

# LIMITED RECOURSE SECURED NOTE PROGRAMME

## Strategic Investment Portfolios (Luxembourg) S.A.

(incorporated with limited liability (société anonyme) under the laws of the Grand Duchy of Luxembourg)

On 26th May, 2006, Strategic Investment Portfolios (Luxembourg) S.A. established the Limited Recourse Secured Note Programme (the "**Programme**"). Any Notes (as defined below) issued under the Programme on or after the date of this Base Prospectus are issued subject to the provisions set out in this Base Prospectus.

This Base Prospectus has been prepared for use only in connection with Notes issued by the Issuer. Capitalised terms used in this Base Prospectus shall have the meanings given to them in this Base Prospectus (which are defined on the relevant page(s) of this Base Prospectus as set out in "*Index of Defined Terms*") or, as the case may be, in the applicable Final Terms.

Under this Programme, Strategic Investment Portfolios (Luxembourg) S.A. (the "**Issuer**"), a securitisation company (*société de titrisation*) within the meaning of and governed by the Luxembourg law of 22nd March, 2004 on securitisation (the "**Securitisation Law**"), may from time to time issue bonds, notes or other securities (the "**Notes**") denominated in any currency as may be agreed by the Issuer with any relevant dealer(s) or placement agent(s) (whether acting as principal or agent) each a "**Dealer**" and together the "**Dealers**"). Subject as set out herein, the maximum aggregate principal amount of all Notes issued by the Issuer from time to time will not exceed €2,000,000,000 (or its equivalent in other currencies), subject to increase from time to time. Notes may be issued in bearer or registered form, in each case as specified in the applicable Final Terms (as defined below).

Application has been made to the Commission de Surveillance du Secteur Financier (the "**CSSF**") in its capacity as competent authority under the Luxembourg Act dated 10th July, 2005 relating to prospectuses for securities (*loi relative aux prospectus pour valeurs mobilières*) (the "**Competent Authority**") for the approval of this Base Prospectus so that application may be made to the Luxembourg Stock Exchange for certain Notes issued under the Programme during the period of 12 months from the date of approval of this Base Prospectus by the Competent Authority to be admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Luxembourg Stock Exchange. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of the Investment Services Directive (Directive 93/22/EEC). The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets as may be agreed between the Issuer and the relevant Dealer(s). The Issuer may also issue unlisted Notes.

Details of the aggregate principal amount, premium (if any), interest (if any) payable, the issue price and any other terms and conditions not contained herein, including details of the Charged Assets (if any), the Charged Agreement(s) (if any), the Charging Document(s) (if any), the Credit Support Document(s) (if any), the Swap Counterparty (if any), the Credit Support Provider (if any) and the Swap Guarantor (if any) (all as defined below), which are applicable to each Tranche, Class and Series of Notes will be contained in the final terms (the "**Final Terms**") which with respect to Notes to be listed on the Luxembourg Stock Exchange will be filed with the CSSF.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**") and may not be offered or sold in the United States (as defined in Regulation S ("**Regulation S**") under the Securities Act) or to, or for the account or benefit of, U.S. persons (as defined in Regulation S) unless the Notes are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available. See "*Form of the Notes*" for a description of the manner in which Notes will be issued. Notes in registered form are subject to certain restrictions on transfer, see "*Subscription, Sale and Transfer Restrictions*" below.

Notes to be issued in bearer form ("**Bearer Notes**") will initially be represented by interests in a temporary global Note or a permanent global Note, in either case in bearer form (a "**Temporary Global Note**" and a "**Permanent Global Note**", respectively), without interest coupons, which may be deposited with a common depository on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System ("**Euroclear**") and Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**") or such other clearing system approved by the Issuer and the Trustee on the relevant issue date. Beneficial interests in a Temporary Global Note will be exchangeable either for beneficial interests in a Permanent Global Note or for Bearer Notes in definitive form ("**Definitive Bearer Notes**"). A Permanent Global Note will be exchangeable for Definitive Bearer Notes only in the limited circumstances set out in such Permanent Global Note.

Notes to be issued in registered form ("**Registered Notes**") and which are sold to non-U.S. persons in an "offshore transaction" within the meaning of Regulation S will be represented by interests in a permanent registered global note (an "**Unrestricted Global Note**"), without interest coupons, which will be registered in the name of a nominee for, and shall be deposited on its issue date with, a common depository as custodian on behalf of Euroclear and Clearstream, Luxembourg. Unless otherwise specified in the applicable Final Terms, Notes of any Series in registered form that are offered and sold to investors in the United States or to, or for the account or benefit of, U.S. persons will be available either (as indicated in the applicable Final Terms) (i) in fully registered definitive form (each an "**Individual Certificate**") and will not be eligible for trading in The Depository Trust Company ("**DTC**"), Euroclear or Clearstream, Luxembourg or (ii) in the form of a permanent registered global Note (a "**Restricted Global Note**"), without interest coupons, which will be deposited with a custodian for, and registered in the name of a nominee of, DTC on its issue date. Beneficial interests in an Unrestricted Global Note or a Restricted Global Note will be shown on, and transfers thereof will only be effected through, records maintained by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and their respective participants. See "*Book-Entry Clearance Procedures Relating to Unrestricted Global Notes and Restricted Global Notes*" below. Prior to the expiry of the applicable Distribution Compliance Period (as defined in Regulation S), beneficial interests in an Unrestricted Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person (as defined in Regulation S) and may not be held otherwise than through Euroclear or Clearstream, Luxembourg.

**Claims against the Issuer by the Noteholders of a Class or Series of Notes and by any Swap Counterparty will be limited to (a) the Charged Assets and, if applicable, the relevant Credit Support Document(s) and (b) in the case of the Noteholders, the other Mortgaged Property relating to such Class or Series of Notes as may be specified in the applicable Final Terms, which, in each case, are included in the relevant Compartment in respect of which the Class or Series of Notes were issued. The Noteholders of a Class or Series of Notes will not have any recourse to assets included in any other Compartment of the Issuer. The proceeds of realisation of such Mortgaged Property may be less than the sums due to the Noteholders and each Swap Counterparty. Prospective investors should be aware of this and other risk factors involved in investing in the Notes (see "*Risk Factors*" on page 11)**

The date of this Base Prospectus is 26th May, 2006.

This Base Prospectus comprises a base prospectus for the purposes of Article 5.4 of Directive 2003/71/EC (the "**Prospectus Directive**").

The Issuer may from time to time issue Notes which relate to one or more separate Compartments with a value or yield based on assets or risks within the meaning of Article 53 of the Securitisation Law. Notes of any particular Class may be issued in one or more Tranches.

Subject to the provisions of the applicable law, the board of directors may at any time resolve to issue new Notes which, when issued within an existing Compartment, may, but need not be, fungible with an existing Class of Notes.

The terms of Notes are as set out in the relevant Final Terms.

The board of directors may establish one or more Compartments each of which is a separate and distinct part of the Issuer's estate (*patrimoine*) and which may be distinguished by the nature of acquired risks or assets, the distinctive terms of the issues made in their respect or other distinguishing characteristics. The terms of the Notes issued in respect of, and the specific objects of, each Compartment are determined by the board of directors and are stated in the relevant Final Terms and any documents relating to such Notes, as the case may be. By subscribing to Notes, each holder of such Notes shall be deemed to fully adhere to, and be bound by, the terms of such Notes. Each Compartment may issue Notes.

Pursuant to the Securitisation Law, each Compartment corresponds to a separate part of the Issuer's assets and liabilities. The rights of holders of Notes issued in respect of a Compartment and the rights of creditors of such Compartment are limited to the assets of such Compartment. The assets of a Compartment are exclusively available to satisfy the rights of holders of Notes issued in relation to that Compartment and the rights of creditors whose claims have arisen at the occasion of the constitution, the operation or the liquidation of this Compartment. In the relationship between the holders of Notes, each Compartment is deemed to be a separate entity.

Consequently, unless otherwise expressly provided, no Notes will be issued on terms that entitle the holders thereof to participate in the assets of the Issuer other than the assets (if any) of the Compartment in relation to which such Notes have been issued. If the proceeds of realisation of the assets of the relevant Compartment are not sufficient to make all payments due in respect of the Notes and, if applicable, due to any other transaction party, no other assets of the Issuer or any other Compartment will be available to meet such shortfall and the claims of Noteholders and, if applicable, any such transaction party in respect of any such shortfall shall be extinguished and no such party will be able to petition for the winding-up of the Issuer as a consequence of any such shortfall.

The board of directors establishes and maintains separate accounting records for each of the Compartments of the Issuer for the purposes of ascertaining the entitlements of holders of Notes issued in respect of each Compartment. Such accounting records are conclusive evidence of such entitlements in the absence of manifest error.

In the case where any asset or liability of the Issuer cannot be considered as being attributable to a particular Compartment, such asset or liability shall be allocated to all the Compartments *pro rata* to the aggregate value of the Notes issued by such Compartments or in such other manner as properly determined by the board of directors acting in good faith.

Subject to any particular rights or limitations for the time being attached to any Notes, if a Compartment is liquidated or is temporarily or permanently unable to meet its obligations towards the relevant Noteholders and any other transaction parties, its assets shall be applied in accordance with the relevant priority of payments.

Any Compartment may be liquidated separately without such liquidation affecting the Issuer as such or any other Compartment of the Issuer.

Unless and to the extent otherwise specified in the applicable Final Terms, the obligations of the Issuer in respect of each Series of Notes will be secured in favour of the Trustee (a) under the Trust Deed by (i) the security interests described in Condition 3 (*Security*) of the Terms and Conditions of the Notes governed by English law over the Charged Assets (as defined in Condition 3 (*Security*)) and (ii) an assignment by way of first fixed security (or such other security as may be specified in the applicable Final Terms) over the Issuer's rights, title and interest in, to and under any Credit Support Document(s) given by the Credit Support Provider in favour of the Issuer in respect of any Charged Assets, (b) under the Pledge Agreement by security interests governed by Luxembourg law over the Charged Assets and the rights of the Issuer in respect of all moneys derived therefrom held by the Custodian, and/or (c) (if and to the extent specified in the applicable Final Terms) under the Charging Document(s) by security interests governed by the law(s) specified in the applicable Final Terms over the Charged Assets and/or the Credit Support Document(s). The Charged Assets may be substituted by alternative security in the circumstances described in Condition 3(b) (*Charged Assets*) of the Terms and Conditions of the Notes. Unless and to the extent otherwise specified in the applicable Final Terms, the obligations of the Issuer in respect of each Series of Notes will also be secured in favour of the Trustee by (a) an assignment by way of first fixed security of all of the Issuer's rights, title and interest in, to and under the Agency Agreement and the Custodial Services Agreement (including, without limitation, the rights of the Issuer in respect of all funds and assets held from time to time by the Principal Paying Agent, any Paying Agent, the Redemption Agent and/or, as the case may be, the Custodian for payment and/or delivery in respect of principal, premium (if any) or interest (if any) in respect of the Notes or otherwise in relation to the Notes) and the Account Bank Agreement (in so far as it relates to the relevant Series of Notes), (b) an assignment by way of first fixed security (or such other security as may be specified in the applicable Final Terms) over the Issuer's rights, title and interest in, to and under the Charged Agreement(s) (which include(s) any Swap Agreement and any Swap Guarantee given by a Swap Guarantor) (if any) and/or any sale agreement relating to the Charged Assets, (c) an assignment by way of first fixed security of all of the Issuer's rights, title and interest, present and future, in, to and under any and all of its bank accounts in respect of the Notes of such Series (including, without limitation, the Payment Account (as defined in the Account Bank Agreement) established pursuant to the Account Bank Agreement in respect of such Series) and all amounts standing to the credit thereof and the debts represented thereby and (d) such other security interest as may be specified in the applicable Final Terms. Unless and to the extent otherwise specified in the applicable Final Terms, the claims of any Swap Counterparty will also be secured by the relevant Charged Assets and, if applicable, the relevant Credit Support Document(s). The ranking of the relative claims of, *inter alios*, the Noteholders and each Swap Counterparty over the Charged Assets and, if applicable, the relevant Credit Support Document(s) will be in accordance with the Security Ranking Basis specified in the applicable Final Terms. If so specified in the applicable Final Terms, the Issuer's obligations in respect of more than one Class within one Series of Notes may be secured over the same Mortgaged Property on the terms set out in the Terms and Conditions of such Notes and the applicable Final Terms.

The secured creditors of all Series of Notes issued by the Issuer will also be secured under the Master Trust Deed by a first floating charge governed by English law over the whole of the assets and undertaking of the Issuer, which will become enforceable upon formal notice being given of an intention to appoint an administrator in relation to the Issuer or an application being made to, or a petition being lodged

or a document being filed with, the court for administration in relation to the Issuer, all as further described in the Master Trust Deed.

The Programme is not rated, but it is expected that certain Notes issued under the Programme may be rated by Moody's Investors Service Limited ("**Moody's**") and/or any other recognised debt rating agency, as further described under "General Description of the Programme" herein and as specified in the applicable Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning Rating Agency. A suspension, change or withdrawal of the rating assigned to the Notes may adversely affect the market price of the Notes. A Series of Notes issued by the Issuer under the Programme may involve a rated Class or Classes of Notes. It is expected that each Rating Agency, if asked to rate any Class or Classes of Notes within a Series issued by the Issuer under the Programme, may make it a condition of rating such Class or Classes of Notes that it has rated at least one Class of Notes of each other Series issued by the Issuer or has otherwise reviewed all other Series of Notes issued by the Issuer under the Programme.

This Base Prospectus has been prepared, inter alia, for the purpose of providing information with regard to the Issuer and the Notes. In the context of the issue and offering of any Notes by it, the Issuer (the "**Responsible Person**") accepts responsibility for the information contained in this Base Prospectus. To the best of the knowledge and belief of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Base Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

The information contained in the sections headed "*Information concerning Citibank, N.A.*" and "*Information concerning Citigroup Inc.*" has been extracted from information published by Citibank, N.A. and Citigroup Inc. The Issuer confirms that such information has been accurately reproduced and that, so far as it is aware, and is able to ascertain from information published by Citibank, N.A. and Citigroup Inc., no facts have been omitted which would render the reproduced information inaccurate or misleading.

This Base Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see "*Documents Incorporated by Reference*" below).

None of the Trustee, the Dealers, the Share Trustees or the Administrators have or will have separately verified the information contained herein or in any Final Terms. Accordingly, no representation, warranty or undertaking, express or implied, is or will be made and no responsibility or liability is or will be accepted by or imposed on the Trustee, any of the Dealers, the Share Trustees or the Administrators as to the accuracy or completeness of the information contained in this Base Prospectus or in any Final Terms or any other information provided by the Issuer in connection with the Programme or the Notes or their distribution. The statements made in this paragraph are made without prejudice to the responsibility of the Issuer under the Programme.

No person is, has been or will be authorised to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any Final Terms or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Trustee, any of the Dealers, the Share Trustees or the Administrators.

Neither this Base Prospectus nor any Final Terms or other information supplied in connection with the Programme or the Notes (a) is intended to provide the basis of any credit or other evaluation or (b) should be considered as a recommendation or as constituting an invitation or offer by the Issuer, the Trustee, the Share Trustees, the Administrators or any of the Dealers that any recipient of this Base Prospectus or any Final Terms or other information supplied in connection with the Programme or any Notes, should subscribe for or purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer, the relevant Swap Counterparty (if any), the relevant Credit Support Provider (if any), the relevant Swap Guarantor (if any), the obligor under the relevant Charged Assets and the past and possible future performance of any relevant index or security. (See "*Risk Factors*" below for a discussion of certain factors to be considered in connection with an investment in the Notes.)

The delivery of this Base Prospectus or any Final Terms or the offering, sale or delivery of any Notes shall not at any time or in any circumstances imply that the information contained herein or therein concerning the Issuer is correct at any time subsequent to the date hereof or thereof (as the case may be) or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Trustee, the Dealers, the Share Trustees and the Administrators expressly do not undertake to review the financial condition or affairs of the Issuer, any Swap Counterparty, any Credit Support Provider, any Swap Guarantor or any obligor under any Charged Assets during the life of the Programme. Investors should review, *inter alia*, the most recent financial statements, if any, of the Issuer, the relevant Swap Counterparty (if any), the relevant Credit Support Provider (if any), the relevant Swap Guarantor (if any) and the obligor under the relevant Charged Assets when deciding whether or not to purchase any Notes.

This Base Prospectus does not constitute an offer to sell, or the solicitation of an offer to buy, any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Base Prospectus or any Final Terms and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer, the Trustee, the Share Trustees, the Administrators and the Dealer(s) do not and will not represent that this Base Prospectus or any Final Terms may be lawfully distributed, or that the Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been or will be taken by the Issuer, the Trustee, the Share Trustees, the Administrators or any of the Dealers which would permit a public offering of the Notes or distribution of this Base Prospectus or any Final Terms in any jurisdiction where action for that purpose is required. Accordingly, the Notes may not be offered or sold, directly or indirectly, and neither this Base Prospectus nor any Final Terms nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any Final Terms or Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Base Prospectus or any Final Terms and the offer or sale of Notes in the United States (or to or for the account or benefit of U.S. persons) and the European Economic Area (including the United Kingdom) (see "*Subscription, Sale and Transfer Restrictions*" below).

The Notes have not been and will not be registered under the Securities Act. Consequently, the Notes may not be offered, sold, resold, delivered or transferred within the United States or to, or for the account or benefit of, U.S. persons except in accordance with the Securities

Act or pursuant to exemptions therefrom. For a description of certain restrictions on offers and sales of the Notes and on the distribution of this Base Prospectus, see "*Subscription, Sale and Transfer Restrictions*" below.

The Issuer has not registered, and will not register, as an "investment company" under the U.S. Investment Company Act of 1940, as amended (the "**Investment Company Act**"). The Issuer is not required to register under the Investment Company Act in reliance on Section 3(c)(7) thereof which, in general, excludes from the definition of an investment company any issuer the outstanding securities of which are owned exclusively by persons who are "qualified purchasers" (as defined in Section 2(a)(51) of the Investment Company Act and the rules and regulations thereunder) and which has not made and does not propose to make a public offering of its securities. Accordingly, the Notes will be offered and sold and resales will only be permitted under circumstances designed to preclude the Issuer from having to register under the Investment Company Act.

Offers and sales in the United States of Notes issued by the Issuer may only be made to Section 3(c)(7) Eligible Investors in private transactions exempt from the registration requirements of the Securities Act. Resales of Notes issued by the Issuer in registered form in the United States may only be made to Section 3(c)(7) Eligible Investors in transactions pursuant to, and meeting the requirements of, Rule 144A under the Securities Act ("**Rule 144A**"). "**Section 3(c)(7) Eligible Investors**" are persons who are "qualified institutional buyers" (as defined in Rule 144A) ("**QIBs**"), but excluding therefrom: (i) QIBs which are broker-dealers which own and invest on a discretionary basis less than U.S.\$25,000,000 in securities, of issuers not affiliated to such QIB, (ii) partnerships, common trust funds, special trusts, pension funds, retirement plans or other entities in which the partners, beneficiaries or participants, as the case may be, may designate the particular investments to be made or the allocation thereof, (iii) entities that were formed, re-formed or recapitalised for the specific purpose of investing in the Notes, (iv) any investment company excepted from the Investment Company Act under Section 3(c)(1) or 3(c)(7) thereof and formed before 30th April, 1996, which has not received consent from its beneficial owners with respect to the treatment of such entity as a qualified purchaser in the manner required by Section 2(a)(51)(C) of the Investment Company Act and the rules thereunder and (v) any entity that will have invested more than 40 per cent. of its assets in securities of the Issuer subsequent to any purchase of Notes of the Issuer.

Each purchaser of Notes offered and sold in the United States under Rule 144A is hereby notified that the offer and sale of such Notes to it is being made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A and the Issuer has agreed to furnish to investors upon request such information as may be required by Rule 144A.

By its purchase of any Notes, each purchaser in the United States shall be deemed to have agreed to the restrictions contained in any legend endorsed on the Notes purchased by it and such purchaser shall be deemed to have represented to the Issuer and the seller and the Dealers, if applicable, that it is a Section 3(c)(7) Eligible Investor, that it is acquiring the Notes for its own account for investment and not with a view to the distribution thereof, and that it will not offer or sell such Notes except in compliance with the registration requirements of the Securities Act and the applicable laws of each state of the United States or in transactions exempt from, or not subject to, such registration requirements.

In addition, as specified in the applicable Final Terms, Registered Notes evidenced by Individual Certificates may not be offered, sold or transferred, and the Registrar shall not register any proposed sale or transfer of such Notes, to any U.S. person other than a Dealer (or one of its affiliates) that qualifies as a Section 3(c)(7) Eligible Investor, unless the Registrar and the Issuer shall have received (i) a certificate of transfer in the form set out in Schedule 3 Part II of the Agency Agreement (a "**Transfer Certificate**") duly executed by the transferor and (ii) an investment letter in the form set out in Schedule 4 Part II of the Agency Agreement (an "**Investment Letter**") duly executed by the proposed transferee. Consent to any transfer of a Note may be withheld only to ensure compliance with, or an exemption under, applicable law. Registered Notes evidenced by a Restricted Global Note may only be transferred in accordance with the restrictions set out in the Restricted Global Note and in accordance with the rules and procedures of DTC, as in effect from time to time. See "*Subscription, Sale and Transfer Restrictions*" below.

Unless otherwise specified in the applicable Final Terms, each purchaser or holder of a Note shall be deemed to have represented by such purchase and/or holding that it is not a benefit plan investor, is not using the assets of a benefit plan investor to acquire the Notes, and shall not at any time hold such Notes for or on behalf of a benefit plan investor. For the purposes hereof, "**benefit plan investor**" means (a) an employee benefit plan (as defined in Section 3(3) of the U.S. Employee Retirement Income Security Act of 1974, as amended, ("**ERISA**")), whether or not subject to ERISA, and specifically including pension plans maintained outside of the U.S., (b) a plan described in Section 4975(e)(1) of the U.S. Internal Revenue Code of 1986, as amended (the "**Internal Revenue Code**"), or (c) any entity whose underlying assets include plan assets by reason of a plan's investment in the entity under U.S. Department of Labor Regulations § 2510.3-101 (29 C.F.R. § 2510.3-101).

Offers to purchase and subsequent transfers of Notes will be subject to the foregoing restriction, and an investor's ability to resell the Notes may therefore be limited. Sales and transfers of Notes that would cause the Issuer to be required to register as an "investment company" under the Investment Company Act will be void *ab initio* and will not be honoured by the Issuer and the Issuer shall have the right at any time, at the expense and risk of the holder of Notes held by or on behalf of a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes (i) to redeem such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a Section 3(c)(7) Eligible Investor or to a non-U.S. person outside the United States.

The Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the Internal Revenue Code and the regulations promulgated thereunder.

Notwithstanding any other express or implied agreement to the contrary, the Issuer, the Dealer(s), the Trustee and the Principal Paying Agent and each recipient hereof and each of their employees, representatives, and other agents may disclose, immediately upon commencement of discussions, to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transaction and all materials of any kind (including, subject to any restrictions imposed therein, opinions or other tax analyses) that are provided to any of them relating to such tax treatment and tax structure (except where confidentiality is reasonably necessary) to comply with U.S. federal

or state securities laws. For purposes of this paragraph, the terms "tax", "tax treatment", "tax structure", and "tax benefit" are defined under Treasury Regulation Section 1.6011-4(c).

All references in this Base Prospectus or any Final Terms to "U.S. dollars", "USD" and "U.S.\$" are to the currency of the United States of America, those to "Sterling" and "£" are to the currency of the United Kingdom, those to "Yen" and "¥" are to the currency of Japan and those to "euro" and "€" are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Communities, as amended by the Treaty on European Union and the Treaty of Amsterdam.

## SUMMARY

This summary must be read as an introduction to this Base Prospectus and any decision to invest in any Notes should be based on a consideration of this Base Prospectus as a whole, including the documents incorporated by reference. Following the implementation of the relevant provisions of the Prospectus Directive in each Member State of the European Economic Area no civil liability will attach to the Responsible Person in any such Member State in respect of this Summary, including any translation hereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Base Prospectus. Where a claim relating to information contained in this Base Prospectus is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated.

*The following summary does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Base Prospectus and, in relation to any particular Tranche of Notes, the applicable Final Terms (in which any of the Terms and Conditions may be varied). Unless defined in this summary, words and expressions defined in "Form of the Notes" and "Terms and Conditions of the Notes" below and in the applicable Final Terms shall have the same respective meanings when used in this summary.*

### Information relating to the Issuer:

#### Description:

Strategic Investment Portfolios (Luxembourg) S.A., a special purpose vehicle incorporated under the laws of the Grand Duchy of Luxembourg on 6th April, 2006.

The Issuer is a securitisation company (*société de titrisation*) authorised and supervised by the CSSF pursuant to the Securitisation Law. Under the Securitisation Law, the assets, liabilities and obligations of the Issuer are segregated into separate Compartments. The assets of each Compartment are, by operation of the Securitisation Law, only available to satisfy the liabilities and obligations of the Issuer which are incurred in relation to that Compartment.

Other information about the Issuer is set out under "*Description of the Issuer*" below.

#### Business:

The business of the Issuer is restricted by its constitutional documents and the terms of the Trust Deed and the only assets of the Issuer available to meet claims of Noteholders, Receiptholders and Couponholders (if any) of the relevant Notes are the assets comprised in the relevant collection of assets, rights and other benefits comprising the security for the Notes.

The restrictions on the activities of the Issuer are set out under "*Business of the Issuer*" below.

### Information relating to the Programme:

#### Description:

Limited Recourse Secured Note Programme under which the Issuer may issue Notes in bearer or registered form and denominated in any currency.

Notes issued under the Programme may be admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Luxembourg Stock Exchange. In addition, Notes issued under the Programme may be rated by Moody's and/or any other recognised debt rating agency as specified in the applicable Final Terms.

The types of Notes that may be issued under the Programme include Fixed Rate Notes, Floating Rate Notes, Index Linked Notes, Dual Currency Notes, Zero Coupon Notes and Equity-Linked Notes.

These and the other main features of the Programme are set out under "*Description of the Programme*" below.

### **Information relating to the Notes:**

#### **Description:**

The Notes of each Series will be secured, limited recourse obligations in respect of a designated Compartment of the Issuer ranking *pari passu* and without preference among themselves. The Notes are constituted by, and in accordance with, the Trust Deed and are subject to the Terms and Conditions as supplemented by the applicable Final Terms.

#### **Security:**

The obligations of the Issuer in respect of each Series of Notes issued under the Programme will be secured in favour of the Trustee over (a) if and to the extent specified in the applicable Final Terms, the Charged Assets and, if applicable, the relevant Credit Support Document(s) and the Charged Agreement(s), and (b) unless and to the extent otherwise specified in the applicable Final Terms, certain other rights and assets of the Issuer, in each case in respect of that Series.

Prior to the enforcement of the security for the Notes, the proceeds of the Mortgaged Property of the relevant Series will be applied in accordance with the order of priorities referred to, or set out in, the applicable Final Terms.

In the event of the security for the Notes being enforced, the ranking of the relative claims of, *inter alios*, the Noteholders and each Swap Counterparty over the secured property for the relevant Series will be in accordance with the Security Ranking Basis.

These arrangements and the other terms and conditions on which Notes may be issued under the Programme are set out under "*Terms and Conditions of the Notes*" below, as supplemented by the applicable Final Terms.

#### **Swap Agreement(s):**

The Issuer's obligations under the Notes may be hedged through one or more Swap Agreements which are expected to be entered into with one or more of Citigroup Alternative Investments Structuring Facility Ltd. ("**SFL**"), Citigroup Financial Products Inc. ("**CFPI**"), Citigroup Global Markets Limited ("**CGML**") or Citibank N.A. If the Swap Counterparty is SFL, CFPI or CGML, the obligations of the Swap Counterparty will be guaranteed by Citigroup Inc.

A description of the terms of any Swap Agreement entered into by the Issuer is set out under "*The Swap Agreement*" below and the form of the

guarantees provided by Citigroup Inc. is set out under "*Form of Swap Guarantee by Citigroup Inc.*" below.

**Redemption:**

Subject to the following, the Notes will redeem at maturity.

The Notes may be redeemed prior to maturity upon the occurrence of certain specified events or, if so specified in the applicable Final Terms, at the option of the Issuer or the Noteholders.

These arrangements are set out under "*Terms and Conditions of the Notes*" below, as supplemented by the applicable Final Terms.

**Risk Factors:**

The Issuer is a special purpose limited liability company which does not have substantial assets of its own to support its obligations under the Notes and amounts due to Noteholders will only be paid from Charged Assets and/or with funds paid to the Issuer under the Swap Agreement(s). If SFL, CFPI or CGML as a Swap Counterparty fails to meet any of its payment obligations under the terms of the relevant Swap Agreement, Citigroup Inc. as Swap Guarantor will be obliged to meet such payment obligations.

The rights of creditors against the Issuer whose claims have arisen in relation to a specific Compartment of the Issuer are, as a general rule, strictly limited to the net assets of such Compartment without any recourse to the assets of any other Compartment of the Issuer or any other assets of the Issuer. Furthermore, the proceeds of a Compartment are, as a general rule, available only for distribution to creditors whose claims have arisen in connection with the creation, the operation or the liquidation of that specific Compartment or have been properly allocated thereto. A creditor of the Issuer may have claims against the Issuer in respect of liabilities or obligations which arise in connection with more than one Compartment, in which case the claims in respect of each individual Compartment will be limited to the assets of such Compartment only.

Accordingly the Noteholders assume full credit risk of the Issuer, any obligor of the Charged Assets, the Swap Counterparty or Swap Counterparties and the Swap Guarantor and, in certain circumstances, payments of principal and/or interest to the Noteholders will be reduced. In these circumstances, the total amount received by the Noteholders could be less than the amount initially invested and could be zero.

In the event of such a shortfall, the Noteholders will not, under the terms of the Notes, have any further rights to the assets of, or claims against, the Issuer beyond their respective entitlements to payments received by the Issuer under the Charged Assets, the Swap Agreement(s) and/or the other Mortgaged Property and will bear any such shortfall in accordance with the inverse of the order of priorities set out in Condition 3(e) (*Application of proceeds*) and, if applicable, the Security Ranking Basis specified in the applicable Final Terms. In particular, Noteholders will have no right to petition for the winding up of the Issuer.

These risk factors and others specific to the Issuer and its industry are set out under "*Risk Factors*" below.

Prospective purchasers of the Notes should ensure that they understand fully the nature of the Notes, as well as the extent of their exposure to risks associated with an investment in the Notes and should consider the suitability of an investment in the Notes in light of their own particular financial, fiscal and other circumstances.

The Charged Assets (if any) for each Series of Notes will be subject to credit, liquidity and interest rate risks. In some transactions, all or substantially all of the Charged Assets securing the Notes of any Series may be rated below investment grade and will have greater credit and liquidity risk. To the extent that a default occurs with respect to any Charged Assets securing the Notes of any Series and the Redemption Agent sells or otherwise disposes of such Charged Asset, it is not likely that the proceeds of such sale or disposition will be equal to the unpaid principal and interest thereon. Even in the absence of a default with respect to any of the Charged Assets securing any Series of Notes, due to potential market volatility, the market value of such Charged Assets at any time will vary, and may vary substantially, from the price at which such Charged Assets were initially purchased and from the principal amount of such Charged Assets. Accordingly, no assurance can be given as to the amount of proceeds of any sale or disposition, or the amount received or recovered upon maturity, of such Charged Assets securing any Series of Notes, or that the proceeds of any such sale or disposition would be sufficient to repay principal of, and to pay interest on, the Notes of the related Series and amounts payable prior thereto. In the event of an insolvency of an obligor of a Charged Asset, various insolvency and related laws applicable to such obligor may limit the amount the Redemption Agent may recover.

These risk factors and others specific to the Programme and the Notes are set out under "*Risk Factors*" below.

## **RISK FACTORS**

*The purchase of Notes may involve substantial risks and is suitable only for investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the risks and the merits of an investment in the Notes. Unless otherwise specified in the applicable Final Terms, the Notes are not principal protected and purchasers of Notes are exposed to the risk of full loss of principal.*

*The Issuer believes that the following factors may be relevant to it and its industry. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.*

*The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and, in the light of their own financial circumstances and investment objectives, reach their own views prior to making any investment decision.*

### **FACTORS RELATED TO THE ISSUER**

#### **Credit risk related to parties**

The ability of the Issuer to meet its obligations under the Notes will be dependent, where applicable, upon the payment of all sums due from the obligor(s) of the Charged Assets, each Swap Counterparty, any Swap Guarantor and/or any Credit Support Provider, upon the Principal Paying Agent and the Custodian making the relevant payments when received and upon all parties to the transaction documents in respect of the Programme (other than the Issuer) performing their respective obligations thereunder.

Accordingly, the Noteholders are exposed, among other things, to the creditworthiness of the obligor(s) of the Charged Assets, each Swap Counterparty, the Swap Guarantor (if any), the Credit Support Provider (if any), the Principal Paying Agent, the other Paying Agents and the Custodian.

#### **Business relationships**

Each of the Issuer, the Dealers, the Trustee, the Share Trustees, the Administrators, the Agents, the Custodian and any of their respective affiliates may have existing or future business relationships with any Swap Counterparty, Swap Guarantor, Credit Support Provider or obligor of a Charged Asset (including, but not limited to, lending, depositary, risk management, advisory and banking relationships) and will pursue actions and take steps that it deems necessary or appropriate to protect its interests arising therefrom without regard to the consequences for a Noteholder. Furthermore, the Dealers, the Trustee, the Share Trustees, the Administrators, the Agents, the Custodian or any of their respective affiliates may buy, sell or hold positions with respect to the obligations of, or act as investment or commercial bankers, advisers or fiduciaries to, or hold directorship and officer positions in, any obligor of any Charged Assets, any Swap Counterparty, any Swap Guarantor and/or any Credit Support Provider.

#### **Limitation on recourse to other Compartments of the Issuer**

The Issuer is established as a securitisation company (*société de titrisation*) within the meaning of the Securitisation Law which provides that the rights of creditors against the Issuer whose claims have arisen in relation to a specific Compartment of the Issuer are, as a general rule, strictly limited to the net assets of such Compartment without any recourse to the assets of any other Compartment of the Issuer or any other assets of the Issuer.

Furthermore, pursuant to the Securitisation Law, the proceeds of a Compartment are, as a general rule, available only for distribution to creditors whose claims have arisen in connection with the creation, the operation or the liquidation of that specific Compartment or have been properly allocated thereto. A creditor of the Issuer may have claims against the Issuer in respect of liabilities or obligations which arise in connection with more than one Compartment, in which case the claims in respect of each individual Compartment will be limited to the assets of such Compartment only.

### **Enforcement of legal liabilities**

The Issuer is incorporated under the laws of the Grand Duchy of Luxembourg. All of the directors of the Issuer named herein reside, and all or a significant portion of the assets of such persons are, and substantially all of the assets of the Issuer are, located outside the United States. It may not be possible to enforce, in original actions in the Grand Duchy of Luxembourg courts, liabilities predicated solely on U.S. federal securities laws.

## **FACTORS RELATED TO THE MARKET**

### **Investor suitability**

Investments in the Notes may only be suitable for prospective purchasers who have requisite knowledge and experience in financial and business matters and expertise in assessing credit risk and who are capable of evaluating the merits, risks and suitability of investing in the Notes including any credit risk associated with the Issuer, obligor(s) of the Charged Assets, Swap Counterparty (if any), Swap Guarantor (if any) and Credit Support Provider (if any).

### **Independent review and advice**

Each prospective purchaser of Notes must determine, based on its own independent review (including as to the financial condition and affairs and its own appraisal of the creditworthiness of the Issuer, each Swap Counterparty, the Swap Guarantor, the Credit Support Provider (if any) and any relevant obligor(s) in respect of any Charged Assets) and such professional advice (including, without limitation, tax, accounting, credit, legal and regulatory advice) as it deems appropriate under the circumstances, that its acquisition and holding of the Notes (a) are fully consistent with its (or if it is acquiring the Notes in a fiduciary capacity, the beneficiary's) financial needs, objectives and condition, (b) comply and are fully consistent with all investment policies, guidelines and restrictions applicable to it (whether acquiring the Notes as principal or in a fiduciary capacity) and (c) are fit, proper and suitable investments for it (or if it is acquiring the Notes in a fiduciary capacity, for the beneficiary), notwithstanding the clear and substantial risks inherent in investing in or holding the Notes. None of the Issuer, the Share Trustees, the Agent, the Dealer(s) or any of their affiliates is acting as an investment adviser, or assumes any fiduciary obligation, to any purchaser of Notes. Neither this Base Prospectus nor any Final Terms is intended to provide the basis of any credit or other evaluation or should be considered as a recommendation or constituting an invitation or offer that any recipient of this Base Prospectus or any Final Terms should purchase any Notes. The Trustee and the Dealer(s) expressly do not undertake to review the financial condition or affairs of the Issuer, any Swap Counterparty, any Swap Guarantor, any Credit Support Provider or any obligor of the Charged Assets for any Series of Notes during the life of the Programme.

### **Provision of information**

None of the Issuer, the Share Trustees, the Trustee, the Agents, the Custodian, the Dealer(s) or any affiliate makes any representation as to the credit quality of any Swap Counterparty, any Swap Guarantor, any Credit Support Provider or any obligor of the Charged Assets. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to such Swap Counterparty, Swap Guarantor, Credit Support Provider or obligor of a Charged Asset. None of such persons is under any obligation to make available any information relating to, or keep under review on the Noteholders'

behalf, the business, financial conditions, prospects, creditworthiness or status of affairs of any Swap Counterparty, Swap Guarantor, Credit Support Provider or obligor of a Charged Asset or conduct any investigation or due diligence into such persons.

### **No secondary market**

No Dealer is obliged to make a market in the Notes, and if any Dealer does make a market in the Notes, any such market-making may be discontinued at any time without notice. In addition, applications may be made to the Luxembourg Stock Exchange to list some of the Notes issued under the Programme on the Luxembourg Stock Exchange. However, there can be no assurance that any secondary market for any of the Notes will develop, or if a secondary market does develop, that it will provide the Noteholders with liquidity of investment or that it will continue for the life of such Notes. Accordingly, the purchase of Notes is suitable only for investors who can bear the risks associated with a lack of liquidity in the Notes and the financial and other risks associated with an investment in the Notes. Investors must be prepared to hold the Notes for an indefinite period of time or until final redemption or maturity of the Notes.

### **Credit ratings may not reflect all risks**

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to the structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the relevant rating agency at any time.

## **FACTORS RELATED TO THE PROGRAMME AND THE NOTES**

### **Limitation on recourse in the event of a shortfall**

Claims against the Issuer by the Noteholders of a Class or Series of Notes and by any Swap Counterparty will be limited to (a) the Charged Assets and, if applicable, the relevant Credit Support Document(s) and (b) in the case of the Noteholders, the other Mortgaged Property, relating to such Class or Series of Notes as may be specified in the applicable Final Terms, which, in each case, are included in the relevant Compartment in respect of which the Class or Series of Notes were issued. The Noteholders of a Class or Series of Notes will not have any recourse to assets included in any other Compartment of the Issuer. The proceeds of realisation of such Mortgaged Property may be less than the sums due to the Noteholders and each Swap Counterparty. Any shortfall will be borne by the Noteholders and by each Swap Counterparty in accordance with the inverse of the order of priorities set out in of Condition 3(e) (*Application of proceeds*) and, if applicable, the Security Ranking Basis specified in the applicable Final Terms. Each Noteholder, by subscribing for or purchasing such Notes, will be deemed to accept and acknowledge, among other things, that it is fully aware that, in the event of a shortfall, (i) the Issuer shall be under no obligation to pay, and the other assets (if any) of the Issuer including, in particular, assets securing other Series of Notes will not be available for payment of, such shortfall, (ii) all claims in respect of such shortfall shall be extinguished and (iii) the Trustee, the Noteholders and each Swap Counterparty shall have no further claim against the Issuer in respect of such unpaid amounts and will accordingly not be able to petition for the winding up of the Issuer as a consequence of such shortfall.

The Notes of each Series are secured, limited recourse obligations of the Issuer alone and not of the officers, members, directors, employees, noteholders or incorporator of the Issuer, any Swap Counterparty, the Swap Guarantor (if any), the Credit Support Provider (if any), the obligor(s) in respect of any Charged Assets or their respective successors or assigns. Furthermore, they are not obligations of, or guaranteed in any way by, any Dealer(s).

For the avoidance of doubt, the Notes are not obligations of the obligors of the Charged Assets, nor do they confer on the Noteholders any right (whether in respect of voting, dividend or other distributions in

respect of the Charged Assets) which the holder of any of the Charged Assets may have. The Issuer is not an agent of the Noteholders for any purpose.

### **Charged Assets**

The Charged Assets (if any) for each Series of Notes will be subject to credit, liquidity and interest rate risks. In some transactions, all or substantially all of the Charged Assets securing the Notes of any Series may be rated below investment grade and will have greater credit and liquidity risk. To the extent that a default occurs with respect to any Charged Assets securing the Notes of any Series and the Redemption Agent sells or otherwise disposes of such Charged Asset, it is not likely that the proceeds of such sale or disposition will be equal to the unpaid principal and interest thereon. Even in the absence of a default with respect to any of the Charged Assets securing any Series of Notes, due to potential market volatility, the market value of such Charged Assets at any time will vary, and may vary substantially, from the price at which such Charged Assets were initially purchased and from the principal amount of such Charged Assets. Accordingly, no assurance can be given as to the amount of proceeds of any sale or disposition, or the amount received or recovered upon maturity, of such Charged Assets securing any Series of Notes, or that the proceeds of any such sale or disposition would be sufficient to repay principal of, and to pay interest on, the Notes of the related Series and amounts payable prior thereto. In the event of an insolvency of an obligor of a Charged Asset, various insolvency and related laws applicable to such obligor may limit the amount the Redemption Agent may recover.

In addition to the risks described above, if the Charged Assets are in the form of interests in loans rather than bonds, the Charged Assets will generally be subject to additional liquidity and, in some cases, credit risks. Loans are not generally traded in organised exchange markets but are traded by banks and other institutional investors engaged in loan syndications. Consequently, the liquidity of any loans included in the Charged Assets securing a given Series of Notes will depend on the liquidity of these trading markets and there can be no assurance that there will be any market for such loans if the Redemption Agent is required to sell or otherwise dispose of them. In addition, if so specified in the applicable Final Terms, the Charged Assets for a given Series of Notes may include sub-participation interests in loans. Holders of loan sub-participations are subject to additional risks not applicable to a holder of a direct interest in a loan. A holder of a sub-participation interest may be subject to the credit risk of the sub-participating institution, which will remain the legal lender of record of the applicable loan. Also, sub-participants do not generally benefit from the collateral (if any) supporting the loans in which they have an interest because loan sub-participations generally do not provide a purchaser with direct rights to enforce compliance by the obligor with the terms of the loan agreement, nor do they provide any rights of set-off against the obligor.

If the Charged Assets are in the form of interests in equities, a relatively small movement in the closing level of the equities can result in a disproportionately large movement in the price of the Notes.

### **The different Classes of Notes**

Unless otherwise specified in the applicable Final Terms, upon the enforcement of the security for Notes of a Series comprising more than one Class, payment of amounts due to the holders of a Class of Notes ranking senior to one or more junior ranking Class or Classes of Notes shall be made before payment is made to the next most senior ranking Class of Notes. Thus, the rights to receive payments in respect of more junior ranking Class or Classes of Notes are junior and subordinate to the rights to receive payments in respect of more senior ranking Class or Classes of Notes. The risks of delays in payments or ultimate non-payment of principal and/or interest will be borne disproportionately by holders of the more junior ranking Class or Classes of Notes as compared to holders of more senior ranking Class or Classes of Notes.

The Trustee will generally be required to have regard to the separate interests of the holders of each Class.

However, in certain circumstances the Trustee shall be required not to have regard to the interests of the holders of a Class of Notes ranking junior to one or more senior ranking Classes of Notes to the extent any of such senior Class or Classes of Notes remain outstanding.

### **Taxation**

Each Noteholder will assume and be solely responsible for any and all taxes of any jurisdiction or governmental or regulatory authority, including, without limitation, any state or local taxes or other like assessment or charges that may be applicable to any payment to it in respect of the Notes. The Issuer will not pay any additional amounts to Noteholders to reimburse them for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Notes by the Issuer or any Paying Agents.

### **Investment Company Act**

Sales or transfers of Notes that would cause the Issuer to be required to register as an "investment company" under the Investment Company Act will be void *ab initio* and will not be honoured by the Issuer. The Issuer shall have the right at any time, at the expense and risk of the holder of Notes held by or on behalf of a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a Section 3(c)(7) Eligible Investor or to a non-U.S. person outside the United States.

### **Legality of purchase**

None of the Issuer, the Share Trustees, the Administrators, the Dealer(s) or any of their affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective purchaser with any law, regulation or regulatory policy applicable to it. However, notwithstanding the lawfulness of any acquisition of the Notes, where Notes are held by or on behalf of a U.S. person (as defined in Regulation S) who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes, the Issuer may, in its discretion and at the expense and risk of such holder, (a) redeem the Notes, in whole or in part, of any such holder who holds any Note in violation of the applicable transfer restrictions or (b) compel any such holder to transfer the Notes to a Section 3(c)(7) Eligible Investor or to a non-U.S. person outside the United States.

### **Payment to third parties by Dealers**

In the context of an issuance of Notes, a Dealer may make payments of introduction, finding or structuring fees to third parties who may or may not be connected with the investor to whom the Issuer or the relevant Dealer initially sells the Notes.

### **No reliance**

A prospective purchaser may not rely on the Issuer, the Dealers, the Trustee, the Share Trustees, the Administrators, the Agents, the Custodian or any affiliate in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

### **Transfer of Swap Agreements**

If so specified in the applicable Final Terms, the Issuer shall have entered into with the relevant Swap Counterparty an ISDA Master Agreement (including the Schedule thereto) and one or more confirmations thereto (each a "**Confirmation**") each with an effective date of the Issue Date of the relevant Notes.

The terms of each Swap Agreement provide that the relevant Swap Counterparty may, without the consent of Noteholders or the Issuer, transfer all or part of its interest and obligations in and under the relevant Swap Agreement, upon providing five business days prior written notice to the Trustee, to any affiliate of such Swap Counterparty (the "**affiliate transferee**") provided that either: (a) such affiliate transferee has at least an equivalent credit rating as of the date of such transfer to that of the Swap Guarantor as of the date of such transfer; or (b) such affiliate transferee's obligations under the relevant Swap Agreement are guaranteed by the Swap Guarantor or an affiliate of such Swap Counterparty that has a credit rating as at the date of such transfer that is at least equivalent to that of the Swap Guarantor as at the date of such transfer, in each case on substantially the same terms as the existing guarantee of such Swap Counterparty's obligations, and provided that certain requirements and conditions set out in the relevant Swap Agreement and the Supplemental Trust Deed have been satisfied. These requirements and conditions include (without limitation) the requirement that: (i) the affiliate transferee shall, at the time of such transfer, have entered into an ISDA Master Agreement with the Issuer on substantially the same terms as the ISDA Master Agreement between the Issuer and such Swap Counterparty, (ii) if so specified in the applicable Final Terms, after the transfer of any part of the relevant Swap Agreement there will be no more than two Swap Agreements (each documented by no more than one Confirmation) at any one time, (iii) as of the date of such transfer the affiliate transferee will not, as a result of such transfer, be required to withhold or deduct on account of tax under the relevant Swap Agreement, and (iv) any relevant Rating Agency has provided prior written notification that its then current ratings of the Notes will not be adversely affected.

Consequently, in the case of a transfer of a Swap Agreement to an affiliate transferee having at least an equivalent credit rating as of the date of such transfer to that of the Swap Guarantor or that is guaranteed by an affiliate of such Swap Counterparty (other than the Swap Guarantor) that as of the date of such transfer is so rated, the Issuer and ultimately the Noteholders will be exposed to the creditworthiness of such affiliate transferee or such other swap guarantor, as the case may be, and its respective ability to meet the payment obligations that have been so transferred in substitution for an exposure to the Swap Guarantor. As a result of any transfer of a Swap Agreement to an affiliate transferee, the jurisdiction of such affiliate transferee shall be the relevant jurisdiction for the purposes of determining the occurrence of any tax event pursuant to Section 5(b)(ii) of the ISDA Master Agreement.

Upon such transfer, the Trustee shall adjust such of the Terms and Conditions as it shall in its sole and absolute discretion determine to be appropriate to reflect that such Swap Counterparty has transferred all or part of its interest and obligations in and under the relevant Swap Agreement to an affiliate of such Swap Counterparty and shall determine the effective date of that adjustment.

## **Potential Conflicts of Interest**

### *General*

Each of SFL, CFPI, CGML and Citigroup Inc., has existing and potential relationships with a significant number of institutions and individuals. Accordingly, the Noteholders should be aware that there may be occasions when SFL, CFPI, CGML, Citigroup Inc. and their respective affiliates encounter potential conflicts of interest. These conflicts may arise in part due to Citigroup Inc.'s engagement in a broad platform of activities, including insurance, banking, underwriting, asset management and financial advisory activities, and have extensive investment activities that are independent from and may from time to time conflict with SFL, CFPI and CGML's activities.

### *Funds managed by Citigroup Inc. and its affiliates*

The Swap Agreement may be linked to, among other things, one or more funds (each a "**Fund**") purchased by SFL, CFPI or CGML and managed by Citigroup Inc. and/or any of its affiliates (each a "**Fund Manager**"), as further described in the applicable Final Terms. The Fund Manager and their respective clients may also make investments that compete with the Fund's investment opportunities.

There can be no assurance that an investment opportunity which comes to the attention of a Fund Manager will be appropriate for a Fund or will be referred to the Fund it manages. A Fund Manager is not obligated to disclose any investment opportunity to SFL, CFPI, CGML or the Issuer. A Fund Manager may provide services to, invest in, advise, sponsor and/or act as investment manager to investment vehicles and other persons or entities (including prospective investors in the Notes). Certain affiliates of Citigroup Inc., including CGML, CFPI, Citibank N.A. and their respective affiliates, will engage in transactions with, and may provide services to, and receive compensation from, a Fund's portfolio companies and potential portfolio companies. A Fund Manager may have pre-existing relationships with a significant number of corporations which may be potential portfolio companies. Accordingly, there may be certain investments that a Fund will not make in view of such relationships and this may have an indirect adverse impact on the Noteholders' investment in Notes that are linked to such Fund.

Citigroup Inc. may invest its assets in one or more Funds, and there can be no assurance that Citigroup Inc. will continue to invest its assets in a Fund after the expiration of the relevant lock-up period (if any). A redemption by Citigroup Inc., because of its significant investment in a Fund, may have an adverse effect on the Fund and this may have an indirect adverse impact on the Noteholders' investment in the Notes.

SFL, CFPI, CGML and the Fund Manager and any directors or employees of any of the foregoing, may:

- (a) have an interest in the Fund or in any transaction effected with or for it, or a relationship of any description with any other person, which may involve a potential conflict with their respective duties to the Fund; and
- (b) deal with or otherwise use the services of Citigroup Inc. in connection with the performance of such duties,

and none of them will be liable to account for any profit or remuneration derived from doing so.

For example, such potential conflicts may arise because:

- (a) Citigroup Inc. as a Fund Manager undertakes business for other clients;
- (b) any of SFL, CFPI, CGML, a Fund Manager and any of their directors or employees is a director of, holds or deals in securities of, or is otherwise interested in, any company the securities of which are held by or dealt in on behalf of a Fund;
- (c) the transaction relates to an investment in respect of which a Fund Manager may benefit from a commission, fee, mark-up or mark-down payable otherwise than by the Fund;
- (d) a Fund Manager may be engaged to act as financial advisor to financially troubled companies in connection with the restructuring of their capital structures or in connection with their bankruptcy and its compensation for such activities is generally based upon the successful completion of a restructuring, which may include raising funds for the purchase of existing securities or for an equity infusion;
- (e) a Fund Manager may act as agent for a Fund in relation to transactions in which it is also acting as agent for the account of other clients of Citigroup Inc. (or its affiliates);
- (f) a Fund Manager may deal in investments and/or currencies as principal with a Fund or a Fund Manager may effect transactions for a Fund involving placing and/or new issues in respect of which it may be acting as principal or receiving agent's commissions.

As described above, securities may be held by, or be an appropriate investment for, a Fund as well as by or for other clients of a Fund Manager. There may be circumstances when purchases or sales of securities for

one or more clients of a Fund Manager have an adverse effect on other clients of a Fund Manager and certain transactions may not be able to be effected at the optimum price, date, time or amount. A Fund may invest in companies or other entities in which a Citigroup Inc. affiliate, including other investment funds sponsored or otherwise managed by a Fund Manager, has or is concurrently making a different principal investment (e.g., an equity or senior debt investment), at the time of a Fund's investment, and a Citigroup Inc. affiliate may invest in companies or other entities in which a Fund has made an investment. In such situations, such Fund and such Citigroup Inc. affiliate may have conflicting interests (e.g., over the terms of their respective investments). If the portfolio company in which a Fund has a mezzanine or subordinated debt investment and in which a Citigroup Inc. affiliate has an equity or senior debt investment (or vice versa) becomes distressed or defaults on its obligations under the mezzanine investment, Citigroup Inc. may have conflicting loyalties between its duties to such Fund and to other affiliates.

Monies held by a Fund in reserve to pay expenses prior to distribution to SFL, CFPI, CGML and other investors or for any other reason may be invested in instruments issued by Citigroup Inc. or any of its affiliates and money market funds managed by Citigroup Inc. or any of its affiliates.

The investments of Citigroup Inc. in Funds are often made on preferential terms and conditions to those available to other investors. Similarly, the members of a Fund Manager and other employees of Citigroup Inc. may be permitted to invest in a Fund on preferential terms to those available to the Fund, including the waiver of minimum investment requirements and all or part of the management fee and the performance fee.

#### ***Material Non-Public Information***

In the event any material, non-public information is disclosed to SFL, CFPI, CGML, a Fund Manager or their respective employees or any other person responsible for the affairs of a Fund, such Fund may be prohibited by applicable securities laws and the internal policies of Citigroup Inc. from acting upon such information. Due to these restrictions, a Fund may not be able to make an investment that it otherwise might have made or sell an investment that it otherwise might have sold. This may have an indirect adverse impact on the Noteholders' investment in Notes that are linked to such Fund.

The secured creditors of all Series of Notes issued by the Issuer will also be secured under the Master Trust Deed by a floating charge governed by English law over the whole of the assets and undertaking of the Issuer, which will become enforceable upon formal notice being given of an intention to appoint an administrator in relation to the Issuer or an application being made to, or a petition being lodged or a document being filed, with the court for administration in relation to the Issuer, all as further described in the Master Trust Deed.

**Maximum Amount of the Programme:**

Up to €2,000,000,000 (or its equivalent in other currencies) outstanding at any time may be issued by the Issuer, subject to increase from time to time.

**Distribution:**

Notes of each Tranche may be issued by way of private or public placement and in each case on a syndicated or non-syndicated basis, as specified in the applicable Final Terms.

Notes shall be issued on a fully-paid basis and may be issued at an issue price which is at par or at a discount to, or premium over, par.

The Issuer may also issue Notes to any Dealer(s) as principal, either at a discount from their principal amount to be agreed upon at the time of issue or at 100 per cent. of their principal amount, for resale to one or more investors and other purchasers at varying prices, to be determined by such Dealer at the time of resale, which may be greater or less than the issue price for such Notes paid by such Dealer(s). In certain transactions, the issue price may include an amount related to a swap entered into by the Issuer and an affiliate of such Dealer(s).

**Fixed Rate Notes:**

Fixed interest will be payable by the Issuer as may be specified in the applicable Final Terms and will be calculated on the basis of such Day Count Fraction as may be specified in the applicable Final Terms.

**Floating Rate Notes:**

Floating Rate Notes will bear interest at a rate determined and specified in the applicable Final Terms either:

- (i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2000 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc., and as amended and updated as at the issue date of the first Tranche of the Notes of the relevant Series); or
- (ii) on the basis of a reference rate appearing on the agreed screen page of a commercial quotation service; or
- (iii) on such other basis as may be agreed between the Issuer and the relevant Dealer(s).

The Margin (if any) relating to such floating rate will be agreed between the Issuer and the relevant Dealer(s) for each Series of Floating Rate Notes.

**Index Linked Notes:**

Payments of principal in respect of Index Linked Redemption Notes or of interest in respect of Index Linked Interest Notes will be calculated by reference to such index and/or formula or to changes in the prices of securities or commodities or to such other factors as may be specified in the applicable Final Terms.

**Other Provisions relating to Index Linked Interest Notes and Floating Rate Notes:**

Floating Rate Notes and Index Linked Interest Notes may also have a maximum interest rate, a minimum interest rate or both.

Interest on Floating Rate Notes and Index Linked Interest Notes in respect of each Interest Period, as selected prior to issue by the Issuer and the relevant Dealer(s), will be payable on such Interest Payment Dates as are specified in, or determined pursuant to, the applicable Final Terms and will be calculated on the basis of the Day Count Fraction specified therein.

**Dual Currency Notes:** Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Notes will be made in such currencies, and based on such rates of exchange, as the Issuer and the relevant Dealer(s) may agree (as indicated in the applicable Final Terms).

**Zero Coupon Notes:** Zero Coupon Notes will generally be issued at a discount to their principal amount and will not bear interest (other than in the case of late payment).

**Equity-Linked Notes:** Equity Linked Notes may be issued relating to an underlying equity security as specified in the applicable Final Terms.

**Physical Settlement of Notes:** Where so specified in the applicable Final Terms and subject to compliance with applicable law and regulations, Notes may be redeemed by settlement in the form of physical delivery of Charged Assets or other assets, as the case may be.

**Other Notes:** Terms applicable to any other type of Note which the Issuer and any Dealer may agree to issue under the Programme will be set out in the applicable Final Terms.

**Form of Notes:** The Notes may be issued as Bearer Notes or as Registered Notes.

Each Series of Bearer Notes will initially be represented by a Temporary Global Note or a Permanent Global Note, in either case in bearer form, without interest coupons, which may be deposited with a common depository on behalf of Euroclear and Clearstream, Luxembourg or such other clearing system(s) as may be set forth in the applicable Final Terms. Beneficial interests in a Temporary Global Note will be exchangeable either for interests in a Permanent Global Note or for Bearer Notes in definitive form. Permanent Global Notes will only be exchangeable for Bearer Notes in definitive form in the limited circumstances set out therein.

Each Series of Registered Notes which are sold in an "offshore transaction" to non-U.S. persons within the meaning of Regulation S will be represented by interests in an Unrestricted Global Note, without interest coupons, which will be registered in the name of the nominee for, and shall be deposited on its issue date with, a common depository on behalf of Euroclear and Clearstream, Luxembourg or such other clearing system(s) as may be set forth in the applicable Final Terms. Registered Notes of any Series in registered form will be available either (as indicated in the applicable Final Terms) (i) as Individual Certificates, issued only to Section 3(c)(7) Eligible Investors, as described under "*Subscription, Sale and Transfer Restrictions*" below, and will not be eligible for trading in DTC, Euroclear or Clearstream, Luxembourg or (ii) in the form of a Restricted Global Note, without interest coupons, beneficial interests in which may only be held by Section 3(c)(7) Eligible Investors, which will be deposited with a custodian for, and registered in the name of a nominee of, DTC on its issue date. Beneficial interests in an Unrestricted Global Note or a Restricted Global Note will be shown on, and transfers thereof will only be effected through, records maintained by DTC, Euroclear or

Clearstream, Luxembourg, as the case may be, and their respective participants, and in accordance with the rules and procedures of DTC, Euroclear and Clearstream, Luxembourg from time to time. See "*Book-Entry Clearance Procedures Relating to Unrestricted Global Notes and Restricted Global Notes*" below. Prior to the expiry of the applicable Distribution Compliance Period, beneficial interests in an Unrestricted Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person and may not be held otherwise than through Euroclear or Clearstream, Luxembourg.

Beneficial interests in a Restricted Global Note or interests in an Individual Certificate may only be offered, sold or transferred to a non-U.S. person (other than a Dealer (or one of its affiliates) that qualifies as a Section 3(c)(7) Eligible Investor) if such interest is exchanged for an interest in an Unrestricted Global Note and (i) in the case of an offer, sale or transfer of a beneficial interest in a Restricted Global Note the Registrar and the Issuer shall have received a duly executed Transfer Certificate and (ii) in the case of an offer, sale or transfer of an interest in an Individual Certificate, the Registrar and the Issuer shall have received a duly executed Transfer Certificate and a Regulation S certificate in the form set out in the Agency Agreement (the "**Regulation S Certificate**").

**Denominations:**

Notes will be issued in such denominations as may be specified in the applicable Final Terms (including denominations of less than €50,000 (or its equivalent in other currencies)) save that the minimum denomination of each Note will be such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency, see "*Legal and Regulatory Requirements*" above.

**Mandatory Early Redemption:**

Except as provided in the Terms and Conditions or in the applicable Final Terms, Notes will be redeemable prior to maturity only in limited circumstances upon the occurrence of certain events relating to the Issuer or relating to an acceleration of the Charged Assets (see Condition 7(b) (*Redemption in relation to the Charged Assets*)), or a default under any of the Charged Agreements (see Condition 7(d) (*Redemption upon termination of the Charged Agreements*)) or for tax reasons (see "*Taxation*" below and Condition 7(c) (*Redemption for taxation reasons*)).

**Optional and other Early Redemption:**

Where so specified in the applicable Final Terms, Notes may be redeemed at the option of the Issuer or the Noteholders prior to their stated maturity, on such dates and on such terms as are specified in Conditions 7(e) (*Redemption at the option of the Issuer (Issuer Call)*) and 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) respectively, and the applicable Final Terms. The amounts due to each Noteholder upon any early redemption of the Notes at the option of such Noteholder shall be subject to deduction for any costs and expenses which the Issuer may incur, including in connection with the delivery or sale of any Charged Assets, and shall in the circumstances set out in Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) take full account of any payment due to or from the Issuer in connection with the early termination (in whole or in part) of

any related Charged Agreement(s).

The Notes may also be redeemed early on such terms as are specified in Conditions 7(g) (*Regulatory Redemption or Compulsory Resales*) and 7(h) (*Early Redemption for Extraordinary Reason, Illegality and Force Majeure*) or as otherwise specified in the applicable Final Terms.

Such person as is specified in the applicable Final Terms (the "**Redemption Agent**", which expression shall include any other person designated as redemption agent in accordance with the terms of the Agency Agreement) shall be appointed for the purpose of effecting any realisation and/or distribution of the Charged Assets pursuant to an early redemption of the Notes.

Where so specified in the applicable Final Terms, Notes having a maturity of less than one year may be subject to restrictions on their denomination and distribution.

**Taxation:**

If the Issuer (A) is required to withhold or account for tax or (B) becomes subject to tax in respect of its income in respect of the Charged Assets or (unless the Swap Counterparty is, or the Swap Counterparties are, specified in the applicable Final Terms to be under an obligation to gross-up) payments made to it under a Charged Agreement or (C) would receive net of tax any payment in respect of the Charged Assets or (unless the Swap Counterparty is, or the Swap Counterparties are, specified in the applicable Final Terms to be under an obligation to gross-up) a Charged Agreement so that it becomes unable to make payment of the full amount due in respect of the Notes, Receipts and Coupons, the Issuer will be obliged to use its reasonable endeavours to arrange a substitution of the Issuer as obligor in order to avoid such withholding or accounting for tax (but subject to confirmation from each Rating Agency by which the relevant Notes are then rated as to there being no adverse change to the credit rating assigned to the relevant Notes by such Rating Agency). If the Issuer is not able to arrange such substitution, the Issuer shall notify the Noteholders that all future payments in respect of the Notes will be made subject to, and after deduction of, all taxes. Any such deduction shall not constitute an Event of Default under the Notes. Following such notification, Noteholders may require the Issuer to redeem Notes by Cash Settlement at their Early Redemption Amount, subject to deduction of certain costs and expenses, all as further described in Condition 7(c) (*Redemption for taxation reasons*).

**Cross Default:**

None.

**Negative Pledge:**

None.

**Listing:**

Application has been made to the CSSF for the approval of this Base Prospectus so that Notes issued under the Programme may be admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Luxembourg Stock Exchange.

Notes may be listed or admitted to trading, as the case may be, on other or further stock exchanges or markets agreed between the Issuer and the

relevant Dealer(s) in relation to any Series. Notes which are neither listed nor admitted to trading on any market may also be issued.

The applicable Final Terms will state whether or not the relevant Notes are to be listed and/or admitted to trading and, if so, on which stock exchange(s) and/or markets.

**Rating:**

The Programme is not rated, but it is expected that certain Notes issued by the Issuer may be rated by Moody's and/or any other recognised debt rating agencies, as specified in the applicable Final Terms. The ratings (if any) will vary depending upon, *inter alia*, the rating of the obligor(s) of the relevant Charged Assets, the Swap Counterparty or Swap Counterparties (if any) and the relevant Charged Agreement(s) (if any). Each Swap Counterparty is expected to be one or more of SFL, CFPI, CGML or Citibank, N.A. If the Swap Counterparty is SFL, CFPI or CGML the obligations of the Swap Counterparty will be guaranteed by Citigroup Inc. As of the date hereof, Citibank N.A. is rated Aa1/AA by Moody's and Standard & Poor's Ratings Services, a Division of the McGraw-Hill Companies, Inc. ("**S&P**"), respectively, and Citigroup Inc. is rated Aa1/AA- by Moody's and S&P, respectively. If the ratings of any of these entities change, then the ratings of a Series of Notes secured by a Swap Agreement with the relevant entity or, as the case may be, guaranteed by the relevant entity may change accordingly.

A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency. A suspension, change or withdrawal of the rating assigned to the Notes may adversely affect the market price of the Notes. Series of Notes issued by the Issuer under the Programme may involve a rated Class or Classes of Notes.

It is expected that each Rating Agency, if asked to rate any Class or Classes of Notes within a Series issued by the Issuer under the Programme, may make it a condition of rating such Class or Classes of Notes that it has rated at least one Class of Notes of each other Series issued by the Issuer or has otherwise reviewed all other Series of Notes issued by the Issuer under the Programme.

**Status of Notes:**

Notes of each Series will be secured, limited recourse obligations of the Issuer ranking *pari passu* and without preference among themselves.

Prior to enforcement of the security for the Notes, the proceeds of the Charged Assets and any other security forming part of the Mortgaged Property (as defined below) will be applied in accordance with the order of priorities set out in the applicable Final Terms. In the event of the security for the Notes being enforced, the Realisation Amount (as defined below) will be applied in accordance with the provisions of Condition 3(e) (*Application of proceeds*) and the Security Ranking Basis (as applicable) specified in the applicable Final Terms. Where the Notes are of a Series which comprises more than one Class of Notes, Notes of any such Class may have a different ranking in point of priority to Notes of the other Class or Classes within such Series, as specified in the applicable Final Terms.

- Security Ranking Basis:** Unless otherwise indicated in the applicable Final Terms, where a Series of one Class only is issued, the proceeds of realisation of the security will be applied (following payment of all amounts due to the Trustee in accordance with the Trust Deed):
- (a) in the case of the security granted over the Charged Assets and any relevant Credit Support Document(s) where there is no Swap Agreement, *pro rata* and on a *pari passu* basis in meeting the claims of the Noteholders, the Receiptholders and the Couponholders under the Notes, the Receipts and the Coupons of that Series;
  - (b) in the case of the security granted over the Charged Assets and any relevant Credit Support Document(s) where there is a Swap Agreement, in accordance with the Security Ranking Basis specified in the applicable Final Terms; and
  - (c) in the case of the security granted over the Mortgaged Property (as defined in the Trust Deed) other than the Charged Assets and any relevant Credit Support Document(s), *pro rata* and on a *pari passu* basis in meeting the aforesaid claims of the Noteholders, the Receiptholders and the Couponholders under the Notes, the Receipts and the Coupons of that Series.

Where the Mortgaged Property is for the benefit of the respective holders of more than one Class within a Series, the security shall rank as described in the applicable Final Terms.

**Governing Law:** The Notes will be governed by, and construed in accordance with, English law.

**Selling Restrictions:** There are selling restrictions in relation to the United States, the European Economic Area (including the United Kingdom) and the Cayman Islands and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes. (See "*Subscription, Sale and Transfer Restrictions*" below.)

**Employee Benefit Plan Considerations:** Unless otherwise specified in the applicable Final Terms, the Notes may not be purchased or held by or on behalf of any benefit plan investor or any investor using the assets of a benefit plan investor. Except as otherwise specified in the applicable Final Terms, sales and transfers of Notes to benefit plan investors or for or on behalf of benefit plan investors or any investor using the assets of a benefit plan investor will be void *ab initio* and will not be honoured by the Issuer. If, at any time, a Note is held by or on behalf of a benefit plan investor or any investor using the assets of a benefit plan investor, the Issuer shall have the right at any time, at the expense and risk of the holder of the Note held in violation of the applicable transfer restrictions, (a) to redeem such Note, in whole or in part, or (b) to require such holder to sell such Note to a Section 3(c)(7) Eligible Investor, who is not a benefit plan investor. For the purposes hereof, "**benefit plan investor**" means (i) an employee benefit plan (as defined in Section 3(3) of ERISA), whether or not subject to ERISA, and specifically including pension plans maintained outside of the U.S., (ii) a plan described in Section 4975(e)(1) of the

Internal Revenue Code, or (iii) any entity whose underlying assets include plan assets by reason of a plan's investment in the entity under U.S. Department of Labor Regulations § 2510.3-101 (29 C.F.R. § 2510.3-101).

**Investment Company Act Limitation:**

The Issuer is relying on an exemption from registration under the Investment Company Act and accordingly no sale or transfer of Notes may be made to a U.S. person who is not a Section 3(c)(7) Eligible Investor. Offers to purchase and subsequent transfers of Registered Notes evidenced by Individual Certificates or a Restricted Global Note will be subject to the foregoing restriction, and an investor's ability to resell Registered Notes evidenced by Individual Certificates or a Restricted Global Note may therefore be limited. In the case of those Notes represented by Individual Certificates, the Registrar will not register the transfer of such Notes to any U.S. person (other than a Dealer or one of its affiliates that qualifies as a Section 3(c)(7) Eligible Investor) unless the person in whose name the Notes are registered delivers a Transfer Certificate and the proposed transferee delivers an Investment Letter to the Issuer and to the Registrar. Sales and transfers of Notes that would cause the Issuer to be required to register as an "investment company" under the Investment Company Act will be void *ab initio* and will not be honoured by the Issuer. Transfers of interests in a Restricted Global Note must also be made in accordance with an exemption from registration under the Investment Company Act and any such transfer will be deemed to have been made in accordance with the restrictions set out in the legend attached to each such Restricted Global Note. If, at any time, Notes are held by or on behalf of a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes, the Issuer shall have the right at any time, at the expense and risk of such holder, (a) to redeem such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (b) to require such holder to sell such Notes to a Section 3(c)(7) Eligible Investor or to a non-U.S. person outside the United States.

**Final Terms:**

For each Tranche, the Final Terms will be prepared (and, in the case of a Tranche of Notes which is to be listed or admitted to trading, as the case may be, on a stock exchange or market, will also be published) giving full details of the Charged Assets, the Charged Agreement(s) (if any), the Credit Support Document(s) (if any) and the terms of the Notes and all other information which is necessary to make a proper risk evaluation of an investment in the Notes.

**Permitted Indebtedness:**

In accordance with the terms of Condition 4 (*Restrictions*), the Issuer may from time to time incur secured limited recourse indebtedness in a form other than Notes. Permitted Indebtedness may take the form of limited recourse asset-backed debt instruments in any form or governed by any laws other than the laws of England or limited recourse asset-backed debt incurred under loan or facility agreements, including agreements governed by any law, or such other form as may be determined by the Issuer and the relevant arranger in respect of such Permitted Indebtedness and will be secured in a manner similar to that described under Condition 3 (*Security*) of the Notes, *mutatis mutandis*, or in such other manner as may be determined by the Issuer and the

relevant arranger in respect of such Permitted Indebtedness provided that if such indebtedness is unrated by Moody's and is to be entered into or incurred by the Issuer, the Issuer may not enter into or incur such indebtedness until Moody's has confirmed in writing that all Outstanding Notes of the Issuer which are rated by Moody's will not be adversely affected by such indebtedness.

## FORM OF THE NOTES

The Notes of each Series will be issued in either bearer form, with or without receipts relating to payment of principal ("**Receipts**") and/or interest coupons ("**Coupons**") attached, or registered form, without Receipts or Coupons attached.

### **Bearer Notes**

Any Tranche or Class of Bearer Notes will be initially issued in the form of either a temporary bearer global note without Receipts, Coupons or talons (a "**Temporary Global Note**") or a permanent bearer global note without Receipts, Coupons or talons (a "**Permanent Global Note**") as indicated in the applicable Final Terms, which, in either case, will be delivered on or prior to the original date of issue of the Tranche to a common depository (the "**Common Depository**") for Euroclear Bank S.A./N.V. as operator of the Euroclear System ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"). Upon issue of the Tranche or Class, Euroclear or Clearstream, Luxembourg, as the case may be, will credit each purchaser's account with a principal amount of Bearer Notes equal to the principal amount thereof for which the purchaser has subscribed and paid. Whilst any Bearer Note is represented by a Temporary Global Note, payments of principal, premium (if any), interest (if any) and any other amount payable in respect of the Bearer Notes due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Temporary Global Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the "**Exchange Date**") which is the later of (a) 40 days after the Temporary Global Note has been issued and (b) 40 days after the completion of the distribution of the relevant Tranche (as determined and certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant lead manager (in the case of a syndicated issue)) (the "**Distribution Compliance Period**"), interests in such Temporary Global Note will be exchangeable in whole or in part (free of charge) upon a request as described therein either for (i) interests in a Permanent Global Note of the same Series or (ii) for definitive Bearer Notes of the same Series with, where applicable, Receipts, Coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Bearer Notes, to such notice period as is specified in the applicable Final Terms) in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless upon due certification exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Bearer Notes is improperly withheld or refused.

Payments of principal, premium (if any), interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg against presentation or surrender (as the case may be) of the Permanent Global Note without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, Receipts, Coupons and talons attached upon the occurrence of certain limited circumstances as set out in the relevant Permanent Global Note.

The following legend will appear on all Bearer Notes which have an original maturity of more than 365 days and on all Receipts and Coupons relating to such Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.

NO U.S. PERSON (AS DEFINED IN REGULATION S OF THE UNITED STATES SECURITIES ACT OF 1933) MAY BENEFICIALLY OWN ANY PORTION OF THIS OBLIGATION AND, AS PROVIDED HEREIN, NO SUCH PERSON SHALL BE ENTITLED TO PAYMENT OF PRINCIPAL OR INTEREST ON OR IN RESPECT OF THIS OBLIGATION."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, Receipts or Coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, Receipts or Coupons.

#### **Registered Notes**

Registered Notes offered and sold to non-U.S. persons outside the United States in reliance on Regulation S will be represented by a global note in registered form (an "**Unrestricted Global Note**"), without Receipts, Coupons or talons, which will be registered in the name of a nominee of, and shall be deposited with a custodian on its issue date with a common depository for the accounts of, Euroclear and Clearstream, Luxembourg. Prior to expiry of the Distribution Compliance Period applicable to each Tranche of Notes, beneficial interests in an Unrestricted Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in the Terms and Conditions and may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Unrestricted Global Note will bear a legend regarding such restrictions on transfer. In certain limited circumstances set out below, an Unrestricted Global Note may be exchanged for Registered Notes in definitive form.

Following the expiry of the Distribution Compliance Period, beneficial interests in an Unrestricted Global Note may only be offered or sold to, or for the account or benefit of, a U.S. person if such interest is exchanged for either an interest in a Restricted Global Note or an Individual Certificate (as set out in the applicable Final Terms) in either case in accordance with the transfer restrictions set out herein and included in the legend for such Restricted Global Note or Individual Certificate.

Registered Notes to be offered and sold in the United States or to or for the account or benefit of U.S. persons may only be offered or sold in private transactions exempt from the registration requirements of the Securities Act to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act ("**QIBs**") which qualify as Section 3(c)(7) Eligible Investors at the time they purchase such Notes.

Registered Notes offered or sold in the United States or to or for the account or benefit of U.S. persons may be either (a) in definitive form ("**Individual Certificates**"), registered in the name of the holder thereof or (b) represented by a permanent global note in registered form (a "**Restricted Global Note**"), without Receipts, Coupons or talons, which will be deposited with a custodian for, and registered in the name of a nominee of, DTC on its issue date. Beneficial interests in a Restricted Global Note will be shown on, and transfers thereof will only be effected through, records maintained by DTC or its participants, and in accordance with the rules and procedures of DTC from time to time.

Unless otherwise set forth in the applicable Final Terms, Registered Notes will be issued only in minimum denominations of U.S.\$100,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency). Individual Certificates and Restricted Global Notes will

be subject to the restrictions on transfer set forth therein and will bear the restrictive legend described under "*Subscription, Sale and Transfer Restrictions*" below.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant record date (as specified in Condition 6(d) (*Payments in respect of Registered Notes*)) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in an Unrestricted Global Note or a Restricted Global Note will be exchangeable (free of charge), in whole but not in part, for Registered Notes in definitive form without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (a) an Event of Default has occurred and is continuing, (b) the Issuer has been notified by the Trustee or any Agent that both Euroclear and Clearstream, Luxembourg or DTC, as the case may be, have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no alternative clearing system acceptable to the Trustee is available, (c) the Issuer has or will become obliged to pay additional amounts as provided for or referred to in Condition 7(c) (*Redemption for taxation reasons*) which would not be required were the Notes in definitive form and a certificate to such effect is given by the Issuer to the Trustee or (d) the Issuer would suffer a disadvantage as a result of a change in laws or regulations (taxation or otherwise) or as a result of a change in the practice of Euroclear, Clearstream, Luxembourg or DTC, as the case may be, which would not be suffered were the Notes in definitive form and a certificate to such effect is given by the Issuer to the Trustee. The Issuer will promptly give notice to Noteholders in accordance with Condition 16 (*Notices*) if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg, or DTC, as the case may be, (acting on the instructions of any holder of an interest in such Unrestricted Global Note or Restricted Global Note) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (d) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar.

## **General**

Notes which are represented by a Temporary Global Note, a Permanent Global Note, an Unrestricted Global Note or a Restricted Global Note will be transferable in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg or DTC, as the case may be.

The expressions "**Noteholder**" and "**holder of Notes**" and related expressions shall be construed accordingly.

Any reference herein to Euroclear, Clearstream, Luxembourg and/or DTC shall, whether the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

(ii) *Bearer Global Notes*

The Notes will (as specified in the applicable Final Terms) either (A) initially be represented by a temporary global note (a "**Temporary Global Note**"), or (B) be represented by a permanent global note (a "**Permanent Global Note**"), in each case which will be deposited on the Issue Date with a common depositary on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"). Beneficial interests in a Temporary Global Note will be exchangeable (as specified in the applicable Final Terms) in whole or in part (free of charge) upon a request as described therein for either beneficial interests in a Permanent Global Note or definitive Bearer Notes, in each case on or after the date (the "**Exchange Date**") which is the later of (I) 40 days after the date on which the Temporary Global Note is issued and (II) expiry of the applicable Distribution Compliance Period (as defined in Regulation S under the Securities Act ("**Regulation S**")) and, if specified in the applicable Final Terms, upon certification as to

Unless otherwise specified in the applicable Final Terms, each purchaser or holder of a Note initially represented by the Temporary Global Note or represented by the Permanent Global Note shall be deemed to have represented by such purchase and/or holding that it is not a benefit plan investor, is not using the assets of a benefit plan investor to acquire the Note, and shall not at any time hold such Note for or on behalf of a benefit plan investor. For the purposes hereof, "**benefit plan investor**" means (A) an employee benefit plan (as defined in Section 3(3) of the U.S. Employee Retirement Income Security Act of 1974, as amended, ("**ERISA**")), whether or not subject to ERISA, and specifically including pension plans maintained outside of the U.S., (B) a plan described in Section 4975(e)(1) of the U.S. Internal Revenue Code of 1986, as amended, (the "**Internal Revenue Code**"), or (C) any entity whose underlying assets include plan assets by reason of a plan's investment in the entity under U.S. Department of Labor Regulations § 2510.3-101 (29 C.F.R. § 2510.3-101).

(iii) *Global Notes*

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear, Clearstream, Luxembourg and/or DTC, each person (other than Euroclear, Clearstream, Luxembourg or DTC) who is for the time being shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the holder of a particular principal amount of such Notes (in which regard any certificate or document issued by Euroclear, Clearstream, Luxembourg or DTC as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Swap Counterparty (if any), the Trustee and the Agents as the holder of such principal amount of such Notes for all purposes other than with respect to the payment of principal or interest (if any) on such principal amount of such Notes, for which purpose the bearer or the common depository or, as the case may be, DTC or its nominee in respect of the relevant Registered Note shall be treated by the Issuer, the Trustee and any Agent as the holder of such principal amount of such Notes in accordance with and subject to the terms of the Global Note; and the expressions "**Noteholder**" and "**holder of Notes**" and related expressions shall be construed accordingly. Notes which are represented by a Global Note will be transferred

only in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg or DTC as the case may be. References to Euroclear, Clearstream, Luxembourg or DTC shall, wherever the context so permits, be deemed to include a reference to any additional or alternative clearing system.

(iv) *Registered Notes*

Unless otherwise provided in the applicable Final Terms, Registered Notes sold outside the United States in reliance on Regulation S will be represented by an Unrestricted Global Note registered in the name of a nominee for, and deposited with the Common Depository on behalf of, Euroclear and Clearstream, Luxembourg. Prior to expiry of the applicable Distribution Compliance Period required by Regulation S, beneficial interests in an Unrestricted Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person (as such term is defined in Regulation S) and may not be held otherwise than through Euroclear and Clearstream, Luxembourg.

Following the expiry of the applicable Distribution Compliance Period, a beneficial interest in an Unrestricted Global Note may only be offered or sold to, or for the account or benefit of, a U.S. person if such person is a Section 3(c)(7) Eligible Investor at the time it purchases such Notes and if such interest is exchanged for either (A) an interest in a Restricted Global Note or (B) an Individual Certificate (as set out in the applicable Final Terms) in accordance with the transfer restrictions set out herein and included in the legend of such Restricted Global Note or Individual Certificate (as applicable).

As specified in the applicable Final Terms, Registered Notes offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons will be evidenced by (A) Individual Certificates or (B) a Restricted Global Note, without interest coupons, which will be deposited with a custodian for, and registered in the name of a nominee of, DTC on the Issue Date and will be offered, sold or delivered only to Section 3(c)(7) Eligible Investors in private transactions exempt from the registration requirements of the Securities Act. Beneficial interests in an Unrestricted Global Note or a Restricted Global Note will be shown on, and transfers thereof will only be effected through, records maintained by DTC, Euroclear or Clearstream, Luxembourg as the case may be, and their respective participants, and in accordance with the rules and procedures of DTC, Euroclear and Clearstream, Luxembourg from time to time. Resales of the Notes within the United States or to, or for the benefit or account of U.S. persons may only be made to Section 3(c)(7) Eligible Investors in transactions pursuant to, and meeting the requirements of, Rule 144A and the exemption specified in Section 3(c)(7) of the Investment Company Act of 1940, as amended (the "**Investment Company Act**").

"**Section 3(c)(7) Eligible Investors**" are persons who are QIBs, but excluding therefrom: (A) QIBs which are broker-dealers which own and invest on a discretionary basis less than U.S.\$25,000,000 in securities of issuers not affiliated to such QIB, (B) partnerships, common trust funds, special trusts, pension funds, retirement plans or other entities in which the partners, beneficiaries or participants, as the case may be, may designate the particular investments to be made or the allocation thereof, (C) entities that were formed, re-formed or recapitalised for the specific purpose of investing in the Notes, (D) any investment company excepted from the Investment Company Act under Section 3(c)(1) or 3(c)(7) thereof and formed before 30th April, 1996, which has not received consent from its beneficial owners with respect to the treatment of such entity as a "qualified purchaser" (as defined in Section 2(a)(51) of the Investment Company Act and the rules and regulations thereunder) in the manner required by Section 2(a)(51)(C) of the Investment Company Act and the rules and regulations thereunder, and (E) any entity that

will have invested more than 40 per cent. of its assets in securities of the Issuer subsequent to any purchase of Notes of the Issuer.

Any transfer of Individual Certificates or of an interest in a Restricted Global Note or an Unrestricted Global Note may only be made in accordance with the legend appearing on the face of such Individual Certificate, Restricted Global Note or Unrestricted Global Note (as applicable). Registered Notes evidenced by Individual Certificates may not be offered, sold or transferred and the Registrar shall not register any proposed sale or transfer of such Notes to any U.S. person (except in the case of any purchase of Notes by the Dealer or one of its affiliates that qualifies as a Section 3(c)(7) Eligible Investor) unless the Registrar and the Issuer shall have received (i) a certificate of transfer in the form set out in Schedule 3 Part II of the Agency Agreement (a "**Transfer Certificate**") duly executed by the transferor and (ii) an investment letter in the form set out in Schedule 4 Part II of the Agency Agreement (a "**Investment Letter**") duly executed by the proposed transferee. In addition, unless otherwise specified in the applicable Final Terms, each purchaser or holder of a Note represented by an Individual Certificate, the Restricted Global Note or the Unrestricted Global Note shall be deemed to have represented by such purchase and/or holding that it is not a benefit plan investor, is not using the assets of a benefit plan investor to acquire the Note, and shall not at any time hold such Note for or on behalf of a benefit plan investor. For the purposes hereof, "**benefit plan investor**" means (a) an employee benefit plan (as defined in Section 3(3) of ERISA), whether or not subject to ERISA, and specifically including pension plans maintained outside of the U.S., (b) a plan described in Section 4975(e)(1) of the Internal Revenue Code, or (c) any entity whose underlying assets include plan assets by reason of a plan's investment in the entity under U.S. Department of Labor Regulations § 2510.3-101 (29 C.F.R. § 2510.3-101). Individual Certificates will not be eligible for deposit or clearance through DTC. No Notes represented by an Unrestricted Global Note may at any time be owned beneficially by a U.S. person and holders of any such Notes will be subject to such additional certification requirements as to non-U.S. beneficial ownership as may be set forth in the applicable Final Terms, as well as requiring any transferor thereof to deliver to the Issuer such evidence as the Issuer may require (which may include an opinion of U.S. counsel) that any transfer or sale is in compliance with applicable U.S. securities and other laws and consistent with the foregoing.

Beneficial interests in a Restricted Global Note or interests in an Individual Certificate may only be offered, sold or transferred to a non-U.S. person if such interest is exchanged for an interest in an Unrestricted Global Note and, except for any transfer to a Dealer, or one of its affiliates, that qualifies as a Section 3(c)(7) Eligible Investor, (i) in the case of an offer, sale or transfer of a beneficial interest in a Restricted Global Note, the Registrar and the Issuer shall have received a duly executed Transfer Certificate and (ii) in the case of an offer, sale or transfer of an interest in an Individual Certificate, the Registrar and the Issuer shall have received a duly executed Transfer Certificate and a Regulation S Certificate in the form set out in the Agency Agreement.

In addition to the transfer restrictions set out herein, no beneficial owner of an interest in an Unrestricted Global Note or a Restricted Global Note will be able to exchange or transfer that interest (whether for Notes in definitive form or otherwise), except in accordance with the applicable procedures of Euroclear, Clearstream, Luxembourg or DTC, as the case may be. In addition, the Unrestricted Global Notes, the Restricted Global Notes and the Individual Certificates will be subject to certain restrictions on transfer set out in a legend or legends thereon.

**Any such transfer will be effected without charge subject to (A) the costs or expenses of delivery otherwise than by ordinary uninsured mail as described above,**

**(B) the person making such application for transfer paying or procuring the payment of any stamp duty, tax or other governmental charge that may be imposed in relation to the registration of transfer, (C) the Registrar or, as the case may be, the Transfer Agent being satisfied with the documents of title and the identity of the person making the application or request and (D) such reasonable regulations as the Issuer may from time to time agree with the Trustee, the Principal Paying Agent, the Registrar and the Transfer Agent (including, where appropriate, accompanying evidence of compliance with all applicable laws).**

The Issuer shall not be required to register the transfer of any Registered Note (or part of any Registered Note) called for redemption and, accordingly, may validly pay any redemption moneys to the holder of such Registered Note at the date such Registered Note was called for redemption as if the purported transfer had not taken place.

The Issuer reserves the right, subject to the prior written approval of the Trustee, at any time to vary or terminate the appointment of the Registrar or the Transfer Agent and to appoint another Registrar or Transfer Agent provided that it will at all times maintain a Registrar and a Transfer Agent approved by the Trustee each having a Specified Office in a place approved by the Trustee and, so long as any Registered Notes are listed on the Luxembourg Stock Exchange, a Transfer Agent in Luxembourg. Notice of any termination or appointment and of any changes in Specified Office will be given to the Noteholders promptly by the Issuer in accordance with Condition 16 (*Notices*).

There are contractual restrictions applicable to transfers of Registered Notes which are set out in the legend included on such Notes and in the Trust Deed. Holders of Registered Notes will be deemed to have notice of all such contractual restrictions and are required by the Issuer to comply with them. To the extent that any such contractual restriction becomes inconsistent with any applicable law (whether because of a change in law or for any other reason), such contractual restriction shall no longer apply. This is without prejudice to the obligations of the Noteholder to comply with the requirements of all applicable laws in making any transfer of the Registered Notes held by such Noteholder.

*Conditions 1(c) (Registration), 1(d) (Exchange of Bearer Notes and Registered Notes) and 1(e) (Exchange and Transfer of Registered Notes) apply to Notes in registered form. See the applicable Final Terms as to whether they are applicable.*

(c) *Registration*

The Issuer will cause to be kept at the Specified Office of the Registrar outside the United Kingdom for the time being a register (the "**Register**") on which shall be entered the names and addresses of the holders from time to time of the Registered Notes, together with the particulars of the Registered Notes held by them respectively and of all transfers of Registered Notes. The Issuer will procure that, as soon as practicable after the Issue Date, the Register is duly made up in respect of the subscribers of the Registered Notes and certificates evidencing the Registered Notes will be despatched. The Issuer has initially appointed the person named as Registrar in the applicable Final Terms acting through its Specified Office set out in the applicable Final Terms. The Issuer may also appoint one or more Transfer Agents for the purpose of facilitating exchanges of Notes, in which case references in these Terms and Conditions to the Registrar shall include, where the context so permits, references to such Transfer Agent(s). The Issuer reserves the right, with the approval of the Trustee, at any time to vary or terminate the appointment of the Registrar and/or any Transfer Agent and to appoint another Registrar or, as the case may be, another or further Transfer Agent. Any variation or termination of appointment shall only take effect (other than in the case of insolvency of the Registrar or a Transfer Agent, as the case may be, when it

shall be of immediate effect) after not more than 60 nor less than 45 days' notice thereof shall have been given to the Noteholders in accordance with Condition 16 (*Notices*) and any change in the Specified Office of the Registrar or a Transfer Agent shall be promptly so notified.

(d) *Exchange of Bearer Notes and Registered Notes*

Registered Notes may not be exchanged for Bearer Notes and Bearer Notes may not be exchanged for Registered Notes.

(e) *Exchange and Transfer of Registered Notes*

(i) Interests in an Unrestricted Global Note or a Restricted Global Note will be exchangeable (free of charge), in whole but not in part, for Registered Notes in definitive form without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (A) an Event of Default has occurred and is continuing, (B) the Issuer has been notified by the Trustee or any Agent that both Euroclear and Clearstream, Luxembourg or DTC, as the case may be, have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no alternative clearing system acceptable to the Trustee is available, (C) the Issuer has or will become obliged to pay additional amounts as provided for or referred to in Condition 7(c) (*Redemption for taxation reasons*) which would not be required were the Notes in definitive form and a certificate to such effect is given by the Issuer to the Trustee or (D) the Issuer would suffer a disadvantage as a result of a change in laws or regulations (taxation or otherwise) or as a result of a change in the practice of Euroclear, Clearstream, Luxembourg or DTC, as the case may be, which would not be suffered were the Notes in definitive form and a certificate to such effect is given by the Issuer to the Trustee. The Issuer will promptly give notice to Noteholders in accordance with Condition 16 (*Notices*) if an Exchange Event occurs.

(ii) Registered Notes in definitive form may, subject to Condition 1(b)(iv) (*Registered Notes*) and to the provisions of the Trust Deed and of the Agency Agreement, be transferred by the registered holder free of and without regard to any set-off, counterclaim or equities between the Issuer and the first or any subsequent registered holder of such Notes, in whole or in part (being the denomination of the Notes given in the applicable Final Terms, an integral multiple thereof or such other multiples as may be specified in the applicable Final Terms), by delivery of the relevant certificate or certificates evidencing ownership of the Note(s) to the Registrar at its Specified Office together with the form of transfer in writing endorsed thereon duly completed and signed and upon compliance with such reasonable requirements as the Issuer and the Registrar may prescribe (including an opinion of U.S. counsel that any such transfer is in compliance with any applicable securities or other laws of the United States) without charge but upon payment of any taxes, duties and other governmental charges in respect of such transfer. No transfer of a Registered Note shall be recognised by the Issuer unless entered on the Register. A Registered Note may be registered only in the name of, and transferred only to, a named person (or persons, not exceeding four in number) and the Registrar will not accept transfers of Registered Notes to "bearer". The Registrar will within 14 days of any duly made request to register the transfer of a Registered Note enter the transferee in the Register and procure the authentication and delivery by the Principal Paying Agent on the Registrar's behalf or itself deliver, a Registered Note certificate to the transferee (and, in the case of transfer of part only of a Registered Note, a Registered Note certificate for the untransferred balance to the transferor) at the Specified Office of the Registrar, or (at the risk and, if mailed at the request of the transferee or, as appropriate, transferor otherwise

than by ordinary uninsured mail, expense of the transferee or, as appropriate, transferor) mail the Registered Note certificate to such address, subject to the restrictions (if any) specified in the applicable Final Terms, as the transferee (or, as appropriate, the transferor) may request or, alternatively, in the case of transfers effected through the stock exchange (if any) or market (if any) on which the Issuer has agreed to maintain a listing or admission to trading of the Notes, will deliver the Registered Note certificate in accordance with the normal procedures and systems of such exchange or market. In the case of the transfer of only part of a Registered Note, a new Registered Note in respect of the balance of the Registered Note not transferred will be delivered (as described above) to, and at the risk of, the transferor.

- (iii) In the event of a partial redemption of Notes under Condition 7 (*Redemption*), neither the Issuer nor the Registrar will be required to register the transfer of Registered Notes (or parts of Registered Notes) or to effect exchanges of interests in Unrestricted Global Notes or Restricted Global Notes for definitive Registered Notes during the period beginning on the sixty-fifth day before the date of the partial redemption and ending on the day on which notice is given specifying the serial numbers of Notes called (in whole or in part) for redemption (both inclusive).
- (iv) Where the Issuer is relying on the exemption provided by Section 3(c)(7) of the Investment Company Act, offers, sales or transfers of Registered Notes (to, or for the account or benefit of, a U.S. person) may only be made in accordance with Section 3(c)(7) and with this Condition 1(e)(iv) (*Exchange and Transfer of Registered Notes*). At no time may any Notes issued by the Issuer be owned beneficially by a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes. In order to ensure compliance with this limitation, the registration of such Notes may be refused if as a result of such issuance or transfer, the Notes will be owned by a U.S. person that is not a Section 3(c)(7) Eligible Investor. Any transfer or other disposition of such Notes that would, in the sole determination of the Issuer, require the Issuer to register as an "investment company" under the provisions of the Investment Company Act will be void *ab initio* and such transfer or other disposition will not be honoured by the Registrar or the Trustee.

The Issuer shall have the right at any time, at the expense and risk of the holder of the Notes held by or on behalf of a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes, (A) to redeem any such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (B) to require any such holder to sell such Notes to a Section 3(c)(7) Eligible Investor. Accordingly, any transferee or other holder in such a transaction will not be entitled to any rights as a registered holder of such Notes. Transfers of any Notes issued by the Issuer evidenced by an Individual Certificate in the United States or to, or for the account or benefit of, a U.S. person shall be subject to the submission to the Registrar of a duly completed and signed Transfer Certificate and Investment Letter, in the form set out in the Agency Agreement.

- (v) Unless otherwise specified in the applicable Final Terms, each purchaser or holder of a Registered Note shall be deemed to have represented by such purchase and/or holding that it is not a benefit plan investor, is not using the assets of a benefit plan investor to acquire the Note, and shall not at any time hold such Note for or on behalf of a benefit plan investor. For the purposes hereof, "**benefit plan investor**" means (A) an employee benefit plan (as defined in Section 3(3) of ERISA), whether or not subject to ERISA, and specifically including pension plans maintained outside of the U.S., (B) a plan described in Section 4975(e)(1) of the Internal Revenue Code, or (C) any entity whose underlying

assets include plan assets by reason of a plan's investment in the entity under U.S. Department of Labor Regulations § 2510.3-101 (29 C.F.R. § 2510.3-101).

- (vi) References in this Condition 1(e) (*Exchange and Transfer of Registered Notes*) to "**Registered Notes in definitive form**" shall (unless the content requires otherwise) include references to Registered Notes represented by Individual Certificates.

## 2. STATUS OF THE NOTES

The Notes of each Class and any related Receipts and Coupons are secured, limited recourse obligations of the Issuer, secured in the manner described in Condition 3 (*Security*) and recourse in respect of which is limited in the manner described in Condition 12 (*Enforcement*), and rank and will rank, unless otherwise specified in the applicable Final Terms, *pari passu* without any preference among themselves.

Prior to enforcement of the security for the Notes, the proceeds of the Charged Assets (if any) and any other security forming part of the Mortgaged Property (as defined in Condition 3(a) (*Security*)) will be applied in accordance with the order of priorities set out in the applicable Final Terms. In the event of the security for the Notes being enforced, the Realisation Amount (as defined in Condition 3(e)(iii) (*Definition relating to the application of proceeds*)) will be applied in accordance with the provisions of Condition 3(e) (*Application of proceeds*) and the Security Ranking Basis (if applicable) specified in the applicable Final Terms. Where the Notes are of a Series which comprises more than one Class of Notes, Notes of any such Class may have a different ranking in point of priority to Notes of the other Class or Classes within such Series, as specified in the applicable Final Terms.

## 3. SECURITY

### (a) *Security*

The obligations of the Issuer under the Notes, the Receipts and the Coupons and/or under the Swap Agreement(s) (if any) are secured:

- (i) if so specified in the applicable Final Terms, under the Trust Deed by the following security interests governed by English law:
  - (aa) security interests over certain bonds, notes, securities, commodities, loans, schuldscheine, equity interests (including shares and participating income notes) or other assets, or contractual or other rights (including, without limitation, with respect to sub-participation or swap, option, exchange and hedging arrangements (but, for the avoidance of doubt, excluding the Charged Agreement(s)) specified to be Charged Assets in the applicable Final Terms, including all sums and/or assets received or receivable (if any) under any such assets or rights, and all benefits, interests, rights and title in respect thereof or relating thereto whether or not against third parties (together, the "**Charged Assets**"), such security interests to take the form of a first fixed charge over (unless otherwise specified in the applicable Final Terms) any account (each a "**Charged Account**") in or by which any and all present and future Charged Assets are deposited, or represented from time to time, together with the debts and/or other interests represented thereby, all related interests and all proceeds of such Charged Assets; and
  - (bb) an assignment by way of first fixed security of all the Issuer's rights, title and interest in, to and under the Credit Support Document(s) (if any); and/or

- (ii) if so specified in the applicable Final Terms, under the Pledge Agreement by security interests governed by Luxembourg law over the Charged Assets and the rights of the Issuer in respect of the Charged Account; and/or
- (iii) if so specified in the applicable Final Terms, under the Charging Document(s) by security interests governed by the law specified in the applicable Final Terms over:
  - (aa) the Charged Assets; and/or
  - (bb) the Credit Support Document(s).

Unless and to the extent otherwise specified in the applicable Final Terms, the obligations of the Issuer under the Notes, the Receipts and the Coupons are further secured by, *inter alia*:

- (A) an assignment by way of first fixed security of all of the Issuer's rights, title and interest in, to and under the Agency Agreement and the Custodial Services Agreement in respect of the Notes (including, without limitation, the rights of the Issuer in respect of all funds and/or assets held from time to time by the Principal Paying Agent, the other Paying Agents, the Registrar, the Custodian and/or the Redemption Agent for payment of principal, premium (if any) or interest (if any) in respect of the Notes or otherwise in relation to the Notes) and the Account Bank Agreement (in so far as it relates to the Notes);
- (B) an assignment by way of first fixed security of all of the Issuer's rights, title and interest in, to and under the Charged Agreement(s) (if any) in respect of the Notes and/or any sale agreement relating to the Charged Assets in respect of the Notes;
- (C) an assignment by way of first fixed security of all of the Issuer's rights, title and interest, present and future, in, to and under any and all of its bank accounts in respect of the Notes (including, without limitation, the Payment Account (as defined in the Account Bank Agreement) established pursuant to the Account Bank Agreement in respect of the Notes) and all amounts standing to the credit thereof and the debts represented thereby; and
- (D) such other security interest (if any) as may be specified in the applicable Final Terms.

The assets subject to the security referred to in sub-paragraphs (i) to (iii) inclusive and (A) to (D) inclusive above are herein collectively referred to as "**Mortgaged Property**".

If the Notes are of a Series comprising more than one Class, the Mortgaged Property in respect of each Class of Notes shall be common (to the extent set out in the applicable Final Terms) to the Notes of the Classes within such Series, subject to the provisions of Condition 3(e)(ii) (*Mortgaged Property secured in respect of a Series of more than one Class*) below.

The secured creditors of all Series of Notes issued by the Issuer are also secured under the Master Trust Deed by a first floating charge governed by English law over substantially the whole of the assets and undertaking of the Issuer (excluding, for the avoidance of doubt, the assets which are subject to the charges and assignments described above), which will become enforceable upon formal notice being given of an intention to appoint an administrator in relation to the Issuer or an application being made to, or a petition being lodged or a document being filed with, the court for administration in relation to the Issuer.

(b) *Charged Assets*

If so specified in the applicable Final Terms, the obligations of the obligor under any Charged Assets are guaranteed or have the benefit of a letter of credit or other similar arrangement (each a "**Credit Support Document**" and together the "**Credit Support Documents**") from the credit support provider (the "**Credit Support Provider**") specified in the applicable Final Terms.

Unless and to the extent otherwise specified in the applicable Final Terms, the Charged Assets, or documents comprising, evidencing, representing and/or transferring the Charged Assets, will be deposited with or held by the Custodian (on behalf of the Issuer, subject to the security interests in favour of the Trustee, pursuant to the provisions of the Custodial Services Agreement) named in the applicable Final Terms.

If so specified in the applicable Final Terms, alternative security may be substituted for the Charged Assets either:

- (i) with the prior written consent of all Noteholders and of the relevant Swap Counterparty (if any); or
- (ii) by the Swap Counterparty pursuant to the terms of the Swap Agreement,

for such assets and upon such terms as are specified in the applicable Final Terms, provided that, in each case:

- (A) if such Charged Assets are secured in respect of Notes issued by the Issuer, Moody's Investors Service Limited ("**Moody's**") has confirmed in writing that such substitution will not result in the outstanding Notes of the Issuer being adversely affected by such substitution, and in any other case, if specified in the applicable Final Terms, such substitution shall not result in a downgrading of any rating assigned to the Notes (as confirmed in writing by the relevant Rating Agency (as defined in Condition 17 (*Meetings of Noteholders, Modification, Waiver and Substitution*) below) to the Trustee);
- (B) all requirements of any relevant stock exchange are complied with, which, in the case of Notes listed or admitted to trading on the Luxembourg Stock Exchange, shall include notification of such substitution to the Luxembourg Stock Exchange and publication of a supplement describing the substituted security, such supplement to be available at the Specified Office of the Paying Agent in the Grand Duchy of Luxembourg, which, unless otherwise specified in the applicable Final Terms, shall be Fortis Banque Luxembourg S.A. of 50 Avenue John F. Kennedy, L-2951 Luxembourg; and
- (C) any other requirements specified in the applicable Final Terms (including, in the case of Notes which have been rated by any Rating Agency, any requirements advised by such Rating Agency) are complied with.

Any such alternative security shall thereafter be deemed to be Charged Assets and held subject to the security interests in favour of the Trustee set out in the Trust Deed, the Pledge Agreement and/or the relevant Charging Document(s) (if any). The Issuer shall notify the Noteholders of such substitution in accordance with Condition 16 (*Notices*) not later than the date upon which such security is substituted.

The Trustee is exempted under the Trust Deed from any liability in respect of any loss or theft of the Charged Assets, from any obligation to insure the Charged Assets and from any claim arising from the fact that the Charged Assets are (if applicable) held by the Custodian, in a clearing system or in safe custody by a bank or other custodian. The Trust Deed also provides that the

Trustee may accept without investigation, requisition or objection such right, benefit, title and interest, if any, as the Issuer may have in, to and under any of the Charged Assets and is not bound to make any investigation into the same or into the Charged Assets in any respect.

The Trustee shall not be bound or concerned to make any investigation into the creditworthiness of any obligor in respect of the Charged Assets (including the Credit Support Provider (if any)), the validity of any such obligor's obligations under or in respect of the Charged Assets or any of the terms of the Charged Assets (including, without limitation, whether the cashflows from the Charged Assets and the Notes are matched) or to monitor the value of any Charged Assets.

The Trust Deed, the Pledge Agreement and/or the Charging Document(s) (as the case may be) provide(s), where applicable, for the release of the Charged Assets (or part thereof) from the security constituted by the Trust Deed, the Pledge Agreement and/or the Charging Document(s) (as the case may be) to realise or, as the case may be, take enforcement action in respect of the same and apply the net proceeds thereof in or towards satisfaction of the Issuer's obligations to (amongst others) the Trustee, the relevant Noteholder(s), Receiptholder(s), Couponholder(s) and/or the Swap Counterparty (if any) on any purchase of Notes pursuant to Condition 9 (*Purchase*) or any redemption thereof pursuant to Condition 7 (*Redemption*) or on the Notes becoming due and repayable pursuant to Condition 11 (*Events of Default*).

**To the extent that an obligor (including the Credit Support Provider (if any)) fails to make payments to the Issuer under the relevant Charged Assets or, if applicable, the Credit Support Document(s) on the due date therefor, subject to Conditions 7(b) (*Redemption in relation to the Charged Assets*), 7(d) (*Redemption upon termination of the Charged Agreements*), 7(g) (*Regulatory Redemption or Compulsory Resales*) and 11 (*Events of Default*), the Notes will become repayable in accordance with these Terms and Conditions and the security therefor will become enforceable in accordance with and subject to the provisions of Condition 12 (*Enforcement*).**

(c) *Charged Agreements*

If so specified in the applicable Final Terms, the Issuer has entered into one or more interest rate and/or currency exchange agreements and/or other hedging agreements (each a "**Swap Agreement**" and together the "**Swap Agreements**") with one or more Swap Counterparties. Under each Swap Agreement, the Swap Counterparty will make certain payments to the Issuer in respect of amounts due on the Notes and/or (if applicable) the Receipts and the Coupons and, if applicable, the Issuer will make certain payments to the Swap Counterparty out of sums received by the Issuer or to the order of the Issuer on or in respect of the Charged Assets.

If so specified in the applicable Final Terms, the obligations of the Swap Counterparty in respect of each Swap Agreement may be guaranteed pursuant to a guarantee or other credit support document(s) in respect of the obligations of one or more Swap Counterparties under each such Swap Agreement (each a "**Swap Guarantee**") by the entity named therein (the "**Swap Guarantor**").

Unless otherwise specified to the contrary, the terms of each Swap Agreement provide that the relevant Swap Counterparty (the "**Transferor**") may, without the consent of Noteholders or the Issuer, transfer all or part of its interest and obligations in and under that Swap Agreement to any affiliate of the relevant Swap Counterparty (the "**Transferee**") provided that the Transferee either: (i) has an at least equivalent credit rating as of the date of such transfer to that of the Swap Guarantor as of the date of such transfer; or (ii) is guaranteed by the Swap Guarantor or an affiliate of the relevant Swap Counterparty that has a credit rating as at the date of such transfer that is at least equivalent to that of the Swap Guarantor as at the date of such transfer on substantially the same terms as the existing guarantee of the relevant Swap Counterparty's

obligations and, in each case, provided that certain requirements and conditions set out in the relevant Swap Agreement and Supplemental Trust Deed have been satisfied. These requirements and conditions include (without limitation) the requirement that: (i) the Transferee shall, at the time of such transfer, have entered into an ISDA Master Agreement with the Issuer on substantially the same terms as the ISDA Master Agreement between the Issuer and the Transferor, (ii) if so specified in the applicable Final Terms, the condition that after the transfer of any part of the relevant Swap Agreement there will be no more than two Swap Agreements (each documented by no more than one Confirmation) at any one time; (iii) as of the date of such transfer the Transferee will not, as a result of such transfer, be required to withhold or deduct on account of tax under the ISDA Master Agreement, and (iv) if applicable, each Rating Agency has provided prior written notification that its then current ratings of the Notes will not be adversely affected. Upon such transfer, the Trustee shall adjust such of the Terms and Conditions as it shall in its sole and absolute discretion determine to be appropriate to reflect that the Transferor has transferred all or part of its interest and obligations in and under the relevant Swap Agreement to the Transferee and shall determine the effective date of that adjustment.

Upon any such transfer, the relevant Swap Agreement comprising the ISDA Master Agreement between the Issuer and the Transferee and any swap transaction between the Issuer and the Transferee as evidenced by any confirmation supplemental thereto and any guarantee relating thereto shall also be Charged Agreement(s).

The Swap Agreement(s) and the Swap Guarantee(s) applicable to the Notes are together referred to as the "**Charged Agreements**" and each a "**Charged Agreement**". Where there is more than one Swap Counterparty, Swap Agreement and Swap Guarantee, references to such terms in these Terms and Conditions shall be construed accordingly.

The Swap Agreement(s) will terminate on the Maturity Date unless terminated earlier in accordance with the terms thereof. In particular, the Swap Agreement(s) will terminate in whole or in part (as applicable) if the Notes are redeemed pursuant to Condition 7 (*Redemption*) or purchased pursuant to Condition 9 (*Purchase*). In the event of an early termination, in the case of a Swap Agreement, either party may be liable to make a termination payment to the other in respect of any loss which that other party may have suffered as a result of such termination.

None of the Issuer or, as applicable and unless otherwise specified in the applicable Final Terms, the Swap Counterparty or the Swap Guarantor under any Swap Agreement(s) or Swap Guarantee is obliged to gross up any payment to be made thereunder if withholding taxes are imposed. If the Issuer or, if applicable, the Swap Counterparty or the Swap Guarantor, on the occasion of the next payment due under the relevant Charged Agreement(s), would be required by law to withhold or account for tax or would suffer tax in respect of, or would receive net of tax, its income relating to such Charged Agreement(s) so that it would be unable to make payment of the full amount due, the provisions of Condition 7(c) (*Redemption for taxation reasons*) shall apply.

The Trustee shall not be bound or concerned to make any investigation into the creditworthiness of any of the Swap Counterparty or the Swap Guarantor, the validity of any obligations of any Swap Counterparty or Swap Guarantor under or in respect of the Charged Agreement(s) or any of the terms of the Charged Agreement(s) (including, without limitation, whether the cashflows from the Charged Assets, the Charged Agreement(s) and the Notes are matched).

**To the extent that the Swap Counterparty and the Swap Guarantor fail to make payments due to the Issuer under the Charged Agreement(s), the Charged Agreement(s) will be terminated and, subject to Conditions 7(d) (*Redemption upon termination of the Charged Agreements*), 7(g) (*Regulatory Redemption or Compulsory Resales*) and 11 (*Events of Default*), the Notes will become repayable in accordance with these Terms and Conditions and the security therefor will become enforceable in accordance with and subject to the provisions**

**of Condition 12 (Enforcement).**

- (d) *Realisation of Mortgaged Property upon redemption under Condition 7 (Redemption), 9 (Purchase) or 11 (Events of Default)*

In the event of the security constituted under the Trust Deed and/or the Charging Document(s) (as the case may be) over any of the Mortgaged Property becoming enforceable on an early redemption of Notes as provided in Condition 7 (*Redemption*) or 11 (*Events of Default*) or a purchase of Notes as provided in Condition 9 (*Purchase*), the Trustee may in its discretion and, if so requested in writing (i) by the holders of at least one-fifth in aggregate principal amount of, in the case of a Series of Notes comprising only one Class of Notes, the Notes then outstanding or, in the case of a Series of Notes comprising more than one Class of Notes, the most senior ranking Class of Notes then outstanding or if so directed by an Extraordinary Resolution (as defined in the Trust Deed) of, in the case of a Series of Notes comprising only one Class of Notes, the Noteholders or, in the case of a Series of Notes comprising more than one Class of Notes, the Noteholders of the most senior ranking Class of Notes then outstanding or (ii) by the Swap Counterparty (if any), shall (but in each case without any liability as to the consequence of such action and without having regard to the effect of such action on individual Noteholders, Receiptholders or Couponholders or the Swap Counterparty (if any)), realise such Mortgaged Property and/or take such action as may be permitted under applicable laws against any obligor in respect of such Mortgaged Property, provided that the Trustee shall not be required to take any such action unless indemnified to its satisfaction and subject as provided in Condition 11 (*Events of Default*). On the happening of any such event, the Charged Agreement(s) (or part thereof) (if any) will terminate in accordance with its/their terms.

The Trust Deed, in relation to any relevant Series of Notes, contains provisions limiting the powers of holders of any Class of Notes ranking junior in point of priority to any other Class or Classes of Notes, *inter alia*, to request or direct the Trustee to take any action or to pass an effective Extraordinary Resolution according to the effect thereof on the interests of the holders of the more senior ranking Class or Classes of Notes. Except in certain circumstances, the Trust Deed contains no such limitation on the powers of holders of any Class of Notes in respect of holders of any Class or Classes of Notes ranking junior thereto to request or direct the Trustee to take any action or to pass an effective Extraordinary Resolution, and any such action or Extraordinary Resolution will be binding on the holders of any junior ranking Class or Classes of Notes, irrespective of the effect thereof on their interests.

**To the extent that an obligor (including the Credit Support Provider (if any)) fails to make payments to the Issuer under the relevant Charged Assets or, if applicable, Credit Support Document(s) on the due date therefor, subject to Conditions 7(b) (*Redemption in relation to the Charged Assets*), 7(d) (*Redemption upon termination of the Charged Agreements*), 7(g) (*Regulatory Redemption or Compulsory Resales*) and 11 (*Events of Default*), the Notes will become repayable in accordance with these Terms and Conditions and the security therefor will become enforceable in accordance with and subject to the provisions of Condition 12 (*Enforcement*).**

- (e) *Application of proceeds*

- (i) *Mortgaged Property secured in respect of a Series of one Class only*

The Trust Deed provides that, in the case of a Series of one Class only, (subject to the provisions of Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) and Condition 9 (*Purchase*)) the Realisation Amount (following payment of amounts due to the Trustee, the Agents and the Custodian) shall be applied:

- (A) in the case of the security granted over the Charged Assets and any relevant Credit Support Document(s) where there is no Charged Agreement, *pro rata* and on a *pari passu* basis in meeting the claims of the Noteholders, the Receiptholders and the Couponholders under the Notes, the Receipts and the Coupons of that Series respectively;
  - (B) in the case of the security granted over the Charged Assets and any relevant Credit Support Document(s) where there is a Charged Agreement, in accordance with the Security Ranking Basis specified in the applicable Final Terms; and
  - (C) in the case of the security granted over the Mortgaged Property other than the Charged Assets and any relevant Credit Support Document(s), *pro rata* and on a *pari passu* basis in meeting the claims of the Noteholders, the Receiptholders and the Couponholders under the Notes, the Receipts and the Coupons of that Series.
- (ii) *Mortgaged Property secured in respect of a Series of more than one Class*

Where so specified in the applicable Final Terms, the Issuer's obligations in respect of more than one Class of Notes within one Series may be secured upon the same Mortgaged Property. In such circumstances, unless otherwise specified in the applicable Final Terms, the Notes of each Class may have a different ranking in point of priority to the Notes of the other Classes, as described in the applicable Final Terms. The Trust Deed provides that, where Notes of more than one Class have been issued, subject to the provisions of Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) and Condition 9 (*Purchase*), upon enforcement of the security for the Notes, the Realisation Amount shall be applied in accordance with the Security Ranking Basis set out in the applicable Final Terms and/or the applicable Supplemental Trust Deed.

- (iii) *Definitions relating to the application of proceeds*

For the purposes of this Condition 3(e) (*Application of proceeds*), and if so specified as the Security Ranking Basis in the applicable Final Terms:

- (A) "**Primary Basis**" means that the Realisation Amount shall be applied (following payment of amounts due to the Trustee, the Agents and the Custodian) first, *pro rata* and on a *pari passu* basis in meeting the claims of the Noteholders, the Receiptholders and the Couponholders under the Notes, the Receipts and the Coupons (if applicable, applied in accordance with the relevant ranking of each Class within a Series) and thereafter in meeting the claims of the Swap Counterparty (if any) under the Swap Agreement or, if more than one Swap Counterparty, the Swap Counterparties under the Swap Agreements on a *pro rata* and *pari passu* basis;
- (B) "**Pari Passu Basis**" means that the Realisation Amount shall be applied (following payment of amounts due to the Trustee, the Agents and the Custodian) *pro rata* and on a *pari passu* basis in meeting the aforesaid claims of the Noteholders, the Receiptholders and the Couponholders under the Notes, the Receipts and the Coupons (if applicable, applied in accordance with the relevant ranking of each Class within a Series) and the Swap Counterparty (if any) under the Swap Agreement(s); and
- (C) "**Secondary Basis**" means that the Realisation Amount shall be applied (following payment of all amounts due to the Trustee, the Agents and the Custodian) first, in meeting the aforesaid claims of the Swap Counterparty (if

any) under the Swap Agreement or, if more than one Swap Counterparty, the Swap Counterparties under the Swap Agreements on a *pro rata* and *pari passu* basis and thereafter *pro rata* and on a *pari passu* basis in meeting the aforesaid claims of the Noteholders, the Receiptholders and the Couponholders (if applicable, applied in accordance with the relevant ranking of each Class within a Series).

In respect of a Series comprising more than one Class of Notes, the Security Ranking Basis shall be specified in the applicable Final Terms.

For the purposes of these Terms and Conditions, "**Realisation Amount**" means, unless otherwise specified in the applicable Final Terms, the equivalent in the Specified Currency of the net proceeds of the realisation or, as the case may be, redemption of the Charged Assets (or, as the case may be, part thereof) and/or, if applicable, the net proceeds due (if any) as a result of the termination of any Swap Agreement(s) and/or, if applicable, enforcement of the Credit Support Document(s) received by or on behalf of the Issuer (or, in the case of enforcement, by or on behalf of the Trustee), having taken into account, for the avoidance of doubt, any costs and expenses which may be incurred by or on behalf of the Issuer or, as the case may be, the Trustee, including taxes and other charges in connection with the delivery or sale of any Charged Assets, to the extent the net proceeds are received in respect thereof.

(f) *Shortfall after application of proceeds*

- (i) **All payments to be made by the Issuer in respect of the Notes, Receipts and Coupons and the Swap Agreement(s) (if any) will be made only from and to the extent of the sums received or recovered from time to time by or on behalf of the Issuer or the Trustee in respect of (A) the relative Charged Assets and, if applicable, the relative Credit Support Document(s) and (B) in the case of the Notes, Receipts and Coupons, the other Mortgaged Property (as defined in Condition 3(a) (*Security*)) in respect of this Series (applied (I) prior to enforcement of the security for the Notes, in accordance with the order of priorities set out in the applicable Final Terms and (II) following enforcement of the security for the Notes, in accordance with the provisions of Condition 3(e) (*Application of proceeds*) and the Security Ranking Basis (if applicable) specified in the applicable Final Terms).**
- (ii) **To the extent that such sums are less than the amount which the holders of the Notes, Receipts and Coupons and the Swap Counterparty (if any) may have expected to receive (the difference being referred to herein as a "shortfall"), such shortfall will be borne by such holders and by the Swap Counterparty (if any) (I) prior to enforcement of the security for the Notes, in accordance with the inverse of the order of priorities set out in the applicable Final Terms and (II) following enforcement of the security for the Notes, in accordance with the inverse of the order set forth in the provisions of Condition 3(e) (*Application of proceeds*) and the Security Ranking Basis (if applicable) specified in the applicable Final Terms.**
- (iii) **Each holder of Notes, Receipts or Coupons, by subscribing for or purchasing such Notes, Receipts or Coupons and each Swap Counterparty (if any) will be deemed to accept and acknowledge that it is fully aware that:**
  - (A) **the holders of the Notes, Receipts and Coupons and the Swap Counterparty (if any) shall look solely to the sums referred to in paragraph (i), as applied in accordance with paragraphs (i) and (ii) above (the "Relevant Sums"), for payments to be made by the Issuer hereunder in respect of the Notes,**

Receipts and Coupons and the Swap Agreement(s) (if any);

- (B) the obligations of the Issuer to make payments in respect of the Notes, Receipts and Coupons and the Swap Agreement(s) (if any) will be limited to the Relevant Sums and the holders of the Notes, Receipts and Coupons and the Swap Counterparty (if any) shall have no further recourse to the Issuer in respect of the Notes, Receipts, Coupons and the Swap Agreement(s) (if any), respectively;
- (C) without prejudice to the foregoing, any right of the holders of the Notes, Receipts and Coupons and the Swap Counterparty (if any) to claim payment of any amount exceeding the Relevant Sums shall be automatically extinguished; and
- (D) the holders of the Notes, Receipts and Coupons and the Swap Counterparty (if any) shall not be able to petition for the winding-up of the Issuer as a consequence of any such shortfall.

No such shortfall shall constitute an Event of Default under Condition 11 (*Events of Default*) nor entitle the Swap Counterparty (if any), the Swap Guarantor (if any) or the Credit Support Provider (if any) to terminate the remainder of the Charged Agreement(s) or the Credit Support Document(s).

None of the Trustee, the Share Trustees, the Swap Counterparty (if any), the Swap Guarantor (if any) or the Credit Support Provider (if any) has any obligation to any Noteholder, Receiptholder or Couponholder for payment of any amount by the Issuer in respect of the Notes, Receipts or Coupons.

#### 4. RESTRICTIONS

*Condition 4(b) (Restrictions) only applies to Notes issued by the Issuer in reliance upon the exemption from registration as an "investment company" under Section 3(c)(7) of the Investment Company Act. See the Final Terms as to whether it is applicable.*

- (a) So long as any of the Notes remains outstanding, the Issuer will not, without the prior written consent of the Trustee and the Swap Counterparty (if any):
  - (i) engage in any activity or do anything whatsoever, except:
    - (A) (I) issue Notes as contemplated by the Trust Deed (which may be rated or unrated) subject to the maximum aggregate principal amount which may be outstanding under the Programme at any one time or (II) enter into or incur indebtedness in respect of moneys borrowed or raised where such indebtedness is incurred on terms (1) that such indebtedness is secured on specified assets of the Issuer which do not form part of the Charged Assets subject to the fixed security granted under the Trust Deed in respect of any Series of Notes, (2) that recourse in respect of such indebtedness is limited to such secured assets, (3) that the enforcement provisions relating to such indebtedness are substantially similar to those contained in these Terms and Conditions and (4) which provide for the extinguishment of all claims in respect of such indebtedness after application of the proceeds of the assets on which such indebtedness is secured ("**Permitted Indebtedness**") provided that if such indebtedness is unrated by Moody's, the Issuer may not enter into or incur such indebtedness until Moody's has confirmed in writing that the ratings of all outstanding Notes of the Issuer which are rated by Moody's will not be adversely affected by such indebtedness;

- (B) acquire and own Charged Assets or any assets used to secure any Permitted Indebtedness and exercise its rights and perform its obligations in respect thereof;
  - (C) enter into and perform its obligations under the Trust Deed, the Pledge Agreement, the Agency Agreement, the Custodial Services Agreement, the Account Bank Agreement, any Charged Agreement(s), any Credit Support Document(s), any Charging Document(s), any agreements incidental to the issue and constitution of, and the granting of security for, Notes and any agreements relating to the creation of, the granting of security for, or incidental to, any Permitted Indebtedness;
  - (D) enforce any of its rights whether under the Agency Agreement, the Custodial Services Agreement, the Account Bank Agreement, any Charged Agreement(s), any Credit Support Document(s), the Pledge Agreement, any Charging Document(s) or the Trust Deed or otherwise under any agreement entered into in relation to the Notes, any Permitted Indebtedness or the Mortgaged Property relating to any Series;

- (ii) have any subsidiaries;
  - (iii) subject to sub-paragraph (i) above and (iv) below, dispose of any of its property or other assets or any part thereof or interest therein (otherwise than in accordance with Condition 9 (*Purchase*));
  - (iv) create or permit within its control to subsist any charge, mortgage, lien or other encumbrance over the Mortgaged Property other than those encumbrances created pursuant to, or as referred to in, the Master Trust Deed, the relevant Supplemental Trust Deed, the Pledge Agreement and/or the relevant Charging Document(s);
  - (v) have any employees;
  - (vi) declare any dividends or make any distributions to shareholders of any other kind;
  - (vii) issue any further shares; or
  - (viii) perform such other activities as are expressly restricted in the Master Trust Deed.
- (b) Following an issue of Notes pursuant to which the Issuer has relied on the Section 3(c)(7) exemption from registration as an "investment company" under the Investment Company Act, the Issuer will not issue additional Notes of such Series or another Series, unless the Issuer further relies on Section 3(c)(7) to maintain its exemption from registration as an "investment company" under the Investment Company Act, including compliance with Conditions 1(b)(iv) (*Registered Notes*) and 1(e)(iv) and this Condition 4(b) (*Restrictions*) with respect to such additional Notes.

## 5. INTEREST

### (a) *Interest on Fixed Rate Notes*

Unless otherwise provided in the applicable Final Terms, each Fixed Rate Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date to (but excluding) the final Interest Payment Date at the rate(s) per annum equal to the Rate(s) of Interest, subject to any cessation of interest in circumstances as set out in these Terms and Conditions or the applicable Final Terms. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Unless or to the extent otherwise specified in the applicable Final Terms and subject to the following sentence, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) that date will be an amount equal to the relevant Fixed Coupon Amount specified in the applicable Final Terms. If a Broken Amount in respect of an Interest Payment Date is specified in the applicable Final Terms, the amount of interest payable on that Interest Payment Date will be an amount equal to that Broken Amount.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resulting figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Terms and Conditions:

**"Day Count Fraction"** means, for the purposes of this Condition 5(a) (*Interest on Fixed Rate Notes*):

- (i) if "Actual/Actual (ISMA)" is specified in the applicable Final Terms:
  - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **"Accrual Period"**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
  - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
    - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
    - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

- (ii) if "30/360" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;

**"Determination Period"** means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

**"euro"** and **"€"** mean the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty;

**"Fixed Interest Period"** means, in respect of an Interest Payment Date, the period from (and including) the previous Interest Payment Date (or, if such payment date is the first Interest Payment Date, the Interest Commencement Date) to (but excluding) that Interest Payment Date;

**"sub-unit"** means with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.;

**"TARGET System"** means the Trans European Automated Real-Time Gross Settlement Express Transfer (TARGET) System;

**"Treaty"** means the Treaty establishing the European Community, as amended by the Treaty on European Union and the Treaty of Amsterdam; and

**"U.S. dollars"**, **"USD"** and **"U.S.\$"** are to the currency of the United States of America.

(b) *Interest on Floating Rate Notes and Index Linked Interest Notes*

(i) *Interest Payment Dates*

Unless otherwise provided in the applicable Final Terms, each Floating Rate Note or, as the case may be, Index Linked Interest Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date to (but excluding) the final Interest Payment Date, subject to any cessation of interest in circumstances as set out in these Terms and Conditions or the applicable Final Terms. Such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an **"Interest Payment Date"**) in each year specified in the applicable Final Terms; or
- (B) if no express Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an **"Interest Payment Date"**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable on any Interest Payment Date in respect of each Interest Period and, in these Terms and Conditions, an **"Interest Period"** means, in respect of an Interest Payment Date, the period from (and including) the previous Interest Payment Date (or, if such payment date is the first Interest Payment Date, the Interest

Commencement Date) to (but excluding) that Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) (in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) (*Interest Payment Dates*) above) the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, "**Business Day**" means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which if the Specified Currency is New Zealand dollars or Australian dollars shall be Auckland or Sydney, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes, (the "**ISDA Definitions**") and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate ("**LIBOR**") or on the Euro-zone inter-bank offered rate ("**EURIBOR**") for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

Unless and to the extent otherwise specified in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent Bank. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent Bank for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 5(b)(ii)(B)(1) (*Screen Rate Determination for Floating Rate Notes*) above, no such offered quotation appears or, in the case of Condition 5(b)(ii)(B)(2) (*Screen Rate Determination for Floating Rate Notes*) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Agent Bank shall request each of the Reference Banks (as defined below) to provide the Agent Bank with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent Bank with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent Bank.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent Bank with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent Bank determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent Bank by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent Bank with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately 11.00 a.m. (London time in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer or the Agent Bank suitable for such purpose) informs the Agent Bank it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

For the purposes of this Condition 5(b)(ii)(B) (*Screen Rate Determination for Floating Rate Notes*), "**Reference Banks**" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Agent Bank or as specified in the applicable Final Terms.

(iii) *Minimum and/or maximum Rate of Interest*

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of sub-paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of sub-paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent Bank, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period and will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent Bank or, as the case may be, the Calculation Agent will calculate the amount of interest (the "**Interest Amount**") payable on the Floating Rate Notes or, as the case may be, Index Linked Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

For the purposes of this Condition 5(b)(ii)(B) (*Screen Rate Determination for Floating Rate Notes*), "**Day Count Fraction**" means, in respect of the calculation of an amount of interest for any Interest Period:

- (A) if "Actual/365" or "Actual/Actual" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) If "Actual/365 (Sterling)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest

Payment Date falling in a leap year, 366;

- (D) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (E) if "30/360" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (I) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (II) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
- (F) if "30E/360" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) *Notification of Rate of Interest and Interest Amounts*

The Agent Bank or, as the case may be, the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or admitted to trading and thereafter notice thereof to be given to the Noteholders, Receiptholders and Couponholders in accordance with Condition 16 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or admitted to trading and to the Noteholders in accordance with Condition 16 (*Notices*). For the purposes of this paragraph, the expression "**London Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) *Determination and calculation by Trustee*

If the Agent Bank or, as the case may be, the Calculation Agent at any material time defaults in its obligation to determine the Rate of Interest or the Interest Amounts in accordance with Conditions 5(b)(ii)(A) (*ISDA Determination for Floating Rate Notes*), 5(b)(ii)(B) (*Screen Rate Determination for Floating Rate Notes*), 5(b)(iii) (*Minimum and/or maximum Rate of Interest*) and 5(b)(iv) (*Determination of Rate of Interest and calculation of Interest Amounts*) above, the Trustee or an appointee thereof shall (A) determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedure described in Condition 5(b)(ii) (*Rate of Interest*) above), it shall deem fair and reasonable in all the circumstances and (B) calculate the Interest Amounts in the manner specified in Condition 5(b)(iv)

*(Determination of Rate of Interest and calculation of Interest Amounts)* above; and such determination and calculation shall be deemed to be a determination and calculation by the Agent Bank or, as the case may be, the Calculation Agent.

(vii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b) *(Interest on Floating Rate Notes and Index Linked Interest Notes)*, whether by the Agent Bank, the Calculation Agent or, if applicable, the Trustee shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agents, the Trustee and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent Bank, the Calculation Agent or the Trustee (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Dual Currency Notes*

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(d) *Accrual of interest*

Subject as provided in these Terms and Conditions or the applicable Final Terms, each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

(e) *Payments only to the extent of funds available therefor*

Unless otherwise specified in the applicable Final Terms, all payments of interest on any Notes or Class of Notes under this Condition 5 *(Interest)* shall only be due and payable to the extent of the receipt by the Issuer of proceeds of the Mortgaged Property available therefor (after application of such proceeds (i) prior to enforcement of the security for the Notes, in accordance with the order of priorities set out in the applicable Final Terms and (ii) following enforcement of the security for the Notes, in accordance with the provisions of Condition 3(e) *(Application of proceeds)* and the Security Ranking Basis (if applicable) specified in the applicable Final Terms). For the avoidance of doubt, failure to make payment of the full amount of interest in respect of any Notes or Class of Notes specified under paragraphs (a) to (c) of this Condition 5 *(Interest)* as a result of non-receipt by the Issuer of sufficient proceeds therefor (after application of such proceeds as aforesaid) shall not constitute an Event of Default under Condition 11 *(Events of Default)*.

## 6. PAYMENTS

*Condition 6(h) (Exemption from registration as an "investment company" in reliance on Section 3(c)(7)) only applies to Notes issued by the Issuer in reliance upon the exemption from registration as an "investment company" under Section 3(c)(7) of the Investment Company Act. See the applicable Final Terms as to whether it is applicable.*

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is New Zealand dollars or Australian dollars, shall be Auckland and Sydney, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment.

(b) *Presentation of definitive Bearer Notes, Receipts and Coupons*

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest (if any) in respect of such definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Coupon, in each case at the Specified Office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt at the Specified Office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of such definitive Bearer Notes in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes or Index Linked Interest Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined below) in respect of such principal (whether or not such Coupon would

otherwise have become void under Condition 10 (*Prescription*) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note or Index Linked Interest Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of such definitive Bearer Note.

Notwithstanding the foregoing, payments on a Temporary Global Note due prior to the Exchange Date will only be made, if the applicable Final Terms so specifies, upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations, and no payments due after the Exchange Date will be made on the Temporary Global Note unless, upon due certification, exchange of the Temporary Global Notes for an interest in a Permanent Global Note or for definitive Bearer Notes is improperly withheld or refused.

(c) *Payments in respect of Bearer Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant Bearer Global Note against presentation or surrender, as the case may be, of such Bearer Global Note at the Specified Office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note by the Paying Agent to which it was presented or surrendered and such record shall be *prima facie* evidence that the payment in question has been made.

The holder of a Bearer Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Bearer Global Note and the Issuer will be discharged *pro tanto* by payment to, or to the order of, the holder of such Bearer Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear and Clearstream, Luxembourg as the beneficial holder of a particular principal amount of Notes represented by such Bearer Global Notes must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment made by the Issuer to, or to the order of, the holder of such Bearer Global Note. Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as such Bearer Global Note is outstanding and the Issuer will be discharged by payment to the holder of such Bearer Global Note in respect of each amount so paid.

(d) *Payments in respect of Registered Notes*

Payment of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the Specified Office of any of the Paying Agents. Such payment will be made by transfer to the Designated Account (as defined

below) of the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the third business day (being for the purposes of this paragraph (d) a day on which banks are open for business in the city where the Specified Office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "**Designated Bank**" means (in the case of a payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is New Zealand dollars or Australian dollars, shall be Auckland and Sydney, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest (if any) and payments of instalments of principal (if any) (other than the final instalment) in respect of each Registered Note will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail not later than the business day immediately following the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the "**Record Date**") at his address shown in the Register and at his risk. Upon application of the holder to the Specified Office of the Registrar not less than three business days before the due date for any payment of interest or an instalment of principal (other than the final instalment) in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become due and payable to the holder who made the application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition 6(f) (*Payments in respect of Registered Notes*) arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

(e) *General provisions applicable to payments*

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the case may be, as the beneficial holder of a particular principal amount of Notes represented by any Global Note must look solely to Euroclear, Clearstream, Luxembourg or DTC as the case may be, for his share of each payment made by the Issuer to, or to the order of, the holder of such Global Note. Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as such Global Note is outstanding and the Issuer will be discharged by payment to the holder of such Global Note in respect of each amount so paid.

Every payment of principal or interest in respect of the Notes or any Class of Notes to or to the account of the relevant Paying Agent and/or the Redemption Agent (as the case may be) in the manner provided in the Agency Agreement relating to such Notes or Class of Notes shall operate in satisfaction *pro tanto* of the relative obligation of the Issuer in respect of such Notes or Class of

Notes to pay such principal or interest except to the extent that there is default in the subsequent payment thereof in accordance with the Terms and Conditions of such Notes or Class of Notes to the Noteholders, Receiptholders or Couponholders (as the case may be) of such Notes or Class of Notes.

Notwithstanding the foregoing provisions of this Condition 6 (*Payments*), if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the Specified Office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with Specified Offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such Specified Offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such Specified Offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Trustee, adverse tax consequences to the Issuer.

Where Physical Settlement is specified in the applicable Final Terms, the provisions of this Condition 6 (*Payments*) shall be subject to the provisions of Condition 8 (*Delivery Option*).

(f) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to interest or other payment in respect of such delay. For these purposes, "**Payment Day**" means any day which (subject to Condition 10 (*Prescription*)) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in:
  - (A) the relevant place of presentation;
  - (B) London; and
  - (C) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is New Zealand dollars or Australian dollars shall be Auckland and Sydney, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(g) *Interpretation of principal*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) the Final Redemption Amount of the Notes;
- (ii) the Early Redemption Amount of the Notes;
- (iii) the Optional Redemption Amount(s) (if any) of the Notes;
- (iv) in relation to Notes redeemable in instalments, the Instalment Amounts or, as the case may be, the outstanding aggregate principal amount;
- (v) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(h) (*Early Redemption for Extraordinary Reason, Illegality and Force Majeure*));
- (vi) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes; and
- (vii) in the case of Notes to which the Delivery Option set out in Condition 8 (*Delivery Option*) applies, the Asset Amount.

(h) *Exemption from registration as an "investment company" in reliance on Section 3(c)(7)*

As specified in the applicable Final Terms, Notes may not be offered, sold or transferred, and the Registrar shall not register any proposed transfer of an Individual Certificate, to any U.S. person (as defined in Regulation S) or transfer to a holder whose interest would be evidenced by an Individual Certificate, unless it receives a certificate to the effect that the proposed transferee is a Section 3(c)(7) Eligible Investor, and any proposed transferee in a transfer in violation of this Condition 6(h) (*Exemption from registration as an "investment company" in reliance on Section 3(c)(7)*) shall be deemed not to be the holder of such Notes for any purpose including, but not limited to, the receipt of interest on such Notes.

## **7. REDEMPTION**

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer on the Maturity Date or, in the case of Instalment Notes, at the Instalment Amount due on each Instalment Date (each as specified in the applicable Final Terms), as specified in the applicable Final Terms either by (i) Cash Settlement at its Final Redemption Amount or as otherwise specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency and/or (ii) Physical Settlement in accordance with Condition 8 (*Delivery Option*).

(b) *Redemption in relation to the Charged Assets*

(i) *Early repayment of Charged Assets other than by reason of default in payment*

Subject to Condition 7(b)(iii) (*General Provision*) below and the right of any person specified in the applicable Final Terms to substitute Charged Assets in accordance with Condition 3(b)(*Charged Assets*) (provided that any such right shall be exercisable upon the giving by such person of a period of not less than five Business Days' notice expiring prior to the date upon which the Issuer is to receive the redemption proceeds of such

Charged Assets), if the Charged Assets (or part thereof) become due and repayable in accordance with their terms on a date prior to their stated maturity date (or, if applicable, the Credit Support Document(s) (if any) becomes enforceable) (other than by reason of default in payment) then the Issuer shall, forthwith upon becoming aware of such event, on giving such period of notice as expires not more than ten nor less than five Business Days following the date upon which the Issuer is to receive the redemption proceeds of such Charged Assets (or, if applicable, the redemption proceeds of enforcement of the Credit Support Document(s) (if any)) (or such other period of notice as may be otherwise agreed with the Trustee or unless the Trustee shall (at the expense of the Issuer) certify to the Issuer that it considers in its absolute discretion that it is in the best interests of the Noteholders that such notice be delayed or not given or an Extraordinary Resolution of the Noteholders shall otherwise direct, subject, in the case of Notes in a Series comprising more than one Class of Notes, to restrictions contained in the Trust Deed to protect the interests of the holders of related Notes of each Class) to the Trustee, each Swap Counterparty (if any), the Principal Paying Agent, the Registrar (if applicable), each of the Rating Agencies (if any) and to the Noteholders in accordance with Condition 16 (*Notices*), redeem the Notes (or part thereof) at the Early Redemption Amount on the expiry of such notice.

(ii) *Default in payment by obligor of Charged Assets*

Subject to Condition 7(b)(iii) (*General provisions*) below and the right of any person specified in the applicable Final Terms to substitute Charged Assets in accordance with Condition 3(b)(iii) (*Substitution of Charged Assets*) (provided that any such right shall be exercisable upon the giving by such person, of a period of not less than five Business Days' notice expiring prior to the giving of the notice to the Redemption Agent referred to below), if the Charged Assets (or part thereof) become due and repayable on a date prior to their stated maturity date (or, if applicable, the Credit Support Document(s) (if any) becomes enforceable) by reason of default in payment by any obligor of such Charged Assets continuing after the expiry of any applicable grace period, the Issuer shall forthwith give notice thereof to the Trustee and the Trustee shall (at the expense of the Issuer) thereafter notify the Redemption Agent specified in the applicable Final Terms. The Redemption Agent shall, subject to the provisions of the Trust Deed, the Pledge Agreement and any relevant Charging Document(s), enforce the security (or the part thereof relating to the Repayable Assets (as defined in Condition 7(b)(iii) (*General provisions*) below)) as soon as reasonably practicable by arranging for and administering the sale of the Charged Assets (or, if applicable, enforcement of the Credit Support Document(s) (if any)) (or in the event that some only of the Charged Assets become due and repayable as provided above, the relevant proportion thereof). The Issuer shall at the same time (unless otherwise agreed by the Trustee) give notice (x) that the Notes (or part thereof) are to be redeemed at the Early Redemption Amount pursuant to this Condition 7(b)(ii) (*Default in payment by obligor of Charged Assets*) following receipt of the realisation proceeds of the Charged Assets (or, if applicable, of enforcement of the Credit Support Document(s) (if any)) (or part thereof) and (y) upon receipt of such proceeds, of the date upon which the Notes (or part thereof) are to be redeemed (which date shall be not more than ten nor less than five Business Days following receipt of such proceeds), in both cases to the Noteholders in accordance with Condition 16 (*Notices*), the Swap Counterparty (if any), the Trustee, the Credit Support Provider (if any), the Principal Paying Agent, the Registrar (if applicable) and the Rating Agencies (if any).

(iii) *General provisions*

Subject as provided below, in the event that some only of the Charged Assets become repayable (or, if applicable, the Credit Support Document(s) (if any) become enforceable

with respect to some only of the Charged Assets) as aforesaid (the "**Repayable Assets**") pursuant to Condition 7(b)(i) (*Early repayment of Charged Assets other than by reason of default in payment*) or 7(b)(ii) (*Default in payment by obligor of Charged Assets*) above, the Notes will be partially redeemed in an aggregate principal amount equal to the proportion of the then outstanding aggregate principal amount of the Notes that the principal amount of the Repayable Assets bears to the aggregate principal amount of all of the Charged Assets, subject as provided below. The Notes to be redeemed ("**Redeemed Notes**") will be selected, as indicated in the applicable Final Terms, either (A) individually by lot, in the case of Redeemed Notes represented by definitive Notes, or in accordance with the rules of Euroclear, Clearstream, Luxembourg, and/or DTC, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**") or (B) in accordance with the order of priorities relating to the repayment of principal of the Notes. In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 16 (*Notices*) not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 7(b) (*Redemption in relation to the Charged Assets*) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 16 (*Notices*) at least five days prior to the Selection Date.

Inability to make payment of the full amount due in respect of a partial redemption of the Notes under this Condition 7(b) (*Redemption in relation to the Charged Assets*) or any termination payment under any Charged Agreement(s) shall not constitute an Event of Default under Condition 11 (*Events of Default*). In the event of any such redemption under this Condition 7(b) (*Redemption in relation to the Charged Assets*) becoming due to be made by the Issuer, the Charged Agreement(s) (or a proportionate part thereof which corresponds to the Notes to be redeemed) will be terminated and the security (or the part thereof relating to the Repayable Assets) constituted by the Trust Deed, the Pledge Agreement and/or any Charging Document(s) shall become enforceable and the Trustee may take such action as is provided in Condition 12 (*Enforcement*).

(c) *Redemption for taxation reasons*

If the Issuer (i) would be required by law to withhold or account for tax, (ii) would suffer tax in respect of its income in respect of the Charged Assets or payments made to it under a Charged Agreement or (iii) would receive net of tax any payment in respect of the Charged Assets or a Charged Agreement, so that it would be unable to make payment of the full amount due in respect of the Notes, Receipts and Coupons, the Issuer shall as soon as reasonably practicable so inform the Trustee and, if applicable, the Swap Counterparty (if any), and each relevant Rating Agency and shall use its reasonable endeavours to arrange the substitution for it as obligor of a company approved in writing by the Trustee and, if applicable, the Swap Counterparty (if any) (such approval of the Swap Counterparty (if any) not to be unreasonably withheld or delayed) incorporated in another jurisdiction wherein such withholding would not be applicable or such tax would not be accountable or suffered (subject to confirmation from each relevant Rating Agency that there would be no adverse change to the credit rating assigned to the relevant Notes by such Rating Agency).

If the Issuer is unable to arrange such substitution before the next payment is due in respect of the Notes, the Issuer shall as soon as reasonably practicable so notify the Trustee and, if applicable, the Swap Counterparty (if any) and each relevant Rating Agency and:

- (A) the Issuer shall notify the Principal Paying Agent, the Registrar (if applicable) and the Noteholders in accordance with Condition 16 (*Notices*) by promptly giving notice that, with effect from the Interest Payment Date or, if none, the Interest Commencement Date, all further payments in respect of the Notes shall be made subject to, and after deduction of, all applicable taxes. Any such deduction shall not constitute an Event of Default under Condition 11 (*Events of Default*); and
- (B) if so specified in the applicable Final Terms, upon notification to the Noteholders in accordance with sub-paragraph (A) above, each Noteholder may, by giving written notice in the manner described in Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) to the Issuer, require the Issuer to redeem all, but not some only, of the Notes held by such Noteholder by Cash Settlement at the Early Redemption Amount. Such notice shall be given not later than 20 days (the "**Notification Date**") following the date upon which the Issuer gave the notice referred to in sub-paragraph (A) above.

In the event that the Issuer becomes obliged to redeem any Notes in accordance with sub-paragraph (B) above, the Issuer shall on the Business Day immediately following the Notification Date give notice thereof to the Trustee and the Redemption Agent and the security in respect of the Notes shall become enforceable. Where the Mortgaged Property includes Charged Assets, the Redemption Agent shall, on behalf of the Trustee, subject to the provisions of the Trust Deed, the Pledge Agreement and any relevant Charging Document(s), enforce the security (or, in the event that only some of the Notes are to be redeemed, the relevant proportion thereof) as soon as reasonably practicable by arranging for and administering the sale of the Charged Assets (or in the event that some only of the Notes are to be redeemed, the relevant proportion thereof). Forthwith upon receipt of the sale proceeds thereof, or where the Mortgaged Property does not include Charged Assets, as soon as reasonably practicable, the Issuer shall (unless otherwise agreed by the Trustee) give not more than ten nor less than five Business Days' notice, which notice shall be irrevocable, to the Noteholders in accordance with Condition 16 (*Notices*), the Swap Counterparty (if any), the Credit Support Provider (if any), the Principal Paying Agent, the Trustee and the Registrar (if applicable) of the date on which such Notes are to be redeemed (which date shall be as soon as practicable after receipt of such proceeds by the Issuer).

Inability to make payment of the full amount due in respect of a partial redemption of the Notes under this Condition 7(c) (*Redemption for taxation reasons*) shall not constitute an Event of Default under Condition 11 (*Events of Default*). In the event of any such redemption under this Condition 7(c) (*Redemption for taxation reasons*) becoming due to be made by the Issuer, the Charged Agreement(s) (or the relevant proportion thereof) will terminate and the security (or the relevant portion thereof) constituted by the Trust Deed, the Pledge Agreement and/or any Charging Document(s) shall become enforceable and the Trustee may take such action as is provided in Condition 12 (*Enforcement*).

Notwithstanding the foregoing, if any of the taxes referred to in this Condition 7(c) (*Redemption for taxation reasons*) arises:

- (i) owing to any connection of any Noteholder, Receiptholder or Couponholder with the taxing jurisdiction to which the Issuer is subject otherwise than by reason only of the holding of this Note, Receipt or Coupon or receiving principal or interest in respect thereof;
- (ii) by reason of the failure by the relevant Noteholder, Receiptholder or Couponholder to comply with any applicable procedures required to establish non-residence or other similar claim for exemption from such tax;
- (iii) where a withholding or deduction is imposed on payment to an individual and is required

to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; or

- (iv) (if applicable) where a withholding or deduction could have been avoided if the relevant Noteholder, Receiptholder or Couponholder presented the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union;

then, to the extent it is able to do so, the Issuer shall deduct such taxes from the amounts payable to such Noteholder, Receiptholder or Couponholder and the provisions of the preceding paragraphs of this Condition 7(c) (*Redemption for taxation reasons*) shall not apply. Any such deduction shall not constitute an Event of Default under Condition 11 (*Events of Default*).

(d) *Redemption upon termination of the Charged Agreements*

If any Charged Agreement is terminated (in whole but not in part) for any reason other than in connection with a redemption or purchase of the Notes pursuant to Condition 7 (*Redemption*) (other than this Condition 7(d) (*Redemption upon termination of the Charged Agreements*)), Condition 9 (*Purchase*) or Condition 11 (*Events of Default*), then the Issuer shall forthwith give notice thereof to the Trustee and the Redemption Agent of such termination. Where the Mortgaged Property includes Charged Assets, the Redemption Agent shall, subject to the provisions of the Trust Deed, the Pledge Agreement and any relevant Charging Document(s), enforce the security as soon as reasonably practicable by arranging for and administering the sale of the Charged Assets. The Issuer shall at the same time give notice, which notice shall be irrevocable, to the Noteholders in accordance with Condition 16 (*Notices*) and to the Trustee, the Principal Paying Agent, the Registrar (if applicable), the Swap Counterparty, and the Credit Support Provider (if applicable) that the Notes are to be redeemed pursuant to this Condition 7(d) (*Redemption upon termination of the Charged Agreements*). Forthwith upon receipt of the sale proceeds of the Charged Assets, or where the Mortgaged Property does not include Charged Assets, as soon as reasonably practicable, the Issuer shall (unless otherwise agreed by the Trustee) give not less than five nor more than ten Business Days' notice in accordance with Condition 16 (*Notices*), which notice shall be irrevocable, of the date upon which the Notes are to be redeemed. Upon the expiry of such notice the Issuer shall redeem all but not some only of the Notes by Cash Settlement at the Early Redemption Amount, unless the Trustee shall certify to the Issuer that it considers in its absolute discretion that it is in the best interests of the Noteholders that such notice and redemption be delayed or not given or made, as the case may be, or an Extraordinary Resolution of the Noteholders shall otherwise direct, subject, in the case of Notes of a Series comprising more than one Class of Notes, to restrictions contained in the Trust Deed to protect the interests of the holders of the Notes of each Class.

In the event of any such redemption becoming due to be made by the Issuer in accordance with this Condition 7(d) (*Redemption upon termination of the Charged Agreements*), the security constituted by the Trust Deed, the Pledge Agreement and/or any Charging Document(s) shall become enforceable and the Trustee may take such action as is provided in Condition 12 (*Enforcement*).

(e) *Redemption at the option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may:

- (i) having provided evidence to the satisfaction of the Trustee that it has or, following, *inter alia*, the sale of the Charged Assets, termination of the Charged Agreement(s) and payment of all costs and expenses incidental thereto, will have sufficient funds to meet its obligations to Noteholders pursuant to this Condition 7(e) (*Redemption at the option of the Issuer (Issuer Call)*);

- (ii) having given not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 16 (*Notices*); and
- (iii) having given not less than 15 days before the giving of the notice referred to in (ii), notice to the Principal Paying Agent and, in the case of a redemption of Registered Notes, the Registrar, the Trustee, the Swap Counterparty (if any), the Redemption Agent and the Credit Support Provider (if any),

(which notices shall be irrevocable and shall specify the applicable Optional Redemption Date fixed for redemption), redeem the Notes, in whole or in part, then outstanding by Cash Settlement at the Optional Redemption Amount and/or by Physical Settlement in accordance with the provisions of Condition 8 (*Delivery Option*) on any Optional Redemption Date specified in, or determined in the manner specified in, the applicable Final Terms together with interest (if any) accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a principal amount not less than the Minimum Redemption Amount or not more than a Higher Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected, as indicated in the applicable Final Terms, either (i) individually by lot, in the case of Redeemed Notes represented by definitive Notes, or in accordance with the rules of Euroclear, Clearstream, Luxembourg and/or DTC, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**") or (ii) in accordance with the order of priorities relating to the repayment of principal of the Notes. In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 16 (*Notices*) not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes or represented by a Global Note shall in each case bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding and Notes outstanding represented by such Global Note, respectively, bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such nominal amounts to ensure that each represents an integral multiple of the Specified Denomination. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 7(e) (*Redemption at the option of the Issuer (Issuer Call)*) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 16 (*Notices*) at least five days prior to the Selection Date.

Upon any redemption pursuant to this Condition 7(e) (*Redemption at the option of the Issuer (Issuer Call)*), the Redemption Agent shall, forthwith upon receiving the notice referred to in (iii) above and subject to confirmation from the Trustee in respect of (i) above, arrange and administer the sale of the Charged Assets, and the Charged Agreement(s) will be terminated. The security over the Charged Assets securing the Notes will be released by the Trustee, subject to the provisions specified in the Trust Deed, the Pledge Agreement and any relevant Charging Document(s), to provide funds for such redemption.

(f) *Redemption at the option of the Noteholders (Investor Put)*

(i) *General option*

If Investor Put is specified in the applicable Final Terms so that Noteholders have an option to require the Issuer to redeem the Notes by Cash Settlement and/or Physical Settlement, upon the holder of any Note giving to the Issuer in accordance with Condition 7(f)(ii) (*Exercise of put*) not less than 15 nor more than 30 days' notice (which notice shall be irrevocable) or such other period of notice as is specified in the applicable Final Terms,

the Issuer will redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole in the case of a Bearer Note, such Note on the relevant Optional Redemption Date by Cash Settlement at the lesser of the Optional Redemption Amount specified in the applicable Final Terms and the Realisation Amount in respect of such Note, subject as provided in Condition 7(f)(ii) (*Exercise of put*) and Condition 7(f)(iii) (*Consequence of exercise of put option*) below. Such payment shall be deemed to include an amount in respect of interest (if any) accrued on such Note from the Interest Payment Date immediately preceding the Optional Redemption Date or, if none, the Interest Commencement Date. Registered Notes may be redeemed under this Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) in any multiple of their lowest Specified Denomination.

**As more fully described in Condition 7(f)(iii) (*Consequence of exercise of put option*) below, the Issuer shall only make payments in respect of any Note being redeemed pursuant to this Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) to the extent of sums received in respect of the relevant Mortgaged Property (and applied in accordance with the provisions of Condition 3(e) (*Application of proceeds*)) and the Security Ranking Basis (if applicable) and the redeeming Noteholder shall have no claims for any further amounts in respect of any shortfall (as defined in Condition 3(f) above) and no such shortfall shall constitute an Event of Default under Condition 11 (*Events of Default*).**

(ii) *Exercise of put*

If the Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, to exercise the right to require redemption of the Note, the holder of the Note must deliver such Note at the Specified Office of any Paying Agent (in the case of Bearer Notes) or the Registrar or the Transfer Agent (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar or the Transfer Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any Specified Office of any Paying Agent or, as the case may be, the Registrar or the Transfer Agent (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) and in the case of Registered Notes, the principal amount thereof to be redeemed and, if less than the full principal amount of the Registered Note so delivered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Note is to be sent subject to and in accordance with the provisions of Condition 1 (*Form, Denomination, Title, Registration, Transfer and Exchange*). If the Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of the Note must, within the notice period, give notice to the relevant Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depository for them to the relevant Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the relevant Agent for notation accordingly.

(iii) *Consequence of exercise of put option*

Upon receipt of any notice pursuant to this Condition 7(f) (*Redemption at the option of*

*the Noteholders (Investor Put)*), the Issuer shall promptly, and in any event within three Business Days, give notice of such optional redemption to the Trustee, the Redemption Agent (if applicable), the Swap Counterparty (if any) and the Credit Support Provider (if any). The Redemption Agent shall, if applicable, as soon as reasonably practicable arrange for and administer the sale of the Charged Assets (or a proportionate part thereof which corresponds to the Notes to be redeemed).

Upon any redemption pursuant to this Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*), the Charged Agreement(s) (or a proportionate part thereof which corresponds to the Notes to be redeemed) will be terminated and the security (or the relevant proportion thereof) constituted by the Trust Deed, the Pledge Agreement and/or any Charging Document(s) will be released against receipt by or to the order of the Trustee of such Charged Assets and/or the net proceeds of realisation of any of such Charged Assets for application by, or to the order of, the Trustee in accordance with Condition 3(e) (*Application of proceeds*) and this Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*).

The amount falling due on redemption of any Note redeemed pursuant to Condition 7(f)(i) (*General option*) above shall be subject to deduction for any costs or expenses (including taxes and other charges) which the Issuer may incur or which may be made against it as a result of, or in connection with, the redemption of such Note, including any costs or expenses payable by the Issuer in connection with the delivery or sale of the Charged Assets (or part thereof) and the termination of the Charged Agreement(s) (if any) (or part thereof).

(g) *Regulatory Redemption or Compulsory Resales*

The Issuer shall have the right at any time, at the expense and risk of the holder of any Notes held by or on behalf of a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a Section 3(c)(7) Eligible Investor or to a non-U.S. person outside the United States. Prior to any such redemption pursuant to (i) above, the Issuer will provide to the Trustee satisfactory evidence that each redemption is necessary in order to avoid registration under the Investment Company Act. The determination of which Notes shall be redeemed pursuant to (i) above or sold pursuant to (ii) above in any particular case shall be made at the discretion of the Issuer. Any such redemption shall be made at the Early Redemption Amount as defined below. The Registrar is not required to register any purported transfers of Notes which would, in the opinion of the Issuer or the Registrar, cause the Issuer to be in violation of the Securities Act or the Investment Company Act.

Inability to make payment of the full amount due in respect of a redemption of any Notes pursuant to this Condition 7(g) (*Regulatory Redemption or Compulsory Resales*) shall not constitute an Event of Default under Condition 11 (*Events of Default*). In the event of any such redemption pursuant to this Condition 7(g) (*Regulatory Redemption or Compulsory Resales*) by the Issuer, the security (or the relevant portion thereof) constituted by the Trust Deed, the Pledge Agreement and/or any Charging Document(s) shall become enforceable to the extent applicable to the portion of the Notes so redeemed and the Trustee may take such action as is provided in Condition 12 (*Enforcement*) to enforce the relevant security interest(s). After satisfaction of the Issuer's obligations, the Charged Agreement(s) (or the relevant portion thereof) will terminate.

(h) *Early Redemption for Extraordinary Reason, Illegality and Force Majeure*

If, for reasons beyond the control of the Issuer, the performance of the Issuer's obligations under

the Notes is prevented by reason of force majeure or act of state occurring after such obligation is entered into or has become illegal or impossible in whole or in part, the Issuer may at its discretion and without obligation redeem all but not some only of the Notes and terminate the Charged Agreement(s) by giving not less than five nor more than ten Business Days' notice to the Noteholders in accordance with Condition 16 (*Notices*) which notice shall be irrevocable and shall specify the date upon which the Notes shall be redeemed (for the purposes of this Condition 7(h) (*Early Redemption for Extraordinary Reason, Illegality and Force Majeure*), such date on which the Notes become immediately due and payable, the "**Early Redemption Date**").

Should any one or more of the provisions contained in the Terms and Conditions of the Notes be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

Upon any redemption pursuant to this Condition 7(h) (*Early Redemption for Extraordinary Reason, Illegality and Force Majeure*), the Redemption Agent shall, forthwith upon receiving the notice referred to above, arrange and administer the sale of the Charged Assets, and the Charged Agreement(s) will be terminated. The security over the Charged Assets securing the Notes will be released by the Trustee, subject to the provisions specified in the Trust Deed, the Pledge Agreement and any relevant Charging Document(s), to provide funds for such redemption.

If the Notes are so redeemed, the Issuer will, if and to the extent permitted by applicable law, pay to each Noteholder in respect of each Note held by such holder an amount equal to the Early Redemption Amount of a Note notwithstanding the illegality or impossibility as determined by the Calculation Agent in its sole and absolute discretion acting in good faith and in a commercially reasonable manner. Payment will be made in such manner as shall be notified to the Noteholders in accordance with Condition 16 (*Notices*).

(i) *Early Redemption Amounts*

For the purpose of Conditions 7(b) (*Redemption in relation to the Charged Assets*), 7(c) (*Redemption for taxation reasons*), 7(d) (*Redemption upon termination of the Charged Agreements*), 7(g) (*Regulatory Redemption or Compulsory Resales*) and 7(h) (*Early Redemption for Extraordinary Reason, Illegality and Force Majeure*) above and Condition 11 (*Events of Default*), the Early Redemption Amount in respect of each Note will, unless otherwise specified in the applicable Final Terms, be the lesser of:

- (i) the Realisation Amount in respect of such Note (applied in accordance with Condition 3(e) (*Application of proceeds*)); and
- (ii) an amount calculated as follows:
  - (a) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
  - (b) in the case of Notes (other than Zero Coupon Notes but including Instalment Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at their outstanding principal amount,

together with, in either case, unless otherwise specified in the applicable Final Terms, an amount in respect of interest (if any) accrued on such Note from and including the

immediately preceding Interest Payment Date or, if none, the Interest Commencement Date to and including the date of redemption; or

- (c) in the case of Notes which are to be redeemed by Physical Settlement, in the manner specified in the applicable Final Terms; or
- (d) in the case of Zero Coupon Notes, at an amount (the "**Amortised Face Amount**") equal to the sum of:
  - (A) the Reference Price (as specified in the applicable Final Terms); and
  - (B) the product of the Accrual Yield (as specified in the applicable Final Terms) (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption, or such other amount as is provided in the applicable Final Terms.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made:

- (I) in the case of a Zero Coupon Note other than a Zero Coupon Note denominated in euro, on the basis of a 360-day year consisting of 12 months of 30 days each; or
- (II) in the case of a Zero Coupon Note denominated in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed fall in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non-leap year divided by 365); or
- (III) such other calculation basis as may be specified in the applicable Final Terms.

**If the Notes become redeemable in accordance with Condition 7(b) (Redemption in relation to the Charged Asset), 7(c) (*Redemption for taxation reasons*), 7(d) (*Redemption upon termination of the Charged Agreements*), 7(g) (*Regulatory Redemption or Compulsory Resales*) or 7(h) (*Early Redemption for Extraordinary Reason, Illegality and Force Majeure*) above, upon payment of the Early Redemption Amount in respect of each Note, the Issuer shall have discharged its obligations in respect of such Note and shall have no other liability or obligation whatsoever in respect thereof. The Early Redemption Amount may be less than the principal amount and accrued interest in respect of a Note. Such shortfall shall be borne by the Noteholders and the Swap Counterparty in accordance with Condition 3(f) (*Shortfall after application of proceeds*).**

(j) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to this Condition 7(j) (*Late payment on Zero Coupon Notes*) or upon its becoming due and repayable as provided in Condition 11 (*Events of Default*) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 7(i) (*Early Redemption Amounts*) above as though the reference therein to the date fixed for the redemption was replaced by reference to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Note has been received by the Trustee or Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 16 (*Notices*).

(k) *Instalments*

Unless previously redeemed, purchased and cancelled, each Instalment Note will be redeemed at the Instalment Amount on each Instalment Date (both as specified in the applicable Final Terms) whereupon the outstanding aggregate principal amount of such Note shall be reduced for all purposes by the Instalment Amount.

On each such Instalment Date a proportionate part of the security constituted by the Trust Deed, the Pledge Agreement and/or any Charging Document(s) shall be released by the Trustee against receipt of the Charged Assets by the Trustee or, as the case may be, the net proceeds of realisation thereof, failing receipt of which the Trustee may take such action as is provided in Condition 3(d) (*Realisation of Mortgaged Property upon redemption*).

In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 7(i) (*Early Redemption Amounts*) above.

(l) *Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 9 (*Purchase*) (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(m) *Partial redemption of Notes*

In the event of the Notes of any Class or Series being partially redeemed, the Notes to be redeemed ("**Redeemed Notes**") will be selected, as indicated in the applicable Final Terms, either (i) individually by lot, in the case of Redeemed Notes represented by definitive Notes, or in accordance with the rules of Euroclear, Clearstream, Luxembourg and/or DTC, in the case of Redeemed Notes represented by a Global Note and definitive notes held through Euroclear or Clearstream, Luxembourg, not more than 30 days prior to the date fixed for redemption or (ii) in accordance with the order of priorities relating to the repayment of principal of the Notes. Any such partial redemption shall not be deemed prejudicial to the interests of any remaining Noteholders of such Class or Series.

(n) *Payments only to the extent of funds available therefor*

Unless otherwise specified in the applicable Final Terms, all payments on any Notes or Class of Notes under this Condition 7 (*Redemption*) shall only be due and payable to the extent of the receipt by the Issuer of proceeds of the Mortgaged Property available therefor (after application of such proceeds (i) prior to enforcement of the security for the Notes, in accordance with the order of priorities set out in the applicable Final Terms and (ii) following enforcement of the security for the Notes, in accordance with the provisions of Condition 3(e) (*Application of proceeds*) and the Security Ranking Basis (if applicable) specified in the applicable Final Terms). For the avoidance of doubt, failure to make payment in full of any amount in respect of any Notes or Class of Notes specified under paragraphs (a) to (i) of this Condition 7 (*Redemption*) as a result of non-receipt by the Issuer of sufficient proceeds therefor (after application of such proceeds as aforesaid) shall not constitute an Event of Default under Condition 11 (*Events of Default*).

For the avoidance of doubt, all deliveries to be made under Condition 8 (*Delivery Option*) below shall only be made to the extent of the Mortgaged Property available therefor. Failure to deliver in whole the Relevant Proportion of the Asset Amount (each term as defined in Condition 8 (*Delivery Option*)) in respect of any Note or Class of Notes specified under paragraphs (a) to (i) of this Condition 7 (*Redemption*) as a result of a shortfall in the Mortgaged Property shall not constitute an Event of Default under Condition 11 (*Events of Default*).

## 8. DELIVERY OPTION

(a) *Procedure by the Noteholders*

If any Note falls to be redeemed and Physical Settlement is specified to apply in the applicable Final Terms, any delivery shall be in accordance with applicable securities laws. If the Notes are in definitive form, in order to obtain delivery of the Relevant Proportion (as defined below) of the Charged Assets and/or such other assets as specified in the applicable Final Terms (the "**Asset Amount**") the relevant Noteholder must deliver to any Paying Agent, the Registrar (if applicable) or the Transfer Agent at least ten days or such other period as may be specified in the applicable Final Terms prior to the redemption date, the Note (which expression shall, for the purposes of this Condition 8 (*Delivery Option*)), include Receipt(s) and, if applicable, all unmatured Coupons, in accordance with the provisions of Condition 6 (*Payments*)), a duly completed Asset Transfer Notice substantially in the form set out in the Agency Agreement (the "**Asset Transfer Notice**"), a copy of which may be obtained from the Specified Office of any of the Paying Agents, the Registrar (if applicable) or the Transfer Agent. In the event that the Note is represented by a Global Note, an Asset Transfer Notice must be delivered to the Issuer via Euroclear, Clearstream, Luxembourg or DTC, as the case may be, by such method of delivery as Euroclear, Clearstream, Luxembourg or DTC, as the case may be, shall have approved.

After delivery of an Asset Transfer Notice, no transfers of the Notes specified therein represented by a Global Note will be effected by Euroclear, Clearstream, Luxembourg and/or DTC and no transfers of Registered Notes specified therein will be effected by the Registrar.

(b) *Procedure by the Issuer and others*

Upon receipt of a duly completed Asset Transfer Notice and, in the case of Notes in definitive form, the Note to which such notice relates, the relevant Paying Agent, Euroclear, Clearstream, Luxembourg, DTC or the Registrar, as the case may be, shall verify that the person specified therein as the accountholder or registered holder, as the case may be, is the holder of the Notes referred to therein according to its books or the Register, as the case may be.

Subject as provided herein, in relation to each Note, the Relevant Proportion of the Asset Amount

will be delivered at the risk of the relevant Noteholder using the Delivery Method (as specified in the applicable Final Terms) on the due date for redemption of the Notes, provided that the relevant Note in definitive form and the Asset Transfer Notice are delivered not later than the close of business in London on the day (the "**Notice Cut-off Date**") which is five Business Days before the due date for redemption of the Notes.

If the relevant Note in definitive form and the Asset Transfer Notice are delivered to the Issuer later than close of business on the Notice Cut-off Date, then the Relevant Proportion of the Asset Amount will be delivered as soon as practicable after the due date for redemption of the Notes, at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or other assets, whether of interest or otherwise, in the event of the delivery of the Relevant Proportion of the Asset Amount falling after the due date for redemption of the Notes pursuant to the provisions of this paragraph or otherwise due to circumstances beyond the control of the Issuer.

**If the relevant Noteholder fails to deliver an Asset Transfer Notice in the manner set out herein or delivers an Asset Transfer Notice on any day falling after the day that is 180 calendar days after the Notice Cut-off Date or fails to pay the expenses referred to in Condition 8(f) (*Costs and expenses*) or, in the case of Notes in definitive form, fails to deliver the Note related thereto, the Issuer shall be discharged from its obligation in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof. Any assets that would otherwise have been distributed to a Noteholder shall be distributed in accordance with Condition 3(e) (*Application of proceeds*).**

(c) *Settlement Disruption*

If, prior to delivery of the Relevant Proportion of the Asset Amount, the Issuer determines that delivery of the Relevant Proportion of the Asset Amount is not practicable by reason of a Settlement Disruption Event (as defined in Condition 8(h) (*Definitions*) below) having occurred and continuing on the due date for delivery then that date shall be postponed to the first following Business Day in respect of which there is no such Settlement Disruption Event; provided, however, that, subject as provided below, in no event shall delivery be made later than the eighth Business Day after the originally scheduled date. If in respect of such eighth Business Day the delivery of the Relevant Proportion of the Asset Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of Physical Settlement the Issuer will satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price specified in the applicable Final Terms on the third Business Day following such eighth Business Day notwithstanding any other provision hereof. If the Relevant Proportion of the Asset Amount is delivered later than the originally scheduled due date for delivery, until delivery of the Relevant Proportion of the Asset Amount is made to the Noteholder, the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of those assets. None of the Issuer, its affiliates and any such other person shall (i) be under any obligation to deliver or procure delivery to such Noteholder or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such assets, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such assets until the date of delivery or (iii) be under any liability to such Noteholder or any subsequent transferee in respect of any loss or damage which such Noteholder or subsequent transferee may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such assets until the date of delivery.

(d) *Asset Transfer Notice*

The Asset Transfer Notice is irrevocable and must:

- (i) specify the information requested under the Delivery Method specified in the applicable Final Terms;
- (ii) specify the number of Notes which are the subject of such notice;
- (iii) in the event such Notes are represented by a Global Note:
  - (A) specify the number of the Noteholder's account at Euroclear, Clearstream, Luxembourg, DTC or any other relevant clearance system, as the case may be, to be debited with such Notes; and
  - (B) irrevocably instruct and authorise Euroclear, Clearstream, Luxembourg, DTC or any other relevant clearance system, as the case may be, to debit the relevant Noteholder's account with such Notes on the due date for payment in respect of the redemption of the Notes;
- (iv) in the event such Notes are Registered Notes, irrevocably instruct and authorise the Registrar to effect the transfer of the relevant Notes;
- (v) authorise the production of such notice in any applicable administrative or legal proceedings; and
- (vi) authorise the Issuer to deduct from the Relevant Proportion of the Asset Amount to be delivered to such Noteholder the expenses referred to in Condition 8(f) (*Costs and expenses*) below.

Failure properly to complete and deliver an Asset Transfer Notice and, in the case of Notes in definitive form, to deliver the relevant Note may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Terms and Conditions shall be made by the Issuer in its sole and absolute discretion and shall be conclusive and binding on the relevant Noteholder.

(e) *Fractional Entitlement*

If the Relevant Proportion of the Asset Amount due to a Noteholder comprises less than a multiple of a whole number of the relevant assets at the relevant time, then (a) the Issuer shall not deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of an asset which is less than a whole number (the "**Fractional Entitlement**") and (b) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as delivery of the Relevant Proportion of the Asset Amount) equal to the value (as determined by the Calculation Agent) of the Fractional Entitlement.

(f) *Costs and expenses*

- (i) Any governmental charge that may be imposed when effecting any delivery of the Asset Amount shall be borne by the Noteholder and shall, at the option of each Noteholder, either be:
  - (A) paid to the Issuer by such Noteholder prior to the delivery of the Relevant Proportion of the Asset Amount (and, for the avoidance of doubt, the Issuer shall not be required to deliver any Asset Amount to such Noteholder until it has

received such payment); or

- (B) be deducted by the Issuer from the redemption amount owing to such Noteholder, in accordance with Condition 8(f)(ii) (*Costs and expenses*) below.

In addition, if all or some of the Notes are redeemed by Physical Settlement pursuant to Condition 7(f) (*Redemption at the option of the Noteholders (Investor Put)*) any deduction required to be made as a result of any costs and expenses incurred in realising the security (or the relevant proportion thereof) and/or, if applicable, any termination payment due from the Issuer in connection with the termination of the Charged Agreement(s) (if any) (or part thereof), shall be deducted by the Issuer from the redemption amount owing to the Noteholders.

- (ii) If there is not a cash amount owing to a Noteholder sufficient to cover the Issuer's costs, expenses and deductions referred to in this Condition 8(f) (*Costs and expenses*) in respect of such Noteholder's Note (the "**Delivery Expenses**"), the Issuer may convert such amount of the Relevant Proportion of the Asset Amount into cash sufficient to cover the Delivery Expenses in respect of such Note from which the Issuer shall deduct such Delivery Expenses. Each Note will then be redeemed by delivery of the remaining Asset Amount in respect of such Note and, if applicable, payment of a cash amount in respect of any Fractional Entitlement arising, together with any other amounts to which such Noteholder is entitled upon redemption of such Note.

(g) *General*

The Issuer shall not be under any obligation to register or procure the registration of any Noteholder or any other person as the registered holder of any of the assets to be delivered in the register of members of any company whose shares form part of the Asset Amount. The Issuer shall not be obliged to account to any Noteholder for any entitlement received or receivable in respect of any of the assets to be delivered if the date on which such assets are first traded ex such entitlement is on or prior to the date of delivery. The Calculation Agent shall determine the date on which such assets are so first traded ex any such entitlement.

(h) *Definitions*

For the purposes of this Condition 8 (*Delivery Option*), "**Settlement Disruption Event**" means an event beyond the control of the Issuer as a result of which the Issuer cannot make delivery of the Relevant Proportion of the Asset Amount (and, if applicable, any payments in respect of the Note to which such delivery relates) in the manner specified as the Delivery Method in the applicable Final Terms and shall include (for the avoidance of any doubt) any restrictions on delivery or transfer or any other relevant provisions of the terms of the relevant Charged Assets and "**Relevant Proportion**" means the proportion which the principal amount of the Note or Notes the subject of an Asset Transfer Notice bears to the aggregate principal amount of all Notes outstanding (including those the subject of the Asset Transfer Notice) immediately prior to the date set for redemption.

## 9. PURCHASE

If so specified in the applicable Final Terms, the Issuer may, provided that no Event of Default has occurred and is continuing, purchase Notes (or any of them) at any time and from time to time in the open market or otherwise at any price, provided that the Issuer shall not purchase any definitive Bearer Note unless it purchases all unmatured Receipts and Coupons (if any) in respect of such definitive Bearer Note.

On any such purchase the Charged Agreement(s) (or a proportionate part thereof which corresponds to the Notes to be purchased) will be terminated and the security over the Charged Assets securing the Notes to be purchased will be released against receipt by the Trustee or to the Trustee's order of the net proceeds of the sale or, as the case may be, realisation of such Charged Assets for application by the Trustee in accordance with Condition 3(e) (*Application of proceeds*) and subject to 3(f) (*Shortfall after application of proceeds*). In the case of purchase of some only of the Registered Notes represented by a definitive Registered Note certificate, the Registrar shall deliver, *mutatis mutandis* in accordance with Condition 1 (*Form, Denomination, Title, Registration, Transfer and Exchange*), a Registered Note certificate for the unpurchased balance to the relevant Noteholder.

**The Realisation Amount (after the termination payment (if any) is paid to the Swap Counterparty or is received by the Issuer upon partial termination of the Swap Agreement(s)) may be less than the purchase price of the Notes. Such shortfall shall be borne by the Noteholders and the Swap Counterparty in accordance with Condition 3(f) (*Shortfall after application of proceeds*).**

If the applicable Final Terms does not indicate that the Issuer may purchase Notes, the Issuer may not purchase Notes.

All Notes purchased by the Issuer pursuant to this Condition 9 (*Purchase*) shall be cancelled in accordance with the provisions of Condition 7(k) (*Cancellation*).

## 10. PRESCRIPTION

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 10 (*Prescription*) or Condition 6(b) (*Payments - Presentation of definitive Bearer Notes, Receipts and Coupons*) or any Talon which would be void pursuant to Condition 6(b) (*Payments - Presentation of definitive Bearer Notes, Receipts and Coupons*).

The Issuer shall be discharged from its obligation to pay principal on a Registered Note to the extent that a cheque which has been duly despatched remains uncashed at the end of the period of ten years from the Relevant Date in respect of such payment. The Issuer shall be discharged from its obligation to pay interest on a Registered Note to the extent that a cheque which has been duly despatched remains uncashed at the end of the period of five years from the Relevant Date in respect of such payment.

"**Relevant Date**" means the date on which payment of principal and interest first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Trustee or the Principal Paying Agent, as the case may be, on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given

to the Noteholders in accordance with Condition 16 (*Notices*).

## 11. EVENTS OF DEFAULT

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth in aggregate principal amount of, in the case of a Series of Notes comprising only one Class of Notes, the Notes then outstanding or, in the case of a Series of Notes comprising more than one Class of Notes, the most senior ranking Class of Notes then outstanding or if so directed by an Extraordinary Resolution of, in the case of a Series of Notes comprising only one Class of Notes, the Noteholders or, in the case of a Series of Notes comprising more than one Class of Notes, the Noteholders of the most senior ranking Class of Notes then outstanding provided that in the case of Notes of a Series comprising more than one Class of Notes, subject to the restrictions contained in the Trust Deed to protect the interests of the holders of the Notes of each Class, the Trustee shall (subject in any such case to being indemnified to its satisfaction) give notice to the Issuer that the Notes are, and they shall accordingly immediately become, due and repayable at the Early Redemption Amount together with, if applicable, interest accrued to the date of redemption, and the security constituted by the Trust Deed, the Pledge Agreement and/or the Charging Document(s) (as the case may be) shall become enforceable (as provided in the Trust Deed, the Pledge Agreement and/or the Charging Document(s) (as the case may be)) and the proceeds of realisation of such security shall be applied as specified in Condition 3(e) (*Application of proceeds*) if any of the following events shall occur and be continuing (each an "**Event of Default**"):

- (a) in the case of a Series comprising only one Class of Notes, if default is made for a period of 14 days or more in the payment of any sum due in respect of the Notes, the Receipts or the Coupons or any of them; or
- (b) in the case of a Series comprising more than one Class of Notes, if default is made for a period of 14 days or more in the payment of any sum due in respect of the Notes, the Receipts or the Coupons of the most senior ranking Class of Notes then outstanding; or
- (c) if any order shall be made by any competent court or any resolution passed for the winding-up or dissolution of the Issuer or the Credit Support Provider (if any), as the case may be, save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangements on terms approved in advance by the Trustee or by an Extraordinary Resolution of Noteholders in the case of a Series of Notes comprising only one Class of Notes, or, by the Noteholders of the most senior ranking Class of Notes then outstanding in the case of a Series of Notes comprising more than one Class of Notes; or
- (d) if the Issuer or the Credit Support Provider (if any) as the case may be, fails to perform or observe any of its other obligations under the Notes or the Trust Deed, the Pledge Agreement and/or the Charging Document(s) (as the case may be) (the breach of which obligation the Trustee shall have certified to be in its opinion materially prejudicial to the interests of the Noteholders) and such failure continues for a period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer or the Credit Support Provider, as the case may be, (with a copy to the Issuer, in the case of service on the Credit Support Provider) of notice requiring the same to be remedied; or
- (e) if the Issuer becomes required to register as an "Investment Company" under the Investment Company Act.

## 12. ENFORCEMENT

At any time after the Notes or any of them shall have become due and repayable and have not been repaid, the Trustee may, at its discretion and without notice, institute such proceedings against the Issuer and/or the Credit Support Provider (if any) as it may think fit to enforce repayment thereof together with accrued interest (if any) and to enforce the provisions of the Notes, the Trust Deed, the Pledge Agreement and/or the Charging Document(s) (as the case may be), but it shall not be bound to institute any such proceedings unless:

- (a) it shall have been so directed by an Extraordinary Resolution of, in the case of a Series of Notes comprising only one Class of Notes, the Noteholders or, in the case of a Series of Notes comprising more than one Class of Notes, the Noteholders of the most senior ranking Class of Notes then outstanding or in writing by the Swap Counterparty (if any) or so requested in writing by the holders of at least one-fifth in aggregate principal amount of, in the case of a Series of Notes comprising only one Class of Notes, the Notes then outstanding or, in the case of a Series of Notes comprising more than one Class of Notes, the most senior ranking Class of Notes then outstanding provided that (i) the Trustee shall not act on the directions of the Swap Counterparty (if any) to the extent that such directions conflict with any such request or the directions of the Noteholders or, in the opinion of the Trustee, would be prejudicial to the interests of the Noteholders and (ii) in the case of a Series of Notes comprising more than one Class of Notes, subject to the restrictions contained in the Trust Deed to protect the interests of the holders of the Notes of each Class; and
- (b) it shall have been indemnified to its satisfaction.

Neither any Noteholder, Receiptholder or Couponholder nor the Swap Counterparty (if any) shall be entitled to proceed against the Issuer and/or Credit Support Provider (if any) unless the Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure is continuing. Except as aforesaid, only the Trustee may enforce the rights of the Noteholders, the Receiptholders, the Couponholders, the Swap Counterparty (if any), the Custodian (if any) or any Agent.

After realising the security which has become enforceable and distributing the net proceeds in accordance with Condition 3 (*Security*), the obligations of the Issuer with respect to the Trustee, the Swap Counterparty (if any), the Custodian (if any), the Account Bank, any Agent and any Noteholder, Receiptholder or Couponholder in respect of the Notes, the Trust Deed, the Pledge Agreement, any Charging Document(s), any Charged Agreement(s), the Agency Agreement, the Custodial Services Agreement and the Account Bank Agreement shall be satisfied and none of the foregoing parties may take any further steps against the Issuer to recover any further sums in respect thereof and the right to receive any such sums shall be extinguished. Claims against the Credit Support Provider (if any) will not be subject to any such limitation as aforesaid.

None of the Trustee, the Swap Counterparty (if any), the Custodian (if any), any Agent, the Credit Support Provider (if any), any Noteholder, Receiptholder or Couponholder shall be entitled in respect thereof to petition or to take any other steps for the winding-up, dissolution, administration or appointment of a liquidator, receiver, administrator, administrative receiver, trustee or similar officer of the Issuer nor shall any of them have any claim in respect of the Notes or any other Series or any other Tranche unless so provided in the Final Terms relating to any such other Series or Tranche.

Unless and to the extent otherwise specified in the applicable Final Terms, if the Notes are of a Series comprising more than one Class of Notes and are of a Class ranking junior in point of priority to any other Class of Notes within such Series, then, notwithstanding the foregoing

paragraph, none of the Noteholders, the Receiptholders (if any) and the Couponholders (if any) of such Class and none of the Swap Counterparty (if any), the Custodian (if any) or any Agent shall be entitled to take any steps against the Issuer to recover any sums in respect of the obligations of the Issuer in relation to such Class owing to such party (including petitioning or taking any other steps for winding up of the Issuer) unless and until the Issuer's obligations in respect of the Trustee, the Noteholders, the Receiptholders (if any) and the Couponholders (if any) of any senior Class or Classes of Notes of such Series, the Swap Counterparty (if any), the Custodian (if any) or any Agent in relation to the senior ranking Class or Classes of Notes of such Series shall have been paid in full.

**The Relevant Sums (as defined in Condition 3(f) (*Shortfall after application of proceeds*)) may be insufficient to pay all amounts due to, among others, the Trustee, the Swap Counterparty and the Noteholders. The other assets (if any) of the Issuer including, in particular, assets securing other Series of Notes will not be available to make up any shortfall (as defined in Condition 3(f) (*Shortfall after application of proceeds*)).**

### 13. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may, subject to applicable laws and regulations, be replaced at the Specified Office of the Principal Paying Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

### 14. AGENTS

The names of the initial Agents and their initial Specified Offices are set out below.

The Issuer, with the prior approval of the Trustee, is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the Specified Office through which any Agent acts, provided that, so long as any of the Notes is outstanding:

- (i) there will at all times be a Principal Paying Agent;
- (ii) there will at all times be a Registrar with a Specified Office in a city in continental Europe (in the case of Registered Notes);
- (iii) there will at all times be a Transfer Agent (in the case of Registered Notes) which, so long as any Notes are listed on the Luxembourg Stock Exchange, shall be in Luxembourg;
- (iv) so long as any Notes are listed on a stock exchange, there will at all times be a Paying Agent (which may be the Principal Paying Agent) or a Registrar, as the case may be, having a Specified Office in such place as may be required by the rules and regulations of the relevant stock exchange or other competent authority, which, so long as any Notes are listed on the Luxembourg Stock Exchange, shall be a Paying Agent in the Grand Duchy of Luxembourg;
- (v) the Issuer will ensure that it maintains a Paying Agent in a member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to such Directive;

- (vi) there will at all times be a Custodian (if applicable);
- (vii) there will at all times be a Redemption Agent (if specified in the Final Terms);
- (viii) there will at all times be an Agent Bank (if specified in the Final Terms);
- (ix) so long as any Restricted Global Notes payable in a specified currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a Specified Office in New York City; and
- (x) there will at all times be a Calculation Agent (if specified in the Final Terms).

In addition, the Issuer shall forthwith appoint a Paying Agent having a Specified Office in New York City in the circumstances described in Condition 6(e) (*General provisions applicable to payments*). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 15 nor more than 30 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 16 (*Notices*).

In acting under the Agency Agreement or the Account Bank Agreement, as the case may be, and except as otherwise provided in the Trust Deed, the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent (other than the Account Bank) is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

## 15. EXCHANGE OF TALONS

On and after the Interest Payment Date or Instalment Date, as appropriate, on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the Specified Office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 10 (*Prescription*).

## 16. NOTICES

All notices to Noteholders regarding the Bearer Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London, and (b) if and for so long as the Notes are listed on the Luxembourg Stock Exchange, in such manner as is for the time being required by the Luxembourg Stock Exchange. It is expected that such publication will be made in the *Financial Times* in London and on the Luxembourg Stock Exchange website or in *d'Wort* or the *Tageblatt* in the Grand Duchy of Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange (or any other relevant authority) on which the Bearer Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been

given on the fourth day (or, if posted to an overseas address, the seventh day) after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange and the rules of that stock exchange so require, such notice will be published in such manner as is for the time being required by the rules of that stock exchange.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear, Clearstream, Luxembourg and/or DTC, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear, Clearstream, Luxembourg and/or DTC for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or other relevant authority and the rules of that stock exchange or other relevant authority so require, such notice will be published in such manner as is for the time being required by the rules of that stock exchange or other relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to Euroclear, Clearstream, Luxembourg and/or DTC.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any accountholder to the Principal Paying Agent through Euroclear, Clearstream, Luxembourg and/or DTC, as the case may be, in such manner as the Principal Paying Agent, the Registrar and Euroclear, Clearstream, Luxembourg and/or DTC, as the case may be, may approve for this purpose.

## **17. MEETINGS OF NOTEHOLDERS; MODIFICATION, WAIVER AND SUBSTITUTION**

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Terms and Conditions or other provisions of the Trust Deed, the Pledge Agreement or the Charging Document(s) (if any), subject in the case of Notes of a Series comprising more than one Class of Notes, to restrictions contained in the Trust Deed to protect the interests of holders of the Notes of each Class. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing in the aggregate not less than 75 per cent. in principal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes so held or represented. An Extraordinary Resolution passed at any meeting of Noteholders will be binding on all Noteholders, whether or not they are present at the meeting, and, if applicable, on all Couponholders and Receiptholders.

Where the Notes are of a Series comprising more than one Class of Notes, an Extraordinary Resolution passed at any meeting of the holders of the most senior ranking Class of Notes shall be binding on all holders of Notes ranking junior to the Notes of such Class irrespective of the effect upon them, except that an Extraordinary Resolution, inter alia, to sanction a modification of the date of maturity of any Notes or which would have the effect of postponing any day for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of any Notes, altering the currency of payment of any Notes, or as the case may be, the Coupons relating thereto or altering this exception shall not take effect unless it shall have been sanctioned by an Extraordinary Resolution of the holders of each Class of Notes ranking junior to such Class or it shall not, in the opinion of the Trustee, be materially prejudicial to the interests of all such Noteholders.

An Extraordinary Resolution passed at any meeting of holders of any Class of Notes ranking junior to one or more Class of Notes shall not be effective for any purpose while any of the more senior ranking Class or Classes of Notes remains outstanding unless either:

- (i) the Trustee is of the opinion that it would not be materially prejudicial to the interests of the Noteholders of each of the more senior ranking Class of Notes; or
- (ii) it is sanctioned by an Extraordinary Resolution of the Noteholders of each of the more senior ranking Class of Notes.

The Trustee may agree, without the consent of the Noteholders (but subject, in the case of (i) below only if the Notes are rated by a rating agency (a "**Rating Agency**"), to prior notification by the Issuer to such Rating Agency and confirmation therefrom as to there being no adverse change to the credit rating granted by such Rating Agency), to (i) any modification of, or to any waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any provision of the Trust Deed, the Pledge Agreement or the Charging Document(s) (if any) or, in the case of modification, of the Agency Agreement, the Custodial Services Agreement, the Account Bank Agreement, the Charged Agreement(s) or the Credit Support Document(s) (if any) which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders (and, in the case of Notes of a Series comprising more than one Class of Notes, the holders of each Class of Notes), provided however that no such modification, waiver or authorisation shall be effective without the consent of the Swap Counterparty (if any) (such consent not to be unreasonably withheld or delayed) or (ii) any modification to any of the same which is of a formal, minor or technical nature or to correct a manifest or an error which is, in the opinion of the Trustee, proven.

Subject as provided in the Trust Deed, the Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders (and, in the case of Notes of a Series comprising more than one Class of Notes, the holders of each Class of Notes), may agree, without the consent of the Noteholders (but subject to prior notification to, and confirmation from, any relevant Rating Agency as aforesaid), to the substitution of any other company in place of the Issuer as principal debtor under the Trust Deed, the Notes and, if applicable, the Receipts and the Coupons. No such substitution shall be effective without the consent of the Swap Counterparty (if any), the Swap Guarantor (if any) and/or, as applicable, the Credit Support Provider (if any) (such consent not to be unreasonably withheld or delayed). Under the Trust Deed, the Issuer has covenanted that it shall use reasonable endeavours to procure the substitution as principal debtor of a company incorporated in some other jurisdiction than that of the Issuer in the event of the Issuer becoming subject to any of the tax events described in Condition 7(c) (*Redemption for taxation reasons*).

In connection with any exercise of its trusts, powers, authorities or discretions, the Trustee shall have regard to the general interests of the Noteholders (or the holders of the Notes of the relevant one or more Classes affected thereby) as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or political sub-division thereof. In connection with any such exercise, no person shall be entitled to claim, whether from the Issuer, any substitute Issuer, the Swap Counterparty (if any), the Swap Guarantor (if any), the Credit Support Provider (if any), the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such exercise upon any person. If, in considering the interests of the Noteholders of more than one Class, there is, in the opinion of the Trustee, a conflict between the interests of the Noteholders of one or more Classes and the Noteholders of another or other Class(es), the Trustee shall not exercise such trust, power, authority or discretion (and shall not be liable for any losses incurred thereby); provided that the

Trustee may exercise such trust, power, authority or discretion if it is satisfied that to do so will not be materially prejudicial to the interests of the Noteholders of any Class that will be affected thereby.

Any such modification, waiver, authorisation or substitution shall be binding on all Noteholders, Receiptholders and, if applicable, all Couponholders and any such modification or substitution shall be notified to the Noteholders by the Issuer in accordance with Condition 16 (*Notices*) as soon as practicable thereafter unless, in the case of a modification, the Trustee agrees otherwise.

The Trust Deed contains provisions limiting the powers of the holders of any Class of Notes ranking junior in point of priority to the holders of any other Class or Classes of Notes, *inter alia*, to request or direct the Trustee to take any action or, as described above, to pass an effective Extraordinary Resolution according to the effect thereof on the interests of the holders of the more senior ranking Class or Classes of Notes. Except in certain circumstances, the Trust Deed contains no such limitation on the powers of the holders of such senior ranking Class or Classes of Notes in respect of the holders of any junior ranking Class or Classes of Notes to request or direct the Trustee to take any action or to pass an effective Extraordinary Resolution, and any such action or Extraordinary Resolution will be binding on the holders of any junior ranking Class or Classes of Notes, irrespective of the effect thereof on their interests.

## **18. FURTHER ISSUES**

The Issuer shall be at liberty from time to time, without the consent of the Trustee, the Noteholders, the Receiptholders, the Couponholders, the Swap Guarantor (if any), the Credit Support Provider (if any) or (except in the case of (i) below) the Swap Counterparty (if any) to create and issue further bonds, notes or other securities either (i) so as to be consolidated and form a single Class or Series with the existing Notes of any Class or Series or (ii) upon such terms as to security, interest, premium, redemption and otherwise as the Issuer may, in its absolute discretion, at the time of the issue thereof determine; provided that (a) in the case of (i) above (x) confirmation is received from the relevant Rating Agency (if any) that there will be no adverse change to the credit rating of the Notes which have been rated and with which the new Notes are to form a single Class or Series and (y) the value of the Mortgaged Property relating to the relevant Class or, in the case of any Series comprising more than one Class, Series is correspondingly increased, and (b) in the case of (ii) such bonds, notes or other securities are secured on assets of the Issuer other than those referred to in Condition 3 (*Security*) relating to any existing Notes and on terms in substantially the form of these Terms and Conditions which provide for the extinguishment of all claims in respect of such further bonds, notes or other securities after application of the proceeds of the assets upon which such further bonds, notes or other securities are secured. Any such bonds, notes or other securities shall be constituted in accordance with the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of bonds, notes or other securities of other Classes in certain circumstances.

## **19. INDEMNIFICATION AND REPLACEMENT OF THE TRUSTEE**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings unless indemnified to its satisfaction. The Trustee is exempted from any liability in respect of any loss, diminution in value or theft of all or any part of the Mortgaged Property, from any obligation to insure all or any part of the Mortgaged Property (including, in either such case, any documents evidencing, constituting or representing the same or transferring any rights, benefits and/or obligations thereunder), to procure the same to be insured or to monitor the adequacy of any insurance arrangements in respect of the Mortgaged Property and from any claim arising if all or any part of the Mortgaged Property (or any such document aforesaid) are held in an account with Euroclear, Clearstream,

Luxembourg, DTC or any other clearing system in accordance with that clearing system's rules or otherwise held in safe custody by the Custodian or a bank or other custodian whether or not selected by the Trustee.

The Trust Deed provides that the Trustee may retire at any time on giving not less than three months' prior written notice to the Issuer without giving any reason and without being responsible for any liabilities incurred by reason of such retirement. In addition, the Noteholders of any Series may by Extraordinary Resolution remove the Trustee in relation to such Series. The Issuer has undertaken in the Trust Deed that, in the event of the only Trustee of any Series giving notice or being removed by Extraordinary Resolution of the Noteholders of such Series, it will use its best endeavours to procure that a new trustee in relation to such Series is appointed as soon as reasonably practicable thereafter. If the Issuer fails so to procure the appointment of such a new trustee, the Trustee which is retiring or has been removed (as the case may be) shall appoint a successor trustee in relation to such Series. The retirement or removal of the Trustee shall not become effective until a successor trustee is appointed.

## **20. TRUSTEE CONTRACTING WITH ISSUER AND OTHER PARTIES**

The Trust Deed contains provisions pursuant to which the Trustee or any of its subsidiary or associated companies is entitled, *inter alia* (i) to enter into business transactions with the Issuer and/or the Swap Counterparty (if any) and/or the Swap Guarantor (if any) and/or the Credit Support Provider (if any) and/or any obligor in respect of the Mortgaged Property and/or any Agent and/or the Custodian and/or any of their subsidiary or associated companies and to act as trustee for the holders of any other securities issued by or relating to the Issuer and/or the Swap Counterparty (if any) and/or the Swap Guarantor (if any) and/or the Credit Support Provider (if any) and/or any obligor in respect of the Mortgaged Property and/or any Agent and/or the Custodian and/or any of their subsidiary or associated companies, (ii) to exercise and enforce its rights, comply with its obligations, and perform its duties, under or in relation to any such transactions or, as the case may be, any such trusteeships without regard to the interests of the Noteholders or the Swap Counterparty (if any) and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

## **21. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

If, in respect of any particular issue, there is a particular identified use of proceeds this will be stated in the applicable Final Terms.

## THE SWAP AGREEMENT

The following is a summary of certain features of any Swap Agreement to be entered into and is qualified by reference to the detailed provisions of such Swap Agreement.

### Payments under the Swap Agreement

If so specified in the applicable Final Terms, the Issuer has entered into with the relevant Swap Counterparty an ISDA Master Agreement dated as of a date on or before the Issue Date (including the Schedule thereto) and one or more Confirmations thereto each with an effective date of the Issue Date of the relevant Notes. Under the Swap Agreement, the Swap Counterparty will make certain payments to the Issuer in respect of amounts due on the Notes and/or (if applicable), the Receipts and Coupons and the Issuer will make certain payments to the Swap Counterparty out of sums received by the Issuer or to the order of the Issuer on or in respect of the Charged Assets (if any).

### Termination of Swap Agreement

The Swap Agreement will terminate on the Maturity Date unless terminated earlier in accordance with the terms thereof.

### Early Termination

The Swap Agreement may be terminated early if or when one or more of the following events occurs:

- (a) in whole if the relevant Notes become payable in whole in accordance with their respective Terms and Conditions prior to the Maturity Date;
- (b) at the option of the Issuer or the Swap Counterparty, if there is a failure by the other party to pay any amounts due, or to comply with or perform any obligation under the Swap Agreement; and
- (c) if (subject as provided in the Swap Agreement) withholding taxes are imposed on payments made by the Issuer or the Swap Counterparty under the Swap Agreement or it becomes illegal for either party to perform its obligations under the Swap Agreement (see "*Transfer to avoid Termination Event*" below), upon the occurrence of certain other events with respect to either party to the Swap Agreement, including a breach of representation, insolvency or merger without an assumption of the obligations in respect of such Swap Agreement.

If there is more than one Swap Agreement, termination of one Swap Agreement will result in termination of all other Swap Agreements.

### Consequences of Early Termination

The following is a description of the termination payment payable under a Swap Agreement entered into between the Issuer and the relevant Swap Counterparty in respect of the relevant series of Notes and is qualified by reference to the detailed provisions of that Swap Agreement.

Upon the early termination of a Swap Agreement, the Issuer or the Swap Counterparty may be liable to make a termination payment to the other (regardless, if applicable, of which of such parties may have caused such termination).

In all cases of early termination of a Swap Agreement occurring, other than by reason of (a) a default by the Swap Counterparty (in which case the determination will be made by the Issuer) or (b) an illegality, tax event or tax event upon merger (in which case the party which is not the Affected Party (as defined in the relevant Swap Agreement) will make the determination (or, if there are two Affected Parties, each party will make a determination which will be averaged)), the termination payment will be determined by the Swap Counterparty on the basis of quotations received from at least three leading dealers selected by the determining party.

Such quotations will be based on the amount the determining party would have to pay or expect to be paid in consideration of an agreement between the determining party and each dealer to enter into a replacement swap agreement that would have the effect of preserving for the determining party the economic equivalent of its future rights and obligations under the relevant Swap Agreement. Where such quotations cannot be determined or would not (in the reasonable belief of the determining party) produce a commercially reasonable result, the termination payment will be determined on the basis of an amount the determining party reasonably determines in good faith to be its total losses and costs (or gain) in connection with the termination of the relevant Swap Agreement (including any loss of bargain, cost of funding or, at the election of the determining party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or re-establishing any hedge or related trading position (or any gain resulting from any of them)).

Any amounts that became due and payable by the Issuer or the Swap Counterparty under a Swap Agreement before termination of such Swap Agreement but were not paid are also taken into account when determining the termination payment upon early termination of a Swap Agreement.

Upon an early termination of a Swap Agreement, there is no assurance that the termination payment payable by the relevant Swap Counterparty to the Issuer (if any) will be sufficient to repay the principal amount due to be paid in respect of the Notes and any other amounts thereof that are due.

#### **Taxation**

Neither the Issuer nor any Swap Counterparty is obliged under the relevant Swap Agreement to gross up any payment to be made under such Swap Agreement if withholding taxes are imposed.

No withholding taxes are currently applicable under Cayman Islands law to payments by SFL under Swap Agreements and SFL has applied for and expects to receive an undertaking from the Governor-in-Cabinet of the Cayman Islands that, for a period of 20 years from the date of the undertaking, (*inter alia*) no law thereafter enacted in the Cayman Islands imposing any tax to be levied on profits, income, gains or appreciation shall be payable by way of withholding in whole or any part of principal or interest or other sums due under a debenture or other obligation of SFL.

#### **Transfer to avoid Termination Event**

If withholding taxes are imposed on payments to be made by the Issuer or the Swap Counterparty under the Swap Agreement, then the Swap Counterparty shall, at its sole option, have the right to require the Issuer:

- (a) to transfer all of its interests and obligations under the Swap Agreement together with its interests and obligations under the Notes, the Trust Deed, the Agency Agreement, the Custodial Services Agreement and the Account Bank Agreement to another entity, whether or not in the same tax jurisdiction as the Issuer, as would not have any obligation to withhold or deduct (if the Issuer is or would be required to make such deduction or withholding) or to which the Swap Counterparty would be entitled to make payments free from the relevant deduction or withholding (if the Swap Counterparty is or would otherwise be required to make such withholding or deduction), subject to obtaining the prior written consent of the Trustee; or
- (b) to transfer its residence for tax purposes to another jurisdiction, subject to obtaining the prior written consent of the Trustee.

If the Issuer is unable to transfer its interests to another party or transfer its tax residence in accordance with the preceding provisions prior to the 30th day following the date of imposition of such withholding taxes, or if earlier, the 10th day prior to the first date on which it or the Swap Counterparty would otherwise be required to make a payment net of withholding taxes, the Swap Counterparty may terminate the swap transaction under the Swap Agreement.

**Transfer to another Swap Counterparty**

A Swap Counterparty may, without the consent of the relevant Noteholders or the Issuer, transfer all or part of its interest and obligations in and under the relevant Swap Agreement to any affiliate of the Swap Counterparty (the "**Transferee**"), provided that certain conditions set out in the Swap Agreement have been satisfied. Upon any such transfer, the Swap Agreement comprising the ISDA Master Agreement between the Issuer and the Transferee and any swap transaction between the Issuer and the Transferee as evidenced by any confirmation supplemental thereto and any guarantee relating thereto shall also be Charged Agreement(s) and the Calculation Agent shall adjust such of the Conditions (as modified by the applicable Final Terms) as it in its sole and absolute discretion shall determine to be appropriate to reflect that the Swap Counterparty has transferred all or part of its interest and obligations in and under the Swap Agreement to an affiliate of the Swap Counterparty and shall determine the effective date of that adjustment.

**General**

Except as stated under "*Transfer to avoid Termination Event*" above, neither the Issuer nor the Swap Counterparty are, save for the assignment by way of security in favour of the Trustee under the Trust Deed, permitted to assign, novate or transfer as a whole or in part any of their rights, obligations or interests in or under the Swap Agreement.

## FORM OF SWAP GUARANTEE BY CITIGROUP INC.

*The following is the form of Guarantee given by Citigroup Inc. which shall, if so specified in the applicable Final Terms, guarantee the obligations of Citigroup Alternative Investments Structuring Facility Ltd. or other relevant Swap Counterparty to the Issuer in respect of any Series of Notes.*

**GUARANTEE**, dated as of 26th May, 2006, of **CITIGROUP INC.**, a Delaware corporation (the "**Guarantor**"), in favor of **STRATEGIC INVESTMENT PORTFOLIOS (LUXEMBOURG) S.A.** acting in favor of each of its issued Compartments (the "**Counterparty**").

### 1. Guarantee

In order to induce the Counterparty to continue to enter into transactions (the "**Transactions**") under an ISDA Master Agreement dated as of 26th May, 2006 (the "**Agreement**"), with the Guarantor's indirect wholly-owned subsidiary, [Citigroup Alternative Investments Structuring Facility Ltd./Citigroup Financial Products Inc./Citigroup Global Markets Limited], ("**SFL/CFPI/CGML**"), the Guarantor absolutely and unconditionally guarantees to the Counterparty, its successors and permitted assigns, the prompt and timely payment of all amounts payable (or which, but for the limited recourse provisions set out in Part 5 of the Schedule to the Agreement, would be payable) by [SFL/CFPI/CGML] under the Agreement in respect of any Transaction effected under the Agreement which shall have been entered into on or after the date of this Guarantee, whether due or to become due, secured or unsecured, joint or several (the "**Obligations**") all without regard to any counterclaim, set-off, deductions or defense of any kind which the Guarantor may have or assert, and without abatement, suspension, deferment or diminution on account of any event or condition whatsoever; provided however, that the Guarantor's obligations under this Guarantee shall be subject to [SFL/CFPI/CGML]'s defenses and rights (other than the limited recourse provisions referred to above) to set-off, counterclaim or withhold payment as provided in the Agreement (if any) and provided further, however, that the Guarantor shall have no obligation to take action hereunder during any period when performance by [SFL/CFPI/CGML], in accordance with the provisions of the Agreement, would constitute a violation of any applicable laws (other than bankruptcy, liquidation, reorganisation or similar laws affecting the rights of creditors generally). Any capitalized term used herein and not otherwise defined shall have the meaning assigned to it in the Agreement.

### 2. Nature of Guarantee

This Guarantee is a guarantee of payment and not of collection. The Counterparty shall not be obligated, as a condition precedent to performance by the Guarantor hereunder, to file any claim relating to the Obligations in the event that [SFL/CFPI/CGML] becomes subject to a bankruptcy, reorganization or similar proceedings, and the failure of the Counterparty to file a claim shall not affect the Guarantor's obligations hereunder. This Guarantee shall continue to be effective or be reinstated if any payment to the Counterparty by [SFL/CFPI/CGML] on account of any Obligation is returned to [SFL/CFPI/CGML] or is rescinded upon the insolvency, bankruptcy or reorganization of [SFL/CFPI/CGML]. This Guarantee shall rank *pari passu* with other senior unsecured obligations of the Guarantor.

### **3. Consents, Waivers and Renewals**

The Guarantor agrees that the Counterparty may at any time and from time to time, either before or after the maturity thereof, without notice to or further consent of the Guarantor, change the time, manner or place of payment or any other term of, any Obligation, exchange, release, fail to perfect or surrender any collateral for, or renew or change any term of any of the Obligations owing to it, and may also enter into a written agreement with [SFL/CFPI/CGML] or with any other party to the Agreement or person liable on any Obligation, or interested therein, for the extension, renewal, payment, compromise, modification, waiver, discharge or release thereof, in whole or in part, without impairing or affecting this Guarantee. Subject to the Guarantor's right to raise defenses, and claim the right to set-off, counterclaim or withhold payment to the extent such actions are available to [SFL/CFPI/CGML] as provided in paragraph 1, the Obligations of the Guarantor under this Guarantee are unconditional, irrespective of the value, genuineness, validity, or enforceability of the Obligations, and, to the fullest extent permitted by applicable law any other circumstance which might constitute a defense available to, or a discharge of, the Guarantor under the law of suretyship. The Guarantor agrees that the Counterparty may have recourse to the Guarantor for payment of any of the Obligations, whether or not the Counterparty has proceeded against any collateral security or any obligor principally or secondarily obligated for any Obligation. The Guarantor waives demands, promptness, diligence and all notices that may be required by law or to perfect the Counterparty's rights hereunder except notice to the Guarantor of a default by [SFL/CFPI/CGML] under the Agreement. No failure, delay or single or partial exercise by the Counterparty of its rights or remedies hereunder shall operate as a waiver of such rights or remedies. All rights and remedies hereunder or allowed by law shall be cumulative and exercisable from time to time.

### **4. Representations and Warranties**

The Guarantor hereby represents and warrants that:

- 4.1 the Guarantor is duly organized, validly existing and in good standing under the laws of Delaware;
- 4.2 the Guarantor has the requisite corporate power and authority to issue this Guarantee and to perform its obligations hereunder, and has duly authorized, executed and delivered this Guarantee;
- 4.3 the Guarantor is not required to obtain any authorization, consent, approval, exemption or license from, or to file any registration with, any government authority as a condition to the validity of, or to the execution, delivery or performance of, this Guarantee;
- 4.4 as of the date of this Guarantee, there is no action, suit or proceeding pending or threatened against the Guarantor before any court or arbitrator or any governmental body, agency or official in which there is a reasonable possibility of an adverse decision which could affect, in a materially adverse manner, the ability of the Guarantor to perform any of its obligations under, or which in any manner questions the validity of, this Guarantee;
- 4.5 the execution, delivery and performance of this Guarantee by the Guarantor does not contravene or constitute a default under any statute, regulation or rule of any governmental authority or under any provision of the Guarantor's certificate of incorporation or by-laws or any contractual restriction binding on the Guarantor; and

4.6 this Guarantee constitutes the legal, valid and binding obligation of the Guarantor enforceable in accordance with its terms, subject to the effect of any bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditors' rights generally, and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

**5. Subrogation**

Upon payment by the Guarantor of any sums to the Counterparty under this Guarantee, all rights of the Guarantor against [SFL/CFPI/CGML] arising as a result thereof by way of right of subrogation or otherwise shall in all respects be (i) subordinate and junior in right of payment to the prior indefeasible payment in full of all amounts payable by [SFL/CFPI/CGML] under the Agreement, including all Transactions then in effect between [SFL/CFPI/CGML] and the Counterparty and (ii) subject to limited recourse provisions to the same extent and in the same manner, mutatis mutandis, as the limited recourse provisions in the Agreement referred to above as they apply for the benefit of [SFL/CFPI/CGML].

**6. Term of Guarantee**

This Guarantee is a continuing guarantee and shall remain in full force and effect from the period set forth in Paragraph 1 hereof until such time as it may be revoked by the Guarantor by notice given to the Counterparty, such notice to be deemed effective upon receipt thereof by the Counterparty or at such later date as may be specified in such notice; provided, however, that such revocation shall not limit or terminate this Guarantee in respect of any Transaction effected under the Agreement which shall have been entered into from the period set forth in Paragraph 1 to the effectiveness of such revocation. Notwithstanding anything to the contrary in this Paragraph 6, this Guarantee shall terminate, and the Guarantor shall be released from all of the Obligations hereunder with respect to any Transaction(s), immediately upon the transfer or assignment of such Transaction(s) to an entity which is not an Affiliate of [SFL/CFPI/CGML] (as such term is defined in Section 14 of the Agreement), if such transfer or assignment is completed in accordance with the provisions of Section 7 of the Agreement.

**7. Notices**

Any notice or communication required or permitted to be made hereunder shall be made in the same manner and with the same effect, unless otherwise specifically provided herein, as set forth in the Agreement.

**8. Governing Law; Jurisdiction**

This Guarantee shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to choice of law doctrine and without giving effect to any provision thereof that would permit or require the laws of another jurisdiction to apply. The Guarantor hereby irrevocably consents to, for the purposes of any proceeding arising out of this Guarantee, the exclusive jurisdiction of the courts of the State of New York, and the United States District Court, located in the Borough of Manhattan in New York City.

**9. Miscellaneous**

Each reference herein to the Guarantor, the Counterparty or [SFL/CFPI/CGML] shall be deemed to include their respective successors and assigns. The provisions hereof shall inure in favor of each such successor or assign. This Guarantee (i) shall supersede any prior or

contemporaneous representations, statements or agreements, oral or written, made by or between the parties with regard to the subject matter hereof; (ii) may be amended only by a written instrument executed by the Guarantor and Counterparty; and (iii) may not be assigned by either party without the prior written consent of the other party, save that, in relation to Transactions entered into in connection with issues of secured notes ("**Notes**") by the Counterparty (including, for the avoidance of doubt, Transactions entered into before the date hereof and Transactions to be entered into on or after the date hereof), the Guarantor hereby consents to the assignment in favor of Citicorp Trustee Company Limited and its successors and assigns of the Counterparty's rights under this Guarantee.

**10. Taxation**

All sums payable by the Guarantor under this Guarantee shall be paid to the Counterparty free and clear of all deductions or withholdings whatsoever save only as may be required by law or regulation which in either case is binding on the Guarantor. If any such deduction or withholding is required in respect of any payment due from the Guarantor under this Guarantee which amounts to an Indemnifiable Tax, the relevant sum payable by the Guarantor shall be increased so that, after making the minimum deduction or withholding so required, the Guarantor shall pay to the Counterparty a net sum at least equal to the sum which would have been payable by the Guarantor pursuant to this Guarantee had no such deduction or withholding been required to be made on amounts payable by the Guarantor under this Guarantee.

**11. Modification in relation to Rated Transactions**

In relation to Transactions entered into in connection with issues of Notes that are rated (such Transactions being "**Rated Transactions**") by Moody's Investors Service Limited and/or Standard & Poor's, a division of McGraw-Hill Companies, Inc. and/or Fitch Ratings and/or any other recognised debt rating agency (each a "**Rating Agency**") the following modifications shall be made to this Guarantee: any amendment or assignment contemplated by Paragraphs 9(ii) and 9(iii) above shall be subject to confirmation from any relevant Rating Agency that the rating of any outstanding series of Notes, which carries a rating from such rating agency, will not be adversely affected by such amendment or assignment as the case may be.

In Witness Whereof, the undersigned has executed this Guarantee as of the date first above written.

As a result, Citibank may, under certain circumstances, be obligated for the liabilities of its affiliates that are FDIC-insured depository institutions. Citibank's FDIC-insured depository affiliates include: Citibank Delaware; Citibank, Federal Savings Bank; Citibank (Nevada), National Association; Citibank (South Dakota), National Association; Citibank (West), FSB; Citicorp Trust Bank, fsb; Universal Financial Corp.; California Commerce Bank; Citibank USA, National Association; Citibank Texas, N.A.; and Department Stores National Bank.

The Comptroller has issued guidelines that impose upon national banks risk-based capital and leverage standards. The guidelines establish a systematic analytical framework that makes regulatory capital requirements more sensitive to differences in credit risk profiles among banking organizations, takes off-balance sheet exposures into explicit account in assessing capital adequacy and minimizes disincentives to holding liquid, low-risk assets. The risk-based ratio is determined by assigning assets and certain off-balance sheet exposures, such as foreign exchange and derivative products and letters of credit, into one of five risk weight categories, with higher levels of capital being required for the categories perceived as representing greater credit risk. The risk-based capital guidelines also incorporate a measure for market risk in foreign exchange and commodity activities and in the trading of debt and equity investments.

Under these guidelines, a national bank's capital is divided into two tiers. The first tier ("**Tier 1**") includes common stockholder's equity (excluding Net Unrealized Holding Gains or Losses on Securities Available-for-Sale and Net Gains or Losses on Cash Flow Hedges), qualifying perpetual preferred stock and any related surplus, mandatorily redeemable securities of subsidiary trusts, and minority interests that are held by others in a bank's consolidated subsidiaries, less net unrealized losses on available for sale equity securities, certain intangible assets, and a capital charge for non-financial equity investments. The second tier ("**Tier 2**") includes, among other items, perpetual preferred stock to the extent it does not qualify for Tier 1, qualifying senior and subordinated debt and subordinated capital notes, limited life preferred stock and any related surplus, a portion of unrealized marketable equity securities gains and the allowance for credit losses, subject to certain limitations.

Pursuant to provisions of the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA"), regulatory agencies have adopted regulations creating and defining five capital tiers. Under these regulations, a "well capitalized" institution must have a Tier 1 capital ratio of at least 6 per cent., a combined Tier 1 and Tier 2 capital ratio of at least 10 per cent., and a leverage ratio of at least 5 per cent., and not be subject to a directive, order or written agreement to meet and maintain specific capital levels. An "adequately capitalized" institution generally must have a Tier 1 capital ratio of at least 4 per cent., a combined Tier 1 and Tier 2 capital ratio of at least 8 per cent., and a leverage ratio of at least 4 per cent.. Under the regulations, the regulators can downgrade the capital status of a depository institution under certain circumstances. Among other things, FDICIA requires the U.S. federal regulatory agencies to take specific prompt actions with respect to institutions that do not meet minimum capital standards. As of 31st December, 2005, Citigroup's bank and thrift subsidiaries, including Citibank, were "well capitalized".

National banks are required to maintain a minimum risk-based capital ratio (Tier 1 plus Tier 2 capital) of 8 per cent., of which at least half must be Tier 1 capital. The Comptroller may, however, set higher minimum capital requirements when a bank's particular circumstances warrant. Citibank has not been advised by the Comptroller to maintain a specific minimum risk-based capital ratio. As of 31st December, 2005, Citibank's total risk-based capital ratio was 12.55 per cent., including 8.41 per cent. of Tier 1 capital.

The Comptroller has also established a separate leverage ratio standard. For this purpose, the leverage ratio is defined as Tier 1 capital, computed under the risk-based capital guidelines, divided by adjusted quarterly average total assets. The Comptroller established a 3 per cent. minimum leverage ratio applicable only to the highest rated banking organizations, depending on their particular growth plans and condition. Other banking organizations are expected to have leverage ratios of at least 4 per cent.. Citibank has not been advised by the Comptroller to maintain a specific minimum leverage ratio. As of 31st December, 2005, Citibank's leverage ratio was 6.45 per cent.

Failure to meet applicable capital guidelines could subject a national bank to a variety of enforcement remedies available to the federal regulatory authorities, including limitations on the ability to pay dividends, the issuance by the Comptroller of a directive to increase capital and, in severe cases, the termination of deposit insurance by the FDIC or the appointment of a receiver or conservator.

Legislation enacted as part of the Omnibus Budget Reconciliation Act of 1993 provides that deposits in U.S. offices and certain claims for administrative expenses and employee compensation against a U.S. insured depository institution which has failed will be afforded a priority over other general unsecured claims, including deposits in non-U.S. offices and claims under non-depository contracts in all offices, against such an institution in the "liquidation or other resolution" of such an institution by any receiver. Such priority creditors (including the FDIC, as the subrogee of insured depositors) of such FDIC-insured depository institution will be entitled to priority over unsecured creditors in the event of a "liquidation or other resolution" of such institution. Pursuant to the Community Development and Regulatory Improvement Act of 1994, a bank generally is not required to repay a deposit at a non-U.S. branch if the branch cannot repay the deposit due to an act of war, civil strife or action taken by the government in the host country.

As conservator or receiver for an insured depository institution, the FDIC also may disaffirm or repudiate any burdensome contract to which such institution is a party. The FDIC has not taken the position that such repudiation would impair the right of a holder of an unsecured obligation, such as the Swap Agreement, to claim principal and interest accrued through the date of appointment of a conservator or receiver. (The amount paid on such a claim would depend on the amount of assets in the receivership and the relative priority of the claim.) Disaffirmance or repudiation could, at a minimum, expose holders of an obligation under any Swap Agreement to reinvestment risk.

As conservator or receiver, the FDIC is also empowered to enforce most types of contracts, including the Swap Agreement, pursuant to their terms notwithstanding any acceleration provisions therein, and may

transfer to a new obligor any of Citibank's assets or liabilities, including the Swap Agreement, without the approval or consent of Citibank's creditors.

The FDIC is authorized to settle all uninsured and unsecured claims in the insolvency of an insured bank by making a final settlement payment at a percentage rate reflecting an average of the FDIC's receivership recovery experience and constituting full payment and disposition of the FDIC's obligation to uninsured and unsecured creditors.

The Basel Committee on Banking Supervision (the Basel Committee), consisting of central banks and bank supervisors from 13 countries, has developed a new set of risk-based capital standards (the New Accord or Basel II), on which it has received significant input from Citibank and other major banking organizations. Citibank supports the move to a new set of risk-based regulatory capital standards, published on 26th June, 2004 (and subsequently amended in November 2005) by the Basel Committee. Basel II will allow Citibank to leverage internal risk models used to measure credit, operational, and market risk exposures to drive regulatory capital calculations. On 30th September, 2005, the U.S. banking regulators delayed the U.S. implementation of Basel II by one year. The current U.S. implementation timetable consists of parallel calculations under the current regulatory capital regime (Basel I) and Basel II, starting 1st January, 2008, and an implementation transition period, starting 1st January, 2009 through year-end 2011 or possibly later. The U.S. regulators have also reserved the right to change how Basel II is applied in the U.S., and retain the existing Prompt Corrective Action and leverage capital requirements applicable to U.S. banking organisations. The new timetable, clarifications and other proposals will be set forth in a notice of proposed rulemaking (NPR), which the U.S. banking regulators are expected to issue during 2006. Citibank continues to monitor and analyze the developing capital standards in the U.S. and in countries where Citibank has significant presence, in order to assess their collective impact and allocate project management and funding resources accordingly.

Citibank does not publish audited financial statements. A balance sheet for Citibank and its consolidated subsidiaries at 31st December, 2004 and 31st December, 2005 is set forth below. However, Citigroup publishes audited financial statements which include certain data relevant to Citibank and its consolidated subsidiaries, including an audited balance sheet of Citibank and its consolidated subsidiaries. The information set forth on pages 128 to 131 relates to Citigroup and its consolidated subsidiaries (including Citibank and its consolidated subsidiaries). The total assets of Citibank and its consolidated subsidiaries represented approximately 47 per cent. of the total assets of Citigroup and its consolidated subsidiaries at 31st December, 2005. Citibank's earnings may differ significantly from those of Citigroup. The activities carried on by subsidiaries of Citigroup other than Citibank and its subsidiaries generally include certain consumer lending activities in the United States (including the credit card business, some residential mortgage lending, and secured and unsecured personal loans) and certain overseas banking operations, as well as investment banking services and securities brokerage activities around the world. As described on page 122, under U.S. banking law, Citibank may become obligated for liabilities of its affiliates that are FDIC-insured depository institutions.

**Investors should note that the obligations of Citibank under the Swap Agreement will not be guaranteed by Citigroup and that information regarding Citigroup is included in this document only for the purpose of giving details relevant to Citibank which may be included therein.**

## INFORMATION CONCERNING CITIGROUP INC.

Citigroup Inc. ("**Citigroup**") is a diversified global financial services holding company whose businesses provide a broad range of financial services to consumer and corporate customers with more than 200 million customer accounts doing business in more than 100 countries. Citigroup's objects and purposes are to "engage in any lawful act or activity for which corporations may be organized under the General Corporation law of Delaware", as stated in Article THIRD of Citigroup's Restated Certificate of Incorporation. Citigroup's business is conducted through more than 2,000 subsidiaries. Citigroup's activities are conducted through Global Consumer, Corporate and Investment Banking, Global Wealth Management, and Alternative Investments. Citigroup's principal subsidiaries are Citibank, N.A., Associates First Capital Corporation, Citigroup Global Markets Inc. and Grupo Financiero Banamex, S.A. de C.V., each of which is a wholly owned, indirect subsidiary of Citigroup.

Citigroup is a holding company and services its obligations primarily with dividends and advances that it receives from subsidiaries. Citigroup's subsidiaries that operate in the banking and securities businesses can only pay dividends if they are in compliance with the applicable regulatory requirements imposed on them by federal and state bank regulatory authorities and securities regulators in the United States. Citigroup's subsidiaries may be party to credit agreements that also may restrict their ability to pay dividends. Citigroup currently believes that none of those regulatory or contractual restrictions on the ability of its subsidiaries to pay dividends will affect Citigroup's ability to service its own debt. Citigroup must also maintain the required capital levels of a bank holding company before it may pay dividends on its stock. Each of Citigroup's major operating subsidiaries finances its operation on a stand-alone basis consistent with its capitalisation and ratings.

Under longstanding policy of The Board of Governors of the Federal Reserve System, a bank holding company is expected to act as a source of financial strength for its subsidiary banks and to commit resources to support such banks. As a result of that policy, Citigroup may be required to commit resources to its subsidiary banks.

Citigroup has been assigned long-term unsecured senior debt ratings of "AA-" by Standard & Poors, "Aa1" by Moody's Investors Service and "AA+" by Fitch, and long-term unsecured subordinated debt ratings of "A+" by Standard and Poors, "Aa2" by Moody's Investors Service and "AA" by Fitch.

The principal office for Citigroup is located at 399 Park Avenue, New York, NY 10043. Citigroup was established as a corporation incorporated in Delaware on 8th March, 1988 with perpetual duration pursuant to the Delaware General Corporation Law. Citigroup's authorized stock consists of 15 billion shares of common stock and 30 million shares of preferred stock. As at 6th February, 2006, there were 4,991,302,195 fully paid common stock shares outstanding. A common stock share carries one vote, and no preemptive or other subscription rights, conversion rights. A preferred stock share carries no general voting rights.

All of Citigroup's common stock and preferred stock are held in book entry form. Under U.S. law, no shareholder has to declare its holdings of voting equity in Citigroup unless it owns 5 per cent. or more of the outstanding shares.

Under Luxembourg tax law currently in effect and subject to the application of the Luxembourg laws dated 21st June, 2005 (the "**June Laws**") implementing the European Council Directive 2003/48/EC on the taxation of savings income (the "**EU Savings Directive**") and several agreements concluded between Luxembourg and certain dependant territories of the European Union, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to Luxembourg non-resident Noteholders, Receiptholders or Couponholders. There is also no Luxembourg withholding tax, upon repayment of the principal or, subject to the application of the June Laws, upon redemption or exchange of the Notes, Receipts or Coupons.

Under the June Laws, a Luxembourg based paying agent (within the meaning of the EU Savings Directive) is required since 1st July, 2005 to withhold tax on interest and other similar income (including reimbursement premium received at maturity) paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State or a residual entity in the sense of article 4.2 of the EU Savings Directive (the "**Residual Entities**"), established in another Member State of the European Union, unless the beneficiary of the interest payments elects for the Exchange of Information (see also "*EU Savings Directive*" below). The same regime applies to payments to individuals or Residual Entities resident in any of the following territories: Netherlands Antilles, Aruba, Guernsey, Jersey, the Isle of Man, Montserrat and the British Virgin Islands.

The withholding tax rate is initially 15 per cent. until 30th June, 2008, 20 per cent. until 30th June, 2010, 35 per cent. as from 1st July, 2011. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

In each case described here above, responsibility for the withholding of such tax will be assumed by the Luxembourg paying agent.

#### *Taxation of Luxembourg residents*

Under the Luxembourg law of 23rd December, 2005 (the "**December Law**"), payments of interest or similar income made since 1st January, 2006 (but accrued since 1st July, 2005) by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner who is resident of Luxembourg may be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management or his/her private wealth.

#### ***Income Taxation***

##### *Taxation of Luxembourg non-residents*

Noteholders, Receiptholders and Couponholders who are non-residents of Luxembourg and who do not hold the Notes, the Receipts or the Coupons through a permanent establishment or a permanent representative in Luxembourg are not liable to pay any Luxembourg income tax, whether they receive payments of interest (including accrued but unpaid interest), or payments upon redemption, repayment of principal or exchange of the Notes, Receipts or Coupons, or realize capital gains on the sale of any Note, Receipt or Coupon.

Non-resident corporate Noteholders, Receiptholders and Couponholders which have a permanent establishment or a permanent representative in Luxembourg, to which the Notes, Receipts and Coupons are attributable, must include, depending on the nature of the Notes, Receipts and Coupons, any interest received or accrued, as well as any reimbursement premium received at maturity or any gain realised on the sale, disposal or redemption of Notes, Receipts and Coupons, in their taxable income for Luxembourg income tax assessment purposes. The same inclusion applies to individuals, acting in the course of the management of a professional or business undertaking, who have a permanent establishment or a permanent representative in Luxembourg, to which the Notes, Receipts or Coupons are attributable. Taxable gains are determined as being the difference between the sale, repurchase or redemption price and the lower of the cost or book value of the Notes, Receipts or Coupons sold or redeemed.

##### *Taxation of Luxembourg residents-General*

Noteholders, Receiptholders or Couponholders who are residents of Luxembourg, must include any interest or reimbursement premium received in their taxable income. These holders will not be liable to any Luxembourg income tax on repayment of principal of the Notes or Receipts.

##### *Taxation of Luxembourg resident individuals*

Luxembourg resident individual Noteholders, Receiptholders or Couponholders, acting in the course of the management of their private wealth, are subject to Luxembourg income tax in respect of interest received, redemption premiums or issue discounts under the Notes, Receipts or Coupons, except if a withholding tax has been levied on such payments in accordance with the December Law.

Luxembourg resident individual Noteholders, Receiptholders or Couponholders are not subject to taxation on capital gains upon the sale of the Notes (which do not constitute Zero Coupon Notes), Receipts or

Coupons, unless this sale precedes the acquisition of the Notes, Receipts or Coupons, or the Notes, Receipts or Coupons are disposed of within six months of the date of their acquisition. Upon a sale, redemption or exchange of the Notes or Receipts, individual Luxembourg resident Noteholders or Receiptholders, must, however, include the portion of the sale, redemption or exchange price corresponding to accrued but unpaid interest in their taxable income insofar as such accrued but unpaid interest is indicated separately in the agreement.

A gain realised upon a sale of Zero Coupon Instruments before their maturity by Luxembourg resident Holders acting in the course of the management of their private wealth must be included in their taxable income for Luxembourg income tax assessment purposes.

#### *Taxation of Luxembourg resident companies*

Luxembourg resident companies (*sociétés de capitaux*) must include in their taxable income the difference between the sale, redemption or exchange price (including accrued but unpaid interest) and the lower of the cost or book value of the Notes, Receipts or Coupons sold, redeemed or exchanged.

#### *Treatment of Luxembourg resident companies benefiting from a special tax regime*

Noteholders, Receiptholders or Couponholders which are holding companies subject to the amended law of 31st July, 1929 or undertakings for collective investments subject to the amended law of 20th December, 2002 are tax exempt entities in Luxembourg, and are thus not subject to any Luxembourg tax (i.e., corporate income tax, municipal business tax and net wealth tax) on income received on the Notes, Receipts or Coupons or gains realized upon their transfer or redemption.

#### ***Net Wealth Tax***

Since 1st January, 2006, net wealth tax has been abolished for resident and non-residents individuals taxpayers.

Luxembourg resident Noteholders and Noteholders who have a permanent establishment or a permanent representative in Luxembourg to which the Shares are attributable, are subject to Luxembourg wealth tax on such Shares, except if the Shareholder is (a) a resident or non-resident individual taxpayer, (b) a holding company subject to the amended law of 31st July, 1929, (c) an undertaking for collective investment subject to the amended law of 20th December, 2002, (d) a securitisation company governed by the law of 22nd March, 2004 on securitisation or (e) a company governed by the law of 15th June, 2004 on venture capital vehicles.

#### ***Other Taxes***

There is no Luxembourg registration tax, stamp duty or any other similar tax or duty payable in Luxembourg by the Noteholders, Receiptholders or Couponholders as a consequence of the issuance of the Notes, Receipts or Coupons, nor will any of these taxes be payable as a consequence of a subsequent transfer, repurchase or redemption of the Notes, Receipts or Coupons.

Under present Luxembourg tax law, in the case where a Noteholders, Receiptholders or Couponholders is a resident for tax purposes of Luxembourg at the time of his death, the Notes, Receipts or Coupons are included in his taxable estate, for inheritance tax purposes. Gift tax may be due on a gift or donation of Notes, Receipts or Coupons, if the gift is recorded in a Luxembourg deed.

## **UNITED KINGDOM TAXATION**

**The following is a summary of the Issuer's understanding of current law and HM Revenue and Customs practice in the United Kingdom relating to the deduction of United Kingdom income tax**

**from payments of interest arising on the Notes. It does not deal with any other United Kingdom taxation implications of acquiring, holding or disposing of the Notes. Some aspects do not apply to certain classes of person (such as dealers and persons connected to the Issuer) to whom special rules may apply. Prospective Noteholders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should seek their own professional advice.**

Payments of interest on the Notes may be made without withholding or deduction for or on account of United Kingdom income tax unless such interest is regarded as having a United Kingdom source for United Kingdom tax purposes. This will depend on the terms of the relevant Notes and prospective Noteholders should therefore take legal advice on the question of whether any particular Notes carry a right to United Kingdom source interest.

Noteholders who are individuals may wish to note that the HM Revenue and Customs ("**HMRC**") has power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays interest to or receives interest for the benefit of an individual. HMRC also has power under the Taxes Management Act 1970 to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Notes which are deeply discounted securities for the purposes of the Income Tax (Trading Other Income) Act 2005 to, or receives such amounts for the benefit of, an individual. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information so obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities of other jurisdictions.

In the case of interest on Notes which is regarded as having a United Kingdom source, no United Kingdom income tax will be required to be deducted from such interest in the following circumstances:

- (i) where the Notes are listed on a "recognised stock exchange", within the meaning of section 841 of the Income and Corporation Taxes Act 1988 (the **Act**). The Luxembourg Stock Exchange is a recognised stock exchange. Under a United Kingdom HMRC interpretation, the Notes will satisfy this requirement if they are listed by the competent authority in Luxembourg and are admitted to trading by the Luxembourg Stock Exchange. Provided, therefore that the Notes remain so listed, interest on the Notes will be payable without withholding or deduction on account of United Kingdom income tax;
- (ii) where interest on the Notes is paid to a person who belongs in the United Kingdom for United Kingdom tax purposes and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the Notes is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HMRC has not given a direction (in circumstances where it has reasonable grounds to believe that the above exception is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax; and
- (iii) where the maturity of the Notes is less than 365 days (and the Notes are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more).

In other cases where interest on the Notes has a United Kingdom source, an amount must generally be withheld from payments of interest on the Notes on account of United Kingdom income tax at the lower rate (currently 20 per cent.), subject to any direction to the contrary given by HMRC under an applicable double taxation treaty.

## EU SAVINGS DIRECTIVE

Under the EU Savings Directive, Member States are required, from 1st July, 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories, including Switzerland, have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date.

## UNITED STATES FEDERAL INCOME TAXATION

### General

**Any tax discussion herein was not written and is not intended to be used and cannot be used by any taxpayer for purposes of avoiding United States federal income tax penalties that may be imposed on the taxpayer. Any such tax discussion was written to support the promotion or marketing of the Notes to be issued pursuant to this Base Prospectus. Each taxpayer should seek advice based on the taxpayer's particular circumstances from an independent tax adviser.**

The applicable Final Terms relating to any Series of Notes offered and sold in the United States or to, or for the account or benefit of, U.S. persons shall set out any additional information regarding the U.S. federal income tax treatment of any such Notes.

The following is a general summary of certain principal U.S. federal income tax consequences that may be relevant with respect to the ownership of the Notes. This summary addresses only the U.S. federal income tax considerations of holders that acquire the Notes at their original issuance and that will hold the Notes as capital assets.

This summary does not purport to address all U.S. federal income tax matters that may be relevant to a particular holder of Notes (a "**Noteholder**"). In particular, this summary does not address tax considerations applicable to Noteholders that may be subject to special tax rules including, without limitation, the following: (i) financial institutions; (ii) insurance companies; (iii) dealers or traders in securities, currencies or notional principal contracts; (iv) tax-exempt entities; (v) regulated investment companies; (vi) real estate investment trusts; (vii) persons that will hold the Notes as part of a "hedging" or "conversion" transaction or as a position in a "straddle" or as part of a "synthetic security" or other integrated transaction for U.S. federal income tax purposes; (viii) persons that own (or are deemed to own) 10 per cent. or more of the voting shares (or interests treated as equity) of the Issuer; (ix) persons whose "functional currency" is not the U.S. dollar; and (x) partnerships, other pass-through entities, or persons who hold the Notes through partnerships or other pass-through entities. Further, this summary does not address alternative minimum tax consequences or the indirect effects on the holders of equity interests in a Noteholder. This summary also does not describe any tax consequences arising under the laws of any taxing jurisdictions other than the federal income tax laws of the U.S. federal government.

This summary is based on the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), United States Treasury Regulations and judicial and administrative interpretations thereof, in each case as in effect and available on the date of this Base Prospectus. All of the foregoing are subject to change, which change could apply retroactively and could affect the tax consequences described below.

**Prospective investors should consult their own tax advisers with respect to the U.S. federal, state, local and foreign tax consequences of acquiring, owning or disposing of the Notes.**

For the purposes of this summary, a "**U.S. Holder**" is a beneficial owner of Notes that is, for U.S. federal income tax purposes:

- (a) a citizen or resident of the United States;
- (b) a corporation or other entity treated as a corporation for U.S. federal income tax purposes, created or organised in or under the laws of the United States or any state thereof (including the District of Columbia);
- (c) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- (d) a trust if (x) a court within the United States is able to exercise primary supervision over its administration and (y) one or more United States persons have the authority to control all of the substantial decisions of such trust.

As provided in United States Treasury Regulations, certain trusts in existence on 20th August, 1996, and treated as United States persons prior to that date that maintain a valid election to continue to be treated as United States persons also are U.S. Holders. A "**Non-U.S. Holder**" is a beneficial owner of Notes that is not a U.S. Holder. If a partnership holds Notes, the U.S. federal income tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of a partnership holding Notes should consult its tax adviser.

#### **Taxation of U.S. Holders**

Although the Notes will be issued in the form of debt, certain Notes may be characterised as equity of the Issuer for U.S. federal income tax purposes. Prospective investors should consider the tax consequences of an investment in the Notes under either possible characterisation (each of which is summarised below) and should consult their tax advisers regarding the treatment of the Notes for U.S. federal income tax purposes.

#### ***Tax Considerations if Notes Characterised as Debt for U.S. Federal Income Tax Purposes.***

##### *Payments of Interest*

Interest on a Note, whether payable in U.S. dollars or a currency other than U.S. dollars (a "**foreign currency**"), other than interest on a "Discount Note" that is not "qualified stated interest" (each as defined below under "*Original Issue Discount—General*"), will be taxable to a U.S. Holder as ordinary interest income at the time it is received or accrued, depending on the U.S. Holder's method of accounting for U.S. federal income tax purposes.

In the case of a U.S. Holder utilising the cash method of accounting for U.S. federal income tax purposes and that receives interest paid in a foreign currency, the amount of interest income in respect of any interest payment will be determined by translating such payment into U.S. dollars at the spot exchange rate in effect on the date of such interest payment is received, regardless of whether the payment is in fact converted into U.S. dollars. No exchange gain or loss will be realised with respect to the receipt of such interest payment, other than exchange gain or loss that is attributable to the actual disposition of the foreign currency received.

If interest on a Note is payable in a foreign currency, an accrual basis U.S. Holder may determine the amount of the interest income to be recognised in accordance with either of two methods. Under the first accrual method, the amount of income accrued will be based on the average exchange rate in effect during the interest accrual period or, with respect to an accrual period that spans two taxable years, the part of the period within the taxable year. Under the second accrual method, the U.S. Holder may elect to determine the amount of income accrued on the basis of the exchange rate in effect on the last day of the accrual period or, in the case of an accrual period that spans two taxable years, the exchange rate in effect on the

last day of the part of the period within the taxable year. If the last day of the accrual period is within five business days of the date the interest payment is actually received, an electing accrual basis U.S. Holder may instead translate that interest expense at the exchange rate in effect on the day of actual receipt. Any election to use the second accrual method will apply to all debt instruments held by the U.S. Holder at the beginning of the first taxable year to which the election applies or thereafter acquired by the U.S. Holder and will be irrevocable without the consent of the U.S. Internal Revenue Services (the "IRS").

A U.S. Holder utilising either of the foregoing two accrual methods will recognise ordinary income or loss with respect to accrued interest income on the date of receipt of the interest payment (including a payment attributable to accrued but unpaid interest upon the sale or retirement of a Note). The amount of ordinary income or loss will equal the difference between the U.S. dollar value of the interest payment received (determined on the date the payment is received) in respect of the accrual period and the U.S. dollar value of interest income that has accrued during that accrual period (as determined under the accrual method utilised by the U.S. Holder).

Foreign currency received as interest on the Notes will have a tax basis equal to its U.S. dollar value at the time the interest payment is received. Gain or loss, if any, realised by a U.S. Holder on a sale or other disposition of that foreign currency will be ordinary income or loss and will generally be income from sources within the United States for foreign tax credit limitation purposes.

Interest on the Notes received by a U.S. Holder will be treated as foreign source income for the purposes of calculating that holder's foreign tax credit limitation. The limitation on foreign taxes eligible for the U.S. foreign tax credit is calculated separately with respect to specific classes of income. The rules regarding the calculation of foreign tax credits and the timing thereof are complex. U.S. Holders should consult their own tax advisers as to the availability of a foreign tax credit under their own particular situation.

#### *Original Issue Discount*

*General.* A Note, other than a Note with a term of one year or less (a "**Short-Term Note**"), will be treated as issued at an original issue discount ("**OID**" and a Note issued with OID, a "**Discount Note**") for U.S. federal income tax purposes if the excess of the sum of all payments provided under the Note, other than "qualified stated interest payments" (as defined below), over the "Issue Price" of the Note is more than a "de minimis amount" (as defined below). "**Qualified stated interest**" is generally interest paid on a Note that is unconditionally payable at least annually at a single fixed rate. The "**Issue Price**" of the Notes under an applicable Final Terms will be the first price at which a substantial amount of such Notes are sold to persons other than bond houses, brokers, or similar persons or organisations acting in the capacity of underwriters, placement agents, or wholesalers. Special rules for "Variable Rates Notes" are described below under "Original Issue Discount—Variable Rate Notes").

In general, if the excess of the sum of all payments provided under a Note other than qualified stated interest payments (the Note's "**stated redemption price at maturity**") over its Issue Price is less than  $\frac{1}{4}$  of one per cent. of the Note's stated redemption price at maturity multiplied by the number of complete years to its maturity (the "**de minimis amount**"), then such excess, if any, constitutes "de minimis OID" and the Note is not a Discount Note. Unless the election described below under "*Election to Treat All Interest as OID*" is made, a U.S. Holder of a Note with de minimis OID must include such de minimis OID in income as stated principal payments on the Note are made. The includible amount with respect to each such payment will equal the product of the total amount of the Note's de minimis OID and a fraction, the numerator of which is the amount of the principal payment made and the denominator of which is the stated principal amount of the Note.

A U.S. Holder will be required to include OID on a Discount Note in income for U.S. federal income tax purposes as it accrues calculated on a constant-yield method (described below) before the actual receipt of cash attributable to that income, regardless of the U.S. Holder's method of accounting for U.S. federal

income tax purposes. Under this method, U.S. Holders generally will be required to include in income increasingly greater amounts of OID over the life of the Discount Notes.

The amount of OID includible in income by a U.S. Holder of a Discount Note is the sum of the daily portions of OID with respect to the Note for each day during the taxable year or portion of the taxable year on which the U.S. Holder holds that Note ("**accrued OID**"). The daily portion is determined by allocating to each day in any "**accrual period**" a *pro rata* portion of the OID allocable to that accrual period. Accrual periods with respect to a Note may be of any length selected by the U.S. Holder and may vary in length over the term of the Note as long as (i) no accrual period is longer than one year and (ii) each scheduled payment of interest or principal on the Note occurs on either the final or first day of an accrual period.

The amount of OID allocable to an accrual period equals the excess of (a) the product of the Note's "adjusted issue price" at the beginning of the accrual period and the Note's yield to maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) over (b) the sum of the payments of qualified stated interest on the Note allocable to the accrual period. The "**adjusted issue price**" of a Note at the beginning of any accrual period is the Issue Price of the Note increased by (x) the amount of accrued OID for each prior accrual period and decreased by (y) the amount of any payments previously made on the Note that were not qualified stated interest payments.

For the purposes of determining the amount of OID allocable to an accrual period, if an interval between payments of qualified stated interest on the Note contains more than one accrual period, the amount of qualified stated interest payable at the end of the interval (including any qualified stated interest that is payable on the first day of the accrual period immediately following the interval) is allocated *pro rata* on the basis of relative lengths to each accrual period in the interval, and the adjusted issue price at the beginning of each accrual period in the interval must be increased by the amount of any qualified stated interest that has accrued prior to the first day of the accrual period but that is not payable until the end of the interval.

The amount of OID allocable to an initial short accrual period may be computed using any reasonable method if all other accrual periods other than a final short accrual period are of equal length. The amount of OID allocable to the final accrual period is the difference between (x) the amount payable at the maturity of the Note (other than any payment of qualified stated interest) and (y) the Note's adjusted issue price as of the beginning of the final accrual period.

OID for any accrual period on a Note that is denominated in, or determined by reference to, a foreign currency will be determined in that foreign currency and then translated into U.S. dollars in the same manner as interest payments accrued by an accrual basis U.S. Holder, as described under "*Payments of Interest*" above. Upon receipt of an amount attributable to OID in these circumstances, a U.S. Holder may recognise ordinary income or loss.

OID on a Discount Note will be treated as foreign source income for the purposes of calculating a U.S. Holder's foreign tax credit limitation. The limitation on foreign taxes eligible for the United States foreign tax credit is calculated separately with respect to specific classes of income. The rules regarding the calculation of foreign tax credits and the timing thereof are complex. U.S. Holders should consult their own tax advisers as to the availability of a foreign tax credit under their own particular situation.

*Acquisition Premium.* A U.S. Holder that purchases a Note for an amount less than or equal to the sum of all amounts payable on the Note after the purchase date other than payments of qualified stated interest but in excess of its adjusted issue price (as determined above under "*Original Issue Discount—General*") (any such excess being "**acquisition premium**") and that does not make the election described below under "*Election to Treat All Interest as OID*" shall reduce the daily portions of OID by a fraction, the numerator of which is the excess of the U.S. Holder's adjusted basis in the Note immediately after its purchase over

the adjusted issue price of the Note, and the denominator of which is the excess of the sum of all amounts payable on the Note after the purchase date, other than payments of qualified stated interest, over the Note's adjusted issue price.

*Market Discount.* A Note, other than a short-term Note, will be treated as purchased at a market discount (a "**Market Discount Note**") if the Note's stated redemption price at maturity or, in the case of a Discount Note, the Note's "revised issue price", exceeds the amount for which the U.S. Holder purchased the Note by at least  $\frac{1}{4}$  of one per cent. of such Note's stated redemption price at maturity or revised issue price, respectively, multiplied by the number of complete years to the Note's maturity. If such excess is not sufficient to cause the Note to be a Market Discount Note, then such excess constitutes "de minimis market discount" and such Note is not subject to the rules discussed in the following paragraphs. For these purposes, the "**revised issue price**" of a Note generally equals its issue price, increased by the amount of any OID that has accrued on the Note.

Any gain recognised on the maturity or disposition of a Market Discount Note will be treated as ordinary income to the extent that such gain does not exceed the accrued market discount on such Note. Alternatively, a U.S. Holder of a Market Discount Note may elect to include market discount in income currently over the life of the Note. Such an election shall apply to all debt instruments with market discount acquired by the electing U.S. Holder on or after the first day of the first taxable year to which the election applies. This election may not be revoked without the consent of the IRS.

Market discount on a Market Discount Note will accrue on a straight-line basis unless the U.S. Holder elects to accrue such market discount on a constant-yield method. Such an election shall apply only to the Note with respect to which it is made and may not be revoked. A U.S. Holder of a Market Discount Note that does not elect to include market discount in income currently generally will be required to defer deductions for interest on borrowings allocable to such Note in an amount not exceeding the accrued market discount on such Note until the maturity or disposition of such Note.

*Election to Treat All Interest as OID.* A U.S. Holder may elect to include in gross income all interest that accrues on a Note using the constant-yield method described above under the heading "*Original Issue Discount—General*", with the modifications described below. For the purposes of this election, interest includes stated interest, OID, de minimis OID, market discount, de minimis market discount and unstated interest, as adjusted by any amortisable bond premium or acquisition premium.

In applying the constant-yield method to a Note with respect to which this election has been made, the issue price of the Note will equal its cost to the electing U.S. Holder, the issue date of the Note will be the date of its acquisition by the electing U.S. Holder, and no payments on the Note will be treated as payments of qualified stated interest. This election will generally apply only to the Note with respect to which it is made and may not be revoked without the consent of the IRS. If this election is made with respect to a Note with amortisable bond premium, then the electing U.S. Holder will be deemed to have elected to apply amortisable bond premium against interest with respect to all debt instruments with amortisable bond premium (other than debt instruments the interest on which is excludible from gross income) held by the electing U.S. Holder as of the beginning of the taxable year in which the Note with respect to which the election is made is acquired or thereafter acquired. The deemed election with respect to amortisable bond premium may not be revoked without the consent of the IRS.

If the election to apply the constant-yield method to all interest on a Note is made with respect to a Market Discount Note, the electing U.S. Holder will be treated as having made the election discussed above under "*Original Issue Discount—Market Discount*" to include market discount in income currently over the life of all debt instruments held or thereafter acquired by such U.S. Holder.

*Variable Rate Notes.* A "**Variable Rate Note**" is a Note that:

- (a) has an Issue price that does not exceed the total non-contingent principal payments by more than the lesser of (i) the product of (x) the total non-contingent principal payments, (y) the number of complete years to maturity from the issue date and (z) 0.015, or (ii) 15 per cent. of the total non-contingent principal payments; and
- (b) does not provide for stated interest other than stated interest compounded or paid at least annually at (i) one or more "qualified floating rates", (ii) a single fixed rate and one or more qualified floating rates, (iii) a single "objective rate" or (iv) a single fixed rate and a single objective rate that is a "qualified inverse floating rate".

A qualified floating rate or objective rate in effect at anytime during the term of the instrument must be set at a "current value" of that rate. A "**current value**" of a rate is the value of the rate on any day that is no earlier than three months prior to the first day on which that value is in effect and no later than one year following that first day.

A variable rate is a "**qualified floating rate**" if (i) variations in the value of the rate can reasonably be expected to measure contemporaneous variations in the cost of newly borrowed funds in the currency in which the Note is denominated or (ii) it is equal to the product of such a rate and either (a) a fixed multiple that is greater than 0.65 but not more than 1.35, or (b) a fixed multiple greater than 0.65 but not more than 1.35, increased or decreased by a fixed rate. If a Note provides for two or more qualified floating rates that (i) are within 0.25 percentage points of each other on the issue date or (ii) can reasonably be expected to have approximately the same values throughout the term of the Note, the qualified floating rates together constitute a single qualified floating rate. A rate is not a qualified floating rate, however, if the rate is subject to certain restrictions (including caps, floors, governors, or other similar restrictions) unless such restrictions are fixed throughout the term of the Note or are not reasonably expected to significantly affect the yield on the Note.

An "**objective rate**" is a rate, other than a qualified floating rate, that is determined using a single fixed formula and that is based on objective financial or economic information that is not within the control of or unique to the circumstances of the Issuer or a related party (such as dividends, profits or the value of the Issuer's stock). A variable rate is not an objective rate, however, if it is reasonably expected that the average value of the rate during the first half of the Note's term will be either significantly less than or significantly greater than the average value of the rate during the final half of the Note's term. An objective rate is a "**qualified inverse floating rate**" if (i) the rate is equal to a fixed rate minus a qualified floating rate, and (ii) the variations in the rate can reasonably be expected to inversely reflect contemporaneous variations in the qualified floating rate.

If interest on a Note is stated at a fixed rate for an initial period of one year or less followed by either a qualified floating rate or an objective rate for a subsequent period and (i) the fixed rate and the qualified floating rate or objective rate have values on the issue date of the Note that do not differ by more than 0.25 percentage points or (ii) the value of the qualified floating rate or objective rate is intended to approximate the fixed rate, the fixed rate and the qualified floating rate or the objective rate constitute a single qualified floating rate or objective rate.

In general, if a Variable Rate Note provides for stated interest at a single qualified floating rate or objective rate, all stated interest on the Note is qualified stated interest and the amount of OID, if any, is determined under the rules applicable to fixed rate debt instruments by using, in the case of a qualified floating rate or qualified inverse floating rate, the value as of the issue date of the qualified floating rate or qualified inverse floating rate, or, in the case of any other objective rate, a fixed rate that reflects the yield reasonably expected for the Note.

If a Variable Rate Note does not provide for stated interest at a single qualified floating rate or a single objective rate and also does not provide for interest payable at a fixed rate (other than at a single fixed rate for an initial period), the amount of interest and OID accruals on the Note are generally determined by (i) determining a fixed rate substitute for each variable rate provided under the Variable Rate Note (generally, the value of each variable rate as of the issue date or, in the case of an objective rate that is not a qualified inverse floating rate, a rate that reflects the reasonably expected yield on the Note), (ii) constructing the equivalent fixed rate debt instrument (using the fixed rate substitutes described above), (iii) determining the amount of qualified stated interest and OID with respect to the equivalent fixed rate debt instrument, and (iv) making the appropriate adjustments for actual variable rates during the applicable accrual period.

If a Variable Rate Note provides for stated interest either at one or more qualified floating rates or at a qualified inverse floating rate, and in addition provides for stated interest at a single fixed rate (other than at a single fixed rate for an initial period), the amount of interest and OID accruals are determined as in the immediately preceding paragraph with the modification that the Variable Rate Note is treated, for the purposes of the first three steps of the determination, as if it provided for a qualified floating rate (or a qualified inverse floating rate, as the case may be) rather than the fixed rate. The qualified floating rate (or qualified inverse floating rate) replacing the fixed rate must be such that the fair market value of the Variable Rate Note as of the issue date would be approximately the same as the fair market value of an otherwise identical debt instrument that provides for the qualified floating rate (or qualified inverse floating rate) rather than the fixed rate.

**Prospective purchasers should consult their own tax advisers regarding the applicability and consequences of the variable rate debt instrument rules to any of the Notes issued under the Programme.**

*Notes Subject to Redemption.* Certain of the Notes (i) may be redeemable at the option of the Issuer prior to their maturity (a "**call option**") and/or (ii) may be repayable at the option of the holder prior to their stated maturity (a "**put option**"). Notes containing such features may be subject to rules that are different from the general rules discussed above. Investors intending to purchase Notes with such features should consult their own tax advisers, since the OID consequences will depend, in part, on the particular terms and features of the purchased Notes.

*Short-Term Notes.* Short-Term Notes will be treated as having been issued with OID. In general, an individual or other cash method U.S. Holder is not required to accrue such OID unless the U.S. Holder elects to do so. If such an election is not made, any gain recognised by the U.S. Holder on the sale, exchange or maturity of the Short-Term Note will be ordinary income to the extent of the OID accrued on a straight-line basis, or upon election under the constant yield method (based on daily compounding), through the date of sale or maturity, and a portion of the deductions otherwise allowable to the U.S. Holder for interest on borrowings allocable to the Short-Term Note will be deferred until a corresponding amount of income is realised. U.S. Holders who report income for U.S. federal income tax purposes under the accrual method, are required to accrue OID on a Short-Term Note on a straight-line basis unless an election is made to accrue the OID under a constant yield method (based on daily compounding).

#### *Defaults, Delinquencies and Shortfalls with Respect to a Note*

A U.S. Holder may be required to accrue interest and OID with respect to a Note without giving effect to any anticipated reductions or delays in distributions on the Note. Although a U.S. Holder eventually will recognise a loss or a reduction in income attributable to an actual default or shortfall on a Note, the law is unclear with respect to the timing and character of such a loss or reduction in income. As a result, the amount of taxable income reported in any period by a U.S. Holder could exceed the amount of economic income actually realised by the U.S. Holder in such period. U.S. Holders of Notes should consult their own tax advisers concerning the treatment of any default, delinquency or shortfall in their specific circumstances.

### *Notes Purchased at a Premium*

A U.S. Holder that purchases a Note for an amount in excess of its principal amount may elect to treat such excess as "**amortisable bond premium**". If such election is made, the amount required to be included in the U.S. Holder's income each year with respect to interest on the Note will be reduced by the amount of amortisable bond premium allocable (based on the Note's yield to maturity) to such year. In the case of a Note that is denominated in, or determined by reference to, a foreign currency, amortisable bond premium will be computed in units of foreign currency, and amortisable bond premium will reduce interest income in units of foreign currency. At the time amortisable bond premium offsets interest income, a U.S. Holder realises exchange gain or loss (taxable as ordinary income or loss) equal to the difference between exchange rates at that time and at the time of the acquisition of the Notes. Any election to amortise bond premium shall apply to all bonds (other than bonds the interest in which is excludible from gross income) held by the U.S. Holder at the beginning of the first taxable year to which the election applies or thereafter acquired by the U.S. Holder and is irrevocable without the consent of the IRS.

### *Sale, Exchange or Retirement of the Notes*

A U.S. Holder's tax basis in a Note will generally equal its "U.S. dollar cost", increased by the amount of any OID or market discount included in the U.S. Holder's income with respect to the Note and the amount, if any, of income attributable to de minimis OID and de minimis market discount included in the U.S. Holder's income with respect to the Note (each as determined above), and reduced by the amount of any payments with respect to the Note that are not qualified stated interest payments and the amount of any amortisable bond premium applied to reduce interest on the Note. The "**U.S. dollar cost**" of a Note purchased with a foreign currency will generally be the U.S. dollar value of the purchase price on the date of purchase or, in the case of Notes traded on an established securities market (as defined in the applicable U.S. Treasury Regulations) that are purchased by a cash basis U.S. Holder (or an accrual basis U.S. Holder that so elects), on the settlement date for the purchase.

A U.S. Holder will generally recognise gain or loss on the sale, exchange or retirement of a Note equal to the difference between the amount realised on the sale, exchange or retirement and the tax basis of the Note. The amount realised on the sale, exchange or retirement of a Note for an amount in foreign currency will be the U.S. dollar value of that amount on (1) the date the payment is received in the case of a cash basis U.S. Holder, (2) the date of disposition in the case of an accrual basis U.S. Holder, or (3) in the case of a Note traded on an established securities market (as defined in the applicable U.S. Treasury Regulations) that are sold by a cash basis U.S. Holder (or an accrual basis U.S. Holder that so elects), on the settlement date of the sale.

Gain or loss recognised by a U.S. Holder on the sale, exchange or retirement of a Note that is attributable to changes in currency exchange rates will be ordinary income or loss and will consist of OID exchange gain or loss and principal exchange gain or loss. OID exchange gain or loss will equal the difference between the U.S. dollar value of the amount received on the sale, exchange or retirement of a Note that is attributable to accrued but unpaid OID as determined by using the exchange rate on the date of the sale, exchange or retirement and the U.S. dollar value of accrued but unpaid OID as determined by the U.S. Holder under the rules described above under "*Original Issue Discount—General*". Principal exchange gain or loss will equal the difference between the U.S. dollar value of the U.S. Holder's purchase price of the Note in foreign currency determined on the date of the sale, exchange or retirement, and the U.S. dollar value of the U.S. Holder's purchase price of the Note in foreign currency determined on the date the U.S. Holder acquired the Note. The foregoing foreign currency gain or loss will be recognised only to the extent of the total gain or loss realised by the U.S. Holder on the sale, exchange or retirement of the Note, and will generally be treated as from sources within the United States for U.S. foreign tax credit limitation purposes.

Any gain or loss recognised by a U.S. Holder in excess of foreign currency gain recognised on the sale, exchange or retirement of a Note would generally be U.S. source capital gain or loss (except to the extent

such amounts are attributable to market discount, accrued but unpaid interest, or subject to the general rules governing contingent payment obligations).

**Prospective investors should consult their own tax advisers with respect to the treatment of capital gains (which may be taxed at lower rates than ordinary income for taxpayers who are individuals, trusts or estates that held the Notes for more than one year) and capital losses (the deductibility of which is subject to limitations).**

A U.S. Holder will have a tax basis in any foreign currency received on the sale, exchange or retirement of a Note equal to the U.S. dollar value of the foreign currency at the time of the sale, exchange or retirement. Gain or loss, if any, realized by a U.S. Holder on a sale or other disposition of that foreign currency will be ordinary income or loss and will generally be income from sources within the United States for foreign tax credit limitation purposes.

*Contingent Payment Note.* If a Note is treated as a contingent payment debt instrument (a "CPDI"), the U.S. Treasury Regulations governing the treatment of a CPDI ("**CPDI Regulations**") would cause the timing and character of income, gain or loss reported on a CPDI to substantially differ from the timing and character of income, gain or loss reported on a non-contingent payment debt instrument under general principles of current U.S. federal income tax law. The CPDI Regulations generally require a U.S. Holder of such instrument to apply the "non-contingent" bond method, which, as described below, generally requires a U.S. Holder to include future contingent and non-contingent interest payments in income as such interest accrues based upon a projected payment schedule. Moreover, in general, under the CPDI Regulations, any gain recognized by a U.S. Holder on the sale, exchange, or retirement of a CPDI will be treated as ordinary income and all or a portion of any loss realized could be treated as ordinary loss as opposed to capital loss (depending upon the circumstances).

Under the non-contingent bond method, for each accrual period prior to and including the maturity date of the Note, the amount of interest that accrues, as OID, equals the product of (i) the adjusted issue price and (ii) the "comparable yield" (adjusted for the length of the accrual period). This amount is ratably allocated to each day in the accrual period and is includible as ordinary interest income by a U.S. Holder for each day in the accrual period on which the U.S. Holder holds the Note. The adjusted issue price for purposes of the non-contingent bond method is equal to the Note's Issue Price, increased by the interest previously accrued on the Note and decreased by the amount of any Projected Payments (as defined below) previously made on the Note. The "*comparable yield*" is the annual yield that the Issuer would pay, as of the issue date, on a fixed rate debt instrument with no contingent payment but with terms and conditions otherwise comparable to those of the Note. Amounts treated as interest under the foregoing contingent payment obligation rules are treated as OID for all U.S. federal income tax purposes.

Also under the non-contingent bond method of the CPDI Regulations, the Issuer would be required, solely for U.S. federal income tax purposes, to provide a schedule (the "**Schedule**") of the projected amounts of payments (the "**Projected Payments**") on the Note. The comparable yield and projected payment schedule are used to determine accruals of OID FOR TAX PURPOSES ONLY and are not assurances or predictions by the Issuer with respect to the actual yield of, or payment to be made in respect of, a Note. The comparable yield and the projected payment schedule do not necessarily represent the Issuer's expectations regarding such yield, and the amount and timing of such payment. The Schedule must produce the comparable yield. If during any taxable year the sum of any actual payments (including the fair market value of any property received in that year) with respect to the Note for that taxable year (including, in the case of the taxable year which includes the maturity date of the Note, the amount of cash received at maturity) exceeds the total amount of Projected Payments for that taxable year, the difference will produce a "*net positive adjustment*", which will be treated as additional interest for the taxable year. If the actual amount received in a taxable year is less than the amount of Projected Payments for that taxable year, the difference will produce a "*net negative adjustment*", which will (i) reduce the U.S. Holder's interest income for that taxable year and (ii) to the extent of any excess after application of (i), give rise to an ordinary loss to the extent of the U.S. Holder's interest income on the Note during the prior

taxable years (reduced to the extent such interest was offset by prior net negative adjustments). As a result of the classification of a Note as a contingent debt instrument subject to the non-contingent bond method, any gain or loss realized on the sale or exchange of the Note may be treated as ordinary income or loss, in whole or in part.

**Prospective purchasers should consult their own tax advisers regarding the applicability and consequences of the CPDI rules to any of the Notes issued under the Programme.**

#### *Tax Considerations if Notes Characterised as Equity for U.S. Federal Income Tax Purposes*

Subject to the PFIC rules discussed below, the gross amount of any distribution by the Issuer of cash or property (including any amounts withheld in respect of any applicable withholding tax, but not including certain distributions, if any, of equity interests distributed *pro rata* to all shareholders of the Issuer) with respect to an equity interest of the Issuer will be taxable to a U.S. Holder as a dividend to the extent of the current and accumulated earnings and profits of the Issuer (computed based on U.S. federal income tax principles). The U.S. Holder will not be eligible for any dividends received deduction in respect of the dividend otherwise allowable to corporations. Distributions in excess of earnings and profits will be non-taxable to the U.S. Holder to the extent of, and will be applied against and reduce, the U.S. Holder's adjusted tax basis in the equity interests. Distributions in excess of earnings and profits and such adjusted tax basis will be taxable to the U.S. Holder as capital gain from the sale or exchange of property. The Issuer does not currently intend to maintain calculations of its earnings and profits under U.S. federal income tax principles. If the Issuer does not report to a U.S. Holder the portion of a distribution that exceeds earnings and profits for U.S. federal income tax purposes, the distribution will generally be taxable as a dividend even if that distribution would otherwise be treated as a non-taxable return of capital or as capital gain under the rules described above. The amount of any distribution of property other than cash will be the fair market value of that property on the date of distribution. Dividends paid by the Issuer will not be eligible for the reduced income tax rate applicable to certain U.S. non-corporate shareholders that receive "qualified dividends" paid by U.S. corporations and "qualified foreign corporations".

The amount of any distributions paid in a foreign currency, including the amount of any withholding tax thereon, will be included in the gross income of a U.S. Holder in an amount equal to the U.S. dollar value of the foreign currency calculated by reference to the exchange rate in effect on the date of receipt, regardless of whether the foreign currency is converted into U.S. dollars. If the foreign currency is converted into U.S. dollars on the date of receipt, a U.S. Holder generally should not be required to recognise foreign currency gain or loss in respect of the distribution. If the foreign currency received in the distribution is not converted into U.S. dollars on the date of receipt, a U.S. Holder will have a basis in the foreign currency equal to its U.S. dollar value on the date of receipt. Any gain or loss on a subsequent conversion or other disposition of the foreign currency will be treated as ordinary income or loss and generally will be treated as U.S. source income or loss for foreign tax credit limitation purposes.

Dividends received by a U.S. Holder with respect to an equity interest in the Issuer will be treated as foreign source income for the purposes of calculating that holder's foreign tax credit limitation. Subject to certain conditions and limitations, foreign country income tax withheld on dividends may be deducted from taxable income or credited against a U.S. Holder's U.S. federal income tax liability. The limitation on foreign taxes eligible for the U.S. foreign tax credit is calculated separately with respect to specific classes of income. The rules regarding the calculation of foreign tax credits and the timing thereof are complex. U.S. Holders should consult their own tax advisers as to the availability of a foreign tax credit under their own particular situation.

In the case where the Notes are treated as an equity interest in the Issuer for U.S. federal income tax purposes, a U.S. Holder generally will recognise capital gain or loss on the sale or exchange (including a redemption) of the Notes equal to the difference between the amount realised on that sale or exchange (or its U.S. dollar equivalent, determined at the spot rate on the date of sale (or in the case of cash basis and electing accrual basis taxpayers, the settlement date), if the amount is determined in a foreign currency)

and the U.S. Holder's adjusted tax basis in the Notes. Such gain or loss will be capital gain or loss and will generally be treated as from sources within the United States. **U.S. Holders should consult their own tax advisers with respect to the treatment of capital gains (which may be taxed at lower rates than ordinary income for taxpayers who are individuals, trusts or estates that hold the Notes for more than one year) and capital losses (the deductibility of which is subject to limitations).**

If a U.S. Holder receives foreign currency upon a sale or exchange, gain or loss, if any, recognised on the subsequent sale, conversion or disposition of such foreign currency will be ordinary income or loss, and will generally be income or loss from sources within the United States for foreign tax credit limitation purposes. However, if such foreign currency is converted into U.S. dollars on the date received by the U.S. Holder, the U.S. Holder generally should not be required to recognise any gain or loss on such conversion. The redemption of the Notes will be treated as a sale of the redeemed Notes by the U.S. Holder (which is taxable as described in this paragraph) or, in certain circumstances, as a distribution to the U.S. Holder (which is taxable as described in preceding paragraphs).

*Status of the Issuer as a PFIC.* The Issuer will be treated as a Passive Foreign Investment Company ("**PFIC**") for U.S. federal income tax purposes. U.S. Holders of equity interests in the Issuer ("**PFIC stock**"), other than such U.S. Holders that make a timely "qualified electing fund" election or a mark to market election (each as described below), will be subject to special rules applicable to PFIC stock.

A U.S. Holder of PFIC stock will be required to allocate to each day in its holding period with respect to the PFIC stock a pro rata portion of any distributions received on the PFIC stock which are treated as an "**excess distribution**" (generally, any distribution received by the U.S. Holder on the PFIC stock in a taxable year that are greater than 125 per cent. of the average annual distributions received by the U.S. Holder in the three preceding taxable years or, if shorter, the U.S. Holder's holding period for the PFIC stock. Any amount of an excess distribution (which term includes gain on the sale of stock) treated as allocable to a prior taxable year is subject to U.S. federal income tax at the highest applicable rate of the year in question, plus an interest charge on the amount of tax deemed to be deferred. For the foregoing purposes, a U.S. Holder who uses PFIC stock as security for a loan will be treated as having disposed of such PFIC stock. A U.S. Holder of PFIC stock will generally be subject to similar rules with respect to distributions to the Issuer by, and dispositions by the Issuer of the stock of, any of its direct or indirect subsidiaries that are also PFICs.

*QEF Election.* A U.S. Holder of an equity interest in the Issuer may avoid the consequences described above by timely making a qualified electing fund election (the "**QEF election**"). A U.S. Holder that makes this election will be required in each taxable year to include (a) as long-term capital gain its *pro rata* share of the Issuer's net capital gain (i.e., the excess of net long-term capital gain over net short-term capital loss for the Issuer's taxable year ending with or within the U.S. Holder's taxable year) and (b) as ordinary income its *pro rata* share of the Issuer's ordinary earnings (i.e., the excess of current earnings and profits for such taxable year of the Issuer over such net capital gain), regardless of whether the Issuer distributes such amounts to the U.S. Holder. For this purpose, a U.S. Holder's *pro rata* share of the Issuer's ordinary income and net capital gain is the amount which would have been distributed with respect to the U.S. Holder's equity interest if, on each day during the taxable year of the Issuer, the Issuer had distributed to each Holder of an equity interest a *pro rata* share of that day's ratable share of the Issuer's ordinary earnings and net capital gain for such year. In this regard, the Issuer's income, gain or loss, as determined for U.S. federal income tax purposes, could impact the U.S. Holder's recognition of income, gain or loss for U.S. federal income tax purposes.

A U.S. Holder will not be eligible for the dividends received deduction in respect of such income or gain. In addition, any losses of the Issuer in a taxable year will not be available to the U.S. Holder and may not be carried back or forward in computing the Issuer's ordinary earnings and net capital gain in other taxable years. If the Issuer distributes the income or gain that was previously included in the U.S. Holder's gross income, such distributions will be non-taxable to the U.S. Holder. For the purposes of determining gain or loss on the disposition (including redemption or retirement) of PFIC stock, a U.S. Holder's initial tax basis

in the PFIC stock (i.e., the U.S. Holder's cost for the PFIC stock) will be increased by the amount so included in gross income with respect to the PFIC stock and decreased by the amount of any non-taxable distributions on the PFIC stock. In general, a U.S. Holder making a timely QEF election will recognise, on the sale or disposition (including redemption and retirement) of PFIC stock, capital gain or loss equal to the difference, if any, between the amount realised upon such sale or disposition and its adjusted tax basis in such stock. Such capital gain or loss will be long-term if the U.S. Holder held the stock for more than one year on the date of disposition.

The QEF election is effective only if certain required information is made available by the Issuer. There can be no assurance that such information will be made available or presented by the Issuer that would be necessary in order for a U.S. Holder to make a QEF election with respect to PFIC stock of the Issuer. Although the Issuer has not finally determined whether it will provide such information, the Issuer currently does not intend to do so.

Each U.S. Holder of a Note treated as equity in the Issuer for U.S. federal income tax purposes must make an annual return on IRS Form 8621, reporting distributions received and gains realised with respect to each PFIC in which it holds a direct or indirect interest.

**Prospective purchasers should consult their own tax advisers regarding whether an investment in a Note will be treated as an investment in PFIC stock and the consequences of an investment in a PFIC.**

*Information Reporting Requirements.* Under U.S. federal income tax law and regulations, certain categories of U.S. persons must file information returns with respect to their investment in the equity interests of a foreign corporation. A U.S. person that purchases for cash Notes treated as equity in the Issuer for U.S. federal income tax purposes will be required to file the Form 926 or similar form with the IRS if (i) such person owned, directly or by attribution, immediately after the transfer, at least 10 per cent. by voting power or value of the Issuer or (ii) if the transfer, when aggregated with all transfers made by such person (or any related person) within the preceding 12 month period, exceeds U.S.\$100,000. In the event a U.S. Holder fails to file any such required form, the U.S. Holder could be required to pay a penalty equal to 10 per cent. of the gross amount paid for such Notes up to a maximum penalty of U.S.\$100,000. **U.S. Holders should consult their own tax advisers regarding any U.S. federal income tax information reporting requirements that are attributable to such U.S. Holder's ownership of the Notes.**

#### **Taxation of Non-U.S. Holders**

Subject to the backup withholding tax discussion below, a Non-U.S. Holder generally should not be subject to U.S. federal income or withholding tax on any payments on the Notes and gain from the sale, redemption or other disposition of the Notes unless (i) that payment and/or gain is effectively connected with the conduct by that Non-U.S. Holder of a trade or business in the United States; (ii) in the case of any gain realised by an individual Non-U.S. Holder, that holder is present in the United States for 183 days or more in the taxable year of the sale or other disposition and certain other conditions are met; or (iii) the Non-U.S. Holder is subject to tax pursuant to provisions of the Code applicable to certain expatriates. Non-U.S. Holders should consult their own tax advisers regarding the U.S. federal income and other tax consequences of owning Notes.

#### **Information Reporting and Backup Withholding**

Backup withholding and information reporting requirements may apply to certain payments of principal and interest on a Note, and of proceeds of the sale of a Note, made to U.S. Holders that are beneficial owners of Notes. The Issuer, its agent, a broker, or any paying agent, as the case may be, may be required to withhold tax from any payment that is subject to backup withholding, if the U.S. Holder fails (i) to furnish the U.S. Holder's taxpayer identification number, (ii) to certify that such U.S. Holder is not subject to backup withholding or (iii) to otherwise comply with the applicable requirements of the backup withholding rules. Certain U.S. Holders (including, among others, corporations) are not subject to the

backup withholding and information reporting requirements. Non-U.S. Holders who hold their Notes through a U.S. broker or agent or through the U.S. office of a non-U.S. broker or agent may be required to comply with applicable certification procedures to establish that they are not U.S. Holders in order to avoid the application of such information reporting requirements and backup withholding. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules generally may be claimed as a credit against such holder's U.S. federal income tax liability provided that the required information is furnished to the IRS. **Noteholders should consult their own tax advisers as to their qualification for exemption from backup withholding and the procedure for obtaining an exemption.**

#### **IRS Disclosure Reporting Requirements**

Recently promulgated U.S. Treasury Regulations (the "**Disclosure Regulations**") meant to require the reporting of certain tax shelter transactions ("**Reportable Transactions**") could be interpreted to cover transactions generally not regarded as tax shelters. Under the Disclosure Regulations it may be possible that certain transactions with respect to the Notes may be characterised as Reportable Transactions requiring a Noteholder who is required to disclose such transaction, such as a sale, exchange, retirement or other taxable disposition of a Note that results in a loss that exceeds certain thresholds and other specified conditions are met. Prospective investors in the Notes should consult with their own tax advisers to determine the tax return obligations, if any, with respect to an investment in the Notes, including any requirement to file IRS Form 8886 (Reportable Transaction Statement).

**THE ABOVE SUMMARY DOES NOT DESCRIBE OTHER TAX CONSEQUENCES THAT WILL ARISE FROM PURCHASING, HOLDING AND DISPOSING OF NOTES BECAUSE THE PRECISE TERMS OF NOTES WILL VARY FROM ISSUE TO ISSUE. PERSONS WHO ARE UNSURE OF THEIR TAX POSITION ARE ADVISED TO CONSULT THEIR PROFESSIONAL ADVISERS.**

**MOREOVER, THE U.S. FEDERAL INCOME TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND MAY NOT BE APPLICABLE DEPENDING UPON A NOTEHOLDER'S PARTICULAR SITUATION. INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISERS WITH RESPECT TO THE TAX CONSEQUENCES TO THEM OF THE OWNERSHIP AND DISPOSITION OF A NOTE, INCLUDING THE TAX CONSEQUENCES UNDER STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN FEDERAL OR OTHER TAX LAWS.**

## **BOOK-ENTRY CLEARANCE PROCEDURES RELATING TO UNRESTRICTED GLOBAL NOTES AND RESTRICTED GLOBAL NOTES**

*The information set out below has been obtained from publicly available information. The Issuer confirms that this information has been accurately reproduced and that as far as the Issuer is aware and is able to ascertain from such information, no facts have been omitted which would render the reproduced information inaccurate or misleading. However, prospective investors should make their own enquiries as to such procedures. In particular, such information is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Clearstream, Luxembourg (together, the "Clearing Systems") currently in effect. Investors wishing to use the facilities of any of the Clearing Systems are therefore advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer, the Trustee, any Agent or any Dealer which is a party to the Agency Agreement (or any affiliate of any of the above, or any person by whom any of the above is controlled for the purposes of the Securities Act), will have any responsibility for the performance by the Clearing Systems or their respective Participants (as defined below) or accountholders of their respective obligations under the rules procedures governing their operations or for the sufficiency for any purpose of the arrangements described below.*

### **Euroclear, Clearstream, Luxembourg and DTC**

Custodial and depository links have been established between Euroclear and Clearstream, Luxembourg and DTC to facilitate the initial issue of the Notes and cross-market transfers of the Notes associated with secondary market trading. See "*Settlement and Transfer of Notes*" below.

### **Euroclear and Clearstream, Luxembourg**

Euroclear and Clearstream, Luxembourg each hold securities for their customers and facilitate the clearance and settlement of securities transactions through electronic book-entry transfer between their respective accountholders. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions which clear through or maintain a custodial relationship with an accountholder of either system. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally-traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective customers may settle trades with each other. Their customers are worldwide financial institutions including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Investors may hold their interests in Global Notes directly through Euroclear or Clearstream, Luxembourg if they are accountholders or indirectly through organisations which are accountholders therein.

### **DTC**

*DTC has advised the Issuer as follows:*

DTC is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a member of the U.S. Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the U.S. Securities Exchange Act of 1934, as amended, (the "**Exchange Act**"). DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic computerised book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to DTC is available to others, such as banks, securities brokers, dealers and trust companies, that clear through or maintain a custodial relationship with a DTC direct participant, either directly or indirectly.

Investors may hold their interests in a Restricted Global Note directly through DTC if they are participants ("**Direct Participants**") in the DTC system, or indirectly through organisations which are participants in such system ("**Indirect Participants**" and together with Direct Participants, "**Participants**").

DTC has advised the Issuer that it will take any action permitted to be taken by a holder of Registered Notes (including, without limitation, the presentation of Restricted Global Notes for exchange as described under "*Form of the Notes—Registered Notes*" above) only at the direction of one or more Participants in whose accounts with DTC interests in a Restricted Global Note are credited and only in respect of such portion of the aggregate principal amount of the relevant Restricted Global Note as to which such Participant or Participants has or have given such direction. However, in the circumstances described under "*Form of the Notes—Registered Notes*" above, DTC will surrender the relevant Restricted Global Note (which will bear the legend applicable to transfers pursuant to Rule 144A).

#### **Registered Notes**

***Euroclear and Clearstream, Luxembourg.*** If it is indicated in the applicable Final Terms that Registered Notes of any Series are to be cleared through Euroclear and Clearstream, Luxembourg, the Issuer will make applications to Euroclear and Clearstream, Luxembourg for acceptance in their respective book-entry systems of the Notes to be represented by an Unrestricted Global Note to be held in such clearing systems. Each such Unrestricted Global Note will have an ISIN and a Common Code and will be registered in the name of a nominee for, and deposited with, a common depository on behalf of Euroclear and Clearstream, Luxembourg.

***DTC.*** If it is indicated in the Final Terms that Registered Notes of any Series are to be cleared through DTC, the Issuer will make application to DTC for acceptance in its book-entry settlement system of the Notes to be represented by a Restricted Global Note to be held in such clearing system. Each such Restricted Global Note will have a CUSIP number and will be deposited with a custodian for, and registered in the name of, a nominee of DTC. The custodian with whom a Restricted Global Note is deposited (the "**DTC Custodian**") and DTC will electronically record the principal amount of the Notes held within the DTC system.

***Unrestricted Global Notes.*** Before expiry of the Distribution Compliance Period applicable to each Tranche of Notes, investors may hold their interest in any Unrestricted Global Note only through Euroclear or Clearstream, Luxembourg. As provided in the applicable Final Terms, a beneficial interest in an Unrestricted Global Note may only be transferred after such expiry within the United States or to or for the account or benefit of a U.S. person by the transferee taking delivery of such beneficial interest in the form of an Individual Certificate or a beneficial interest in a Restricted Global Note (as set out in the applicable Final Terms) and (in the case of an Individual Certificate) following receipt by the Registrar of a Transfer Certificate and an Investment Letter.

***Restricted Global Notes.*** In the event that a beneficial interest in a Restricted Global Note is transferred to a non-U.S. person who wishes to take delivery of such beneficial interest through an Unrestricted Global Note, whether before, on or after the expiration of such Distribution Compliance Period, such interest may only be transferred upon receipt by the Registrar and the Issuer of both a Transfer Certificate (executed by the transferor) and a Regulation S Certificate (executed by the transferor and the proposed transferee), both in the applicable form provided in the Agency Agreement, to the effect that such transfer is being made in accordance with Regulation S under the Securities Act.

***Definitive Notes.*** Notes in definitive form will not be eligible for clearing or settlement through DTC, Euroclear or Clearstream, Luxembourg.

#### **Payments and Relationship of Participants with Clearing Systems**

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the holder of a Note represented by an Unrestricted Global Note or a Restricted Global Note must look solely to Euroclear, Clearstream, Luxembourg or DTC (as the case may be) for his share of each payment made by

the Issuer to the holder of such Unrestricted Global Note or Restricted Global Note (save in case of payments other than in U.S. dollars outside DTC, as referred to below) and in relation to all other rights arising under the Unrestricted Global Note or Restricted Global Note, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or DTC (as the case may be). The Issuer expects that, upon receipt of any payment in respect of Notes represented by an Unrestricted Global Note or Restricted Global Note, the common depository by whom such Note is held, or nominee in whose name it is registered, will (save as provided below in respect of Restricted Global Notes) immediately credit the relevant Participants' or accountholders' accounts in the relevant clearing system with payments in amounts proportionate to their respective beneficial interests in the principal amount of the relevant Unrestricted Global Note or Restricted Global Note as shown on the records of the relevant clearing system or its nominee. The Issuer also expects that payments by Direct Participants or accountholders in any Clearing System to owners of beneficial interests in any Unrestricted Global Note or Restricted Global Note held through such Direct Participants or accountholders in any clearing system will be governed by standing instructions and customary practices. Save as aforesaid, such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Unrestricted Global Note or Restricted Global Note and the obligations of the Issuer will be discharged by payment to the bearer or holder, as the case may be, of such Unrestricted Global Note or Restricted Global Note in respect of each amount so paid. None of the Issuer, the Trustee or any Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of ownership interests in any Unrestricted Global Note or Restricted Global Note or for maintaining, supervising or reviewing any records relating to such ownership interests.

Payments of principal and interest in respect of Restricted Global Notes which are denominated in a currency other than U.S. dollars will be made in accordance with the following provisions:

- (a) in the case of those DTC Participants entitled to receive the relevant payment who have made an irrevocable election to DTC, in the case of interest payments, on or before the third DTC Business Day after the Record Date for the relevant payment of interest and, in the case of principal payments, at least 12 DTC Business Days before the relevant payment date of principal, to receive such payment in the relevant currency, by wire transfer in immediately available funds to the bank account designated by such Noteholder in such election notice in such currency; and
- (b) in the case of those DTC Participants entitled to receive the relevant payment who have made no such election, by conversion of such amounts into U.S. dollars by the Exchange Agent and delivery thereof by the Exchange Agent, after converting amounts in such currency into U.S. dollars, in same day funds to DTC for payment through its settlement system to those DTC Participants entitled to receive the relevant payment. The Agency Agreement sets out the manner in which such conversions are to be made.

"DTC Business Day" means a day on which DTC is open for business.

#### **Settlement and Transfer of Notes**

Subject to the rules and procedures of each applicable Clearing System, purchases of Notes evidenced by an Unrestricted Global Note or a Restricted Global Note held within a Clearing System must be made by or through Direct Participants or accountholders, as the case may be, which will receive a credit for such Notes on the Clearing System's records. The ownership interest of each actual purchaser of each such Note (the "**Beneficial Owner**") will in turn be recorded on the records of the relevant Direct or Indirect Participant or accountholder. Beneficial Owners will not receive written confirmation from any Clearing System of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the relevant Direct or Indirect Participant or accountholder through which such Beneficial Owner entered into the transaction. Transfers of ownership interests in Notes evidenced by an Unrestricted Global Note or a Restricted Global Note held within the Clearing System will be effected by entries made on the books of Participants or accountholders, as the case may be, acting on behalf of Beneficial Owners. Beneficial Owners will not

receive certificates representing their ownership interests in such Notes, unless, and until an interest in any Global Note held within a Clearing System is exchanged for Notes in definitive form.

No Clearing System has knowledge of the actual Beneficial Owners of the Notes evidenced by an Unrestricted Global Note or a Restricted Global Note held within such Clearing Systems and their records will reflect only identity of the Direct Participants or accountholders, as the case may be, to whose accounts such Notes are credited, which may or may not be the Beneficial Owners. The Participants or accountholders, as the case may be, will remain responsible for keeping account of their holdings on behalf of their customers. Conveyance of notices and other communications by the Clearing Systems to Direct Participants or accountholders, by Direct Participants to Indirect Participants, and by Participants or accountholders to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Noteholders holding interests in Notes evidenced by an Unrestricted Global Note through Euroclear or Clearstream, Luxembourg accounts will follow the settlement procedures applicable to conventional Eurobonds. Interests in such Notes will be credited to the securities custody accounts of Euroclear and Clearstream, Luxembourg accountholders on the business day following the Issue Date (backdated to the Issue Date) against payment for value on the Issue Date. Noteholders holding an interest in Notes evidenced by a Restricted Global Note will follow the settlement practices applicable to U.S. corporate debt obligations. The securities custody accounts of investors will be credited with their holdings against payment in same day funds on the Issue Date.

Transfers of Registered Notes represented by Restricted Global Notes within DTC will be in accordance with the usual rules and operating procedures of DTC. Interests in a Restricted Global Note will trade in DTC's Same Day Funds Settlements Systems and secondary market trading activity in such Notes will therefore settle in same day funds.

Transfers between accountholders in Euroclear and Clearstream, Luxembourg will be effected in the ordinary way in accordance with their respective rules and operating procedures.

The laws of some states in the United States may require that certain persons take physical delivery in definitive form of securities. Consequently, the ability to transfer interests in a Restricted Global Note to such persons may be limited. Because DTC can only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, the ability of a person having an interest in a Restricted Global Note to pledge such interest to persons or entities that do not participate in DTC, or otherwise take actions in respect of such interest, may be affected by a lack of a physical certificate in respect of such interest.

***Intra-Market Transfer.*** On or after the Issue Date for any Series, transfers of Notes of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Notes of such Series between Participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

***Cross-Market Transfer.*** Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC Participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream and Euroclear, on the other, transfers of interests the relevant Unrestricted Global Notes or Restricted Global Notes will be effected through the DTC Custodian and the Registrar receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. Transfers will be subject to the transfer restrictions described under "*Subscription, Sale and Transfer Restrictions*" below and will be effected on the later of (a) three business days after trade date for the disposal of the interest in the relevant Unrestricted Global Note or Restricted Global Note resulting in such transfer and (b) two business days after receipt by the Registrar of the necessary certification or information to effect such transfer. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC Participants cannot

be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

Although DTC, Clearstream, Luxembourg and Euroclear have agreed to the foregoing procedures in order to facilitate transfers of beneficial interests in Unrestricted Global Notes or Restricted Global Notes among Participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear, they are under no obligation to perform or to continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, the Trustee or any Agent will have any responsibility for the performance by DTC, Clearstream, Luxembourg or Euroclear or their respective Participants or accountholders of their respective obligations under the rules and procedures governing their operations.

## SUBSCRIPTION, SALE AND TRANSFER RESTRICTIONS

In respect of each issue of Notes, the relevant Dealer will, in a Dealer Agreement to be entered into between, *inter alios*, the Dealer and Strategic Investment Portfolios (Luxembourg) S.A. (each a "**Dealer Agreement**"), agree a basis upon which it may agree to purchase or, as the case may be, to solicit offers to purchase such Notes. Any such agreement will extend to those matters stated under "*Form of the Notes*", "*Summary of the Programme and the Terms and Conditions of the Notes*" and "*Terms and Conditions of the Notes*" above. In the Dealer Agreement, the relevant Dealer will agree to reimburse the Issuer for certain of its expenses (if any) in connection with the relevant issue of Notes. The relevant Dealer will be entitled to be released and discharged from its obligations in relation to any agreement to issue and purchase or to solicit offers to purchase (as the case may be) Notes under the Dealer Agreement in certain circumstances prior to the Issue Date of such Notes. The Issuer also may issue Notes to any Dealer as principal, either at a discount from their principal amount to be agreed upon at the time of issue or at 100 per cent. of their principal amount, for resale to one or more investors and other purchasers at varying prices, to be determined by such Dealer at the time of resale, which may be greater or less than the issue price for such Notes paid by such Dealer. In certain transactions, the issue price may include an amount related to a swap entered into by the Issuer and an affiliate of such Dealer.

### **United States of America**

The Issuer has not been and will not be registered under the Investment Company Act. The Issuer is not required to register as an investment company by virtue of Section 3(c)(7) of the Investment Company Act which, in general, excludes from the definition of an investment company any issuer whose outstanding securities are owned exclusively by persons who are "qualified purchasers" (as defined in Section 2(a)(51) of the Investment Company Act and the rules and regulations thereunder) and which has not made and does not propose to make a public offering of its securities.

In addition, the Notes have not been and will not be registered under the Securities Act. Consequently, the Notes may not be offered, sold, resold, delivered or transferred within the United States or to, or for the account or benefit of, U.S. persons (as such term is defined in Regulation S) except in accordance with the Securities Act or an exemption therefrom and under circumstances which will not require the Issuer to register under the Investment Company Act.

Offers and sales in the United States of Notes issued by the Issuer may only be made to Section 3(c)(7) Eligible Investors in private transactions exempt from the registration requirements of the Securities Act. Resales in the United States may only be made to Section 3(c)(7) Eligible Investors in transactions pursuant to, and meeting the requirements of, Rule 144A.

"**Section 3(c)(7) Eligible Investors**" are defined for the purposes hereof as persons whom the seller reasonably believes to be QIBs, but excluding therefrom: (i) QIBs which are broker-dealers which own and invest on a discretionary basis less than U.S.\$25,000,000 in securities of issuers not affiliated to such QIB, (ii) a partnership, common trust fund, special trust, pension fund, retirement plan or other entity in which the partners, beneficiaries or participants, as the case may be, may designate the particular investments to be made or the allocation thereof, (iii) an entity that was formed, re-formed, or recapitalised for the specific purpose of investing in the Notes, (iv) any investment company exempted from the Investment Company Act under Section 3(c)(1) or 3(c)(7) thereof and formed before 30th April, 1996, which has not received consent from its beneficial owners with respect to the treatment of such entity as a qualified purchaser in the manner required by Section 2(a)(51)(C) of the Investment Company Act and rules thereunder and (v) any entity that will have invested more than 40 per cent. of its assets in securities of the Issuer subsequent to any purchases of Notes of the Issuer. Any sales or transfers of Notes in violation of the foregoing shall be prohibited and treated by the Issuer or, as the case may be, the Registrar as void *ab initio* and will not be honoured by the Issuer and the Issuer shall have the right at any time, at the expense and risk of the holder of the Notes held by or on behalf of a U.S. person who is not a Section 3(c)(7) Eligible Investor at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part,

to permit the Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a Section 3(c)(7) Eligible Investor or to a non-U.S. person outside the United States.

Accordingly, upon the initial purchase of a Registered Note represented by an Individual Certificate, and upon any transfer of such Note to a subsequent purchaser and upon the transfer of an interest in an Unrestricted Global Note to or for the account or benefit of a U.S. person which interest is exchanged (in accordance with provisions included in the applicable Final Terms) for an Individual Certificate, (A) the purchaser (except in the case of any purchase of Notes by a Dealer (or one of its affiliates) that qualifies as a Section 3(c)(7) Eligible Investor) will be required to execute and deliver an Investment Letter to the Registrar and the Issuer for the benefit of the Issuer and for any agent or seller of such Note to the effect that, among other things, such purchaser (1) represents that it has received a copy of the Base Prospectus (as supplemented by any supplement) and any other information relating to the Notes as it deems necessary to make its investment decision, (2) represents that (a) it is purchasing the Note for its own account or for the account of one or more accounts maintained by it or over which it exercises sole investment discretion, and each of the purchaser or such account is purchasing the Notes or interest therein in minimum authorised denominations, (b) it and any such account are (or are for the benefit of) a Section 3(c)(7) Eligible Investor and (c) it has, and any accounts for which it is acting have, such knowledge and experience in financial and business matters so as to be able to evaluate the merits and risks of an investment in the Notes and sufficient net worth and/or annual income to hold the Notes for an indefinite period of time and to bear the risk of losing its entire investment, (3) acknowledges that the Notes have not been, and will not be, registered under the Securities Act and may not be offered, sold, resold or delivered in the United States except pursuant to an exemption from such Act in accordance with the terms herewith and that the Registrar is not required to register any purported transfers of Notes which would, in the opinion of the Registrar, cause the Issuer to be in violation of the Securities Act or the Investment Company Act and (4) agrees that such Note or interest therein may be offered, sold, resold, pledged or otherwise transferred or delivered only in minimum authorised denominations (a) to a non-U.S. person, or (b) to a person who the seller reasonably believes to be a QIB that qualifies as a Section 3(c)(7) Eligible Investor pursuant to an exemption from registration under the Securities Act that will not require the Issuer to register under the Investment Company Act and (c) that it may, on any proposed resale of the Notes, be required to furnish to the Issuer such certifications, legal opinions and other information as it may reasonably require to confirm that the proposed transfer complies with the foregoing restrictions; and (B) the seller will be required to execute and deliver a Transfer Certificate.

In addition, unless otherwise specified in the applicable Final Terms, each purchaser or holder of a Registered Note or Bearer Note shall be deemed to have represented by such purchase and/or holding that it is not a benefit plan investor, is not using the assets of a benefit plan investor to acquire the Note, and shall not at any time hold such Note for or on behalf of a benefit plan investor. For the purposes hereof, "**benefit plan investor**" means (a) an employee benefit plan (as defined in Section 3(3) of ERISA), whether or not subject to ERISA, and specifically including pension plans maintained outside of the U.S., (b) a plan described in Section 4975(e)(1) of the Internal Revenue Code, or (c) any entity whose underlying assets include plan assets by reason of a plan's investment in the entity under U.S. Department of Labor Regulations § 2510.3-101 (29 C.F.R. § 2510.3-101).

Beneficial interests in Bearer Notes and Registered Notes may only be offered, sold or transferred in accordance with the transfer restrictions set out in the legend on such Notes.

Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the Internal Revenue Code and regulations thereunder.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States to non-U.S. persons, for the private placement of the Notes in the United States and for the listing of the Notes on the Luxembourg Stock Exchange. The Issuer reserves, and the

relevant Dealer will reserve, the right to reject any offer to purchase, in whole or in part, for any reason or to sell less than the principal amount of Notes which may be offered pursuant to Rule 144A or another exemption from registration under the Securities Act.

Any Notes that are offered, sold or transferred in the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S) will either be issued in the form of Individual Certificates, registered in the name of the registered holder thereof, or be represented by a Restricted Global Note which will be deposited with a custodian for, and registered in the name of a nominee of, DTC.

Each Individual Certificate representing Notes issued by the Issuer will bear a legend to the following effect:

"THE NOTES REPRESENTED BY THIS REGISTERED CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED, (THE "**SECURITIES ACT**") AND, PRIOR TO THE DATE WHICH IS TWO YEARS AFTER THE ORIGINAL ISSUE DATE HEREOF, MAY BE TRANSFERRED ONLY PURSUANT TO THE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SUCH ACT AS SET FORTH BELOW.

SUBSEQUENT TO THE DATE WHICH IS TWO YEARS AFTER THE ORIGINAL ISSUE DATE HEREOF, THE NOTES REPRESENTED BY THIS REGISTERED CERTIFICATE MAY ALSO BE TRANSFERRED IN ACCORDANCE WITH RULE 144 UNDER THE SECURITIES ACT PROVIDED SUCH TRANSFER IS IN CIRCUMSTANCES DESIGNED TO PRECLUDE THE ISSUER HEREOF FROM HAVING TO REGISTER AS AN "INVESTMENT COMPANY" UNDER THE INVESTMENT COMPANY ACT (AS DEFINED AND DESCRIBED BELOW) BY RELIANCE ON THE EXEMPTION THERETO IN SECTION 3(c)(7) OF SUCH ACT.

BENEFICIAL INTERESTS IN THE NOTES REPRESENTED BY THIS REGISTERED CERTIFICATE MUST BE IN THE MINIMUM DENOMINATION OF U.S.\$100,000.

THE ISSUER OF THE NOTES REPRESENTED BY THIS REGISTERED CERTIFICATE HAS NOT BEEN AND WILL NOT BE REGISTERED AS AN "INVESTMENT COMPANY" UNDER THE U.S. INVESTMENT COMPANY ACT OF 1940, AS AMENDED, (THE "**INVESTMENT COMPANY ACT**").
