on the LLP. The Asset Coverage Test Breach Notice will be revoked if, on any Calculation Date falling on or prior to the third Calculation Date following service of an Asset Coverage Test Breach Notice, the Asset Coverage Test is satisfied and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

If an Asset Coverage Test Breach Notice has been delivered and has not been revoked:

- (a) the application of Available Revenue Receipts and Available Principal Receipts will be restricted;
- (b) the LLP will be required to sell Selected Loans; and
- (c) the Issuer will not be permitted to make to the LLP and the LLP will not be permitted to borrow from the Issuer any new Term Advances under the Intercompany Loan Agreement.

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances, may be required) to serve an Issuer Acceleration Notice on the Issuer. Following service of an Issuer Acceleration Notice, the Bond Trustee must serve a Notice to Pay on the LLP.

- *Amortisation Test*: In addition, following service of a Notice to Pay on the LLP (but prior to service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security) and, for so long as Covered Bonds remain outstanding, the LLP and the Members (other than the Liquidation Member) must ensure that on each Calculation Date following an Issuer Event of Default and the service of a Notice to Pay on the LLP, the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds from time to time. The Amortisation Test will be tested by the Cash Manager on each Calculation Date following an

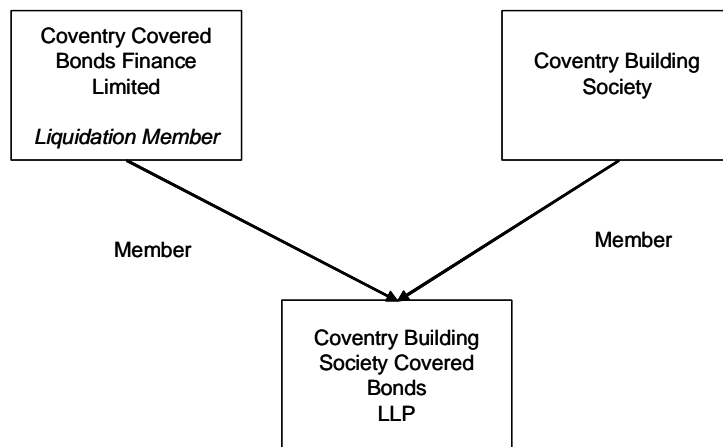

Issuer Event of Default and service of a Notice to Pay on the LLP. A breach of the Amortisation Test will constitute an LLP Event of Default, which will entitle the Bond Trustee to serve an LLP Acceleration Notice declaring the Covered Bonds immediately due and repayable and entitle the Security Trustee to enforce the Security over the Charged Property.

- *Extendable obligations under the Covered Bond Guarantee:* An Extended Due for Payment Date may be specified as applying in relation to a Series of Covered Bonds in the applicable Final Terms. This means that if the Issuer fails to pay the Final Redemption Amount of the relevant series of Covered Bonds on the Final Maturity Date (subject to applicable grace periods) and if the Guaranteed Amounts equal to the Final Redemption Amount of the relevant Series of Covered Bonds are not paid in full by the Extension Determination Date (for example because, following the service of a Notice to Pay on the LLP, the LLP has insufficient monies available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds) then payment of the unpaid amount pursuant to the Covered Bond Guarantee shall be automatically deferred (without an LLP Event of Default occurring as a result of such non payment) and shall be due and payable one year later on the Extended Due for Payment Date (subject to any applicable grace period). However, any amount representing the Final Redemption Amount due and remaining unpaid on the Extension Determination Date may be paid by the LLP on any Interest Payment Date thereafter, up to (and including) the relevant Extended Due for Payment Date. Interest will continue to accrue on any unpaid amount during such extended period and be payable on the Original Due for Payment Date and on the Extended Due for Payment Date in accordance with Condition 4 (*Interest*).
- *Coupon Pre-funding:* If a Cash Manager Relevant Event occurs and is continuing, the Society in its capacity as a Member of the LLP will (a) within 10 London Business Days of the occurrence of the Cash Manager Relevant Event and, (b) thereafter, if a Required Coupon Amount Shortfall exists, within one London Business Day of receipt of notification of each Required Coupon Amount Shortfall, make a Cash Capital Contribution to the LLP in an amount equal to the Required Coupon Amount or the Required Coupon Amount Shortfall, as the case may be.

While a Cash Manager Relevant Event is continuing (but prior to the service of a Notice to Pay or an LLP Acceleration Notice on the LLP) the LLP will, on each LLP Payment Date, to the extent of Available Revenue Receipts (taking into account amounts to be paid in priority to any credit to the Coupon Payment Ledger) fund the Coupon Payment Ledger in an amount up to the Required Coupon Amount.
- *Servicing:* In its capacity as Servicer, the Society has entered into the Servicing Agreement with the LLP and the Security Trustee, pursuant to which the Servicer has agreed to provide administrative services in respect of the Loans and their Related Security sold by the Society (in its capacity as Seller) to the LLP.
- *The Regulated Covered Bonds Regulations 2008:* On 11 April 2011, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds issued previously under the Programme) were admitted to the register of regulated covered bonds.
- *Further Information:* For a more detailed description of the transactions summarised above relating to the Covered Bonds see, amongst other relevant sections of this Offering Circular, "*Overview of the Programme*", "*Terms and Conditions of the Covered Bonds*", "*Summary of the Principal Documents*", "*Credit Structure*", "*Cashflows*" and "*The Portfolio*", below.

 - (ii) on the basis of a reference rate appearing on the agreed

screen page of a commercial quotation service; or

- (iii) on such other basis as may be agreed between the Issuer and the relevant Dealer(s),

as set out in the applicable Final Terms.

The Margin (if any) relating to such floating rate will be agreed between the Issuer and the relevant Dealer(s) for each issue of Floating Rate Covered Bonds as set out in the applicable Final Terms.

Other provisions in relation to Floating Rate Covered Bonds:

Floating Rate Covered Bonds may also have a maximum interest rate, a minimum interest rate or both (as indicated in the applicable Final Terms). Interest on Floating Rate Covered Bonds in respect of each Interest Period, as agreed prior to issue by the Issuer and the relevant Dealer(s), will be payable on such Interest Payment Dates, and will be calculated on the basis of such Day Count Fraction, as may be agreed between the Issuer and the relevant Dealer(s).

Zero Coupon Covered Bonds:

Zero Coupon Covered Bonds may be offered and sold at a discount to their nominal amount and will not bear interest except in the case of late payment unless otherwise specified in the applicable Final Terms.

Redemption:

The applicable Final Terms relating to each Tranche of Covered Bonds will indicate either that the relevant Covered Bonds of such Tranche cannot be redeemed prior to their stated maturity (other than for taxation reasons or if it becomes unlawful for any Term Advance to remain outstanding or following an Issuer Event of Default or an LLP Event of Default) or that such Covered Bonds will be redeemable at the option of the Issuer and/or Covered Bondholders upon giving not more than 30 nor less than 15 days' irrevocable notice (or such other period of notice (if any) as is indicated in the applicable Final Terms) to the Bond Trustee, the Principal Paying Agent, the Registrar (in the case of the redemption of the Registered Covered Bonds) and the Covered Bondholders or to the Issuer (as the case may be), on one or more specified dates prior to their stated maturity and at a price or prices and on such other terms as may be agreed between the Issuer and the relevant Dealer(s) (as set out in the applicable Final Terms).

Extendable obligations under the Covered Bond Guarantee:

The applicable Final Terms may also provide that the LLP's obligations under the Covered Bond Guarantee to pay the Guaranteed Amounts corresponding to the Final Redemption Amount of the applicable Series of Covered Bonds on their Final Maturity Date (subject to applicable grace periods) may be deferred until the Extended Due for Payment Date. In such case, such deferral will occur automatically if the Issuer fails to pay the Final

Redemption Amount of the relevant Series of Covered Bonds on their Final Maturity Date (subject to applicable grace periods) and if the Guaranteed Amounts equal to the Final Redemption Amount in respect of such Series of Covered Bonds are not paid in full by the LLP by the Extension Determination Date (for example, because the LLP has insufficient monies to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of the relevant Series of Covered Bonds after payment of higher ranking amounts and taking into account amounts ranking *pari passu* in the Guarantee Priority of Payments). To the extent that the LLP has received a Notice to Pay in sufficient time and has sufficient monies to pay in part the Final Redemption Amount, such partial payment shall be made by the LLP on any Interest Payment Date up to and including the relevant Extended Due for Payment Date as described in Condition 6(a) (*Final Redemption*). Interest will continue to accrue and be payable on the unpaid amount up to the Extended Due for Payment Date in accordance with Condition 4 (*Interest*) and the LLP will make payments of Guaranteed Amounts constituting Scheduled Interest on each relevant Due for Payment Date and Extended Due for Payment Date. The Extended Due for Payment Date if applicable in respect of a Series of Covered Bonds will be specified in the relevant Final Terms.

Denomination of Covered Bonds:

Covered Bonds will be issued in such denominations as may be agreed between the Issuer and the relevant Dealer(s) and as indicated in the applicable Final Terms save that, except in certain limited circumstances, the minimum denomination of each Covered Bond will be at least €100,000 (or, if the Covered Bonds are denominated in a currency other than euro, at least the equivalent amount in such currency) or such other higher amount as may be required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency.

Unless otherwise stated in the applicable Final Terms, the minimum denomination of each Definitive IAI Registered Covered Bond will be U.S.\$500,000 or its approximate equivalent in other Specified Currencies and the minimum denomination of each Definitive Rule 144A Covered Bond will be U.S.\$250,000 or its approximate equivalent in other Specified Currencies.

Taxation:

All payments in respect of the Covered Bonds will be made without deduction or withholding for or on account of United Kingdom taxes, subject as provided in Condition 7 (*Taxation*). If any such deduction or withholding is made the Issuer will, save in the limited circumstances provided in Condition 7 (*Taxation*), be required to pay additional amounts in respect of the amounts so deducted or withheld. Under the Covered Bond Guarantee, the LLP will not be liable to pay any such additional amounts payable by the Issuer under Condition 7 (*Taxation*).

Cross Default:

If an LLP Acceleration Notice is served in respect of any one Series of Covered Bonds, then the obligation of the LLP to pay Guaranteed Amounts in respect of all Series of Covered Bonds outstanding will be accelerated.

- Status of the Covered Bonds:** The Covered Bonds will constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and will rank *pari passu* without any preference among themselves and (save for any applicable statutory provisions) at least equally with all other present and future unsecured and unsubordinated obligations of the Issuer, from time to time outstanding.
- Covered Bond Guarantee:** Payment of Guaranteed Amounts in respect of the Covered Bonds when Due for Payment will be irrevocably guaranteed by the LLP. The obligations of the LLP to make payment in respect of the Guaranteed Amounts when Due for Payment are subject to the condition that an Issuer Event of Default occurs, an Issuer Acceleration Notice is served on the Issuer and a Notice to Pay is served on the LLP or, if earlier, an LLP Event of Default occurs and an LLP Acceleration Notice is served on the LLP. The obligations of the LLP under the Covered Bond Guarantee will accelerate against the LLP upon the service of an LLP Acceleration Notice. The obligations of the LLP under the Covered Bond Guarantee constitute direct obligations of the LLP secured against the assets from time to time of the LLP and recourse against the LLP is limited to such assets.
- Ratings:** Covered Bonds to be issued under the Programme have, unless otherwise specified in the applicable Final Terms, been rated "AAA" by Fitch and "Aaa" by Moody's.
- The credit ratings referred to in this Offering Circular have been issued by Fitch and/or Moody's each of which is a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009 (as amended) (the "**CRA Regulation**"). Please also refer to "*Ratings of the Covered Bonds*" in the "*Risk Factors*" section of this Offering Circular.
- Listing and admission to trading:** Application has been made to admit Covered Bonds issued under the Programme to the Official List and to admit the Covered Bonds to trading on the regulated market of the London Stock Exchange.
- The RCB Regulations:** On 11 April 2011, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds issued previously under the Programme) were admitted to the register of regulated covered bonds.
- Governing Law:** The Covered Bonds, and any non-contractual obligations arising out of or in connection with them, will be governed by, and construed in accordance with, English law.
- Selling Restrictions:** There are restrictions on the offer, sale and transfer of any Tranche of Covered Bonds in the United States and the European Economic Area (which includes the United Kingdom and the Republic of Italy). Other restrictions may apply in connection with the offering and sale of a particular Tranche of Covered Bonds. See "*Subscription and Sale and Transfer and Selling Restrictions*".
- Risk Factors:** There are certain risks related to any issue of Covered Bonds under

the Programme, which investors should ensure they fully understand, a non-exhaustive summary of which is set out under "*Risk Factors*" from page 29 of this Offering Circular.

RISK FACTORS

The Issuer and the LLP believe that the following factors may affect their ability to fulfil their respective obligations under the Covered Bonds. All of these factors are contingencies which may or may not occur and neither the Issuer nor the LLP are in a position to express a view on the likelihood of any such contingency occurring.

This section of the Offering Circular is divided into three main sections – General Risk Factors, Risk Factors related to the structure of a particular Issue of Covered Bonds and Risk Factors which are material for the purpose of assessing the Market Risks associated with Covered Bonds Issued under the Programme.

Any investment in the Covered Bonds issued under the Programme will involve risks including those described in this section. The Issuer and the LLP believe that the factors described below represent the principal risks inherent in investing in Covered Bonds issued under the Programme, but the inability of the Issuer or the LLP to pay interest, principal or other amounts on or in connection with any Covered Bonds may occur for other reasons and neither the Issuer nor the LLP represents that the statements below regarding the risks of holding any Covered Bonds are exhaustive. The risks and uncertainties described below are not the only risks and uncertainties that the Issuer and the LLP may face. Additional risks and uncertainties that the Issuer and LLP are unaware of, or that they currently deem to be immaterial, may also become important risk factors that affect them. Prospective investors should carefully consider the following discussion of the risk factors and other information in this Offering Circular before deciding whether an investment in the Covered Bonds is suitable for them.

GENERAL RISK FACTORS

Issuer liable to make payments when due on the Covered Bonds

The Issuer is liable to make payments when due on the Covered Bonds. The obligations of the Issuer under the Covered Bonds are direct, unsecured, unconditional and unsubordinated obligations, ranking *pari passu* without any preference amongst themselves and (subject to applicable law) equally with its other direct, unsecured, unconditional and unsubordinated obligations (save for any obligations to be preferred by law).

The LLP has no obligation to pay the Guaranteed Amounts payable under the Covered Bond Guarantee until the occurrence of an Issuer Event of Default, service by the Bond Trustee on the Issuer of an Issuer Acceleration Notice and on the LLP of a Notice to Pay or, if earlier, following the occurrence of an LLP Event of Default, service by the Bond Trustee of an LLP Acceleration Notice. The occurrence of an Issuer Event of Default does not constitute an LLP Event of Default. However, failure by the LLP to pay amounts when Due for Payment under the Covered Bond Guarantee would constitute an LLP Event of Default which would entitle the Bond Trustee to accelerate the obligations of the Issuer under the Covered Bonds (if they have not already become due and payable) and the obligations of the LLP under the Covered Bond Guarantee and the Security Trustee to enforce the Security.

Obligations under the Covered Bonds

The Covered Bonds will not represent an obligation or be the responsibility of any of the Dealers, the Arrangers, the Bond Trustee, the Security Trustee or any other party to the Programme, their officers, members, directors, employees, security holders or incorporators, other than the Issuer and the LLP. The Issuer and the LLP will be liable solely in their corporate capacity for their obligations in respect of the Covered Bonds and such obligations will not be the obligations of their respective officers, members, directors, employees, security holders or incorporators.

Covered Bonds issued under the Programme

Covered Bonds issued under the Programme will either be fungible with an existing Series of Covered Bonds or have different terms from an existing Series of Covered Bonds (in which case they will constitute a new Series).

All Covered Bonds issued from time to time under the Programme will, following service of an LLP Acceleration Notice and enforcement of the security, rank *pari passu* with each other in all respects and will share in the security granted by the LLP under the Deed of Charge. As a result, holders of Covered Bonds issued pursuant to this Offering Circular should be aware that they will rank *pari passu* and share in the security granted by the LLP over, *inter alia*, the Portfolio, with holders of Covered Bonds which may be issued by the Issuer in a manner other than pursuant to this Offering Circular.

If an Issuer Event of Default occurs in respect of a particular Series of Covered Bonds, the Covered Bonds of all Series outstanding will accelerate at the same time against the Issuer (following service of an Issuer Acceleration Notice) but will be subject to, and have the benefit of, payments made by the LLP under the Covered Bond Guarantee (following service of a Notice to Pay). Subject as provided in Condition 9 (*Events of Default and Enforcement*) and the Trust Deed, if an LLP Event of Default occurs, following service of an LLP Acceleration Notice, the Covered Bonds of all Series outstanding will accelerate against the Issuer (if not already accelerated following an Issuer Event of Default) and the obligations of the LLP under the Covered Bond Guarantee will accelerate. In order to ensure that any further issue of Covered Bonds under the Programme does not adversely affect the existing Covered Bondholders:

- the Issuer will be obliged to apply the proceeds of any issue of Covered Bonds to make a Term Advance to the LLP. The LLP will use the proceeds of such Term Advance (after swapping the same into Sterling if necessary): (i) to acquire Loans and their Related Security from the Seller; and/or (ii) to acquire Substitution Assets up to the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP:
 - (a) to purchase Loans and their Related Security, from the Seller in accordance with the terms of the Mortgage Sale Agreement; and/or
 - (b) to invest in Substitution Assets in an amount not exceeding the prescribed limit; and/or
 - (c) (subject to complying with the Asset Coverage Test (as described below)) to make a Capital Distribution to a Member; and/or
 - (d) if an existing Series or Tranche, or part of an existing Series or Tranche, of Covered Bonds is being refinanced (by the issue of a further Series or Tranche of Covered Bonds), to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced; and/or
 - (e) to make a deposit of all or part of the proceeds in the Standby GIC Account (including, without limitation, to fund the Reserve Fund to an amount not exceeding the prescribed limit);
- the Asset Coverage Test will be required to be met both before and immediately after any further issue of Covered Bonds; and
- on or prior to the date of issue of any further Covered Bonds, the Issuer will be obliged to obtain written confirmation from the Rating Agencies (addressed to the Issuer, the Bond Trustee and the Security Trustee) that such further issue would not adversely affect the then current ratings of the existing Covered Bonds.

Security Trustee's and Bond Trustee's powers

In the exercise of its duties, powers, trusts, authorities and discretions the Security Trustee shall only have regard to the interests of the Covered Bondholders. In the exercise of its duties, powers, trusts, authorities and discretions, the Security Trustee shall not act on behalf of the Seller.

In having regard to the interests of the Covered Bondholders, the Security Trustee shall be entitled to rely solely on a written confirmation from the Bond Trustee as to whether, in the opinion of the Bond Trustee, any matter, action or omission is or is not in the interests of or is not prejudicial or materially prejudicial to the interests of, the Covered Bondholders. The Bond Trustee shall have sole responsibility for resolving conflicts of interest as between the Covered Bondholders or any Series or class of them, subject to and in accordance with the provisions of the Trust Deed and the Conditions.

If, in connection with the exercise of its powers, trusts, authorities or discretions, the Bond Trustee is of the opinion that the interests of the Covered Bondholders of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval of such Series of Covered Bondholders by Extraordinary Resolution or by a direction in writing of such Covered Bondholders of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding.

Extendable obligations under the Covered Bond Guarantee

Following the failure by the Issuer to pay the Final Redemption Amount of a Series of Covered Bonds on their Final Maturity Date (subject to applicable grace periods) and if, following the service of a Notice to Pay on the LLP (by no later than the date which falls one Business Day prior to the Extension Determination Date), payment of the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of such Series of the Covered Bonds are not paid in full, then the payment of such Guaranteed Amounts may be automatically deferred. The Issuer is not required to notify Covered Bondholders of such deferral. This will occur (subject to no LLP Event of Default having occurred) if the Final Terms for a relevant Series of Covered Bonds (the "**relevant Series of Covered Bonds**") provides that such Covered Bonds are subject to an Extended Due for Payment Date.

To the extent that the LLP has received a Notice to Pay in sufficient time and has sufficient monies available to pay in part the Guaranteed Amounts corresponding to the relevant Final Redemption Amount in respect of the relevant Series of Covered Bonds, the LLP shall make such payment on the Extension Determination Date. If the LLP has not received a Notice to Pay in sufficient time and/or does not have sufficient monies available to pay the Guaranteed Amounts corresponding to the relevant Final Redemption Amount in respect of the relevant Series of Covered Bonds, the LLP shall make such partial payment in accordance with the Guarantee Priority of Payments and as described in Condition 6(a) (*Final Redemption*) on any Interest Payment Date up to and including the relevant Extended Due for Payment Date. Payment of the unpaid amount shall be deferred automatically until the applicable Extended Due for Payment Date (where the relevant Series of Covered Bonds are subject to an Extended Due for Payment Date). The Covered Bondholders should be aware that the Extended Due for Payment Date will be the date specified in the applicable Final Terms, interest will continue to accrue and be payable on the unpaid amount in accordance with Condition 4 (*Interest*) and the LLP will pay Guaranteed Amounts constituting Scheduled Interest on each Original Due for Payment Date and the Extended Due for Payment Date. In these circumstances, except where the LLP has failed to apply money in accordance with the Guarantee Priority of Payments, failure by the LLP to make payment in respect of the Final Redemption Amount on the Final Maturity Date (or such later date within any applicable grace period) shall not constitute an LLP Event of Default. However, failure by the LLP to pay Guaranteed Amounts corresponding to the Final Redemption Amount or the balance thereof, as the case may be, on the Extended Due for Payment Date and/or pay Guaranteed Amounts constituting Scheduled Interest on any Original Due for Payment Date or the Extended Due for Payment Date will (subject to any applicable grace period) be an LLP Event of Default.

The extension period for each Series of Covered Bonds can be for different periods of time. In accordance with the Guarantee Priority of Payments, Covered Bonds of a Series with an Extended Due for Payment Date falling one year or less from the relevant LLP Payment Date will be paid in priority to any Series of Covered Bonds with an Extended Due for Payment Date falling more than one year after the relevant LLP Payment Date. To the extent that the LLP has insufficient funds to pay Covered Bonds of a Series with an Extended Due for Payment Date falling one year or less from the relevant LLP Payment Date, Covered Bonds with an Extended Due for Payment Date falling more than one year after the LLP Payment Date may be paid less than they are due, or not at all.

A secondary market in the Covered Bonds may not continue or develop further

No assurance is provided that there is an active and liquid secondary market for the Covered Bonds, and there can be no assurance that a secondary market for the Covered Bonds will continue or develop further. The Covered Bonds have not been, and will not be, registered under the Securities Act or any other applicable securities laws and are subject to certain restrictions on the resale and other transfer thereof as set forth under "*Subscription and Sale and Transfer and Selling Restrictions*". To the extent that a secondary market exists or develops further, it may not continue for the life of the Covered Bonds or it may not provide Covered Bondholders with liquidity of investment with the result that a Covered Bondholder may not be able to find a buyer to buy its Covered Bonds readily or at prices that will enable the Covered Bondholder to realise a desired yield.

Ratings of the Covered Bonds

The ratings assigned to the Covered Bonds by Fitch address the probability of default and the loss given default under the Covered Bonds. The ratings assigned by Moody's to the Covered Bonds address the expected loss posed to potential investors.

The expected ratings of the Covered Bonds are set out in the relevant Final Terms for each Series of Covered Bonds. Any Rating Agency may lower its rating or withdraw its rating if, in the sole judgement of the Rating Agency, the credit quality of the Covered Bonds has declined or is in question. In addition, at any time any Rating Agency may revise its relevant rating methodology with the result that, amongst other things, any rating assigned to the Covered Bonds may be lowered. If any rating assigned to the Covered Bonds is lowered or withdrawn, the market value of the Covered Bonds may reduce.

A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension or withdrawal (or, as noted above, revision) at any time. A credit rating may not reflect the potential impact of all of the risks related to the structure, market, additional factors discussed above, and other factors that may affect the value of the Covered Bonds. Any downgrade in the rating of the Issuer by the Rating Agencies may have a negative impact on the ratings of the Covered Bonds.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended). Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). Certain information with respect to the credit rating agencies and ratings referred to in this Offering Circular, is set out in "*Overview of the Programme – Ratings*" of this Offering Circular.

The list of registered and certified rating agencies published by the European Securities and Markets Authority ("**ESMA**") on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list.

Rating Agency Confirmation in respect of Covered Bonds

The terms of certain of the Transaction Documents provide that, in certain circumstances, the Issuer must, and the Bond Trustee or the Security Trustee may, obtain written confirmation (or, in the case of Moody's, affirmation) from the Rating Agencies that any particular action proposed to be taken by the Issuer, the LLP, the Seller, the Servicer, the Cash Manager, the Bond Trustee or the Security Trustee will not adversely affect or cause to be withdrawn the then current ratings of the Covered Bonds (a "**Rating Agency Confirmation**").

By acquiring the Covered Bonds, investors will be deemed to have acknowledged and agreed that, notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to Covered Bondholders, including, without limitation, in the case of a Rating Agency Confirmation, whether any action proposed to be taken by the Issuer, the LLP, the Seller, the Servicer, the Cash Manager, the Bond Trustee, the Security Trustee or any other party to a Transaction Document is either (i) permitted by the terms of the relevant Transaction Document, or (ii) in the best interests of, or not materially prejudicial to, some or all of the Covered Bondholders. In being entitled to have regard to the fact that the Rating Agencies have confirmed that the then current ratings of the Covered Bonds would not be adversely affected or withdrawn, each of the Issuer, the LLP, the Bond Trustee, the Security Trustee and each of the other Secured Creditors (including the Covered Bondholders) is deemed to have acknowledged and agreed that the above does not impose or extend any actual or contingent liability on the Rating Agencies to the Issuer, the LLP, the Bond Trustee, the Security Trustee, the Secured Creditors (including the Covered Bondholders) or any other person or create any legal relations between the Rating Agencies and the Issuer, the LLP, the Bond Trustee, the Security Trustee, the Secured Creditors (including the Covered Bondholders) or any other person whether by way of contract or otherwise.

Any such Rating Agency Confirmation may be given or not given at the sole discretion of each Rating Agency. It should be noted that, depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that a Rating Agency cannot provide a Rating Agency Confirmation in the time available or at all, and the Rating Agency will not be responsible for the consequences thereof. Such confirmation, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time, and in the context of cumulative changes to the transaction of which the securities form part since the issuance closing date. A Rating Agency Confirmation represents only a restatement of the opinions given, and is given on the basis that it will not be construed as advice for the benefit of any parties to the transaction.

Covered Bonds not in physical form

Unless the Bearer Global Covered Bonds or the Registered Global Covered Bonds are exchanged for Bearer Definitive Covered Bonds or Registered Definitive Covered Bonds, respectively, which exchange will only occur in the limited circumstances set out under Form of the Covered Bonds – Bearer Covered Bonds and Form of the Covered Bonds – Registered Covered Bonds below, the beneficial ownership of the Covered Bonds will be recorded in book-entry form only with Euroclear and Clearstream, Luxembourg and/or DTC. The fact that the Covered Bonds are not represented in physical form could, among other things:

- result in payment delays on the Covered Bonds because distributions on the Covered Bonds will be sent by or on behalf of the Issuer to Euroclear, Clearstream, Luxembourg or DTC instead of directly to Covered Bondholders;
- make it difficult for Covered Bondholders to pledge the Covered Bonds as security if Covered Bonds in physical form are required or necessary for such purposes; and
- hinder the ability of Covered Bondholders to resell the Covered Bonds because some investors may be unwilling to buy Covered Bonds that are not in physical form.

RISK FACTORS RELATED TO THE STRUCTURE OF A PARTICULAR ISSUE OF COVERED BONDS

A wide range of Covered Bonds may be issued under the Programme. A number of these Covered Bonds may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Covered Bonds subject to Optional Redemption by the Issuer

If Issuer Call is specified in the applicable Final Terms, the Issuer may elect to redeem all or some of the Covered Bonds at the Optional Redemption Amount (specified in the applicable Final Terms) plus Accrued Interest. An optional redemption feature of Covered Bonds is likely to limit the market value of such Covered Bonds. During any period when the Issuer may elect to redeem Covered Bonds, the market value of those Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Covered Bonds when its cost of borrowing is lower than the interest rate on the Covered Bonds. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Covered Bonds being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Fixed Rate Covered Bonds

Investment in Fixed Rate Covered Bonds involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Covered Bonds.

Fixed/Floating Rate Covered Bonds

The Issuer may issue Covered Bonds which bear interest at a rate that converts from a fixed rate to a floating rate or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Covered Bonds may be less favourable than the prevailing spreads on comparable Floating Rate Covered Bonds tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Covered Bonds. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than the then prevailing rates on its Covered Bonds.

Covered Bonds issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The Bond Trustee and the Security Trustee may agree to modifications to the Transaction Documents without, respectively, the Covered Bondholders' or Secured Creditors' prior consent

Pursuant to the terms of the Trust Deed, the Bond Trustee may, without the consent or sanction of any of the Covered Bondholders or any of the other Secured Creditors, concur with any person in making or sanctioning any modification (save in relation to a Series Reserved Matter) to, or waive or authorise any breach or proposed breach in respect of, the Transaction Documents and the Terms and Conditions of the Covered Bonds or determine, without any such consent as aforesaid, that any Issuer Event of Default or LLP

Event of Default or Potential Issuer Event of Default or Potential LLP Event of Default shall not be treated as such:

- provided that the Bond Trustee is of the opinion that such modification, waiver and authorisation will not be materially prejudicial to the interest of any of the Covered Bondholders of any Series; or
- which in the opinion of the Bond Trustee are made to correct a manifest error or are of a formal, minor or technical nature or are made to comply with mandatory provisions of law,

provided that, prior to the Bond Trustee agreeing to any such modification, waiver, authorisation or determination, the Issuer must send written confirmation to the Bond Trustee:

- (i) that such modification, waiver, authorisation or determination, as applicable, would not result in a breach of the RCB Regulations or the RCB Sourcebook or result in the Issuer, the Programme and/or any Covered Bonds issued under the Programme ceasing to be registered under the RCB Regulations; and
- (ii) that either: (a) such modification, waiver, authorisation or determination would not require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations; or (b) if such modification, waiver, authorisation or determination would require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations, the Issuer has provided all information required to be provided to the FCA and the FCA has given its consent to such proposed modification, waiver, authorisation or determination.

Save as otherwise expressly provided in the Deed of Charge, the Security Trustee shall (i) concur with the Issuer, the LLP or any other person in making any modification to any Transaction Document and/or (ii) waive or authorise (without prejudice to its rights in respect of any further or other breach) any breach or proposed breach of any of the provisions of any Transaction Document, in each case, only if so directed by (a) the Bond Trustee, so long as there are any Covered Bonds outstanding or (b) all of the other Secured Creditors, if there are no Covered Bonds outstanding.

Notwithstanding the above, the Issuer and the LLP may request the Bond Trustee and the Security Trustee to agree to modifications to the Transaction Documents and/or the Terms and Conditions of the Covered Bonds to enable the Covered Bonds issued under the Programme to qualify and/or to continue to qualify as regulated covered bonds under the RCB Regulations or any replacement or amended regulations. The Bond Trustee and the Security Trustee shall agree to such modifications stated above without the consent or sanction of any of the Covered Bondholders or the Couponholders and without the consent or sanction of any other Secured Creditors, subject to receipt by the Bond Trustee and the Security Trustee of a certificate signed by two directors of the Issuer and a certificate of a Designated Member of the LLP, each certifying to the Bond Trustee (i) that the requested amendments are to be made solely for the purpose of enabling the Covered Bonds to qualify as regulated covered bonds under the RCB Regulations or any replacement of amended regulations and (ii) that the requested amendments are not, in the opinion of the Issuer of the LLP, materially prejudicial to the interests of any Covered Bondholders or any Secured Creditor.

The Bond Trustee shall, without the consent of the holders of any of the Covered Bonds issued after 5 July 2013 or any other Secured Creditor, (other than any Secured Creditor party to the relevant Transaction Document to be amended) be obliged to concur with the Issuer and/or the LLP, and/or direct the Security Trustee to concur with the Issuer and/or the LLP, in making any modifications to the Transaction Documents and/or the Conditions of the Covered Bonds that are requested by the Issuer and/or the LLP in order to enable the Issuer to comply with any requirements which apply to it under Regulation (EU) 648/2012 (the "**European Market Infrastructures Regulation**" or "**EMIR**"), subject to receipt by the Bond Trustee of a certificate of the Issuer (upon which the Bond Trustee may rely without further enquiry or liability to any person) certifying to the Bond Trustee and the Security Trustee that the requested amendments are to be made solely for the purpose of enabling the Issuer and/or the LLP to satisfy any requirements which apply to either of them under EMIR in relation to the matters set out at (i)(a) to (c) below. For the avoidance of doubt,

in relation to any Series of Covered Bonds issued prior to 5 July 2013, such modifications must be made pursuant to other provisions of the Trust Deed, as applicable. The Bond Trustee and the Security Trustee shall not be obliged to agree to any modification which (i) in the sole opinion of the Bond Trustee and the Security Trustee, as applicable, would have the effect of (a) exposing the Bond Trustee and the Security Trustee, as applicable, to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction; (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee and the Security Trustee, as applicable, in the Transaction Documents and/or the Conditions of the Covered Bonds or (c) being materially prejudicial to the interest of the Covered Bondholders or (ii) would result in a Series Reserved Matter.

Additionally, notwithstanding the above, at the request of the Issuer and the LLP, the Bond Trustee and the Security Trustee shall (other than as specified in paragraph (a) below) without the consent or sanction of any of the Covered Bondholders or the Couponholders and without the consent or sanction of any other Secured Creditors (a) in the case of an update in the published Rating Agency criteria applicable to a Swap Agreement, consent to the amendments to such Swap Agreement to reflect such updated, published Rating Agency criteria and concur with the Issuer and the LLP in making consequential modifications to the Transaction Documents that solely implement such update in the published, Rating Agency criteria or (b) in the case of a replacement of a Swap Provider, consent to such replacement of a Swap Provider and concur with the Issuer and the LLP in making such modifications to the Transaction Documents (including, but not limited to, the terms of the relevant Swap Agreement) as are consequent upon such replacement of a Swap Provider subject to receipt by the Bond Trustee and the Security Trustee of:

- (a) a direction by way of an Extraordinary Resolution of the holders of the Series 1 Covered Bonds then outstanding and an Extraordinary Resolution of the holders of the Series 2 Covered Bonds then outstanding;
- (b) written notice from the Cash Manager (acting reasonably in its own opinion in its determinations) certifying to the Bond Trustee and Security Trustee that:
 - (i) the replacement Swap Provider has at least the same ratings as the outgoing Swap Provider (or such rating as would be sufficient to maintain a AAA rating from Fitch and a Aaa rating from Moody's) or, as applicable the updated Rating Agency criteria has been published and the relevant amendments to the relevant Swap Agreement and the consequential modifications to the Transaction Documents, as determined by the Cash Manager, are being made solely to implement such updated, published Rating Agency criteria; and
 - (ii) the then current ratings of the Covered Bonds will not be downgraded or withdrawn by the Rating Agencies as a result of such amendments, modifications or replacement of such Swap Provider; and
- (c) a certificate signed by an Authorised Signatory of the Issuer and a certificate signed by a Designated Member of the LLP, each certifying to the Bond Trustee and the Security Trustee that such amendments, replacement of Swap Provider and/or modifications (as the case may be) are not, in the opinion of the Issuer or the LLP, materially prejudicial to the interests of any Covered Bondholders or any Secured Creditor provided that for the purposes of this paragraph, such amendments, replacement of Swap Provider and/or modifications (as the case may be) shall be conclusively deemed not to be materially prejudicial to the interest of any Covered Bondholders or any Secured Creditor where such amendments, replacement of Swap Provider and/or modifications would not result in the downgrade or withdrawal by the Rating Agencies of the then current ratings of the Covered Bonds,

(such notice, determination and certificates shall be conclusive and binding on all Secured Creditors (including the Covered Bondholders)).

In addition, the Issuer may in the future seek to amend the terms of the Programme such that the Bond Trustee shall, without the consent of the holders of any of the Covered Bonds or any other Secured Creditor, (other than any Secured Creditor party to the relevant Transaction Document to be amended) be obliged to concur with the Issuer and/or the LLP, and/or direct the Security Trustee to concur with the Issuer and/or the LLP, in making any modifications to the Transaction Documents and/or the Conditions of the Covered Bonds that are requested by the Issuer and/or the LLP for the purpose of complying with, or implementing or reflecting, any change in the criteria of one or more of the Rating Agencies without the consent of Covered Bondholders.

Any such amendment to the terms of the Programme would broadly provide that any modifications proposed to comply with or implement or reflect any change in the criteria of one or more of the Rating Agencies would first be notified to Covered Bondholders, but if the requisite number of Covered Bondholders did not confirm their rejection of such proposal within the time limit specified in the relevant notice, the proposed modification would be effected. The inclusion of any such amendment to the terms of the Programme is subject to the agreement of the Bond Trustee and Security Trustee (who have at the date of this Prospectus not been consulted on any proposal to make such amendment).

Certain decisions of the Covered Bondholders taken at Programme level

Any Extraordinary Resolution to direct the Bond Trustee to serve an Issuer Acceleration Notice following an Issuer Event of Default, to direct the Bond Trustee to serve an LLP Acceleration Notice following an LLP Event of Default and any direction to the Bond Trustee or Security Trustee to take any enforcement action must be passed at a single meeting of all the Covered Bondholders of all Series then outstanding, subject to the quorum and voting provisions set out in the Terms and Conditions and the Trust Deed.

European Monetary Union

If the United Kingdom joins the European Monetary Union prior to the maturity of the Covered Bonds, there is no assurance that this would not adversely affect the realisable value of the Portfolio or any part thereof or, pending such realisation (or if the Portfolio or any part thereof cannot be sold), the ability of the LLP to make payments of interest and principal on the Covered Bonds.

It is possible that prior to the maturity of the Covered Bonds the United Kingdom may become a participating member state in the European Monetary Union and that the euro may become the lawful currency of the United Kingdom (although the UK Coalition Government has ruled out preparing for or joining the euro for the duration of the coalition agreement as published in full on 20 May 2010). In the event that the euro were to become the lawful currency of the United Kingdom, (a) all amounts payable in respect of any Covered Bonds denominated in pounds Sterling may become payable in euro; (b) applicable provisions of law may allow or require the Covered Bonds to be re-denominated into euro and additional measures to be taken in respect of such Covered Bonds; and (c) the introduction of the euro as the lawful currency of the United Kingdom may result in the disappearance of published or displayed rates for deposits in pounds Sterling used to determine the rates of interest on such Covered Bonds or changes in the way those rates are calculated, quoted and published or displayed. The introduction of the euro could also be accompanied by a volatile interest rate environment which could adversely affect a Borrower's ability to repay its Loan as well as adversely affect investors. It cannot be said with certainty what effect, if any, adoption of the euro by the United Kingdom will have on investors in the Covered Bonds.

EU Savings Directive

Under EU Council Directive 2003/48/EC on the taxation of savings income (the "**EU Savings Directive**"), Member States are required to provide to the tax authorities of other Member States details of certain payments of interest and similar income paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted Council Directive 2014/48/EU amending and broadening the scope of the requirements described above. Member States are required to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The amendments to the Directive will also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported. This approach will apply to payments made to, or secured for, persons, entities or legal arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Luxembourg and Austria are required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or income may request that no tax be withheld). The changes referred to above will broaden the types of payments subject to withholding in those Member States which still operate a withholding system when they are implemented. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the EU Savings Directive.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment pursuant to the EU Savings Directive or any law implementing or complying with, or introduced in order to conform to the EU Savings Directive, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. Furthermore, once the amendments to the EU Savings Directive are implemented and take effect in Member States, such withholding may occur in a wider range of circumstances than at present, as explained above. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the EU Savings Directive.

EU financial transaction tax

On 14 February 2013, the European Commission issued proposals, including a draft Directive (the **Commission's proposal**) for a financial transaction tax ("**FTT**") to be adopted in certain participating EU Member States (including Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia). If the Commission's proposal were to be adopted, the FTT would be a tax primarily on "financial institutions" (which would include the Issuer) in relation to "financial transactions" (which would include the conclusion or modification of derivative contracts and the purchase and sale of financial instruments).

Under the Commission's proposal, the FTT would apply to persons both within and outside of the participating Member States. Generally, it would apply where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the financial transaction is issued in a participating Member State.

The FTT may give rise to tax liabilities for the LLP with respect to certain financial transactions (including concluding swap transactions and/or purchases or sales of securities (such as Authorised Investments)) if it is adopted based on the Commission's proposal. Any such tax liabilities may reduce amounts available to the LLP to meet its obligations under the Covered Bond Guarantee and may result in investors receiving less interest or principal than expected. To the extent that such liabilities may arise at a time when winding up proceedings have been commenced in respect of the LLP, such liabilities may be regarded as an expense of

the liquidation and, as such, be payable out of the floating charge assets of the LLP (and its general estate) in priority to the claims of Covered Bondholders and other secured creditors. It should also be noted that the FTT could be payable in relation to relevant financial transactions by investors in respect of the Covered Bonds (including secondary market transactions) if the conditions for a charge to arise are satisfied. The issuance and subscription of Covered Bonds should, however, be exempt.

A joint statement issued in May 2014 by ten of the eleven participating Member States indicate that a progressive implementation is being considered and that the FTT may initially apply to financial transactions involving shares and certain derivatives, with this initial implementation occurring by 1 January 2016. The FTT, as initially implemented on this basis, may not apply to dealings in the Covered Bonds. However, full details are not available and further changes could be made prior to adoption.

The FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation. Additional EU Member States may decide to participate. Prospective holders of the Covered Bonds are advised to seek their own professional advice in relation to the FTT.

U.S. Foreign Account Tax Compliance Act withholding may affect payments on Covered Bonds

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 ("FATCA") imposes a new reporting regime and, potentially, a 30% withholding tax with respect to (i) certain payments from sources within the United States, (ii) "foreign pass-thru payments" made to certain non-U.S. financial institutions that do not comply with this new reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution.

While the Covered Bonds are in global form and held within the clearing systems, in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the clearing systems. However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. The Issuer's obligations under the Covered Bonds are discharged once it has paid the common depository or common safekeeper for the clearing systems (as registered holder of the Covered Bonds) and the Issuer has therefore no responsibility for any amount thereafter transmitted through the clearing systems and custodians or intermediaries. Prospective investors should refer to the section "*Taxation – Foreign Account Tax Compliance Act*".

Changes of law

The structure of the issue of the Covered Bonds and the ratings which are to be assigned to them are based on English law in effect as at the date of this Offering Circular. No assurance can be given as to the impact of any possible change to English law, (including any change in regulation which may occur without a change in primary legislation) or administrative practice or tax treatment in the United Kingdom after the date of this Offering Circular, nor can any assurance be given as to whether any such change would adversely affect the ability of the Issuer to make payments under the Covered Bonds or the ability of the LLP to make payments under the Covered Bond Guarantee.

UK regulated covered bond regime

On 11 April 2011, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds issued previously under the Programme) was admitted to the register of regulated covered bonds.

The FCA may take certain actions in respect of the Issuer and/or the LLP under the RCB Regulations. Such actions include directing the winding-up of the LLP, removing the Issuer from the register of issuers (but pursuant to the RCB Regulations, a regulated covered bond may not be removed from the relevant register prior to the expiry of the whole period of validity of the relevant covered bond), directing the Issuer and/or the LLP to take specified steps for the purpose of complying with the RCB Regulations and/or imposing a financial penalty of such amount as it considers appropriate in respect of the Issuer or the LLP and/or restricting the ability of the Seller to transfer further loans to the LLP and directing the Issuer to publish information given to the FCA under the RCB Regulations. Moreover, the bodies which regulate the financial services industry in the UK may take certain actions in respect of issuers using their general powers under the UK regulatory regime (including restricting an issuer's ability to transfer further assets to the asset pool). There is a risk that any such regulatory actions may reduce the amounts available to pay Covered Bondholders.

With respect to the risks referred to above, see also "*Cashflows*" and "*Description of the UK Regulated Covered Bonds Regime*" below for further details.

Expenses of insolvency officeholders

Under the RCB Regulations (assuming such regulations apply to the LLP), following the realisation of any asset pool security (excluding circumstances where there is a concurrent winding up of the LLP) certain costs and expenses are payable out of the fixed and floating charge assets of the LLP in priority to the claims of other Secured Creditors (including the Covered Bondholders). Such costs and expenses are also payable out of the floating charge assets of the LLP (but it would appear not out of the fixed charge assets) in priority to the claims of the other Secured Creditors in a winding up of the LLP and/or in an administration of the LLP. Such costs and expenses include disbursements made by the officeholder (including an administrative receiver, liquidator or administrator) in respect of costs in relation to certain senior service providers and hedge counterparties and also general expenses incurred in the corresponding insolvency proceedings in respect of the LLP (which could include any corporation tax charges). This is a departure from the general position under English law which provides that the expenses of any administration and the expenses of any liquidation only rank ahead of a holder of a floating charge (but not ahead of the claims of a fixed charge-holder).

It is intended that the LLP should be a bankruptcy-remote entity and a provision has been included in the Deed of Charge such that, in certain post-enforcement scenarios in circumstances where the RCB Regulations apply to the LLP, each Secured Creditor agrees in effect that (amongst other things) if it receives certain subordinated amounts in respect of any secured liabilities owed to it other than in accordance with the Post-Enforcement Priority of Payments (referred to under "*Cashflows*" below) then such amounts will be held on trust for the Security Trustee and paid over to the Security Trustee immediately upon receipt so that such amounts may be applied in accordance with that priority of payments. Notwithstanding such provision, assuming that the RCB Regulations will apply, there is a risk that in certain circumstances the relevant provisions of the RCB Regulations will result in a reduction in the amounts available to pay Covered Bondholders. In particular, it is not possible to bind third parties (such as HMRC) in relation to such subordination provisions.

See also the investment consideration described below under "*Liquidation expenses*".

Insolvency Act 2000

The Insolvency Act 2000 allows certain "small" companies to seek protection from their creditors for a period of 28 days for the purposes of putting in place a company voluntary arrangement with the option for

creditors to extend the moratorium for a further two months. This also extends to Limited Liability Partnerships by virtue of the Limited Liability Partnership (Amendment) Regulations 2005.

A "small" company is defined as one which satisfies two or more of the following criteria: (i) its turnover is not more than £6.5 million; (ii) its balance sheet total is not more than £3.26 million; and (iii) the number of employees is not more than 50. The position as to whether or not a company is a "small" company may change from time to time and consequently no assurance can be given that the LLP, at any given time, will not be determined to be a "small" company. The United Kingdom Secretary of State for Business, Innovation and Skills may by regulation modify the eligibility requirements for "small" companies and can make different provisions for different cases. No assurance can be given that any such modification or different provisions will not be detrimental to the interests of the Covered Bondholders.

Secondary legislation excludes certain special purpose companies in relation to capital markets transactions from the optional moratorium provisions. Such exceptions include (a) a company which, at the time of filing for a moratorium, is a party to an agreement which is or forms part of a "capital market arrangement" (as defined in the secondary legislation) under which a party has incurred, or when the agreement was entered into was expected to incur, a debt of at least £10 million and which involves the issue of a "capital market investment" (also defined but generally a rated, listed or traded bond) and (b) a company which, at the time of filing for a moratorium, has incurred a liability (including a present, future or contingent liability and a liability payable wholly or partly in a foreign currency) of at least £10 million. While the LLP is expected to fall within one of the exceptions there is no guidance as to how the legislation will be interpreted by the Secretary of State for Business, Innovation and Skills may by regulation modify the exceptions. No assurance can be given that any modification of the exceptions will not be detrimental to the interests of the Covered Bondholders. Correspondingly, if the LLP is determined to be a "small" company and determined not to fall within one of the exceptions, then certain actions in respect of the LLP may, for a period, be prohibited by the imposition of a moratorium.

English law security and insolvency considerations

The LLP entered into the Deed of Charge on the Programme Date pursuant to which it granted the Security in respect of its obligations under the Guarantee (as to which, see "*Transaction Documents – Deed of Charge*"). In certain circumstances, including the occurrence of certain insolvency events in respect of the LLP, the ability to realise the Security may be delayed and/or the value of the Security impaired. While the transaction structure is designed to minimise the likelihood of the LLP becoming insolvent, there can be no assurance that the LLP will not become insolvent and/or the subject of insolvency proceedings and/or that the Covered Bondholders would not be adversely affected by the application of insolvency laws (including English insolvency laws).

Insolvency proceedings and subordination provisions

There is uncertainty as to the validity and/or enforceability of a provision which (based on contractual and/or trust principles) subordinates certain payment rights of a creditor to the payment rights of other creditors of its counterparty upon the occurrence of insolvency proceedings relating to that creditor. In particular, recent cases have focused on provisions involving the subordination of a hedging counterparty's payment rights in respect of certain termination payments upon the occurrence of insolvency proceedings or other default on the part of such counterparty (so-called "flip clauses"). Such provisions are similar in effect to the terms which will be included in the Transaction Documents relating to the Priorities of Payments.

The English Supreme Court has held that a flip clause as described above is valid under English law. Contrary to this however, the US Bankruptcy Court has held that such a subordination provision is unenforceable under US bankruptcy law and that any action to enforce such provision would violate the automatic stay which applies under such law in the case of a US bankruptcy of the counterparty. The implications of this conflicting judgment are not yet known, particularly as the US Bankruptcy Court approved, in December 2010, the settlement of the case to which the judgement relates and subsequently the appeal was dismissed. However, there remains a stayed action in the U.S. commenced by the Lehman

Brothers Chapter 11 debtors concerning the enforceability of flip clauses and, in addition, in February 2012, a complaint was filed by certain parties seeking recognition and enforcement of the decision in *Belmont Park Investments v BNY Corporate Trustee and Lehman Brothers Special Financing* [2011] UKSC 38 (and corresponding lower court decisions) and other declaratory relief with respect to the flip clause in question in the case described above. At the same time as filing the complaint, the relevant parties also filed a motion seeking the withdrawal of the reference from the U.S. Bankruptcy Court, requesting that the complaint be heard instead by the U.S. District Court. It has not yet been determined whether the complaint will be addressed by the U.S. Bankruptcy Court or the U.S. District Court, nor is it known when the complaint will be addressed.

If a creditor of the LLP (such as a swap counterparty) or a related entity becomes subject to insolvency proceedings in any jurisdiction outside England and Wales (including, but not limited to, the US), and it is owed a payment by the LLP, a question arises as to whether the insolvent creditor or any insolvency official appointed in respect of that creditor could successfully challenge the validity and/or enforceability of subordination provisions included in the English law governed Transaction Documents (such as a provision of the Priorities of Payments which refers to the ranking of the swap counterparties' payment rights). In particular, based on the decision of the US Bankruptcy Court referred to above, there is a risk that such subordination provisions would not be upheld under US bankruptcy laws. Such laws may be relevant in certain circumstances with respect to a range of entities which may act as swap counterparty, including US established entities and certain non-US established entities with assets or operations in the US (although the scope of any such proceedings may be limited if the relevant non-US entity is a bank with a licensed branch in a US state). In general, if a subordination provision included in the Transaction Documents was successfully challenged under the insolvency laws of any relevant jurisdiction outside England and Wales and any relevant foreign judgment or order was recognised by the English courts, there can be no assurance that such actions would not adversely affect the rights of the Covered Bondholders, the market value of the Covered Bonds and/or the ability of the LLP to satisfy its obligations under the Covered Bond Guarantee.

Lastly, given the general relevance of the issues under discussion in the judgments referred to above and that the Transaction Documents will include terms providing for the subordination of payments under the Priorities of Payment, there is a risk that the final outcome of the dispute in such judgments (including any recognition action by the English courts) may result in negative rating pressure in respect of the Covered Bonds. If any rating assigned to the Covered Bonds is lowered, the market value of the Covered Bonds may reduce.

Liquidation Expenses

On 6 April 2008, a provision in the Insolvency Act 1986 came into force which effectively reversed by statute the House of Lords' decision in the case of *Leyland Daf* in 2004. Accordingly, it is now the case that the costs and expenses of a liquidation (including certain tax charges) will be payable out of floating charge assets in priority to the claims of the floating charge-holder. In respect of certain litigation expenses of the liquidator only, this is subject to approval of the amount of such expenses by the floating charge-holder (or, in certain circumstances, the court) pursuant to provisions set out in the Insolvency Rules 1986.

It appears that the provisions referred to above apply in respect of limited liability partnerships in general and/or to owners under the RCB Regulations. On the basis of and as a result of the changes described above, in a winding up of the LLP (whether or not the RCB Regulations apply), floating charge realisations which would otherwise be available to satisfy the claims of Secured Creditors under the Deed of Charge may be reduced by at least a significant proportion of any liquidation expenses (including certain super-priority expenses, if the RCB Regulations apply to the LLP). There can be no assurance that the Covered Bondholders will not be adversely affected by such a reduction in floating charge realisations.

RISK FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH COVERED BONDS ISSUED UNDER THE PROGRAMME

Risk factors relating to the Issuer

The Issuer's business and financial performance has been and will continue to be affected by general economic conditions in the UK, the countries which have adopted the Euro as their currency and elsewhere, and adverse developments in the UK or global financial markets could cause the Issuer's earnings and profitability to decline

The Issuer is directly and indirectly subject to inherent risks arising from general economic conditions in the UK and other economies and the state of the global financial markets both generally and as they specifically affect financial institutions. Since 2007, the global economy and the global financial system, and the countries which have adopted the Euro as their currency in particular, have experienced a period of significant turbulence and uncertainty. The severe dislocation of the financial markets around the world severely impacted general levels of liquidity, the availability of credit and the terms on which credit was available. This crisis in the financial markets led the UK government (the "**Government**") and other governments to inject liquidity into the financial system and take other forms of action relating to financial institutions, including bank recapitalisations and the provision of government guarantees for certain types of funding, aimed at both supporting the sector and providing confidence to the market.

These market dislocations were also accompanied by recessionary conditions and trends in the UK and many economies around the world. The widespread deterioration in these economies adversely affected, among other things, consumer confidence, levels of unemployment, the state of the housing market, the commercial real estate sector, bond markets, equity markets, counterparty risk, inflation, the availability and cost of credit, transaction volumes in wholesale and retail markets, the liquidity of the global financial markets and market interest rates.

Although market conditions have generally improved in recent years, there have been periods of significant volatility in financial markets around the world. The financial turbulence since 2007 and its after-effects on the wider economy have led to generally more difficult earning conditions for the financial sector and, at the time, resulted in the failures of a number of financial institutions in the United States, the UK and elsewhere in Europe and unprecedented action by governmental authorities, regulators and central banks around the world. The impact of such global stresses on the UK economy could adversely affect the Issuer by exposing it to potential losses on its portfolio of treasury assets and to redenomination risks if one or more individual countries were to introduce new currencies. In addition, there could be an adverse impact to the cost and availability of wholesale funding, thereby increasing competition for retail funds and adversely impacting the Issuer's net interest margin.

The UK economic recovery is expected to remain modest by historic standards in 2014-2015, with the International Monetary Fund (in its January 2014 World Economic Outlook update) predicting UK real GDP growth of 2.4 per cent. in 2014. Uncertainty surrounding the countries which have adopted the Euro as their currency recovery presents a risk of a renewed slowdown in economic activity in the UK's principal export markets which would have a corresponding effect on the broader UK economy. Domestically, both public and household spending are being constrained by austerity measures and an ongoing compression of real household incomes, and there is the additional risk that levels of unemployment could increase and there could be further declines in real disposable incomes.

The exact nature of the risks that the Issuer faces and the manner and the extent to which they ultimately will impact the Issuer are difficult to predict and to guard against in light of: (i) the inter-related nature of the risks involved; (ii) difficulties in predicting whether recoveries will be sustained and at what rate; and (iii) the fact that the risks are totally or partially outside of the control of the Issuer.

If margin compression were to result from the withdrawal of Government funding support and/or in the face of increased competition, there remains the possibility of further downward pressure on profitability and

growth depending on a number of external influences, such as the consequences of a more austere economic environment, which could significantly affect the ability of the Issuer to satisfy its obligations under the Covered Bonds. See "*UK residential housing market risks may adversely impact the Issuer's business*" and "*Competition in the UK personal financial services markets may adversely affect the Issuer's operations*" below.

Negative fair value adjustments could have a material adverse effect on the Issuer's operating results, financial condition and prospects

The dislocations in the financial markets have resulted in the Issuer recording in its results impairment charges and negative fair value adjustments with respect to securities and other investments that it holds. Whilst the impact to date has been modest, asset valuations in future periods, reflecting prevailing market conditions, may result in further negative changes in the fair values of the Issuer's investment assets and these may also translate into increased impairments, including with respect to the Issuer's exposure through its liquidity and investment portfolios to UK Treasury paper. In addition, the value that the Issuer ultimately realises for its securities and other investments may be lower than the current fair value. Any of these factors would require the Issuer to record further negative fair value adjustments, which may have a material adverse effect on its operating results, financial condition or prospects.

Worsening economic and market conditions and/or increasing interest rates could result in increased retail loan losses which would adversely impact the Issuer's financial and operational performance

Despite some deleveraging, consumers in the UK remain heavily indebted and vulnerable to increases in unemployment, rising interest rates and/or falling house prices. Increased unemployment could lead to borrowers who lose their jobs being unable to service the loan payments in a timely fashion which would result in higher levels of arrears both in the Issuer's secured residential mortgage loan and unsecured consumer loan portfolios which, in turn, would lead to an increase in the Issuer's impairment charges in respect of these portfolios.

Rising interest rates would put pressure on borrowers whose loans are linked to the base rate or are otherwise variable in nature, and who may have become accustomed to the current low interest rate environment. A significant portion of the Issuer's outstanding mortgage loan products are potentially subject to changes in interest rates or are variable rates managed by the Coventry Group. Accordingly, borrowers with a mortgage loan that is subject to a variable rate of interest or where the interest rate adjusts following an initial fixed rate or low introductory rate are exposed to increased monthly payments as and when their mortgage interest rate adjusts upward. In an increasing interest rate environment, borrowers seeking to avoid these increased monthly payments by refinancing their mortgage loans may no longer be able to find available replacement loans at comparably low interest rates (and any decline in housing prices may also leave borrowers with insufficient equity in their homes to permit them to refinance), which could lead to an increase in arrears in the Issuer's retail lending portfolios as well as an increase in the Issuer's retail loan impairment charges. These events, alone or in combination, may contribute to higher delinquency rates and losses for the Issuer, and significantly impact the Issuer's ability to satisfy its obligations under the Covered Bonds.

The Issuer's business is subject to inherent risks concerning liquidity, particularly if the availability of traditional sources of funding such as retail deposits or its access to wholesale funding markets becomes limited and/or becomes more expensive, and this may have an adverse effect on its business and profitability

Financial institutions such as the Issuer are subject to liquidity risk as an inherent part of their business given the maturity mismatch between relatively short-dated funding and mortgage assets. Liquidity risk is the risk that an institution may not have sufficient funds at any time to make full payment in respect of liabilities falling due at that time.

The Issuer raises funds principally through accepting retail deposits and in the wholesale funding market. It also has a core portfolio of liquid investments as well as a range of other assets which are a further source of

liquidity to it. However, if access to liquidity is constrained for a prolonged period of time, the Issuer's cost of funding would increase as competition for retail deposits would intensify and the cost of accessing the wholesale markets would rise. This would adversely affect the Issuer's profitability.

These risks can be exacerbated by enterprise-specific factors, including an over-reliance on a particular source of funding, changes in credit ratings, or market-wide phenomena such as market dislocation and major disasters. There is also a risk that the funding structure employed by the Issuer may prove to be inefficient, giving rise to a level of funding cost that is not sustainable in the long term for the Issuer to grow its business or even maintain it at current levels. The Issuer's ability to access retail and wholesale funding sources on satisfactory economic terms is subject to a variety of factors, including a number of factors outside of its control, such as liquidity constraints, general market conditions, regulatory requirements and loss of confidence in the UK banking system.

The ongoing availability of retail deposit funding is dependent on a variety of factors outside the Issuer's control, such as general economic conditions and market volatility, the confidence of retail depositors in the economy in general and in the Issuer in particular, the financial services industry specifically and the availability and extent of deposit guarantees. These or other factors could lead to a reduction in the Issuer's ability to access retail deposit funding on appropriate terms in the future. Given the relative size of the Issuer's retail deposit base, it is particularly exposed to any serious loss of confidence by its retail depositors which results in significant withdrawals of deposits over a sustained period.

The maintenance and growth of the level of the Issuer's lending activities depends in large part on the availability of retail deposit funding on appropriate terms, for which there has been increased competition since the severe disturbances in the financial markets began. Investors should note that extreme circumstances market-wide, such as the severe dislocation experienced in credit markets following the onset of the global financial crisis, a prolonged and severe restriction on the Issuer's access to liquidity (including to government and central bank funding and liquidity support) and a prolonged and severe decline in consumer confidence which results in high levels of withdrawals from the Issuer's retail deposit base, could affect the Issuer's ability to meet its financial obligations as they fall due, to meet its regulatory minimum liquidity requirements, or to fulfil its commitments to lend. In such extreme circumstances, the Issuer may not be in a position to continue to operate without additional funding support and any inability to access such support could have a material impact on the Issuer's solvency.

In past years the Government has provided significant support to UK financial institutions, including Funding for Lending which commenced on 1 August 2012 and to which an extension was announced on 24 April 2013. Any significant reduction or withdrawal of Funding for Lending could increase competition for other sources of funding which could adversely impact the Issuer.

In past years the Government, acting through the Bank of England (the "BoE") or otherwise, has provided significant support to UK financial institutions, including through the Special Liquidity Scheme, which was introduced in April 2008 to improve the liquidity position of the banking system by allowing banks and building societies to swap their high quality mortgage-backed and other securities for UK Treasury Bills for up to three years, and the Credit Guarantee Scheme, which was introduced in October 2008 and under which the Government guaranteed eligible bank and building society debt securities for a limited period.

On 1 August 2012, Funding for Lending became operational. The aim is to boost the incentive for banks and building societies to lend to UK households and non-financial companies. Funding for Lending is designed to reduce funding costs for participating institutions so that they can make loans cheaper and more easily available. Access to Funding for Lending is directly linked to how much each institution lends to the real economy. Those that increase lending are able to borrow more and at a lower cost than those that scale back their lending. Under Funding for Lending, participating financial institutions are, for a period of 18 months to the end of January 2014, able to borrow funds with a maturity of up to four years. On 24 April 2013, the scheme was extended for a further 12 months, with drawings now permitted until the end of January 2015 and the funding under the scheme now running until January 2019. In November 2013, it was announced that

the terms of the Funding for Lending scheme extension were to be changed, to further re-focus lending to small and medium sized enterprises during the course of 2014.

The availability of Government support for UK financial institutions, to the extent that it provides access to cheaper and more attractive funding than other sources, reduces the need for those institutions to fund themselves in the retail or wholesale markets. By participating in the Funding for Lending scheme, the Issuer reduces the need to fund itself in the wholesale markets and there is a risk that if it ceases to remain sufficiently active in those markets its access to them could be prejudiced in the future when Government support is reduced or no longer available to it when Funding for Lending ends, currently scheduled at the end of January 2015. Any significant reduction or withdrawal of Government support will increase funding costs for those institutions which have previously utilised that support. In the case of the Issuer, this may result in an increase in its funding costs and a reduction in its net interest margin. In addition, financial institutions which have relied significantly on Government support to meet their funding needs will also need to find alternative sources of funding when that support is reduced or withdrawn and, in such a scenario, the Issuer also expects to face increased competition for funding, particularly retail deposit funding on which it is reliant, although that competition is expected to be driven by increased mortgage lending volumes rather than the cessation of Funding for Lending. This competition could further increase its funding costs and so adversely impact its results of operations and financial position.

The unwinding of unprecedented monetary policy may result in pressure on net interest margin or negative fair value adjustments.

Since 2008 there has been unprecedented monetary policy activity within the UK. The BoE has purchased £375 billion of Gilts as part of its Quantitative Easing Programme ("QE") and the BoE's base rate has remained at 0.5 per cent. for over 5 years. Any unwinding of QE may result in falls in Gilt prices which in turn could lead to valuation adjustments within the liquidity book the Issuer holds, in turn impacting capital levels. Similarly, as interest rates begin to rise, depositors with the Issuer will expect any variable rates to increase, and the extent to which the Issuer is able to maintain its interest margin will depend upon the availability of variable rate mortgage assets where rates can also be increased. Insufficient availability of rates that the Issuer can increase may lead to margin compression and, even in circumstances where such flexibility exists, a material rapid increase in interest rates could lead to significant increases in arrears levels were this discretion to be exercised, or an erosion of the Issuer's relative competitiveness which may have wider consequences for the business. The FCA may look to challenge or intervene.

Whilst the Issuer has to date maintained sufficient capacity to respond to changes in the base rate, there can be no assurance that it will continue to do so in the future.

Scottish independence could result in significant consequences for the financial sector

If Scotland were to become independent from the rest of the United Kingdom it is likely that there would be some significant consequences, particularly for the financial sector. Some of these may be 'first order' associated with dealing in a different currency and the impacts that this may have on the Issuer's borrowers across the border. Second order effects may arise from the impacts that any split would have on both the Scottish and UK economies, both of which might be anticipated to suffer initially. While the Issuer's focus on low loan-to-value business affords it some protection, assessing the full extent and likelihood of impacts from independence is difficult to determine.

Rating downgrade of the sector or Issuer may have an adverse effect on the marketability and liquidity of the Covered Bonds

If sentiment towards the financial institutions operating in the United Kingdom residential mortgage market (including the Issuer) were to further deteriorate, or if the ratings of the Issuer and/or the ratings of the sector were to be adversely affected, this could have a materially adverse impact on the market value of the Covered Bonds and result in a reduction in liquidity in the secondary market for such securities. In addition, such change in sentiment or further reduction in ratings could result in an increase in the costs and a

reduction in the availability of wholesale market funding across the financial services sector which could have a material adverse effect on the liquidity and funding of all UK financial services institutions, possibly including the Issuer.

Where the Society acts as a Covered Bond Swap Provider, if the Society was to be downgraded below the relevant rating specified in a Covered Bond Swap Agreement to which it is or may become a party, it could affect the role of the Society as Covered Bond Swap Provider in relation to the relevant Series of Covered Bonds (prospective investors should refer to the section *Summary of the Principal Documents – Covered Bond Swap Agreements* for further details). In addition, a downgrade of the Society could have an adverse impact on the ratings of the Covered Bonds. In relation to the ratings of the Covered Bonds, prospective investors should see the Risk Factor entitled "*Ratings of the Covered Bonds*".

UK residential housing market risks may adversely impact the Issuer's business

The UK residential mortgage market is closely correlated to the UK economic cycle. As well as fluctuations at a national level, the UK residential mortgage market is subject to significant regional variations. The Issuer's retail mortgage lending is only secured against properties in the UK. The Issuer's natural concentration in the UK market, whilst currently well diversified, could then be exacerbated by over-exposure to one geographical location, or reliance on particular product types within the Portfolio.

A downturn in the UK economy, either regionally or nationally, would reduce demand for housing or consequently reduce house price growth and sales, which could result in lower levels of lending, the Issuer's core activity. The recent downturn in the United Kingdom economy had a negative effect on the housing market. The fall in property prices resulting from a deterioration in the housing market and increased unemployment could lead to increased numbers of borrowers defaulting on their mortgage loans and result in losses being incurred by the Issuer where the net recovery proceeds are insufficient to redeem the outstanding loans. If deterioration occurs in the quality of the Portfolio, this could have an adverse effect on the value of the Cover Pool and the LLP's ability to make payment under the Covered Bond Guarantee. There can be no assurance that the housing market will not deteriorate and the United Kingdom's economic environment may affect the rate at which the new mortgage loans are originated and may also affect the level of attrition of the Issuer's existing borrowers.

There has been some recovery in the UK housing market with prices reaching pre-crisis highs in some regions, although significantly lower in real terms after adjusting for inflation. The recovery is tempered by fears that the comparatively cheap funding available to lenders via policy measures such as the Help to Buy scheme could lead to another 'housing price bubble'. There is a risk that house price growth will continue to accelerate faster than earnings, stretching affordability and leaving households more vulnerable to shocks, such as unexpectedly early or large increases in interest rates that could ultimately lead to higher retail loan losses. There is potential for activity and prices to decline should the labour market situation deteriorate markedly, or if strains in the financial system re-emerge and impair the flow of credit to the wider economy. The housing price bubble bursting, accompanied by a reversal in the UK economy, could increase credit losses significantly.

Geographic concentration of the Loans

To the extent that specific geographic regions have experienced or may experience in the future weaker regional economic conditions and housing markets than other regions, a concentration of the Loans in such a region may be expected to exacerbate all of the risks relating to the Loans described in this section. Currently, there is no significant geographic concentration of Loans in the Portfolio, however, there is no assurance that a geographic concentration of Loans will not arise in the future. The LLP can predict neither when nor where such regional economic declines may occur nor to what extent or for how long such conditions may continue but if the timing and payment of the Loans is adversely affected as described above, the ability of the LLP to make payments under the Covered Bond Guarantee could be reduced or delayed.

Competition in the UK personal financial services markets may adversely affect the Issuer's operations

Developments in the Issuer's industry and increased competition could have a material adverse effect on its operations. The Issuer operates in the UK personal financial services market, which has historically been very competitive. The Issuer competes mainly with other providers of personal finance services, including banks and building societies.

The margin available on new mortgages is higher than that available before the global financial crisis, but competition for the highest quality mortgages is increasing and this is likely to continue, putting downward pressure on returns available for the lowest risk-weighted mortgage assets. At the same time, price comparison websites have become more popular and widely used, allowing customers more easily to compare products and make buying decisions based on price.

For a number of years, the retail savings market has been under pressure from restrictions on households' ability and propensity to save, historically low interest rates and severe competition from banks seeking to lower their loan to deposit ratios and to reduce their reliance on wholesale funding. The net result of these pressures was an increase in the relative price for retail savings, adversely impacting the Issuer's ability to manage its net interest margin. However, most financial institutions have now succeeded in reducing their reliance on wholesale funding. In addition, Funding for Lending has reduced competition for retail deposits by providing financial institutions with cheap funding. See *"In past years the Government has provided significant support to UK financial institutions, including Funding for Lending which commenced on 1 August 2012 and to which an extension was announced on 24 April 2013. Any significant reduction or withdrawal of Funding for Lending could increase competition for other sources of funding which could adversely impact the Issuer"* above.

Competitors, particularly the large banking groups and NS&I, may disrupt the Issuer's ability to grow market share through cross subsidising products from other parts of their businesses or develop economies of scale or other competitive advantage (including regulatory) that require building societies to adapt their business models or reduce rates of growth.

The Issuer is reliant on third party intermediaries for the distribution of its mortgage products and any change to the availability or cost of this distribution channel may adversely impact the Issuer's performance

The Issuer operates a multi-channel distribution channel including through its own branches and online. However the largest distribution channel is intermediary distribution, whereby the Issuer pays intermediaries a procurement fee to introduce mortgage applicants to the Issuer. If the cost of this fee were to increase significantly, or if the capacity of this channel were to reduce, this could adversely impact the ability of the Issuer to grow or maintain its interest margins. Such changes could result from a number of factors, including (but not limited to) regulatory changes or a shift in consumer preferences. Given the Issuer's relatively small branch network compared with other national lenders, any such change could have a more significant impact on the Issuer's business than some of its competitors.

Failure by the Issuer to control its operational risks may result in adverse effects to its business, financial condition and/or reputation

The Issuer's business is dependent on the ability to process a very large number of transactions efficiently and accurately. Operational risk and losses can result from fraud and other financial crime (which within the UK retail financial services market remains high), errors by employees, failure to document transactions properly or to obtain proper internal authorisation, failure to comply with regulatory requirements and conduct of business rules, equipment failures, natural disasters or the failure of external systems, for example, those of the Issuer's suppliers or counterparties. Although the Issuer has implemented risk controls and loss mitigation actions, and substantial resources are devoted to developing efficient procedures and to staff training, it is not possible to implement procedures which are fully effective in controlling each of the operational risks noted above. Notwithstanding anything in this risk factor, this risk factor should not be

taken as implying that either the Issuer or the Coventry Group will be unable to comply with its obligations as a building society with securities admitted to the Official List or as a supervised firm regulated under FSMA.

Failure by the Issuer to manage its financial market, liquidity and credit risks may result in adverse effects to its business, financial condition, and /or reputation

The Issuer's success depends on its ability to manage and control its financial risk, which includes liquidity, market and credit risk. The Issuer is exposed to liquidity risk as a result of mismatches in cash flows from balance sheet assets and liabilities and off-balance sheet financial instruments and changes in market sentiment. The Issuer has market risk exposure as a result of changes in interest rates, foreign currency prices, asset prices or other financial contracts. Credit risk is the risk that a customer or counterparty is unable to meet its obligations to the Issuer as they fall due.

The most significant market risks the Issuer faces are interest rate risks, along with relatively minor risks relating to foreign exchange and bond prices. Changes in interest rate levels, yield curves and spreads may affect the interest rate margin realised between lending and borrowing costs. Changes in currency rates, particularly in the sterling-euro exchange rates, affect the value of assets and liabilities denominated in foreign currencies.

The performance of financial markets may cause changes in the value of the Issuer's investment portfolios. The Issuer has implemented risk management methods to mitigate and control these and other market risks to which the Issuer is exposed and exposures are constantly measured and monitored. However, it is difficult to predict with accuracy changes in economic or market conditions and to anticipate the effects that such changes could have on the Issuer's financial performance and business operations.

Credit risk is controlled through exposure limits and underwriting practices. However, factors outside the Issuer's control may lead to increasing arrears. See also "*UK residential housing market risks may adversely impact the Issuer's business*", "*Worsening economic and market conditions and/or increasing interest rates could result in increased retail loan losses which would adversely impact the Issuer's financial and operational performance*" and "*The Issuer's business is subject to inherent risks concerning liquidity, particularly if the availability of traditional sources of funding such as retail deposits or its access to wholesale funding markets becomes limited and/or becomes more expensive, and this may have an adverse effect on its business and profitability*" above.

If the Issuer fails to manage and control these risks, the Issuer could become unable to meet its obligations, including those under the Covered Bonds, possibly resulting in a material adverse effect to the Issuer's business, financial condition and reputation.

Reputational risk could cause harm to the Issuer and its business prospects

The Issuer's ability to attract and retain customers and conduct business with its counterparties could be adversely affected to the extent that its reputation or the reputation of its brand is damaged. Failure to address, or appearing to fail to address, various issues that may give rise to reputational risk could cause harm to the Issuer and its business prospects. Reputational issues include, but are not limited to: failing to appropriately address potential conflicts of interest; breaching or facing allegations of having breached legal and regulatory requirements (including money laundering and anti-terrorism financing requirements); acting or facing allegations of having acted unethically (including having adopted inappropriate sales and trading practices); failing or facing allegations of having failed to maintain appropriate standards of customer privacy, customer service and record keeping; technology failures that impact upon customer services and accounts; failing to properly identify legal, reputational, credit, liquidity and market risks inherent in products offered; and generally poor company performance. A failure to address these or any other relevant issues appropriately could make customers, depositors and investors unwilling to do business with the Issuer, which could adversely affect its business, financial condition and results of operations and could damage its

relationships with its regulators. The Issuer cannot guarantee that it will be successful in avoiding damage to its business from reputational risk.

The Issuer's success depends upon key members of its senior executive management and its business and prospects may change in accordance with changes in key personnel

The Issuer depends on the continued contributions of key members of its senior executive management and other key personnel with the experience, knowledge and skills required for its success; however, key personnel will continue to change (as they have changed in the past) from time to time. Any failure to recruit, or delay in recruiting suitable members of the senior executive management team and other key personnel, or any loss of key personnel without finding suitable replacements, may have an adverse effect on the Issuer's business, prospects, results of operations and financial position. In addition, the strategy, business and prospects of the Issuer will depend in part on the management and contributions of key members of its senior executive management and other key personnel, and there can be no assurance that the Issuer will maintain the same business policies or strategies at all times.

The Issuer is exposed to risks relating to the mis-selling of financial products, product regulation, acting in breach of legal or regulatory principles or requirements and giving negligent advice

The Issuer is exposed to many forms of legal and regulatory risk, which may arise in a number of ways. In particular:

- certain aspects of its business may be determined by the BoE, the PRA, the FCA, HM Treasury, the Financial Ombudsman Service (the "**Ombudsman**") or the courts as not being conducted in accordance with applicable laws or regulations, or, in the case of the Ombudsman, with what is fair and reasonable in the Ombudsman's opinion;
- the Issuer may be liable for damages to third parties harmed by the conduct of the manner in which it has conducted one or more aspects of its business; and
- an increased focus by regulators on the appropriateness of existing or proposed product lines and structures could restrict the range of products which the Issuer is able to make available to its customers.

For example, the FCA's Mortgage Market Review introduced rules that require relevant institutions, with effect from 26 April 2014, to obtain evidence (with permitted exceptions) that a borrower will have in place a clearly understood and credible payment strategy and that the payment strategy has the potential to repay the principal at the end of the term of an interest-only loan. Whilst the Issuer does not currently offer interest-only products, its ability to do so in the future will be subject to compliance with such rules. In addition, under the Financial Services Act 2012, the FCA has the general rule-making power to render unenforceable contracts made in contravention of its rules on cost and duration of credit agreements or in contravention of its product intervention rules, whilst under the Financial Services (Banking Reform) Act 2013 (the "**Banking Reform Act**") the FCA is required to introduce a price cap on 'high cost short term credit' (as yet undefined) by 2 January 2015.

No assurance can be given that financial institutions (including the Issuer) will be able to continue to offer the full range of products which they have historically offered, nor that any such institution will not be required to reduce its product offering or that it will not incur liability for past actions which are determined to have been inappropriate.

Failure to manage these risks adequately could lead to significant liabilities or reputational damage, which could have a material adverse effect on the Issuer's business, financial condition, results of operations and relations with customers.

The Issuer also faces both financial and reputational risk where legal or regulatory proceedings are brought against it or members of its industry generally in the High Court or elsewhere, or where complaints are made against it or members of its industry generally to the Ombudsman or another relevant body. For example, a recent High Court judgment on the mis-selling of payment protection insurance ("**PPI**") has resulted in very significant provisions for customer redress in respect of PPI being made by several UK financial services providers.

No assurance can be given that the Issuer will not incur liability in connection with any past non-compliance with consumer credit legislation or with other similar legislation, and any withdrawal of products or non-compliance could be significant and adversely affect the Issuer's results of operations and financial position and its reputation.

UK Banking Act 2009 and the European Union recovery and resolution directive

The Banking Act 2009 (the "**Banking Act**"), which came into effect on 21 February 2009, includes (amongst other things) provision for a special resolution regime (the "**SRR**") pursuant to which specified UK authorities have extended tools to deal with the failure (or likely failure) of a UK bank or building society such as Coventry Building Society in its various capacities under the Programme. In addition, pursuant to recent amendments made to the Banking Act (which have not yet taken effect and key aspects of which remain unclear), provision has been made for certain tools to be used in respect of a wider range of UK entities, including investment firms and certain banking group companies provided that certain conditions are met and also for the introduction of a new bail-in tool (see further below). The tools available under the Banking Act include share and property transfer powers (including powers for partial property transfers), certain ancillary powers (including powers to modify certain contractual arrangements in certain circumstances and special insolvency procedures which may be commenced by the UK authorities. In respect of UK building societies, the relevant tools include (i) modified property transfer powers which also refer to cancellation of shares and conferring rights and liabilities in place of such shares and (ii) in place of the share transfer powers, a public ownership tool which may involve (amongst other things) arranging for deferred shares in a building society to be publicly owned, cancellation of private membership rights and the eventual winding up or dissolution of the building society. It is possible that the extended tools described above could be used prior to the point at which an application for insolvency proceedings with respect to a relevant entity could be made.

In general, the Banking Act requires the UK authorities to have regard to specified objectives in exercising the powers provided for by the Banking Act. One of the objectives (which is required to be balanced as appropriate with the other specified objectives) refers to the protection and enhancement of the stability of the financial systems of the United Kingdom. The Banking Act includes provisions related to compensation in respect of transfer instruments and orders made under it. In general, there is considerable uncertainty about the scope of the powers afforded to UK authorities under the Banking Act and how the UK authorities may choose to exercise them.

If an instrument or order were to be made under the Banking Act in respect of the Issuer, such instrument or order may (amongst other things) affect the ability of such entity to satisfy its obligations under the Transaction Documents and/or result in modifications to the Terms and Conditions of the Bonds and/or the Transaction Documents. In particular, modifications may be made pursuant to powers permitting certain trust arrangements to be removed or modified and/or via powers which permit provision to be included in an instrument or order such that the relevant instrument or order (and certain related events) is required to be disregarded in determining whether certain widely defined "default events" have occurred (which events would include certain trigger events included in the Transaction Documents in respect of the Issuer, including certain trigger events in respect of perfection of legal title to the Mortgage Loans and certain Issuer Events of Default). Moreover, other than in the context of certain partial property transfers under the Banking Act, modifications may be made to contractual arrangements between the relevant institution and certain group companies (such as the LLP). As a result, the making of an instrument or order in respect of the Issuer, the Seller, the Servicer, the Account Bank, the Interest Rate Swap Provider, the Cash Manager,

the Principal Paying Agent, the Agent Bank, the Exchange Agent, the Registrar, the Standby Account Bank or the Standby GIC Provider may affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee and/or the ability of the Issuer to meet its obligations in respect of the Covered Bonds. While there is power for the payment of compensation to be ordered in certain circumstances under the Banking Act, there can be no assurance that Covered Bondholders would recover compensation promptly and equal to any loss actually incurred.

As noted above, amendments have been made to the Banking Act (but not yet taken effect) such that specified stabilisation tools (including the property transfer powers) may be used in respect of certain group companies provided certain conditions are met. The UK authorities have indicated that a portion of the definition of such companies will be specified in corresponding secondary legislation (which has not yet been made). In the absence of such secondary legislation, it is not possible to determine whether the LLP would be regarded as a relevant group company for these purposes. As such, it is too early to anticipate the full impact of the amendments made to the Banking Act and there can be no assurance that Covered Bondholders will not be adversely affected by an action taken under the relevant amended provisions, once such provisions have taken effect. That said, it should be noted that, in 2013, the Government consulted on the conditions to be specified with respect to banking group companies and the relevant consultation paper (published on 26 September 2013) referred to the intention to "exclude entities that facilitate capital market arrangements, such as covered bond SPVs" from being a banking group company.

Also as noted above, further amendments have been made to the Banking Act (but again not yet taken effect) to introduce a new bail-in tool, which tool will permit the Bank of England in certain circumstances to cancel or modify contracts for the purposes of reducing or deferring liabilities of relevant entities (including UK banks, banking group companies and building societies) and/or to convert liabilities of such entities into different forms. Certain liabilities are excluded from the scope of the bail-in tool powers, including liabilities to the extent that they are secured. When in force, there can be no assurance that Covered Bondholders will not be adversely affected by the amendments and/or any action taken under the new bail-in tool.

In June 2012, the European Commission published a legislative proposal for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms, the Recovery and Resolution Directive (the "**RRD**") which includes a "write-down and conversion power" and a "bail-in" power, which would give such authorities the power to write down or write off the claims of certain unsecured creditors of a failing institution and/or to convert certain debt claims into another security, including ordinary shares of the surviving entity within a group, if any. The RRD was published in the Official Journal of the EU on 12 June 2014. It is currently contemplated that the majority of measures set out in the RRD will be implemented with effect from 1 January 2015 at the latest, with the bail-in power for other eligible liabilities expected to be introduced by 1 January 2016 at the latest. The RRD contains safeguards for shareholders and creditors in respect of the application of the "write down and conversion" and "bail-in" powers which aim to ensure that they do not incur greater losses than they would have incurred had the relevant financial institution been wound up under normal insolvency proceedings. However, changes may be made to the RRD in the course of the legislative process and anticipated implementation dates could change.

Although the "bail-in" powers are not intended to apply to secured debt (such as the rights of Covered Bondholders in respect of the Covered Bond Guarantee), there remains significant uncertainty regarding the ultimate nature and scope of these powers and how they would affect the Issuer and the Covered Bondholders. Accordingly, it is not yet possible to assess the full impact of the RRD on the Issuer and on Covered Bondholders, and there can be no assurance that, once it is implemented, the manner in which it is implemented or the taking of any actions by the relevant UK resolution authority currently contemplated in the RRD would not adversely affect the rights of Covered Bondholders, the price or value of an investment in the Covered Bonds and/or the Issuer's ability to satisfy its obligations under the Covered Bonds. The exercise of any bail-in power or any suggestion of such exercise could, therefore, adversely affect the value of the Covered Bonds. In addition to the RRD described above, it is possible that the exercise of the current powers under the Banking Act, which provide for a resolution regime to resolve failing banks in the UK and

give the Authorities powers to override events of default or termination rights that might be invoked as a result of the exercise of the resolution powers.

In addition, on 18 December 2013, the Financial Services (Banking Reform) Act 2013 (the "**Banking Reform Act**") received Royal Assent. The Banking Reform Act includes amendments to the Banking Act to insert a bail-in option among the powers of the Bank of England (the "**Bail-In Power**"). The provisions of the Banking Reform Act which will introduce the Bail-In Power under the Banking Act are not yet in force and it is not known when such provisions will come into force. Related amendments are also to be made to building societies legislation. HM Treasury has published, and received comments on, its consultation paper on the details of draft secondary legislation for the purposes of modifying the application of the bail-in provisions in the context of building societies. A final policy statement is yet to be released.

The Bail-In Power is introduced as an additional power available to the Bank of England, to enable it to recapitalise a failed institution by allocating losses to its shareholders and unsecured creditors in a manner that ought to respect the hierarchy of claims in an insolvency of a relevant financial institution, consistent with shareholders and creditors of financial institutions not receiving less favourable treatment than they would have done in insolvency. The Bail-In Power includes the power to cancel a liability or modify the terms of contracts for the purposes of reducing or deferring the liabilities of the bank under resolution and the power to convert a liability from one form to another. The conditions for use of the Bail-In Power are, in summary, that (i) the regulator determines that relevant entity is failing or likely to fail, (ii) it is not reasonably likely that any other action can be taken to avoid the relevant entity's failure and (iii) the relevant UK resolution authority determines that it is in the public interest to exercise the Bail-In Power. Certain liabilities are excluded from the scope of the bail-in tool powers, including liabilities to the extent that they are secured (such as the rights of Covered Bondholders in respect of the Covered Bond Guarantee). When in force, there can be no assurance that Covered Bondholders will not be adversely affected by the amendments and/or any action taken under the new bail-in tool.

In announcing the introduction of the Bail-In Power, the UK Government expressed that it was confident that such powers could be introduced without the risk of having to adapt to a radically different regime when the RRD is implemented. It is expected that the UK Treasury will stipulate the date on which the majority of the provisions of the Banking Reform Act will enter into force.

In addition, the Banking Act may be further amended and/or other legislation may be introduced in the UK to amend the resolution regime that would apply in the event of a bank failure or to provide regulators with other resolution powers.

The Issuer may be adversely affected by increased levies payable under the Financial Services Compensation Scheme

The Financial Services and Markets Act 2000 (the "**FSMA**") established the Financial Services Compensation Scheme (the "**FSCS**"), which pays compensation to eligible customers of authorised financial services firms which are unable, or are likely to be unable, to pay claims against them.

An institution's FSCS levy is linked to its share of the UK deposit market. The Issuer is, and continues to be, a member of the FSCS. As at 31 December 2013, the Issuer held a provision of £8.7 million with respect to the estimated FSCS levy for the period 2013/14. The FSCS levy may have a material impact on the profits of the Issuer. Claims on the FSCS are funded by loans from the Bank of England, and until such loans are repaid, increased levies on UK deposit taking institutions fund interest payments on such loans and any capital shortfalls that are identified. As a result of the various claims under the FSCS, the Issuer, in common with all regulated UK deposit takers has recently been subject to significantly increased FSCS levies. In certain circumstances, regulated UK deposit takers may further be required to fund, by way of a further increase in the FSCS levy, the capital repayment to the Bank of England of such loans.

There can also be no assurance that there will be no actions taken under the Banking Act that may lead to further claims against the FSCS, and concomitant increased FSCS levies payable by the Issuer (and other

regulated UK deposit takers). Following a review by the Financial Services Authority of the FSCS funding model, revised FSCS funding arrangements took effect on 1 April 2013. The FCA is responsible for the new arrangements which require contributions from firms according to their funding class. There are three PRA funding classes and five FCA funding classes; a particular class will meet compensation claims up to the threshold limit for that class, but FCA funding classes may receive additional support from other classes up to the amount of the relevant FCA "retail pool". A failure of a firm in one of the FCA intermediation funding classes may entail contributions from the wider retail pool (comprising contributions from each of the five FCA funding classes and additional FCA "provider" funding classes) who would pay towards the costs. This alternative funding model was introduced to acknowledge the joint responsibilities of providers and distributors, but this may mean that the Issuer, as a provider, may incur higher contributions to the FSCS as result of the failure of distributors.

In December 2013, political agreement was reached on the new EU directive on deposit guarantee schemes, which introduces financing requirements targeting ex ante deposit guarantee scheme funds of 0.8% of covered deposits to be collected from deposit-taking entities over a ten year period (the UK currently operates an ex post financing where fees are required after a payment to depositors has occurred). In case of insufficient ex ante funds, the deposit guarantee scheme will collect immediate ex post contributions from the banking sector, and, as a last resort, they will have access to alternative funding arrangements such as loans from public or private third parties. The directive was published in the Official Journal of the EU on 12 June 2014 and it is possible, as a result of this new directive, that future FSCS levies on the Issuer may differ from those at present, and such reforms could result in the Issuer incurring additional costs and liabilities, which may adversely affect its business, financial conditions and/or results of operations.

The Issuer is subject to regulatory capital requirements which are subject to change

The Issuer is subject to capital requirements that could have an impact on its operations. The implementation of Basel III, CRD IV (each as defined below) and the UK Independent Commission on Banking (the "ICB") recommendations may hinder growth.

The Basel III reform package (a regulatory capital and liquidity framework approved by the Basel Committee on Banking Supervision in 2011, commonly referred to as "**Basel III**") has been implemented in the European Economic Area (the "EEA") through a regulation (the "Capital Requirements Regulation") and an associated directive (Capital Requirements Directive (the "CRD")) (together, "**CRD IV**"), which were published in the Official Journal of the European Union on 27 June 2013. The regulation establishes a single set of harmonised prudential rules which will apply directly to all credit institutions in the EEA with the directive containing less prescriptive provisions which should be transposed into national law. The regulation gives express recognition for Common Equity Tier 1 capital instruments for mutual and co-operative entities and permits the use of a cap or restriction to safeguard the interests of members and reserves. Full implementation began from 1 January 2014, with particular elements being phased in over a period of time, to be fully effective by 2024.

The Issuer's capital is reported as a ratio of risk-adjusted assets expressed as a percentage in different measures – Common Equity Tier 1 capital, Tier 1 capital and total capital. The Issuer is required to maintain certain minimum levels of regulatory capital referred to in Article 92 of the Capital Requirements Regulation (the "**Pillar 1 Requirement**") or, until at least 31 December 2017, a minimum level calculated on the basis of legacy (Basel I) risk-weighting approaches under Article 500(1) (b) of the Capital Requirements Regulation (the "**Basel I Floor**"), whichever is higher (see "*Basel I Floor*" below). The Issuer will also be required to meet certain capital buffer requirements above such minimum level. If the Issuer fails, or is perceived to be likely to fail, to meet its regulatory capital requirements, this may result in administrative actions or regulatory sanctions against it.

The Issuer's capital ratios may be adversely affected not only by a reduction in the Issuer's capital (including if the Issuer suffers financial losses) but also by changes in the manner in which the Issuer is required to calculate its capital and/or the risk-weightings applied to its assets. The Issuer is currently authorised to apply an Internal Ratings-Based ("**IRB**") approach to calculating its risk-weighted assets. An IRB approach enables

an institution to more closely tailor risk-weights to its particular assets than standardised risk-weights, and accordingly in many cases can be expected to be lower than risk-weights which would apply under a standardised approach. If, in the future, the Issuer's authorisation to apply an IRB approach is withdrawn, or if for any other reason it is required to calculate its risk-adjusted assets on the basis of standardised risk-weights, or if minimum risk-weights are introduced for institutions applying an IRB approach, such change could significant adversely impact the Issuer's capital ratios, even if the Issuer remains profitable.

Effective management of the Issuer's capital is critical to its ability to operate and grow its business and to pursue its strategy. Any change that limits the Issuer's ability to effectively manage its balance sheet and capital resources (including, for example, reductions in profits and retained earnings as a result of credit losses, write-downs or otherwise, increases in risk weighted assets (which are pro-cyclical under the current Capital Requirements Regulation, resulting in risk weighting increasing in economic downturns), delays in the disposal of certain assets or the inability to raise capital or funding through wholesale markets as a result of market conditions or otherwise) could have a material adverse impact on its business, financial condition, results of operations, liquidity and/or prospects.

Key elements of CRD IV include the following:

- **Increased capital requirements** – higher minimum Common Equity Tier 1 ratios (a risk-based ratio calculated (on the basis set out in CRD IV) as Common Equity Tier 1 capital divided by risk weighted assets) and the introduction of conservation, countercyclical and systemic risk buffers, which are to be phased in over the period January 2014 to December 2018;
- **Definition of capital** – the Issuer's permanent interest bearing shares, and other subordinated debt which does not meet CRD IV recognition criteria, will be phased out over the period from 1 January 2014 to 31 December 2021;
- **Additional capital charges** – an additional capital charge for credit valuation adjustment ("CVA") risk is imposed. The majority of the Issuer's CVA charge relates to the use of derivative instruments (with highly-rated counterparties) to manage interest rate and foreign exchange risk;
- **Deductions from capital** – expected losses in excess of provisions are deducted in full from Common Equity Tier 1 capital, gross of tax. Under Basel II, only 50 per cent. of the deduction was from Core Tier 1 capital and was net of tax;
- **New liquidity metrics** – two new liquidity ratios will be introduced. These are a short-term liquidity stress ratio, referred to as the Liquidity Coverage Ratio, and a longer-term ratio, referred to as the Net Stable Funding Ratio. Both ratios are required to be maintained at levels in excess of 100 per cent., when fully implemented;
- **Basel I Floor** – Article 500(1) of the Capital Requirements Regulation requires institutions which calculate their risk-weighted exposures on the basis of IRB models or other advanced measurement approaches to meet minimum capital requirements calculated both (i) in respect of the Pillar 1 Requirement under Article 92 of the Capital Requirements Regulation (calculated on the basis of that institution's adopted risk-weighting model) and (ii) until at least 31 December 2017, in respect of the Basel I Floor under Article 500(1)(b) of the Capital Requirements Regulation by reference to legacy (Basel I) risk-weighting approaches, which are more prescriptive and less risk-sensitive than firms' own models. The PRA confirmed in Policy Statement PS7/13, supported by Supervisory Statement SS8/13 (each published in December 2013), that (until at least 31 December 2017) if an institution's capital requirement calculated in respect of the Basel I Floor is higher than the sum of its Pillar 1 Requirement plus any Pillar 2A individual capital requirement imposed on that institution by the PRA (subject to relevant adjustments), the institution must meet the Basel I Floor requirement. The PRA further confirmed that, in such case, the firm's additional capital buffers will sit on top of the Basel I Floor, and the institution may not meet its buffer requirement with any Common Equity

Tier 1 capital maintained to meet the Basel I Floor. The Basel I Floor is reported to the PRA and is not publicly disclosed;

- ***New leverage ratio*** – a new ratio (the leverage ratio), calculated by dividing Tier 1 capital by total assets (as defined by Basel III), is required to be maintained at a level of at least 3 per cent. This requirement will be harmonised at EU level from 1 January 2018, until which date the UK regulators may apply such measures as they consider appropriate;
- ***Additional valuation adjustments*** – these are deductions from Common Equity Tier 1 capital required for all assets (including derivatives) measured at fair value. The Issuer intends to follow the simplified approach to this requirement, recognising the beneficial impact of hedge accounting treatment of derivatives; and
- ***Available for Sale reserve*** – this reserve records the unrealised gains and losses on assets measured at fair value. CRD IV brought this within the scope of own funds included in Common Equity Tier 1 capital.

In December 2013 the PRA published its policy statement PS7/13 "Strengthening capital standards: implementing CRD IV, feedback and final rules" on the UK rules, as applicable to the Issuer, which implement certain permitted national discretions in CRD IV. Whilst CRD IV allows regulators to phase in the new measures over a period of time, the PRA has chosen to accelerate this timetable, with most capital deductions to apply in full from 2014.

Recognition as capital of the legacy Tier 1 capital and Tier 2 capital instruments (for example, certain permanent interest bearing shares and subordinated debt instruments) is subject to grandfathering in accordance with the provisions in CRD IV. At present, the Issuer's Pillar 2A requirements can be met by any form of capital. However, from 1 January 2015, the PRA expects firms to meet Pillar 2A with at least 56 per cent. in Common Equity Tier 1 capital, no more than 44 per cent. in Additional Tier 1 capital which complies with CRD IV and at most 25 per cent. in Tier 2 capital which complies with CRD IV.

There are still some areas of the PRA's intended approach which are not yet finalised. In particular, as part of the PRA consultation during the course of 2014 on its approach to Pillar 2, the PRA will consider its approach to setting Pillar 2A capital and the extent to which firms should disclose Pillar 2A guidance and its approach to the Pillar 2B PRA buffers which are likely to replace the existing capital "planning buffers". Accordingly there is a risk that the Issuer will be required to hold higher levels of or better quality capital than is currently anticipated or planned for. If and to the extent that the PRA adopts capital or other requirements which exceed those proposed under Basel III, this may adversely impact the Issuer's competitiveness relative to any banks and financial institutions subject to less stringent requirements.

Implementation of the ICB's recommendations regarding loss-absorbing capacity may impact on the Issuer's overall capital requirements

In June 2010, the Government established the ICB to consider structural and related non-structural reforms to the UK banking sector to promote financial stability and competition. The ICB's reform recommendations, published in September 2011, and the Government's response supporting such recommendations (as set out in HM Treasury White Paper entitled "Sound banking: delivering reform") includes proposals to increase capital and loss-absorbency to levels that exceed the proposals under Basel III. These requirements, as well as the other recommendations of the ICB, are expected to be introduced between 2015 and 2019. The Banking Reform Act has given effect to the ICB's recommendations insofar as they have been accepted by HM Treasury. However the Banking Reform Act is, effectively, enabling legislation only and, as such, much of the detailed implementation of the ICB's recommendations (where supported by Parliament) will be set out in secondary legislation which is expected before the end of the current parliament. Draft secondary legislation was published in July 2013, including legislation to establish the framework through which non-capital primary loss-absorbing capacity requirements will be imposed on systemically important UK banks

and building societies. This could take the form of a liabilities based measure (Minimum Requirement for Eligible Liabilities) implemented in accordance with the RRD.

Until the legislation is finalised, the Issuer cannot predict the impact such rules will have on its overall capital requirements or how they will affect its compliance with the capital and loss absorbency requirements of Basel III. However, the introduction of the new rules and proposals could require the Issuer to increase its capital, liquidity and funding requirements or otherwise adversely affect its business or profitability.

Demutualisation, mutual society transfers and consequences of the Building Societies Act for Covered Bondholders

The Issuer's Board is committed to maintaining the mutual status of the Issuer. Notwithstanding the above, subject to regulatory confirmation, the Issuer's members and its Board may determine whether it remains a building society or if it demutualises (save in circumstances where a direction is given under Section 42B of the Act or a UK authority makes an instrument or order under the Banking Act (as amended by section 56 of the FS Act) which results in a demutualisation taking place or, subject to HM Treasury making an order under section 17(3) of the Banking Reform Act (which section came into force on 1 March 2014), the BoE requires the conversion or transfer of the Issuer's business to a company in relation to the exercise of the bail-in stabilisation option).

The Building Societies Act includes provisions under which a building society may demutualise by transferring the whole of its business to an existing company (referred to as a 'takeover') or to a specially formed company (referred to as a 'conversion'). In addition, the Building Societies Act (as modified by the Mutual Societies (Transfers) Order 2009 made under section 3 of the Building Societies (Funding) and Mutual Societies (Transfers) Act 2007 (the "**Funding and Mutual Societies Transfers Act**") includes provisions under which a building society may transfer the whole of its business to the subsidiary of another mutual society (as defined in section 3 of the Funding and Mutual Societies Transfers Act). At present, the claims of depositors and other unsubordinated creditors of the Issuer would rank ahead of share accounts (which term excludes any deferred shares) and the members' rights to any surplus in the event of a liquidation of the Issuer and the claims of subordinated creditors of the Issuer would rank behind share accounts but ahead of members' rights to any surplus in the event of a liquidation of the Issuer. If, however, the Issuer transfers its business to a specially formed company or an existing company (as defined in the Building Societies Act) or to a subsidiary of another mutual society, all the liabilities of the Issuer which immediately prior thereto were classified as share accounts will thereafter rank at least *pari passu* with all other unsecured and unsubordinated liabilities of the Issuer's successor.

Under section 90B of the Building Societies Act (which was inserted by the Funding and Mutual Societies Transfers Act), HM Treasury may, by order, make provision for the purpose of ensuring that, on the winding up, or dissolution by consent, of a building society, any assets available for satisfying the society's liabilities to creditors (other than liabilities in respect of subordinated deposits; liabilities in respect of preferential debts; or any other category of liability which HM Treasury specifies in the order for these purposes) or to shareholders (other than liabilities in respect of deferred shares) are applied in satisfying those liabilities *pari passu*. The power to make an order under section 90B of the Building Societies Act is exercisable by statutory instrument but may not be made unless a draft of it has been laid before and approved by a resolution of each House of Parliament. As at the date of this Offering Circular, no date has been appointed for this provision to come into force. The Government has announced that it would be appropriate to commence these powers in connection with the introduction of the bail-in tool provided for in the Banking Reform Act. However, it has since announced that it may deal with creditor hierarchy by early transposition of relevant parts of the RRD.

Following a transfer of business to a company (including where the transfer is to a subsidiary of another mutual society) by the Issuer the obligations under the Covered Bonds will become obligations of any transferee entity and rank (i) in priority to both the rights of the holders of the equity share capital in the company to any repayment of capital or surplus on a liquidation and any obligations of the company (whether or not created prior to such transfer) expressed to rank junior to such Covered Bonds, (ii) equally

with other unsecured and unsubordinated creditors (including inter-bank lenders and retail depositors) and (iii) behind any statutorily preferential creditors.

It is expressed to be a condition of any transfer of business by the Issuer under the Transaction Documents that the Covered Bond Guarantee will remain in place or be modified to apply *mutatis mutandis* in full force and effect and will continue as an obligation of the LLP in respect of the Covered Bonds which, following any transfer, will be obligations of the transferee entity.

Future legislative and regulatory changes could impose operational restrictions on the Issuer, require the Issuer to raise further capital, increase the Issuer's expenses and/or otherwise adversely affect its business, results, financial condition or prospects

The Issuer conducts its business subject to ongoing regulation by the FCA and the PRA. The regulatory regime requires the Issuer to be in compliance across many aspects of activity, including the training, authorisation and supervision of personnel, systems, processes and documentation. If the Issuer fails to comply with any relevant regulations, there is a risk of an adverse impact on its business due to sanctions, fines or other action imposed by the regulatory authorities.

Future changes in regulation, fiscal or other policies are unpredictable and beyond the Issuer's control and could materially adversely affect its business or operations.

Regulators and other bodies in the UK and worldwide have produced a range of proposals for future legislative and regulatory changes which could impose operational restrictions on the Issuer, require the Issuer to raise further capital, increase its cost base and/or otherwise adversely affect its business results, financial condition or prospects. These include, amongst others:

- On 19 June 2013, the Parliamentary Commission on Banking Standards ("PCBS") published its final report ("Changing Banking for Good"). This was followed by the publication of the Government's response on 8 July 2013, accepting the overall conclusions of the final report and all of its principal recommendations. Among other things, this included proposals for: (i) a new senior persons regime governing the conduct of bank staff; (ii) the introduction of a criminal offence for reckless misconduct by senior bank staff; and (iii) steps to improve competition in the banking sector. On 18 December 2013, the Banking Reform Act, which includes provisions to address certain of the PCBS's recommendations received royal assent; further detail in respect of matters covered in the Banking Reform Act will be provided by way of secondary legislation. From 1 March 2014, the PRA has a secondary objective in respect of competition; otherwise, the relevant provisions of the Banking Reform Act are not yet in force and it is not known when such provisions will come into force. The Banking Reform Act and future related secondary legislation may have a substantial impact on banks and building societies in the UK generally, including the Issuer;
- Other measures contained in the Banking Reform Act, but which are not yet in force (and the date on which they will come into force is presently unknown), include: (i) ring-fencing domestic retail banking services of UK banks (for a more detailed discussion of this, see "*The EU Recovery and Resolution Framework and related UK reforms may impact on the market price or value of the Covered Bonds*" below); (ii) introduction of a power for the UK authorities to bail in debt issued by UK banks and building societies (see "*UK Banking Act 2009*" above); (iii) elevating the ranking of FSCA insured depositors on a winding up to rank ahead of all other unsecured creditors; and (iv) a cap on the cost of pay day loans. Building societies (including the Issuer) will be subject to the proposed bail-in powers (see "*UK Banking Act 2009*" above) and will be affected by the change creditor hierarchy.
- the Government intends to transpose the provisions in the RRD early which will have the effect of granting: (i) preference to eligible deposits (i.e. deposits and share accounts which qualify for FSCS protection) over the claims of ordinary unsecured creditors in the event of an insolvency; and (ii) a "super-preference" to those deposits and share accounts which are actually protected by the FSCS,

i.e. up to the limit of £85,000. At European Union level, structural reform measures that are similar to some of those contained in the Banking Reform Act are also under consideration, following the report of the European Commission's high level expert group on reforming the structure of the EU Banking Sector (the "**Liikanen Report**"). On 29 January 2014 the European Commission published a proposal on structural measures improving the resilience of EU credit institutions which reflects some of the recommendations of the Liikanen Report.

- In June 2013, the PRA undertook a stress test on the eight largest UK banks and building societies. This involved an assessment of capital levels with 15% minimum risk weightings attached, together with a requirement to meet a 3% leverage ratio. The Issuer was not part of this review. The criteria applied to stress tests are not intended to be indicative of prospective changes to the capital requirements. However, if the PRA or BoE were to formally introduce a minimum risk weighting measure across all UK lenders, whether generally or in respect of exposures to specified sectors, this could have a significant adverse impact on the Issuer's CET1 and overall capital ratios. Given the composition of the Group's loan book and its relatively low historic impairments, the average risk weighting applied to the Issuer's book may be lower relative to many of the large high-street lenders, in which case the impact of an introduction of minimum risk weights may have a comparatively greater impact on its capital ratios than its competitors'. Whilst the Issuer is not aware of any current proposal by the UK authorities to introduce minimum risk weights generally, the Financial Policy Committee, in its policy statement entitled "*The Financial Policy Committee's powers to supplement capital requirements*" published in January 2014, discusses the use of increased risk weights in other jurisdictions and expressly recognises the possibility of amending risk weights as one of the macro-prudential tools available to it within its oversight of sectoral capital requirements.
- Following the 2013 stress tests, and in line with the UK Financial Policy Committee's recommendation for annual and concurrent stress-testing of the UK banking system, in April 2014 the Bank of England set out details of the UK scenario for the 2014 stress tests of the eight largest UK banks and building societies. In addition, the European Banking Authority is also conducting its own stress tests for certain European financial institutions. Whilst the Issuer is not the subject of such stress tests at present, if it were to become subject to future stress tests of this nature there is a risk that it would be required to raise further capital, including if the stress test methodology included standardised or minimum risk weights, whether generally or in respect of exposures to specified sectors, which afford higher risk-weightings to the Issuer's assets than the Issuer's own internal ratings-based model.

There is also a risk that the recent restructuring of regulatory bodies and, in particular, the creation of multiple regulators in the UK could lead to a lack of co-ordination and the emergence of inconsistencies between the different regulatory bodies. Any such development could adversely impact the Issuer's ability to manage its business efficiently and subject it to increased costs through managing an increasingly complex compliance burden.

At this point it is impossible to predict the effect that any of the proposed changes will have on the Issuer's operations, business and prospects or how any of the proposals discussed above will be implemented in light of the fundamental changes to the regulatory environment proposed by the Government and/or the European Commission. Depending on the specific nature of the requirements and how they are enforced, such changes could have a significant impact on the Issuer's operations, structure, costs and/or capital requirements. Accordingly, the Issuer cannot assure investors that the implementation of any of the foregoing matters or any other regulatory or legislative changes that may be proposed will not have a material adverse effect on its operations, business, results, financial condition or prospects.

Risk factors relating to the LLP

LLP only obliged to pay Guaranteed Amounts when the same are Due for Payment

Subject as provided in the Trust Deed, following service of an Issuer Acceleration Notice on the Issuer, a Notice to Pay will be served by the Bond Trustee on the LLP. Subsequent to a failure by the Issuer to make a payment in respect of one or more Series of Covered Bonds, the Bond Trustee may, but is not obliged to, serve an Issuer Acceleration Notice unless and until requested or directed by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds then outstanding as if they were a single Series or if so directed by an Extraordinary Resolution of all the Covered Bondholders in accordance with Condition 9(a) (*Issuer Event of Default*). Following service of a Notice to Pay on the LLP, under the terms of the Covered Bond Guarantee the LLP will be obliged to pay Guaranteed Amounts as and when the same are Due for Payment. In these circumstances, the LLP will not be obliged to pay any other amounts which become payable for any other reason.

Payments by the LLP will be made subject to any applicable withholding or deduction and the LLP will not be obliged to pay any additional amounts to the Covered Bondholders as a consequence of such withholding or deduction. The attention of Covered Bondholders is drawn to the paragraph headed "*Payments by the LLP*" in the United Kingdom taxation section below. Prior to service on the LLP of an LLP Acceleration Notice, the LLP will not be obliged to make any payments in respect of broken funding indemnities, penalties, premiums, default interest or interest on interest which may accrue on or in respect of the Covered Bonds. In addition, the LLP will not be obliged at any time to make any payments in respect of additional amounts which may become payable by the Issuer under Condition 7 (*Taxation*).

Subject to any grace period, if the LLP fails to make a payment when Due for Payment under the Covered Bond Guarantee or any other LLP Event of Default occurs, then the Bond Trustee may accelerate the obligations of the LLP under the Covered Bond Guarantee by service of an LLP Acceleration Notice, whereupon the Bond Trustee will have a claim under the Covered Bond Guarantee for an amount equal to the Early Redemption Amount of each Covered Bond, together with accrued interest and all other amounts then due under the Covered Bonds (other than additional amounts payable under Condition 7 (*Taxation*)), although in such circumstances the LLP will not be obliged to gross up in respect of any withholding which may be required in respect of any payment. Following service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP, the Security Trustee may enforce the Security over the Charged Property. The proceeds of enforcement and realisation of the Security shall be applied by the Security Trustee in accordance with the Post-Enforcement Priority of Payments in the Deed of Charge, and the Covered Bondholders will receive amounts from the LLP on an accelerated basis.

Excess Proceeds received by the Bond Trustee

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may receive Excess Proceeds. The Excess Proceeds will be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the LLP for its own account, as soon as practicable, and will be held by the LLP in the Standby GIC Account and the Excess Proceeds will thereafter form part of the Security and will be used by the LLP in the same manner as all other monies from time to time standing to the credit of the Standby GIC Account. Any Excess Proceeds received by the Bond Trustee will discharge *pro tanto* the obligations of the Issuer in respect of the Covered Bonds and Coupons (subject to restitution of the same if such Excess Proceeds shall be required to be repaid by the LLP but only to the extent that such Excess Proceeds are received by the Bond Trustee and are then held by it or under its control). However, the obligations of the LLP under the Covered Bond Guarantee are unconditional and irrevocable (following service on the LLP of a Notice to Pay) and the receipt by the Bond Trustee of any Excess Proceeds will not reduce or discharge any such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder will be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the LLP in the manner as described above.

Finite resources available to the LLP to make payments due under the Covered Bond Guarantee

Subject as provided in Condition 9 (*Events of Default and Enforcement*) and the Trust Deed, following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice on the Issuer, all amounts payable under the Covered Bonds will be accelerated by the Bond Trustee as against the Issuer following which a Notice to Pay will be served by the Bond Trustee on the LLP. The LLP's ability to meet its obligations under the Covered Bond Guarantee will depend on: (i) the realisable value of Selected Loans and their Related Security in the Portfolio; (ii) the amount of Revenue Receipts and Principal Receipts generated by the Portfolio and the timing thereof; (iii) amounts received from the Swap Providers; (iv) the realisable value of Substitution Assets held by it; and (v) the receipt by it of credit balances and interest on credit balances on the Standby GIC Account. Recourse against the LLP under the Covered Bond Guarantee is limited to the aforementioned assets and the LLP will not have any other source of funds available to meet its obligations under the Covered Bond Guarantee.

If an LLP Event of Default occurs and the Security created by or pursuant to the Deed of Charge is enforced, the Charged Property may not be sufficient to meet the claims of all the Secured Creditors, including the Covered Bondholders.

If, following enforcement of the Security constituted by or pursuant to the Deed of Charge, the Secured Creditors have not received the full amount due to them pursuant to the terms of the Transaction Documents, then they may still have an unsecured claim against the Issuer for the shortfall. There is no guarantee that the Issuer will have sufficient funds to pay that shortfall.

Covered Bondholders should note that the Asset Coverage Test has been structured to ensure that the Adjusted Aggregate Loan Amount is greater than the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds for so long as Covered Bonds remain outstanding, which should reduce the risk of there ever being a shortfall (although there is no assurance of this – in particular, the sale of further Loans and Related Security by the Seller to the LLP may be required to avoid or remedy a breach of the Asset Coverage Test). The LLP and the Seller (in its capacity as Member) must ensure that following the occurrence of an Issuer Event of Default, the Amortisation Test is met on each Calculation Date and a breach of the Amortisation Test will constitute an LLP Event of Default and will entitle the Bond Trustee to serve an LLP Acceleration Notice on the LLP (see "*Summary of the Principal Documents – LLP Deed – Asset Coverage Test*" and "*Credit Structure – Asset Coverage Test*"). The Asset Coverage Test and the Yield Shortfall Test have in the aggregate been structured to ensure that the Asset Pool is sufficient to pay amounts due on the Covered Bonds and senior ranking expenses which will include costs relating to the maintenance, administration and winding-up of the Asset Pool whilst the Covered Bonds are outstanding. However no assurance can be given that the Asset Pool will yield sufficient amounts for such purpose.

Reliance of the LLP on third parties

The LLP has entered into agreements with a number of third parties, which have agreed to perform services for the LLP. In particular, but without limitation, the Servicer has been appointed to service Loans in the Portfolio sold to the LLP, the Cash Manager has been appointed to calculate and monitor compliance with the Asset Coverage Test and the Amortisation Test and to provide cash management services to the LLP and the Standby GIC Account and Standby Transaction Account will be held with the Standby Account Bank. In the event that any of those parties fails to perform its obligations under the relevant agreement to which it is a party, the realisable value of the Portfolio or any part thereof or pending such realisation (if the Portfolio or any part thereof cannot be sold) the ability of the LLP to make payments under the Covered Bond Guarantee may be affected. For instance, if the Servicer has failed to adequately administer the Loans, this may lead to higher incidences of non-payment or default by Borrowers. The LLP is also reliant on the Swap Providers to provide it with the funds matching its obligations under the Intercompany Loan Agreement and the Covered Bond Guarantee, as described below.

If a Servicer Event of Default occurs pursuant to the terms of the Servicing Agreement, then the LLP and/or the Security Trustee will be entitled to terminate the appointment of the Servicer and appoint a new servicer

in its place. There can be no assurance that a substitute servicer with sufficient experience of administering mortgages of residential properties would be found who would be willing and able to service the Loans on the terms of the Servicing Agreement. In addition, as described below, any substitute servicer will be required to be authorised under the FSMA. The ability of a substitute servicer to fully perform the required services would depend, among other things, on the information, software and records available at the time of the appointment. Any delay or inability to appoint a substitute servicer may affect the realisable value of the Portfolio or any part thereof, and/ or the ability of the LLP to make payments under the Covered Bond Guarantee. However, if the Servicer ceases to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB it will use reasonable efforts to enter, within 60 calendar days of such downgrade, into a back-up master servicing agreement with a third party to perform all the Services under the Servicing Agreement. The back-up master servicing agreement will provide for the third party servicer to undertake the servicing/or master servicing obligations in relation to the Portfolio within 60 calendar days of the Servicer ceasing to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating of Moody's of at least Baa3 or by Fitch of at least BBB-

The Servicer has no obligation itself to advance payments that Borrowers fail to make in a timely fashion. Covered Bondholders will have no right to consent to or approve of any actions taken by the Servicer under the Servicing Agreement.

Neither the Security Trustee nor the Bond Trustee is obliged in any circumstances to act as a servicer or to monitor the performance by the Servicer of its obligations.

Reliance on Swap Providers

To provide a hedge against possible variances in the rates of interest payable on the Loans in the Portfolio (which may, for instance, include variable rates of interest, discounted rates of interest, fixed rates of interest or rates of interest which track a base rate) and LIBOR for one month Sterling deposits, the LLP has entered into the Interest Rate Swap Agreement with the Interest Rate Swap Provider. In addition, to provide a hedge against interest rate and currency risks in respect of amounts received by the LLP under the Loans and the Interest Rate Swaps and amounts payable by the LLP on the outstanding Term Advances or (following service on the LLP of a Notice to Pay) under the Covered Bond Guarantee in respect of the Covered Bonds, the LLP will enter into a Covered Bond Swap Agreement with each Covered Bond Swap Provider.

If the LLP fails to make timely payments of amounts due under any Swap Agreement (except where such failure is caused by the assets available to the LLP on a Due for Payment date being insufficient to make the required payment in full), then it will have defaulted under that Swap Agreement and such Swap Agreement may be terminated. Further, a Swap Provider is only obliged to make payments to the LLP as long as and to the extent that the LLP complies with its payment obligations under the relevant Swap Agreement. If a Swap Agreement terminates or the Swap Provider is not obliged to make payments or if it defaults in its obligations to make payments of amounts in the relevant currency equal to the full amount to be paid to the LLP on the payment date under the Swap Agreements, the LLP will be exposed to changes in the relevant currency exchange rates to Sterling (where relevant) and to any changes in the relevant rates of interest. Unless a replacement swap is entered into, the LLP may have insufficient funds to make payments under the Intercompany Loan Agreement or Covered Bond Guarantee.

If a Swap Agreement terminates, then the LLP may be obliged to make a termination payment to the relevant Swap Provider. There can be no assurance that the LLP will have sufficient funds available to make a termination payment under the relevant Swap Agreement, nor can there be any assurance that the LLP will be able to find a replacement swap counterparty which has sufficiently high ratings as may be required by any of the Rating Agencies and which agrees to enter into a replacement swap agreement.

If the LLP is obliged to pay a termination payment under any Swap Agreement, such termination payment will rank (A) ahead of amounts due on the Covered Bonds in respect of the Interest Rate Swap prior to the service of an LLP Acceleration Notice, the commencement of winding-up proceedings against the LLP

and/or realisation of the Security and (B) *pari passu* with amounts due on the Covered Bonds in respect of the Covered Bond Swaps and in respect of the Interest Rate Swap following service of an LLP Acceleration Notice, the commencement of winding-up proceedings against the LLP and/or realisation of the Security, except where default by, or downgrade of, the relevant Swap Provider has caused the relevant Swap Agreement to terminate. The obligation to pay a termination payment may adversely affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

Differences in timings of obligations of the LLP and the Covered Bond Swap Providers under the Covered Bond Swaps

With respect to the Covered Bond Swaps, the LLP will pay a monthly amount, on each LLP Payment Date, to each Covered Bond Swap Provider based on LIBOR for one month Sterling deposits. Each Covered Bond Swap Provider will not be obliged to make corresponding swap payments to the LLP under a Covered Bond Swap for up to twelve months until amounts are due and payable by the LLP under the Intercompany Loan Agreement (prior to the service of a Notice to Pay or LLP Acceleration Notice on the LLP) or are Due for Payment under the Covered Bond Guarantee (after the service of a Notice to Pay or LLP Acceleration Notice on the LLP). If a Covered Bond Swap Provider does not meet its payment obligations to the LLP under the relevant Covered Bond Swap and such Covered Bond Swap Provider does not make a termination payment that has become due from it to the LLP, the LLP may have a larger shortfall in funds with which to make payments under the Covered Bond Guarantee with respect to the Covered Bonds than if the Covered Bond Swap Provider's payment obligations coincided with LLP's payment obligations under the Covered Bond Guarantee. Hence, the difference in timing between the obligations of the LLP and the Covered Bond Swap Providers under the Covered Bond Swaps may affect the LLP's ability to make payments under the Covered Bond Guarantee with respect to the Covered Bonds.

Change of counterparties

The parties to the Transaction Documents who receive and hold monies pursuant to the terms of such documents (such as the Standby Account Bank) are required to satisfy certain criteria in order that they can continue to receive and hold monies.

These criteria include requirements imposed under the FSMA and current rating criteria published by the Rating Agencies from time to time in relation to the short-term, unguaranteed and unsecured ratings ascribed to such party by Fitch and Moody's. If the party concerned ceases to satisfy the applicable criteria, including the ratings criteria detailed above, then the rights and obligations of that party (including the right or obligation to receive monies on behalf of the LLP) may be required to be transferred to another entity which does satisfy the applicable criteria. In these circumstances, the terms agreed with the replacement entity may not be as favourable as those agreed with the original party pursuant to the Transaction Documents.

In addition, should the applicable criteria cease to be satisfied, the parties to the relevant Transaction Document may agree to amend or waive certain of the terms of such document, including the applicable criteria, in order to avoid the need for a replacement entity to be appointed. The consent of Covered Bondholders may not be required in relation to such amendments and/or waivers.

Risk Factors relating to the Programme

Limited description of the Portfolio

The Covered Bondholders will not receive detailed statistics or information in relation to the Loans in the Portfolio because it is expected that the constitution of the Portfolio will frequently change due to, for instance:

- the Seller selling Loans and their Related Security (or New Loan Types and their Related Security) to the LLP;

- New Sellers acceding to the Transaction and selling Loans and their Related Security (or New Loan Types and their Related Security) to the LLP; and
- the Seller repurchasing Loans and their Related Security in accordance with the Mortgage Sale Agreement.

There is no assurance that the characteristics of the New Loans assigned to the LLP on a Transfer Date will be the same as those of the Loans in the Portfolio as at that Transfer Date. However, each Loan will be required to meet the Eligibility Criteria and the Representations and Warranties set out in the Mortgage Sale Agreement – see "*Summary of the Principal Documents – Mortgage Sale Agreement – Sale by the Seller of Loans and Related Security*" (although the Eligibility Criteria and Representations and Warranties may change in certain circumstances – see "*The Bond Trustee and the Security Trustee may agree to modifications to the Transaction Documents without, respectively the Covered Bondholders' or Secured Creditors' prior consent*" above). In addition, the Asset Coverage Test is intended to ensure that the Adjusted Aggregate Loan Amount is an amount equal to or in excess of the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds for so long as Covered Bonds remain outstanding and the Cash Manager will provide monthly reports that will set out certain information in relation to the Asset Coverage Test. A monthly report is also made available to Covered Bondholders, the Security Trustee, the Bond Trustee and the Rating Agencies detailing *inter alia* compliance with the Asset Coverage Test and is available on the Issuer's website at www.coventrybuildingsociety.com

Fixed charges may take effect under English law as floating charges

Pursuant to the terms of the Deed of Charge, the LLP has purported to grant fixed charges over, amongst other things, its interests in the Loans and their Related Security, the Substitution Assets and its rights and benefits in the LLP Accounts and all Authorised Investments purchased from time to time.

The law in England and Wales relating to the characterisation of fixed charges is unsettled. The fixed charges purported to be granted by the LLP may take effect under English law as floating charges only, if, for example, it is determined that the Security Trustee does not exert sufficient control over the Charged Property for the security to be said to constitute fixed charges. If the charges take effect as floating charges instead of fixed charges, then, as a matter of law, certain claims would have priority over the claims of the Security Trustee in respect of the floating charge assets. In particular, the "prescribed part" (referred to below), the expenses of any administration and/or winding up and the claims of any preferential creditors would rank ahead of the claims of the Security Trustee in this regard. The Enterprise Act 2002 abolished the preferential status of certain Crown debts (including the claims of the United Kingdom tax authorities). However, certain employee claims (in respect of contributions to pension schemes and wages) still have preferential status. In this regard, it should be noted that the LLP has agreed in the Transaction Documents not to have any employees.

In addition, any administrative receiver, administrator or liquidator appointed in respect of the LLP will be required to set aside the prescribed percentage or percentages of the floating charge realisations in respect of the floating charges contained in the Deed of Charge.

Maintenance of Portfolio

Asset Coverage Test: Pursuant to the terms of the Mortgage Sale Agreement, the Seller will agree to use all reasonable efforts to transfer Loans and their Related Security to the LLP in order to ensure that the Portfolio is in compliance with the Asset Coverage Test. The consideration payable to the Seller for the Sale of the Loans and Related Security to the LLP will be a combination of: (i) a cash payment paid by the LLP; and/or (ii) the Seller being treated as having made a Capital Contribution to the LLP (in an amount up to the difference between the True Balance of the Loans sold by the Seller to the LLP as at the relevant Transfer Date and the cash payment (if any) paid by the LLP for such Loans); and (iii) Deferred Consideration.

Alternatively, the Issuer (in its capacity as Member of the LLP) may make a Cash Capital Contribution to the LLP pursuant to the LLP Deed in order to ensure that the LLP is in compliance with the Asset Coverage Test. If a breach of the Asset Coverage Test occurs which is not cured on the next Calculation Date, an Asset Coverage Test Breach Notice will be served on the LLP, which will result in the consequences set out in "*Summary of Principal Documents – LLP Deed – Asset Coverage Test*". There is no specific recourse by the LLP to the Seller in respect of the failure to sell Loans and their Related Security to the LLP nor is there any specific recourse to the Issuer if it does not make Cash Capital Contributions to the LLP. In addition, Covered Bondholders should be aware that the FCA may take certain action in relation to the Seller, including prohibiting the Seller from transferring further Loans to the LLP. Any such action may have an adverse effect on the ability of the Issuer and the LLP to meet its obligations under the Covered Bonds and the Covered Bond Guarantee, as applicable.

Amortisation Test: Pursuant to the LLP Deed, the LLP and the Issuer (in its capacity as a Member of the LLP) must ensure that on each Calculation Date following service of a Notice to Pay on the LLP but prior to the service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, the Amortisation Test Aggregate Loan Amount is in an amount at least equal to the aggregate Sterling Equivalent of the Principal Amount Outstanding under the Covered Bonds. The Amortisation Test is intended to ensure that the assets of the LLP do not fall below a certain threshold to ensure that the assets of the LLP are sufficient to meet its obligations under the Covered Bond Guarantee and senior expenses that rank in priority to or *pari passu* with amounts due on the Covered Bonds.

If the collateral value of the Portfolio has not been maintained in accordance with the terms of the Asset Coverage Test or the Amortisation Test, then that may affect the realisable value of the Portfolio or any part thereof (both before and after the occurrence of an LLP Event of Default) and/ or the ability of the LLP to make payments under the Covered Bond Guarantee. However, failure to satisfy the Amortisation Test on any Calculation Date following an Issuer Event of Default will constitute an LLP Event of Default, thereby entitling the Bond Trustee to accelerate the Issuer's obligations under the Covered Bonds against the Issuer (to the extent such obligations had not already been accelerated against the Issuer) and the LLP's obligations under the Covered Bond Guarantee against the LLP subject to and in accordance with the Conditions and the Trust Deed.

Prior to the occurrence of an Issuer Event of Default, the Asset Monitor will, subject to receipt of the relevant information from the Cash Manager, test the calculations performed by the Cash Manager in respect of the Asset Coverage Test once each year on the Calculation Date immediately prior to each anniversary of the Programme Date and more frequently in certain circumstances. Following the occurrence of an Issuer Event of Default, the Asset Monitor will be required to test the calculations performed by the Cash Manager in respect of the Amortisation Test. See further "*Summary of the Principal Documents – Asset Monitor Agreement*".

Neither the Security Trustee nor the Bond Trustee shall be responsible for monitoring compliance with, or the monitoring of, the Asset Coverage Test or the Amortisation Test or any other test, or supervising the performance by any other party of its obligations under any Transaction Document.

Sale of Selected Loans and their Related Security following the occurrence of an Issuer Event of Default

If a Notice to Pay is served on the LLP, then the LLP will be obliged to sell Selected Loans and their Related Security (selected on a random basis) in order to make payments to the LLP's creditors including payments under the Covered Bond Guarantee (see "*Summary of the Principal Documents – LLP Deed – Sale of Selected Loans and their Related Security following an Issuer Event of Default*").

There is no guarantee that a buyer will be found to buy Selected Loans and their Related Security at the times required and there can be no guarantee or assurance as to the price which may be able to be obtained, which may affect payments under the Covered Bond Guarantee. However, the Selected Loans may not be sold by the LLP for less than an amount equal to the Adjusted Required Redemption Amount for the relevant Series of Covered Bonds until six months prior to: (a) the Final Maturity Date in respect of such Covered

Bonds; or (b) (if the same is specified as applicable in the relevant Final Terms) the Extended Due for Payment Date under the Covered Bond Guarantee in respect of such Covered Bonds. In the six months prior to, as applicable, the Final Maturity Date or Extended Due for Payment Date, the LLP is obliged to sell the Selected Loans for the best price reasonably available notwithstanding that such price may be less than the Adjusted Required Redemption Amount. If Selected Loans are not sold for an amount equal to or in excess of the Adjusted Required Redemption Amount, the LLP may have insufficient funds available to pay the Covered Bonds.

On the Final Maturity Date of a Series of Covered Bonds or, as applicable, on each Interest Payment Date up to and including the Extended Due for Payment Date, the LLP will apply all proceeds standing to the credit of the Standby GIC Accounts to redeem the relevant Series of Covered Bonds. Such proceeds will include the sale proceeds of Selected Loans (including any sale proceeds resulting from the sale of Selected Loans sold in respect of another Series of Covered Bonds) and all principal repayments received on the Loans in the Portfolio generally. This may adversely affect later maturing Series of Covered Bonds if the Selected Loans sold to redeem an earlier maturing Series of Covered Bonds are sold for less than the Adjusted Required Redemption Amount and, accordingly, the LLP is required to apply other assets in the Portfolio (i.e. Principal Receipts) to redeem that earlier maturing Series of Covered Bonds.

Realisation of Charged Property following the occurrence of an LLP Event of Default and service of a LLP Acceleration Notice and/or following the commencement of winding-up proceedings against the LLP

If an LLP Event of Default occurs and an LLP Acceleration Notice is served on the LLP and/or winding-up proceedings are commenced against the LLP, then the Security Trustee will be entitled to enforce the Security created under and pursuant to the Deed of Charge and the proceeds from the realisation of the Charged Property will be applied by the Security Trustee towards payment of all secured obligations in accordance with the Post-Enforcement Priority of Payments, described in "Cashflows" below.

There is no guarantee that the proceeds of realisation of the Charged Property will be in an amount sufficient to repay all amounts due to the Secured Creditors (including the Covered Bondholders) under the Covered Bonds and the Transaction Documents.

If an LLP Acceleration Notice is served on the LLP then the Covered Bonds may be repaid sooner or later than expected or not at all.

Factors that may affect the realisable value of the Portfolio or any part thereof or the ability of the LLP to make payments under the Covered Bond Guarantee

Following the occurrence of an Issuer Event of Default, the service on the Issuer of an Issuer Acceleration Notice and the service on the LLP of a Notice to Pay, the realisable value of Selected Loans and their Related Security comprised in the Portfolio may be reduced (which may affect the ability of the LLP to make payments under the Covered Bond Guarantee) by:

- representations or warranties not being given by the LLP or (unless otherwise agreed with the Seller) the Seller;
- default by Borrowers of amounts due on their Loans;
- the Loans of New Sellers being included in the Portfolio;
- changes to the Lending Criteria of the Seller;
- the LLP not having legal title to the Loans in the Portfolio;
- risks in relation to some types of Loans which may adversely affect the value of Portfolio or any part thereof;

- limited recourse to the Seller;
- possible regulatory changes by the FCA, the PRA and other regulatory authorities; and
- regulations in the United Kingdom that could lead to some terms of the Loans being unenforceable.

Each of these factors is considered in more detail below. However, it should be noted that the Asset Coverage Test, the Amortisation Test and the Eligibility Criteria are intended to ensure that there will be an adequate amount of Loans in the Portfolio and monies standing to the credit of the LLP Accounts to enable the LLP to repay the Covered Bonds following an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the LLP and accordingly it is expected (but there is no assurance) that Selected Loans and their Related Security could be realised for sufficient values to enable the LLP to meet its obligations under the Covered Bond Guarantee.

No representations or warranties to be given by the LLP or the Seller if Selected Loans and their Related Security are to be sold

Following the service of an Asset Coverage Test Breach Notice (which has not been revoked) or the service of a Notice to Pay on the LLP (but in each case prior to the service of a LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security), the LLP will be obliged to sell Selected Loans and their Related Security to third party purchasers, subject to a right of pre-emption enjoyed by the Seller pursuant to the terms of the Mortgage Sale Agreement (see "*Summary of the Principal Documents – LLP Deed – Method of Sale of Selected Loans and their Related Security*"). In respect of any sale of Selected Loans and their Related Security to third parties, however, the LLP will not be permitted to give warranties or indemnities in respect of those Selected Loans and their Related Security (unless expressly permitted to do so by the Security Trustee acting on the instructions of the Bond Trustee, itself acting on advice of a financial or other adviser (selected or approved by it) opining or confirming that the provision of any such warranties and/or indemnities is appropriate in the circumstances and in accordance with market practice and neither the Security Trustee nor the Bond Trustee shall have any liability or be liable to any other person for acting upon such advice, opinion or confirmation). The Security Trustee will not be required to release the Selected Loans from the Security unless the conditions relating to release of the Security as set out in Clause 4 of the Deed of Charge are satisfied. There is no assurance that the Seller would give any warranties or representations in respect of the Selected Loans and their Related Security. Any Representations or Warranties previously given by the Seller in respect of the Loans in the Portfolio may not have value for a third party purchaser if the Seller is then insolvent. Accordingly, there is a risk that the realisable value of the Selected Loans and their Related Security could be adversely affected by the lack of representations and warranties which in turn could adversely affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

Neither the Bond Trustee nor the Security Trustee shall have any responsibility for the adequacy or sufficiency of, or any deterioration in the value, of the Portfolio or the Loans and their Related Security comprised in the Portfolio, neither shall the Security Trustee be obliged to monitor the performance of the Loans and their Related Security or be responsible for monitoring whether or not the best price has been achieved for the sale of Loans (including Selected Loans) and their Related Security (and any other related rights under the same) by or on behalf of the LLP or otherwise pursuant to the Transaction Documents or whether or not any such sale has been effected on terms commercially available in the market or effected in a timely manner. Neither the Bond Trustee nor the Security Trustee shall be liable to any Transaction Party, including the Covered Bondholders, or any other person for any loss occasioned thereby.

Default by Borrowers in paying amounts due on their Loans

Borrowers may default on their obligations due under the Loans. Defaults may occur for a variety of reasons. The Loans are affected by credit, liquidity and interest rate risks. Various factors influence mortgage delinquency rates, prepayment rates, repossession frequency and the ultimate payment of interest and principal. Examples of such factors include changes in the national or international economic climate,

regional economic or housing conditions, changes in tax laws, interest rates, inflation, the availability of financing, yields on alternative investments, political developments and government policies. Other factors in Borrowers' individual, personal or financial circumstances may affect the ability of Borrowers to repay the Loans. Loss of earnings, illness, divorce and other similar factors may lead to an increase in delinquencies by and bankruptcies of Borrowers, and could ultimately have an adverse impact on the ability of Borrowers to repay the Loans. In addition, the ability of a Borrower to sell a property given as security for a Loan at a price sufficient to repay the amounts outstanding under that Loan will depend upon a number of factors, including the availability of buyers for that property, the value of that property and property values in general at the time.

The True Balance of any Defaulted Loans in the Portfolio will be given a reduced weighting for the purposes of any calculation of the Asset Coverage Test and the Amortisation Test.

The Loans of New Sellers may be included in the Portfolio

New Sellers which are members of the Coventry Group may in the future accede to the Programme and sell Loans and their related security to the LLP. However, this would only be permitted if the conditions precedent relating to New Sellers acceding to the Transaction (more fully described under "*Summary of the Principal Documents – Mortgage Sale Agreement – New Sellers*", below) are met. Provided that those conditions are met, the consent of the Covered Bondholders to the accession of any New Seller to the Programme will not be obtained.

Any loans originated by a New Seller will have been originated in accordance with the lending criteria of the New Seller, which may differ from the Lending Criteria of Loans originated by the Seller. If the lending criteria differ in a way that affects the creditworthiness of the loans in the Portfolio, that may lead to increased defaults by Borrowers and may affect the realisable value of the Portfolio or any part thereof or the ability of the LLP to make payments under the Covered Bond Guarantee. As noted above, however, Defaulted Loans in the Portfolio will be given a reduced weighting for the purposes of the calculation of the Asset Coverage Test and the Amortisation Test.

Changes to the Lending Criteria of the Seller

Each of the Loans originated by the Seller will have been originated in accordance with its Lending Criteria at the time of origination. It is expected that the Seller's Lending Criteria will generally consider type of property, term of loan, age of applicant, the loan-to-value ratio, status of applicants and credit history. In the event of the sale or transfer of any Loans and Related Security to the LLP, the Seller will warrant only that, such Loans and Related Security were originated in accordance with the Seller's Lending Criteria applicable at the time of origination. The Seller retains the right to revise its Lending Criteria from time to time. If the Lending Criteria change in a manner that affects the creditworthiness of the Loans, that may lead to increased defaults by Borrowers and may affect the realisable value of the Portfolio, or part thereof, and the ability of the LLP to make payments under the Covered Bond Guarantee. As noted above, however, Defaulted Loans in the Portfolio will be given a reduced weighting for the purposes of the calculation of the Asset Coverage Test and the Amortisation Test.

The LLP does not have legal title to the Loans in the Portfolio on the relevant Transfer Date

The sale by the Seller to the LLP of Loans and their Related Security has taken or will take effect by way of an equitable assignment. As a result, legal title to Loans, and each of their Related Security will remain with the Seller. The LLP, however, will have the right to demand that the Seller give it legal title to the Loans and the Related Security in the limited circumstances described in "*Summary of the Principal Documents – Mortgage Sale Agreement – Transfer of title to the Loans to the LLP*" and until such right arises the LLP will not give notice of the sale of the Loans and their Related Security to any Borrower or apply to the Land Registry or the Central Land Charges Registry to register or record its equitable interest in the Loans and their Related Security.

Since the LLP has not obtained legal title to the Loans or their Related Security and has not protected its interest in the Loans and their Related Security by registration of a notice at the Land Registry or otherwise perfected its legal title to the Loans or their Related Security, the following risks exist:

- first, if the Seller wrongly sells a Loan and its Related Security, which has already been sold to the LLP, to another person and that person acted in good faith and did not have notice of the interests of the LLP in the Loan and its Related Security, then such person might obtain good title to the Loan and its Related Security, free from the interests of the LLP. If this occurred then the LLP would not have good title to the affected Loan and its Related Security and it would not be entitled to payments by a Borrower in respect of that Loan. However, the risk of third party claims obtaining priority to the interests of the LLP would be likely to be limited to circumstances arising from a breach by the Seller of its contractual obligations or fraud, negligence or mistake on the part of the Seller or the LLP or their respective personnel or agents;
- second, the rights of the LLP may be subject to the rights of the Borrowers against the Seller, such as rights of set-off, which occur in relation to transactions or deposits made between Borrowers and the Seller, and the rights of Borrowers to redeem their mortgages by repaying the Loans directly to the Seller; and
- third, unless the LLP has perfected the assignment of the Loans and their Related Security (which it is only entitled to do in certain limited circumstances), the LLP would not be able to enforce any Borrower's obligations under a Loan or Mortgage itself but would have to join the Seller as a party to any legal proceedings.

If any of the risks described in the first two bullet points above were to occur then the realisable value of the Portfolio or any part thereof and/or the ability of the LLP to make payments under the Covered Bond Guarantee may be affected.

Once notice has been given to the Borrowers of the assignment of the Loans and their Related Security to the LLP, independent set-off rights which a Borrower has against the Seller (such as, for example, set-off rights associated with Borrowers holding deposits with the Seller) will crystallise and further rights of independent set-off would cease to accrue from that date and no new rights of independent set-off could be asserted following that notice. Set-off rights arising under "transaction set-off" (which are set-off claims arising out of a transaction connected with the Loan) will not be affected by that notice and will continue to exist. In relation to potential transaction set-off in respect of the Loans, see below.

It should be noted however, that the Asset Coverage Test seeks to take account of the potential set-off risk associated with Borrowers holding deposits with the Seller (although there is no assurance that all such risks will be accounted for). Further, for so long as the LLP does not have legal title, the Seller will undertake for the benefit of the LLP and the Secured Creditors that it will lend its name to, and take such other steps as may be reasonably required by the LLP and/or the Security Trustee in relation to, any legal proceedings in respect of the Loans and their Related Security.

Set-off risk may adversely affect the value of the Portfolio or any part thereof

As described above, the sale by the Seller to the LLP of Loans will be given effect by an equitable assignment. As a result, legal title to the Loans, and their Related Security sold by the Seller to the LLP will remain with the Seller. Therefore, the rights of the LLP may be subject to the direct rights of the Borrowers against the Seller, including rights of set-off which occur in relation to transactions or deposits made between the Borrowers and the Seller existing prior to notification to the Borrowers of the assignment of the Loans.

The exercise of set-off rights by Borrowers may adversely affect the realisable value of the Portfolio and/or the ability of the LLP to make payments under the Covered Bond Guarantee. The Asset Coverage Test has been structured to mitigate the potential set-off risk (although there is not assurance that such risks will be accounted for).

Limited recourse to the Seller

The LLP, the Bond Trustee and the Security Trustee will not undertake any investigations, searches or other actions on any Loan or its Related Security and will rely instead on the Representations and Warranties given in the Mortgage Sale Agreement by the Seller in respect of the Loans sold by it to the LLP.

If any Loan sold by the Seller does not materially comply with any of the Representations and Warranties made by the Seller as at the Transfer Date of that Loan, then the Seller will be required to notify the LLP and the Security Trustee as soon as reasonably practical after becoming aware of the fact and upon receipt of a request to do the same from the LLP, remedy the breach within 28 Business Days of receipt by it of the request.

If the Seller fails to remedy the breach of a Representation and Warranty within 28 Business Days, then the Seller will be required (but only prior to the occurrence of an Issuer Event of Default and after the service of a Loan Repurchase Notice) to repurchase (by way of a cash payment, or subject to compliance with the Asset Coverage Test, a reduction in the Capital Contribution Balance of the Seller) on such date that the LLP may direct in the Loan Repurchase Notice the relevant Loan and its Related Security and any other Loans of the relevant Borrower that are included in the Portfolio, at their True Balance as of the date of repurchase.

There can be no assurance that the Seller, in the future, will have the financial resources to repurchase a Loan or Loans and its or their Related Security. However, if the Seller does not repurchase those Loans and their Related Security which are in breach of the Representations and Warranties then the True Balance of those Loans will be excluded from the calculation of the Asset Coverage Test. There is no further recourse to the Seller or the Issuer in respect of a breach of a Representation or Warranty.

Regulatory changes by the Office of Fair Trading, the Financial Conduct Authority and any other regulatory authorities

FSMA

Residential mortgage lending in the United Kingdom became a regulated activity under the FSMA on 31 October 2004, the date known as "N(M)".

Certain provisions of the FSMA apply to a "**Regulated Mortgage Contract**". A mortgage loan contract is a Regulated Mortgage Contract under the FSMA if it is entered into on or after N(M) or originated prior to N(M) but varied on or after N(M), such that a new contract is entered into and if, at the time it is entered into: (i) the borrower is an individual or trustee; (ii) the contract provides for the obligation of the borrower to repay to be secured by a first legal mortgage on land (other than timeshare accommodation) in the United Kingdom; and (iii) at least 40 per cent. of that land is used, or is intended to be used, as or in connection with a dwelling by the borrower or (in the case of credit provided to trustees) by an individual who is a beneficiary of the trust, or by a "related person" (broadly, the person's spouse, near relative or a person with whom the borrower has a relationship which is characteristic of a spouse).

On and from N(M), subject to any exemption, persons carrying on any specified regulated mortgage-related activities by way of business must be authorised under the FSMA. The specified activities currently are: (a) entering into a Regulated Mortgage Contract as lender; (b) administering a Regulated Mortgage Contract ("**administering**" in this context broadly means notifying borrowers of changes in mortgage payments and/or collecting payments due under the mortgage loan); (c) advising on Regulated Mortgage Contracts; and (d) arranging Regulated Mortgage Contracts. Agreeing to carry on any of these activities is also a regulated activity. If requirements as to authorisation of lenders and brokers are not complied with, a Regulated Mortgage Contract will be unenforceable against the borrower except with the approval of a court and the unauthorised person may commit a criminal offence. An unauthorised person who carries on the regulated mortgage activity of administering a Regulated Mortgage Contract that has been validly entered into may commit an offence, although this will not render the contract unenforceable against the borrower. The regime under the FSMA regulating financial promotions covers the content and manner of promotion of

agreements relating to qualifying credit and by whom such promotions can be issued or approved. In this respect, the FSMA regime not only covers financial promotions of Regulated Mortgage Contracts but also promotions of certain other types of secured credit agreements under which the lender is a person (such as the Seller) who carries on the regulated activity of entering into a Regulated Mortgage Contract. Failure to comply with the financial promotions regime (as regards by whom promotions can be issued or approved) is a criminal offence and will render the Regulated Mortgage Contract or other secured credit agreement in question unenforceable against the borrower except with the approval of a court.

Any credit agreement intended to be a Regulated Mortgage Contract under the FSMA might instead be wholly or partly regulated by the CCA or treated as such, or unregulated, and any credit agreement intended to be regulated by the CCA or treated as such, or unregulated, might instead be a Regulated Mortgage Contract under the FSMA, because of technical rules on: (a) determining whether the credit agreement or any part of it falls within the definition of a Regulated Mortgage Contract; and (b) changes to credit agreements.

The Seller is required to hold, and holds, authorisation and permission to enter into and to administer and, where applicable, to advise on Regulated Mortgage Contracts. Subject to any exemption, brokers will be required to hold authorisation and permission to arrange and, where applicable, to advise on Regulated Mortgage Contracts.

The LLP is not, nor proposes to become, an authorised person under the FSMA. The LLP does not carry on the regulated activity of administering (servicing) mortgage contracts, because the Loans are serviced pursuant to the Servicing Agreement by the Servicer, which has the required authorisation and permission under the FSMA. If the Servicing Agreement terminates, however, the LLP will have a period of not more than one month in which to arrange for mortgage servicing to be carried out by a replacement servicer having the required authorisation and permission under the FSMA. In addition, no variation is permitted to be made to the Loans and no further advance or product switch is permitted to be made in relation to a Loan where it would result in the LLP arranging or advising in respect of, administering (servicing) or entering into a Regulated Mortgage Contract or agreeing to carry on any of these activities, if the LLP would be required to be authorised under the FSMA to do so.

The Mortgages and Home Finance: Conduct of Business sourcebook ("**MCOB**"), which sets out rules under the FSMA for regulated mortgage activities, came into force on 31 October 2004. These rules cover certain pre-origination matters such as financial promotions and pre-application illustrations, pre-contract and start-of-contract and post-contract disclosure, contract changes, charges and arrears and repossessions. Rules for prudential and authorisation requirements for mortgage firms, and for extending the appointed representatives regime to mortgages, came into force on 31 October 2004.

A borrower who is a private person may be entitled to claim damages for loss suffered as a result of any contravention by an authorised person of a rule under the FSMA (such as the rules in MCOB), or may set off the amount of the claim against the amount owing by the borrower under the loan or any other loan that the borrower has taken with that authorised person. Any such claim or set-off in relation to a loan in the mortgage portfolio may adversely affect the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

So as to avoid dual regulation, it is intended that Regulated Mortgage Contracts under the FSMA are not regulated by the CCA, and relevant regulations made in 2005 and 2008 under the FSMA are designed to clarify the position in this regard. This exemption only affects credit agreements made on or after N(M) (and credit agreements made before N(M) but subsequently varied such that a new contract is entered into on or after N(M) and constitutes a separate Regulated Mortgage Contract). A court order under Section 126 of the CCA is, however, necessary to enforce a land mortgage securing a Regulated Mortgage Contract to the extent that the credit agreement would, apart from the exemption referred to above, be regulated by the CCA or treated as such.

It should be noted that, prior to N(M), self-regulation of mortgage business existed in the UK under the Mortgage Code (the "**Mortgage Code**") issued by the Council of Mortgage Lenders (the "**CML**"). The Seller subscribed to the Mortgage Code. Membership of the CML and compliance with the Mortgage Code were voluntary. The Mortgage Code set out a minimum standard of good mortgage business practice, from marketing to lending procedures and dealing with borrowers experiencing financial difficulties. Since 30 April 1998, lender-subscribers to the Mortgage Code could not accept mortgage business introduced by intermediaries who were not registered with (before 1 November 2000) the Mortgage Code Register of Intermediaries or (on and after 1 November 2000 until 31 October 2004) the Mortgage Code Compliance Board. Complaints relating to breach of the Mortgage Code were dealt with by the relevant scheme, such as the Banking Ombudsman Scheme or the Mortgage Code Arbitration Scheme. The Mortgage Code ceased to have effect on 31 October 2004 when the FSA assumed responsibility for Regulated Mortgage Contracts.

The FCA has the power to render unenforceable contracts made in contravention of its temporary product intervention rules. The FSMA permits the FCA to make temporary product intervention rules prohibiting authorised persons from taking a number of actions, including entering into specified contracts with any person or with a specified person. The temporary product intervention rules are intended to offer protection to consumers in the short term whilst either the FCA or the industry develop more permanent solutions and, in any event, are limited to a maximum duration of 12 months. In relation to agreements entered into in breach of temporary product intervention rules, the FCA's rules may provide: (i) for the relevant agreement or obligation to be unenforceable; (ii) for the recovery of any money or other property paid or transferred under the agreement; or (iii) provide for the payment of compensation for any loss sustained under the relevant agreement or obligation. In March 2013 the FSA published a policy statement "The FCA's use of temporary product intervention rules" following a consultation addressing when and how the FCA will consider making temporary product intervention rules. The FCA will consider making temporary product intervention rules where it identifies a risk of consumer detriment arising from a product or practice and will make the rules if it deems prompt action is necessary to reduce or prevent that detriment. In particular, the FCA will consider factors such as the potential scale of detriment in the market and potential scale of detriment to individual customers. Whether particular groups of customers (especially vulnerable customer groups) are more likely to suffer detriment and whether the use of temporary product intervention rules will have any unintended consequences.

The FSA made changes to MCOB which effectively convert previous guidance on the policies and procedures to be applied by authorised firms (such as the Society) with respect to forbearance in the context of Regulated Mortgage Contracts into formal mandatory rules. Under these rules, a firm is restricted from repossessing a property unless all other reasonable attempts to resolve the position have failed and, in complying with such restriction, a firm is required to consider whether, given the borrower's circumstances, it is appropriate to take certain actions. Such actions refer to (amongst other things) the extension of the term of the mortgage, product type changes and deferral of interest payments. While the FSA indicated, and it is expected that the FCA will follow the same approach, that it does not expect each forbearance option referred to in the new rules to be explored at every stage of interaction with the borrower, it is clear that the new rules impose mandatory obligations on firms without regard to any relevant contractual obligations or restrictions. As a result, these rules may operate in certain circumstances to require the Servicer to take certain forbearance-related actions which do not comply with the Transaction Documents (and, in particular, the servicing arrangements contemplated by such documents) in respect of one or more loans and their related security. No assurance can be made that any such actions will not reduce the amounts available to meet the payments due in respect of the Covered Bonds, although the impact of this will depend on the number of loans which involve a borrower which experiences payment difficulties.

Distance Marketing

In the United Kingdom, the Financial Services (Distance Marketing) Regulations 2004 apply to credit agreements entered into on or after 31 October 2004 by means of distance communication (i.e. without any substantive simultaneous physical presence of the originator and the borrower). A Regulated Mortgage Contract under the FSMA, if originated by a UK lender from an establishment in the UK, will not be

cancellable under these regulations but will be subject to related pre-contract disclosure requirements in MCOB. Certain other credit agreements will be cancellable under these regulations if the borrower does not receive prescribed information at the prescribed time, or in any event for certain unsecured lending. Where the credit agreement is cancellable under these regulations, the borrower may send notice of cancellation at any time before the end of the 14th day after the day on which the cancellable agreement is made, where all the prescribed information has been received, or, if later, the borrower receives the last of the prescribed information.

If the borrower cancels the credit agreement under these regulations, then:

- (i) the borrower is liable to repay the principal and any other sums paid by the originator to the borrower under or in relation to the cancelled agreement, within 30 days beginning with the day of the borrower sending notice of cancellation or, if later, the lender receiving notice of cancellation;
- (ii) the borrower is liable to pay interest, or any early repayment charge or other charge for credit under the cancelled agreement, only if the borrower received certain prescribed information at the prescribed time and if other conditions are met; and
- (iii) any security provided in relation to the contract is to be treated as never having had effect.

If a significant portion of the Loans are characterised as being cancellable under these regulations, then there could be an adverse effect on the LLP's receipts in respect of the Loans, affecting the LLP's ability to meet its obligations under the Covered Bond Guarantee.

Office of Fair Trading, Financial Conduct Authority and Other Regulatory Authorities

In the United Kingdom, the Office of Fair Trading (the "OFT") was, prior to 1 April 2014, responsible for the issue of licences under, and the superintendence of the working and enforcement of, the CCA, related consumer credit regulations and other consumer protection legislation. Beginning 1 April 2014, the FCA is the regulator for credit agreements regulated by the CCA, which authorises firms, and issues permissions, rules and guidance on conduct of business under the FSMA. The FCA is also the regulator for regulated mortgage contracts under the FSMA. A credit agreement is regulated by the CCA where: (a) the borrower is or includes an "individual" (which includes certain small partnerships and certain unincorporated associations), (b) if the credit agreement was made before the financial limit was removed (as described below), the amount of credit does not exceed the financial limit, which is £25,000 for credit agreements made on or after 1 May 1998 or lower amounts for credit agreements made before that date, and (c) the credit agreement is not an exempt agreement. Any credit agreement intended to be a Regulated Mortgage Contract under the FSMA, or unregulated, might instead be wholly or partly regulated by the CCA or be treated as such, and any credit agreement intended to be regulated by the CCA or treated as such, or unregulated, might instead be a Regulated Mortgage Contract under the FSMA because of technical rules on:

- (a) determining whether any credit under the CCA arises, or whether any applicable financial limit of the CCA is exceeded;
- (b) determining whether the credit agreement is an exempt agreement under the CCA (for example, certain types of credit agreement to finance the purchase of, or alteration to, homes or business premises, or Regulated Mortgage Contracts under the FSMA); or
- (c) changes to credit agreements.

Any credit agreement that is wholly or partly regulated by the CCA or treated as such has to comply with the requirements under the CCA as to licensing or authorisation of lenders and brokers, documentation and procedures of credit agreements, and (in so far as applicable) pre-contract disclosure. If it does not comply with those requirements, then to the extent that the credit agreement is regulated by the CCA or treated as such, it is unenforceable against the borrower: (a) without an order of the FCA or the court, if requirements

as to licensing or authorisation of lenders and brokers are not met at the relevant time; (b) totally, for agreements entered into before 6 April 2007, if the form to be signed by the borrower was not signed by the borrower personally or omits or mis-states a "prescribed term"; or (c) without a court order in other cases and, in exercising its discretion whether to make the order, the court would take into account any prejudice suffered by the borrower and any culpability by the lender.

A court order under Section 126 of the CCA is necessary to enforce a land mortgage securing a loan or further advance to the extent that the credit agreement is regulated by the CCA or treated as such. In dealing with such an application, the court has the power, if it appears just to do so, to amend a loan or to impose conditions upon its performance or to make a time order (for example, giving extra time for arrears to be cleared).

Under Section 75 of the CCA, in certain circumstances the lender is liable to the borrower in relation to misrepresentation and breach of contract by a supplier in a transaction financed by a credit agreement that is wholly or partly regulated by the CCA or treated as such. The borrower may set off the amount of the claim against the amount owing by the borrower under the loan or under any other loan that the borrower has taken. Any such set-off in relation to a loan in the mortgage portfolio may adversely affect the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee. In addition, a borrower who is a private person may be entitled to claim damages for loss suffered as a result of any contravention by an authorised person of a rule under the FSMA. From 1 April such rules include rules in the FCAs Consumer Credit Sourcebook.

Consumer Credit Act 2006

The Consumer Credit Act 2006 (the "**CCA 2006**"), which amends and updates the CCA, was enacted on 30 March 2006 and was fully implemented by 31 October 2008. The CCA 2006 updates and amends the CCA as follows.

The "extortionate credit" regime is replaced by an "unfair relationship" test. The unfair relationship test applies to all existing and new credit agreements, except Regulated Mortgage Contracts under the FSMA. If the court makes a determination that the relationship between the lender and the borrower is unfair, then it may make an order, among other things, requiring the originator, or any assignee, such as the LLP to repay amounts received from the borrower. In applying the unfair relationship test, the courts are able to consider a wider range of circumstances surrounding the transaction, including the creditor's conduct before and after making the agreement. There is no statutory definition of the word "unfair", as the intention is for the test to be flexible and subject to judicial discretion. However, the word "unfair" is not an unfamiliar term in UK legislation, due to the Unfair Terms in Consumer Contracts Regulations 1999. The courts may, but are not obliged to, look solely to the CCA 2006 for guidance. The principle of "treating consumers fairly" under the FSMA, and guidance published by the PRA and the FCA (and, prior to 1 April 2013, the FSA) on that principle and by the FCA (and, prior to 1 April 2014), the OFT on the unfair relationship test may also be relevant. Once the borrower alleges that an unfair relationship exists, then the burden of proof is on the creditor to prove the contrary. Recent cases concerning the scope of the unfair relationship test have generally adopted an interpretation which is favourable to borrowers.

An alternative dispute resolution scheme for consumer credit matters is run by the Financial Ombudsman Service (the "**Ombudsman**") (as described below "*Financial Ombudsman Service*") and was established on 6 April 2007.

The financial limit of £25,000 for CCA regulation has been removed for credit agreements made on or after 6 April 2008, except for (a) certain changes to credit agreements and (b) buy-to-let loans made before 31 October 2008 and satisfying prescribed conditions. Buy-to-let loans made on or after 31 October 2008 are, irrespective of amount, exempt agreements. Regulations define buy to let loans for these purposes as being credit agreements secured on land where less than 40 per cent. of the floor area of the secured property is used, or is intended to be used, as or in connection with a dwelling by the borrower or by a connected person. A court order under Section 126 of the CCA is, however, necessary to enforce a land mortgage securing a

buy to let loan to the extent that the loan would, apart from this exemption, be regulated by the CCA or treated as such.

To the extent that a credit agreement is regulated by the CCA or treated as such, it is unenforceable for any period when the lender fails to comply with requirements as to default notices. From 1 October 2008: (a) the credit agreement is also unenforceable for any period when the lender fails to comply with further requirements as to annual statements and arrears notices, (b) the borrower is not liable to pay interest or, in certain cases, default fees for any period that the lender fails to comply with further requirements as to post-contract disclosure, and (c) interest upon default fees is restricted to nil until the 29th day after the day on which a prescribed notice is given and then to simple interest (i.e. interest may only be calculated on the principal amount of the default sum).

Early repayment charges are restricted by a formula under the CCA, which applies to the extent that the credit agreement is regulated by the CCA or treated as such. A more restrictive formula applies to all such credit agreements from 11 June 2010. These changes to the CCA may adversely affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

The Seller has interpreted certain technical rules under the CCA in a way common with many other lenders in the mortgage market. If such interpretation were held to be incorrect by a court or the Financial Ombudsman Service, then a Loan, to the extent that it is regulated by the CCA or treated as such, would be unenforceable as described above. If such interpretation were challenged by a significant number of Borrowers, then this could lead to significant disruption and shortfall in the income of the LLP. Court decisions have been made on technical rules under the CCA against certain mortgage lenders, but such decisions are very few and are generally county court decisions which are not binding on other courts.

The Seller has given or, as applicable, will give warranties to the LLP and the Security Trustee in the Mortgage Sale Agreement that, among other things, each Loan and its Related Security is enforceable (subject to certain exceptions). If a Loan or its Related Security does not comply with these warranties, and if the default cannot be remedied, then the Seller will be required to repurchase or procure the repurchase of such Loan and its Related Security from the LLP.

Unfair Terms in Consumer Contracts Regulations 1994 and 1999

In the United Kingdom, the Unfair Terms in Consumer Contracts Regulations 1999 as amended (the "**1999 Regulations**"), together with (in so far as applicable) the Unfair Terms in Consumer Contracts Regulations 1994 (together with the 1999 Regulations, the "**UTCCR**"), apply to agreements made on or after 1 July 1995 and affect all or almost all of the Loans. The UTCCR provide that a consumer (which would include a Borrower under all or almost all Loans) may challenge a standard term in an agreement on the basis that it is "unfair" within the UTCCR and therefore not binding on the consumer (although the rest of the agreement will remain enforceable if it is capable of continuing in existence without the unfair term) and the Competition and Markets Authority (the "**CMA**") and any "qualifying body" within the UTCCR (such as the FCA) may seek to enjoin a business from relying on unfair terms.

The UTCCR will not affect terms which define the main subject matter of the contract, such as the borrower's obligation to repay the principal or price terms (provided that these terms are written in plain and intelligible language and are drawn adequately to the consumer's attention). The UTCCR may affect terms that are not considered to be terms which define the main subject matter of the contract or the price terms, such as the lender's power to vary the interest rate, and certain terms imposing early repayment charges and mortgage exit administration fees.

For example, if a term permitting the lender to vary the interest rate (as the Seller is permitted to do) is found to be unfair, the borrower will not be liable to pay interest at the increased rate or, to the extent that the borrower has paid it, will be able, as against the lender, or any assignee such as the LLP, to claim repayment of the extra interest amounts paid or to set off the amount of the claim against the amount owing by the borrower under the loan or any other loan that the borrower has taken with the lender. Any such non-

recovery, claim or set-off in relation to a loan in the portfolio may adversely affect the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

The lead enforcement body for the UTCCR was the OFT before 1 April 2014, and is the CMA from 1 April 2014. The qualifying body in relation to Regulated Mortgage Contracts and mortgage loans originated by lenders authorised under the FSMA was the FSA before 1 April 2013 and is the FCA from 1 April 2013. The lead enforcement body, the CMA, was and is responsible for enforcing the UTCCR in relation to other mortgage loans.

In February 2000, the OFT issued a guidance note on what the OFT considers to be fair terms and unfair terms for interest variation in mortgage contracts. Where the interest variation term does not provide for precise and immediate tracking of an external rate outside the lender's control, and if the borrower is locked in, for example by an early repayment charge that is considered to be a penalty, the term is likely to be regarded by the OFT as unfair under the UTCCR unless the lender: (a) notifies the affected borrower in writing at least 30 days before the rate change; and (b) permits the affected borrower to repay the whole loan during the next three months after the rate change, without paying the early repayment charge. The Seller has reviewed the guidance note and has concluded that its compliance with it will have no material adverse effect on the Loans or its business. The guidance note has been withdrawn from the OFT website, but may remain a factor that the FCA and CMA may take into account.

In May 2005, the FSA issued a statement of good practice on fairness of terms in consumer contracts. This statement provides that, for locked-in borrowers, (i.e. where the borrower is required to give advance notice or to pay a cost or to give up a benefit in order to withdraw from the contract) a firm may consider drafting the contract to permit a change in the contract to be made only where any lock-in clause is not exercised. In the context of the OFT's investigation into credit card default fees, the OFT on 5 April 2006 issued a statement of its view of the principles that credit card issuers should follow in settling default fees, and that the principles are likely to apply to analogous default fees in other contracts such as mortgages. The principles are in essence that terms imposing default fees should not have the object of raising more in revenue than is reasonably expected to be necessary to recover certain limited administrative costs incurred as a result of a borrower's default.

In January 2007, the FSA issued a statement of good practice on mortgage exit administration fees. This statement provides that the lender should ensure that the fee represents in fact the cost of the administration services that the lender provides when a borrower exits the mortgage. The FSA issued a follow-up communication in November 2007 emphasising that this statement should not be interpreted narrowly and, where appropriate, firms should consider applying its principles to other charges. MCOB rules for Regulated Mortgage Contracts require that: (a) arrears charges represent a reasonable estimate of the cost of the additional administration required as a result of the borrower being in arrears, and (b) from 25 June 2010, the borrower's payments are allocated first towards paying off the balance of any payment shortfall, excluding any interest or charges on that balance. In October 2010, the FSA issued a statement that, in its view, early repayment charges are likely to amount to the price paid by the borrower in exchange for services provided and may not be reviewable for fairness under the UTCCR (provided that they are written in place and intelligible language and are drawn adequately to the consumer's attention). In January 2012, the FSA issued a further statement intended to raise awareness of issues that it commonly identifies under the UTCCR.

In March 2013, the Law Commission and the Scottish Law Commission published advice to the UK Government on reforming the law on unfair contract terms. The Commissions recommend, among other things, that a term which specifies the main subject matter of the contract, or a pricing term, should only be exempt from being reviewed as to its fairness if the term is transparent and prominent. The Commissions also recommend that the UTCCR should expressly provide that, in proceedings brought by individual consumers, the court is required to consider the fairness of a term, even if the consumer has not raised the issue of unfairness, where the court has available to it the legal and factual elements necessary for that task. Such reforms are included in the Consumer Rights Bill introduced into Parliament in January 2014.

Whilst the CMA and FCA have powers to enforce the UTCCR, it would be for a court to determine their proper interpretation. The extremely broad and general wording of the UTCCR makes any assessment of the fairness of terms largely subjective and makes it difficult to predict whether or not a term would be held by a court to be unfair. It is therefore possible that any Loans which have been made or may be made to Borrowers covered by the UTCCR may contain unfair terms which may result in the possible unenforceability of the terms of the underlying loans.

The guidance issued by the FCA (and in the past, the FSA and OFT) has changed over time and it is possible that it may change in the future. No assurance can be given that any such changes in the UTCCR, or reform of the UTCCR, if enacted, or changes to guidance on interest variation terms, if adopted, will not have a material adverse effect on the Loans, the Seller, the LLP, the Issuer and/or the Servicer and their respective businesses and operations. This may adversely affect the ability of the LLP to dispose of the mortgage portfolio, or any part thereof, in a timely manner or the realisable value of the mortgage portfolio, or any part thereof, and accordingly affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

Unfair Commercial Practices Directive 2005

On 11 May 2005, the European Parliament and the Council adopted a directive on unfair business-to-consumer commercial practices (the "**Unfair Practices Directive**"). Generally, this directive applies full harmonisation, which means that Member States may not impose more stringent provisions in the fields to which full harmonisation applies. By way of exception, this directive permits Member States to impose more stringent provisions in the fields of financial services and immovable property, such as mortgage loans.

The Unfair Practices Directive provides that enforcement bodies may take administrative action or legal proceedings against a commercial practice on the basis that it is "unfair" within the directive. This directive is intended to protect only collective interests of consumers, and so is not intended to give any claim, defence or right of set-off to an individual consumer.

The Unfair Practices Directive is implemented in the United Kingdom by the Consumer Protection from Unfair Trading Regulations (the "**CPUTR**") which came into force on 26 May 2008. The CPUTR prohibit certain practices which are deemed "unfair" within the terms of the CPUTR. Breach of the CPUTR does not (of itself) render an agreement void or unenforceable, but the possible liabilities for misrepresentation or breach of contract in relation to the underlying credit agreement may result in irrecoverable losses on amounts to which such agreements apply, and the CMA and any "qualifying body" within the UTCCR (such as the FCA) may seek to enjoin a business from relying on unfair terms. Breach of certain CPUTR provisions is a criminal offence.

In addition, the FCA (and, prior to 1 April 2013, the FSA) has taken and takes the Directive into account in reviewing the relevant rules under the FSMA. For example, the MCOB, for Regulated Mortgage Contracts from 25 June 2010 (formerly these were matters of non-binding guidance) prevents the lender from: (a) repossessing the property unless all other reasonable attempts to resolve the position have failed, which include considering whether it is appropriate to offer an extension of term, or conversion to interest-only for a period, or a product switch, and (b) automatically capitalising a payment shortfall.

The Unfair Practices Directive provides for a transitional period until 12 June 2013 for applying full harmonisation in the fields to which it applies. This Unfair Practices Directive also provides for a report (expected imminently) on the application of the Unfair Practices Directive, including on the scope for future harmonisation in the fields of financial services and immovable property. In March 2013, the European Commission published a report on the application of the Unfair Practices Directive which indicated (among other things) that there is no case for further harmonisation in the fields of financial services and immovable property. No assurance can be given that the implementation of the Unfair Practices Directive into UK law and any further harmonisation in the fields to which it applies will not have a material adverse effect on the Loans or the manner in which they are serviced and accordingly on the ability of the Issuer to make payments to the Covered Bondholders.

Homeowner mortgage support scheme and general impact of further regulations or guidance on the Seller

On 3 December 2008, the UK Government released a preliminary announcement on the Homeowner Mortgage Support Scheme ("**HMSS**"). Further details on the HMSS were published on 10 December 2008 and the final scheme documentation was published on 21 April 2009. The terms of the HMSS provide that, subject to certain conditions, eligible mortgage borrowers suffering a significant and temporary loss of income will be allowed to defer up to 70 per cent. of interest payments for up to two years, with a percentage of the deferred interest payments being guaranteed by the UK government should the borrower default. The Seller does not currently participate in the HMSS. If it were to do so in the future, this may have an adverse effect on the collection of interest payments on the Loans, the timing of enforcement of the Mortgage Loans by the Seller and the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee

Pre-action Protocol for mortgage repossession cases

A new protocol for mortgage repossession cases in England and Wales (the "**Pre-Action Protocol**") came into force on 19 November 2008 and sets out the steps that judges will expect any lender to take before starting a claim. A number of mortgage lenders have confirmed that they will delay the initiation of repossession action for at least three months after a borrower, who is an owner-occupier, is in arrears. The application of such a moratorium is subject to the wishes of the relevant borrower and may not apply in cases of fraud.

The MCOB from 25 June 2010 (formerly these were matters of non-binding guidance) prevents, in relation to Regulated Mortgage Contracts: (a) repossessing the property unless all other reasonable attempts to resolve the position have failed, which include considering whether it is appropriate to offer an extension of term or a product switch and (b) automatically capitalising a payment shortfall.

There can be no assurance that any delay in starting and/or completing repossession actions by the Seller would not result in the amounts recovered being less than if the Seller did not allow any such delays (which may ultimately affect the ability of the LLP to make payments of interest and principal on the Covered Bonds when the same are Due for Payment). The protocol and MCOB requirements for mortgage possession cases may have adverse effects in markets experiencing above average levels of possession claims. Delays in the initiation of responsive action in respect of the Loans may result in lower recoveries and a lower repayment rate on the Covered Bonds.

Financial Ombudsman Service

Under the FSMA, the Ombudsman is required to make decisions on, among other things, complaints relating to activities and transactions under its jurisdiction on the basis of what, in the Ombudsman's opinion, would be fair and reasonable in all circumstances of the case, taking into account, among other things, law and guidance. Transitional provisions exist by which certain complaints relating to breach of the Mortgage Code, the CML Code issued by the Council of Mortgage Lenders, occurring before the N(M) may be dealt with by the Ombudsman.

Complaints brought before the Ombudsman for consideration must be decided on a case-by-case basis, with reference to the particular facts of any individual case. Each case would first be adjudicated by an adjudicator. Either party to the case may appeal against the adjudication. In the event of an appeal, the case proceeds to a final decision by the Ombudsman. As the Ombudsman is required to make decisions on the basis of, among other things, the principles of fairness, and may order a money award to a complaining borrower, it is not possible to predict how any future decision of the Ombudsman would affect the ability of the LLP to make payments of amounts due to Covered Bondholders.

The Mortgage Repossession (Protection of Tenants etc) Act 2010

The Mortgage Repossession (Protection of Tenants etc) Act 2010 came into force on 1 October 2010. This Act gives courts in England and Wales the same power to postpone and suspend repossession for up to two months on application by an unauthorised tenant (i.e. a tenant in possession without the lender's consent) as generally exists on application by an authorised tenant. The lender has to serve notice at the property before enforcing a possession order.

The Pre-action Protocol and the Act may have adverse effects in markets experiencing above average levels of possession claims. Delays in the initiation of responsive action in respect of the Loans may result in lower recoveries and may affect the ability of the LLP to make payments under the Covered Bond Guarantee.

UK proposals for changes to mortgage regulation and to the regulatory framework

In January 2011, HM Treasury announced proposals to enhance consumer protection in the mortgage market. Forthcoming legislation is expected to provide for consumer protection when a mortgage book is sold by a regulated mortgage lender to an unregulated entity. In this regard, it is proposed that the definition of the regulated activity of administering a regulated mortgage contract will be expanded so that any entity which exercises specified rights in relation to regulated mortgage contracts, such as changing interest rates or taking action to repossess a property against a borrower, will be required to be authorised and regulated under the FSMA.

In December 2011, the FSA published a consultation paper that consolidates proposals arising out of its wide-ranging mortgage market review, which was launched in October 2009 to consider strengthening rules and guidance on, *inter alia*, affordability assessments, product regulation, arrears charges and responsible lending. The FSA's aim was to ensure the continued provision of mortgage credit for the majority of borrowers who can afford the financial commitment of a mortgage, while preventing a re-emergence of poor lending practices as the supply of mortgage credit in the market recovers. In October 2012, the FSA published a feedback statement and final rules that generally came into force on 26 April 2014 with transitional arrangements where, among other things, the borrower does not take on additional borrowing. These rules have, for example, imposed more stringent requirements on lenders to assess the affordability of a loan made to a borrower, to verify the income of a borrower and (in the case of interest-only loans) to ensure that the borrower has a credible strategy to repay the capital borrowed.

In December 2012, the Financial Services Act 2012 received royal assent. This Act contains provisions which (among other things) on 1 April 2013 replaced the FSA with the Prudential Regulation Authority (the "PRA"), which is responsible for micro-prudential regulation of financial institutions that manage significant risks on their balance sheets, and the FCA, which is responsible for conduct of business. This Act also contains provisions enabling the transfer of consumer credit regulation (which includes new and existing second charge residential mortgages) from the OFT to the FCA. The relevant secondary legislation was enacted in 2013 and 2014 and the transfer was effected on 1 April 2014.

Under the Financial Services Act 2012: (a) carrying on servicing activities in certain circumstances by a person exercising the rights of the lender without FCA permission to do so will render the credit agreement unenforceable, except with FCA approval; and (b) from dates to be specified the FCA will have power to render unenforceable contracts made in contravention of its rules on cost and duration of credit agreements or in contravention of its product intervention rules. This Act also provides for formalised cooperation to exist between the FCA and the Ombudsman (as described above), particularly where issues identified potentially have wider implications, with a view to the FCA requiring affected firms to operate consumer redress schemes.

Any further changes to MCOB arising from the FCA's mortgage market review, or to MCOB or the FSMA arising from (i) HM Treasury's proposals to change mortgage regulation or changes in the regulatory framework or (ii) any future review carried out by the FCA, may adversely affect the Loans, the Sellers, the LLP, the Issuer and/or the Servicers and their respective businesses and operations.

Directive on credit agreements relating to residential property

On 31 March 2011, the European Commission published a proposal for a directive on credit agreements relating to residential immovable property for consumers (Directive 2014/17/EU) (the "**Mortgage Directive**"). The Council of the European Union adopted the Mortgage Directive on 28 January 2014 and it was published in the Official Journal of the European Union on 28 February 2014. It entered into force twenty days after such publication and Member States are required to implement the directive into national law within two years after such entry into force.

The directive applies to: (a) credit agreements secured by a mortgage or comparable security commonly used in a Member State on residential immovable property, or secured by a right relating to residential immovable property; and (b) credit agreements the purpose of which is to purchase or retain rights in land or in an existing or proposed residential building; and also extends the Consumer Credit Directive (2008/48/EC) to unsecured credit agreements the purpose of which is to renovate residential immovable property involving a maximum total amount of credit of EUR 75,000 (the "**Consumer Credit Directive**"). The directive does not apply to certain equity release credit agreements to be repaid from the sale proceeds of an immovable property, or to certain credit granted by an employer to its employees.

The directive requires (among other things): standard information in advertising; standard pre-contractual information; adequate explanations to the borrower on the proposed credit agreement and any ancillary services; calculation of the annual percentage rate of charge in accordance with a prescribed formula; assessment of creditworthiness of the borrower; and a right of the borrower to make early repayment of the credit agreement. The directive also imposes prudential and supervisory requirements for credit intermediaries and non-bank lenders.

Until the directive is implemented into UK law, it is not possible to tell what effect it would have on the Loans, the Seller, the LLP, the Issuer and/or the Servicer and their respective businesses and operations.

General

No assurance can be given that additional regulations or guidance from the FCA, the PRA, the Ombudsman, the CMA or any other regulatory authority will not arise with regard to the mortgage market in the United Kingdom generally, the Seller's particular sector in that market or specifically in relation to the Seller. Any such action or developments or compliance costs may have a material adverse effect on the Loans, the Seller, the LLP, the Issuer and/or the Servicer and their respective businesses and operations. This may adversely affect the ability of the LLP to dispose of the Portfolio or any part thereof in a timely manner and/or the realisable value of the Portfolio or any part thereof and accordingly affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee when due.

Potential effects of any additional regulatory changes

In the United Kingdom and elsewhere, there is continuing political and regulatory scrutiny of the banking industry and, in particular, retail banking. In the United Kingdom, the Competition Commission (and in relation to current enquiries the Competition and Markets Authority), the FSA (and in relation to current enquiries, the FCA and the PRA) and the OFT have recently carried out, or are currently conducting, several enquiries. In recent years there have been several issues in the UK financial services industry in which the FSA has intervened directly, including the sale of personal pensions and the sale of mortgage-related endowments. No assurance can be given that changes will not be made to the regulatory regime and developments described above in respect of the mortgage market in the United Kingdom generally, the Seller's particular sector in that market or specifically in relation to the Seller. Any such action or developments, in particular, but not limited to, the cost of compliance, may have a material adverse effect on the Coventry Group and its businesses and operations. This may adversely affect the Issuer or the LLP's (as the case may be) ability to make payments in full when due on the Covered Bonds.

Implementation of and/or changes to the Basel III framework may affect the capital requirements and/or the liquidity associated with a holding of the Covered Bonds for certain investors

The Basel Committee on Banking Supervision (the "**Basel Committee**") has approved significant changes to the Basel II regulatory capital and liquidity framework in 2011 (such changes being commonly referred to as "**Basel III**"). In particular, Basel III provides for a substantial strengthening of existing prudential rules, including new requirements intended to reinforce capital standards (with heightened requirements for global systemically important banks) and to establish a leverage ratio "back-stop" for financial institutions and certain minimum liquidity standards (referred to as the Liquidity Coverage Ratio and the Net Stable Funding Ratio). It is intended that member countries will implement the new capital standards and the new Liquidity Coverage Ratio as soon as possible (with provision for phased implementation, meaning that the measure will not apply in full until January 2019) and the Net Stable Funding Ratio from January 2018. Implementation of Basel III requires national legislation and therefore the final rules and the timetable for their implementation in each jurisdiction may be subject to some level of national variation.

Implementation of the Basel framework and any changes as described above may have an impact on the capital requirements in respect of the Covered Bonds and/or on incentives to hold the Covered Bonds for investors that are subject to requirements that follow the relevant framework and, as a result, may affect the liquidity and/or value of the Covered Bonds.

In general, investors should consult their own advisers as to the regulatory capital requirements in respect of the Covered Bonds and as to the consequences for and effect on them of any changes to, the Basel II framework (including the changes described above) and the relevant implementing measures. No predictions can be made as to the precise effects of such matters on any investor or otherwise.

Covered Bonds where denominations involve integral multiples: definitive Covered Bonds

In relation to any issue of Covered Bonds that have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Covered Bonds may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case, a Covered Bondholder who, as a result of trading such amounts, holds an amount which (after deducting integral multiples of such minimum Specified Denomination) is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Covered Bond in respect of such holding (should definitive Covered Bonds be printed) and would need to purchase a principal amount of Covered Bonds such that its holding amounts to a Specified Denomination. If definitive Covered Bonds are issued, Covered Bondholders should be aware that definitive Covered Bonds that have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Limited Liability Partnerships

The LLP is a limited liability partnership. Limited liability partnerships, created by statute pursuant to the LLPA 2000, are bodies corporate for general English law purposes and have unlimited capacity. A general description of limited liability partnerships is set out below under "*Description of Limited Liability Partnerships*". This area of the law is relatively undeveloped. Accordingly, there is a risk that as the law develops, new case law or new regulations made under or affecting the LLPA 2000 or relating to limited liability partnerships could adversely affect the ability of the LLP to perform its obligations under the Transaction Documents which could, in turn, adversely affect the interests of the Covered Bondholders.

Pensions Act 2004

Under the Pensions Act 2004, a person that is 'connected with' or an 'associate' of an employer under an occupational pension scheme can be subject to either a contribution notice or a financial support direction. The Issuer is an employer under an occupational scheme and also a member of the LLP. On this basis, the LLP is likely to be treated as 'connected to' the Issuer.

A contribution notice could be served on the LLP if it was party to an act, or a deliberate failure to act, the main purpose or one of the main purposes of which was either (i) to prevent the recovery of the whole or any part of a debt which was, or might become, due from the employer under Section 75 of the Pensions Act 1995 or (ii) otherwise than in good faith, to prevent such a debt becoming due, to compromise or otherwise settle such a debt, or to reduce the amount of such a debt which would otherwise become due.

A financial support direction could be served on the LLP where the employer is either a service company or insufficiently resourced. An employer is insufficiently resourced if the value of its resources is less than 50 per cent. of the pension scheme's deficit calculated on an annuity buy-out basis and there is a connected or associated person whose resources at least cover that difference. A financial support direction can only be served where the Pensions Regulator considers it is reasonable to do so, having regard to a number of factors.

If a contribution notice or financial support direction were to be served on the LLP this could adversely affect investors in the Covered Bonds.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Covered Bonds and the LLP will make any payments under the Covered Bond Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit other than the Specified Currency (the "**Investor's Currency**"). These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Covered Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Covered Bonds and (3) the Investor's Currency-equivalent market value of the Covered Bonds. Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Covered Bonds.

FORM OF THE COVERED BONDS

The Covered Bonds of each Series (with no Series maturing within six months of another) will be in either bearer form, with or without interest coupons and/or talons attached, or registered form, without interest coupons and/or talons attached. Bearer Covered Bonds will be issued outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act ("**Regulation S**") and Registered Covered Bonds will be issued both outside the United States to non-U.S. persons in reliance on the exemption from registration provided by Regulation S and within the United States to, or for the account or benefit of U.S. persons in reliance on Rule 144A or otherwise in private transactions that are exempt from the registration requirements of the Securities Act.

Bearer Covered Bonds

Each Tranche of Bearer Covered Bonds will be initially issued in the form of a temporary global covered bond without interest coupons attached (a "**Temporary Global Covered Bond**") or, if so specified in the applicable Final Terms (the "**Applicable Final Terms**"), a permanent global covered bond without interest coupons attached (a "**Permanent Global Covered Bond**" and, together with the Temporary Global Covered Bonds, the "**Bearer Global Covered Bonds**" and each a "**Bearer Global Covered Bond**") which, in either case, will:

- (a) if the Bearer Global Covered Bonds are intended to be issued in new global covered bond ("**NGCB**") form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"); and
- (b) if the Bearer Global Covered Bonds are not intended to be issued in NGCB form, be delivered on or prior to the original issue date of the Tranche to a common depository (the "**Common Depository**") for Euroclear and Clearstream Luxembourg.

Whilst any Bearer Covered Bond is represented by a Temporary Global Covered Bond, payments of principal, interest (if any) and any other amount payable in respect of the Bearer Covered Bonds due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Covered Bond if the Temporary Global Covered Bond is not intended to be issued in NGCB form) only to the extent that certification to the effect that the beneficial owners of interests in such Bearer Covered Bond are not U.S. persons for U.S. federal income tax purposes or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the "**Exchange Date**") which is 40 days after a Temporary Global Covered Bond is issued, interests in such Temporary Global Covered Bond will be exchangeable (free of charge) upon a request as described therein either for: (i) interests in a Permanent Global Covered Bond of the same Series; or (ii) for Bearer Definitive Covered Bonds of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Bearer Definitive Covered Bonds, to such notice period as is specified in the applicable Final Terms), in each case against certification of non-US beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Covered Bond will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Covered Bond for an interest in a Permanent Global Covered Bond or for Bearer Definitive Covered Bonds is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Covered Bond will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may

be) of the Permanent Global Covered Bond if the Permanent Global Covered Bond is not intended to be issued in NGCB form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Covered Bond will be exchangeable (free of charge), in whole but not in part, for Bearer Definitive Covered Bonds with, where applicable, interest coupons and talons attached upon either: (i) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Covered Bond) to the Principal Paying Agent as described therein; or (ii) only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that: (i) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or (ii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Bearer Covered Bonds represented by the Permanent Global Covered Bond in definitive form. The Issuer will promptly give notice to the Covered Bondholders of each Series of Bearer Global Covered Bonds in accordance with Condition 13 (*Notices*) if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Covered Bond) or the Bond Trustee may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

Bearer Global Covered Bonds and Bearer Definitive Covered Bonds will be issued pursuant to the Agency Agreement.

The following legend will appear on all Bearer Covered Bonds which have an original maturity of more than one year and on all interest coupons relating to such Bearer Covered Bonds:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Covered Bonds or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Bearer Covered Bonds or interest coupons.

Covered Bonds which are represented by a Bearer Global Covered Bond will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Registered Covered Bonds

The Registered Covered Bonds of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global covered bond in registered form (a "**Regulation S Global Covered Bond**"). Prior to expiry of the Distribution Compliance Period (as defined in Regulation S) applicable to each Tranche of Covered Bonds, beneficial interests in a Regulation S Global Covered Bond may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 2 (*Transfers of Registered Covered Bonds*) and may not be held otherwise than through Euroclear or Clearstream, Luxembourg, and such Regulation S Global Covered Bond will bear a legend regarding such restrictions on transfer.

The Registered Covered Bonds of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions exempt from registration under the Securities Act: (i) to "qualified

institutional buyers" within the meaning of Rule 144A under the Securities Act ("QIBs"); or (ii) to "accredited investors" (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) that are institutional "Accredited Investors" or ("IAIs") who agree to purchase the Covered Bonds for their own account and not with a view to the distribution thereof in accordance with the Securities Act.

The Registered Covered Bonds of each Tranche sold to QIBs will be represented by a global covered bond in registered form (a "**Rule 144A Global Covered Bond**" and, together with a Regulation S Global Covered Bond, the "**Registered Global Covered Bonds**").

Registered Global Covered Bonds will either: (i) be deposited with a custodian for, and registered in the name of a nominee of, DTC for the accounts of Euroclear and Clearstream, Luxembourg; or (ii) be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg, as specified in the applicable Final Terms. In the case of a Regulation S Global Covered Bond registered in the name of a nominee of DTC, prior to the end of the distribution compliance period (as defined in Regulation S) applicable to the Covered Bonds represented by such Regulation S Global Covered Bond, interests in such Regulation S Global Covered Bond may only be held through the accounts of Euroclear and Clearstream, Luxembourg.

Persons holding beneficial interests in Registered Global Covered Bonds will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of Definitive Covered Bonds in fully registered form.

The Registered Covered Bonds of each Tranche sold to Institutional Accredited Investors will be in definitive form, registered in the name of the holder thereof ("**Definitive IAI Registered Covered Bonds**"). Unless otherwise set forth in the applicable Final Terms, Definitive IAI Registered Covered Bonds will be issued only in minimum denominations of U.S.\$500,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency). Definitive IAI Registered Covered Bonds will be subject to the restrictions on transfer set forth therein and will bear the restrictive legend described under "*Subscription and Sale and Transfer and Selling Restrictions*". Institutional Accredited Investors that hold Definitive IAI Registered Covered Bonds may elect to hold such Covered Bonds through DTC, but transferees acquiring the Covered Bonds in transactions exempt from Securities Act registration pursuant to Regulation S or Rule 144A under the Securities Act (if available) may do so upon satisfaction of the requirements applicable to such transfer as described under "*Subscription and Sale and Transfer and Selling Restrictions*". The Rule 144A Global Covered Bonds and the Definitive IAI Registered Covered Bonds will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Covered Bonds will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 5(d)) (*Payments in respect of Registered Covered Bonds*) as the registered holder of the Registered Global Covered Bonds. None of the Issuer, the LLP, the Bond Trustee, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Covered Bonds in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 5(d)) (*Payments in respect of Registered Covered Bonds*) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Covered Bond will be exchangeable (free of charge), in whole but not in part, for Registered Definitive Covered Bonds without interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes "**Exchange Event**" means that: (i) in the case of Covered Bonds registered in the name of a nominee for DTC, either DTC has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system

is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; (ii) in the case of Covered Bonds registered in the name of a nominee for a common depositary for Euroclear and Clearstream, Luxembourg, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds represented by the Registered Global Covered Bond in definitive form. The Issuer will promptly give notice to the Covered Bondholders of each Series of Registered Global Covered Bonds in accordance with Condition 13 (*Notices*) if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any registered holder of an interest in such Registered Global Covered Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Definitive Rule 144A Covered Bonds will be issued only in minimum denominations of U.S.\$250,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency).

Transfer of Interests

Interests in a Registered Global Covered Bond may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Covered Bond or in the form of a Definitive IAI Registered Covered Bond and Definitive IAI Registered Covered Bonds may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such Covered Bonds in the form of an interest in a Registered Global Covered Bond. No beneficial owner of an interest in a Registered Global Covered Bond will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent applicable. Registered Covered Bonds are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see "*Subscription and Sale and Transfer and Selling Restrictions*".

General

Pursuant to the Agency Agreement (as defined under Conditions of the Covered Bonds), the Principal Paying Agent shall arrange that, where a further Tranche of Covered Bonds is issued which is intended to form a single Series with an existing Tranche of Covered Bonds, the Covered Bonds of such further Tranche shall be assigned a common code and ISIN and, where applicable, a CUSIP and CINS number which are different from the common code, ISIN, CUSIP and CINS assigned to Covered Bonds of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period applicable to the Covered Bonds of such Tranche.

Any reference herein to DTC, Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the Issuer, the Principal Paying Agent and the Bond Trustee.

No Covered Bondholder or Couponholder shall be entitled to proceed directly against the Issuer or the LLP unless the Bond Trustee or, as the case may be, the Security Trustee, having become so bound to proceed, fails so to do within a reasonable period and the failure shall be continuing.

The Issuer will notify the ICSDs and the Paying Agents upon issue whether the Covered Bonds are intended, or are not intended, to be held in a manner which would allow Eurosystem eligibility and deposited with one of the ICSDs as Common Safekeeper (and in the case of registered Covered Bonds, registered in the name of a nominee of one of the ICSDs acting as Common Safekeeper). Where the Covered Bonds are not intended

to be deposited with one of the ICSDs as Common Safekeeper upon issuance, should the Eurosystem eligibility criteria be amended in the future such as that the Covered Bonds are capable of meeting such criteria, the Covered Bonds may then be deposited with one of the ICSDs as Common Safekeeper. Where the Covered Bonds are so deposited with one of the ICSDs as Common Safekeeper (and in the case of registered Covered Bonds, registered in the name of a nominee of one of the ICSDs acting as Common Safekeeper) upon issuance or otherwise, this does not necessarily mean that the Covered Bonds will be recognised as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem at issuance or at any time during their life. Such recognition will depend upon the European Central Bank being satisfied that Eurosystem eligibility criteria have been met.

The exchange of a Permanent Global Covered Bond for definitive Covered Bonds upon notice from Euroclear and/or Clearstream (acting on the instructions of any holder) or at any time at the request of the Issuer should not be expressed to be applicable in the applicable Final Terms if the Covered Bonds are issued with a minimum Specified Denomination such as EUR 100,000 (or its equivalent in another currency) plus one or more higher integral multiples of another smaller amount such as EUR 1,000 (or its equivalent in another currency). Furthermore, such Specified Denomination construction is not permitted in relation to any issue of Notes which is to be represented on issue by a Temporary Global Covered Bond exchangeable for definitive Covered Bonds.

TERMS AND CONDITIONS OF THE COVERED BONDS

The following are the Terms and Conditions of the Covered Bonds which will be incorporated by reference into each Global Covered Bond (as defined below) and each Definitive Covered Bond, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer(s) at the time of issue but, if not so permitted and agreed, such Definitive Covered Bond will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Covered Bond and Definitive Covered Bond.

This Covered Bond is one of a Series (as defined below) of Covered Bonds issued by Coventry Building Society (the "**Issuer**") constituted by a trust deed (such trust deed as modified and/or supplemented and/or restated from time to time, the "**Trust Deed**") dated 17 July 2008 (the "**Programme Date**") as supplemented on 8 May 2009, 16 December 2010, 8 April 2011, 29 June 2012 and 5 July 2013 made between the Issuer, Coventry Building Society Covered Bonds LLP as guarantor (the "**LLP**") and HSBC Corporate Trustee Company (UK) Limited as bond trustee (in such capacity, the "**Bond Trustee**", which expression shall include any successor as Bond Trustee) and as security trustee (in such capacity, the "**Security Trustee**", which expression shall include any successor as Security Trustee).

Save as provided for in Conditions 9 and 14, references herein to the "**Covered Bonds**" shall be references to the Covered Bonds of this Series and shall mean:

The Issuer, the LLP, the Paying Agents, the Security Trustee and the Bond Trustee will (except as otherwise required by law) deem and treat the bearer of any Bearer Covered Bond or Coupon and the registered holder of any Registered Covered Bond as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Covered Bond, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Covered Bonds is represented by a Global Covered Bond deposited with a common depositary (in the case of a CGCB) or common safekeeper (in the case of a NGCB) for Euroclear Bank S.A./N.V. ("**Euroclear**") and/or Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**") or so long as The Depository Trust Company ("**DTC**") or its nominee is the registered holder of a Registered Global Covered Bond, each person (other than Euroclear or Clearstream, Luxembourg or DTC) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg or DTC as the holder of a particular nominal amount of such Covered Bonds (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error and any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream's Cedcom system) in accordance with its usual procedures and in which the holder of a particular nominal amount of the Covered Bonds is clearly identified with the amount of such holding) shall be treated by the Issuer, the LLP, the Paying Agents, the Security Trustee and the Bond Trustee as the holder of such nominal amount of such Covered Bonds for all purposes other than with respect to the payment of principal or interest or other amounts on such nominal amount of such Covered Bonds, and, in the case of DTC or its nominee, voting, giving consents and making requests, for which purpose the bearer of the relevant Global Covered Bond or the registered holder of the relevant Registered Global Covered Bond shall be treated by the Issuer, the LLP, any Paying Agent, the Security Trustee and the Bond Trustee as the holder of such nominal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expression "**Covered Bondholder**" and related expressions shall be construed accordingly.

Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the rules and procedures for the time being of DTC, Euroclear and Clearstream, Luxembourg, as the case may be.

References to DTC, Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits (but not in the case of any NGCB), be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

2. Transfers of Registered Covered Bonds

(a) *Transfers of interests in Registered Global Covered Bonds*

Transfers of beneficial interests in Rule 144A Global Covered Bonds (as defined below) and Regulation S Global Covered Bonds (as defined below) (together, the "**Registered Global Covered Bonds**") will be effected by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Covered Bond will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Covered Bonds in definitive form or for a beneficial interest in another Registered Global Covered Bond only in the authorised denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Covered Bond registered in the name of a nominee for DTC shall be limited to transfers of such Registered Global Covered Bond, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee.

(b) *Transfers of Registered Covered Bonds in definitive form*

In order to effect any such transfer: (i) the holder or holders must: (A) surrender the Registered Covered Bond for registration of the transfer of the Registered Covered Bond (or the relevant part of the Registered Covered Bond) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing; and (B) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent; and (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer, the Bond Trustee and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 6 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Registered Covered Bond in definitive form of a like aggregate nominal amount to the Registered Covered Bond (or the relevant part of the Registered Covered Bond) transferred. In the case of the transfer of part only of a Registered Covered Bond in definitive form, a new Registered Covered Bond in definitive form in respect of the balance of the Registered Covered Bond not transferred will be so authenticated and delivered or (at the risk of the transferor) sent by uninsured mail to the address specified by the transferor.

(c) **Registration of transfer upon partial redemption**

In the event of a partial redemption of Covered Bonds under Condition 6, the Issuer shall not be required to register the transfer of any Registered Covered Bond, or part of a Registered Covered Bond, called for partial redemption.

(d) **Costs of registration**

Covered Bondholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

(e) **Transfers of interests in Regulation S Global Covered Bonds**

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Covered Bond to a transferee in the United States or who is a U.S. person will only be made:

- (i) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a "**Transfer Certificate**"), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Covered Bond or beneficial interest therein to the effect that such transfer is being made:
 - (A) to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
 - (B) to a person who is an Institutional Accredited Investor, together with, in the case of (B), a duly executed investment letter from the relevant transferee substantially in the form set out in the Agency Agreement (an "**IAI Investment Letter**"); or
- (ii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

In the case of (A) above, such transferee may take delivery through a Legended Covered Bond in global or definitive form and, in the case of (B) above, such transferee may take delivery only through a Legended Covered Bond in definitive form. Prior to the end of the applicable Distribution Compliance Period beneficial interests in Regulation S Covered Bonds registered in the name of a nominee for DTC may only be held through the accounts of Euroclear and Clearstream, Luxembourg. After expiry of the applicable Distribution Compliance Period: (i) beneficial interests in Regulation S Global Covered Bonds registered in the name of a nominee for DTC may be held through DTC directly, by a participant in DTC or indirectly through a participant in DTC; and (ii) such certification requirements will no longer apply to such transfers.

(f) **Transfers of interests in Legended Covered Bonds**

Transfers of Legended Covered Bonds or beneficial interests therein may be made:

- (i) to a transferee who takes delivery of such interest through a Regulation S Global Covered Bond, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, in the case of a Regulation S Global Covered Bond registered in the name of a nominee for DTC, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Covered Bonds being transferred will be held immediately thereafter through Euroclear and/or Clearstream, Luxembourg; or
- (ii) to a transferee who takes delivery of such interest through a Legended Covered Bond:
 - (A) where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
 - (B) where the transferee is an Institutional Accredited Investor,
 - subject, in the case of (B), to delivery to the Registrar of a Transfer Certificate from the transferor to the effect that such transfer is being made to an Institutional Accredited Investor, together with a duly executed IAI Investment Letter from the relevant transferee; or
- (iii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

Covered Bonds transferred by Institutional Accredited Investors to QIBs pursuant to Rule 144A or outside the United States pursuant to Regulation S will be eligible to be held by such QIBs or non-U.S. investors through DTC, Euroclear or Clearstream, Luxembourg, as appropriate, and the Registrar will arrange for any Covered Bonds which are the subject of such a transfer to be represented by the appropriate Registered Global Covered Bonds, where applicable.

Upon the transfer, exchange or replacement of Legended Covered Bonds, or upon specific request for removal of the Legend therein, the Registrar shall deliver only Legended Covered Bonds or refuse to remove the Legend therein, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

(g) ***Exchanges and transfers of Registered Covered Bonds generally***

4. Interest

(a) *Interest on Fixed Rate Covered Bonds*

Each Fixed Rate Covered Bond bears interest on its Principal Amount Outstanding from (and including) its date of issue (the "**Interest Commencement Date**") at the rate(s) per annum equal to the Rate(s) of Interest payable, subject as provided in these Conditions, in arrear on the Interest Payment Date(s) in each year up to (and including) the Final Maturity Date. If a Notice to Pay is served on the LLP, the LLP shall pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the fixed coupon amount specified in the Final Terms (the "**Fixed Coupon Amount**"). Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the broken amount specified in the relevant Final Terms (the "**Broken Amount**") so specified.

As used in the Conditions, "**Fixed Interest Period**" means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Covered Bonds where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Covered Bonds which are represented by a Global Covered Bond, the aggregate outstanding nominal amount of the Fixed Rate Covered Bonds represented by such Global Covered Bond; or
- (ii) in the case of Fixed Rate Covered Bonds in definitive form, the Specified Denomination;

and in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**Day Count Fraction**" means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:
 - (A) in the case of Covered Bonds where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the "**Accrual Period**") is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (B) in the case of Covered Bonds where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
- (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if "30/360" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Conditions:

"Determination Period" means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date).

"Original Due for Payment Date" means, in respect of the payment of Guaranteed Amounts, prior to the occurrence of an LLP Event of Default and following the delivery of a Notice to Pay on the LLP, the date on which the Scheduled Payment Date in respect of such Guaranteed Amounts is reached, or, if later, the day which is two Business Days following service of a Notice to Pay on the LLP in respect of such Guaranteed Amounts or if the applicable Final Terms specified that an Extended Due for Payment Date is applicable to the relevant Series of Covered Bonds, the Interest Payment Date that would have applied if the Final Maturity Date of such Series of Covered Bonds had been the Extended Due for Payment Date.

"Principal Amount Outstanding" means in respect of a Covered Bond on any day the principal amount of that Covered Bond on the relevant Issue Date thereof less principal amounts received by the relevant Covered Bondholder in respect thereof on or prior to that day.

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, euro 0.01.

(b) ***Interest on Floating Rate Covered Bonds***

(i) ***Interest Payment Dates***

Each Floating Rate Covered Bond bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (1) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (2) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **"Interest Payment Date"**) which falls the number of months or other

period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Conditions, the expression "**Interest Period**" shall mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) below, the "**Floating Rate Convention**", such Interest Payment Date: (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis*; or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the "**Following Business Day Convention**", such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the "**Modified Following Business Day Convention**", such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the "**Preceding Business Day Convention**", such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, "**Business Day**" means a day which is:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms; and
- (B) in the case of any sum payable, either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively or (2) in relation to any Covered Bonds denominated or payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System or any successor thereto (the "**TARGET2 System**") is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Covered Bonds will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Covered Bonds*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent or other person specified in the applicable Final Terms under an interest rate swap transaction if the Principal Paying Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Covered Bonds (the "**ISDA Definitions**") and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is the period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination for Floating Rate Covered Bonds*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either LIBOR or EURIBOR, as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this sub-paragraph (B) in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Covered Bonds, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Principal Paying Agent will calculate the amount of interest payable on the Floating Rate Covered Bonds in respect of each Specified Denomination (each an "**Interest Amount**") for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Principal Amount Outstanding, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**Day Count Fraction**" means, in respect of the calculation of an amount of interest for any Interest Period:

- (A) if "**Actual/Actual**" or "**Actual/Actual (ISDA)**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if "**Actual/365 (Fixed)**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if "**Actual/365 (Sterling)**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (D) if "**Actual/360**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;

- (E) if "**30/360**", "**360/360**" or "**Bond Basis**" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D1" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (F) if "**30E/360**" or "**Eurobond Basis**" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D1" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D1 will be 30;

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D2 will be 30.

(v) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent (in the case of Floating Rate Covered Bonds) will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Bond Trustee and to any stock exchange or other relevant competent authority or quotation system on which the relevant Floating Rate Covered Bonds are for the time being listed, quoted and/or traded or by which they have been admitted to listing and to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth Business Day (as defined in Condition 4(b)(i)) thereafter by the Principal Paying Agent. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment or alternative arrangements will be promptly notified to the Bond Trustee and each stock exchange or other relevant authority on which the relevant Floating Rate Covered Bonds are for the time being listed or by which they have been admitted to listing and to the Covered Bondholders in accordance with Condition 13.

(vi) *Determination or Calculation by Bond Trustee*

If for any reason at any relevant time after the Issue Date, the Principal Paying Agent or, as the case may be, the Calculation Agent defaults in its obligation to determine the Rate of Interest or the Principal Paying Agent defaults in its obligation to calculate any Interest Amount in accordance with sub-paragraph (ii)(A) or (B) above or as otherwise specified in the applicable Final Terms, as the case may be, and in each case in accordance with paragraph (iv) above, the Bond Trustee (or an agent appointed by it) shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Principal Paying Agent or the Calculation Agent, as the case may be.

(vii) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Principal Paying Agent or the Bond Trustee shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the LLP, the Principal Paying Agent, the other Paying Agents, the Bond Trustee and all the Covered Bondholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the LLP, the Covered Bondholders or the Couponholders shall attach to the Principal Paying Agent or the Bond Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Accrual of Interest*

Interest (if any) will cease to accrue on each Covered Bond (or in the case of the redemption of part only of a Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused in which event, interest will continue to accrue as provided in the Trust Deed.

5. **Payments**

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or electronic transfer to an account in the relevant Specified Currency (which, in the case of a payment in Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (ii) payments in euro will be made by credit or electronic transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

In the case of Bearer Covered Bonds, payments in U.S. Dollars will be made by transfer to a U.S. Dollar account maintained by the payee with a bank outside of the United States (which expression, as used in this Condition 5, means the United States of America, including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction), or by cheque drawn on a United States bank. In no event will payment in respect of Bearer Covered Bonds be made by a cheque mailed to an address in the United States. All payments of interest in respect of Bearer Covered Bonds will be made to accounts located outside the United States except as may be permitted by United States tax law in effect at the time of such payment without detriment to the Issuer.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in any jurisdiction but without prejudice to the provisions of Condition 7, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto. References to Specified Currency will include any successor currency under applicable law. Any such amounts withheld or deducted will be treated as paid for all purposes under the Covered Bonds, and no additional amounts will be paid on the Covered Bonds with respect to any such withholding or deduction.

(b) *Presentation of Bearer Definitive Covered Bonds and Coupons*

Payments of principal and interest (if any) will (subject as provided below) be made against presentation and surrender of Bearer Definitive Covered Bonds or Coupons, as the case may be, at any specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Covered Bonds in definitive bearer form (other than any Long Maturity Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall include Coupons falling to be issued on exchange of matured Talons), failing which an amount equal to the face value of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the total amount due) will be deducted from the amount due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 12 years after the Relevant Date (as defined

in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, six years from the date on which such Coupon would otherwise have become due.

Upon amounts in respect of any Fixed Rate Covered Bond in definitive bearer form becoming due and repayable by the Issuer (in the absence of a Notice to Pay) or LLP under the Covered Bond Guarantee prior to its Final Maturity Date (or, as the case may be, Extended Due for Payment Date), all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Covered Bond or Long Maturity Covered Bond in definitive bearer form, all unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Covered Bond**" is a Fixed Rate Covered Bond (other than a Fixed Rate Covered Bond which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Covered Bond shall cease to be a Long Maturity Covered Bond on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the Principal Amount Outstanding of such Covered Bond. If the date for redemption of any Bearer Definitive Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Bearer Definitive Covered Bond.

(c) *Payments in respect of Bearer Global Covered Bonds*

Payments of principal and interest (if any) in respect of Covered Bonds represented by any Bearer Global Covered Bond will (subject as provided below) be made in the manner specified above in relation to Bearer Definitive Covered Bonds and otherwise in the manner specified in the relevant Global Covered Bond (against presentation or surrender, as the case may be, of such Global Covered Bond if the Bearer Global Covered Bond is not intended to be issued in NGCB form at the specified office of any Paying Agent outside the United States). On the occasion of each payment, (i) in the case of any Bearer Global Covered Bond which is not issued in NGCB form, a record of such payment made on such Bearer Global Covered Bond, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Covered Bond by the Paying Agent and such record shall be prima facie evidence that the payment in question has been made and (ii) in the case of any Global Covered Bond which is issued in NGCB form, the Paying Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

(d) *Payments in respect of Registered Covered Bonds*

Payments of principal in respect of each Registered Covered Bond (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by electronic transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the register of holders of the Registered Covered Bonds maintained by the Registrar (the "**Register**") at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a "**Designated Account**" or (ii) the principal amount of the Covered Bonds held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account (which, in the case of a

payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a "**Designated Bank**" and identified as such in the Register and Designated Bank means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest in respect of each Registered Covered Bond (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a Business Day) before the relevant due date or, if such Registered Covered Bond is in global form and held in Euroclear or Clearstream, Luxembourg, at the close of business in Euroclear or Clearstream, Luxembourg, on the Business Day prior to the relevant due date (the "**Record Date**") at the holder's address shown in the Register on the Record Date and at the holder's risk. Upon application of the holder to the specified office of the Registrar not less than three Business Days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

Holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the LLP, the Bond Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) ***General provisions applicable to payments***

The holder of a Global Covered Bond (or, as provided in the Trust Deed, the Bond Trustee) shall be the only person entitled to receive payments in respect of Covered Bonds represented by such Global Covered Bond and the Issuer or, as the case may be, the LLP will be discharged by payment to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Covered Bonds represented by such Global Covered Bond must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or the LLP to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may

be). No person other than the holder of the relevant Global Covered Bond (or, as provided in the Trust Deed, the Bond Trustee) shall have any claim against the Issuer or the LLP in respect of any payments due on that Global Covered Bond.

Notwithstanding the foregoing provisions of this Condition, payments of principal and/or interest in U.S. Dollars in respect of the Bearer Covered Bonds will only be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. Dollars at such specified offices outside the United States of the full amount of interest on the Bearer Covered Bonds in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. Dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the LLP, adverse tax consequences to the Issuer or the LLP.

(f) ***Payment Day***

If the date for payment of any amount in respect of any Covered Bond or Coupon is not a Payment Day (as defined below), the holder thereof shall not be entitled to payment of the relevant amount due until the next following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay. In this Condition (unless otherwise specified in the applicable Final Terms), "**Payment Day**" means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation;
 - (B) London; and
 - (C) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open; and
- (iii) in the case of any payment in respect of a Registered Global Covered Bond denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Covered Bond) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(g) ***Interpretation of principal and interest***

Any reference in these Conditions to principal in respect of the Covered Bonds shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or under any undertakings or covenants given in addition thereto, or in substitution therefor, pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Covered Bonds;
- (iii) the Early Redemption Amount of the Covered Bonds;
- (iv) the Optional Redemption Amount(s) (if any) of the Covered Bonds;
- (v) in relation to Zero Coupon Covered Bonds, the Amortised Face Amount (as defined in Condition 6(f));
- (vi) any premium and any other amounts (other than interest) which may be payable under or in respect of the Covered Bonds; and
- (vii) any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds.

Any reference in these Conditions to interest in respect of the Covered Bonds shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or under any undertakings given in addition thereto, or in substitution therefor, pursuant to the Trust Deed.

(h) ***Redenomination***

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Covered Bondholders and the Couponholders, on giving prior written notice to the Bond Trustee, the Security Trustee, the Agents, the Registrar (in the case of Registered Covered Bonds), Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Covered Bondholders in accordance with Condition 13, elect that, with effect from the Redenomination Date specified in the notice, the Covered Bonds shall be redenominated in euro. In relation to any Covered Bonds where the applicable Final Terms provides for a minimum Specified Denomination in the Specified Currency which is equivalent to at least euro 100,000 and which are admitted to trading on a regulated market in the European Economic Area, it shall be a term of any such redenomination that the holder of any Covered Bonds held through Euroclear and/or Clearstream, Luxembourg and/or DTC must have credited to its securities account with the relevant clearing system a minimum balance of Covered Bonds of at least euro 100,000.

The election will have effect as follows:

- (i) the Covered Bonds shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Covered Bond equal to the nominal amount of that Covered Bond in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, in consultation with the Agents and the Bond Trustee, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Covered Bondholders, the competent listing authority, stock exchange

and/or market (if any) on or by which the Covered Bonds may be listed and/or admitted to trading and the Paying Agents of such deemed amendments;

- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Covered Bonds will be calculated by reference to the aggregate nominal amount of Covered Bonds presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (iii) if definitive Covered Bonds are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 100,000 and/or such higher amounts as the Agents may determine and notify to the Covered Bondholders and any remaining amounts less than euro 100,000 shall be redeemed by the Issuer and paid to the Covered Bondholders in euro in accordance with Condition 6;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Covered Bonds) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Covered Bonds and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Covered Bonds and Coupons so issued will also become void on that date although those Covered Bonds and Coupons will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Covered Bonds and Coupons will be issued in exchange for Covered Bonds and Coupons denominated in the Specified Currency in such manner as the Agents may specify and as shall be notified to the Covered Bondholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Covered Bonds;
- (v) after the Redenomination Date, all payments in respect of the Covered Bonds and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Covered Bonds to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (vi) if the Covered Bonds are Fixed Rate Covered Bonds and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (a) in the case of Covered Bonds represented by a Global Covered Bond, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Covered Bonds represented by such Global Covered Bonds; and
 - (b) in the case of definitive Covered Bonds, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;

- (vii) if the Covered Bonds are Floating Rate Covered Bonds, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (viii) such other changes shall be made to this Condition (and the Transaction Documents) as the Issuer may decide, after consultation with the Agents and the Bond Trustee, and as may be specified in the notice, to conform it to conventions then applicable to instruments denominated in euro.

(i) **Definitions**

In these Conditions, the following expressions have the following meanings:

"**Calculation Amount**" has the meaning given in the applicable Final Terms.

"**Established Rate**" means the rate for the conversion of the relevant Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 123 of the Treaty.

"**euro**" means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty.

"**Treaty**" means the Treaty establishing the European Community, as amended.

6. Redemption and Purchase

(a) **Final redemption**

Unless previously redeemed or purchased and cancelled as specified below, each Covered Bond will be redeemed by the Issuer at its Final Redemption Amount in the relevant Specified Currency on the Final Maturity Date specified in the applicable Final Terms.

Without prejudice to Condition 9, if an Extended Due for Payment Date is specified as applicable in the Final Terms for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the Final Terms (or after expiry of the grace period set out in Condition 9(a)(i)) and following the service of a Notice to Pay on the LLP by no later than the date falling one Business Day prior to the Extension Determination Date the LLP has insufficient monies available to apply under the Guarantee Priority of Payments to pay the Guaranteed Amounts corresponding to the Final Redemption Amount in full in respect of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the LLP or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9(a)(i)) under the terms of the Covered Bond Guarantee or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the LLP under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that any amount representing the Final Redemption Amount due and remaining

unpaid on the earlier of (a) and (b) above may be paid by the LLP on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date. The Issuer shall confirm to the Principal Paying Agent as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date of a Series of Covered Bonds whether (a) payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date or (b) payment will not be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date. Any failure by the Issuer to notify the Principal Paying Agent shall not affect the validity or effectiveness of the extension.

The LLP shall notify the relevant Covered Bondholders (in accordance with Condition 13), the Rating Agencies, the Bond Trustee, the Security Trustee, the Principal Paying Agent and the Registrar (in the case of Registered Covered Bonds) as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the preceding paragraph of any inability of the LLP to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the LLP to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the LLP shall on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9(b)(i)) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the monies (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) pro rata in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the LLP to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the LLP shall not constitute an LLP Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to or to the order of the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the LLP under the Covered Bond Guarantee in connection with this Condition 6(a).

For the purposes of these Conditions:

"Extended Due for Payment Date" means, in relation to any Series of Covered Bonds, the date, if any, specified as such in the applicable Final Terms to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Final Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Final Maturity Date or the Extension Determination Date, as applicable in accordance with Condition 6(a); and

"Extension Determination Date" means, in respect of a Series of Covered Bonds, the date falling two Business Days after the expiry of seven days from (and including) the Final Maturity Date of such Series of Covered Bonds.

"Guarantee Priority of Payments" means the priority of payments relating to monies standing to the credit of the Standby Transaction Account (to the extent maintained, or otherwise the Standby GIC Account) to be paid on each LLP Payment Date in accordance with the Trust Deed.

"Rating Agency" means any one of Moody's Investors Service Limited and, Fitch Ratings Ltd. (together, the **"Rating Agencies"**) or their successors, to the extent they provide ratings in respect of the Covered Bonds.

(b) ***Redemption for Taxation Reasons***

The Covered Bonds may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Covered Bond is not a Floating Rate Covered Bond) or on any Interest Payment Date (if this Covered Bond is a Floating Rate Covered Bond), on giving not less than 30 nor more than 60 days' notice to the Bond Trustee and, in accordance with Condition 13, the Covered Bondholders (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that on the occasion of the next date for payment of interest, the Issuer is or will be required to pay additional amounts as provided in Condition 7. Covered Bonds redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in Condition 6(f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) ***Redemption at the option of the Issuer (Issuer Call)***

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given not less than 15 nor more than 30 days' notice to the Bond Trustee, the Principal Paying Agent, (in the case of the redemption of Registered Covered Bonds) the Registrar and, in accordance with Condition 13, the Covered Bondholders (which notice shall be irrevocable) redeem all or some only (as specified in the applicable Final Terms) of the Covered Bonds then outstanding on any Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date(s). Upon expiry of such notice, the Issuer shall be bound to redeem the Covered Bonds accordingly. In the event of a redemption of some only of the Covered Bonds, such redemption must be for an amount being the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of Covered Bonds, the Covered Bonds to be redeemed (the "**Redeemed Covered Bonds**") will be selected individually by lot, in the case of Redeemed Covered Bonds represented by Definitive Covered Bonds, and in accordance with the rules of DTC, Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of DTC, Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Covered Bonds represented by a Global Covered Bond, in each case, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). In the case of Redeemed Covered Bonds represented by Definitive Covered Bonds, a list of the serial numbers of such Redeemed Covered Bonds will be published in accordance with Condition 13 not less than 30 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Covered Bonds represented by Definitive Covered Bonds shall bear the same proportion to the aggregate nominal amount of all Redeemed Covered Bonds as the aggregate nominal amount of Definitive Covered Bonds outstanding bears to the aggregate nominal amount of the Covered Bonds outstanding, in each case on the Selection Dates, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Covered Bonds represented by a Global Covered Bond shall be equal to the balance of the Redeemed Covered Bonds. No exchange of the relevant Global Covered Bond will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6(c) and notice to that effect shall be given by the Issuer to the Covered Bondholders in accordance with Condition 13 at least 30 days prior to the Selection Date.

(d) ***Redemption at the option of the Covered Bondholders (Investor Put)***

If Investor Put is specified in the applicable Final Terms, upon the holder of any Covered Bond giving to the Issuer in accordance with Condition 13 not less than 15 nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Covered Bond on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding)

the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of this Covered Bond the holder of this Covered Bond must, if this Covered Bond is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by this Covered Bond or evidence satisfactory to the Paying Agent concerned that this Covered Bond will, following delivery of the Put Notice, be held to its order or under its control. If this Covered Bond is represented by a Global Covered Bond or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Covered Bond the holder of this Covered Bond must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Covered Bond is represented by a Global Covered Bond, at the same time present or procure the presentation of the relevant Global Covered Bond to the Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Covered Bond pursuant to this Condition 6(d) shall be irrevocable except where, prior to the due date of redemption, an Issuer Event of Default or an LLP Event of Default has occurred and is continuing and the Bond Trustee has declared the Covered Bonds to be due and payable pursuant to Condition 9, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6(d) and instead to declare such Covered Bond forthwith due and payable pursuant to Condition 9.

(e) ***Redemption due to illegality***

The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bond Trustee, the Principal Paying Agent, the Registrar and, in accordance with Condition 13, all the Covered Bondholders (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Term Advance made by it to the LLP from the Covered Bonds pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Covered Bonds redeemed pursuant to this Condition 6(d) will be redeemed at their Early Redemption Amount referred to in Condition 6(f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(f) **Early Redemption Amounts**

For the purpose of Conditions 6(b) above and 6(i) below and Condition 9, each Covered Bond will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of a Covered Bond with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of a Covered Bond (other than a Zero Coupon Covered Bond) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Covered Bond is denominated, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (iii) in the case of a Zero Coupon Covered Bond, at an amount (the "**Amortised Face Amount**") equal to the sum of:
 - (a) the Reference Price; and
 - (b) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable,

or such other amount as is provided in the applicable Final Terms.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made (i) in the case of a Zero Coupon Covered Bond payable in a Specified Currency other than euro, on the basis of a 360-day year consisting of 12 months of 30 days each or (ii) in the case of a Zero Coupon Covered Bond payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non leap year divided by 365) or (iii) on such other calculation basis as may be specified in the applicable Final Terms.

(g) **Purchases**

The Issuer or any of its subsidiaries or the LLP may at any time purchase or otherwise acquire Covered Bonds (provided that, in the case of Bearer Definitive Covered Bonds, all unmatured Coupons and Talons appertaining thereto are attached thereto or surrendered therewith) at any price and in any manner. If purchases are made by tender, tenders must be available to all the Covered Bondholders alike. Such Covered Bonds may be held, reissued, resold or, at the option of the Issuer or the relevant subsidiary, surrendered to any Paying Agent and/or the Registrar for cancellation (except that any Covered Bonds purchased or otherwise acquired by the LLP must immediately be surrendered to any Paying Agent and/or the Registrar for cancellation).

(h) **Cancellation**

All Covered Bonds which are redeemed will forthwith be cancelled (together with, in the case of Bearer Definitive Covered Bonds, all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Covered Bonds so cancelled and any Covered Bonds purchased and surrendered for cancellation pursuant to Condition 6(g) above and cancelled (together with, in the case of Bearer Definitive Covered Bonds, all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be held, reissued or resold.

(i) ***Late payment on Zero Coupon Covered Bonds***

If the amount payable in respect of any Zero Coupon Covered Bond upon redemption of such Zero Coupon Covered Bond pursuant to Conditions 6(a), (b) or (c) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Covered Bond shall be the amount calculated as provided in Condition 6(f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Covered Bond becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Covered Bond have been paid; and
- (ii) the date on which the full amount of the monies payable in respect of such Zero Coupon Covered Bonds has been received by the Principal Paying Agent or the Bond Trustee or the Registrar and notice to that effect has been given to the Covered Bondholders either in accordance with Condition 13 or individually.

(j) ***Certification on redemption under Condition 6(b) and 6(d)***

Prior to the publication of any notice of redemption pursuant to Conditions 6(b) and (d), the Issuer shall deliver to the Bond Trustee a certificate signed by two Authorised Signatories (as defined in the Master Definitions and Construction Agreement) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds and Couponholders.

7. Taxation

All payments of principal and interest (if any) in respect of the Covered Bonds and Coupons by or on behalf of the Issuer or the LLP, as the case may be, will be made free and clear of, and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the United Kingdom or any political sub-division thereof or by any authority therein or thereof having power to tax unless such withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In the event of such a withholding or deduction being made by the Issuer in respect of a payment made by it, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the Covered Bondholders or Coupons holders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Covered Bonds or Coupon, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Covered Bond or Coupon presented for payment:

- (a) in the United Kingdom; or
- (b) by or on behalf of a holder who (i) is able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other claim for exemption to the relevant taxing authority but fails to do so; or (ii) is liable for such taxes, duties, assessments or governmental charges in respect of such Covered Bonds or Coupons (as the case may be) by reason of his having some connection with the United Kingdom other than merely by reason of the holding of such Covered Bonds or Coupons; or

- (c) more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on the last day of such period of 30 days; or
- (d) where the holder is able to avoid such withholding or deduction by presenting an appropriate certificate; or
- (e) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC (the "**Directive**") or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (f) by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Covered Bond or Coupon to another Paying Agent in a Member State of the European Union.

As used herein:

"**Relevant Date**" means the date on which such payment in respect of the Covered Bond or Coupon first becomes due and payable, except that, if the full amount of the monies payable on such date has not been duly received by the Bond Trustee, the Registrar or the Principal Paying Agent on or prior to such date, it means the date on which such monies have been so received, notice to that effect having been given to the Covered Bondholders in accordance with Condition 13.

Should any payments made by the LLP under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes or duties of whatever nature imposed or levied by or on account of the United Kingdom or any political sub-division thereof or by any authority therein or thereof having power to tax, the LLP will not be obliged to pay any additional amounts as a consequence.

8. Prescription

The Covered Bonds (whether in bearer or registered form) and Coupons will become void unless presented for payment within 10 years (in the case of principal) and 5 years (in the case of interest) in each case from the Relevant Date (as defined in Condition 7) therefor, subject in each case to the provisions of Condition 5.

There shall not be included in any Coupon sheet issued on exchange of a Talon, any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5 or any Talon which would be void pursuant to Condition 5.

9. Events of Default and Enforcement

(a) Issuer Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds then Outstanding (as defined in the Master Definitions and Construction Agreement) (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9(a) means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in Sterling converted into Sterling at the relevant Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds then Outstanding shall (subject in each case to being indemnified and/or secured to its satisfaction), (but in the case of the happening of any of the events mentioned in sub-paragraphs (ii) to (vii) below (other than

(v)(b)), only if the Bond Trustee shall have certified in writing that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, provided that a breach of any obligation to provide notices, reports or other information to the FCA under the RCB Regulations and/or the RCB Sourcebook shall not be considered materially prejudicial to the interests of the Covered Bondholders by the Bond Trustee) give notice (an "**Issuer Acceleration Notice**") in writing to the Issuer that as against the Issuer (but not, for the avoidance of doubt, against the LLP under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Trust Deed if any of the following events (each an "**Issuer Event of Default**") shall occur and be continuing:

- (i) the Issuer fails to pay any interest or principal due in respect of the Covered Bonds or any of them and the default continues for a period of 14 days or more (in the case of interest) or 7 days or more (in the case of principal); or
- (ii) if the Issuer fails to perform or observe any obligations under the Covered Bonds or Coupons of any Series, the Trust Deed or any other Transaction Document to which the Issuer is a party (other than the Programme Agreement and the Subscription Agreement) but excluding any obligation of the Issuer to comply with the Asset Coverage Test or any representation or warranty given by the Issuer in respect of the Asset Coverage Test, and such failure continues for the period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Issuer of notice requiring the same to be remedied; or
- (iii) if any payment in respect of the principal of or any premium or interest on any indebtedness for monies borrowed having an outstanding aggregate principal amount of at least £10,000,000 (or its equivalent in any other currency or currencies) of the Issuer or any Subsidiary is not made on its due date (or by the expiry of any applicable grace period) or any such indebtedness of the Issuer or any Subsidiary becomes due and payable prior to its stated maturity by reason of default or if any guarantee of or indemnity in respect of any such payment in respect of any such indebtedness of any third party by the Issuer or any Subsidiary is not honoured when due and called upon; or
- (iv) if an administrative or other receiver or an administrator or other similar official is appointed in relation to the Issuer or any Principal Subsidiary or in relation to the whole or a material part of the assets of any of them or if an encumbrancer takes possession of the whole or any material part of the assets of the Issuer or any Principal Subsidiary or a distress of execution is levied or enforced upon or sued out against the whole or any material part of the assets of the Issuer or any Principal Subsidiary and, in any such case, is not discharged within 60 days; or
- (v) if, except for the purposes of or pursuant to a Permitted Transfer or Substitution:
 - (a) the Issuer stops payment to its creditors generally or ceases to carry on the whole or substantially the whole of its business; or
 - (b) a petition is presented for the winding up of the Issuer or an effective resolution, instrument of dissolution or award for dissolution is passed, entered into or made or an order is made or an effective resolution is passed for the winding up or the dissolution of the Issuer or the Issuer is wound up or dissolved in any other manner; or
 - (c) an order is made pursuant to the Building Societies Act 1986 the effect of which is to prevent the Issuer from accepting the deposit of, or otherwise borrowing, any money or from accepting any payment representing the whole or any part of the

amount due by way of subscription for a share in the Issuer, other than a payment which fell due before the making of the said order; or

- (d) the Issuer ceases to be an authorised person to carry on a deposit-taking business for the purposes of the FSMA or the registration of the Issuer as a building society is suspended or cancelled or the Issuer requests any such suspension or cancellation; or
 - (e) the Issuer amalgamates with, or transfers the whole or a material part of its engagements or its business to, another person; or
 - (f) the Issuer gives notice in writing pursuant to the FSMA that it wishes to renounce its authorisation to accept the deposit of, or otherwise borrow, any money; or
- (vi) if, except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Bond Trustee or by an Extraordinary Resolution of the Covered Bondholders or for the purposes of a solvent winding up where the assets of a Principal Subsidiary attributable directly or indirectly to the Issuer are distributed to any one or more of the Issuer and the other Principal Subsidiaries:
- (a) a Principal Subsidiary stops payment to its creditors generally or ceases to carry on the whole or substantially the whole of its business; or
 - (b) an order is made by any competent court or resolution is passed for the winding up or dissolution of any Principal Subsidiary; or
- (vii) if an Asset Coverage Test Breach Notice has been served and not revoked (in accordance with the terms of the Transaction Documents) on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 9(a), the Bond Trustee shall forthwith serve a notice to pay (the "**Notice to Pay**") on the LLP pursuant to the Covered Bond Guarantee and the LLP shall be required to make payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings against the Issuer in accordance with the first paragraph of Condition 9(c).

The Trust Deed provides that all monies received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice and a Notice to Pay (the "**Excess Proceeds**"), shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the LLP for its own account, as soon as practicable, and shall be held by the LLP in the LLP Accounts and the Excess Proceeds shall thereafter form part of the Security and shall be used by the LLP in the same manner as all other monies from time to time standing to the credit of the LLP Accounts pursuant to the Deed of Charge and the LLP Deed. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds and Coupons. However, the obligations of the LLP under the Covered Bond Guarantee are (following service of a Notice to Pay) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the LLP in the manner as described above.

(b) **LLP Events of Default**

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds then Outstanding (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 9(b) means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) as if they were a single Series (with the nominal amount of Covered Bonds not denominated in Sterling converted into Sterling at the relevant Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bond then Outstanding shall (subject in each case to being indemnified and/or secured to its satisfaction), but in the case of the happening of any of the events described in paragraphs (ii) and (iv) to (vii) below, only if the Bond Trustee shall have certified in writing to the Issuer and the LLP that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholder of any Series, give notice (the "**LLP Acceleration Notice**") in writing to the Issuer and to the LLP, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the LLP under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Trust Deed and thereafter the Security shall become enforceable if any of the following events (each an "**LLP Event of Default**") shall occur and be continuing:

- (i) default is made by the LLP for a period of seven (7) days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment under Condition 6(a) where the LLP shall be required to make payments of Guaranteed Amounts which are Due for Payment on the dates specified therein; or
- (ii) if default is made by the LLP in the performance or observance of any obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Trust Deed, the Deed of Charge or any other Transaction Document to which the LLP is a party and, except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the LLP requiring the same to be remedied; or
- (iii) an order is made or an effective resolution passed for the liquidation or winding up of the LLP; or
- (iv) if the LLP ceases or threatens to cease to carry on its business or substantially the whole of its business; or
- (v) the LLP shall stop payment or shall be unable, or shall admit inability, to pay its debts generally as they fall due or shall be adjudicated or found bankrupt or insolvent; or
- (vi) proceedings are initiated against the LLP under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws (including, but not limited to, presentation of a petition or the filing of documents with a court or any registrar for its winding-up, administration or dissolution or the giving notice of the intention to appoint an administrator (whether out of court or otherwise)); or a receiver and/or manager, administrative receiver, administrator, trustee or other similar official shall be appointed (whether out of court or otherwise) in relation to the LLP or in relation to the whole or any

part of its assets, or a distress, diligence or execution or other process shall be levied or enforced upon or sued out against the whole or any part of its assets, and, in any such case, is not discharged within 20 days, or if the LLP shall initiate or consent to judicial proceedings relating to itself under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws or shall make a conveyance, assignment or assignation for the benefit of, or shall enter into any composition with, its creditors generally; or

- (vii) a failure to satisfy the Amortisation Test (as set out in the LLP Deed) on each Calculation Date (or, if that is not a Business Day, then the immediately preceding Business Day) following an Issuer Event of Default; or
- (viii) the Covered Bond Guarantee is not, or is claimed by the LLP not to be, in full force and effect.

Following the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice on the LLP each of the Bond Trustee and the Security Trustee may or shall take such proceedings or steps in accordance with the first and second paragraphs, respectively, of Condition 9(c) and the Covered Bondholders (or the Bond Trustee on their behalf) shall have a claim against the LLP, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount together with accrued interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 7) as provided in the Trust Deed in respect of each Covered Bond.

(c) ***Enforcement***

The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Issuer and/or the LLP, as the case may be, and/ or any other person as it may think fit to enforce the provisions of the Trust Deed, the Covered Bonds and the Coupons, but it shall not be bound to take any such enforcement proceedings in relation to the Trust Deed, the Covered Bonds or the Coupons or any other Transaction Document unless (i) it shall have been so directed by an Extraordinary Resolution of all the Covered Bondholders of all Series (with the Covered Bonds of all Series taken together as a single Series as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into Sterling at the relevant Covered Bond Swap Rate as aforesaid) and (ii) it shall have been indemnified and/or secured to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series and shall not have regard to the interests of any other Secured Creditors.

The Security Trustee may at any time, at its discretion and without further notice, take such proceedings, steps or action against the LLP and/or any other person as it may think fit to enforce the provisions of the Deed of Charge and may, at any time after the Security has become enforceable, take such steps as it may think fit to enforce the Security, but it shall not be bound to take any such steps unless (i) it shall have been so directed by the Bond Trustee itself acting at its sole discretion or as directed by an Extraordinary Resolution of all the Covered Bondholders of all Series (with the Covered Bonds of all Series taken together as a single Series as aforesaid) or a request in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together converted into Sterling at the relevant Covered Bond Swap Rate as aforesaid); and (ii) it shall have been indemnified and/or secured to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph the Security Trustee shall only have regard to the interests of the Covered Bondholders of all Series and shall not have regard to the interests of any other Secured Creditors. In having regard to the interests of the Covered Bondholders, the Security Trustee shall be entitled to rely solely on a written confirmation from the Bond Trustee as to whether, in the opinion of the Bond Trustee, any matter,

action or omission is or is not in the interests of or is or is not prejudicial or materially prejudicial to the interests of, the Covered Bondholders.

No Covered Bondholder or Couponholder shall be entitled to proceed directly against the Issuer or the LLP or to take any action with respect to the Trust Deed, the Covered Bonds, the Coupons, or the Security unless the Bond Trustee or the Security Trustee, as applicable, having become bound so to proceed, fails so to do within a reasonable time and such failure shall be continuing.

10. Replacement of Covered Bonds, Coupons and Talons

Should any Covered Bond, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent in London (in the case of Bearer Covered Bonds or Coupons) or the Registrar (in the case of Registered Covered Bonds), or any other place approved by the Bond Trustee of which notice shall have been published in accordance with Condition 13 upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Covered Bonds, Coupons or Talons must be surrendered before replacements will be issued.

11. Principal Paying Agent, Paying Agents, Registrar, Transfer Agent and Exchange Agent

The names of the initial Principal Paying Agent, the other initial Paying Agents, the initial Registrar, the initial Transfer Agent, the initial Exchange Agent and their initial specified offices are set out below.

In the event of the appointed office of any such bank being unable or unwilling to continue to act as the Principal Paying Agent, or failing duly to determine the Rate of Interest, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint the London office of such other bank as may be approved by the Bond Trustee to act as such in its place. The Principal Paying Agent may not resign its duties or be removed from office without a successor having been appointed as aforesaid.

The Issuer is entitled, with the prior written approval of the Bond Trustee, to vary or terminate the appointment of any Paying Agent or the Registrar and/or appoint additional or other Paying Agents or the Registrar and/or approve any change in the specified office through which any Paying Agent or the Registrar acts, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;
- (b) the Issuer will, so long as any of the Covered Bonds is outstanding, maintain a Paying Agent (which may be the Principal Paying Agent) having a specified office in a city approved by the Bond Trustee in continental Europe;

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(e). Notice of any such variation, termination, appointment or change will be given by the Issuer to the Covered Bondholders as soon as reasonably practicable in accordance with Condition 13.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and the LLP and, in certain circumstances specified therein, of the Bond Trustee and do not assume any obligation to, or relationship of agency or trust with, any Covered Bondholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Bearer Covered Bond to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. Notices

All notices regarding the Bearer Covered Bonds will be valid if published in the Financial Times or any other daily newspaper in London approved by the Bond Trustee or, if this is not possible, in one other English language daily newspaper approved by the Bond Trustee with general circulation in the United Kingdom. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Bearer Covered Bonds are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers or where published in such newspapers on different dates, the last date of such first publication.

All notices regarding the Registered Covered Bonds will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth weekday after mailing and, in addition, for so long as any Registered Covered Bonds are listed, quoted or traded on a stock exchange or are admitted to listing by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

So long as the Covered Bonds are represented in their entirety by any Global Covered Bonds held on behalf of DTC and/or Euroclear and/or Clearstream, Luxembourg, there may be substituted for such publication in such newspaper(s) the delivery of the relevant notice to DTC and/or Euroclear and/or Clearstream, Luxembourg for communication by them to the Covered Bondholders and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of the stock exchange, or as the case may be, other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or, as the case may be, or any other relevant authority. 14. Meetings of Covered Bondholders, Modification, Waiver and Substitution

Covered Bondholders, Couponholders and other Secured Parties should note that the Issuer, the LLP and the Principal Paying Agent may without their consent or the consent of the Bond Trustee or the Security Trustee agree to modify any provision of any Final Terms which is of a formal, minor or technical nature or is made to correct a proven or manifest error or to comply with any mandatory provisions of law.

The Trust Deed contains provisions for convening meetings of the Covered Bondholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions or the provisions of the Trust Deed. The quorum at any such meeting in respect of any Covered Bonds of any Series for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing the Covered Bondholders whatever the nominal amount of the Covered Bonds of such Series so held or represented, except that at any meeting the business of which includes the modification of any Series Reserved Matter, the quorum shall be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Covered Bondholders of a Series shall, subject as provided below, be binding on all the Covered Bondholders of such Series, whether or not they are present at the meeting, and on all Couponholders in respect of such Series of Covered Bonds. Pursuant to the Trust Deed, the Bond Trustee or the Issuer may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between such Covered Bondholders, in which event the provisions of this paragraph shall apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 9 or to direct the Bond Trustee or the Security Trustee to take any enforcement action (each a "**Programme Resolution**") shall only be capable of being passed at a single meeting of the Covered Bondholders of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the LLP or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the nominal amount of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the Covered Bondholders of all Series shall be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting, and on all related Couponholders in respect of such Series of Covered Bonds.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Sterling, the nominal amount of the Covered Bonds of any Series not denominated in Sterling shall be converted into Sterling at the relevant Covered Bond Swap Rate.

The Bond Trustee, the Security Trustee, the LLP and the Issuer may also agree, without the consent of the Covered Bondholders or Couponholders of any Series and without the consent of the other Secured Creditors to:

- (a) any modification (other than in relation to a Series Reserved Matter) of the Covered Bonds of one or more Series, the related Coupons or any Transaction Document provided that in

the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of any of the Covered Bondholders of any Series;

- (b) any modification of the Covered Bonds of any one or more Series, the related Coupons or any Transaction Document which is, in the opinion of the Bond Trustee, of a formal, minor or technical nature or is in the opinion of the Bond Trustee made to correct a manifest error or to comply with mandatory provisions of law; or
- (c) in the case of the Security Trustee (save as otherwise expressly provided in the Deed of Charge) any modification to any Transaction Document only if so directed by (a) the Bond Trustee, so long as there are any Covered Bonds outstanding or (b) all of the other Secured Creditors, if there are no Covered Bonds outstanding.

Notwithstanding the above:

- (i) the Issuer, the LLP and the Bond Trustee may agree, without the consent of the Security Trustee, the Covered Bondholders or Couponholders or any of the other Secured Creditors, to any modification of any of the provisions of any Final Terms which is in the opinion of the Bond Trustee of a formal, minor or technical nature or is made to correct a proven or manifest error or to comply with any mandatory provisions of law;
- (ii) the Issuer and the LLP may request the Bond Trustee and the Security Trustee to agree to modifications to the Transaction Documents and/or the Terms and Conditions of the Covered Bonds to enable Covered Bonds issued under the Programme to qualify and/or to continue to qualify, as regulated covered bonds under the RCB Regulations or any replacement or amended regulations. Each of the Bond Trustee and the Security Trustee shall agree to such modifications without the consent or sanction of any of the Covered Bondholders or the Couponholders and without the consent or sanction of any other Secured Creditors, subject to receipt by the Bond Trustee and the Security Trustee of: a certificate signed by two directors of the Issuer and a certificate of a Designated Member of the LLP, each certifying to the Bond Trustee and the Security Trustee (i) that the requested amendments are to be made solely for the purpose of enabling Covered Bonds issued under the Programme to qualify and/or to continue to qualify as regulated covered bonds under the RCB Regulations or any replacement of amended regulations and (ii) that the requested amendments are not, in the opinion of the Issuer of the LLP, materially prejudicial to the interests of any Covered Bondholders or any Secured Creditor. Neither the Bond Trustee nor the Security Trustee shall be obliged to agree to any amendment which, in the sole opinion of the Bond Trustee or the Security Trustee, as the case may be, would have the effect of (a) exposing the Bond Trustee or the Security Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee or the Security Trustee in the Transaction Documents and/or the Terms and Conditions of the Covered Bonds;
- (iii) the Bond Trustee shall, without the consent of the holders of any of the Covered Bonds issued after 5 July 2013 or any other Secured Creditor, (other than any Secured Creditor party to the relevant Transaction Document to be amended) be obliged to concur with the Issuer and/or the LLP, and/or direct the Security Trustee to concur with the Issuer and/or the LLP, in making any modifications to the Transaction Documents and/or the Terms and Conditions of the Covered Bonds that are requested by the Issuer and/or the LLP in order to enable the Issuer to comply with any requirements which apply to it under the European Market Infrastructures Regulation ("**EMIR**"), subject to receipt by the Bond Trustee of a certificate of the Issuer (upon which the Bond Trustee may rely without further enquiry or liability to any person) certifying to the Bond Trustee and the Security Trustee that the requested amendments are to be made solely for the purpose of enabling the Issuer and/or

the LLP to satisfy any requirements which apply to either of them under EMIR and on the matters (a), (b) and (c) set out below in the paragraph (iii). For the avoidance of doubt, in relation to any Series of Covered Bonds issued prior to 5 July 2013, such modifications must be made pursuant to other provisions of this Condition 14, as applicable. The Bond Trustee and the Security Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Bond Trustee and the Security Trustee, as applicable, would have the effect of (a) exposing the Bond Trustee and the Security Trustee, as applicable, to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee and the Security Trustee, as applicable, in the Transaction Documents and/or the Conditions of the Covered Bonds or (c) are not materially prejudiced to the interests of the of Covered Bondholders. The power this Condition 14(iii) shall not extend to a Series Reserved Matter; and

- (iv) at the request of the Issuer and the LLP, the Bond Trustee and the Security Trustee shall (other than as specified in paragraph (A) below) without the consent or sanction of any of the Covered Bondholders or the Couponholders and without the consent or sanction of any other Secured Creditors, (a) in the case of an update in the published Rating Agency criteria applicable to a Swap Agreement, consent to the amendments to such Swap Agreement to reflect such updated, published Rating Agency criteria and concur with the Issuer and the LLP in making consequential modifications to the Transaction Documents that solely implement such update in the published, Rating Agency criteria or (b) in the case of a replacement of a Swap Provider, consent to such replacement of a Swap Provider and concur with the Issuer and the LLP in making such modifications to the Transaction Documents (including, but not limited to, the terms of the relevant Swap Agreement) as are consequent upon such replacement of a Swap Provider subject to receipt by the Bond Trustee and the Security Trustee of:
- (A) a direction by way of an Extraordinary Resolution of the holders of the Series 1 Covered Bonds then outstanding and an Extraordinary Resolution of the holders of the Series 2 Covered Bonds then outstanding;
- (B) written notice from the Cash Manager (acting reasonably in its own opinion in its determinations) certifying to the Bond Trustee and Security Trustee that:
- I. the replacement Swap Provider has at least the same ratings as the outgoing Swap Provider (or such rating as would be sufficient to maintain a AAA rating from Fitch and a Aaa rating from Moody's) or, as applicable the updated Rating Agency criteria has been published and the relevant amendments to the relevant Swap Agreement and the consequential modifications to the Transaction Documents, as determined by the Cash Manager, are being made solely to implement such updated, published Rating Agency criteria; and
- II. the then current ratings of the Covered Bonds will not be downgraded or withdrawn by the Rating Agencies as a result of such amendments, modifications or replacement of such Swap Provider; and
- (C) a certificate signed by an Authorised Signatory of the Issuer and a certificate signed by a Designated Member of the LLP, each certifying to the Bond Trustee and the Security Trustee that such amendments, replacement of Swap Provider and/or modifications (as the case may be) are not, in the opinion of the Issuer or the LLP, materially prejudicial to the interests of any Covered Bondholders or any Secured Creditor provided that for the purposes of this paragraph (iii) of Condition 14, such amendments, replacement of Swap Provider and/or modifications (as the case may

be) shall be conclusively deemed not to be materially prejudicial to the interest of any Covered Bondholders or any Secured Creditor where such amendments, replacement of Swap Provider and/or modifications would not result in the downgrade or withdrawal by the Rating Agencies of the then current ratings of the Covered Bonds,

(such notice, determination and certificates shall be conclusive and binding on all Secured Creditors (including the Covered Bondholders)), provided that none of the Bond Trustee and the Security Trustee shall be obliged to consent to or concur in any such replacement of a Swap Provider, amendments and/or modifications (as the case may be) which, (i) in the sole opinion of the Bond Trustee and/or the Security Trustee, would have the effect of (a) exposing the Bond Trustee and/or Security Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee and/or Security Trustee under the Transaction Documents or (ii) would result in a Series Reserved Matter. Such replacement, amendments and/or modifications, once implemented, shall be conclusive and binding on all parties and all Secured Creditors (including the Covered Bondholders).

Neither the Bond Trustee nor the Security Trustee shall be responsible or liable in damages or otherwise to any party or person for any loss incurred by reason of the Bond Trustee and/or the Security Trustee consenting to or concurring in such amendments, replacement and modifications.

The Bond Trustee may also agree, without the consent of the Covered Bondholders of any Series, the related Couponholders, to the waiver or authorisation of any breach or proposed breach of any of the provisions of the Covered Bonds of any Series, or determine, without any such consent as aforesaid, that any Issuer Event of Default or LLP Event of Default or Potential Issuer Event of Default or Potential LLP Event of Default shall not be treated as such, provided that, in any such case, it is not, in the opinion of the Bond Trustee, materially prejudicial to the interests of any of the Covered Bondholders of any Series. Save as otherwise expressly provided in the Deed of Charge, the Security Trustee shall agree to the waiver or authorisation of any breach or proposed breach of any of the provisions of any Transaction Document only if so directed by (a) the Bond Trustee, so long as there are any Covered Bonds outstanding or (b) all of the other Secured Creditors, if there are no Covered Bonds outstanding.

In respect of any proposed modification, waiver, authorisation or determination, prior to the Bond Trustee agreeing to any such modification, waiver, authorisation or determination pursuant to this Condition 14, the Issuer must send written confirmation to the Bond Trustee that such modification, waiver, authorisation or determination, as applicable, would not result in a breach of the RCB Regulations or result in the Issuer and/or the Programme ceasing to be registered under the RCB Regulations and that either:

- (a) such modification, waiver, authorisation or determination would not require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations; or
- (b) if such modification, waiver, authorisation or determination would require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations, the Issuer has provided all information required to be provided to the FCA and the FCA has given its consent to such proposed modification, waiver, authorisation or determination.

Any such modification, waiver, authorisation or determination shall be binding on all the Covered Bondholders of all Series of Covered Bonds for the time being outstanding, the related Couponholders and the other Secured Creditors, and unless the Security Trustee and the Bond Trustee otherwise agree, any such modification shall be notified by the Issuer to the Covered

Bondholders of all Series of Covered Bonds for the time being outstanding and the other Secured Creditors in accordance with the relevant terms and conditions as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Bond Trustee and the Security Trustee shall have regard to the general interests of the Covered Bondholders of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Covered Bondholders, the related Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee and the Security Trustee shall not be entitled to require, nor shall any Covered Bondholder or Couponholder be entitled to claim, from the Issuer, the LLP, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholder and/or Couponholders, except to the extent already provided for in Condition 7 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

In having regard to the interests of the Covered Bondholders, the Security Trustee shall be entitled to rely solely on a written confirmation from the Bond Trustee as to whether, in the opinion of the Bond Trustee, any matter, action or omission is or is not in the interests of or is or is not prejudicial or materially prejudicial to the interests of, the Covered Bondholders. The Bond Trustee shall have sole responsibility for resolving conflicts of interest as between Covered Bondholders or any Series or class of them, subject to and in accordance with the provisions of the Trust Deed and the Conditions.

In exercising or performing any of its discretions, rights, powers, trusts or duties under or in relation to these presents or any other Transaction Document (including, without limitation, any consent, approval, modification, waiver, authorisation or determination referred to in these Conditions), the Bond Trustee may have regard to any Rating Agency Confirmation whether or not any such confirmation is addressed to, or provides that it may be relied on by, the Bond Trustee and irrespective of the method by which such confirmation is conveyed.

Substitution

- (a) Subject as provided in the Trust Deed, the Bond Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Covered Bondholders, may agree, without the consent of the Covered Bondholders or Couponholders, to the substitution of any Successor in Business of the Issuer or of a Subsidiary of the Issuer or any such Successor in Business, not being in any such case a building society formed by the amalgamation of the Issuer and one or more other building societies pursuant to section 93 of the Building Societies Act or a building society to which the Issuer has transferred all of its engagements pursuant to section 94 of the Building Societies Act or the successor in accordance with section 97 of the Building Societies Act or a subsidiary of a mutual society to which the Issuer has transferred the whole of its business pursuant to any order made in the future by HM Treasury under section 3 of the Funding and Mutual Societies Transfers Act), in place of the Issuer as principal debtor under the Covered Bonds and the Trust Deed, provided (in case of the substitution of any company which is a Subsidiary of the Issuer or such Successor in Business) that the obligations of such Subsidiary in respect of the Covered Bonds and the Trust Deed in respect thereof shall be guaranteed by the Issuer or such Successor in Business in such form as the Bond Trustee may require.
- (b) In the event of a Permitted Transfer, the successor under such a Permitted Transfer will, automatically be substituted in place of the Issuer as principal debtor under the Trust Deed

without any prior approval (save in the case of a transfer, reconstruction or amalgamation under paragraph (b) or (f) in the definition of Permitted Transfer) thereof being required from the Covered Bondholders, the Couponholders or the Bond Trustee (but without prejudice to the provisions of paragraph (a) above).

- (c) Any substitution pursuant to this Condition 14 shall be binding on the Covered Bondholders and the Couponholders and, unless the Bond Trustee agrees otherwise, shall be notified to the Covered Bondholders as soon as practicable thereafter in accordance with Condition 13.

It shall be a condition of any substitution pursuant to this Condition 14 that:

- (i) the Covered Bond Guarantee shall remain in place or be modified to apply *mutatis mutandis* and continue in full force and effect in relation to any Successor in Business or any Subsidiary of the Issuer or any other successor entity which is proposed to be substituted for the Issuer as principal debtor under the Covered Bonds and the Trust Deed; and
- (ii) any successor to the Issuer, including any Successor in Business or any Subsidiary of the Issuer or of such Successor in Business, is included in the register of Issuers pursuant to the RCB Regulations and that all other provisions of the RCB Regulations (including Regulation 20 of the RCB Regulations) are satisfied prior to the substitution of the Issuer.

- (a) a confirmation of rating or other response by a Rating Agency is a condition to any action or step under any Transaction Document; and
- (b) a written request for such confirmation or response is delivered to that Rating Agency by any of the LLP, the Issuer, Bond Trustee and/or the Security Trustee, as applicable (each a "**Requesting Party**") and the Rating Agency indicates that it does not consider such confirmation or response necessary in the circumstances, the Requesting Party shall be entitled to assume that the then current ratings of the Covered Bonds on issue will not be downgraded or withdrawn by such Rating Agency as a result of such action or step. However, nothing in this Condition 14 shall in any way affect the right of a Rating Agency to downgrade or withdraw its then Current Ratings of the Covered Bonds in such a manner as it sees fit.

The Bond Trustee and/or the Security Trustee shall be entitled to treat as conclusive a certificate signed by an Authorised Signatory of the Issuer or a Designated Member of the LLP as to any matter referred to in (b) above, and the Bond Trustee and/or the Security Trustee, shall not be responsible for any loss, liability, costs, damages, expenses or inconvenience that may be caused as a result.

The Trust Deed and the Deed of Charge also contain provisions pursuant to which each of the Bond Trustee and Security Trustee, respectively, is entitled, *inter alia*: (i) to enter into business transactions with the Issuer, the LLP and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the LLP and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Covered Bondholders or Couponholders or the other Secured Creditors and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

Neither the Bond Trustee nor the Security Trustee will be liable to any Covered Bondholder or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent chargee in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

Each of the Bond Trustee and the Security Trustee may refrain from taking any action or exercising any right, power, authority or discretion vested in it relating to the transactions contemplated in the Transaction Documents until it has been indemnified and/or secured to its satisfaction against any and all actions, charges, claims, costs, damages, demands, expenses, liabilities, losses and

COVENTRY BUILDING SOCIETY

Introduction

Coventry Building Society is the third largest building society in the United Kingdom based on asset size with Group assets as at 31 December 2013 of £28,253.3 million. All figures in this section are extracted from the audited consolidated annual financial statements of the Society for the year ended 31 December 2013. The Society now operates a regional network of 70 branches, 21 agencies and has over 1.7 million Members.

The Society

The Society was originally founded in 1884 and in its present form was created as a result of a merger between Coventry Economic Building Society and Coventry Provident Building Society on 30 June 1983 and, more recently, as a result of a merger between Coventry Building Society and Stroud & Swindon Building Society ("**Stroud & Swindon**") on 1 September 2010. The Society's principal office is Economic House, High Street, Coventry, CV1 5QN United Kingdom – telephone number +44 24 7655 5255.

The Society operates exclusively in the United Kingdom and has a branch network focused on Coventry, Warwickshire and the South West. Mortgage, savings and related products are offered via branches, the internet, by telephone and through the post to customers both inside and outside the branch operating area.

The Society is incorporated under the Building Societies Act 1986 and operates in accordance with the Act, regulations made thereunder and its Rules and Memorandum. The Society is an incorporated building society for the purposes of the Act and is authorised and regulated by the FCA and PRA under firm reference number 150892. The affairs of the Society are conducted and managed by a Board who are elected and serve in accordance with the Rules and Memorandum. The Board is responsible to the members for the proper conduct of the affairs of the Society and appoints and supervises executives who are responsible to the Board for the day to day management of the Society.

The Society is a mutual organisation with both retail investors and borrowers having membership. Eligibility to vote at General Meetings is governed by the Act and by the Society's Rules.

In addition the Society has two subsidiary lending businesses, Godiva Mortgages Limited ("**Godiva**") and ITL Mortgages Limited ("**ITL**"). As at 31 December 2013 Godiva had assets of £7,089.3 million and ITL had assets of £849.1 million. Borrowers from Godiva and ITL do not become members of the Society by virtue of this borrowing.

For the avoidance of doubt all figures quoted are the consolidated numbers for the Group (i.e. the Society, and its subsidiaries).

Business

General

The principal purpose of the Society, as stated in Clause 3 of its Memorandum, is making loans which are secured on residential property and are funded substantially by its members. The Society seeks to provide a safe and attractive home for members' savings.

The Society obtains funds from the retail market through personal savings and deposit accounts and also raises funds in the wholesale markets. It advances the funds raised mainly to borrowers on the security of first charge mortgages secured on freehold and leasehold property.

The Society concentrates on its core business of personal savings and residential mortgage lending. As at 31 December 2013 loans fully secured on residential property represented 99 per cent. of its business assets.

Mortgage lending activities

During 2013 the Society made mortgage and other loan advances of £5.9 billion gross, with a net increase in lending of £2.1 billion. The corresponding figures for 2012 were advances of £5.1 billion and an increase in net lending of £2.3 billion.

Personal savings activities

The Society's main source of funding continues to be the retail savings market. Members with savings in the Society are described in the Society's Rules as holding shares in the Society. Shares held principally by individuals amounted to £21.3 billion as at 31 December 2013, representing 79.7 per cent. of total shares and borrowings.

Cost control

As a result of its focus on containing costs, the Society's ratio of management expenses to mean total assets as at 31 December 2013 was 0.39 per cent. This was the lowest level of any of the ten largest UK building societies by assets (based on the latest annual financial statements published by each of the relevant societies); the corresponding figure for 2012 was 0.38 per cent.

Financial position and liability management

Capital base

The Society is well capitalised and had a Core Tier 1 capital ratio of 24.3 per cent. at the end of 2013. The table below sets out the consolidated capital ratios of the Society (on an individual consolidated basis), based on the Society's current understanding of the regulations.

	Current rules 31 December 2013 (%)	Transitional rules 1 January 2014 (%)	Post- transitional end-point 1 January 2014 (%)
Core/Common Equity Tier 1 (as a percentage of risk weighted assets)	24.3	22.7	22.7
Tier 1 (as a percentage of risk weighted assets)	28.6	26.1	22.7
Total capital (as a percentage of risk weighted assets)	29.9	27.4	22.8
Leverage ratio	3.6	3.4	3.0

The Core/Common Equity Tier 1 Capital Ratio is the sum of general reserves less various prescribed deductions, divided by risk weighted assets.

On 26 June 2014, the Society issued £400m of Perpetual Contingent Convertible Additional Tier 1 Capital Securities Callable November 2019. The instrument is fully CRD IV compliant and will add to the Tier 1 Capital, Total Capital and Leverage ratios shown above.

The Society has further subscribed Tier 1 capital in the form of Permanent Interest Bearing Shares as per the table below:

Subscribed Capital

The Society currently has the following Permanent Interest Bearing Shares in issue:

£120 million Permanent Interest Bearing Shares 2006 - 6.092%	June 2016	120.1	119.8

Interest is paid in arrears on the 1992 £40 million Permanent Interest Bearing Shares at the rate of 12 1/8 per cent. per annum in half-yearly instalments, and on the 2006 £120 million Permanent Interest Bearing Shares at the rate of 6.092 per cent. per annum in half-yearly instalments. The shares are repayable only in the event of a winding up of the Society or otherwise with the prior consent of the PRA. In a winding up or dissolution of the Society the claims of the holders of Permanent Interest Bearing Shares would rank behind all other creditors of the Society including subordinated liabilities and the claims of members holding shares as to principal and interest. The holders of Permanent Interest Bearing Shares are not entitled to any share in any final surplus upon a winding up or final dissolution of the Society.

Following the expiry of transitional provisions the Permanent Interest Bearing Shares are not eligible as Tier 1 capital.

Business Developments

The Society is committed to retaining its building society status, which it believes enables better outcomes for its members. Initiatives for savers and borrowers include the following:

Borrowers

- Competitive traditional residential sector mortgage products as well as a wide range of other competitive products including offset mortgages and low loan to value buy to let mortgages
- Existing borrowers have access to mortgage products at new business rates.
- Privilege rate loyalty discount for borrowers who have been on the same mortgage scheme for five years.

Savers

- Competitive product set which offers traditional fixed rate bonds, instant access accounts, ISAs, children's accounts, which are available through branch, telephone and internet channels.

With no dividends to pay to outside shareholders and high levels of cost efficiency, the Society is able to offer competitive interest rates to both savers and borrowers, not only to attract new customers but also to ensure that existing customers are retained as well.

Profits for the full year ending 31 December 2013 before tax totalled £132.1 million. Capital, reserves and subordinated liabilities and subscribed capital of £1,114.7 million enabled the Society to achieve a Common Equity Tier 1 ratio of 24.3 per cent. under current regulatory requirements.

SUMMARY OF THE PRINCIPAL DOCUMENTS

Trust Deed

The Trust Deed, made between the Issuer, the LLP, the Bond Trustee and the Security Trustee on the Programme Date, is the principal agreement governing the Covered Bonds. The Trust Deed contains provisions relating to, *inter alia*:

- the constitution of the Covered Bonds and the terms and conditions of the Covered Bonds (as more fully set out under Terms and Conditions of the Covered Bonds above);
- the covenants of the Issuer and the LLP;
- the terms of the Covered Bond Guarantee (as described below);
- the enforcement procedures relating to the Covered Bonds and the Covered Bond Guarantee; and
- the appointment, powers and responsibilities of the Bond Trustee and the circumstances in which the Bond Trustee may resign or retire or be removed.

Covered Bond Guarantee

Under the terms of the Covered Bond Guarantee, if the Issuer defaults in the payment on the due date of any monies due and payable under or pursuant to the Trust Deed or the Covered Bonds or any Coupons, if any other Issuer Event of Default occurs (other than by reason of non-payment) or if an LLP Event of Default occurs, the LLP has agreed (subject as described below) to pay or procure to be paid (following service of an Issuer Acceleration Notice and Notice to Pay or, if applicable, an LLP Acceleration Notice) unconditionally and irrevocably to or to the order of the Bond Trustee (for the benefit of the Covered Bondholders), an amount equal to that portion of the Guaranteed Amounts which shall become Due for Payment but would otherwise be unpaid, as of any Original Due for Payment Date or, if applicable, Extended Due for Payment Date, by the Issuer. Under the Covered Bond Guarantee, the Guaranteed Amounts will become due and payable on any earlier date on which an LLP Acceleration Notice is served.

Following the occurrence of an Issuer Event of Default and after the Covered Bonds have been declared due and payable by the Bond Trustee as against the Issuer, following service of an Issuer Acceleration Notice, the Bond Trustee will serve a Notice to Pay on the LLP. Payment by the LLP of the Guaranteed Amounts pursuant to the Covered Bond Guarantee will be made on the later of: (i) the day which is two Business Days following service of a Notice to Pay on the LLP; or (ii) the day on which the Guaranteed Amounts are otherwise Due for Payment.

All payments of Guaranteed Amounts by or on behalf of the LLP will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or other governmental charges of whatever nature, unless the withholding or deduction of such taxes, assessments or other governmental charges are required by law or regulation or administrative practice of the United Kingdom or any political subdivision thereof or any authority therein or thereof having the power to tax. If any such withholding or deduction is required, the LLP will pay the Guaranteed Amounts net of such withholding or deduction and shall account to the appropriate tax authority for the amount required to be withheld or deducted. The LLP will not be obliged to pay any amount to the Bond Trustee or any holder of Covered Bonds in respect of the amount of such withholding or deduction.

Under the terms of the Covered Bond Guarantee, the LLP agrees that its obligations under the Covered Bond Guarantee shall be as principal debtor and not merely as surety and shall be absolute and unconditional, irrespective of, and unaffected by, any invalidity, irregularity or unenforceability of, or defect in, any provisions of the Trust Deed or the Covered Bonds or Receipts or Coupons or the absence of any action to

enforce the same or the waiver, modification or consent by the Bond Trustee or any of the Covered Bondholders, Receiptholders or Couponholders in respect of any provisions of the same or the obtaining of any judgment or decree against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defence of a guarantor.

Subject to the grace period specified in Condition 9(b) (*LLP Events of Default*) of the Conditions, failure by the LLP to pay the Guaranteed Amounts when Due for Payment will result in an LLP Event of Default.

The Trust Deed provides that the Excess Proceeds shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the LLP for its own account, as soon as practicable, and shall be held by the LLP in the Standby GIC Account and the Excess Proceeds shall thereafter form part of the Security and shall be used by the LLP in the same manner as all other monies from time to time standing to the credit of the LLP Accounts. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the Covered Bonds, Receipts and Coupons. However, the obligations of the LLP under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and Notice to Pay or, if earlier, service of an LLP Acceleration Notice) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the LLP in the manner as described above.

The Trust Deed and any non-contractual obligations arising out of or in respect of it are governed by and shall be construed in accordance with English law.

Intercompany Loan Agreement

On each Issue Date, the Issuer will use the proceeds of the Covered Bonds issued under the Programme to lend on that date an amount equal to the Principal Amount Outstanding on the Issue Date of the issue of the related Covered Bonds to the LLP by way of a Term Advance pursuant to the Intercompany Loan Agreement. Each Term Advance will be made in the Specified Currency of the relevant Series or Tranche, as applicable, of the Covered Bonds, as set out in the applicable Final Terms, and will be swapped into Sterling pursuant to the relevant Covered Bond Swap Agreement. The Sterling Equivalent of each Term Advance will be used by the LLP: (a) as consideration in part for the acquisition of Loans and their Related Security from the Seller pursuant to the terms of the Mortgage Sale Agreement, as described under – "*Mortgage Sale Agreement – Sale by the Seller of Loans and their Related Security*"; and/or (b) to invest in Substitution Assets in an amount not exceeding the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP: (i) as consideration in part for the acquisition of Loans and their Related Security from the Seller pursuant to the terms of the Mortgage Sale Agreement, as described under – "*Mortgage Sale Agreement – Sale by the Seller of Loans and their Related Security*"; and/or (ii) to invest in Substitution Assets in an amount not exceeding the prescribed limit; and/or (iii) (subject to satisfying the Asset Coverage Test), to make a Capital Distribution to a Member; and or (iv) if an existing Series, or part of an existing Series, of Covered Bonds is being refinanced by such issue of Covered Bonds, to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced; and/or (v) to make a deposit in the Standby GIC Account (including, without limitation, to fund the Reserve Fund to an amount not exceeding the prescribed limit). Each Term Advance will bear interest at a rate of interest equal to the rate of interest payable on the corresponding Series or Tranche, as applicable, of Covered Bonds.

The Issuer will not be relying on repayment of any Term Advance in order to meet its repayment obligations under the Covered Bonds. The LLP will pay amounts due in respect of Term Advances(s) in accordance with the relevant Priorities of Payments. Prior to the service of an Asset Coverage Test Breach Notice (which has not been revoked) or a Notice to Pay on the LLP, amounts due in respect of each Term Advance will be paid by the LLP to, or as directed by, the Issuer on each Interest Payment Date, subject to paying all higher ranking amounts in the Pre-Acceleration Revenue Priority of Payments or, as applicable, the Pre-

Acceleration Principal Priority of Payments. The Issuer may use the proceeds of the Term Advances to pay amounts due on the Covered Bonds. However, any failure by the LLP to pay any amounts due on the Term Advances will not affect the liability of the Issuer to pay the relevant amount due on the Covered Bonds. For so long as an Asset Coverage Test Breach Notice is outstanding and has not been revoked, the LLP may not borrow any new Term Advances (and the Issuer may not make any new Term Advances) under the Intercompany Loan Agreement.

The amounts owed by the LLP to the Issuer under the Term Advances will be reduced by: (i) any amounts paid by the LLP under the terms of the Covered Bond Guarantee to repay the Covered Bonds (the proceeds of which were originally applied to make such Term Advances); and (ii) the Principal Amount Outstanding of any Covered Bonds (the proceeds of which were originally applied to make such Term Advances) purchased by the LLP and cancelled in accordance with Condition 6(h) (*Cancellation*).

The Intercompany Loan Agreement is governed by and shall be construed in accordance with English law.

Mortgage Sale Agreement

The Seller

Loans and their Related Security will be sold to the LLP from time to time pursuant to the terms of the Mortgage Sale Agreement entered into on the Programme Date between the Society (in its capacity as Seller), the LLP and the Security Trustee.

Sale by the Seller of Loans and Related Security

The Portfolio will consist of Loans and their Related Security sold from time to time by the Seller to the LLP in accordance with the terms of the Mortgage Sale Agreement. The types of Loans forming part of the Portfolio will vary over time provided that, at the time the relevant Loans are sold to the LLP, the Eligibility Criteria (as described below) in respect of such Loans are met on the relevant Transfer Date. Accordingly, the Portfolio may, at any time, include Loans with characteristics that were not being offered to Borrowers on previous Transfer Dates.

Prior to the occurrence of an Issuer Event of Default or an LLP Event of Default, the LLP will acquire Loans and their Related Security from the Seller in the three circumstances described below.

- (a) First, in relation to the issue of Covered Bonds from time to time in accordance with the Programme, the Issuer will make Term Advances to the LLP, the proceeds of which may be applied in whole or in part by the LLP to acquire Loans and their Related Security from the Seller. In exchange for the sale of the Loans and their Related Security to the LLP, the Seller will receive an amount equal to the True Balance of those Loans sold by it as at the Transfer Date, which will be satisfied by a combination of:
 - (i) a cash payment to be made by the LLP from the proceeds of the relevant Term Advance and/or from Available Principal Receipts; and/or
 - (ii) the Seller being treated as having made a Capital Contribution in an amount equal to the difference between the True Balance of the Loans sold by the Seller as at the relevant Transfer Date and the cash payment (if any) made by the LLP; and
 - (iii) Deferred Consideration.
- (b) Second, prior to service of an Asset Coverage Test Breach Notice on the LLP (which has not been revoked), the LLP will use the Available Principal Receipts to acquire New Loans and their Related Security and Additional Loan Advances from the Seller and/or Substitution Assets (in respect of any

Substitution Assets, up to the prescribed limit) on any London Business Day (including an LLP Payment Date).

- (c) Third, the LLP and the Seller are required to ensure that the Portfolio is maintained at all times in compliance with the Asset Coverage Test (as determined by the Cash Manager on each Calculation Date). If on any Calculation Date there is a breach of the Asset Coverage Test the Seller will use all reasonable endeavours to offer to sell sufficient New Loans and their Related Security to the LLP on or before the next Calculation Date in consideration of the Seller being treated as having made a Capital Contribution (in an amount equal to the True Balance of the New Loans) sold by the Seller as at the relevant Transfer Date and in consideration of the right to receive the Deferred Consideration.

The LLP shall pay to the Seller as part of the Deferred Consideration any and all Early Repayment Charge Receipts received by the LLP in respect of the Loans included in the Initial Portfolio provided that, if the Servicer determines that any Loans in respect of which Early Repayment Charges are payable are the subject of a trust, the Seller, the LLP and the Security Trustee agree that the benefit of any Early Repayment Charges payable under such Loan shall, on the date of payment to the Seller of the related Early Repayment Charge Receipts, be released from such trust.

If Selected Loans and their Related Security are sold by or on behalf of the LLP as described below under "*LLP Deed – Requirement to sell Selected Loans following service of a Notice to Pay*", the obligations of the Seller insofar as they relate to those Selected Loans and their Related Security will cease to apply.

The Seller will also be required to repurchase Loans and their Related Security sold to the LLP in the circumstances described below under "*Repurchase of Loans*".

Eligibility Criteria

The sale of Loans and their Related Security to the LLP will be subject to various conditions (the "**Eligibility Criteria**") being satisfied on the relevant Transfer Date or in respect of Additional Loan Advances, on the next Calculation Date, including:

- (a) no Issuer Event of Default or LLP Event of Default under the Transaction Documents shall have occurred which is continuing as at the relevant Transfer Date;
- (b) the LLP, acting on the advice of the Cash Manager, is not aware, and could not reasonably be expected to be aware, that the purchase of the Loans and their Related Security, would adversely affect the then current ratings by Moody's or Fitch of the Covered Bonds;
- (c) the weighted average yield on the Loans in the Portfolio (including the New Loans) is at least 0.40 per cent. greater than LIBOR for one month Sterling deposits after taking into account (i) the average yield on the Loans and (ii) the margins on the Interest Rate Swaps and (iii) the average yield on any Substitution Assets held by the LLP;
- (d) no Loan has a True Balance of more than £1,000,000;
- (e) no loan has any arrears outstanding;
- (f) no Loan to be sold on the First Transfer Date or on any subsequent Transfer Date relates to a Property which is not a residential Property; and
- (g) no Loan constitutes a New Loan Type, in respect of which no Rating Agency Confirmation has been received by the Security Trustee in accordance with the terms of the Mortgage Sale Agreement, that such Loan may be sold to the LLP.

On the relevant Transfer Date, the Representations and Warranties (described below in – "*Representations and Warranties*") will be given by the Seller in respect of the Loans and their Related Security sold by the Seller to the LLP.

If the Seller accepts an application from or makes an offer (which is accepted) to a Borrower for a Product Switch or Additional Loan Advance, then if the Eligibility Criteria referred to in paragraphs (a), (c), (d), (e) and (f) above relating to the Loan subject to that Product Switch or Additional Loan Advance is not satisfied on the next following Calculation Date, the LLP will be entitled to rectify the relevant breach of those Eligibility Criteria by (in the event of a breach of the Eligibility Criteria in paragraphs (a), (c), (d), (e) and (f) above) requiring the Seller to repurchase the Loans subject to any Product Switch or Additional Loan Advance or (in the event of a breach of the Eligibility Criteria in paragraph (c) above) by requiring the Seller to transfer further Loans to the LLP in an amount sufficient to ensure that the Eligibility Criterion in paragraph (c) above is met.

Transfer of Title to the Loans to the LLP

Loans will be sold by the Seller to the LLP by way of equitable assignment. Until the LLP has confirmed that it has obtained the requisite licence under the CCA, the Seller will hold all such Loans on trust absolutely for the LLP (the "**CCA Mortgages Trust**") and, following receipt of such confirmation from the LLP, such Loans and their Related Security will be assigned to the LLP. As a result, legal title to all of the Loans and their Related Security will remain with the Seller until legal assignments are delivered by the Seller to the LLP and notice of the sale is given by the Seller to the Borrowers. Legal assignment of the Loans and their Related Security (including, where appropriate, their registration or recording in the relevant property register) to the LLP will be deferred and will only take place in the limited circumstances described below.

Legal assignment of the Loans and their Related Security to the LLP (or, where specified, of the Selected Loans and their Related Security) (and, if such Loans and their Related Security are, at such time, held on trust for the LLP prior to the LLP confirming that it has obtained the requisite licence under the CCA, notification to Borrowers of the LLP's interest in such Loans and Related Security under the CCA Mortgages Trust) will be completed on or before the 20th Business Day after the earliest of the following:

- (a) either: (i) the occurrence of an Issuer Event of Default under Condition 9(a)(i) to (vi) (*Issuer Events of Default*) and service on the Issuer of an Issuer Acceleration Notice and the service on the LLP of a Notice to Pay; or (ii) if the Bond Trustee has previously served on the Issuer an Issuer Acceleration Notice and served on the LLP a Notice to Pay in respect of an Issuer Event of Default under Condition 9(a)(vii) (*Issuer Events of Default*), then the occurrence of any other Issuer Event of Default;
- (b) a written direction is received by the Issuer from the FSA requiring the transfer of all of the engagements or the business of the Issuer to another entity in circumstances where the rights of borrowing members of the Society will cease (provided that, where approval of the transfer from the members of the Issuer is required by either the FSA or applicable law, such approval is obtained);
- (c) in respect of Selected Loans only, at the request of the LLP following the acceptance of any offer to sell the Selected Loans and their Related Security to any person who is not the Seller;
- (d) the Seller and/or the LLP being required: (i) by law; (ii) by an order of a court of competent jurisdiction; (iii) by a regulatory authority which has jurisdiction over the Seller; or (iv) by any organisation of which the Seller is a member, or whose members comprise, but are not necessarily limited to, mortgage lenders and with whose instructions it is customary for the Seller to comply, to perfect legal title to the Loans; and
- (e) the Seller requesting a transfer by way of assignment by giving notice in writing to the LLP and the Security Trustee.

Pending completion of the transfer, the right of the LLP to exercise the powers of the legal owner of, the Mortgages will be secured by, an irrevocable power of attorney granted by the Seller in favour of the LLP and the Security Trustee.

Except where lodged with the relevant registry in relation to any registration or recording which may be pending at the Land Registry, and save in relation to Loans which are Dematerialised Loans, the Title Deeds and Loan Files relating to the Loans in the Portfolio will be held by or to the order of the Seller or the Servicer, as the case may be, or by solicitors, licensed conveyancers acting for the Seller in connection with the creation of the Loans and their Related Security. The Seller or the Servicer, as the case may be, will undertake that, save in relation to Loans which are Dematerialised Loans, all the Title Deeds and Loan Files relating to the Loans in the Portfolio which are at any time in their possession or under their control or held to their order will be held to the order of the Security Trustee or as the Security Trustee may direct.

Representations and Warranties

None of the LLP, the Security Trustee or the Bond Trustee has made or has caused to be made on its behalf any enquiries, searches or investigations in respect of the Loans and their Related Security to be sold to the LLP. Instead, each is relying entirely on the Representations and Warranties by the Seller contained in the Mortgage Sale Agreement. The parties to the Mortgage Sale Agreement may, with the prior written consent of the Security Trustee (which shall be given if Rating Agency Confirmation has been received), amend the Representations and Warranties in the Mortgage Sale Agreement. The Representations and Warranties include the following and are given on the relevant Transfer Date in respect of the Loans and Related Security to be sold to the LLP only on that date and on the Calculation Date following the making of any Additional Loan Advance or Product Switch in respect of the Loan to which the Additional Loan Advance or Product Switch relates only:

- each Loan was originated or purchased by the Coventry Group or any successor in business in the ordinary course of business on or after 1 January 2000 and was denominated in pounds Sterling upon origination or acquisition (or was denominated in euro upon origination or acquisition if the euro has been adopted as the lawful currency of the United Kingdom) and in respect of Loans purchased or acquired by the Seller: (i) confirmation has been received from each Rating Agency that the purchase of such Loans by the Seller would not adversely affect the then current ratings of the Covered Bonds; and (ii) the amount of Loans purchased by the Seller does not exceed 20 per cent. of the Portfolio;
- at least two monthly payments due in respect of each Loan has been paid by the relevant Borrower;
- no Loan has a True Balance of more than £1,000,000;
- each Loan has a remaining term of less than 50 years as at the relevant Transfer Date;
- in cases where the Initial Advance or Additional Loan Advance was originated by the Seller prior to the making of each Initial Advance or Additional Loan Advance, the Lending Criteria and all preconditions to the making of any Loan were satisfied in all material respects subject only to such exceptions and waivers as made on a case by case basis as would be acceptable to a Reasonable, Prudent Mortgage Lender;
- each Loan and its Related Security acquired from time to time by the Seller satisfied in all material respects subject only to such exceptions and waivers as made on a case by case basis as would be acceptable to a Reasonable Prudent Mortgage Lender the Seller's Lending Criteria in force at the time of its acquisition.
- the Lending Criteria are consistent with the criteria that would be used by a Reasonable, Prudent Mortgage Lender;

- all of the Borrowers are individuals (and not partnerships) and were aged 18 years or older at the date he or she executed the relevant Mortgage;
- the whole of the True Balance on each Loan is secured by a Mortgage over residential property;
- subject in certain appropriate cases to the completion of an application for registration at the Land Registry, each Mortgage constitutes a valid and subsisting first charge by way of legal mortgage;
- the True Balance on each Loan and its Related Security constitute a legal, valid, binding and enforceable debt due to the Seller from the relevant Borrower and the terms of each Loan and its Related Security constitute valid and binding obligations of the Borrower enforceable in accordance with their terms and non-cancellable except that enforceability may be limited by bankruptcy, insolvency or other similar laws of general applicability affecting the enforcement of creditors' rights generally and the court's discretion in relation to equitable remedies;
- all approvals, consents and other steps necessary to permit a legal or equitable or beneficial transfer, or a transfer of servicing or other disposal as and in the manner contemplated by the Transaction Documents from the Seller to the LLP, of the Loans and their related Mortgages to be sold under the Mortgage Sale Agreement have been obtained or taken and there is no requirement in order for the transfer to be effective to obtain the consent of the Borrower before, on or after any equitable or beneficial transfer or before any legal transfer of the Loans and their related Mortgages and such transfer or disposal shall not give rise to any claim by the Borrower against the LLP, the Security Trustee or any of their successors in title or assigns;
- all of the Properties are located in England or Wales;
- unless a Loan is a Loan Without Independent Valuation, not more than 12 months (or a longer period as may be acceptable to a Reasonable, Prudent Mortgage Lender) prior to the granting of each Mortgage, the Seller received a Valuation Report on the relevant Property (or another form of report concerning the valuation of the relevant Property as would be acceptable to a Reasonable, Prudent Mortgage Lender), the contents of which were such as would be acceptable to a Reasonable, Prudent Mortgage Lender;
- prior to the taking of each Mortgage (other than a remortgage), the Seller:
 - instructed its solicitor, licensed conveyancer to carry out an investigation of title to the relevant Property and to undertake other searches, investigations, enquiries and other actions on behalf of the Seller in accordance with the instructions which the Seller issued to the relevant solicitor, licensed conveyancer as are set out, in the case of Loans, in the CML's Lenders' Handbook for England and Wales or other comparable or successor instructions and/or guidelines as may for the time being be in place, subject only to those variations as would be acceptable to a Reasonable, Prudent Mortgage Lender; and
 - received a Certificate of Title from the solicitor or licensed conveyancer referred to in the Mortgage Sale Agreement relating to such Property the contents of which were such as would have been acceptable to a Reasonable, Prudent Mortgage Lender at that time;
- at origination buildings insurance cover for each Property is available under either: (i) a policy arranged by the Borrower; or (ii) in the case of leasehold property or a commonhold property a policy arranged by the relevant landlord or property management company; and since origination the Seller has not received notice that any such property has since become uninsured or, to the extent that the Seller has received such notice, the Seller has arranged Freedom of Agency insurance, the benefit of which has been assigned to the LLP;

- immediately prior to the purchase of any Loan and the Related Security by the LLP, and subject to registration or recording at the Land Registry the Seller has good title to, and is the absolute unencumbered legal and beneficial owner of, all property, interests, rights and benefits in relation to the Loans and Related Security agreed to be sold and/or assigned by the Seller to the LLP under the Mortgage Sale Agreement free and clear of all Security Interests, claims and equities (including, without limitation, rights of set-off or counterclaim and overriding interests within the meaning of either section 3(xvi) of the Land Registration Act 1925 in the case of any property, interests or rights governed by English law) subject in each case only to the Mortgage Sale Agreement and the Borrower's equity of redemption and the Seller is not in breach of any covenant implied by reasons of its selling the relevant Portfolio with full title guarantee;
- the Seller has, since the making of each Loan, kept or procured the keeping of full and proper accounts, books and records as are necessary to show all material transactions, payments, receipts, proceedings and notices relating to such Loan;
- there are no governmental authorisations, approvals, licences or consents required as appropriate for the Seller to enter into or to perform its obligations under the Mortgage Sale Agreement or to make the Mortgage Sale Agreement legal, valid, binding, enforceable and admissible in evidence in a court in England and Wales which have not been obtained;
- each Loan and its Related Security will be "eligible property" for the purposes of Regulation 2 of the RCB Regulations; and
- the rate of interest under each Loan is charged in accordance with the Standard Documentation, subject to the terms of any offer letter in relation thereto.

If New Loan Types are to be sold to the LLP, then the Representations and Warranties in the Mortgage Sale Agreement will be modified as required to accommodate these New Loan Types. The prior consent of the Covered Bondholders to the requisite amendments will not be required to be obtained.

Repurchase of Loans

If the Seller receives a Loan Repurchase Notice from the Cash Manager identifying a Loan or its Related Security in the Portfolio which does not, as at the relevant Transfer Date or relevant Calculation Date (in the case of an Additional Loan Advance), materially comply with the Representations and Warranties set out in the Mortgage Sale Agreement, then the Seller will be required to repurchase: (i) any such Loan and its Related Security; and (ii) any other Loans of the relevant Borrower and their Related Security that are included in the Portfolio. The repurchase price payable upon the repurchase of any Loan is an amount (not less than zero) equal to the True Balance thereof and expenses as at the relevant repurchase date. The repurchase price to be paid by the Seller may be satisfied by way of a cash payment or, subject to compliance with the Asset Coverage Test (as calculated on the date of repurchase by reference to the Asset Coverage Test calculated on the immediately preceding Calculation Date taking into account any sales and repurchases (including the contemplated repurchase) since such Calculation Date), a reduction in the Capital Contribution Balance of the Seller. Any repurchase proceeds received by the LLP will be applied (other than Accrued Interest and Arrears of Interest) in accordance with the Pre-Acceleration Principal Priority of Payments (see "*Cashflows*" below).

In addition to the foregoing circumstances, the Seller will also be required to repurchase a Loan or Loans and its or their Related Security sold by the Seller to the LLP where:

- (a) an Additional Loan Advance made in respect of a Loan results in certain Eligibility Criteria being breached;
- (b) a Product Switch occurs. In these circumstances, the Seller will be able to offer to sell the affected Loan back to the LLP; or

- (c) a proposed Product Switch or Additional Loan Advance would result in the LLP being required to be regulated by the FSA by reason of it entering into a Regulated Mortgage Contract. In these circumstances, if the Seller or Borrower accepts an offer for the Product Switch, the Servicer or administrator (as the case may be) will notify the LLP and the Seller will be required to repurchase the affected Loan or Additional Loan Advance before the Product Switch takes place.

Defaulted Loans

If a Seller receives a Defaulted Loans Notice from the Cash Manager identifying any Defaulted Loan, then that Defaulted Loan will be attributed a reduced weighting in the calculation of the Asset Coverage Test and the Amortisation Test as at the relevant Calculation Date. In addition, the Seller may, at its option, repurchase a Defaulted Loan and its Related Security from the LLP for an amount equal to its True Balance as at the date of repurchase. The repurchase price to be paid by the Seller may be satisfied by way of a cash payment or, subject to compliance with the Asset Coverage Test (as calculated on the date of repurchase by reference to the Asset Coverage Test calculated on the immediately preceding Calculation Date taking into account any sales and repurchases (including the contemplated repurchase) since such Calculation Date), a reduction in the Capital Contribution Balance of the Seller.

General ability to repurchase

Prior to the occurrence of an Issuer Event of Default, the Seller may from time to time offer to repurchase a Loan and its Related Security from the LLP for a purchase price of not less than the aggregate True Balance of the relevant Loan. The LLP may accept such offer at its discretion.

Right of Pre-emption

Under the terms of the Mortgage Sale Agreement, the Seller has a right of pre-emption in respect of any sale, in whole or in part, of Selected Loans and their Related Security.

The LLP will serve on the Seller a Selected Loan Offer Notice offering to sell those Selected Loans and their Related Security for an offer price equal to the greater of the then True Balance of the Selected Loans and the Adjusted Required Redemption Amount, subject to the offer being accepted by the Seller within ten Business Days. If an Issuer Event of Default has occurred but no liquidator or administrator has been appointed to the Seller, the Seller's right to accept the offer (and therefore its right of pre-emption) will be conditional upon the delivery by the Seller of a solvency certificate to the LLP and the Security Trustee. If the Seller rejects the LLP's offer or fails to accept it in accordance with the foregoing, the LLP will offer to sell the Selected Loans and their Related Security to other Purchasers (as described under "*LLP Deed – Sale of Selected Loans and their Related Security following the occurrence of an Issuer Event of Default*", below).

If the Seller validly accepts the LLP's offer to sell the Selected Loans and their Related Security, the LLP will, within three Business Days of such acceptance, serve a Selected Loan Repurchase Notice on the Seller. The Seller will sign and return a duplicate copy of the Selected Loan Repurchase Notice and will repurchase from the LLP free from the Security created by and pursuant to the Deed of Charge the relevant Selected Loans and their Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) referred to in the relevant Selected Loan Repurchase Notice. Completion of the purchase of the Selected Loans and their Related Security by the Seller will take place on the LLP Payment Date after receipt of the Selected Loans Repurchase Notice(s) or such date as the LLP may direct in the Selected Loans Repurchase Notice (provided that such date is not later than the earlier to occur of the date which is: (a) ten Business Days after returning the Selected Loan Repurchase Notice to the LLP; and (b) the Final Maturity Date of the Earliest Maturing Covered Bonds).

For the purposes hereof:

"Adjusted Required Redemption Amount" means, the Sterling Equivalent of the Required Redemption Amount, plus or minus the Sterling Equivalent of any swap termination amounts payable under the Covered

Bond Swap Agreement to or by the LLP in respect of the relevant Series of Covered Bonds less (where applicable) amounts standing to the credit of the LLP Accounts and the Sterling Equivalent of the principal balance of any Authorised Investments (excluding all amounts to be applied on the next following LLP Payment Date to repay higher ranking amounts in the Guarantee Priority of Payments and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds) plus or minus any swap termination amounts payable by or to the LLP under the Interest Rate Swap Agreement.

"Required Redemption Amount" means, in respect of a Series of Covered Bonds, the amount calculated as follows:

$$\text{the Principal Amount Outstanding of the relevant Series of Covered Bonds} \times (1 + \text{Negative Carry Factor} \times (\text{days to maturity of the relevant Series of Covered Bonds} / 365))$$

Further drawings under Loans

The Seller is solely responsible for funding all Additional Loan Advances in respect of Loans sold by the Seller to the LLP, if any. The amount of the Seller's Capital Contribution will increase by the amount of the funded Additional Loan Advances.

Authorised Underpayments

In the event that the Seller permits a Borrower to make an authorised underpayment, the Seller will be required to pay to the LLP an amount equal to the unpaid interest associated with that authorised underpayment and the amount of any such payment representing capitalised interest in respect of that authorised underpayment shall constitute a Cash Capital Contribution by the Seller to the LLP.

New Sellers

In the future, any New Seller that wishes to sell loans and their Related Security to the LLP will accede to, *inter alia*, the Mortgage Sale Agreement. The sale of New Loans and their Related Security by New Sellers to the LLP will be subject to certain conditions, including the following:

- each New Seller accedes to the terms of the LLP Deed as Member (with such subsequent amendments as may be agreed by the parties thereto) so that it has, in relation to those New Loans and their Related Security to be sold by the relevant New Seller, substantially the same rights and obligations as the Seller had in relation to those Loans and their Related Security comprised in the Initial Portfolio under the LLP Deed;
- each New Seller accedes to the terms of the Mortgage Sale Agreement (with such subsequent amendments as may be agreed by the parties thereto) or enters into a new mortgage sale agreement with the LLP and the Security Trustee, in each case so that it has, in relation to those New Loans and their Related Security to be sold by the relevant New Seller, substantially the same rights and obligations as the Seller had in relation to those Loans and their Related Security comprised in the Initial Portfolio under the Mortgage Sale Agreement;
- each New Seller accedes to the Programme Agreement and enters into such other documents as may be required by the Security Trustee, the Bond Trustee and/or the LLP (acting reasonably) to give effect to the addition of a New Seller to the transactions contemplated under the Programme;
- any New Loans and their Related Security sold by a New Seller to the LLP comply with the Eligibility Criteria set out in the Mortgage Sale Agreement;

- either the Servicer services the New Loans and their Related Security sold by a New Seller on the terms set out in the Servicing Agreement (with such subsequent amendments as may be agreed by the parties thereto) or the New Seller (or its nominee) enters into a servicing agreement with the LLP and the Security Trustee which sets out the servicing obligations of the New Seller (or its nominee) in relation to the New Loans and their Related Security and which is on terms substantially similar to the terms set out in the Servicing Agreement (fees payable to the Servicer or the New Seller (or its nominee) acting as servicer of such New Loans and their Related Security would be determined on the date of the accession of the New Seller to the Programme);
- the LLP and the Cash Manager certify in writing to the Security Trustee that any accession of a New Seller to the Programme will not prejudice the Asset Coverage Test; and
- the Security Trustee and the Bond Trustee are provided with a Rating Agency Confirmation in relation to the accession of a New Seller to the Programme.

If the above conditions are met, the consent of the Covered Bondholders will not be obtained to the accession of a New Seller to the Programme.

The Mortgage Sale Agreement and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

Servicing Agreement

Pursuant to the terms of the Servicing Agreement entered into on the Programme Date between the LLP, the Society (in its capacity as Servicer) and the Security Trustee, the Servicer has agreed to service on behalf of the LLP the Loans and their Related Security.

The Servicer will be required to administer the Loans in accordance with the Servicing Agreement and:

- (i) as if the Loans and their Related Security sold by the Seller to the LLP had not been, or were not to be, sold to the LLP but remained, or were to remain, on the books of the Seller; and
- (ii) in accordance with the Seller's Policy.

The Servicer's actions in servicing the Loans in accordance with its procedures will be binding on the LLP and the Secured Creditors.

The Servicer will have the power to exercise the rights, powers and discretions and to perform the duties of the LLP in relation to the Loans and their Related Security that it is servicing pursuant to the terms of the Servicing Agreement, and to do anything which it reasonably considers necessary or convenient or incidental to the administration of those Loans and their Related Security.

Undertakings of the Servicer

Pursuant to the terms of the Servicing Agreement, the Servicer will undertake in relation to those Loans and their Related Security that it is servicing, *inter alia*, to:

- keep records and accounts on behalf of the LLP in relation to the Loans and their Related Security comprised in the Portfolio;
- keep the Loan Files and Title Deeds in its possession or under its control in safe custody and maintain records necessary to enforce each Mortgage and to provide the LLP and the Security Trustee with access to the Title Deeds (other than Title Deeds in relation to Loans which are Dematerialised Loans) and other records relating to the administration of the Loans and their Related Security;

- maintain a register in respect of the Portfolio;
- make available upon request to the LLP and the Security Trustee a report on a monthly basis containing information about the Loans and their Related Security comprised in the Portfolio;
- provide to the FSA such information about the Loans and their Related Security contained in the Portfolio and/or such other information as the FSA may direct pursuant to the RCB Regulations;
- assist the Cash Manager in the preparation of a monthly asset coverage report in accordance with the Cash Management Agreement;
- take all reasonable steps to recover all sums due to the LLP, including instituting proceedings and enforcing any relevant Loan or Mortgage using the discretion of a Reasonable, Prudent Mortgage Lender in applying the enforcement procedures forming part of the Seller's policy; and
- enforce any Loan which is in default in accordance with the Seller's enforcement procedures or, to the extent that such enforcement procedures are not applicable having regard to the nature of the default in question, with the usual procedures undertaken by a Reasonable, Prudent Mortgage Lender on behalf of the LLP.

The Servicer undertakes that in the event of the Seller being assigned a short term rating falling below F-2 by Fitch or P-2 by Moody's, then the Issuer (or the Servicer acting on its behalf) shall use reasonable endeavours to procure that within 60 days of such downgrade any direct debits from Borrowers shall be made into the CB Collection Account. All amounts credited to the CB Collection Account shall be paid to the Standby GIC Account in accordance with the requirements of, and the time limits set out in, the Servicing Agreement. The Seller also acknowledges that it shall hold all amounts standing to the credit of the CB Collection Account upon trust for the LLP. The Servicer also undertakes that, on the Servicer ceasing to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB, it will use reasonable efforts to enter into a new or a master servicing agreement (in such form as the LLP and the Security Trustee shall reasonably require) with a third party within 60 days under which such third party will undertake the servicing obligations in relation to the Portfolio.

Setting of Standard Variable Rate and other rates and margins

Pursuant to the terms of the Mortgage Sale Agreement and in accordance with Mortgage Conditions applicable to certain Loans, the Seller has prescribed policies relating to interest rate setting, arrears management and handling of complaints which the LLP (and any subsequent purchaser thereof) will be required to adhere to following the transfer of Loans and their Related Security. Such arrears management and handling of complaints policies are consistent with those to be applied by the Servicer under the terms of the Servicing Agreement. The interest rate setting policy specified in the Mortgage Sale Agreement is only applicable to Loans with interest rates which may be varied from time to time in the discretion of the lender and requires that such interest rates should be set in accordance with any applicable statement of good practice of the FSA or any other requirements or recommendations of the FSA with which it is customary to comply.

In addition to the undertakings described above, the Servicer has also undertaken in the Servicing Agreement to determine and set in relation to all the Loans in the Portfolio the LLP Standard Variable Rate and any other rates and margins (in accordance with the policy to be adhered to by the LLP above) except in the limited circumstances described below in this subsection when the LLP will be entitled to do so. The Servicer will not at any time prior to service of a Notice to Pay on the LLP and/or the transfer of legal title to the Portfolio (or any part thereof) to the LLP, without the prior consent of the LLP, set or maintain:

- (i) the LLP Standard Variable Rate in relation to any Variable Rate Loan in the Portfolio at a rate which is higher than (although it may be lower than or equal to) the then prevailing Standard Variable Rate which applies to loans beneficially owned by the Seller outside the Portfolio; and
- (ii) a rate or margin in respect of any other Loan in the Portfolio which is higher than (although it may be lower than or equal to) the interest rate or margin (as the case may be) which applies to that type of mortgage product beneficially owned by the Seller outside the Portfolio.

In particular, the Servicer shall determine on each Calculation Date, having regard to:

- (a) the income which the LLP would expect to receive during the next succeeding LLP Payment Period (the "**Relevant LLP Payment Period**");
- (b) the LLP Standard Variable Rate and any other discretionary rate or margin in respect of the Loans which the Servicer proposes to set under the Servicing Agreement for the Relevant LLP Payment Period; and
- (c) the other resources available to the LLP including those under the Interest Rate Swap Agreement, the relevant Covered Bond Swap Agreements and the Reserve Fund,

whether the LLP would receive an amount of income during the Relevant LLP Payment Period which, when aggregated with the funds otherwise available to it, is less than the amount which is the aggregate of (1) the amount of interest which would be payable (or provisioned to be paid) under the Intercompany Loan Agreement or, if a Notice to Pay has been served, the Covered Bond Guarantee on each LLP Payment Date falling at the end of the Relevant LLP Payment Period and relevant amounts payable (or provisioned to be paid) to the Covered Bond Swap Providers under the Covered Bond Swap Agreements in respect of all Covered Bonds on each LLP Payment Date of each Series of Covered Bonds falling at the end of the Relevant LLP Payment Period and (2) the other senior expenses payable by the LLP ranking in priority thereto in accordance with the relevant Priority of Payments applicable prior to an LLP Event of Default and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security.

If the Servicer determines that there will be a shortfall in the foregoing amounts, it will give written notice to the LLP and the Security Trustee, within one Business Day, of the amount of the shortfall. If the LLP or the Security Trustee notifies the Servicer and the Seller that, having regard to the obligations of the LLP and the amount of the shortfall, further Loans and their Related Security should be sold by the Seller to the LLP pursuant to the Mortgage Sale Agreement, the Seller will use all reasonable endeavours to offer to sell New Loans and their Related Security to the LLP on or before the next Calculation Date which have a Standard Variable Rate and/or other rates or margins sufficient to avoid such shortfall on future Calculation Dates. In consideration of such sale, the Seller will be treated as having made a Capital Contribution (in an amount equal to the True Balance of the New Loans) sold by the Seller as at the relevant Transfer Date and will be entitled to receive the Deferred Consideration.

In addition, the Servicer shall determine on each Calculation Date following an Issuer Event of Default, having regard to the aggregate of:

- (a) the LLP Standard Variable Rate and any other applicable discretionary rate or margin, in respect of the Loans in the Portfolio which the Servicer proposes to set under the Servicing Agreement for the relevant LLP Payment Period; and
- (b) the other resources available to the LLP under the Interest Rate Swap Agreement,

whether the LLP would receive an aggregate amount of interest on the Loans and amounts under the Interest Rate Swap Agreement during the Relevant LLP Payment Period which would give a yield on the Loans of at least LIBOR plus 0.20 per cent.

If the Servicer determines that the Yield Shortfall Test will not be met, it will within one Business Day of such determination give written notice to the LLP and the Security Trustee of the amount of the shortfall and the LLP Standard Variable Rate and/or any other discretionary rate or margin applicable in relation to any Loan in the Portfolio which would (taking into account the applicable Mortgage Conditions), in the Servicer's reasonable opinion, need to be set in order for no shortfall to arise, and the Yield Shortfall Test to be met, having regard to the date(s) (which shall be specified in the notice) on which such change to the LLP Standard Variable Rate and the other discretionary rate or margin applicable in relation to any other Loan in the Portfolio would take effect and at all times acting in accordance with the standards of a Reasonable, Prudent Mortgage Lender as regards the competing interests of Borrowers with Standard Variable Rate Loans and Borrowers with Loans with any other discretionary rate or margin.

If the LLP notifies the Servicer that, having regard to the obligations of the LLP, the LLP Standard Variable Rate and/or the other discretionary rate or margin applicable in relation to any Loans in the Portfolio should be increased, the Servicer shall take all steps which are necessary, including publishing any notice which is required in accordance with the Mortgage Conditions, to the effect such change in the LLP Standard Variable Rate and/or any other discretionary rate or margins in relation to other Variable Rate Loans in the Portfolio on the date(s) specified in the notice referred to above, but subject at all times to compliance with the Mortgage Conditions and of the Mortgage Sale Agreement.

The LLP and the Security Trustee may terminate the authority of the Servicer to determine the LLP Standard Variable Rate and any other rates or margins in relation to any Loans in the Portfolio on or after becoming aware of the occurrence of a Servicer Event of Default as defined under "*Removal or Resignation of the Servicer*", in which case the LLP shall use its reasonable endeavours to appoint a successor servicer to determine the LLP Standard Variable Rate, any other rates or margins applicable to any Loans in the Portfolio in accordance with the Servicing Agreement.

Compensation

As full compensation for its servicing duties and activities and as reimbursement for any expense incurred by it in connection therewith, the Servicer or any substitute servicer which is a member of the Coventry Group is entitled to receive the fee from the LLP as set out in Servicing Agreement. If, however, a servicer is appointed from outside the Coventry Group, the level of this fee may be amended.

Back-up Servicing Agreement

If the Servicer ceases to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB it will use reasonable efforts to enter, within 60 calendar days of such downgrade, into a back-up master servicing agreement with a third party to perform all the services under the Servicing Agreement. The back-up master servicing agreement will provide for the third party servicer to undertake the servicing or master servicing obligations in relation to the Portfolio within 60 calendar days of the Servicer ceasing to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating of Moody's of at least Baa3 or by Fitch of at least BBB-.

Removal or Resignation of the Servicer

The LLP (subject to the prior written consent of the Security Trustee) may, upon written notice to the Servicer, terminate the Servicer's rights and obligations immediately if any of the following events (each a "**Servicer Termination Event**" and, each of the first three events set out below, a "**Servicer Event of Default**") occurs:

- the Servicer defaults in the payment on the due date of any payment due and payable by it under the Servicing Agreement and such default continues unremedied for a period of three Business Days after the earlier of the Servicer becoming aware of the default and receipt by the Servicer of written notice from the Security Trustee or the LLP requiring the same be remedied;

- the Servicer fails to comply with any of its other obligations under the Servicing Agreement which failure in the opinion of the Security Trustee is materially prejudicial to the Covered Bondholders and does not remedy that failure within the earlier of 20 Business Days after becoming aware of the failure and receipt by the Servicer of written notice from the Security Trustee or the LLP requiring the same be remedied;
- an Insolvency Event occurs in relation to the Servicer; or
- the LLP resolves that the appointment of the Servicer should be terminated.

Subject to the fulfilment of a number of conditions, the Servicer may voluntarily resign by giving not less than 12 months' written notice to the Security Trustee and the LLP provided that a substitute servicer qualified to act as such under the FSMA and with a management team with experience of administering mortgages in the United Kingdom has been appointed and enters into a servicing agreement with the LLP substantially on the same terms as the Servicing Agreement. The resignation of the Servicer is conditional on the resignation having no adverse effect on the then current ratings of the Covered Bonds unless the Covered Bondholders agree otherwise by Extraordinary Resolution.

If the appointment of the Servicer is terminated, the Servicer must deliver the Title Deeds and Loan Files relating to the Loans administered by it to, or at the direction of, the LLP. The Servicing Agreement will terminate at such time as the LLP has no further interest in any of the Loans or their Related Security sold to the LLP and serviced under the Servicing Agreement that have been comprised in the Portfolio.

The Servicer may sub-contract or delegate the performance of its duties under the Servicing Agreement provided that it meets conditions as set out in the Servicing Agreement.

Neither the Bond Trustee nor the Security Trustee is obliged to act as servicer in any circumstances.

The Servicing Agreement and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law and will be made by way of deed.

Asset Monitor Agreement

Under the terms of the Asset Monitor Agreement entered into on the 11 January 2013 between the Asset Monitor, the LLP, the Cash Manager and the Security Trustee, the Asset Monitor has agreed, subject to due receipt of the information to be provided by the Cash Manager to the Asset Monitor, to report on the arithmetic accuracy of the calculations performed by the Cash Manager on the Calculation Date immediately prior to each anniversary of the Programme Date with a view to confirmation of compliance by the LLP with the Asset Coverage Test or the Amortisation Test, as applicable, on that Calculation Date.

If the long-term ratings of the Cash Manager or the Issuer fall below Baa3/BBB- (by Moody's or Fitch, respectively), or if an Asset Coverage Test Breach Notice has been served and has not been revoked, the Asset Monitor will, subject to receipt of the relevant information from the Cash Manager, be required to report on such arithmetic accuracy following each Calculation Date and, following a determination by the Asset Monitor of any errors in the calculations performed by the Cash Manager such that the Asset Coverage Test has been failed on the applicable Calculation Date (where the Cash Manager had recorded it as being satisfied) or the Adjusted Aggregate Loan Amount or the Amortisation Test Aggregate Loan Amount is misstated by an amount exceeding one per cent. of the Adjusted Aggregate Loan Amount or the Amortisation Test Aggregate Loan Amount, as applicable, (as at the date of the relevant Asset Coverage Test or the relevant Amortisation Test), the Asset Monitor will be required to conduct such tests following each Calculation Date for a period of six months thereafter.

The Asset Monitor is entitled, in the absence of manifest error, to assume that all information provided to it by the Cash Manager for the purpose of reporting on the arithmetic accuracy is true and correct and not misleading, and is not required to report as such or otherwise take steps to verify the accuracy of any such

information. The Asset Monitor Report will be delivered to the Cash Manager, the LLP, the Issuer, the Bond Trustee and the Security Trustee.

As of the Programme Date, the LLP will pay to the Asset Monitor a fee of up to £8,000 per report (exclusive of VAT) for the reports to be performed by the Asset Monitor.

The LLP may, at any time, only with the prior written consent of the Security Trustee, terminate the appointment of the Asset Monitor by giving at least 60 days' prior written notice to the Asset Monitor, and the Asset Monitor may, at any time, resign by giving at least 60 days' prior written notice to the LLP and the Security Trustee (such replacement to be approved by the Security Trustee (such approval to be given if the replacement is an accountancy firm of national standing) which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement).

Upon giving notice of resignation, the Asset Monitor shall immediately use its best endeavours to appoint a replacement (such replacement to be approved by the Security Trustee such approval to be given if the replacement is an accountancy firm of national standing) which agrees to perform the duties of the Asset Monitor set out in the Asset Monitor Agreement. If a replacement is not appointed by the date which is 30 days prior to the date when tests are to be carried out in accordance with the terms of the Asset Monitor Agreement, then the LLP shall use all reasonable endeavours to appoint an accountancy firm of national standing to carry out the relevant tests on a one-off basis.

Neither the Bond Trustee nor the Security Trustee will be obliged to act as Asset Monitor in any circumstances.

The Asset Monitor has also been appointed as the "Asset Pool Monitor" (as defined in the RCB Regulations) for the purposes of the RCB Regulations, as to which see further "*Description of the UK Regulated Covered Bond Regime*".

The Asset Monitor Agreement and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

LLP Deed

The Members of the LLP have agreed to operate the business of the LLP in accordance with the terms of a limited liability partnership deed entered into on the Programme Date between the LLP, the Society, the Liquidation Member, the Bond Trustee and the Security Trustee (the "**LLP Deed**").

Members

As at the Programme Date, each of the Society and the Liquidation Member is a member (each a "**Member**", and together with any other members from time to time, the "**Members**") of the LLP, the Society and the Liquidation Member are designated members (each a "**Designated Member**", and together with any other designated members from time to time, the "**Designated Members**") of the LLP. The Designated Members shall have such duties as are specified in the LLPA 2000 or otherwise at law and in the LLP Deed. The LLP Deed requires that there will at all times be at least two Designated Members of the LLP.

For so long as Covered Bonds are outstanding, if an administrator or a liquidator is appointed to the Seller or if the Seller disposes of its interest in the Liquidation Member such that the Seller holds less than 20 per cent. of the share capital of the Liquidation Member (without the consent of the LLP and, whilst any Covered Bonds are outstanding, the Bond Trustee), the Seller will automatically cease to be a Member of the LLP and the outstanding balance of the Seller's Capital Contribution to the LLP will be converted into a subordinated debt obligation (the "**Issuer Subordinated Loan**"). In these circumstances, the Liquidation Member (acting on behalf of itself and the other Members) will admit a new Member to the LLP (which is a wholly-owned subsidiary of the Liquidation Member) and will appoint such new Member as a Designated Member pursuant to the terms of the LLP Deed (in each case with the prior written consent of the Security Trustee).

Any New Seller that wishes to sell New Seller Loans and their Related Security to the LLP will, amongst other things, be required to become a Member of the LLP and accede to the LLP Deed, amongst other documents. Other than in the case of a New Seller or the replacement of the Seller as a Member in the circumstances outlined in the previous paragraph, no New Member may be appointed without the consent of the Security Trustee which shall be given upon receipt by the LLP or the Security Trustee of a Rating Agency Confirmation.

Capital Contributions

From time to time the Society (in its capacity as a Member) will make Capital Contributions to the LLP. Capital Contributions may be made in cash or in kind (e.g. through a contribution of Loans to the LLP). The Capital Contributions of the Society shall be calculated in Sterling on each Calculation Date as the difference between (a) the True Balance of the Portfolio as at the last day of the immediately preceding Calculation Period plus Principal Receipts standing to the credit of the LLP Accounts plus the principal amount of Substitution Assets and Authorised Investments as at the last day of the immediately preceding Calculation Period and (b) the Sterling Equivalent of the aggregate Principal Amount Outstanding under the Covered Bonds as at the last day of the preceding Calculation Period.

If at any time, the Society is acting as the Cash Manager and a Cash Manager Relevant Event occurs and is continuing the Society in its capacity as a Member of the LLP will:

- (a) within 5 London Business Days of the occurrence of the Cash Manager Relevant Event, notify the LLP, the Security Trustee, the Standby Account Bank and each Covered Bond Swap Provider of such event;
- (b) within 10 London Business Days of the occurrence of the Cash Manager Relevant Event make a Cash Capital Contribution to the LLP in an aggregate amount equal to the Required Coupon Amount for each Series of Covered Bonds payable on:
 - (i) the immediately succeeding Interest Payment Date (in the case of a Term Advance where a Covered Bond Swap is not in place other than in respect of an Accumulation Series of Covered Bonds);
 - (ii) the immediately succeeding payment date specified in the Covered Bond Swap which relates to such Series of Covered Bonds (in the case of a Term Advance where a Covered Bond Swap is in place); and/or
 - (iii) the immediately succeeding LLP Payment Date for each such Term Advance (in the case of a Term Advance relating to an Accumulation Series of Covered Bonds),(each a "**Relevant Payment Date**"); and
- (c) thereafter if a Required Coupon Amount Shortfall exists in respect of (a) any Series of Covered Bonds and/or (b) any Covered Bond Swap, within one London Business Day of receipt by the Society of notification from the Cash Manager (on behalf of the LLP) that the occurrence of a Required Coupon Amount Shortfall exists, make a Cash Capital Contribution to the LLP in an aggregate amount equal to the Required Coupon Amount Shortfall.

Any such Cash Capital Contribution representing Required Coupon Amounts will be treated as a revenue item but will not form part of Available Revenue Receipts.

Within 1 London Business Day of receipt of such Cash Capital Contribution from the Society (as a Member of the LLP), the LLP shall (or shall procure that the Cash Manager shall) transfer to the Standby GIC Account (for credit to the Coupon Payment Ledger) an amount equal to the amount of the Cash Capital

Contribution received by the LLP from the Society (in its capacity as a Member of the LLP) in respect of items (b) and (c) above.

While a Cash Manager Relevant Event is continuing (but prior to the service of a Notice to Pay or an LLP Acceleration notice on the LLP) the LLP will, on each LLP Payment Date, to the extent of Available Revenue Receipts (taking into account amount to be paid in priority to any credit to the Coupon Payment Ledger) fund the Coupon Payment Ledger in an amount up to the Required Coupon Amount for the next following Relevant Payment Date(s) subject to and in accordance with the Pre-Acceleration Revenue Priority of Payments.

Within 1 London Business Day of receipt of a Cash Capital Contribution from the Society under (b) above; or (where either (x) there is no Required Coupon Amount Shortfall; or (y) receipt of a Cash Capital Contribution from the Society occurs prior to the Relevant Payment Date in question) each Relevant Payment Date on which a Cash Manager Relevant Event has occurred and is continuing; or (z) (where neither of the foregoing applies) receipt of a Cash Capital Contribution from the Society pursuant to Clause (c) above, the LLP will deliver an irrevocable payment instruction, instructing the Standby Account Bank to (a), in the case of a Term Advance where no Covered Bond Swap is in place, no later than 11am (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time), on each date on which any payment of interest in respect of such Term Advance becomes due under the Conditions, make a payment from the Standby GIC Account in an amount equal to the Required Coupon Amount for such Term Advance on the relevant Interest Payment Date to an account specified by the Principal Paying Agent to the Issuer and the LLP from time to time and/or (b) in the case of a Term Advance where a Covered Bond Swap is in place, on each date on which any payment is due under the relevant Covered Bond Swap(s) (other than any termination payment under the relevant Covered Bond Swap Agreement and any payment in respect of principal), make a payment from the Standby GIC Account in an amount equal to the Required Coupon Amount for such Covered Bond Swap(s) on the relevant payment date under the Covered Bond Swap in accordance with the terms of the relevant Covered Bond Swap Agreement.

"Required Coupon Amount" means in respect of a Term Advance, an aggregate amount equal to the Sterling Equivalent of (i) (in the case of each Term Advance where a Covered Bond Swap is not in place other than in respect of an Accumulation Series of Covered Bonds), interest due from the LLP on the Term Advance on the next Loan Interest Payment Date, (ii) (in the case of each Term Advance where a Covered Bond Swap is in place) an amount equal to the net amount due from the LLP under the Covered Bond Swap(s) on the next payment date (other than those amounts due in respect of principal) under the relevant Covered Bond Swap Agreement and (iii) (in the case of a Term Advance relating to an Accumulation Series of Covered Bonds), the LLP Monthly Interest Amount Payable by the LLP on that relevant Term Advance for the relevant LLP Payment Date.

"Required Coupon Amount Shortfall" means, in respect of each Term Advance on any LLP Payment Date, taking into account any amount to be credited to the Coupon Payment Ledger on the same date in respect of any other Term Advance, the amount by which the Required Coupon Amount exceeds the sum of:

- (a) the amount of Available Revenue Receipts remaining following payment in full of the amounts referred to in paragraphs (a) to (d) inclusive of the Pre-Acceleration Revenue Priority of Payments; and
- (b) the amount then standing to the credit of the Coupon Payment Ledger in relation to that Term Advance.

The Liquidation Member will not make any Capital Contributions to the LLP.

The Seller, in its capacity as a Member of the LLP, may also make a Cash Capital Contribution to the LLP on any London Business Day for the purpose of funding the Reserve Fund up to the Reserve Fund Required Amount.

Capital Contributions or returns on Capital Contributions shall only be paid to Members after the LLP has paid or, as applicable, provided for all higher ranking amounts in the relevant Priority of Payments.

Asset Coverage Test

Under the terms of the LLP Deed, the LLP and the Members (other than the Liquidation Member) must ensure that on each Calculation Date prior to the service of a Notice to Pay, the Adjusted Aggregate Loan Amount is in an amount at least equal to the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date.

If on any Calculation Date, the Adjusted Aggregate Loan Amount is less than the aggregate Principal Amount Outstanding of all Covered Bonds as calculated on the relevant Calculation Date, then the LLP (or the Cash Manager on its behalf) will notify the Members, the Bond Trustee and the Security Trustee thereof and the Members (other than the Liquidation Member) will use all reasonable endeavours to sell sufficient further Loans and their Related Security to the LLP in accordance with the Mortgage Sale Agreement (see "*Summary of the Principal Documents – Mortgage Sale Agreement – Sale by the Seller of Loans and their Related Security*") or provide Cash Capital Contributions to ensure that the Asset Coverage Test is met on the next following Calculation Date. If the Adjusted Aggregate Loan Amount is less than the aggregate Principal Amount Outstanding of all Covered Bonds on the next following Calculation Date, the Asset Coverage Test will be breached and the Bond Trustee will serve an Asset Coverage Test Breach Notice on the LLP (subject to the Bond Trustee having actual knowledge or express notice of the same) and the LLP shall send notice of the same to the FSA pursuant to the RCB Regulations. The Bond Trustee (subject to the Bond Trustee having actual or knowledge or express notice of such breach) shall revoke an Asset Coverage Test Breach Notice if, on any Calculation Date falling on or prior to the third Calculation Date following the service of an Asset Coverage Test Breach Notice, the Asset Coverage Test is subsequently satisfied (and it has actual knowledge or express notice of the same) and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

Following service of an Asset Coverage Test Breach Notice (which has not been revoked):

- (a) the LLP will be required to sell Selected Loans (as described further under "*LLP Deed – Sale of Selected Loans and their Related Security following service of an Asset Coverage Test Breach Notice*");
- (b) prior to the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice or, if earlier, the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, the Pre-Acceleration Revenue Priority of Payments and the Pre-Acceleration Principal Priority of Payments will be modified as more particularly described in "*Allocation and distribution of Available Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice*" below; and
- (c) the Issuer will not be permitted to make to the LLP and the LLP will not be permitted to borrow from the Issuer any new Term Advances under the Intercompany Loan Agreement.

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances may be required) to serve an Issuer Acceleration Notice. On the occurrence of an Issuer Event of Default, the Issuer shall give notice of the same to the FSA pursuant to the RCB Regulations. Following service of an Issuer Acceleration Notice, the Bond Trustee will be required to serve a Notice to Pay on the LLP.

For the purposes hereof:

"**Adjusted Aggregate Loan Amount**" means the amount calculated on each Calculation Date as follows:

$$A + B + C + D - (X + Y + Z)$$

where,

A = the lower of (i) and (ii), where:

(i) = the sum of the "**Adjusted True Balance**" of each Loan in the Portfolio, which shall be the lower of (1) the actual True Balance of the relevant Loan in the Portfolio as calculated on the last day of the immediately preceding Calculation Period and (2) the Indexed Valuation relating to that Loan multiplied by M (where for all Loans that are less than three months in arrears or not in arrears, M = 0.75, for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of less than or equal to 75 per cent., M = 0.40 and for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of more than 75 per cent., M = 0.25),

minus

the aggregate sum of the following deemed reductions to the aggregate Adjusted True Balance of the Loans in the Portfolio if any of the following occurred during the previous Calculation Period:

- (1) a Loan or its Related Security was, in the immediately preceding Calculation Period, in breach of the Representations and Warranties contained in the Mortgage Sale Agreement or subject to any other obligation of the Seller to repurchase the relevant Loan and its Related Security, and in each case the Seller has not repurchased the Loan or Loans of the relevant Borrower and its or their Related Security to the extent required by the terms of the Mortgage Sale Agreement. In this event, the aggregate Adjusted True Balance of the Loans in the Portfolio (as calculated on the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the Adjusted True Balance of the relevant Loan or Loans (as calculated on the last day of the immediately preceding Calculation Period) of the relevant Borrower; and/or
- (2) the Seller, in any preceding Calculation Period, was in breach of any other material warranty under the Mortgage Sale Agreement and/or the Servicer was, in any preceding Calculation Period, in breach of a material term of the Servicing Agreement. In this event, the aggregate Adjusted True Balance of the Loans in the Portfolio (as calculated on the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the resulting financial loss incurred by the LLP in the immediately preceding Calculation Period (such financial loss to be calculated by the Cash Manager without double counting and to be reduced by any amount paid (in cash or in kind) to the LLP by the Seller to indemnify the LLP for such financial loss);

AND

(ii) = the aggregate "**Arrears Adjusted True Balance**" of the Loans in the Portfolio which in relation to each Loan shall be the lower of (1) the actual True Balance of

the relevant Loan as calculated on the last day of the immediately preceding Calculation Period and (2) the Indexed Valuation relating to that Loan multiplied by N (where for all Loans that are less than three months in arrears or not in arrears, N = 1, for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of less than or equal to 75 per cent., N = 0.40 and for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of more than 75 per cent., N = 0.25);

minus

the aggregate sum of the following deemed reductions to the aggregate Arrears Adjusted True Balance of the Loans in the Portfolio if any of the following occurred during the previous Calculation Period:

- (1) a Loan or its Related Security was, in the immediately preceding Calculation Period, in breach of the Representations and Warranties contained in the Mortgage Sale Agreement or subject to any other obligation of the Seller to repurchase the relevant Loan and its Related Security, and in each case the Seller has not repurchased the Loan or Loans of the relevant Borrower and its or their Related Security to the extent required by the terms of the Mortgage Sale Agreement. In this event, the aggregate Arrears Adjusted True Balance of the Loans in the Portfolio (as calculated on the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the Arrears Adjusted True Balance of the relevant Loan or Loans (as calculated on the last day of the immediately preceding Calculation Period) of the relevant Borrower; and/or
- (2) the Seller, in any preceding Calculation Period, was in breach of any other material warranty under the Mortgage Sale Agreement and/or the Servicer was, in the immediately preceding Calculation Period, in breach of a material term of the Servicing Agreement. In this event, the aggregate Arrears Adjusted True Balance of the Loans in the Portfolio (as calculated on the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the resulting financial loss incurred by the LLP in the immediately preceding Calculation Period (such financial loss to be calculated by the Cash Manager without double counting and to be reduced by any amount paid (in cash or in kind) to the LLP by the Seller to indemnify the LLP for such financial loss),

the result of the calculation in this paragraph (ii) being multiplied by the Asset Percentage (as defined below);

B = the aggregate amount of any Principal Receipts on the Loans in the Portfolio up to the end of the immediately preceding Calculation Period (as recorded in the Principal Ledger) which have not been applied during the immediately preceding Calculation Period to acquire further Loans and their Related Security or otherwise applied in accordance with the LLP Deed and/or the other Transaction Documents;

C = the aggregate amount of any Cash Capital Contributions made by the Members (as recorded in the Capital Account Ledger of each Member) or proceeds of Term Advances which have not been applied during the immediately preceding Calculation Period to acquire further Loans and their Related Security or otherwise applied in accordance with this Deed and/or the other Transaction Documents and shall not, for the avoidance of doubt, include any Cash Capital Contributions made

to fund the Coupon Payments Ledger or to fund the Reserve Fund up to the Reserve Fund Required Amount;

- D = the aggregate outstanding principal balance of any Substitution Assets;
- X = an amount equal to the lower of (a) 100 per cent. of the aggregate deposit balances (including saving balances and offset balances), as calculated on any day after the last day of the immediately preceding Calculation Period but prior to the Calculation Date of each savings account held at the Seller by Borrowers whose Loans are included in the Portfolio and (b) the aggregate True Balances of those Borrower's Loans;
- Y = 8 per cent. **multiplied by** the Flexible Draw Capacity **multiplied by** 3;
- Z = the weighted average remaining maturity of all Covered Bonds then outstanding **multiplied by** the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds **multiplied by** the Negative Carry Factor where the "**Negative Carry Factor**" (i) 0.5 per cent. if the weighted average margin of the interest rate payable on the Covered Bonds is less or equal to 0.1 per cent. per annum or (ii) 0.5 per cent. plus that margin minus 0.1 per cent., if that margin is greater than 0.1 per cent. per annum (provided that if the weighted average remaining maturity is less than one, the weighted average shall be deemed, for the purposes of this calculation, to be one).

"**Asset Percentage**" on any Calculation Date shall be the lowest of:

- (i) 90 per cent.;
- (ii) the percentage figure as selected from time to time and notified to the LLP and/or the Cash Manager (and if the Security Trustee so requests) the Security Trustee in accordance with the LLP Deed on such Calculation Date or, where the LLP and/or Cash Manager and (if the Security Trustee so requests) Security Trustee has been notified of the minimum percentage figure on the relevant Calculation Date, on the last date of such notification) if applicable, being the asset percentage required to ensure that the Covered Bonds maintain the then current ratings assigned to them by Fitch; and
- (iii) the percentage figure as selected from time to time and notified to the LLP and/or the Cash Manager (and if the Security Trustee so requests) the Security Trustee in accordance with the LLP Deed on such Calculation Date or, where the LLP and/or the Cash Manager and (if the Security Trustee so requests) Security Trustee has been notified of the minimum percentage figure on the relevant Calculation Date, on the last date of such notification) if applicable, being the difference between 100 per cent. and the amount of credit enhancement required to support the then current rating of the Covered Bond under Moody's expected loss methodology, PROVIDED THAT for as long as any Covered bonds remain outstanding the ratings of which have been downgraded at any point since the relevant Issue Date, the Asset Percentage may not be greater than the higher of (i) the Asset Percentage specified in the most recently delivered Asset Percentage Notification Form prior to the first such downgrade, or (ii) the lowest value for (X) in respect of each such downgrade where (X) in respect of each downgrade is equal to the respective Attributed Moody's Asset Percentage specified in the relevant Investor Reports most recently delivered prior to such downgrade.

"**Attributed Moody's Asset Percentage**" means the percentage figure as set out in each Investor Report which notwithstanding the percentage figure that may be selected by the LLP or the Cash Manager on its behalf from time to time and notified to the Security Trustee and Moody's, is the percentage as at each Calculation Date, being the difference between 100 per cent. and the amount of

credit enhancement required to support the then current ratings of the Covered Bonds under Moody's expected loss methodology.

On or prior to the Calculation Date falling in January, April, July and October of each year, the LLP (or the Cash Manager on its behalf) will provide such information as reasonably requested by the Rating Agencies in order to calculate the WAFF and the WALs (and/or such figures calculated in accordance with such alternative methodologies) for the Portfolio based on the value of the Loans as at the last day of the Calculation Period immediately preceding such Calculation Date as a whole or a random sample of the Loans in the Portfolio, such calculations to be made on the same basis throughout unless agreed otherwise by the Rating Agencies.

It is expected by the LLP that the WAFF and WALs (or other relevant figures) so calculated will be applied to one or more cashflow models. Such models, which test the credit enhancement required in various cashflow scenarios, will indicate, on the basis of the latest WAFF and WALs figures (or other relevant figures), the Asset Percentage needed in order to provide credit enhancement to cover all such cashflow scenarios.

Save where otherwise agreed with the Rating Agencies, the Asset Percentage will be adjusted in accordance with the various methodologies to ensure that sufficient credit enhancement will be maintained. Notwithstanding the above, the Asset Percentage may not, at any time, exceed 90 per cent. unless otherwise agreed with the Rating Agencies.

In addition, the LLP or the Cash Manager acting on its behalf may, from time to time, send notification to the Security Trustee of the percentage figure selected by it.

Notwithstanding anything set out above, the Rating Agencies will not be required to provide a calculation of the Asset Percentage on a regular basis.

Amortisation Test

The LLP and the Members (other than the Liquidation Member) must ensure that on each Calculation Date following service of a Notice to Pay on the LLP (but prior to service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security) the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date.

Following service of a Notice to Pay on the LLP, if on any Calculation Date the Amortisation Test Aggregate Loan Amount is less than the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date, then the Amortisation Test will be deemed to be breached and an LLP Event of Default will occur. The LLP or the Cash Manager, as the case may be, will immediately notify the Members, the Security Trustee and (whilst Covered Bonds are outstanding) the Bond Trustee of any breach of the Amortisation Test and the Bond Trustee shall be entitled to serve an LLP Acceleration Notice in accordance with the Conditions.

The "**Amortisation Test Aggregate Loan Amount**" will be calculated on each Calculation Date as follows:

$$A + B + C - Z$$

where,

A = the aggregate "**Amortisation Test True Balance**" of each Loan in the Portfolio, which shall be the lower of (1) the actual True Balance of the relevant Loan as calculated on the last day of the immediately preceding Calculation Period multiplied by M and (2) 100 per cent. of the Indexed Valuation multiplied by M.

Where for all the Loans that are less than three months in arrears or not in arrears $M = 1$ or for all the Loans that are three months or more in arrears $M = 0.7$;

- B = the sum of the amount of any cash standing to the credit of the LLP Accounts and the principal amount of any Authorised Investments (excluding any Revenue Receipts received in the immediately preceding Calculation Period);
- C = the aggregate outstanding principal balance of any Substitution Assets;
- Z = the weighted average remaining maturity of all Covered Bonds then outstanding *multiplied by* the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds *multiplied by* the Negative Carry Factor.

Sale of Selected Loans and their Related Security following service of an Asset Coverage Test Breach Notice

After service of an Asset Coverage Test Breach Notice (which has not been revoked) but prior to service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or the realisation of the Security, the LLP shall sell Selected Loans in the Portfolio and their Related Security in accordance with the LLP Deed (as described below), in each case, subject to the rights of pre-emption enjoyed by the Seller pursuant to the Mortgage Sale Agreement. The proceeds from any such sale shall be credited to the Standby GIC Account and applied as set out in the Priorities of Payments (see "*Allocation and distribution of Available Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice*" below).

Sale of Selected Loans and their Related Security following service of a Notice to Pay

After a Notice to Pay has been served on the LLP but prior to service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, the LLP shall sell Selected Loans in the Portfolio and their Related Security in accordance with the LLP Deed (as described below), in each case subject to the rights of pre-emption enjoyed by the Seller to buy the Selected Loans and their Related Security pursuant to the Mortgage Sale Agreement. The proceeds from any such sale or refinancing will be credited to the Standby GIC Account and applied as set out in the Guarantee Priority of Payments.

Method of Sale of Selected Loans

If the LLP is required to sell Selected Loans and their Related Security to Purchasers following either the service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay, the LLP will be required to ensure that before offering Selected Loans for sale:

- (a) the Selected Loans have been selected from the Portfolio on a random basis if only part of the Portfolio is sold as described in the LLP Deed; and
- (b) the Selected Loans have an aggregate True Balance in an amount (the "**Required True Balance Amount**") which is as close as possible to the amount calculated as follows:
 - (1) following the Service of an Asset Coverage Test Breach Notice (but prior to service of a Notice to Pay), such amount that would ensure that, if the Selected Loans were sold at their True Balance plus the Arrears of Interest and Accrued Interest thereon, the Asset Coverage Test would be satisfied on the next Calculation Date taking into account the payment obligations of the LLP on the Payment Date immediately following that Calculation Date (assuming for this purpose that the Asset Coverage Test Breach Notice is not revoked on the next Calculation Date); or

(2) following service of a Notice to Pay:

$$N \times \frac{\text{True Balance of all the Loans in the Portfolio}}{\text{the Sterling Equivalent of the Required Redemption Amount in respect of each Series of Covered Bonds then outstanding}}$$

where "N" is an amount equal to the Sterling Equivalent of the Required Redemption Amount of the Earliest Maturing Covered Bonds less amounts standing to the credit of the LLP Accounts and the principal amount of any Authorised Investments (excluding all amounts to be applied on the next following LLP Payment Date to repay higher ranking amounts in the Guarantee Priority of Payments and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds).

For the avoidance of doubt, the entire Portfolio may comprise Selected Loans.

The LLP will offer the Selected Loans and their Related Security for sale to Purchasers for the best price reasonably available but in any event:

- (i) following the service of an Asset Coverage Test Breach Notice (but prior to the service of a Notice to Pay) for an amount not less than the True Balance of the Selected Loans plus the Arrears of Interest and Accrued Interest thereon; and
- (ii) following service of a Notice to Pay, for an amount not less than the Adjusted Required Redemption Amount.

Following the service of a Notice to Pay, if the Selected Loans and their Related Security have not been sold (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six months prior to, as applicable, (i) the Final Maturity Date of the Earliest Maturing Covered Bonds (where the Earliest Maturing Covered Bonds are not subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee) or, (ii) the earliest Extended Due for Payment Date in respect of any relevant Series of Covered Bonds (after taking into account all payments, provisions and credits to be made in priority thereto) (where such Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee), then the LLP will offer the Selected Loans for sale for the best price reasonably available notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

Following the service of a Notice to Pay, in addition to offering Selected Loans for sale to Purchasers in respect of the Earliest Maturing Covered Bonds, the LLP (subject to the rights of pre-emption enjoyed by the Seller pursuant to the Mortgage Sale Agreement) is permitted to offer for sale a portfolio of Selected Loans, in accordance with the provisions summarised above, in respect of other Series of Covered Bonds.

The LLP is also permitted to offer for sale to Purchasers a Partial Portfolio. Except in circumstances where the portfolio of Selected Loans is being sold within six months of, as applicable, the Final Maturity Date or, (as applicable) if the Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the Extended Due for Payment Date in respect of the Series of Covered Bonds to be repaid from such proceeds, the sale price of the Partial Portfolio (as a proportion of the Adjusted Required Redemption Amount) shall be at least equal to the proportion that the Partial Portfolio bears to the relevant portfolio of Selected Loans.

If the LLP is obliged or elects to sell Selected Loans, the LLP will through a tender process appoint a portfolio manager of recognised standing on a basis intended to incentivise the portfolio manager to achieve the best price for the sale of the Selected Loans (if such terms are commercially available in the market) to advise it in relation to the sale of the Selected Loans to Purchasers (except where the Seller is buying the Selected Loans in accordance with their right of pre-emption in the Mortgage Sale Agreement). The terms of

the agreement giving effect to the appointment in accordance with such tender shall be approved by the Security Trustee.

In respect of any sale or refinancing of Selected Loans and their Related Security following service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay, the LLP will instruct the portfolio manager to use all reasonable endeavours to procure that Selected Loans are sold as quickly as reasonably practicable (in accordance with the recommendations of the portfolio manager) taking into account the market conditions at that time and the scheduled repayment dates of the Covered Bonds and the terms of the LLP Deed.

The terms of any sale and purchase agreement with respect to the sale of Selected Loans (which shall give effect to the recommendations of the portfolio manager) will be subject to the prior written approval of the Security Trustee. The Security Trustee will not be required to release the Selected Loans from the Security unless the conditions relating to the release of the Security (as described under – "*Deed of Charge – Release of Security*", below) are satisfied.

Following the service of a Notice to Pay, if Purchasers accept the offer or offers from the LLP so that some or all of the Selected Loans shall be sold prior to the next following Final Maturity Date or, if the Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the next following Extended Due for Payment Date in respect of the Earliest Maturing Covered Bonds, then the LLP will, subject to the foregoing paragraph, enter into a sale and purchase agreement with the relevant Purchasers which will require *inter alia* a cash payment from the relevant Purchasers. Any such sale will not include any Representations and Warranties from the LLP in respect of the Loans and the Related Security unless expressly agreed by the Security Trustee or otherwise agreed with the Seller.

Covenants of the LLP and the Members

Each of the Members covenants that, subject to the terms of the Transaction Documents, it will not sell, transfer, convey, create or permit to arise any security interest on, declare a trust over, create any beneficial interest in or otherwise dispose of its interest in the LLP without the prior written consent of the LLP and, whilst the Covered Bonds are outstanding, the Bond Trustee. Whilst any amounts are outstanding in respect of the Covered Bonds, each of the Members undertakes not to terminate or purport to terminate the LLP or institute any winding-up, administration, insolvency or similar proceedings against the LLP.

The LLP covenants that it will not, save with the prior written consent of the LLP Management Committee (and, for so long as any Covered Bonds are outstanding, the consent of the Bond Trustee) or as envisaged by the Transaction Documents:

- (a) create or permit to subsist any security interest over the whole or any part of its assets or undertakings, present or future (unless arising by operation of law);
- (b) transfer, sell, lend, part with or otherwise dispose of, deal with or grant any option or present or future right to acquire any of its assets or undertakings or any interest therein or thereto;
- (c) have an interest in a bank account other than as set out in the Transaction Documents;
- (d) incur any indebtedness or give any guarantee or indemnity in respect of any such indebtedness;
- (e) consolidate or merge with or transfer its properties or assets substantially as an entirety to any other person;
- (f) have any employees, premises or subsidiaries;
- (g) acquire assets other than pursuant to the Mortgage Sale Agreement, the Cash Management Agreement and the LLP Deed;

- (h) engage in any activities or derive income from any activities within the United States or hold any property if doing so would cause it to be engaged or deemed to be engaged in a trade or business within the United States;
- (i) enter into any contracts, agreements or other undertakings;
- (j) compromise, compound or release any debt due to it;
- (k) commence, defend, settle or compromise any litigation or other claims relating to it or any of its assets; or
- (l) be a member of any VAT Group.

The LLP and each of the Members further covenants that it will:

- (i) ensure that the Asset Pool will only comprise those assets set out in items (a) to (h) of Regulation 3(1) (*Asset Pool*) of the RCB Regulations;
- (ii) ensure that the Loans and the Related Security, the Substitution Assets and the Authorised Investments contained in the Asset Pool comply with the definition of "eligible property" in Regulation 2 (*Eligible Property*) of the RCB Regulations;
- (iii) keep a record of those assets that form part of the Asset Pool which, for the avoidance of doubt, shall not include any Swap Collateral; and
- (iv) at all times comply with its obligations under the RCB Regulations and/or the RCB Sourcebook.

Limit on Investing in Substitution Assets

Prior to the service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay on the LLP, the LLP will be permitted to invest Available Revenue Receipts, Available Principal Receipts and the proceeds of Term Advances standing to the credit of the LLP Accounts in Substitution Assets, provided that the aggregate amount so invested in Substitution Assets does not exceed 10 per cent. of the total assets of the LLP at any one time and provided that such investments are made in accordance with the terms of the Cash Management Agreement. Depositing such amounts in any LLP Account will not constitute an investment in Substitution Assets for these purposes.

Following service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay on the LLP, all Substitution Assets must be sold by the LLP (or the Cash Manager on its behalf) as quickly as reasonably practicable and the proceeds credited to the Standby GIC Account and the LLP will be permitted to invest all available monies in Authorised Investments, provided that such investments are made in accordance with the terms of the Cash Management Agreement.

There is no limit on the amounts that the LLP shall be entitled to invest in Authorised Investments.

Other Provisions

The allocation and distribution of Revenue Receipts, Principal Receipts and all other amounts received by the LLP is described under "*Cashflows*" below.

The LLP Management Committee, comprised as at the Programme Date of directors, officers and/or employees of the Society, will act on behalf of the LLP to which (other than any decision to approve the audited accounts of the LLP or to make a resolution for the voluntary winding up of the LLP, which require a unanimous decision of the Members) the Members delegate all matters. Any decision by the LLP Management Committee relating to the admission of a New Member, any change in the LLP's business, any

change to the LLP's name and any amendment to the LLP Deed, will be made, whilst any Covered Bonds are outstanding, with the consent of the Bond Trustee.

For so long as any Covered Bonds are outstanding, each Member has agreed that it will not terminate or purport to terminate the LLP or institute any winding-up, administration, insolvency or other similar proceedings against the LLP. Furthermore, the Members have agreed *inter alia* not to demand or receive payment of any amounts payable by the LLP (or the Cash Manager on its behalf) or the Security Trustee unless all amounts then due and payable by the LLP to all other creditors ranking higher in the relevant Priorities of Payments have been paid in full.

Each Member will be responsible for the payment of its own tax liabilities and will be required to indemnify the LLP and the other Members from any liabilities which they incur as a result of the relevant Member's non-payment.

Following the appointment of a liquidator to any Member (other than the Liquidation Member), any decisions of the LLP that are reserved to the Members in the LLP Deed shall be made by the Liquidation Member only.

The LLP Deed and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

Cash Management Agreement

The Cash Manager will provide certain cash management services to the LLP pursuant to the terms of the Cash Management Agreement entered into on the Programme Date between the LLP, the Society in its capacities as the Cash Manager, Seller and Servicer and the Security Trustee and Bond Trustee.

The Cash Manager's services include but are not limited to:

- (a) maintaining the Ledgers on behalf of the LLP;
- (b) maintaining records of all Authorised Investments and/or Substitution Assets, as applicable;
- (c) distributing the Revenue Receipts and the Principal Receipts in accordance with the Priorities of Payment described under Cashflows, below;
- (d) determining whether the Asset Coverage Test is satisfied on each Calculation Date in accordance with the LLP Deed, as more fully described under "*Credit Structure – Asset Coverage Test*", below";
- (e) determining whether the Amortisation Test is satisfied on each Calculation Date following an Issuer Event of Default in accordance with the LLP Deed, as more fully described under "*Credit Structure – Amortisation Test*", below;
- (f) providing the FSA with information on the composition of any Substitution Assets and/or Authorised Investments comprised in the assets of the LLP and/or such other information as may be required by the FSA in accordance with the RCB Regulations;
- (g) making the necessary notifications and procuring the necessary payments with respect to any Cash Capital Contributions which are to be credited to the Coupon Payment Ledger; and
- (h) preparation of Investor Reports for the Covered Bondholders, the Rating Agencies and the Bond Trustee.

In relation to an Accumulation Series of Covered Bonds, the Cash Manager shall maintain the Interest Accumulation Ledger, to which the LLP Monthly Interest Amount will be credited on each LLP Payment

Date. Amounts standing to the credit of the Interest Accumulation Ledger which have accumulated in respect of a Series of Covered Bonds will be applied (i) prior to the service of a Notice to Pay, on the immediately following Loan Interest Payment Date or where the Loan Interest Payment Date is also a LLP Payment Date, on such LLP Payment Date in making interest payments, in accordance with the terms of the Intercompany Loan Agreement and the Cash Management Agreement or (ii) following the service of a Notice to Pay, on the immediately following Interest Payment Date, or where the Interest Payment Date is also an LLP Payment Date on that Interest Payment Date (together with any applicable Available Revenue Receipts) in making payments in respect of interest due on the Covered Bonds.

In certain circumstances the LLP and the Security Trustee will each have the right to terminate the appointment of the Cash Manager in which event the LLP will appoint a substitute (the identity of which will be subject to the Security Trustee's written approval). Any substitute cash manager will have substantially the same rights and obligations as the Cash Manager (although the fee payable to the substitute cash manager may be higher).

The Cash Management Agreement and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

Back-up Cash Management Agreement

The Cash Manager undertakes that, on the Cash Manager ceasing to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB, it will use reasonable efforts to enter into a back-up cash management agreement with a suitably experienced third party acceptable to the LLP within 30 days of the Cash Manager ceasing to be assigned such ratings. The Cash Manager will, on behalf of the LLP, make a draft of the back-up cash management agreement available to the Rating Agencies prior to its execution.

If at any time thereafter the Cash Manager is again assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 and by Fitch of at least BBB, the Cash Manager shall no longer be required to enter into and, for the avoidance of doubt may, if applicable and provided that the Cash Management Agreement remains in full force and effect, terminate any back-up cash management agreement entered into with the above paragraph. The back-up cash management agreement will provide for such third party to undertake the cash management services in relation to the Portfolio within 30 days of the Cash Manager ceasing to be assigned a long term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa3 or by Fitch of at least BBB-.

Interest Rate Swap Agreement

Some of the Loans in the Portfolio pay a variable rate of interest for a period of time that may be linked either to the Seller's Standard Variable Rate or linked to an interest rate other than the Seller's Standard Variable Rate, such as a rate that tracks the Bank of England base rate. Other Loans pay a fixed rate of interest for a period of time. However, the Sterling payments to be made by the LLP under the Covered Bond Swaps are based on LIBOR for one month Sterling deposits. To provide a hedge against the possible variance between:

- (a) the rates of interest payable on the Loans in the Portfolio; and
- (b) LIBOR for one month Sterling deposits,

the LLP and the Interest Rate Swap Provider have entered into the Interest Rate Swap Agreement on the Programme Date.

The Interest Rate Swap will terminate on the date on which the principal balance of the Loans is reduced to zero.

In the event that the relevant ratings of the Interest Rate Swap Provider, or any guarantor, as applicable, is or are, as applicable, downgraded by a Rating Agency below the ratings specified in the Interest Rate Swap Agreement (in accordance with the requirements of the Rating Agencies) for the Interest Rate Swap Provider, and, where applicable, as a result of the downgrade, the then current ratings of the Covered Bonds would or may, as applicable, be adversely affected, the Interest Rate Swap Provider will be required to take certain remedial measures which may include providing collateral for its obligations, arranging for its obligations to be transferred to an entity with ratings required by the relevant Rating Agency, procuring another entity with rating(s) required by the relevant Rating Agency to become co-obligor in respect of its obligations, or taking such other action as it may agree with the relevant Rating Agency. A failure to take such steps will allow the LLP to terminate the Interest Rate Swap Agreement.

The Interest Rate Swap Agreement may also be terminated in certain other circumstances (each referred to as an "**Interest Rate Swap Early Termination Event**"), including:

- at the option of any party to the Interest Rate Swap Agreement, if there is a failure by the other party to pay any amounts due under the Interest Rate Swap Agreement; and
- upon the occurrence of the insolvency of the Interest Rate Swap Provider, or any guarantor and certain insolvency-related events in respect of the LLP, or the merger of the Interest Rate Swap Provider without an assumption of the obligations under the Interest Rate Swap Agreement.

Upon the termination of the Interest Rate Swap Agreement pursuant to an Interest Rate Swap Early Termination Event, the LLP or the Interest Rate Swap Provider may be liable to make a termination payment to the other in accordance with the provisions of the Interest Rate Swap Agreement.

If withholding taxes are imposed on payments made by the Interest Rate Swap Provider under the Interest Rate Swap Agreement, the Interest Rate Swap Provider shall always be obliged to gross up these payments. If withholding taxes are imposed on payments made by the LLP to the Interest Rate Swap Provider under the Interest Rate Swap Agreement, the LLP shall not be obliged to gross up those payments.

If the LLP is required to sell Selected Loans in the Portfolio following an Issuer Event of Default and service of a Notice to Pay on the LLP, then either:

- (a) the Interest Rate Swap in respect of such Loans will partially terminate and any breakage costs payable by or to the LLP in connection with such termination will be taken into account in calculating the Adjusted Required Redemption Amount for the sale of the Selected Loans; or
- (b) such Interest Rate Swap will be partially novated to the purchaser of such Loans, and such purchaser will thereby become party to a separate interest rate swap transaction with the relevant Interest Rate Swap Provider.

Under the Interest Rate Swap Agreement, the LLP's obligations are limited in recourse to the Charged Property.

The Interest Rate Swap Agreement and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

Covered Bond Swap Agreements

The LLP will enter into one or more Covered Bond Swaps with one or more Covered Bond Swap Providers. Each Covered Bond Swap will provide a hedge against certain interest rate and currency risks in respect of amounts received by the LLP under the Loans and the relevant Interest Rate Swap and amounts payable by the LLP under the Intercompany Loan Agreement (prior to the service of a Notice to Pay on the LLP) and under the Covered Bond Guarantee in respect of Covered Bonds (after the service of a Notice to Pay on the LLP).

Where required to hedge such risks, there will be one (or more) Covered Bond Swap Agreement(s) and Covered Bond Swap(s) in relation to each Series or Tranche, as applicable, of Covered Bonds. Under the Covered Bond Swaps on the relevant Issue Date, the LLP will pay to the Covered Bond Swap Provider the amount received by the LLP under the applicable Term Advance (being an amount equal to the gross proceeds of the issue of such Series or Tranche, as applicable, of Covered Bonds) and in return the Covered Bond Swap Provider will pay an amount equal to the Sterling Equivalent of the applicable Term Advance. Thereafter, the Covered Bond Swap Provider will pay to the LLP on each Interest Payment Date amounts equivalent to the amounts that would be payable by the LLP under either the applicable Term Advance in accordance with the terms of the Intercompany Loan or the Covered Bond Guarantee in respect of interest and principal payable under the relevant Series or Tranche of Covered Bonds. In return, the LLP will pay to the Covered Bond Swap Provider on each LLP Payment Date an amount in Sterling calculated by reference to LIBOR for one month Sterling deposits for the relevant Interest Period plus a spread and the Sterling Equivalent of any principal due in respect of the relevant Term Advance in accordance with the Intercompany Loan Agreement or the Covered Bond Guarantee.

If prior to the Final Maturity Date in respect of the relevant Series or Tranche of Covered Bonds or (if an Extended Due for Payment Date is specified as applicable in the Final Terms for a Series of Covered Bonds and the payment of the amount corresponding to the Final Redemption Amount or any part of it by the LLP under the Covered Bond Guarantee is deferred until the relevant Extended Due for Payment Date pursuant to Condition 6(a) (*Final Redemption*) of the Terms and Conditions of the Covered Bonds) any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date, the LLP notifies (pursuant to the terms of the Covered Bond Swap) the relevant Covered Bond Swap Provider of the amount in the Specified Currency to be paid by the Covered Bond Swap Provider on such Final Maturity Date or Interest Payment Date (such amount being equal to the Final Redemption Amount or the relevant portion thereof payable by the LLP on such Final Maturity Date or Interest Payment Date under the Covered Bond Guarantee in respect of the relevant Series or Tranche of Covered Bonds), the Covered Bond Swap Provider will pay the LLP such amount and the LLP will pay the Covered Bond Swap Provider the Sterling Equivalent of such amount. Further, if on any day an Early Redemption Amount is payable pursuant to Condition 9(b) (*LLP Events of Default*), the Covered Bond Swap Provider will pay the LLP such Amount (or the relevant portion thereof) and the LLP will pay the Covered Swap Provider the Sterling Equivalent thereof, following which the notional amount of the relevant Covered Bond Swaps will reduce accordingly.

Each Covered Bond Swap will terminate on the earlier of:

- (a) the Final Maturity Date or, if the LLP notifies the Covered Bond Swap Provider, prior to the Final Maturity Date, of the inability of the LLP to pay in full Guaranteed Amounts corresponding to the Final Redemption Amount, the final Interest Payment Date on which an amount representing the Final Redemption Amount is paid (but in any event not later than the Extended Due for Payment Date); and
- (b) the final date on which the Security Trustee distributes the proceeds of the Security in accordance with the Post-Enforcement Priority of Payments, following the enforcement of the Security pursuant to Condition 9(b) (*LLP Events of Default*).

Under the terms of each Covered Bond Swap Agreement, in the event that the relevant rating of the Covered Bond Swap Provider is downgraded by a Rating Agency below the rating(s) specified in the relevant Covered Bond Swap Agreement (in accordance with the requirements of the Rating Agencies) for the Covered Bond Swap Provider, and, where applicable, as a result of the downgrade, the then current ratings of the Covered Bonds would or may, as applicable, be adversely affected, the Covered Bond Swap Provider will, in accordance with the relevant Covered Bond Swap Agreement, be required to take certain remedial measures which may include providing collateral for its obligations under the Covered Bond Swap Agreement, arranging for its obligations under the Covered Bond Swap Agreement to be transferred to an entity with the ratings required by the relevant Rating Agency, procuring another entity with the ratings required by the relevant Rating Agency to become co-obligor in respect of its obligations under the Covered

Bond Swap Agreement, or taking such other action as it may agree with the relevant Rating Agency. A failure to take such steps will allow the LLP to terminate the Covered Bond Swaps entered into under that Covered Bond Swap Agreement.

A Covered Bond Swap Agreement may also be terminated in certain other circumstances (each referred to as a "**Covered Bond Swap Early Termination Event**"), including:

- at the option of any party to the Covered Bond Swap Agreement, if there is a failure by the other party to pay any amounts due under such Covered Bond Swap Agreement; and
- upon the occurrence of the insolvency of the relevant Covered Bond Swap Provider or any guarantor, and certain insolvency-related events in respect of the LLP or the merger of the Covered Bond Swap Provider without an assumption of the obligations under the relevant Covered Bond Swap Agreement.

Upon the termination of a Covered Bond Swap Agreement, the LLP or the relevant Covered Bond Swap Provider may be liable to make a termination payment to the other in accordance with the provisions of the relevant Covered Bond Swap Agreement. The amount of this termination payment will be calculated and made in Sterling.

Any termination payment made by the Covered Bond Swap Provider to the LLP in respect of a Covered Bond Swap Agreement will first be used to the extent necessary (prior to the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security) to pay a replacement Covered Bond Swap Provider (or replacement Covered Bond Swap Providers) to enter into a replacement Covered Bond Swap with the LLP, unless a replacement Covered Bond Swap Agreement (or replacement Covered Bond Swap Agreements) has already been entered into on behalf of the LLP. Any premium received by the LLP from a replacement Covered Bond Swap Provider in respect of a replacement Covered Bond Swap will first be used to make any termination payment due and payable by the LLP with respect to the previous Covered Bond Swap Agreement, unless such termination payment has already been made on behalf of the LLP.

Any Swap Collateral Excluded Amounts will be paid to the Covered Bond Swap Provider directly and not via the Priorities of Payments.

If withholding taxes are imposed on payments made by any Covered Bond Swap Provider to the LLP under a Covered Bond Swap Agreement, such Covered Bond Swap Provider shall always be obliged to gross up those payments. If withholding taxes are imposed on payments made by the LLP to the Covered Bond Swap Provider under a Covered Bond Swap Agreement, the LLP shall not be obliged to gross up those payments.

In the event that the Covered Bonds are redeemed and/or cancelled in accordance with the Conditions, the Covered Bond Swap(s) in connection with such Covered Bonds will terminate or partially terminate, as the case may be. Any breakage costs payable by or to the LLP in connection with such termination will be taken into account in calculating:

- (i) the Adjustment Required Redemption Amount for the Sale of Selected Loans; and
- (ii) the purchase price to be paid for the relevant Covered Bonds purchased by the LLP in accordance with Condition 6(f) (*Early Redemption Amounts*).

Under each Covered Bond Swap Agreement, the LLP's obligations are limited in recourse to the Charged Property. To the extent that the LLP is unable to make any payment in full under any Covered Bond Swap due to its assets being insufficient to make such payment in full, the relevant Covered Bond Swap Provider's payment obligations will rateably reduce.

The Covered Bond Swap Agreements are (or, as applicable, will be) and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

Standby Bank Account Agreement

The LLP entered into a standby bank account agreement with HSBC Bank Plc (the "**Standby Account Bank**"), the Cash Manager and the Security Trustee on the Programme Date (the "**Standby Bank Account Agreement**"). The Standby Bank Account Agreement became operative on 26 April 2009 at which point the LLP transferred the Transaction Account and the GIC Account from the Account Bank to the Standby Bank Account and opened the following accounts which will be operated in accordance with the Cash Management Agreement, the Standby Bank Account Agreement, the Standby Guaranteed Investment Contract, the LLP Deed and the Deed of Charge:

- (a) a standby GIC account (the "**Standby GIC Account**") into which amounts may be deposited by the LLP (including, following the occurrence of an Issuer Event of Default which is not cured within the applicable grace period, all amounts received from Borrowers in respect of Loans in the Portfolio). On each LLP Payment Date as applicable, amounts required to meet the LLP's various creditors and amounts to be distributed to the Members under the LLP Deed will be transferred to the Standby Transaction Account (to the extent maintained); and
- (b) a standby transaction account (the "**Standby Transaction Account**") (to the extent maintained) into which, amounts may be deposited by the LLP prior to their transfer to the Standby GIC Account.

Monies standing to the credit of the Standby GIC Account will be transferred on each LLP Payment Date and applied by the Cash Manager in accordance with the Priorities of Payments described below under "*Cashflows*".

If the short term, unsecured, unsubordinated and unguaranteed debt obligations of the Standby Account Bank fall below P-1 by Moody's or F1 by Fitch there will be a requirement that the Standby Account Bank either be replaced by, or have its obligations guaranteed by, a satisfactorily rated financial institution.

The Standby Bank Account Agreement and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

Standby Guaranteed Investment Contract

The LLP entered into a standby guaranteed investment contract with HSBC Bank Plc (the "**Standby GIC Provider**") on the Programme Date (the "**Standby Guaranteed Investment Contract**"), pursuant to which the Standby GIC Provider has agreed to pay interest on the Standby GIC Account at specified rates determined in accordance with the Standby Guaranteed Investment Contract. The Standby Guaranteed Investment Contract became operative on 26 April 2009.

The Standby Guaranteed Investment Contract shall be governed by, and construed in accordance with English law.

- (b) a first fixed charge (which may take effect as a floating charge) over all of the LLP's interests, rights and entitlements under and in respect of any Transaction Document to which it is a party (and, in respect of the Interest Rate Swap Agreement and Covered Bond Swap Agreement, after giving effect to all applicable netting provisions therein);

Release of Security

In the event of any sale of Loans (including Selected Loans) and their Related Security by the LLP pursuant to and in accordance with the Transaction Documents, the Security Trustee will (subject to the written request of the LLP), release those Loans from the Security created by and pursuant to the Deed of Charge on the date of such sale but only if:

- (i) the Security Trustee provides its prior written consent to the terms of such sale as described under "*LLP Deed – Method of Sale of Selected Loans*" above; and
- (ii) in the case of the sale of Selected Loans, the LLP provides to the Security Trustee a certificate confirming that the Selected Loans being sold have been selected on a random basis.

In the event of the repurchase of a Loan and its Related Security by the Seller pursuant to and in accordance with the Transaction Documents, such Loans and their Related Security (and any other related rights under the same) will be deemed released, reassigned or discharged from the Security Interests pursuant to the terms of the Deed of Charge on the date of the repurchase.

If an LLP Acceleration Notice is served on the LLP, the Security Trustee shall be entitled to and shall if so directed by the Bond Trustee (so long as Covered Bonds are outstanding) or the other Secured Creditors if no Covered Bonds are outstanding appoint a Receiver, and/or enforce the Security constituted by the Deed of Charge (including selling the Portfolio), and/or take such steps as it shall deem necessary, subject in each case to being indemnified and/or secured to its satisfaction. All proceeds received by the Security Trustee from the enforcement or realisation of the Security will be applied in accordance with the Post-Enforcement Priority of Payments described under "*Cashflows*".

The Deed of Charge and any non-contractual obligations arising out of or in respect of it is governed by and shall be construed in accordance with English law.

CREDIT STRUCTURE

The Covered Bonds will be direct, unsecured, unconditional obligations of the Issuer. The LLP has no obligation to pay the Guaranteed Amounts under the Covered Bond Guarantee until the occurrence of an Issuer Event of Default, service by the Bond Trustee on the Issuer of an Issuer Acceleration Notice and on the LLP of a Notice to Pay or, if earlier, following the occurrence of an LLP Event of Default, service by the Bond Trustee of an LLP Acceleration Notice. The Issuer will not be relying on payments by the LLP in respect of the Term Advances or receipt of Revenue Receipts or Principal Receipts from the Portfolio in order to pay interest or repay principal under the Covered Bonds.

There are a number of features of the Programme which enhance the likelihood of timely and, as applicable, ultimate payments to the Covered Bondholders, as follows:

- the Covered Bond Guarantee provides credit support to the Issuer;
- the Asset Coverage Test is intended to test the asset coverage of the LLP's assets in respect of the Covered Bonds at all times;
- the Amortisation Test is intended to test the asset coverage of the LLP's assets in respect of the Covered Bonds following the occurrence of an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the LLP;
- a Reserve Fund (unless the Society's short term unsecured, unsubordinated and unguaranteed debt obligations are rated at least F1+ by Fitch and P-1 by Moody's) will be established in the Standby GIC Account to trap Available Revenue Receipts; and
- under the terms of the Guaranteed Investment Contract, the Standby GIC Provider has agreed to pay a variable rate of interest on all amounts held by the LLP in the Standby GIC Account at a rate of 0.43 per cent. per annum below LIBOR for one-month Sterling deposits or such greater amount as the LLP and the Standby GIC Provider may agree from time to time; and
- the pre-funding of the Required Coupon Amount on each LLP Payment Date following a Cash Manager Relevant Event and the delivery of irrevocable payment instructions well in advance of such amounts becoming due for payment will enhance the likelihood of timely payments to the Covered Bondholders.

Certain of these factors are considered more fully in the remainder of this section.

In addition, the Issuer is required to comply with the terms of the Regulated Covered Bonds Regulations, as to which see further "*Description of the UK Covered Bond Regime*" below.

Guarantee

The Covered Bond Guarantee provided by the LLP under the Trust Deed guarantees payment of Guaranteed Amounts when the same become Due for Payment in respect of all Covered Bonds issued under the Programme. The Covered Bond Guarantee will not guarantee any amount becoming payable for any other reason, including any accelerated payment pursuant to Condition 9 (*Events of Default and Enforcement*) following the occurrence of an Issuer Event of Default. In this circumstance (and until an LLP Event of Default occurs and an LLP Acceleration Notice is served), the LLP's obligations will only be to pay the Guaranteed Amounts as they fall Due for Payment.

See further "*Summary of the Principal Documents – Trust Deed*" as regards the terms of the Covered Bond Guarantee. See further "*Cashflows – Guarantee Priority of Payments*" as regards the payment of amounts

payable by the LLP to the Covered Bondholders and other Secured Creditors following the occurrence of an Issuer Event of Default.

Asset Coverage Test

The Asset Coverage Test is intended to ensure that the LLP can meet its obligations under the Covered Bond Guarantee and senior ranking expenses which will include costs relating to the maintenance, administration and winding-up of the Asset Pool whilst the Covered Bonds are outstanding. Under the LLP Deed, the LLP and its Members (other than the Liquidation Member) must ensure that on each Calculation Date the Adjusted Aggregate Loan Amount will be in an amount equal to or in excess of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date. If on any Calculation Date the Asset Coverage Test is not satisfied and such failure is not remedied on or before the next following Calculation Date, the Asset Coverage Test will be breached and (subject to the Bond Trustee having actual knowledge or express notice of such breach) the Bond Trustee will serve an Asset Coverage Test Breach Notice on the LLP. The Asset Coverage Test is a formula which adjusts the True Balance of each Loan in the Portfolio and has further adjustments to take account of set-off on a Borrower's savings accounts held with the Seller and failure by the Seller, in accordance with the Mortgage Sale Agreement, to repurchase Defaulted Loans or Loans that do not materially comply with the Representations and Warranties on the relevant Transfer Date.

See further "*Summary of the Principal Documents – LLP Deed – Asset Coverage Test*", above.

An Asset Coverage Test Breach Notice will be revoked if, on any Calculation Date falling on or prior to the third Calculation Date following the service of the Asset Coverage Test Breach Notice, the Asset Coverage Test is satisfied and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances, may be required) to serve an Issuer Acceleration Notice. Following service of an Issuer Acceleration Notice, the Bond Trustee must serve a Notice to Pay on the LLP.

The Issuer is additionally required to ensure that the principal amount of eligible property in the Asset Pool is greater than 108 per cent. of the Principal Amount Outstanding of the Covered Bonds in accordance with the terms of the RCB Regulations. See further "*Description of the UK Covered Bond Regime*" below.

Amortisation Test

The Amortisation Test is intended to ensure that if, following an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and the service of a Notice to Pay on the LLP (but prior to service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security), the assets of the LLP available to meet its obligations under the Covered Bond Guarantee fall to a level where the Covered Bondholders may not be repaid, an LLP Event of Default will occur and all amounts owing under the Covered Bonds may be accelerated. Under the LLP Deed, the LLP and its Members (other than the Liquidation Member) must ensure that, on each Calculation Date following an Issuer Event of Default and the service of a Notice to Pay on the LLP, the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date. The Amortisation Test is a formula which adjusts the True Balance of each Loan in the Portfolio and has further adjustments to take account of Loans in arrears. See further "*Summary of the Principal Documents – LLP Deed – Amortisation Test*", above.

Reserve Fund

The LLP will be required (unless the Society's short term unsecured, unsubordinated and unguaranteed debt obligations are rated at least F1+ by Fitch and P-1 by Moody's), to establish the Reserve Fund on the Standby GIC Account which will be credited with Available Revenue Receipts up to an amount equal to the Reserve Fund Required Amount. The Seller, in its capacity as a Member of the LLP, may also make a Cash Capital Contribution to the LLP on any London Business Day for the purpose of funding the Reserve Fund up to the Reserve Fund Required Amount. The LLP will not be required to maintain the Reserve Fund following the occurrence of an Issuer Event of Default.

The Reserve Fund will be funded from Available Revenue Receipts after the LLP has paid all of its obligations in respect of items ranking higher than the Reserve Ledger in the Pre-Acceleration Revenue Priority of Payments on each LLP Payment Date.

The Reserve Fund will be established on the Programme Date and funded by a capital contribution in the LLP by the Issuer. Subsequently, the Reserve Fund will be funded, to the extent necessary, from Available Revenue Receipts or Cash Capital Contributions from the Seller as set out in the above paragraph.

A Reserve Ledger will be maintained by the Cash Manager to record the balance from time to time of the Reserve Fund. Following the occurrence of an Issuer Event of Default and service of a Notice to Pay on the LLP, amounts standing to the credit of the Reserve Fund will be added to certain other income of the LLP in calculating Available Revenue Receipts.

Interest Accumulation Ledger

In relation to each Accumulation Series of Covered Bonds, the Cash Manager shall maintain an Interest Accumulation Ledger, to which the LLP Monthly Interest Amount will be credited on each LLP Payment Date. Amounts standing to the credit of the Interest Accumulation Ledger in respect of each such Accumulation Series of Covered Bonds will be applied on the relevant Loan Interest Payment Date, together with Available Revenue Receipts (applied in accordance with the relevant Priorities of Payments), to make payments under the Term Advances or Covered Bonds, as applicable.

Coupon Payment Ledger

If a Cash Manager Relevant Event occurs and is continuing, the Society in its capacity as a Member of the LLP will (a) within 10 London Business Days of the occurrence of the Cash Manager Relevant Event and, (b) thereafter, if a Required Coupon Amount Shortfall exists, within one London Business Day of receipt of notification of each Required Coupon Amount Shortfall make a Cash Capital Contribution to the LLP in an amount equal to the Required Coupon Amount or the Required Coupon Amount Shortfall, as the case may be.

While a Cash Manager Relevant Event is continuing (but prior to the service of a Notice to Pay or an LLP Acceleration Notice on the LLP) the LLP will, on each LLP Payment Date, fund the Coupon Payment Ledger in an amount up to the Required Coupon Amount.

Within 1 London Business Day of receipt of a Cash Capital Contribution from the Society, the LLP shall (or shall procure that the Cash Manager shall) credit the Coupon Payment Ledger of the Standby GIC Account with an amount equal to such Cash Capital Contribution.

Within 1 London Business Day of receipt of a Cash Capital Contribution from the Society or, (where either (x) there is no Required Coupon Amount Shortfall or (y) receipt of a Cash Capital Contribution from the Seller occurs prior to the Relevant Payment Date in question) each Relevant Payment Date on which a Cash Manager Relevant Event has occurred and is continuing, the LLP will deliver an irrevocable payment instruction, instructing the Standby Account Bank to (a), in the case of a Term Advance where no Covered Bond Swap is in place, no later than 11am (local time in the relevant financial centre of the payment or, in

the case of a payment in euro, London time), on each date on which any payment of interest in respect of such Term Advance becomes due under the Conditions, make a payment from the Standby GIC Account in an amount equal to the Required Coupon Amount for such Term Advance on the relevant Interest Payment Date to an account specified by the Principal Paying Agent to the Issuer and the LLP from time to time and/or (b) in the case of a Term Advance where a Covered Bond Swap is in place, on each date on which any payment is due under the relevant Covered Bond Swap(s) (other than any termination payment under the relevant Covered Bond Swap Agreement and any payment in respect of principal), make a payment from the Standby GIC Account in an amount equal to the Required Coupon Amount for such Covered Bond Swap(s) on the relevant payment date under the Covered Bond Swap in accordance with the terms of the relevant Covered Bond Swap Agreement.

CASHFLOWS

As described above under "*Credit Structure*", until a Notice to Pay or LLP Acceleration Notice is served on the LLP, the Covered Bonds will be obligations of the Issuer only. The Issuer is liable to make payments when due on the Covered Bonds, whether or not it has received any corresponding payment from the LLP.

This section summarises the Priorities of Payments of the LLP, as to the allocation and distribution of amounts standing to the credit of the LLP Accounts and their order of priority:

- (a) prior to service on the LLP of an Asset Coverage Test Breach Notice, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security;
- (b) following service of an Asset Coverage Test Breach Notice (and for so long as it has not been revoked);
- (c) following service of a Notice to Pay; and
- (d) following service of an LLP Acceleration Notice, realisation of the Security and/or the commencement of winding-up proceedings against the LLP.

If the Standby Transaction Account is closed in accordance with the terms of the Standby Bank Account Agreement, any payment to be made to or from the Standby Transaction Account shall, as applicable, be made to or from the Standby GIC Account, or no payment shall be made at all if such payment is expressed to be from the Standby GIC Account to the Standby Transaction Account.

LLP Payment Dates will occur monthly.

Allocation and distribution of Available Revenue Receipts prior to the service of an Asset Coverage Test Breach Notice (which has not been revoked), a Notice to Pay or an LLP Acceleration Notice and/or the commencement of Winding-Up Proceedings against the LLP and/or the realisation of the security

Prior to service of an Asset Coverage Test Breach Notice (which has not been revoked), a Notice to Pay or an LLP Acceleration Notice on the LLP and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, Available Revenue Receipts will be allocated and distributed as described below.

On the Calculation Date immediately preceding each LLP Payment Date, the LLP or the Cash Manager on its behalf shall calculate the amount of Available Revenue Receipts available for distribution on the immediately following LLP Payment Date, the Reserve Fund Required Amount, the Required Coupon Amount and the Required Coupon Amount Shortfall (if any) (in each case, if applicable).

Pre-Acceleration Revenue Priority of Payments

On each LLP Payment Date, the LLP or the Cash Manager on its behalf will transfer Available Revenue Receipts from the Standby GIC Account to the Standby Transaction Account (to the extent maintained), in an amount equal to the lower of (a) the amount required to make the payments described below (after taking into account any Available Revenue Receipts standing to the credit of the Standby Transaction Account) and (b) the amount of Available Revenue Receipts standing to the credit of the Standby GIC Account.

Prior to service of a Notice to Pay or service of an LLP Acceleration Notice on the LLP, Available Revenue Receipts will be applied by or on behalf of the LLP on each LLP Payment Date (except for amounts due to the Bond Trustee and the Security Trustee or to other third parties by the LLP or the Issuer under paragraphs

(a) and (b) or Third Party Amounts, which shall be paid when due) in making the following payments and provisions (the "**Pre-Acceleration Revenue Priority of Payments**") (in each case only if and to the extent that payments or provisions of a higher priority have been made in full):

- (a) *first*, in or towards *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) all amounts due and payable or to become due and payable to the Bond Trustee (including remuneration payable to it) under the provisions of the Trust Deed together with interest and applicable VAT (or other similar taxes) thereon as provided therein;
 - (ii) all amounts due and payable or to become due and payable to the Security Trustee (including remuneration payable to it) under the provisions of the Deed of Charge together with interest and applicable VAT (or other similar taxes) thereon as provided therein;
- (b) *second*, in or towards satisfaction of any amounts due and payable to each Agent and to other third parties other than those referred to in paragraph (a) above and incurred without breach by the LLP of the Transaction Documents to which it is a party (and for which payment has not been provided for elsewhere in the relevant Priorities of Payments) and to provide for any such amounts expected to become due and payable by the LLP in the immediately succeeding LLP Payment Period and to pay and discharge any liability of the LLP for taxes;
- (c) *third*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) any remuneration then due and payable to the Servicer and any costs, charges, liabilities and expenses then due or to become due and payable to the Servicer under the provisions of the Servicing Agreement in the immediately succeeding LLP Payment Period, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (ii) any remuneration then due and payable to the Cash Manager and any costs, charges, liabilities and expenses then due or to become due and payable to the Cash Manager under the provisions of the Cash Management Agreement in the immediately succeeding LLP Payment Period, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (iii) amounts (if any) due and payable to the Standby Account Bank (including costs) pursuant to the terms of the Standby Bank Account Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (iv) amounts due and payable to the Corporate Services Provider pursuant to the terms of the Corporate Services Agreement together with applicable VAT (or other similar taxes) thereon as provided therein; and
 - (v) amounts due and payable to the Asset Monitor pursuant to the terms of the Asset Monitor Agreement (other than the amounts referred to in paragraph (j) below), together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
- (d) *fourth*, in or towards payment *pro rata* and *pari passu* of any amount due to the Interest Rate Swap Provider (including any termination payment due and payable by the LLP under the Interest Rate Swap Agreement (but excluding any Excluded Swap Termination Amount)) pursuant to the terms of the Interest Rate Swap Agreement;
- (e) *fifth*, in or towards payment on the LLP Payment Date or to provide for payment on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine (and in the case of any such payment or provision, after taking into account

any provisions previously made and any amounts receivable from the Interest Rate Swap Provider under the Interest Rate Swap Agreement and, if applicable, any amounts (other than principal) receivable from a Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement on the LLP Payment Date or such date in the future as the Cash Manager may reasonably determine), of:

- (i) taking into account any amounts paid from amounts credited to the Coupon Payment Ledger (other than any amounts to be credited on such LLP Payment Date in accordance with (f) below), in respect of any Term Advance with a Covered Bond Swap in place, any amounts due or to become due and payable to the Covered Bond Swap Providers (other than in respect of principal) *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (other than in relation to principal) due and payable by the LLP under the relevant Covered Bond Swap Agreement, but excluding any Excluded Swap Termination Amount) (except to the extent that such amounts have been paid out of any premiums received from the relevant replacement Swap Providers) pursuant to the terms of the relevant Covered Bond Swap Agreements; and
- (ii) taking into account any amounts paid from amounts credited to the Coupon Payment Ledger (other than any amounts to be credited on such LLP Payment Date in accordance with (f) below), and, in respect of any Term Advance that relates to an Accumulation Series of Covered Bonds, any amount credited to the Interest Accumulation Ledger in respect of that Series of Covered Bonds and, in respect of any Term Advance without a Covered Bond Swap in place, any amounts due to become due and payable (excluding principal amounts), *pro rata* and *pari passu* in respect of each relevant Term Advance to the Issuer pursuant to the terms of the Intercompany Loan Agreement; and
- (iii) in respect of any Accumulation Series of Covered Bonds, where the amount is not due and payable in respect of any related Term Advance, to, if applicable, make a credit to the Interest Accumulation Ledger in respect of that Term Advance in an amount equal to the LLP Monthly Interest Amount;
- (f) *sixth*, if a Cash Manager Relevant Event has occurred and is continuing, in or towards a deposit to the Standby GIC Account, (with a corresponding credit to the Coupon Payment Ledger maintained in respect of that account) of an amount up to but not exceeding the amount by which the then applicable Required Coupon Amount exceeds the amount standing to the credit of the Coupon Payment Ledger;
- (g) *seventh*, if a Servicer Event of Default has occurred, all remaining Available Revenue Receipts to be credited to the Standby GIC Account (with a corresponding credit to the Revenue Ledger maintained in respect of that account) until such Servicer Event of Default is either remedied by the Servicer or waived by the Security Trustee or a new servicer is appointed to service the Portfolio (or the relevant part thereof);
- (h) *eighth*, in or towards a credit to the Reserve Ledger on the Standby GIC Account of an amount up to but not exceeding the amount by which the Reserve Fund Required Amount exceeds the existing balance on the Reserve Ledger as calculated on the immediately preceding Calculation Date;
- (i) *ninth*, payment *pro rata* and *pari passu* in accordance with the respective amounts thereof of any Excluded Swap Termination Amounts due and payable by the LLP under the Covered Bond Swap Agreements and the Interest Rate Swap Agreement;
- (j) *tenth*, in or towards payment *pro rata* and *pari passu* in accordance with the respective amounts thereof of any indemnity amount due to the Asset Monitor pursuant to the Asset Monitor Agreement, and any indemnity amount due to the Members pursuant to the LLP Deed;

- (k) *eleventh*, in or towards repayment to the Society of any Cash Capital Contributions made by the Society (in its capacity as a Member of the LLP) to credit the Coupon Payment Ledger;
- (l) *twelfth*, in or towards payment of Deferred Consideration due to the Seller for the transfer of the Loans and their Related Security to the LLP, to pay all remaining Available Revenue Receipts (except for an amount equal to the fee payable to the Liquidation Member in accordance with (m) and an amount equal to the profit to be paid to the Members in accordance with (n) below) to the Seller;
- (m) *thirteenth*, in or towards payment of the fee due to the Liquidation Member; and
- (n) *fourteenth*, towards payment *pro rata* and *pari passu* to the Members of a certain sum (specified in the LLP Deed) as their profit for their respective interests as Members in the LLP,

provided that if an LLP Payment Date is not the same as an Interest Payment Date, Available Revenue Receipts will be applied initially on the Interest Payment Date in payment of any amount due to the Covered Bond Swap Providers under paragraph (e)(i) above but only to the extent that adequate provision is made for any payments of a higher priority to be made in full on the immediately succeeding LLP Payment Date.

On each Loan Interest Payment Date, any amount standing to the credit of the Interest Accumulation Ledger and (without double counting) any amount credited to the Interest Accumulation Ledger on such Loan Interest Payment Date (if such Loan Interest Payment Date is also an LLP Payment Date) in accordance with (e)(iii) above, shall be applied in paying interest due on the Term Advance in respect of such Accumulation Series of Covered Bonds at item (e)(ii) of the Pre-Acceleration Revenue Priority of Payments to the extent such amounts are due and payable.

Prior to a Notice to Pay having been delivered, if a Cash Manager Relevant Event occurs, the LLP will on any LLP Payment Date immediately prior to the LLP Payment Date on which amounts or Scheduled Interest is required to be paid in respect of any Term Advance relating to an Accumulation Series of Covered Bonds, apply the amount standing to the credit of the Interest Accumulation Ledger in respect of such Accumulation Series of Covered Bonds to the Coupon Payment Ledger to fund in full or in part the amount to be deposited by the Seller pursuant to the LLP Deed. Such application shall occur after the application of item (e) but before the application of item (f) in each case of the Pre-Acceleration Revenue Priority of Payments.

Any amounts received by the LLP under the Interest Rate Swap Agreement on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payments made on any preceding LLP Payment Date, to make payments (other than in respect of principal) due and payable *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap under the Covered Bond Swap Agreements or, as the case may be, in respect of each relevant Term Advance under the Intercompany Loan Agreement unless an Asset Coverage Test Breach Notice has been served and not been revoked or otherwise to make provision for such payments on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine.

Any amounts (other than in respect of principal and Swap Collateral) received by the LLP under a Covered Bond Swap on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payments made on any preceding LLP Payment Date, to make payments (other than principal) due and payable *pro rata* and *pari passu* in respect of each relevant Term Advance under the Intercompany Loan Agreement or otherwise to make provision for such payments on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine unless an Asset Coverage Test Breach Notice has been served and not been revoked.

Any amounts received under the Interest Rate Swap Agreement and any amounts (other than in respect of principal and Swap Collateral) received under the Covered Bond Swap Agreements on the LLP Payment Date or on any date prior to the next succeeding LLP Payment Date which are not put towards a payment or

provision in accordance with paragraph (e) above or the preceding two paragraphs will be credited to the Revenue Ledger on the LLP Accounts and applied as Available Revenue Receipts on the next succeeding LLP Payment Date.

If any Swap Collateral Available Amounts are received by the LLP on an LLP Payment Date, such amounts shall be applied by the LLP (or by the Cash Manager on its behalf) on that LLP Payment Date in the same manner as it would have applied the receipts which such Swap Collateral Available Amounts replace.

Amounts (if any) standing to the credit of the Standby Transaction Account which are not available to be applied in accordance with paragraphs (a) to (n) of the Pre-Acceleration Revenue Priority of Payments above or paragraphs (i) to (iv) of the Pre-Acceleration Principal Priority of Payments below will be credited to the appropriate ledger in the Standby GIC Account on the LLP Payment Date.

Allocation and Distribution of Available Principal Receipts prior to service of an Asset Coverage Test Breach Notice which has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of Winding-Up Proceedings against the LLP and/or the realisation of the security

Prior to service on the LLP of an Asset Coverage Test Breach Notice, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, Available Principal Receipts will be allocated and distributed as described below.

On each Calculation Date, the LLP or the Cash Manager on its behalf will calculate the amount of Available Principal Receipts available for distribution on the immediately following LLP Payment Date.

On each LLP Payment Date, the LLP or the Cash Manager on its behalf will transfer funds from the Standby GIC Account to the Standby Transaction Account (to the extent maintained), in an amount equal to the lower of (a) the amount required to make the payments or credits described below (taking into account any Available Principal Receipts standing to the credit of the Standby Transaction Account) and (b) the amount of all Available Principal Receipts standing to the credit of the Standby GIC Account.

If any payments of principal are required to be made by the LLP on an Interest Payment Date, the distribution of Available Principal Receipts under the Pre-Acceleration Principal Priority of Payments will be delayed until the Issuer has made scheduled interest and/or principal payments under the Covered Bonds on that Interest Payment Date unless, notwithstanding the proviso in item (b) of the Pre-Acceleration Principal Priority of Payments or in the paragraph immediately following the Pre-Acceleration Principal Priority of Payments, payment is made by the LLP directly to the Bond Trustee (or the Principal Paying Agent at the direction of the Bond Trustee).

Pre-Acceleration Principal Priority of Payments

Prior to service on the LLP of an Asset Coverage Test Breach Notice (which has not been revoked), a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, all Available Principal Receipts (other than Cash Capital Contributions made from time to time by the Seller in its capacity as a Member) will be applied by or on behalf of the LLP on each LLP Payment Date in making the following payments and provisions (the "**Pre-Acceleration Principal Priority of Payments**") provided that the Cash Manager may, at the direction of the LLP, apply amounts standing to the credit of the Principal Ledger on any London Business Day to acquire New Loans, Additional Loan Advances and Flexible Loans in accordance with paragraph (a) below:

- (a) *first*, to acquire New Loans and their Related Security offered to the LLP by the Seller in accordance with the terms of the Mortgage Sale Agreement in an amount sufficient to ensure that taking into account the other resources available to the LLP, the LLP is in compliance with the Asset Coverage Test and thereafter to acquire Substitution Assets;

- (b) *second*, to deposit the remaining Principal Receipts in the Standby GIC Account (with a corresponding credit to the Principal Ledger) in an amount sufficient to ensure that taking into account the other resources available to the LLP, the LLP is in compliance with the Asset Coverage Test;
- (c) *third*, in or towards repayment on the LLP Payment Date (or to provide for repayment on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine) of the corresponding Term Advance related to such Series of Covered Bonds by making the following payments:
 - (i) the amounts (in respect of principal) due or to become due and payable to the relevant Covered Bond Swap Providers *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (including any termination payment (relating solely to principal) due and payable by the LLP under the relevant Covered Bond Swap Agreements, but excluding any Excluded Swap Termination Amount) (except to the extent that such amounts have been paid out of any premiums received from the relevant replacement Swap Providers) in accordance with the terms of the relevant Covered Bond Swap Agreement; and
 - (ii) (where appropriate, after taking into account any amounts in respect of principal receivable from a Covered Bond Swap Provider on the LLP Payment Date or such date in the future as the Cash Manager may reasonably determine) the amounts (in respect of principal) due or to become due and payable to the Issuer *pro rata* and *pari passu* in respect of each relevant Term Advance; and
- (d) *fourth*, subject to complying with the Asset Coverage Test, to make a Capital Distribution to the Society (as a Member) by way of distribution of its equity in the LLP in accordance with the LLP Deed (or, if the Society is not then a Member of the LLP, towards repayment of the Issuer Subordinated Loan) in accordance with the LLP Deed.

Unless an Asset Coverage Test Breach Notice has been served and not been revoked, any amounts in respect of principal received by the LLP under a Covered Bond Swap on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payments made on any preceding LLP Payment Date to make payments directly to the Principal Paying Agent unless either the Issuer has paid or discharged the corresponding payment under the relevant Series of Covered Bonds or, following a Cash Manager Relevant Event and for so long as a Cash Manager Relevant Event is continuing, the corresponding payment under the relevant Series of Covered Bonds has been paid from amounts standing to the credit of the Coupon Payment Ledger of the Standby GIC Account pursuant to the LLP Deed or (provided that all principal amounts outstanding under the related Series of Covered Bonds which have fallen due for repayment on such date have been repaid in full by the Issuer), to make payments in respect of principal due and payable to the Issuer in respect of the corresponding Term Advance under the Intercompany Loan Agreement or otherwise to make provision for such payments on such date in the future of such proportion of the relevant payment falling in the future as the Cash Manager may reasonably determine.

Any amounts of principal received under the Covered Bond Swap Agreements on the LLP Payment Date or any date prior to the next succeeding LLP Payment Date which are not put towards a payment or provision in accordance with paragraph (c) above or the preceding paragraph will be credited, on or before the LLP Payment Date, to the Principal Ledger on the Standby GIC Account and applied as Available Principal Receipts on the next succeeding LLP Payment Date.

Allocation and Distribution of Available Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice

At any time after service on the LLP of an Asset Coverage Test Breach Notice (which has not been revoked), but prior to service of a Notice to Pay or service of an LLP Acceleration Notice and/or the commencement of

winding-up proceedings against the LLP and/or realisation of the Security, all Available Revenue Receipts and Available Principal Receipts will continue to be applied in accordance with the Pre-Acceleration Revenue Priority of Payments and the Pre-Acceleration Principal Priority of Payments save that, whilst any Covered Bonds remain outstanding, no monies (including for the avoidance of doubt, any monies standing to the credit of the Interest Accumulation Ledger) will be applied under paragraphs (e)(ii) unless they are paid directly by the LLP to the Principal Paying Agent and (j) (to the extent only that such amounts are payable to the Members and are not paid directly to the Principal Paying Agent), (k) or (l) of the Pre-Acceleration Revenue Priority of Payments or paragraphs (a), (c)(ii) unless they are paid directly by the LLP to the Principal Paying Agent or (d) of the Pre-Acceleration Principal Priority of Payments. In such case, any amounts due from the Covered Bond Swap Provider shall be paid directly to the Bond Trustee or (if so directed by the Bond Trustee) the Principal Paying Agent.

Allocation and Distribution of Available Revenue Receipts and Available Principal Receipts following service of a Notice to Pay

At any time after service of a Notice to Pay on the LLP, but prior to service of an LLP Acceleration Notice and/or the realisation of the Security and/or the commencement of winding-up proceedings in respect of the LLP, all Available Revenue Receipts and Available Principal Receipts (other than Third Party Amounts) will be applied as described below under "*Guarantee Priority of Payments*".

On each LLP Payment Date, the LLP or the Cash Manager on its behalf will transfer Available Revenue Receipts and Available Principal Receipts from the Revenue Ledger, the Reserve Ledger, the Principal Ledger or the Capital Account Ledger, as the case may be, to the Payment Ledger on the LLP Account, in an amount equal to the lower of (a) the amount required to make the payments set out in the Guarantee Priority of Payments and (b) the amount of all Available Revenue Receipts and Available Principal Receipts standing to the credit of such ledgers on the LLP Accounts.

The LLP will create and maintain ledgers for each Series of Covered Bonds and record amounts allocated to such Series of Covered Bonds in accordance with paragraph (e) of the *Guarantee Priority of Payments* below, and such amounts, once allocated, will only be available to pay amounts due under the Covered Bond Guarantee and amounts due under the Covered Bond Swap in respect of the relevant Series of Covered Bonds on the scheduled repayment dates thereof.

Guarantee Priority of Payments

On each LLP Payment Date after the service of a Notice to Pay on the LLP (but prior to the occurrence of an LLP Event of Default), the LLP or the Cash Manager on its behalf will apply Available Revenue Receipts and Available Principal Receipts to make the following payments and provisions in the following order of priority (the "**Guarantee Priority of Payments**") (in each case only if and to the extent that payments or provisions of a higher priority have been made in full):

- (a) *first*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) all amounts due and payable or to become due and payable to the Bond Trustee in the immediately succeeding LLP Payment Period under the provisions of the Trust Deed together with interest and applicable VAT (or other similar taxes) thereon as provided therein;
 - (ii) all amounts due and payable or to become due and payable to the Security Trustee in the immediately succeeding LLP Payment Period under the provisions of the Deed of Charge together with interest and applicable VAT (or other similar taxes) thereon as provided therein;

- (b) *second*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
- (i) any remuneration and other amounts then due and payable to the Agents under the provisions of the Agency Agreement together with applicable VAT (or other similar taxes) thereon as provided therein; and

- (o) *thirteenth*, thereafter any remaining monies will be applied in accordance with the LLP Deed.

Termination payments received in respect of Swaps, premiums received in respect of replacement Swaps

If the LLP receives any termination payment from a Swap Provider in respect of a Swap Agreement such termination payment will first be used, (prior to the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security) to pay a replacement Swap Provider(s) to enter into a replacement Swap Agreement(s) with the LLP, unless a replacement Swap Agreement(s) has already been entered into on behalf of the LLP. If the LLP receives any premium from a replacement Swap Provider in respect of a replacement Swap Agreement, such premium will first be used to make any termination payment due and payable by the LLP with respect to the previous Swap Agreement(s), unless such termination payment has already been made on behalf of the LLP.

Any amounts received by the LLP which are not applied to pay a replacement Swap Provider(s) to enter into a replacement Swap Agreement(s) will be credited to the Revenue Ledger or the LLP Accounts and applied as Available Revenue Receipts on the next succeeding LLP Payment Date.

Application of monies received by the Security Trustee following the occurrence of an LLP Event of Default and enforcement of the Security, realisation of the Security and/or the commencement of winding-up proceedings against the LLP

Subject to Regulations 28 and 29 of the RCB Regulations, all monies received or recovered by the Security Trustee (or a Receiver appointed by it) (excluding all amounts due or to become due in respect of any Third Party Amounts and all Swap Collateral Excluded Amounts) after the service of an LLP Acceleration Notice, the commencement of winding-up proceedings against the LLP and/or realisation of the Security, for the

benefit of the Secured Creditors in respect of the Secured Obligations shall be held by it in the LLP Accounts on trust to be applied (save to the extent required otherwise by law) in the following order of priority (and, in each case, only if and to the extent that payments or provisions of a higher order of priority have been made in full) (the "**Post-Enforcement Priority of Payments**"):

- (a) *first*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) all amounts due and payable or to become due and payable to:
 - (A) the Bond Trustee under the provisions of the Trust Deed together with interest and applicable VAT (or other similar taxes) thereon as provided therein; and
 - (B) the Security Trustee and any Receiver appointed by the Security Trustee under the provisions of the Deed of Charge together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein;

 - (iii) amounts in respect of:
 - (A) any remuneration then due and payable to the Servicer and any costs, charges, liabilities and expenses then due or to become due and payable to the Servicer under the provisions of the Servicing Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;

 - (D) amounts (including costs and expenses) due to the Corporate Services Provider pursuant to the terms of the Corporate Services Agreement together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (iv) any amounts due and payable to the Interest Rate Swap Provider (including any termination payment (but excluding any Excluded Swap Termination Amounts)) pursuant to the terms of the Interest Rate Swap Agreement;
 - (v) all amounts due and payable:
 - (A) to the relevant Covered Bond Swap Provider *pro rata* and *pari passu* in respect of each relevant Series of Covered Bonds (including any termination payment due and payable by the LLP under the relevant Covered Bond Swap Agreement (but excluding any Excluded Swap Termination Amount)) in accordance with the terms of the relevant Covered Bond Swap Agreement; and

- (B) under the Covered Bond Guarantee, to the Bond Trustee on behalf of the Covered Bondholders *pro rata* and *pari passu* in respect of interest and principal due and payable on each Series of Covered Bonds,

provided that if the amount available for distribution under this paragraph (a)(v) (excluding any amounts received from any Covered Bond Swap Provider in respect of amounts referred to in (A) above) would be insufficient to pay the Sterling Equivalent of the amounts due and payable under the Covered Bond Guarantee in respect of each Series of Covered Bonds under (B) above, the shortfall shall be divided amongst all such Series of Covered Bonds on a *pro rata* basis and the amount payable by the LLP to the relevant Covered Bond Swap Provider in respect of each relevant Series of Covered Bonds under (A) above shall be reduced by the amount of the shortfall applicable to the Covered Bonds in respect of which such payment is to be made;

- (b) *second*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof, of any Excluded Swap Termination Amounts due and payable by the LLP to the relevant Swap Provider under the relevant Swap Agreement;

Since the admission of the Issuer to the register of issuers pursuant to Regulation 14 of the RCB Regulations, the above Post-Enforcement Priority of Payments is subject to the provisions of Regulations 28 and 29 of the RCB Regulations. In particular, costs properly incurred by a receiver, liquidator, provisional liquidator or manager of the LLP in relation to:

- (i) persons providing services for the benefit of Covered Bondholders (which pursuant to the RCB Regulations (and upon the coming into force of the Regulated Covered Bonds (Amendments) Regulations 2008) shall include the persons listed in paragraph (a) above (excluding the Swap Providers));
- (ii) the Swap Providers in respect of amounts due to them under paragraph (a) above; and
- (iii) any other persons providing a loan to the LLP to enable it to meet the claims of Covered Bondholders or the costs of the people described in paragraphs (i) and (ii) above (e.g. liquidity loans),

shall be expenses which shall be payable out of the proceeds of realisation of the Security (in the case of a receivership) or the assets of the LLP (in the case of an administration, winding up or provisional liquidation), and shall rank equally among themselves in priority to all other expenses (including the claims of Covered Bondholders). See further, "*Risk Factors – Expenses of Insolvency officeholders*".

DESCRIPTION OF THE UK REGULATED COVERED BOND REGIME

This section is only a summary of the United Kingdom Covered Bond Regime. Prospective purchasers of Covered Bonds should consider carefully all the information contained in this document, including the information set out below, before making any investment decision.

The Regulated Covered Bonds Regulations 2008 (SI 2008/346), as amended from time to time (the "**RCB Regulations**") and the corresponding implementation provisions, set out in the Regulated Covered Bonds Sourcebook published under the FSMA (the "**RCB Sourcebook**"), came into force in the United Kingdom on 6 March 2008. In summary, the RCB Regulations implement a legislative framework for UK covered bonds. The framework is intended to meet the requirements set out in Article 52(4) of EU Directive 2009/65/EC on undertakings for collective investment in transferable securities, as amended (the "**UCITS Directive**"). In general, covered bonds which are UCITS Directive-compliant benefit from higher prudential investment limits and may be ascribed a preferential risk weighting.

Supervision and registration

The FCA performs certain supervision and enforcement related tasks in respect of the new regime, including admitting issuers and covered bonds to the relevant registers and monitoring compliance with ongoing requirements. To assist it with these tasks, the FCA has certain powers under the RCB Regulations. In particular, in certain circumstances the FCA may direct the winding-up of an owner, remove an issuer from the register of issuers and/or impose a financial penalty of such amount as it considers appropriate in respect of an issuer or owner and direct an issuer to publish information given to the FCA under the RCB Regulations. Moreover, as a body which regulates the financial services industry in the United Kingdom, the FCA may take certain actions in respect of issuers using its general powers under the UK regulatory regime (including restricting an issuer's ability to transfer further assets to the asset pool).

The Issuer was admitted to the register of issuers and the Programme was admitted to the register of regulated covered bonds under the RCB Regulations on 11 April 2011.

Requirements under the legislative framework

The RCB Regulations and the RCB Sourcebook include various requirements related to registered issuers, asset pool owners, pool assets and the contractual arrangements made in respect of such assets. In this regard, issuers and owners have various initial and ongoing obligations under the RCB Regulations and the RCB Sourcebook and are responsible for ensuring they comply with them. In particular, issuers are required to (amongst other things) enter into arrangements with the owner for the maintenance and administration of the asset pool such that certain asset record-keeping obligations and asset capability and quality related requirements are met and notify the FCA of various matters (including any regulated covered bonds it issues, the assets in the asset pool, matters related to its compliance with certain regulations and any proposed material changes). Owners are required to (amongst other things) notify the FCA of various matters (including any proposed transfer of ownership of the asset pool) and, on insolvency of the issuer, make arrangements for the maintenance and administration of the asset pool (similar to the issuer obligations described above).

The UK authorities undertook reviews of the UK legislative framework in 2011 and 2012 and certain changes were made to the regime with the intention of enhancing the attractiveness of UK regulated covered bonds to investors. These changes took effect from 1 January 2013 and include the following::

- *Single asset pool designation* – issuers are required to designate their programme as being a single asset pool (consisting of either class one assets – public sector debt, class two assets – residential mortgage loans or class three assets – commercial loans and, in each case, liquid assets) or a mixed asset pool (consisting of all eligible property for the purposes of the RCB Regulations). The Issuer has provided the necessary certifications for the Programme to be registered as a single asset pool

programme, falling in class two. As a result, the asset pool will consist solely of residential mortgage loans and certain liquid assets, being UK government securities and cash deposits, all of which comply with paragraph 68(a) or (b) of Annex VI to the Banking Consolidation Directive (2006/48/EC). In keeping with the new requirements under the RCB Regulations, the asset pool will not include any asset-backed securities;

- *Fixed minimum over-collateralisation requirement for principal and fixed minimum coverage requirement for interest* – under the new requirements the total principal amounts outstanding on the loans constituting eligible property in the asset pool will be required to be more than the total principal amounts outstanding in relation to the regulated covered bonds by at least 8 per cent and a minimum threshold will apply in respect of interest amounts such that the total amount of interest payable in the period of twelve (12) months following any given date in respect of the eligible property in the asset pool will be required to be not less than the interest which would be payable in relation to the regulated covered bonds in that period. For the purposes of calculating each of these tests, the issuer can take into account certain liquid assets up to a maximum of 8 per cent. of those covered bonds that have a maturity date of one year or more and 100 per cent. of those covered bonds that have a maturity date of less than one year;
- *Investor reporting, including loan-level data* – new investor reporting requirements will apply. In particular, issuers will be required to make available detailed loan-level information relating to the asset pool following an issuance of regulated covered bonds after 1 January 2013. Issuers will also be required to publish certain transaction documents relating to the programme. When available, the information to be published by the Issuer can be found at <https://live.irooms.net/CoventryBuildingSociety>. The information set out in the website and the contents thereof do not form part of this Offering Circular; and
- *Asset pool monitor role* – new requirements have been introduced to formalise the role of the asset pool monitor. Under the new provisions, an asset pool monitor will be required, on an annual basis, to inspect and assess the issuer's compliance with certain principles based requirements under the regime and to report on their findings to the FCA (with additional reporting requirements in the case of issuer non-compliance). Each issuer is required to appoint an asset pool monitor in advance of their annual confirmation of such compliance falling on or after 1 January 2013. The Issuer has appointed the Asset Monitor to undertake this role pursuant to the terms of the Asset Monitor Agreement.

DESCRIPTION OF LIMITED LIABILITY PARTNERSHIPS

Since 6 April 2001 it has been possible to incorporate a limited liability partnership in England and Wales under the Limited Liability Partnership Act 2000 (the "**LLPA 2000**"). Limited liability partnerships are legal entities that provide limited liability to the members of a limited liability partnership combined with the benefits of the flexibility afforded to partnerships and the legal personality afforded to companies.

Corporate Characteristics

A limited liability partnership is more like a company than a partnership. A limited liability partnership is a body corporate with its own property and liabilities, separate from its members. Like shareholders in a limited company, the liability of the members of a limited liability partnership is limited to the amount of their capital because it is a separate legal entity and when the members decide to enter into a contract, they bind the limited liability partnership in the same way that directors bind a company. Members may be liable for their own negligence and other torts or delicts, like company directors, if they have assumed a personal duty of care and have acted in breach of that duty. Third parties can assume that members, like company directors, are authorised to act on behalf of the limited liability partnership.

The provisions of the Companies Act 2006 and the Insolvency Act 1986 have been modified by the Limited Liability Partnerships Regulations 2001 (each as amended from time to time) so as to apply most of the insolvency and winding-up procedures for companies equally to a limited liability partnership and its members. As a distinct legal entity a limited liability partnership can grant fixed and floating security over its assets and a limited liability partnership will survive the insolvency of any of its members. An administrator or liquidator of an insolvent member would be subject to the terms of the members' agreement relating to the limited liability partnership but a liquidator of an insolvent member may not take part in the administration of the limited liability partnership or its business.

Limited liability partnerships must file annual returns and audited annual accounts at Companies House for each financial year in the same way as companies.

Partnership Characteristics

A limited liability partnership retains certain characteristics of a partnership. It has no share capital and there are no capital maintenance requirements. The members are free to agree how to share profits, who is responsible for management and how decisions are made, when and how new members are appointed and the circumstances in which its members retire. The members' agreement is a private document and there is no obligation to file it at Companies House.

Taxation

A limited liability partnership which carries on a trade or business with a view to profit (and which is not the subject of certain insolvency proceedings) is, generally speaking, treated as a partnership for corporation tax purposes. As such, the members of a limited liability partnership, and not the limited liability partnership itself, are subject to corporation tax in relation to the business of the limited liability partnership in broadly the same way that the members of a partnership are subject to corporation tax in relation to the business of that partnership.

BOOK-ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of the Clearing Systems currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer and the LLP believe to be reliable, but none of the Issuer, the LLP, the Bond Trustee nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer, the LLP nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Covered Bonds held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to section 17A of the Exchange Act. DTC holds and provides asset servicing for securities that its participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerised book-entry transfers and pledges between Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of DTC Covered Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Covered Bonds on DTC's records. The ownership interest of each actual purchaser of each Covered Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Covered Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Covered Bonds, except in the event that use of the book-entry system for the DTC Covered Bonds is discontinued.

To facilitate subsequent transfers, all DTC Covered Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other nominee as may be requested by an authorised representative of DTC. The deposit of DTC Covered Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial

ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Covered Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Covered Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the DTC Covered Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to DTC Covered Bonds unless authorised by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Covered Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Covered Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorised representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or the Principal Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or its nominee, the Principal Paying Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorised representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

Under certain circumstances, DTC will exchange the DTC Covered Bonds for Registered Definitive Covered Bonds, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Covered Bond, will be legended as set forth under "*Subscription and Sale and Transfer and Selling Restrictions*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Beneficial Owner desiring to pledge DTC Covered Bonds to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Covered Bonds, will be required to withdraw its Registered Covered Bonds from DTC as described below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Covered Bonds

The Issuer may apply to DTC in order to have any Tranche of Covered Bonds represented by a Registered Global Covered Bond accepted in its book-entry settlement system. Upon the issue of any such Registered Global Covered Bond, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Covered Bond to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Covered Bond will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Covered Bond, the respective depositaries of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Covered Bond accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Covered Bond accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Covered Bond. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Covered Bond in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Covered Bonds will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Bond Trustee, the Security Trustee, the Principal Paying Agent, the Registrar or the Issuer. Payment of principal, premium, if any, and interest, if any, on Covered Bonds to DTC is the responsibility of the Issuer.

Transfers of Covered Bonds Represented by Registered Global Covered Bonds

Transfers of any interests in Covered Bonds represented by a Registered Global Covered Bond within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Covered Bonds represented by a Registered Global Covered Bond to such persons may depend upon the ability to exchange such Covered Bonds for Covered Bonds in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Covered Bonds represented by a Registered Global Covered Bond accepted by DTC to pledge such Covered Bonds to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Covered Bonds may depend upon the ability to exchange such Covered Bonds for Covered Bonds in definitive form. The ability of any holder of Covered Bonds represented by a Registered Global Covered Bond accepted by DTC to resell, pledge or otherwise transfer such Covered Bonds may be impaired if the proposed transferee of such Covered Bonds is not eligible to hold such Covered Bonds through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Covered Bonds described under "*Subscription and Sale and Transfer and Selling Restrictions*", cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Principal Paying Agent and any custodian ("**Custodian**") with whom the relevant Registered Global Covered Bonds have been deposited.

On or after the Issue Date for any Series, transfers of Covered Bonds of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Covered Bonds of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Covered Bonds will be effected through the Registrar, the Principal Paying Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Covered Bonds among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Bond Trustee, the Security Trustee, the Issuer, the LLP, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Covered Bonds represented by Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

United Kingdom Taxation

The comments below are of a general nature based on current United Kingdom law and published HM Revenue and Customs practice. They relate only to the position of persons who are the absolute beneficial owners of their Covered Bonds and all payments made thereon and may not apply to certain classes of persons such as dealers. They do not necessarily apply where the income is deemed for tax purposes to be income of any other person. Any holders of Covered Bonds who are in doubt as to their tax position should consult their professional advisers. The following comments relate only to withholding and do not deal with any other aspect of the United Kingdom taxation treatment that may be applicable to holders of Covered Bonds (including, for instance, income tax, capital gains tax and corporation tax). Prospective holders of Covered Bonds should note that the particular terms of issue of any Series of Covered Bonds as specified in the applicable Final Terms may affect the tax treatment of that and any other Series of Covered Bonds and should be treated with appropriate caution. The comments below do not deal with the tax consequences of any substitution of the Issuer in accordance with Condition 14 (Taxation) of the Covered Bonds.

Holders of Covered Bonds who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of Covered Bonds are particularly advised to consult their professional advisers as to whether they are so liable (and, if so, under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Covered Bonds. In particular, holders of Covered Bonds should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Covered Bonds even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

Payment of interest by the Issuer in respect of the Covered Bonds

Interest on the Covered Bonds may be paid without withholding or deduction for or on account of United Kingdom tax where (a) the Covered Bonds are and continue to be listed on a "recognised stock exchange", as defined in Section 1005 of the Income Tax Act 2007 ("ITA") (the London Stock Exchange is a recognised stock exchange and securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the FSMA) and admitted to trading on the London Stock Exchange); or (b) at the time the interest on the Covered Bond is paid, the Issuer reasonably believes (and any person by or through whom interest on the Covered Bond is paid reasonably believes) the interest constitutes an "excepted payment" within the meaning of any of sections 933 to 937 of the ITA, provided that HM Revenue & Customs ("HMRC") has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

In all other cases, an amount must be withheld from payments of interest on the Covered Bonds that has a United Kingdom source on account of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to (a) the availability of other reliefs or (b) any direction to the contrary by HMRC under an applicable double taxation treaty. If payments by the Issuer are subject to any withholding or deduction for or on account of United Kingdom tax, the Issuer may be required to pay additional amounts to cover the amount so withheld or deducted as described in Condition 7 (*Taxation*) of the Covered Bonds.

HMRC has powers, in certain circumstances, to obtain information about: payments derived from securities (whether income or capital); certain payments of interest (including the amount payable on the redemption of a deeply discounted security); and securities transactions.

The persons from whom HMRC can obtain information include: a person who receives (or is entitled to receive) a payment derived from securities; a person who makes such a payment (received from, or paid on

behalf of another person); a person by or through whom interest is paid or credited; a person who effects or is a party to securities transactions (which includes an issue of securities) on behalf of others; registrars or administrators in respect of securities transactions; and each registered or inscribed holder of securities.

The information HMRC can obtain includes: details of the beneficial owner of securities; details of the person for whom the securities are held, or the person to whom the payment is to be made (and, if more than one, their respective interests); information and documents relating to securities transactions; and, in relation to interest paid or credited on money received or retained in the United Kingdom, the identity of the security under which interest is paid. HMRC is generally not able to obtain information (under its power relating solely to interest) about a payment of interest to (or a receipt for) a person that is not an individual. This limitation does not apply to HMRC's power to obtain information about payments derived from securities.

HMRC has indicated that it will not use its information-gathering power on interest to obtain information about amounts payable on the redemption of deeply discounted securities which are paid before 6 April 2015.

In certain circumstances the information which HMRC has obtained using these powers may be exchanged with tax authorities in other jurisdictions.

Payments by the LLP

If the LLP makes any payment in respect of interest on the Covered Bonds (or any other amounts due under the Covered Bonds other than the repayment of amounts subscribed for under the Covered Bonds), such payment may be subject to United Kingdom withholding tax, whether or not the Covered Bonds are listed on a "recognised stock exchange" within the meaning of section 1005 of the ITA. If payments by the LLP are subject to any withholding or deduction for or on account of tax, the LLP will not be required to pay any additional amounts.

EU Savings Directive

Under the EU Savings Directive, Member States are required to provide to the tax authorities of other Member States details of certain payments of interest and similar income paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted Council Directive 2014/48/EU amending and broadening the scope of the requirements described above. Member States are required to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The amendments to the Directive will also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported or paid subject to withholding. This approach will apply to payments made to, or secured for, persons, entities or legal arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Luxembourg and Austria are required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or income may request that no tax be withheld). The changes referred to above will broaden the types of payments subject to withholding in those Member States which still operate a withholding system when they are implemented. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the EU Savings Directive.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories including

Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The attention of Covered Bondholders is drawn to Condition 7(e) (*Taxation*) and page 37 in the Risk Factors.

Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 ("**FATCA**") impose a new reporting regime and potentially a 30% withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a "**foreign financial institution**", or "**FFI**" (as defined by FATCA)) that does not become a "**Participating FFI**" by entering into an agreement with the U.S. Internal Revenue Service ("**IRS**") to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a "United States account" of the Issuer (a "**Recalcitrant Holder**"). The Issuer is classified as an FFI.

The new withholding regime was phased in beginning on 1 July 2014 for payments from sources within the United States and will apply to "**foreign pass-thru payments**" (a term not yet defined) no earlier than on and after 1 January 2017. This withholding would potentially apply to payments in respect of (i) any Covered Bonds characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued after the "**grandfathering date**", which is the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign pass-thru payment are filed with the Federal Register, or which are materially modified after the grandfathering date and (ii) any Covered Bonds characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. If Covered Bonds are issued on or before the grandfathering date, and additional Covered Bonds of the same series are issued after that date, the additional Covered Bonds may not be treated as grandfathered, which may have negative consequences for the existing Covered Bonds, including a negative impact on market price.

The United States and a number of other jurisdictions have announced their intention to negotiate intergovernmental agreements to facilitate the implementation of FATCA (each, an "**IGA**"). Pursuant to FATCA and the "Model 1" and "Model 2" IGAs released by the United States, an FFI in an IGA signatory country could be treated as a "**Reporting FI**" not subject to withholding under FATCA on any payments it receives. Further, an FFI in an IGA jurisdiction generally would not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being "**FATCA Withholding**") from payments it makes. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and the United Kingdom have entered into an agreement (the "**US-UK IGA**") based largely on the Model 1 IGA.

The Issuer expects to be treated as a Reporting FI pursuant to the US-UK IGA and does not anticipate being obliged to deduct any FATCA Withholding on payments it makes. There can be no assurance, however, that the Issuer will be treated as a Reporting FI, or that it would in the future not be required to deduct FATCA Withholding from payments it makes. Accordingly, the Issuer and financial institutions through which payments on the Covered Bonds are made may be required to withhold FATCA Withholding if (i) any FFI through or to which payment on such Covered Bonds is made is not a Participating FFI or a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

While the Covered Bonds are in global form and held within the clearing systems, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Covered Bonds by the Issuer, any paying agent and the common depositary or common safekeeper, given that each of the entities in the payment chain between the Issuer and the participants in the clearing systems is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Covered Bonds. The documentation expressly contemplates the possibility that the Covered Bonds may go into definitive form and therefore that they may be taken out of

the clearing systems. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, definitive notes will only be printed in remote circumstances.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form.

SUBSCRIPTION AND SALE AND TRANSFER AND SELLING RESTRICTIONS

The Dealers have, in a Programme Agreement (as the same may be amended and/or supplemented and/or restated from time to time, the "**Programme Agreement**") dated 17 July 2008 agreed with the Issuer and the LLP a basis upon which such Dealers or any of them may from time to time agree to purchase Covered Bonds. Any such agreement for any particular purchase by a Dealer will extend to those matters stated under "*Form of the Covered Bonds and Terms and Conditions of the Covered Bonds*" above. The Issuer may pay the Dealers commission from time to time in connection with the sale of any Covered Bonds, in the Programme Agreement, the Issuer has agreed to reimburse and indemnify the Dealers for certain of their expenses and liabilities in connection with the establishment and any future updates of the Programme and the issue of Covered Bonds under the Programme. The Dealers are entitled to be released and discharged from their obligations in relation to any agreement to issue and purchase Covered Bonds under the Programme Agreement in certain circumstances prior to payment to the Issuer.

Transfer Restrictions

As a result of the following restrictions, purchasers of Covered Bonds in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Covered Bonds.

Each purchaser of Registered Covered Bonds (other than a person purchasing an interest in a Registered Global Covered Bond with a view to holding it in the form of an interest in the same Global Covered Bond) or person wishing to transfer an interest from one Registered Global Covered Bond to another or from global to definitive form or vice versa, will be required to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

BY ITS ACQUISITION HEREOF, THE HOLDER (A) REPRESENTS THAT (1) IT IS A "**QUALIFIED INSTITUTIONAL BUYER**" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) PURCHASING THE SECURITIES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ONE OR MORE QUALIFIED INSTITUTIONAL BUYERS OR (2) IT IS AN INSTITUTIONAL "**ACCREDITED INVESTOR**" (AS DEFINED IN RULE 501(A)(1), (2), (3) OR (7) UNDER THE SECURITIES ACT) (AN INSTITUTIONAL ACCREDITED INVESTOR); (B) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE SECURITIES EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT IN RESPECT OF THIS SECURITY (THE AGENCY AGREEMENT) AND, PRIOR TO THE DATE WHICH IS ONE YEAR AFTER THE LATER OF THE LAST ISSUE DATE FOR THE SERIES AND THE LAST DATE ON WHICH THE ISSUER OR AN AFFILIATE OF THE ISSUER WAS THE OWNER OF SUCH SECURITIES OTHER THAN (1) TO THE ISSUER OR ANY AFFILIATE THEREOF, (2) INSIDE THE UNITED STATES TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (3) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 903 OR RULE 904 UNDER THE SECURITIES ACT, (4) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND ANY OTHER JURISDICTION; AND (C) IT AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS SECURITY IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

THE HOLDER OF THIS SECURITY SHALL BE DEEMED, BY ITS ACCEPTANCE OR PURCHASE HEREOF, TO HAVE AGREED TO ANY SUCH AMENDMENT OR SUPPLEMENT (EACH OF WHICH SHALL BE CONCLUSIVE AND BINDING ON THE HOLDER HEREOF AND ALL FUTURE HOLDERS OF THIS SECURITY AND ANY SECURITIES ISSUED IN EXCHANGE OR SUBSTITUTION THEREFOR, WHETHER OR NOT ANY NOTATION THEREOF IS MADE HEREON).";

- (vii) if it is outside the United States and is not a U.S. person, that if it should resell or otherwise transfer the Covered Bonds prior to the expiration of the distribution compliance period (defined as 40 days after the completion of the distribution of the Tranche of Covered Bonds of which such Covered Bonds are a part, as determined and certified by the relevant Dealer, in the case of a non-syndicated issue, or the Lead Manager, in the case of a syndicated issue), it will do so only (a)(i) outside the United States in compliance with Rule 903 or 904 under the Securities Act or (ii) to a QIB in compliance with Rule 144A and (b) in accordance with all applicable U.S. State securities laws; and it acknowledges that the Regulation S Global Covered Bonds will bear a legend to the following effect unless otherwise agreed to by the Issuer:

"THIS SECURITY HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR ANY APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT IN RESPECT OF THIS SECURITY (THE "**AGENCY AGREEMENT**") AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT. UNTIL THE EXPIRY OF THE PERIOD OF 40 DAYS AFTER THE COMPLETION OF THE DISTRIBUTION OF ALL THE COVERED BONDS OF THE TRANCHE OF WHICH THIS COVERED BOND FORMS PART, SALES MAY NOT BE MADE IN THE UNITED STATES OR TO U.S. PERSONS UNLESS MADE (I) PURSUANT TO RULE 903 OR 904 OR REGULATION S UNDER THE SECURITIES ACT OR (II) TO QUALIFIED INSTITUTIONAL BUYERS AS DEFINED IN, AND IN TRANSACTIONS PURSUANT TO, RULE 144A UNDER THE SECURITIES ACT."; and

- (viii) that the Issuer and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify the Issuer; and if it is acquiring any Covered Bonds as a fiduciary or agent for one or more accounts it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.

Institutional Accredited Investors who purchase Registered Covered Bonds in definitive form offered and sold in the United States in reliance upon the exemption from registration provided by Regulation D of the Securities Act are required to execute and deliver to the Registrar an IAI Investment Letter, Upon execution and delivery of an IAI Investment Letter by an Institutional Accredited Investor, Covered Bonds will be issued in definitive registered form, see "*Form of the Covered Bonds*".

The IAI Investment Letter will state, among other things, the following:

- (i) that the Institutional Accredited Investor has received a copy of the Offering Circular and such other information as it deems necessary in order to make its investment decision;
- (ii) that the Institutional Accredited Investor understands that any subsequent transfer of the Covered Bonds is subject to certain restrictions and conditions set forth in the Offering Circular and the Covered Bonds (including those set out above) and that it agrees to be bound by, and not to resell, pledge or otherwise transfer the Covered Bonds except in compliance with, such restrictions and conditions and the Securities Act;
- (iii) that, in the normal course of its business, the Institutional Accredited investor invests in or purchases securities similar to the Covered Bonds;
- (iv) that the Institutional Accredited Investor is an institution that is an accredited investor within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act and has such

knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in the Covered Bonds, and it and any accounts for which it is acting are each able to bear the economic risk of its or any such accounts' investment for an indefinite period of time;

- (v) that the Institutional Accredited Investor is acquiring the Covered Bonds purchased by it for its own account or for one or more accounts (each of which is an Institutional Accredited Investor) as to each of which it exercises sole investment discretion and not with a view to any distribution of the Covered Bonds, subject, nevertheless, to the understanding that the disposition of its property shall at all times be and remain within its control; and
- (vi) that, in the event that the Institutional Accredited Investor purchases Covered Bonds, it will acquire Covered Bonds having a minimum purchase price of at least U.S.\$500,000 (or the approximate equivalent in another Specified Currency).

No sale of Legended Covered Bonds in the United States to any one purchaser will be for less than U.S.\$100,000 (or the approximate equivalent in another Specified Currency) principal amount or, in the case of sales to Institutional Accredited Investors, U.S.\$500,000 (or the approximate equivalent in another Specified Currency) principal amount and no Legended Covered Bond will be issued in connection with such a sale in a smaller principal amount. If the purchaser is a non-bank fiduciary acting on behalf of others, each person (or whom it is acting must purchase at least U.S.\$250,000 (or the approximate equivalent in another Specified Currency) or, in the case of sales to Institutional Accredited Investors, U.S.\$500,000 (or the approximate equivalent in another Specified Currency) principal amount of Registered Covered Bonds.

Dealers may arrange for the resale of Covered Bonds to QIBs pursuant to Rule 144A and each such purchaser of Covered Bonds is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Covered Bonds which may be purchased by a QIB pursuant to Rule 144A is U.S.\$250,000 (or the approximate equivalent in another Specified Currency).

Selling Restrictions

United States

The Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from, or in transactions not subject to, the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Covered Bonds in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations promulgated thereunder.

In connection with any Covered Bonds which are offered or sold outside the United States in reliance on Regulation S ("**Regulation S Covered Bonds**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulations S Covered Bonds (i) as part of its distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Tranche of Covered Bonds of which such Covered Bonds are a part, as determined and certified by the relevant Dealer, in the case of a non-syndicated issue, or the Lead Manager, in the case of a syndicated issue, and except in either case in accordance with Regulation S under the Securities Act. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Regulation S Covered Bonds during the distribution compliance period a confirmation or other notice setting forth the

restrictions on offers and sales of the Regulation S Covered Bonds within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of a Tranche of Covered Bonds, an offer or sale of such Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers may arrange for the resale of Covered Bonds to QIBs pursuant to Rule 144A and each such purchaser of Covered Bonds is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Covered Bonds which may be purchased by a QIB pursuant to Rule 144A is U.S.\$100,000 (or the approximate equivalent in another Specified Currency). To permit compliance with Rule 144A in connection with any resales or other transfers of Covered Bonds that are "restricted securities" within the meaning of the Securities Act, each of the Issuer and the LLP has undertaken in the Trust Deed to furnish, upon the request of a holder of such Covered Bonds or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, any of the Covered Bonds remain outstanding as "restricted securities" within the meaning of Rule 144(a)(3) of the Securities Act and each of the Issuer and the LLP is neither a reporting company under Section 13 or 15(d) of the Exchange Act nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Covered Bonds in circumstances in which section 21(1) of the FSMA does not apply to the Issuer or the LLP; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Covered Bonds in, from or otherwise involving the United Kingdom.

- (ii) in other circumstances which are exempted from the rules on solicitation of investments pursuant to Article 100 of the Financial Services Act and Article 34-ter, first paragraph, of CONSOB Regulation No. 11971 of 14 May 1999, as amended ("**Regulation No. 11971**").

Furthermore, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that any offer, sale or delivery of the Covered Bonds or

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Covered Bonds which are the subject of an offering contemplated by this Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Covered Bonds to the public in that Relevant Member State:

provided that no such offer of Covered Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression "an offer of Covered Bonds to the public" in relation to any Covered Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the Covered Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression 2010 PD Amending Directive means Directive 2010/73/EU.
