Leeds Building Society

(incorporated in England and Wales under the Building Societies Act 1986, as amended)

€7 billion

Global Covered Bond Programme

unconditionally and irrevocably guaranteed as to payments of interest and principal by

Leeds Building Society Covered Bonds Limited Liability Partnership

(a limited liability partnership incorporated in England and Wales)

Under this €7 billion covered bond programme (the **Programme**), Leeds Building Society (the **Issuer**) may from time to time issue bonds (the **Covered Bonds**) denominated in any currency agreed between the Issuer and the relevant Dealer(s) (as defined below). The price and amount of the Covered Bonds to be issued under the Programme will be determined by the Issuer and the relevant Dealer at the time of issue in accordance with prevailing market conditions.

Leeds Building Society Covered Bonds Limited Liability Partnership (the **LLP**) has guaranteed payments of interest and principal under the Covered Bonds pursuant to a guarantee which is secured over the Portfolio (as defined below) and its other assets. Recourse against the LLP under its guarantee is limited to the Portfolio and such assets.

Covered Bonds may be issued in bearer or registered form. The maximum aggregate nominal amount of all Covered Bonds from time to time outstanding under the Programme will not exceed €7 billion (or its equivalent in other currencies calculated as described in the Programme Agreement described herein), subject to increase as described herein.

The Covered Bonds may be issued on a continuing basis to one or more of the Dealers specified under "*Overview of the Programme*" and any additional Dealer appointed under the Programme from time to time by the Issuer (each, a **Dealer** and together, the **Dealers**), which appointment may be to a specific issue or on an ongoing basis. References in this Prospectus (as defined below) to the **relevant Dealers** shall, in the case of an issue of Covered Bonds being (or intended to be) subscribed for by more than one Dealer, be to all Dealers agreeing to subscribe for such Covered Bonds.

See "*Risk Factors*" on page 20 of this Prospectus for a discussion of certain factors to be considered in connection with an investment in the Covered Bonds.

This Prospectus constitutes a Base Prospectus for the purposes of the Prospectus Directive - Directive 2003/71/EC as amended, which includes the amendments made by Directive 2010/73/EU to the extent that such amendments have been implemented in a relevant member state (the **Prospectus Directive**). Application has been made to the Financial Conduct Authority (the **FCA**) under Part VI of the Financial Services and Markets Act 2000 (the **FSMA**) for the purposes of the Prospectus Directive and relevant implementing measures in the United Kingdom (the **UK Listing Authority**), for approval of this Prospectus as a base prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of Covered Bonds issued under the Programme during the period of 12 months from the date of this Prospectus to be admitted to the official list of the UK Listing Authority (the **Official List**) and to the London Stock Exchange plc (the **London Stock Exchange**) for such Covered Bonds to be admitted to trading on the regulated market of the London Stock Exchange which is a "regulated market" for the purposes of Directive 2004/39/EC (the **Markets in Financial Instruments Directive**) (the **regulated market of the London Stock Exchange**). References in this Prospectus to Covered Bonds being "listed" (and all related references) shall mean that such Covered Bonds have been admitted to trading on the regulated market of the London Stock Exchange and have been admitted to the Official List. Notice of the aggregate nominal amount of Covered Bonds, interest (if any) payable in respect of Covered Bonds, the issue price of Covered Bonds and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "*Terms and Conditions of the Covered Bonds*") of Covered Bonds will be set out in a separate document containing the final terms for that Tranche (**Final Terms**) which, with respect to Covered Bonds to be admitted to the Official List and admitted to trading by the London Stock Exchange, will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of such Tranche of Covered Bonds.

On 1 May 2009, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds issued previously under the Programme) were admitted to the register of regulated covered bonds, under the Regulated Covered Bonds Regulations 2008 (SI 2008/346) as amended by the Regulated Covered Bonds (Amendment) Regulations 2008 (SI 2008/1714), Regulated Covered Bonds (Amendment) Regulations 2011 (SI 2011/2859) and the Regulated Covered Bonds (Amendment) Regulations 2012 (SI 2012/2977) (the **RCB Regulations**).

The Covered Bonds and the Covered Bond Guarantee (as defined below) have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the **Securities Act**), and may not be offered or sold in the United States or to or for the account or benefit of U.S. persons unless such securities are registered under the Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. See "*Form of the Covered Bonds*" for a description of the manner in which Covered Bonds will be issued. Registered Covered Bonds are subject to certain restrictions on transfer, see "*Subscription and Sale and Transfer and Selling Restrictions*".

The Issuer and the LLP may agree with any Dealer and the Bond Trustee that Covered Bonds may be issued in a form not contemplated by the Terms and Conditions of the Covered Bonds herein, in which event (in the case of Covered Bonds admitted to the Official List only) a supplementary prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Covered Bonds.

Each Series of Covered Bonds issued under the Programme will have the rating set out in the applicable Final Terms as assigned by Moody's Investor Services Limited and Fitch Ratings Ltd. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating organisation. The rating of certain Series of Covered Bonds to be issued under the Programme will be specified in the applicable Final Terms. The credit ratings included and referred to in this Prospectus have been issued by Fitch Ratings Limited (Fitch) and/or Moody's Investor Service Ltd (Moody's) each of which is a credit rating agency established in the European Union (the EU) and is registered under Regulation (EU) No 1060/2009 (as amended) (the CRA Regulation). In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused.

Arrangers for the Programme

The date of this Prospectus is 23 December 2014

This Prospectus has been approved by the UK Listing Authority as a base prospectus for the purposes of Article 5.4 of the Prospectus Directive and has been published in accordance with the prospectus rules made under the FSMA. This Prospectus is not a prospectus for the purposes of Section 12(a)(2) or any other provision or order under the Securities Act.

The Issuer and the LLP (each a Responsible Person) each accept responsibility for the information contained in this Prospectus (the Prospectus) including the Final Terms relating to each Tranche of Covered Bonds issued under the Programme. To the best of the knowledge and belief of each of the Issuer and the LLP (each having taken all reasonable care to ensure that such is the case) the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information. Any information sourced from third parties contained in this Prospectus has been accurately reproduced (and is clearly sourced where it appears in the document) and, as far as each of the Issuer and the LLP are aware and are able to ascertain from information published by that third party, no facts have been omitted which would render the reproduced information inaccurate or misleading.

Copies of each set of Final Terms in relation to Covered Bonds to be admitted to the Official List will be available from the registered office of the Issuer and from the specified office set out below of each of the Paying Agents (as defined below).

This Prospectus is to be read in conjunction with any supplements hereto, all documents which are deemed to be incorporated herein by reference (see "*Documents Incorporated by Reference*" below) and any Final Terms. This Prospectus shall, save as specified herein, be read and construed on the basis that such documents are so incorporated and form part of this Prospectus.

The information contained in this Prospectus was obtained from the Issuer and other sources, but no assurance can be given by the Arrangers, the Dealers, the Bond Trustee or the Security Trustee as to the accuracy or completeness of this information. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arrangers, the Dealers, the Bond Trustee or the Security Trustee as to (i) the accuracy or completeness of the information contained or incorporated in this Prospectus or any other information provided by the Issuer and the LLP in connection with the Programme or (ii) any other statement, made or proposed to be made by any of the Arrangers, the Dealers, the Bond Trustee or the Security Trustee or on its behalf in connection with the Issuer, the LLP or the issue and/or offering of any Covered Bonds. Neither the Arrangers, the Dealers nor the Bond Trustee nor the Security Trustee accepts any liability in relation to the information contained or incorporated by reference in this Prospectus or any other information provided by the Issuer and the LLP in connection with the Programme. Accordingly, each of the Arrangers, the Dealers, the Bond Trustee and the Security Trustee disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement or information.

No person is or has been authorised by the Issuer, the Seller, the LLP, any of the Arrangers, any of the Dealers, the Bond Trustee or the Security Trustee to give any information or to make any representation not contained in or not consistent with this Prospectus or any other information supplied in connection with the Programme or the Covered Bonds and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Seller, the LLP, any of the Arrangers, any of the Dealers, the Bond Trustee or the Security Trustee.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Covered Bonds (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer, the LLP, the Seller, any of the Arrangers, any of the Dealers, the Bond Trustee or the Security Trustee that any recipient of this Prospectus or

any other information supplied in connection with the Programme or any Covered Bonds should purchase any Covered Bonds. Each investor contemplating purchasing any Covered Bonds should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and/or the LLP. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Covered Bonds constitutes an offer or invitation by or on behalf of the Issuer, the LLP, the Seller, any of the Arrangers, any of the Dealers, the Bond Trustee or the Security Trustee to any person to subscribe for or to purchase any Covered Bonds.

Neither the delivery of this Prospectus nor the offering, sale or delivery of any Covered Bonds shall in any circumstances imply that the information contained herein concerning the Issuer and/or the LLP and/or the Seller is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Arrangers, the Dealers, the Bond Trustee and the Security Trustee expressly do not undertake to review the financial condition or affairs of the Issuer, the LLP or the Seller during the life of the Programme or to advise any investor in the Covered Bonds of any information coming to their attention. Investors should review, *inter alia*, the most recently published documents incorporated by reference into this Prospectus when deciding whether or not to purchase any Covered Bonds.

The Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act. The Covered Bonds in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. Treasury regulations (see "*Subscription and Sale and Transfer and Selling Restrictions*" below). Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and the U.S. Treasury regulations promulgated thereunder.

As set forth in the applicable Final Terms, the Covered Bonds are being offered and sold (a) (i) to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act (Rule 144A) ("QIBs") and/or (ii) to institutional "accredited investors" as defined in Rule 501(a) (1), (2), (3) or (7) under the Securities Act (Institutional Accredited Investors or IAIs) and/or (b) in accordance with Regulation S under the Securities Act (Regulation S) to non-US persons in offshore transactions. Prospective purchasers are hereby notified that the sellers of the Covered Bonds may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A.

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Covered Bonds in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Covered Bonds may be restricted by law in certain jurisdictions. The Issuer, the LLP, the Arrangers, the Dealers, the Bond Trustee and the Security Trustee do not represent that this Prospectus may be lawfully distributed, or that any Covered Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the LLP, the Arrangers, the Dealers, the Bond Trustee or the Security Trustee which would permit a public offering of any Covered Bonds or distribution of this Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Covered Bonds may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Prospectus or any Covered Bonds may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Covered Bonds. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Covered Bonds in the United States, the European Economic Area,

the United Kingdom and the Republic of Italy (see "*Subscription and Sale and Transfer and Selling Restrictions*").

This Prospectus has been prepared on the basis that any offer of Covered Bonds in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a Relevant Member State) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Covered Bonds. Accordingly any person making or intending to make an offer in a Relevant Member State of Covered Bonds which are the subject of an offering contemplated in this Prospectus as completed by the applicable Final Terms in relation to the offer of those Covered Bonds may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Covered Bonds in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

All references in this document to "Sterling" and "£" refer to the lawful currency for the time being of the United Kingdom of Great Britain and Northern Ireland, references to "euro" and "€" refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended, references to "U.S. Dollars" and "\$" refer to the lawful currency per the time being of the United States of America and references to "Yen", "JPY" and "¥" refer to the lawful currency for the time being of Japan.

In connection with the issue of any Tranche of Covered Bonds, one or more relevant Dealers acting as stabilising manager (each a Stabilising Manager) (or persons acting on behalf of any Stabilising Manager(s)) may over-allot Covered Bonds (provided that, in the case of any Tranche of Covered Bonds to be admitted to trading on the regulated market of the London Stock Exchange, the aggregate principal amount of Covered Bonds allotted does not exceed 105 per cent. of the aggregate principal amount of the relevant Tranche) or effect transactions with a view to supporting the market price of the Covered Bonds at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Covered Bonds is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Covered Bonds and 60 days after the date of the allotment of the relevant Tranche of Covered Bonds. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

In making an investment decision, investors must rely on their own examination of the Issuer and the LLP and the terms of the Covered Bonds being offered, including the merits and the risks involved.

The Covered Bonds may not be a suitable investment for all investors. Each potential investor in the Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Covered Bonds, the merits and risks of investing in the Covered Bonds and the information contained or incorporated by reference in this Prospectus or any applicable supplement and the applicable Final Terms;

- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Covered Bonds and the impact the Covered Bonds will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Covered Bonds, including Covered Bonds with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- understand thoroughly the terms of the Covered Bonds and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Covered Bonds are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Covered Bonds which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Covered Bonds will perform under changing conditions, the resulting effects on the value of the Covered Bonds and the impact this investment will have on the potential investor's overall investment portfolio.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Covered Bonds are legal investments for it, (2) Covered Bonds can be used as collateral for various types of borrowing, (3) Covered Bonds can be used as repo-eligible securities and (4) other restrictions apply to its purchase or pledge of any Covered Bonds. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Covered Bonds under any applicable risk-based capital or similar rules.

The Covered Bonds have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Prospectus or confirmed the accuracy or determined the adequacy of the information contained in this Prospectus. Any representation to the contrary is unlawful.

None of the Arrangers, the Dealers, the Issuer, the LLP, the Security Trustee or the Bond Trustee makes any representation to any investor in the Covered Bonds regarding the legality of its investment under any applicable laws. Any investor in the Covered Bonds should be able to bear the economic risk of an investment in the Covered Bonds for an indefinite period of time.

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Covered Bonds that are "restricted securities" within the meaning of the Securities Act, each of the Issuer and the LLP has undertaken in the Trust Deed (as defined under "*Terms and Conditions of the Covered Bonds*") to furnish, upon the request of a holder of such Covered Bonds or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, any of the Covered Bonds remain outstanding as "restricted securities" within the meaning of Rule 144(a)(3) of the Securities Act and each of the Issuer and the LLP is neither a reporting company under Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the **Exchange Act**), nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

By requesting copies of any of the documents referred to herein, each potential purchaser agrees to keep confidential the various documents and all written information clearly labelled "Confidential" which from time to time have been or will be disclosed to it concerning the LLP or the Issuer or any of their affiliates, and agrees not to disclose any portion of the same to any person.

Notwithstanding anything herein to the contrary, investors (and each employee, representative or other agent of the investors) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the offering and all materials of any kind (including opinions or other tax analyses) that are provided to the investors relating to such tax treatment and tax structure (as such terms are defined in Treasury Regulation Section 1.6011-4). This authorisation of tax disclosure is retroactively effective to the commencement of discussions between the Issuer, the Dealers of their respective representations and a prospective investor regarding the transactions contemplated herein.

FORWARD-LOOKING STATEMENTS

This Prospectus contains various forward-looking statements regarding events and trends that are subject to risks and uncertainties that could cause the actual results and financial position of Leeds Building Society and its consolidated subsidiary undertakings (collectively, the **Leeds Group**) to differ materially from the information presented herein. When used in this Prospectus, the words "estimate", "project", "intend", "anticipate", "believe", "expect", "should" and similar expressions, as they relate to the Leeds Group and its management, are intended to identify such forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Leeds Group does not undertake any obligation to publicly release the result of any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

The Issuer is a building society organised under the laws of England and Wales and the LLP is a limited liability partnership organised under the laws of England and Wales. All of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuer and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside England and Wales (as applicable) upon the Issuer, the LLP or such persons, or to enforce judgments against them obtained in courts outside England and Wales (as applicable) predicated upon civil liabilities of the Issuer or such directors and officers under laws other than English laws (as applicable), including any judgment predicated upon United States federal securities laws. The Issuer has been advised by Allen & Overy LLP, its counsel, that there is doubt as to the enforceability in England and Wales in original actions or in actions for the enforcement of judgments of United States courts of civil liabilities predicated solely upon the federal securities laws of the United States.

Structure Diagram

Structure Overview

- *Programme:* Under the terms of the Programme, the Issuer will issue Covered Bonds to the Covered Bondholders on each Issue Date. The Covered Bonds will be direct, unsecured and unconditional obligations of the Issuer.
- *Intercompany Loan Agreement:* Under the terms of the Intercompany Loan Agreement, the Issuer will make Term Advances to the LLP in an amount equal to the Principal Amount Outstanding on the Issue Date of each Series or, as applicable, Tranche of Covered Bonds. Payments by the Issuer of amounts due under the Covered Bonds are not conditional upon receipt by the Issuer of payments from the LLP pursuant to the Intercompany Loan Agreement. Amounts owed by the LLP under the Intercompany Loan Agreement will be subordinated to amounts owed by the LLP under the Covered Bond Guarantee.
- *Covered Bond Guarantee:* Under the terms of the Trust Deed, the LLP has provided a guarantee as to payments of interest and principal under the Covered Bonds. The LLP has agreed to pay an amount equal to the Guaranteed Amounts when the same shall become Due for Payment but which would otherwise be unpaid by the Issuer. The obligations of the LLP under the Covered Bond Guarantee constitute direct and (following the service of a Notice to Pay on the LLP or, if earlier, the service on the Issuer and the LLP of an LLP Acceleration Notice) unconditional obligations of the LLP, secured as provided in the Deed of Charge. The Bond Trustee will be required to serve a Notice to Pay on the LLP following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice. An LLP Acceleration Notice may be served by the Bond Trustee on the Issuer and the LLP following the occurrence of an LLP Event of Default. If an Issuer Acceleration Notice is served, each Covered Bond of each Series shall thereupon immediately become due and repayable as against the Issuer (but not, for the avoidance of doubt, against the LLP under the Covered Bond Guarantee). If an LLP Acceleration Notice is served, the Covered Bonds will become immediately due and payable as against the Issuer and the LLP's obligations under the Covered Bond Guarantee will be accelerated. Payments made by the LLP under the Covered Bond Guarantee will be made subject to, and in accordance with, the Guarantee Priority of Payments or the Post-Enforcement Priority of Payments (as applicable). The recourse of the Covered Bondholders to the LLP under the Covered Bond Guarantee will be limited to the assets of the LLP from time to time.
- *The proceeds of Term Advances:* The LLP will use the proceeds of the Term Advances received under the Intercompany Loan Agreement from time to time (if not denominated in Sterling, after swapping the same into Sterling under the relevant Covered Bond Swap Agreement): (i) to purchase Loans and their Related Security from the Seller in accordance with the terms of the Mortgage Sale Agreement; and/or (ii) to invest in Substitution Assets in an amount not exceeding the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP: (a) to purchase Loans and their Related Security, from the Seller in accordance with the terms of the Mortgage Sale Agreement; and/or (b) to invest in Substitution Assets in an amount not exceeding the prescribed limit; and/or (c) (subject to complying with the Asset Coverage Test (as described below)) to make a Capital Distribution to a Member; and/or (d) if an existing Series and/or Tranche, or part of an existing Series and/or Tranche, of Covered Bonds is being refinanced (by the issue of a further Series and/or Tranche of Covered Bonds), to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced; and/or (e) to make a deposit of all or part of the proceeds in the GIC Account or, as applicable, the Stand-by GIC Account

and/or (if so directed by the Issuer) in the LBS Reserve Fund Account (including, without limitation, to fund the Reserve Funds up to an amount not exceeding, as applicable, the Reserve Fund Required Amount or the LBS Reserve Fund Required Amount). To protect the value of the Portfolio under the terms of the LLP Deed, the LLP and the Seller will be obliged to ensure that the Asset Coverage Test (as described below) will be satisfied on each Calculation Date.

- *Consideration*: Under the terms of the Mortgage Sale Agreement, the consideration payable to the Seller for the sale of Loans and their Related Security to the LLP on any Transfer Date will be a combination of (i) a cash payment paid by the LLP to the Seller and/or (ii) the Seller being treated as having made a Capital Contribution in Kind to the LLP (in an amount up to the difference between the True Balance of the Loans sold by the Seller as at the relevant Transfer Date and the cash payment (if any) paid by the LLP) and (iii) Deferred Consideration.
- *Security*: To secure its obligations under the Covered Bond Guarantee and the Transaction Documents to which it is a party, the LLP has granted security over the Charged Property (which consists principally of the LLP's interest in the portfolio of Loans and their Related Security, the Substitution Assets, the Transaction Documents to which it is a party, the LLP Accounts and the Authorised Investments) in favour of the Security Trustee (for itself and on behalf of the other Secured Creditors) pursuant to the Deed of Charge.
- *Cashflows*: Prior to service of an Asset Coverage Test Breach Notice, a Notice to Pay or an LLP Acceleration Notice on the LLP and/or realisation of the Security and/or the commencement of winding-up proceedings against the LLP, the LLP will:
 - (a) apply Available Revenue Receipts to pay interest due on the Term Advances (the proceeds of which the Issuer may apply to pay interest due on the Covered Bonds) and to pay Deferred Consideration to the Seller in respect of the Loans sold by the Seller to the LLP. However, these payments will only be made after payment of certain items ranking higher in the Pre-Acceleration Revenue Priority of Payments (including, but not limited to, certain expenses and amounts due to the Interest Rate Swap Provider and the Covered Bond Swap Providers). For further details of the Pre-Acceleration Revenue Priority of Payments, see "*Cashflows*" below; and
 - (b) apply Available Principal Receipts towards making Capital Distributions to the Members but only after payment of certain items ranking higher in the Pre-Acceleration Principal Priority of Payments (including, but not limited to, acquiring New Loans and their Related Security offered by the Seller to the LLP). For further details of the Pre-Acceleration Principal Priority of Payments, see "*Cashflows*" below.

Following service on the LLP of an Asset Coverage Test Breach Notice (which has not been revoked) but prior to service on the LLP of a Notice to Pay or an LLP Acceleration Notice and/or the realisation of the Security and/or the commencement of winding-up proceedings against the LLP, the LLP will continue to apply Available Revenue Receipts and Available Principal Receipts as described above, except that, whilst any Covered Bonds remain outstanding:

- (a) in respect of Available Revenue Receipts, no further amounts will be paid to the Issuer under the Intercompany Loan Agreement, towards any indemnity amount due to the Members pursuant to the LLP Deed or any indemnity amount due to the Asset Monitor pursuant to the Asset Monitor Agreement, towards any Deferred Consideration or towards any profit for the Members' respective interests in the LLP

(but payments will, for the avoidance of doubt, continue to be made under the relevant Swap Agreements); and

- (b) in respect of Available Principal Receipts, no payments will be made other than into the GIC Account or, as applicable, the Stand-by GIC Account after exchange (if required) in accordance with the relevant Covered Bond Swap (see "*Cashflows*" below).

Following the service on the LLP of a Notice to Pay (but prior to an LLP Event of Default and service of an LLP Acceleration Notice on the LLP and/or the realisation of the Security and/or the commencement of winding-up proceedings against the LLP) the LLP will use all monies (other than Third Party Amounts and Swap Collateral) to pay Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment subject to paying certain higher ranking obligations of the LLP in the Guarantee Priority of Payments. In such circumstances, the Members of the LLP, including the Seller, will only be entitled to receive any remaining income of the LLP after all amounts due under the Covered Bond Guarantee in respect of the Covered Bonds have been paid in full or have otherwise been provided for.

Following the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice on the LLP and/or realisation of the Security and/or the commencement of winding-up proceedings against the LLP, the Covered Bonds will become immediately due and repayable (if not already due and payable following the occurrence of an Issuer Event of Default) and the Bond Trustee will then have a claim against the LLP under the Covered Bond Guarantee for an amount equal to the Early Redemption Amount in respect of each Covered Bond together with accrued interest and any other amounts due under the Covered Bonds other than additional amounts payable by the Issuer under Condition 7 (*Taxation*) and the security created by the LLP over the Charged Property will become enforceable. Any monies received or recovered by the Security Trustee following enforcement of the Security created by the LLP in accordance with the Deed of Charge, realisation of such Security and/or the commencement of winding-up proceedings against the LLP will be distributed according to the Post-Enforcement Priority of Payments (as to which, see "*Cashflows*" below).

- *Interest Accumulation Ledger:* in relation to each Series of Covered Bonds that does not (a) have a Covered Bond Swap in place and (b) does not have monthly Interest Payment Dates (each such Series, an **Accumulation Series of Covered Bonds**), the Cash Manager shall maintain an Interest Accumulation Ledger, to which the LLP Monthly Interest Amounts will be credited on each LLP Payment Date. Amounts standing to the credit of the Interest Accumulation Ledger in respect of each such Accumulation Series of Covered Bonds will be applied on the relevant Loan Interest Payment Date or Interest Payment Date, as the case may be, together with Available Revenue Receipts (applied in accordance with the relevant Priorities of Payments), to make payments under the Term Advances or Covered Bonds, as applicable.
- *Asset Coverage:* The Programme provides that the assets of the LLP are subject to an Asset Coverage Test in respect of the Covered Bonds. Accordingly, for so long as Covered Bonds remain outstanding, the LLP and the Seller must ensure that on each Calculation Date, the Adjusted Aggregate Loan Amount will be in an amount equal to or in excess of the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on that Calculation Date. The Asset Coverage Test will be tested by the Cash Manager on each Calculation Date. A breach of the Asset Coverage Test on a Calculation Date which is not remedied on the immediately succeeding Calculation Date will require the Bond Trustee (subject to the Bond Trustee having actual knowledge or express notice of

such breach) to serve an Asset Coverage Test Breach Notice on the LLP. The Asset Coverage Test Breach Notice will be revoked if, on any Calculation Date falling on or prior to the third Calculation Date following service of an Asset Coverage Test Breach Notice, the Asset Coverage Test is satisfied and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

If an Asset Coverage Test Breach Notice has been delivered and has not been revoked:

- (a) the application of Available Revenue Receipts and Available Principal Receipts will be restricted;
- (b) the LLP will be required to sell Selected Loans; and
- (c) the Issuer will not be permitted to make to the LLP and the LLP will not be permitted to borrow from the Issuer any new Term Advances under the Intercompany Loan Agreement.

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances, may be required) to serve an Issuer Acceleration Notice on the Issuer. Following service of an Issuer Acceleration Notice, the Bond Trustee must serve a Notice to Pay on the LLP.

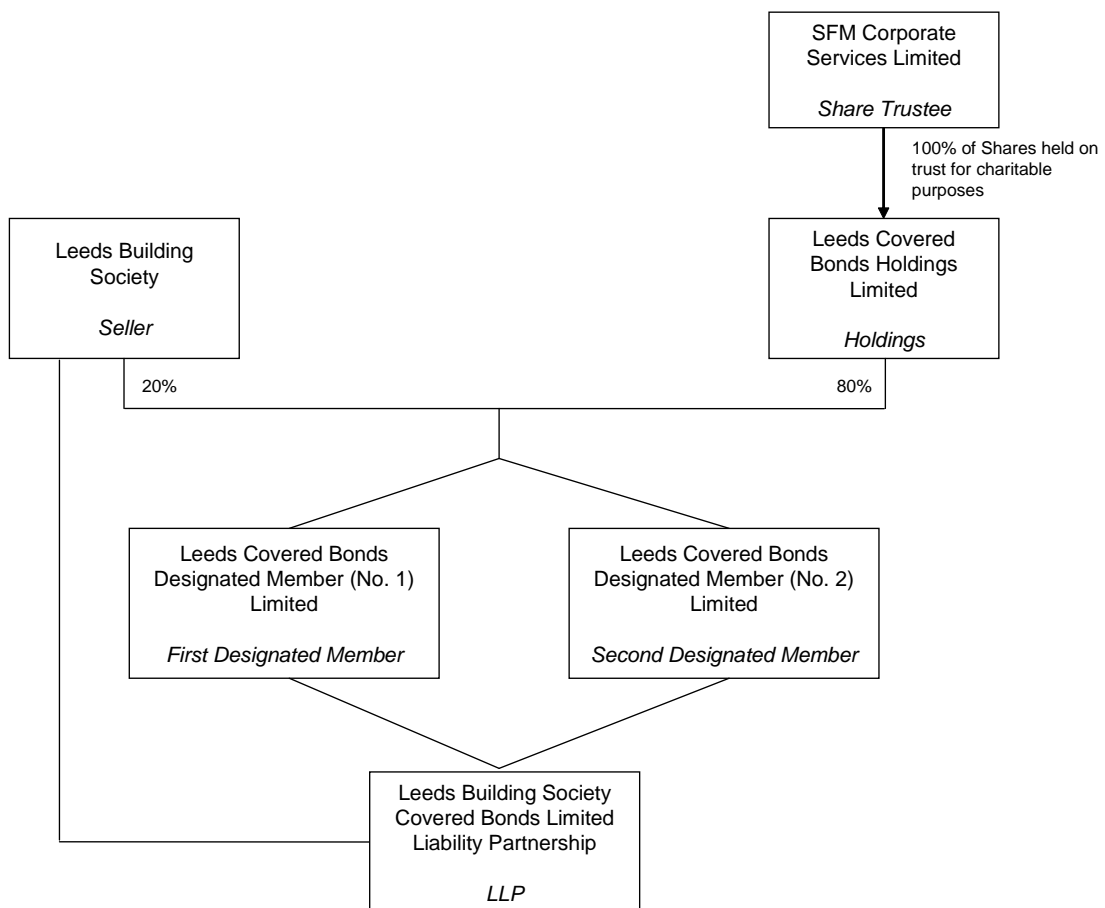

- *Amortisation Test:* In addition, following service of a Notice to Pay on the LLP (but prior to service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security) and, for so long as Covered Bonds remain outstanding, the LLP and the Seller must ensure that on each Calculation Date following an Issuer Event of Default and the service of a Notice to Pay on the LLP, the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds from time to time. The Amortisation Test will be tested by the Cash Manager on each Calculation Date following an Issuer Event of Default and service of a Notice to Pay on the LLP. A breach of the Amortisation Test will constitute an LLP Event of Default, which will entitle the Bond Trustee to serve an LLP Acceleration Notice declaring the Covered Bonds immediately due and repayable and the Security Trustee may enforce the Security over the Charged Property.
- *Extendable obligations under the Covered Bond Guarantee:* An Extended Due for Payment Date may be specified as applying in relation to a Series of Covered Bonds in the applicable Final Terms. This means that if the Issuer fails to pay the Final Redemption Amount of the relevant Series of Covered Bonds on the Final Maturity Date (subject to applicable grace periods) and if the Guaranteed Amounts equal to the Final Redemption Amount of the relevant Series of Covered Bonds are not paid in full by the Extension Determination Date (for example because, following the service of a Notice to Pay on the LLP, the LLP has insufficient monies available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds) then payment of the unpaid amount pursuant to the Covered Bond Guarantee shall be automatically deferred (without an LLP Event of Default occurring as a result of such non payment) and shall be due and payable one year later on the Extended Due for Payment Date (subject to any applicable grace period). However, any amount representing the Final Redemption Amount due and remaining unpaid on the Extension Determination Date may be paid by the LLP on any Interest Payment Date

thereafter, up to (and including) the relevant Extended Due for Payment Date. Interest will continue to accrue on any unpaid amount during such extended period and be payable on the Original Due for Payment Date and on the Extended Due for Payment Date in accordance with Condition 4.

- *Coupon Pre-funding*: If a Cash Manager Relevant Event occurs and is continuing, the Seller in its capacity as a Member of the LLP will (a) within 10 London Business Days of the occurrence of the Cash Manager Relevant Event and, (b) thereafter, if a Required Coupon Amount Shortfall exists, within one London Business Day of receipt of notification of each Required Coupon Amount Shortfall, make a Cash Capital Contribution to the LLP in an amount equal to the Required Coupon Amount or the Required Coupon Amount Shortfall, as the case may be.
- While a Cash Manager Relevant Event is continuing (but prior to the service of a Notice to Pay or an LLP Acceleration Notice on the LLP) the LLP will, on each LLP Payment Date, to the extent of Available Revenue Receipts (taking into account amounts to be paid in priority to any credit to the Coupon Payment Ledger) fund the Coupon Payment Ledger in an amount up to the Required Coupon Amount.
- *Servicing*: In its capacity as Servicer, Leeds Building Society has entered into the Servicing Deed with the LLP and the Security Trustee, pursuant to which the Servicer has agreed to provide certain services in respect of the Loans and their Related Security sold by Leeds Building Society (in its capacity as Seller) to the LLP.
- *The Regulated Covered Bonds Regulations 2008*: On 1 May 2009, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds previously issued under the Programme) were admitted to the register of regulated covered bonds.
- *Further Information*: For a more detailed description of the transactions summarised above relating to the Covered Bonds see, amongst other relevant sections of this Prospectus, "*Overview of the Programme*", "*Terms and Conditions of the Covered Bonds*", "*Summary of the Principal Documents*", "*Credit Structure*", "*Cashflows*" and "*The Portfolio*", below.

The issuance of all types of Covered Bonds shall be subject to Rating Agency Confirmation.

Redemption:

The applicable Final Terms relating to each Tranche of Covered Bonds will indicate either that the relevant Covered Bonds of such Tranche cannot be redeemed prior to their stated maturity (other than in specified instalments, if applicable, or for taxation reasons or if it becomes unlawful for any Term Advance to remain outstanding or following an Issuer Event of Default or an LLP Event of Default) or that such Covered Bonds will be redeemable at the option of the Issuer and/or the Covered Bondholders upon giving notice to the Covered Bondholders or the Issuer (as the case may be), on a date or dates specified prior to such stated maturity and at a price or prices and on such other terms as may be agreed between the Issuer and the relevant Dealer(s) (as set out in the applicable Final Terms).

The applicable Final Terms may provide that Covered Bonds may be redeemable in two or more instalments of such amounts and on such dates as are indicated in the applicable Final Terms.

Extendable obligations under the Covered Bond Guarantee:

The applicable Final Terms may also provide that the LLP's obligations under the Covered Bond Guarantee to pay the Guaranteed Amounts corresponding to the Final Redemption Amount of the applicable Series of Covered Bonds on their Final Maturity Date (subject to applicable grace periods) may be deferred until the Extended Due for Payment Date. In such case, such deferral will occur automatically if the Issuer fails to pay the Final Redemption Amount of the relevant Series of Covered Bonds on their Final Maturity Date (subject to applicable grace periods) and if the Guaranteed Amounts equal to the Final Redemption Amount in respect of such Series of Covered Bonds are not paid in full by the LLP by the Extension Determination Date (for example, because the LLP has insufficient monies to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of the relevant Series of Covered Bonds after payment of higher ranking amounts and taking into account amounts ranking *pari passu* in the Guarantee Priority of Payments). To the extent that the LLP has received a Notice to Pay in sufficient time and has sufficient monies to pay in part the Final Redemption Amount, such partial payment shall be made by the LLP on any Interest Payment Date up to and including the relevant Extended Due for Payment Date as described in Condition 6(a) (*Final redemption*). Interest will continue to accrue and be payable on the unpaid amount up to the Extended Due for Payment Date in accordance with Condition 4 and the LLP will make payments of Guaranteed Amounts constituting Scheduled Interest on each relevant Due for Payment Date and Extended Due for Payment Date.

Denomination of Covered Bonds:

Covered Bonds will be issued in such denominations as may be agreed between the Issuer and the relevant Dealer(s) and as indicated in the applicable Final Terms save that, the minimum denomination of each such Covered Bond will be at least €100,000 (or, if the Covered Bonds are denominated in a currency other than euro, at least the equivalent amount in such currency) or such other higher amount as may be required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency.

Unless otherwise stated in the applicable Final Terms, the minimum denomination of each Definitive IAI Registered Covered Bond will be U.S.\$500,000 or its approximate equivalent in other Specified Currencies and the minimum denomination of each Definitive Rule 144A Covered Bond will be U.S.\$250,000 or its approximate equivalent in other Specified Currencies.

Taxation:

All payments in respect of the Covered Bonds will be made without deduction or withholding for or on account of United Kingdom taxes, except as required by law. If any such deduction or withholding is made, the Issuer will, save in the limited circumstances provided in Condition 7 (*Taxation*), be required to pay additional amounts in respect of the amounts so deducted or withheld. Under the Covered Bond Guarantee, the LLP will not be liable to pay any such

additional amounts payable by the Issuer under Condition 7 (*Taxation*).

Cross Default:

If an LLP Acceleration Notice is served in respect of any one Series of Covered Bonds, then the obligation of the LLP to pay Guaranteed Amounts in respect of all Series of Covered Bonds outstanding will be accelerated.

Status of the Covered Bonds:

The Covered Bonds will constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and will rank *pari passu* without any preference among themselves and (save for any applicable statutory provisions) at least equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

Covered Bond Guarantee:

Payment of Guaranteed Amounts in respect of the Covered Bonds when Due for Payment will be irrevocably guaranteed by the LLP. The obligations of the LLP to make payment in respect of the Guaranteed Amounts when Due for Payment are subject to the condition that an Issuer Event of Default occurs, an Issuer Acceleration Notice is served on the Issuer and a Notice to Pay is served on the LLP or, if earlier, an LLP Event of Default occurs and an LLP Acceleration Notice is served on the LLP. The obligations of the LLP under the Covered Bond Guarantee will accelerate against the LLP upon the service of an LLP Acceleration Notice. The obligations of the LLP under the Covered Bond Guarantee constitute direct obligations of the LLP secured against the assets from time to time of the LLP and recourse against the LLP is limited to such assets.

Ratings:

Each Series of Covered Bonds to be issued under the Programme will have the rating set out in the applicable Final Terms. The credit ratings referred to in this Prospectus have been issued by Fitch and/or Moody's each of which is a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**) . Please also refer to "*Ratings of the Covered Bonds*" in the "*Risk Factors*" section of the Prospectus.

Listing and admission to trading:

Application has been made to admit Covered Bonds issued under the Programme to the Official List and to admit the Covered Bonds to trading on the regulated market of the London Stock Exchange.

The RCB Regulations:

On 1 May 2009, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds previously issued under the Programme) were admitted to the register of regulated covered bonds.

Governing Law:

The Covered Bonds will be governed by, and construed in accordance with, English law.

Selling Restrictions:

There are restrictions on the offer, sale and transfer of any Tranche of Covered Bonds in the United States and the European Economic Area (which includes the United Kingdom and Italy). Other

restrictions may apply in connection with the offering and sale of a particular Tranche of Covered Bonds. See "*Subscription and Sale and Transfer and Selling Restrictions*".

Risk Factors:

There are certain risks related to any issue of Covered Bonds under the Programme, which investors should ensure they fully understand, a non-exhaustive summary of which is set out under "*Risk Factors*" from page 20 of this Prospectus.

RISK FACTORS

Introduction

This section describes the principal risk factors associated with an investment in the Covered Bonds. Prospective purchasers of Covered Bonds should consider carefully all the information contained in this document, including the considerations set out below, before making any investment decision.

Any investment in the Covered Bonds issued under the Programme will involve risks including those described in this section. All principal or material risks in relation to the Issuer, the LLP and any investment in the Covered Bonds are included in this section. The risks and uncertainties described below are not the only risks and uncertainties that the Issuer and the LLP may face. Additional risks and uncertainties that the Issuer and the LLP are unaware of, or that they currently deem to be immaterial, may also become important risk factors that affect them. Prospective investors should carefully consider the following discussion of the risk factors and the other information in this Prospectus before deciding whether an investment in the Covered Bonds is suitable for them.

As at the date of this Prospectus, the Issuer and the LLP believe that the following risk factors may affect the Issuer's ability to fulfil its obligations, or the LLP's ability to perform its obligations, and could be material for the purpose of assessing the market risks associated with the Covered Bonds.

If any of the listed or unlisted risks actually occurs, the Issuer's or the LLP's business, operations, financial condition or reputation could be materially adversely affected, with the result that the trading price of the Covered Bonds of the Issuer could decline and an investor could lose all or part of its investment. These factors are contingencies that may or may not occur and none of the Issuer or the LLP are in a position to express a view on the likelihood of any such contingency occurring. Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision.

GENERAL RISK FACTORS

Issuer liable to make payments when due on the Covered Bonds

The Issuer is liable to make payments when due on the Covered Bonds. The obligations of the Issuer under the Covered Bonds are direct, unsecured, unconditional and unsubordinated obligations, ranking *pari passu* without any preference amongst themselves and (subject to applicable law) equally with its other direct, unsecured, unconditional and unsubordinated obligations (save for any obligations to be preferred by law).

The LLP has no obligation to pay the Guaranteed Amounts payable under the Covered Bond Guarantee until the occurrence of an Issuer Event of Default, service by the Bond Trustee on the Issuer of an Issuer Acceleration Notice and on the LLP of a Notice to Pay or, if earlier, following the occurrence of an LLP Event of Default and service by the Bond Trustee of an LLP Acceleration Notice on the LLP. The occurrence of an Issuer Event of Default does not constitute an LLP Event of Default. However, failure by the LLP to pay amounts when Due for Payment under the Covered Bond Guarantee would constitute an LLP Event of Default which would entitle the Bond Trustee to accelerate the obligations of the Issuer under the Covered Bonds (if they have not already become

due and payable) and the obligations of the LLP under the Covered Bond Guarantee and the Security Trustee to enforce the Security.

Obligations under the Covered Bonds

The Covered Bonds will not represent an obligation or be the responsibility of any of the Arrangers, the Dealers, the Bond Trustee, the Security Trustee or any other party to the Programme, their officers, members, directors, employees, security holders or incorporators, other than the Issuer and the LLP. The Issuer and the LLP will be liable solely in their corporate capacities for their obligations in respect of the Covered Bonds and such obligations will not be the obligations of their respective officers, members, directors, employees, security holders or incorporators.

Covered Bonds issued under the Programme

Save in respect of the first issue of Covered Bonds, Covered Bonds issued under the Programme will either be fungible with an existing Series of Covered Bonds or have different terms from an existing Series of Covered Bonds (in which case they will constitute a new Series). The Issuer may also issue unlisted Covered Bonds and/or Covered Bonds which are not admitted to trading on any regulated or unregulated market. Exempt Covered Bonds will not be issued pursuant to this Prospectus and the UK Listing Authority has neither approved nor reviewed information contained in this Prospectus in connection with Exempt Covered Bonds. Exempt Covered Bonds do not form part of this Prospectus. As a result, holders of the Covered Bonds issued pursuant to this Prospectus should be aware that they will rank *pari passu* and share in the security granted by the LLP over, *inter alia*, the Portfolio, with holders of the Covered Bonds which may be issued in a manner other than pursuant to this Prospectus.

All Covered Bonds issued from time to time under the Programme will rank *pari passu* with each other in all respects and will share in the security granted by the LLP under the Deed of Charge. If an Issuer Event of Default occurs in respect of a particular Series of Covered Bonds, the Covered Bonds of all Series outstanding will accelerate at the same time against the Issuer (following service of an Issuer Acceleration Notice) but will be subject to, and have the benefit of, payments made by the LLP under the Covered Bond Guarantee (following service of a Notice to Pay on the LLP). If an LLP Event of Default occurs, following service of an LLP Acceleration Notice on the LLP, the Covered Bonds of all Series outstanding will accelerate against the Issuer (if not already accelerated following an Issuer Event of Default) and the obligations of the LLP under the Covered Bond Guarantee will accelerate.

In order to ensure that any further issue of Covered Bonds under the Programme does not adversely affect the existing Covered Bondholders:

- the Issuer will be obliged to apply the proceeds of any issue of Covered Bonds to make a Term Advance to the LLP. The LLP will use the proceeds of such Term Advance (after swapping the same into Sterling if necessary): (i) to acquire Loans and their Related Security from the Seller; and/or (ii) to acquire Substitution Assets up to the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP:
 - (a) to purchase Loans and their Related Security, from the Seller in accordance with the terms of the Mortgage Sale Agreement; and/or
 - (b) to invest in Substitution Assets in an amount not exceeding the prescribed limit; and/or

- (c) (subject to complying with the Asset Coverage Test (as described below)) to make a Capital Distribution to a Member; and/or
 - (d) if an existing Series or Tranche, or part of an existing Series and/or Tranche, of Covered Bonds is being refinanced (by the issue of a further Series and/or Tranche of Covered Bonds), to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced; and/or
 - (e) to make a deposit of all or part of the proceeds in the GIC Account or, if applicable, the Stand-by GIC Account and/or, if so directed by the Issuer, into the LBS Reserve Fund Account (including, without limitation, to fund the Reserve Funds up to an amount not exceeding, as applicable, the Reserve Fund Required Amount or the LBS Reserve Fund Required Amount);
- the Asset Coverage Test will be required to be met both before and immediately after any further issue of Covered Bonds; and
 - on or prior to the date of issue of any further Covered Bonds, the Issuer will be obliged to obtain written confirmation from the Rating Agencies (addressed to the Issuer, the Bond Trustee and the Security Trustee) that such further issue would not adversely affect the then current ratings of the existing Covered Bonds.

However, there is no assurance that the issue of a further Series of Covered Bonds would not be ultimately adverse to the interests of any existing holder of Covered Bonds, because for instance the level of collateralisation in the Asset Pool is reduced.

Extendable obligations under the Covered Bond Guarantee

Following the failure by the Issuer to pay the Final Redemption Amount of a Series of Covered Bonds on their Final Maturity Date (subject to applicable grace periods) and if, following the service of a Notice to Pay on the LLP (by no later than the date which falls one Business Day prior to the Extension Determination Date) payment of the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of such Series of the Covered Bonds are not paid in full, then the payment of such Guaranteed Amounts may be automatically deferred. The Issuer is not required to notify Covered Bondholders of such deferral. This will occur (subject to no LLP Event of Default having occurred) if the Final Terms for a relevant Series of Covered Bonds (the **relevant Series of Covered Bonds**) provides that such Covered Bonds are subject to an Extended Due for Payment Date.

To the extent that the LLP has received a Notice to Pay in sufficient time and has sufficient monies available to pay in part the Guaranteed Amounts corresponding to the relevant Final Redemption Amount in respect of the relevant Series of Covered Bonds, the LLP shall make such partial payment in accordance with the Guarantee Priority of Payments and as described in Condition 6(a) (*Final redemption*) on any Interest Payment Date up to and including the relevant Extended Due for Payment Date. Payment of the unpaid amount shall be deferred automatically until the applicable Extended Due for Payment Date (where the relevant Series of Covered Bonds are subject to an Extended Due for Payment Date). The Extended Due for Payment Date will fall one year after the Final Maturity Date, interest will continue to accrue and be payable on the unpaid amount in accordance with Condition 4 and the LLP will pay Guaranteed Amounts constituting Scheduled Interest on each Original Due for Payment Date and the Extended Due for Payment Date. In these circumstances, except where the LLP has failed to apply money in accordance with the Guarantee Priority of Payments, failure by the LLP to make payment in respect of the Final Redemption Amount on the Final Maturity Date (or such later date within any applicable grace period) shall not

constitute an LLP Event of Default. However, failure by the LLP to pay Guaranteed Amounts corresponding to the Final Redemption Amount or the balance thereof, as the case may be, on the Extended Due for Payment Date and/or pay Guaranteed Amounts constituting Scheduled Interest on any Original Due for Payment Date or the Extended Due for Payment Date will (subject to any applicable grace period) be an LLP Event of Default.

UK Banking Act 2009 and the European Union recovery and resolution directive

The UK Banking Act 2009 (the **Banking Act**) has conferred substantial powers on a number of UK authorities designed to enable them to take a range of actions in relation to UK deposit taking institutions which are considered to be at risk of failing. The exercise of any of these actions in relation to the Issuer could materially adversely affect the value of the Covered Bonds.

The Banking Act, which came into effect on 21 February 2009, includes (among other things) provision for a special resolution regime (the **SRR**) pursuant to which specified UK authorities have extended tools to deal with the failure (or likely failure) of a UK bank or building society such as the Issuer. In addition, pursuant to recent amendments made to the Banking Act (some of which have not yet taken effect), provision has been made for certain tools to be used in respect of a wider range of UK entities, including investment firms and certain banking group companies provided that certain conditions are met. The tools available under the Banking Act include share and property transfer powers (including powers for partial property transfers), certain ancillary powers (including powers to modify certain contractual arrangements in certain circumstances) and special insolvency procedures which may be commenced by the UK authorities.

In respect of UK building societies, the relevant tools include (i) modified property transfer powers which also refer to cancellation of shares and conferring rights and liabilities in place of such shares and (ii) in place of the share transfer powers, a public ownership tool which may involve (among other things) arranging for deferred shares in a building society to be publicly owned, cancellation of private membership rights and the eventual winding up or dissolution of the building society. It is possible that the extended tools described above could be used prior to the point at which an application for insolvency proceedings with respect to a relevant entity could be made.

In general, the Banking Act requires the UK authorities to have regard to specified objectives in exercising the powers provided for by the Banking Act. One of the objectives (which is required to be balanced as appropriate with the other specified objectives) refers to the protection and enhancement of the stability of the financial systems of the United Kingdom. The Banking Act includes provisions related to compensation in respect of transfer instruments and orders made under it. In general, there is considerable uncertainty about the scope of the powers afforded to UK authorities under the Banking Act and how the UK authorities may choose to exercise them.

If an instrument or order were to be made under the Banking Act in respect of the Issuer, such instrument or order may (among other things) affect the ability of such entity to satisfy its obligations under the Transaction Documents and/or result in modifications to the Terms and Conditions of the Covered Bonds and/or the Transaction Documents. In particular, modifications may be made pursuant to powers permitting certain trust arrangements to be removed or modified and/or via powers which permit provision to be included in an instrument or order such that the relevant instrument or order (and certain related events) is required to be disregarded in determining whether certain widely defined "default events" have occurred (which events would include certain trigger events included in the Transaction Documents in respect of the Issuer, including certain trigger events in respect of perfection of legal title to the Loans and certain Issuer Events of Default). Moreover, other than in the context of certain partial property transfers under the Banking Act, modifications may be made to contractual arrangements between the relevant institution and certain group companies (such as the LLP). As a result, the making of an instrument or order in respect of the Issuer, the Seller, the Servicer, the Account Bank, the Interest Rate Swap Provider, the Cash

Manager, the Principal Paying Agent, the Agent Bank, the Exchange Agent or the Registrar may affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee and/or the ability of the Issuer to meet its obligations in respect of the Covered Bonds. While there is power for the payment of compensation to be ordered in certain circumstances under the Banking Act, there can be no assurance that Covered Bondholders would recover compensation promptly and equal to any loss actually incurred.

At present, the UK authorities have not made an instrument or order under the Banking Act in respect of the Issuer and there has been no indication that it will make any such instrument or order, but there can be no assurance that this will not change and/or that Covered Bondholders will not be adversely affected by any such instrument or order if made.

As noted above, amendments have been made to the Banking Act such that specified stabilisation tools may be used in respect of certain group companies provided certain conditions are met. Subject to implementation of the secondary legislation, the amendments to the Banking Act allow all of the current stabilisation options under the SRR and the bail-in stabilisation power to be applied to any of the Issuer's group companies that meet the definition of a "banking group company". The Banking Act 2009 (Banking Group Companies) Order, which specifies the conditions which must be met in order for an undertaking to constitute a "banking group company", entered into force 1 August 2014. The definition of "banking group company" encompasses certain of the Issuer's subsidiaries and affiliates.

If the LLP was regarded to be a banking group company and no exclusion applied, then it would be possible for the relevant authority to exercise one or more relevant stabilisation tools (including the property transfer powers) in respect of it, which could result in reduced amounts being available to make payments under the Covered Bond Guarantee. In this regard, it should be noted that the UK authorities have provided an exclusion for covered bond vehicles, which exclusion is expected to extend to the LLP, although aspects of the relevant provisions are not entirely clear.

The EU Recovery and Resolution Directive 2014/59/EU (the **RRD**) provides an EU-wide framework for the recovery and resolution of credit institutions and includes a "write-down and conversion power" and a "bail-in" power, which would give such authorities the power to write down or write off the claims of certain unsecured creditors of a failing institution and/or to convert certain debt claims into another security, including ordinary shares of the surviving entity within a group, if any. On 23 July 2014, HM Treasury released a consultation on transposition of the RRD into English law, primarily by way of amendment to the Banking Act 2009. The consultation closed on 28 September 2014 and HM Treasury is currently analysing feedback received during this consultation. The UK is required to implement the RRD provisions on or before 1 January 2015, except in respect of bail-in, which must be implemented by 1 January 2016. However, following recent UK Government announcements, the majority of these measures are expected to be enacted in the UK on 1 January 2015. The RRD contains safeguards for shareholders and creditors in respect of the application of the "write down and conversion" and "bail-in" powers which aim to ensure that they do not incur greater losses than they would have incurred had the relevant financial institution been wound up under normal insolvency proceedings. However, changes may be made to the RRD in the course of the legislative process and anticipated implementation dates could change.

In announcing the introduction of the Bail In Power, the UK Government expressed that it was confident that such powers could be introduced without the risk of having to adapt to a radically different regime when the RRD is implemented. It is expected that the UK Treasury will stipulate the date on which the majority of the provisions of the Banking Reform Act will enter into force.

Although the "bail-in" powers are not intended to apply to secured debt (such as the rights of Covered Bondholders in respect of the Covered Bond Guarantee), there remains significant uncertainty regarding the ultimate nature and scope of these powers and how they would affect the

Issuer and the Covered Bondholders. Accordingly, it is not yet possible to assess the full impact of the RRD on the Issuer and on Covered Bondholders, and there can be no assurance that, once it is implemented, the manner in which it is implemented or the taking of any actions by the relevant UK resolution authority currently contemplated in the RRD would not adversely affect the rights of Covered Bondholders, the price or value of an investment in the Covered Bonds and/or the Issuer's ability to satisfy its obligations under the Covered Bonds. The exercise of any bail-in power or any suggestion of such exercise could, therefore, adversely affect the value of the Covered Bonds. In addition to the RRD described above, it is possible that the exercise of the current powers under the Banking Act, which provide for a resolution regime to resolve failing banks in the UK and give the Authorities powers to override events of default or termination rights that might be invoked as a result of the exercise of the resolution powers.

In addition, on 18 December 2013, the Financial Services (Banking Reform) Act 2013 (the **Banking Reform Act**) received Royal Assent. The Banking Reform Act includes amendments to the Banking Act to insert a bail-in option among the powers of the Bank of England (the **Bail-In Power**). The provisions of the Banking Reform Act which will introduce the Bail-In Power under the Banking Act are not yet in force and it is not known when such provisions will come into force. Related amendments are also to be made to building societies legislation. HM Treasury has published, and received comments on, its consultation paper on the details of draft secondary legislation for the purposes of modifying the application of the bail-in provisions in the context of building societies, but is yet to release its final policy statement.

The Bail-In Power is introduced as an additional power available to the Bank of England, to enable it to recapitalise a failed institution by allocating losses to its shareholders and unsecured creditors in a manner that ought to respect the hierarchy of claims in an insolvency of a relevant financial institution, consistent with shareholders and creditors of financial institutions not receiving less favourable treatment than they would have done in insolvency. The Bail-In Power includes the power to cancel a liability or modify the terms of contracts for the purposes of reducing or deferring the liabilities of the bank under resolution and the power to convert a liability from one form to another. The conditions for use of the Bail-In Power are, in summary, that (i) the regulator determines that relevant entity is failing or likely to fail, (ii) it is not reasonably likely that any other action can be taken to avoid the relevant entity's failure and (iii) the relevant UK resolution authority determines that it is in the public interest to exercise the Bail-In Power. Certain liabilities are excluded from the scope of the tool powers, including liabilities to the extent that they are secured (such as the rights of Covered Bondholders in respect of the Covered Bond Guarantee). When in force, there can be no assurance that Covered Bondholders will not be adversely affected by the amendments and/or any action taken under the new bail-in tool.

In addition, the Banking Act may be further amended and/or other legislation may be introduced in the UK to amend the resolution regime that would apply in the event of a bank failure or to provide regulators with other resolution powers.

Building Societies (Financial Assistance) Order 2010

On 7 April 2010 the Building Societies (Financial Assistance) Order 2010 (the **Financial Assistance Order**) came into force in exercise of certain powers under the Banking Act for the purpose of modifying the application of the Building Societies Act in specified circumstances to facilitate the provision of relevant financial assistance (including the giving of guarantees or indemnities or any other kind of financial assistance (actual or contingent) by certain "qualifying institutions"). Qualifying institutions for this purpose include HM Treasury, the Bank of England, another central bank of a Member State of the European Economic Area, the European Central Bank, or any person acting for or on behalf of any of such institution or providing financial assistance to a building society on the basis of financial assistance from such an institution. The Financial Assistance Order would permit any qualifying institution to provide such assistance without it

counting for the purpose of the 50 per cent limit on the Issuer's non-member funding. The Financial Assistance Order also modifies the restriction in section 9B of the Building Societies Act on the creation of floating charges by a building society and would permit the Issuer to create a floating charge over its assets in favour of a qualifying institution in respect of any financial assistance provided. The creation of a floating charge by the Issuer in favour of a qualifying institution would allow an administrative receiver to be appointed over the assets of the Issuer.

Reforms to the UK banking sector

Reforms to the UK banking sector described below could materially adversely affect the value of the Covered Bonds.

In June 2010, the Government created the Independent Commission on Banking (the **ICB**) to consider and to make recommendations on structural and related non-structural reforms to the UK banking sector to promote, among other things, financial stability and competition. The ICB released its Final Report to the Cabinet Committee on Banking Reform on 12 September 2011, which sets out the ICB's recommendations on reforms. These recommendations include (i) ring-fencing domestic retail banking services of UK banks and building societies, (ii) introducing a power for the UK authorities to bail in debt issued by UK banks and building societies, (iii) increasing UK banks' and building societies' loss-absorbing capacity (including by way of bail-in bonds), (iv) increasing the ranking of insured depositors on a winding up to rank ahead of all other unsecured creditors and (v) promoting competition in UK retail banking. The ICB indicated that the reforms will require an extended implementation period and recommended that implementation should be completed at the latest by 2019.

HM Treasury published a white paper on 14 June 2012 ("Banking reform: delivering stability and supporting a sustainable economy") confirming its continuing support for the majority of the ICB proposals and its intention to bring forward legislation to effect the relevant changes before the end of this Parliament (2015). Broadly, the white paper covers the following areas: the ring-fencing of vital banking services from international and investment banking services; measures on loss absorbency and depositor preference; and proposals for enhancing competition in the banking sector.

A draft of the initial bill to implement the ICB recommendations was published on 12 October 2012, in the form of framework legislation to put in place the architecture to effect the reforms, with detailed policy being provided for through secondary legislation. Any future bail-in powers will be implemented in line with the draft EU Recovery and Resolution Directive published on 6 June 2012. The Government has indicated that it intends to exclude building societies entirely from the enabling ring-fencing legislation, to avoid imposing disproportionately burdensome requirements upon the sector. The white paper notes, however, that some parallel changes will be made to the Building Societies Act to implement bespoke ring-fencing requirements for building societies and that loss absorbency requirements are still likely to apply. The Government plans to introduce all necessary legislation as soon as Parliamentary time allows, and has confirmed its commitment to completing all primary and secondary legislation by the end of this Parliament in May 2015.

On 6 July 2012, HM Treasury published a discussion document entitled "The future of building societies" which sets out the Government's aim to maintain the distinctiveness of the building society sector while creating a level playing field and removing unnecessary barriers to growth. The Government stated that it intends to amend the Building Societies Act to widen the opportunities for building societies and to align them with ring-fenced banks without compromising their mutuality. The Government stated that the loss absorbency proposals set out in the white paper of June 2012 on banking reform will apply to building societies as they apply for banks of a similar profile. As part of its commitment to foster diversity in the financial sector, the Government invited

suggestions for reviewing those parts of the UK Building Societies Act which restrict societies, where this is in accordance with maintaining their distinctiveness.

As a result, modernising changes to the UK Building Societies Act were made under the Banking Reform Act to bring it more in line with company law, assist building societies in raising funding and make minor technical changes in order to allow the building society sector to compete more easily with banks. The changes, in particular:

- facilitate electronic communications with members;
- remove the restrictions on building societies relating to floating charges;
- make it easier for building societies to accept small business deposits by making adjustments to the funding limit calculation;
- make certain changes concerning the distribution of shares on the transfer of a building society's business on a demutualisation; and
- permit holders of deferred shares of less than two years' standing to be eligible to receive shares or cash when a society demutualises.
- all of these changes to the UK Building Societies Act are in force except for the provision relating to floating charges which will be commenced by a separate order.

Absence of secondary market

There is the possibility that an active and liquid secondary market for the Covered Bonds will not exist at the date of this Prospectus or at any time in the future. The Covered Bonds have not been, and will not be, registered under the Securities Act or any other applicable securities laws and are subject to certain restrictions on the resale and other transfer thereof as set forth under "*Subscription and Sale and Transfer and Selling Restrictions*", below. If at any time a secondary market does exist, it may not continue for the life of the Covered Bonds or it may not provide Covered Bondholders with liquidity of investment with the result that a Covered Bondholder may not be able to find a buyer to buy its Covered Bonds readily or at prices that will enable the Covered Bondholder to realise a desired yield. Consequently, a Covered Bondholder must be able to bear the economic risk of an investment in a Covered Bond for an indefinite period of time. Illiquidity may have a severely adverse effect on the market value of the Covered Bonds. While such market conditions have shown signs of improvement in certain sectors of the global credit markets, it is difficult to predict whether, or to what extent, such market improvement will continue and/or how long the adverse market conditions will continue to exist. Additionally, there can be no assurance that the market for covered bonds will continue to recover, or to the same degree, as other recovering global credit market sectors.

If wholesale funding markets do not continue to improve, or deteriorate further, it may have an adverse effect on the ability of the Society (acting in its various capacities under the Programme) to fulfil its ongoing obligations under the Programme and, as a result, the performance of the Covered Bonds may be adversely affected.

General volatility in wholesale funding markets

Since the second half of 2007, disruption in the global markets, coupled with the re-pricing of credit risk and the deterioration of the housing markets in the United States and elsewhere, have created difficult conditions in the financial markets. These conditions have resulted in historic volatility, less liquidity or no liquidity, widening of credit spreads and a lack of price transparency in

certain markets, both primary and secondary, including with respect to the mortgage-backed securities and covered bond markets. These adverse market conditions have resulted in the failures of a number of financial institutions in the United States and Europe and unprecedented action by governmental authorities, regulators and central banks around the world.

More recently, concerns have arisen relating to credit risk (including that of sovereigns and of those entities which have exposure to sovereigns) due to the economic, monetary and political conditions in the Eurozone. If such concerns persist and/or such conditions further deteriorate (including as may be demonstrated by any relevant credit rating agency action, any default or restructuring of indebtedness by one or more states or institutions and/or any changes to, including any break up of, the Eurozone), then these matters may cause further severe stress in the financial system generally and/or may adversely affect the Society, its business, one or more of the other parties to the Transaction Documents and/or any borrower in respect of the Loans.

Given the current uncertainty and the range of possible outcomes both in relation to the Eurozone and the wider global economy, no assurance can be given as to the impact of any of the matters described above and, in particular, no assurance can be given that such matters would not adversely affect the rights of the Covered Bondholders, the market value of the Covered Bonds and/or the ability of the Issuer or the LLP to satisfy its obligations under the Covered Bonds or the Covered Bond Guarantee, as applicable.

Further deterioration in wholesale funding markets may have an adverse effect on the Issuer

Since mid 2007 the wholesale funding markets (including the international debt capital markets) experienced, and continue to experience, significant disruptions. Such disruptions have resulted in an increase in the cost and availability of wholesale market funding across the financial services sector. Whilst short-term unsecured money-market funding has remained available, the residential mortgage-backed securitisation and covered bond markets were effectively closed to new external issuances of securities, though they currently exhibit strong signs of recovery. However, during this period, the Issuer has continued to manage its funding requirements successfully through a combination of raising new funds from the wholesale market and through Government and central bank support facilities.

On 1 August 2012, the Funding for Lending Scheme (**FLS**) became operational. The aim of the FLS is to boost the incentive for banks and building societies to lend to UK households and private non-financial companies. The FLS is designed to reduce funding costs for participating institutions so that they can make loans cheaper and more easily available. Access to the FLS is directly linked to how much each institution lends to the real economy. Those that increase lending are able to borrow more in the FLS and at a lower cost than those that scale back their loans. Under the FLS as originally announced, participating financial institutions are, for a period of 18 months to the end of January 2014, able to borrow funds with a maturity of up to four years. This availability period has been extended to allow drawdowns up to the end of January 2015.

The availability of government support for UK financial institutions, to the extent that it provides access to cheaper and more attractive funding than other sources, reduces the need for those institutions to fund themselves in the retail or wholesale markets. The Issuer is participating in the FLS and as at 31 December 2013, the Issuer had drawn £250 million of UK treasury bills. The withdrawal of government support in January 2015 could increase funding costs for those institutions which have previously utilised that support. In addition, other financial institutions who have relied significantly on government support to meet their funding needs will also need to find alternative sources of funding when that support is reduced or withdrawn and, in such a scenario, the Issuer expects to face increased competition for funding, particularly retail funding on which it is reliant, in the future. This competition could further increase its funding costs and so adversely impact its

results of operations and financial position and potentially impact upon its ability to make payment on the Covered Bonds.

Ratings of the Covered Bonds

Fitch's covered bond ratings mainly address probability of default, but also incorporate an element of recovery given default. The ratings assigned by Moody's to the Covered Bonds mainly address the expected loss posed to potential investors.

The expected ratings of the Covered Bonds are set out in the relevant Final Terms for each Series of Covered Bonds. Any Rating Agency may lower its ratings or withdraw its rating if, in the sole judgment of the Rating Agency, the credit quality of the Covered Bonds has declined or is in question.

In addition, at any time any Rating Agency may revise its relevant rating methodology with the result that, amongst other things, any rating assigned to the Covered Bonds may be lowered. If any rating assigned to the Covered Bonds is lowered or withdrawn, the market value of the Covered Bonds may be reduced.

A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time. A rating may not reflect the potential impact of all of the risks related to the structure, market, additional factors discussed above and other factors that may affect the value of the Covered Bonds. Any downgrade in the rating of the Issuer by the Rating Agencies may have a negative impact on the ratings of the Covered Bonds.

In general, European regulated investors are restricted under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**) from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). The list of registered and certified rating agencies published by the European Securities and Markets Authority (**ESMA**) on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. Certain information with respect to the credit rating agencies and ratings referred to in this Prospectus, is set out in "*Overview of the Programme – Ratings*" of this Prospectus.

The list of registered and certified rating agencies published by the European Securities and Markets Authority (**ESMA**) on its website (see: <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list.

Rating Agency Confirmation in respect of Covered Bonds

The terms of certain of the Transaction Documents provide that, in certain circumstances, the Issuer must, and the Bond Trustee or the Security Trustee may, obtain written confirmation (or, in the case of Moody's, affirmation) from the Rating Agencies that any particular action proposed to

be taken by the Issuer, the LLP, the Seller, the Servicer, the Cash Manager, the Bond Trustee or the Security Trustee will not adversely affect or cause to be withdrawn the then current ratings of the Covered Bonds (a **Rating Agency Confirmation**).

By acquiring the Covered Bonds, investors will be deemed to have acknowledged and agreed that, notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to Covered Bondholders, including, without limitation, in the case of a Rating Agency Confirmation, whether any action proposed to be taken by the Issuer, the LLP, the Seller, the Servicer, the Cash Manager, the Bond Trustee, the Security Trustee or any other party to a Transaction Document is either (i) permitted by the terms of the relevant Transaction Document, or (ii) in the best interests of, or not materially prejudicial to, some or all of the Covered Bondholders. In being entitled to have regard to the fact that the Rating Agencies have confirmed that the then current ratings of the Covered Bonds would not be adversely affected or withdrawn, each of the Issuer, the LLP, the Bond Trustee, the Security Trustee and each of the other Secured Creditors (including the Covered Bondholders) is deemed to have acknowledged and agreed that the above does not impose or extend any actual or contingent liability on the Rating Agencies to the Issuer, the LLP, the Bond Trustee, the Security Trustee, the Secured Creditors (including the Covered Bondholders) or any other person or create any legal relations between the Rating Agencies and the Issuer, the LLP, the Bond Trustee, the Security Trustee, the Secured Creditors (including the Covered Bondholders) or any other person whether by way of contract or otherwise.

Any such Rating Agency Confirmation may be given or not given at the sole discretion of each Rating Agency. It should be noted that, depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that a Rating Agency cannot provide a Rating Agency Confirmation in the time available or at all, and the Rating Agency will not be responsible for the consequences thereof. Such confirmation, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time, and in the context of cumulative changes to the transaction of which the Covered Bonds form part since the issuance date. A Rating Agency Confirmation represents only a restatement of the opinions given, and is given on the basis that it will not be construed as advice for the benefit of any parties to the transaction.

Covered Bonds not in physical form

Unless the Bearer Global Covered Bonds or the Registered Global Covered Bonds are exchanged for Bearer Definitive Covered Bonds or Registered Definitive Covered Bonds, respectively, which exchange will only occur in the limited circumstances set out under "*Form of the Covered Bonds – Bearer Covered Bonds*" and "*Form of the Covered Bonds – Registered Covered Bonds*" below, the beneficial ownership of the Covered Bonds will be recorded in book-entry form only with Euroclear and Clearstream, Luxembourg and/or DTC. The fact that the Covered Bonds are not represented in physical form could, among other things:

- result in payment delays on the Covered Bonds because distributions on the Covered Bonds will be sent by or on behalf of the Issuer to Euroclear, Clearstream, Luxembourg or DTC instead of directly to Covered Bondholders;
- make it difficult for Covered Bondholders to pledge the Covered Bonds as security if Covered Bonds in physical form are required or necessary for such purposes; and
- hinder the ability of Covered Bondholders to resell the Covered Bonds because some investors may be unwilling to buy Covered Bonds that are not in physical form.

RISK FACTORS RELATED TO THE STRUCTURE OF A PARTICULAR ISSUE OF COVERED BONDS

Fixed Rate Covered Bonds, Floating Rate Covered Bonds and Zero Coupon Covered Bonds (or a combination of any of the foregoing) may be issued under the Programme. A number of these Covered Bonds may have features which contain particular risks for potential investors. Set out below is a description of the most common such features.

Covered Bonds subject to Optional Redemption by the Issuer

If the Issuer has the right to redeem any Covered Bonds at its option, this may limit the market value of the Covered Bonds, and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return.

If an Issuer Call is specified in the applicable Final Terms, the Issuer may elect to redeem all or some of the Covered Bonds at the Optional Redemption Amount (specified in the applicable Final Terms) plus Accrued Interest. An optional redemption feature of Covered Bonds is likely to limit the market value of such Covered Bonds. During any period when the Issuer may elect to redeem Covered Bonds, the market value of those Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Covered Bonds when its cost of borrowing is lower than the interest rate on the Covered Bonds. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Covered Bonds being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Fixed Rate Covered Bonds

Investment in Fixed Rate Covered Bonds involves the risk that if market interest rates subsequently increase above the rate paid on the Fixed Rate Covered Bonds, this will adversely affect the value of the Fixed Rate Covered Bonds.

Fixed/Floating Rate Covered Bonds

The Issuer may issue Covered Bonds which bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Covered Bonds may be less favourable than the prevailing spreads on comparable Floating Rate Covered Bonds tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Covered Bonds. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than the then prevailing market rates.

Covered Bonds issued at a substantial discount or premium

The market values of securities issued at a substantial discount (such as Zero Coupon Covered Bonds) or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for more conventional interest-bearing securities. Generally, the longer the remaining term of such securities, the greater the price volatility as compared to more conventional interest-bearing securities with comparable maturities.

The Bond Trustee and the Security Trustee may agree to modifications to the Transaction Documents without, respectively, the Covered Bondholders' or Secured Creditors' prior consent

Pursuant to the terms of the Trust Deed and the Deed of Charge, the Bond Trustee and the Security Trustee (acting on the directions of the Bond Trustee, so long as there are any Covered Bonds outstanding, or all of the other Secured Creditors, if there are no Covered Bonds outstanding) may, without the consent or sanction of any of the Covered Bondholders or any of the other Secured Creditors, concur with any person in making or sanctioning any modification (save in relation to a Series Reserved Matter) to, or waive or authorise any breach or proposed breach in respect of, the Transaction Documents and the Terms and Conditions of the Covered Bonds or determine, without any such consent as aforesaid, that any Issuer Event of Default or LLP Event of Default or Potential Issuer Event of Default or Potential LLP Event of Default shall not be treated as such:

- provided that the Bond Trustee is of the opinion that such modification, waiver and authorisation will not be materially prejudicial to the interests of any of the Covered Bondholders of any Series; or
- which in the opinion of the Bond Trustee is of a formal, minor or technical nature or made to correct a manifest error or to comply with any mandatory provisions of law,

provided that, prior to the Security Trustee or the Bond Trustee agreeing to any such modification, waiver, authorisation or determination, the Issuer must send written confirmation to the Security Trustee and the Bond Trustee:

- (i) that such modification, waiver, authorisation or determination, as applicable, would not: (a) result in a breach of the RCB Regulations or the RCB Sourcebook or (b) result in the Issuer, the Programme and/or any Covered Bonds issued under the Programme ceasing to be registered under the RCB Regulations; and
- (ii) that either: (a) such modification, waiver, authorisation or determination would not require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations; or (b) if such modification, waiver, authorisation or determination would require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations, the Issuer has provided all information required to be provided to the FCA and the FCA has given its consent to such proposed modification, waiver, authorisation or determination.

Notwithstanding the above, the Issuer and the LLP may request the Bond Trustee and the Security Trustee to agree to modifications to the Transaction Documents and/or the Terms and Conditions of the Covered Bonds to enable the Covered Bonds issued under the Programme to qualify and/or to continue to qualify as regulated covered bonds under the RCB Regulations or any replacement or amended regulations. The Bond Trustee and the Security Trustee shall agree to such modifications stated above without the consent or sanction of any of the Covered Bondholders or the Couponholders and without the consent or sanction of any other Secured Creditors, subject to receipt by the Bond Trustee and the Security Trustee of a certificate signed by two directors of the Issuer and a certificate of a Designated Member of the LLP, each certifying to the Bond Trustee and the Security Trustee: (i) that the requested amendments are to be made solely for the purpose of enabling the Covered Bonds to qualify as regulated covered bonds under the RCB Regulations or any replacement or amended regulations; and (ii) that the requested amendments are not, in the opinion of the Issuer or the LLP, as applicable, materially prejudicial to the interests of any Covered Bondholders or any Secured Creditor, respectively.

The Bond Trustee shall, without the consent of the holders of any of the Covered Bonds issued after the date of this Prospectus or any other Secured Creditor, (other than any Secured

Creditor party to the relevant Transaction Document to be amended) be obliged to concur with the Issuer and/or the LLP, and direct the Security Trustee to agree with the Issuer and the LLP, in making any modifications to the Transaction Documents and the Conditions that are requested by the Issuer and/or the LLP to comply with any criteria of the Rating Agencies which may be published after the date of this Prospectus and which the Issuer and the LLP certify to the Bond Trustee and the Security Trustee in writing are required to avoid a downgrade, withdrawal or suspension of the then current rating assigned by each Rating Agency to any Series of Covered Bonds or enable the Covered Bonds issued under the Programme to qualify or to continue to qualify as regulated covered bonds under the RCB Regulations provided that the Bond Trustee and the Security Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Bond Trustee and the Security Trustee, as applicable, would have the effect of (a) exposing the Bond Trustee and/or the Security Trustee, as applicable, to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee and the Security Trustee, as applicable, in the Transaction Documents and/or the Conditions of the Covered Bonds.

In addition, the Bond Trustee shall, without the consent of the holders of any of the Covered Bonds which are issued after the date of this Prospectus, and which are not consolidated and do not form a single Series with any Covered Bonds issued prior to 9 December 2013, or any other Secured Creditor, (other than any Secured Creditor party to the relevant Transaction Document to be amended) agree to and direct the Security Trustee to agree to EMIR Related Modifications (as defined below), subject to receipt by the Bond Trustee and the Security Trustee of a certificate signed by two Authorised Signatories of the Issuer or by a Designated Member of the LLP (upon which the Bond Trustee and the Security Trustee may rely without further enquiry or liability to any person) certifying to the Bond Trustee and the Security Trustee that the requested amendments to the Conditions applying to Covered Bonds of any one or more Series and/or any relevant Transaction Document(s) are to be made solely for the purpose of enabling the Issuer or the LLP to satisfy any requirements which apply to either of them under Regulation (EU) 648/2012 (the **European Market Infrastructure Regulation**, or **EMIR**) (any such amendment, an **EMIR Related Modification**) and on the matters set out at (i)(a) or (i)(b) below, and the holders of such Covered Bonds and the other Secured Creditors shall be deemed to have instructed the Bond Trustee and the Security Trustee to concur in making any and all such EMIR Related Modifications.

For the avoidance of doubt, in relation to any Series of Covered Bonds issued prior to 9 December 2013, such modifications must be made pursuant to other provisions of the Trust Deed, as applicable. The Bond Trustee and the Security Trustee shall not be obliged to agree to any modification (including an EMIR Related Modification) which, (i) in the sole opinion of the Bond Trustee or the Security Trustee, as applicable, would have the effect of (a) exposing the Bond Trustee and/or the Security Trustee, as applicable, to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee and the Security Trustee, as applicable, in the Transaction Documents and/or the Conditions of the Covered Bonds or (ii) extends to a Series Reserved Matter. In respect of any modification to comply with any criteria of the Rating Agencies which may be published after the date of this Prospectus, such modifications may include, without limitation, modifications which would allow any Swap Provider not to post collateral in circumstances where it previously would have been obliged to do so.

Certain decisions of the Covered Bondholders taken at Programme level

Any Extraordinary Resolution to direct the Bond Trustee to serve an Issuer Acceleration Notice following an Issuer Event of Default, to direct the Bond Trustee to serve an LLP Acceleration Notice following an LLP Event of Default and any direction to the Bond Trustee or Security Trustee to take any enforcement action must be passed at a single meeting of all the Covered Bondholders of

all Series then outstanding. Therefore the holders of a single Series of Covered Bonds may not be able to separately direct the Bond Trustee or the Security Trustee.

European Monetary Union and risks relating to change of currency

If the United Kingdom joins the European Monetary Union prior to the maturity of the Covered Bonds, there is no assurance that this would not adversely affect the realisable value of the Portfolio or any part thereof or, pending such realisation (or if the Portfolio or any part thereof cannot be sold), the ability of the LLP to make payments of interest and principal on the Covered Bonds.

It is possible that prior to the maturity of the Covered Bonds the United Kingdom may become a participating member state in the European Monetary Union and that the euro may become the lawful currency of the United Kingdom (although the UK Government has ruled out preparing for or joining the euro for the duration of the coalition agreement as published in full on 20 May 2010). In the event that the euro were to become the lawful currency of the United Kingdom, (a) all amounts payable in respect of any Covered Bonds denominated in pounds Sterling may become payable in euro; (b) the law may allow or require the Covered Bonds to be re-denominated into euro and additional measures to be taken in respect of such Covered Bonds; and (c) the introduction of the euro as the lawful currency of the United Kingdom may result in the disappearance of published or displayed rates for deposits in pounds Sterling used to determine the rates of interest on such Covered Bonds or changes in the way those rates are calculated, quoted and published or displayed. The introduction of the euro could also be accompanied by a volatile interest rate environment which could adversely affect a Borrower's ability to repay its Loan as well as adversely affect investors. It cannot be said with certainty what effect, if any, adoption of the euro by the United Kingdom will have on investors in the Covered Bonds.

EU Savings Directive and other withholding tax obligations

Under EU Council Directive 2003/48/EC on the taxation of savings income (the **EU Savings Directive**), Member States are required to provide to the tax authorities of other Member States details of certain payments of interest and similar income paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted Council Directive 2014/48/EU amending and broadening the scope of the requirements described above. Member States are required to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The amendments to the Directive will also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported. This approach will apply to payments made to, or secured for, persons, entities or legal arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Luxembourg and Austria are required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments. A number of non-European Union countries and territories, including Switzerland, have adopted similar measures (a withholding system in the case of Switzerland). The changes referred to above will broaden the types of payments subject to withholding in those Member States which still operate a withholding system when they are implemented. In April 2013, the Luxembourg Government announced its intention to abolish the

withholding system with effect from 1 January 2015, in favour of automatic information exchange under the EU Savings Directive.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment pursuant to the EU Savings Directive, neither the Issuer, the LLP, any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. However, the Issuer is required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive or any other law implementing or complying with, or introduced in order to conform to, such EU Savings Directive (if any).

Foreign Account Tax Compliance Act Withholding may affect payments on Covered Bonds

Section 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (**FATCA**) impose a new reporting regime and, potentially, a 30% withholding tax with respect to (i) certain payments from sources within the United States and payments of gross proceeds from the disposition of assets that can produce U.S. source interest or dividends, (ii) "foreign passthru payments" made to certain non-U.S. financial institutions that do not comply with this new reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution.

While the Covered Bonds are in global form and held within Euroclear and Clearstream, Luxemburg (together, the **ICSDs**), in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the ICSDs. However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. The Issuer's obligations under the Covered Bonds are discharged once it has paid the common depositary or common safekeeper for the ICSDs (as bearer or registered holder of the Covered Bonds) and the Issuer has therefore no responsibility for any amount thereafter transmitted through hands of the ICSDs and custodians or intermediaries. Prospective investors should refer to the section "*Taxation – Foreign Account Tax Compliance Act*".

Changes of law

The structure of the issue of the Covered Bonds and the ratings which are to be assigned to them are based on English law (and, in relation to the Scottish Loans and Northern Irish Loans, Scots law and Northern Irish law respectively) in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible change to English law, Scots law or Northern Irish law (including any change in regulation which may occur without a change in primary legislation) or administrative practice or tax treatment in the United Kingdom after the date of this Prospectus, nor

can any assurance be given as to whether any such change would adversely affect the ability of the Issuer to make payments under the Covered Bonds or the ability of the LLP to make payments under the Covered Bond Guarantee.

UK regulated covered bond regime

On 1 May 2009, the Issuer was admitted to the register of issuers and the Programme (and the Covered Bonds previously issued under the Programme) were admitted to the register of regulated covered bonds.

The FCA may take certain actions in respect of the Issuer and/or the LLP under the RCB Regulations. Such actions include directing the winding-up of the LLP, removing the Issuer from the register of issuers (but pursuant to the RCB Regulations, a regulated covered bond may not be removed from the relevant register prior to the expiry of the whole period of validity of the relevant covered bond), directing the Issuer and/or the LLP to take specified steps for the purpose of complying with the RCB Regulations and/or imposing a financial penalty of such amount as it considers appropriate in respect of the Issuer or the LLP and/or restricting the ability of the Seller to transfer further loans to the LLP and directing the Issuer to publish information given to the FCA under the RCB Regulations. Moreover, the bodies which regulate the financial services industry in the UK may take certain actions in respect of issuers using their general powers under the UK regulatory regime (including restricting an issuer's ability to transfer further assets to the asset pool). There is a risk that any such regulatory actions may reduce the amounts available to pay the Covered Bondholders.

With respect to the risks referred to above, see also "*Cashflows*" and "*Description of the UK Regulated Covered Bonds Regime*" below for further details.

Expenses of insolvency officeholders

Under the RCB Regulations (assuming such regulations apply to the LLP), following the realisation of any asset pool security (excluding circumstances where there is a concurrent winding-up of the LLP), certain costs and expenses are payable out of the fixed and floating charge assets of the LLP in priority to the claims of other Secured Creditors (including the Covered Bondholders). Such costs and expenses are also payable out of the floating charge assets of the LLP (but it would appear not out of the fixed charge assets) in priority to the claims of the other Secured Creditors in a winding-up of the LLP and/or in an administration of the LLP. Such costs and expenses include costs incurred by the officeholder (including an administrative receiver, receiver, liquidator or administrator) in relation to certain senior service providers and hedge counterparties and also general expenses incurred in the corresponding insolvency proceedings in respect of the LLP (which could include any corporation tax charges). This is a departure from the general position under English law which provides that the expenses of any administration and the expenses of any liquidation only rank ahead of a holder of a floating charge (but not ahead of the claims of a fixed charge-holder).

It is intended that the LLP should be a bankruptcy-remote entity and a provision has been included in the Deed of Charge such that, in certain post-enforcement scenarios in circumstances where the RCB Regulations apply to the LLP, each Secured Creditor agrees in effect that (amongst other things) if it receives certain subordinated amounts in respect of any secured liabilities owed to it other than in accordance with the Post-Enforcement Priority of Payments (referred to under "*Cashflows*" below) then such amounts will be held on trust for the Security Trustee and paid over to the Security Trustee immediately upon receipt so that such amounts may be applied in accordance with that priority of payments. Notwithstanding such provision, assuming that the RCB Regulations will apply, there is a risk that in certain circumstances the relevant provisions of the RCB Regulations will result in a reduction in the amounts available to pay Covered Bondholders. In

particular, it is not possible to bind third parties (such as HMRC) in relation to such subordination provisions.

See also the risk factor described below under "*Liquidation Expenses*".

Insolvency Act 2000

The Insolvency Act 2000 allows certain "small" companies to seek protection from their creditors for a period of 28 days for the purposes of putting in place a company voluntary arrangement with the option for creditors to extend the moratorium for a further two months. This also extends to limited liability partnerships by virtue of the Limited Liability Partnerships (Amendment) Regulations 2005.

A "small" company is defined as one which satisfies two or more of the following criteria: (i) its turnover is not more than £6.5 million; (ii) its balance sheet total is not more than £3.26 million; and (iii) the number of employees is not more than 50. The position as to whether or not a company is a "small" company may change from time to time and consequently no assurance can be given that the LLP, at any given time, will not be determined to be a "small" company. The United Kingdom Secretary of State for Business, Innovation and Skills may by regulation modify the eligibility requirements for "small" companies and can make different provisions for different cases. No assurance can be given that any such modification or different provisions will not be detrimental to the interests of the Covered Bondholders.

Secondary legislation excludes certain special purpose companies in relation to capital markets transactions from the optional moratorium provisions. Such exceptions include (a) a company which, at the time of filing for a moratorium, is a party to an agreement which is or forms part of a "capital market arrangement" (as defined in the secondary legislation) under which a party has incurred, or when the agreement was entered into was expected to incur, a debt of at least £10 million and which involves the issue of a "capital market investment" (also defined but generally a rated, listed or traded bond) and (b) a company which, at the time of filing for a moratorium, has incurred a liability (including a present, future or contingent liability and a liability payable wholly or partly in a foreign currency) of at least £10 million. While the LLP is expected to fall within one of the exceptions there is no guidance as to how the legislation will be interpreted and the Secretary of State for Business, Innovation and Skills may by regulation modify the exceptions. No assurance can be given that any modification of the exceptions will not be detrimental to the interests of the Covered Bondholders. Correspondingly, if the LLP is determined to be a "small" company and determined not to fall within one of the exceptions, then certain actions in respect of the LLP may, for a period, be prohibited by the imposition of a moratorium.

English law security and insolvency considerations

The LLP entered into the Deed of Charge on the Programme Date (as supplemented and amended on 2 October 2009), pursuant to which it granted the Security in respect of its obligations under the Guarantee (as to which, see "*Transaction Documents – Deed of Charge*", below). In certain circumstances, including the occurrence of certain insolvency events in respect of the LLP, the ability to realise the Security may be delayed and/or the value of the Security impaired. While the transaction structure is designed to minimise the likelihood of the LLP becoming insolvent, there can be no assurance that the LLP will not become insolvent and/or the subject of insolvency proceedings and/or that the Covered Bondholders would not be adversely affected by the application of insolvency laws (including English insolvency laws and, if appropriate, Scottish and Northern Irish insolvency laws).

Insolvency proceedings and subordination provisions

There is uncertainty as to the validity and/or enforceability of a provision which (based on contractual and/or trust principles) subordinates certain payment rights of a creditor to the payment rights of other creditors of its counterparty upon the occurrence of insolvency proceedings relating to that creditor. In particular, recent cases have focused on provisions involving the subordination of a hedging counterparty's payment rights in respect of certain termination payments upon the occurrence of insolvency proceedings or other default on the part of such counterparty (so-called "flip clauses"). Such provisions are similar in effect to the terms which will be included in the Transaction Documents relating to the subordination of payments under the Priorities of Payments.

The English Supreme Court has held that a flip clause as described above is valid under English law. However, the US Bankruptcy Court has held that such a subordination provision is unenforceable under US bankruptcy law and that any action to enforce such provision would violate the automatic stay which applies under such law in the case of a US bankruptcy of the counterparty. The implications of this conflicting judgment are not yet known, particularly as the US Bankruptcy Court approved, in December 2010, the settlement of the case to which the judgment relates and subsequently the appeal was dismissed. However, there remains a stayed action in the U.S. commenced by the Lehman Brothers Chapter 11 debtors concerning the enforceability of flip clauses and, in addition, in February 2012, a complaint was filed by certain parties seeking recognition and enforcement of the decision in *Belmont Park Investments Pty Limited v BNY Corporate Trustee Services Limited and Lehman Brothers Special Financing Inc* [2011] UKSC 38 (and corresponding lower court decisions) and other declaratory relief with respect to the flip clause in question on the case described above. At the same time as filing the complaint, the relevant parties also filed a motion seeking the withdrawal of the reference from the U.S. Bankruptcy Court, requesting that the complaint be heard instead by the U.S. District Court. It has not yet been determined whether the complaint will be addressed by the U.S. Bankruptcy Court or the U.S. District Court, nor is it known when the complaint will be addressed.

If a creditor of the LLP (such as a swap counterparty) or a related entity becomes subject to insolvency proceedings in any jurisdiction outside England and Wales (including, but not limited to, the US), and it is owed a payment by the LLP, a question arises as to whether the insolvent creditor or any insolvency official appointed in respect of that creditor could successfully challenge the validity and/or enforceability of subordination provisions included in the English law governed Transaction Documents (such as a provision of the Priorities of Payments which refers to the ranking of the swap counterparties' payment rights). In particular, based on the decision of the US Bankruptcy Court referred to above, there is a risk that such subordination provisions would not be upheld under US bankruptcy laws. Such laws may be relevant in certain circumstances with respect to a range of entities which may act as swap counterparty, including US established entities and certain non-US established entities with assets or operations in the US (although the scope of any such proceedings may be limited if the relevant non-US entity is a bank with a licensed branch in a US state). In general, if a subordination provision included in the Transaction Documents was successfully challenged under the insolvency laws of any relevant jurisdiction outside England and Wales and any relevant foreign judgment or order was recognised by the English courts, there can be no assurance that such actions would not adversely affect the rights of the Covered Bondholders, the market value of the Covered Bonds and/or the ability of the LLP to satisfy its obligations under the Covered Bond Guarantee.

Lastly, given the general relevance of the issues under discussion in the judgments referred to above and that the Transaction Documents will include terms providing for the subordination of payments under the Priorities of Payments, there is a risk that the final outcome of the dispute in such judgments (including any recognition action by the English courts) may result in negative rating pressure in respect of the Covered Bonds. If any rating assigned to the Covered Bonds is lowered, the market value of the Covered Bonds may reduce.

Liquidation Expenses

On 6 April 2008, a provision in the Insolvency Act 1986 came into force which effectively reversed by statute the House of Lords' decision in the case of *Leyland Daf* in 2004. Accordingly, it is now the case that the costs and expenses of a liquidation (including certain tax charges) will be payable out of floating charge assets in priority to the claims of the floating charge-holder. In respect of certain litigation expenses of the liquidator only, this is subject to approval of the amount of such expenses by the floating charge-holder (or, in certain circumstances, the court) pursuant to provisions set out in the Insolvency Rules 1986.

It appears that the provisions referred to above apply in respect of limited liability partnerships in general and/or to owners under the RCB Regulations. On the basis of and as a result of the changes described above, in a winding up of the LLP (whether or not the RCB Regulations apply), floating charge realisations which would otherwise be available to satisfy the claims of Secured Creditors under the Deed of Charge may be reduced by at least a significant proportion of any liquidation expenses (including certain super-priority expenses, if the RCB Regulations apply to the LLP). There can be no assurance that the Covered Bondholders will not be adversely affected by such a reduction in floating charge realisations.

RISK FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH COVERED BONDS ISSUED UNDER THE PROGRAMME

Risk Factors relating to the Issuer

Leeds Group's results may be adversely affected by general economic conditions and other business Conditions*

Leeds Group's consolidated results are influenced by general economic and other business conditions. A slowdown in the global and local economies in which the Leeds Group operates may have adverse effects upon the business volumes as well as the mortgage assets that it holds. Leeds Group's results are more specifically affected by the financial health and price and volume level of transactions in the UK housing market.

Ratings downgrade of the sector or Issuer may have an adverse effect on the marketability and liquidity of the Covered Bonds

If sentiment towards the financial institutions operating in the United Kingdom's residential mortgage market (including the Issuer) were to further deteriorate, or if the ratings of the Issuer and/or the ratings of the sector were to be adversely affected, this may have a materially adverse impact on the market value of covered bond securities and result in a reduction in liquidity in the secondary market for such securities. In addition, such change in sentiment or further reduction in ratings could result in an increase in the costs and reduction in the availability of wholesale market funding across the financial services sector, which could have a material adverse effect on the liquidity and funding of all UK financial services institutions, possibly including the Issuer.

Cyclicality in the UK residential housing market may affect the Issuer's total income

The UK residential mortgage market is closely correlated to the UK economic cycle. As well as fluctuations at a national level, the UK residential mortgage market is subject to significant regional variations.

A downturn in the UK economy, either regionally or nationally, would reduce demand for housing and consequently reduce house price growth and sales. This may result in lower levels of

lending, the Issuer's core activity, and, if accompanied by an increase in unemployment, this may lead to an increase in the number of loans in arrears and repossessions. Moreover, if house prices fall, some lending may not be fully secured and losses could be incurred on those loans should they go into possession. An economic downturn could also increase the Issuer's cost of funding if the risk assessment of the Issuer's mortgage portfolio changed.

Reputational Risk

The Issuer's ability to attract and retain customers and conduct business with its counterparties could be adversely affected to the extent that the Issuer's reputation or the reputation of the Leeds Building Society brand is damaged. Failure to address, or appearing to fail to address, various issues that could give rise to reputational risk could cause harm to the Issuer and the Issuer's business prospects. Reputational issues include, but are not limited to: appropriately addressing potential conflicts of interest; legal and regulatory requirements; ethical issues; adequacy of anti-money laundering processes; privacy issues; customer service issues; recordkeeping; sales and trading practices; proper identification of the legal, reputational, credit, liquidity and market risks inherent in products offered; and general company performance. A failure to address these issues appropriately could make customers unwilling to do business with the Issuer, which could adversely affect the Issuer's business, financial condition and results of operations.

Commercial Mortgage Portfolio

The Leeds Group faces risks associated with being an historic mortgage lender to commercial borrowers.

In order to maintain or grow its business generally, the Leeds Group was engaged in writing mortgage loans to commercial borrowers, secured over commercial property in the UK.

The ability of commercial borrowers to make timely payments under their mortgage loans is influenced by a variety of factors outside of the control of the Issuer. The fluctuating credit risk of commercial borrowers is influenced by (among other things) liquidity constraints, tenant and sub-tenant demand, supplier disruption, general market conditions, consumer spending and the general availability of credit. The UK commercial property market remains severely stressed, and prospects for growth remain uncertain. Further decreases in commercial property values and further tenant defaults may lead to higher impairment charges, which could materially affect the Leeds Group's results of operations, financial condition or prospects. Even on realisation, the value of a commercial property may be significantly lower than the value of the original mortgage loan. As at the date of this Prospectus, the proportion of commercial loans written by the Issuer which are three months or more in arrears and/or LPA receivership/administration was 5.6% giving an arrears balance of £20.2 million.

There is a risk that the Issuer's profitability, financial condition or prospects could be adversely affected by any such default, in isolation or in combination, by commercial borrowers, which, in turn, could have an adverse impact on the Issuer's ability to make payments under the Covered Bonds.

UK housing market

The United Kingdom has recently experienced a period of decline following a downturn in the economy more generally. However, it has stabilised in the more recent past. Any fall in property prices resulting from the deterioration in the housing market and increased unemployment caused by general economic decline could lead to borrowers defaulting on their mortgage loans and could result in losses being incurred by lenders where the net recovery proceeds are insufficient to redeem the outstanding loan. If deterioration occurs in the quality of the mortgage portfolio, this could have

an adverse effect on the LLP's ability to make payment under the Covered Bond Guarantee. There can be no assurance that the housing market will not deteriorate.

The current United Kingdom economic environment may affect the rate at which the Issuer originates new mortgage loans and may also affect the level of attrition of the Issuer's existing borrowers, which could in turn adversely affect the ability of the LLP to make payments under the Covered Bond Guarantee.

Geographic concentration of the Loans

To the extent that specific geographic regions have experienced or may experience in the future weaker regional economic conditions and housing markets than other regions, a concentration of the Loans in such a region may be expected to exacerbate all of the risks relating to the Loans described in this section. The LLP can predict neither when nor where such regional economic declines may occur nor to what extent or for how long such conditions may continue but if the timing and payment of the Loans is adversely affected as described above, the ability of the LLP to make payments under the Covered Bond Guarantee could be reduced or delayed.

Competition in the UK personal financial services market may adversely affect the Issuer's operations

Developments in the Issuer's industry and increased competition could have a material adverse effect on its operations. The Issuer operates in an increasingly competitive UK personal financial services market. The Issuer competes mainly with other providers of personal finance services, including banks, building societies and insurance companies.

Historically, increased competition has resulted in downward pressure on the industry's spread between deposit and loan rates and further increases in competition may negatively affect the Issuer's financial position and the benefit it is able to return to its members.

Credit risk

Credit risk is the potential risk of financial loss arising from the failure of a customer or counterparty to settle their financial and contractual obligations as they fall due. The Issuer's retail credit exposures are managed in accordance with the board approved lending policy which is based upon a comprehensive analysis of both the creditworthiness of the borrower and the proposed security. Following completion of a loan, the performance of all mortgages is monitored closely and all necessary action taken to manage the collection and recovery process. Wholesale counterparty exposures are also managed through Board approved limits which include the setting of limits on individual counterparties, countries, credit ratings and type of financial instrument.

Liquidity risk

Liquidity risk is the risk that the Issuer is unable to meet its current and future financial obligations as they fall due. The financial obligations include investors' deposits, both on demand and those with contractual maturity dates, as well as repayments of other borrowings and loan capital. The Issuer's liquidity policy is to maintain surplus liquid resources to cover cash flow imbalances and fluctuations in funding, in order to provide contingency and retain full public confidence in the solvency of the Issuer and to be in a position to meet its financial obligations as they fall due. This is achieved through maintaining a prudent level of both current and forecast liquid assets and through management of the growth of the business.

The UK mortgage market has undergone a period of adjustment following the onset of the credit crunch. Lenders have moved increasingly towards a policy of concentrating on the highest

quality customers, judged by credit score and loan to value criteria, and there is strong competition for these customers. The supply of credit is much more limited for those potential customers without a large deposit or good credit history. As the wholesale funding market has become more challenging, there has been greater competition for retail deposits. The Issuer has been very successful in attracting retail funding and maintaining margins but there is no guarantee that it will continue to be able to do so.

Operational risk

The Issuer's business is dependent on the ability to process a large number of transactions efficiently and accurately. The reliability of the Issuer's operational systems to accurately process data in a timely manner is important to the business of the Issuer. The Issuer is involved in the implementation of a new operational system, in order to ensure continued operational efficacy of its systems. There is a risk that the implementation of a new operational platform could temporarily have an adverse effect on the processing of transactions by the Servicer, Cash Manager or Seller. The Issuer has in place project risk management policies and procedures in order to ensure the smooth transition to any new operational platform.

Operational risk and losses can result from fraud, errors by employees, failure to document transactions properly or to obtain proper internal authorisation, failure to comply with regulatory requirements and conduct of business rules, equipment failures, natural disasters or the failure of external systems, for example, those of the Issuer's suppliers or counterparties. Although the Issuer has implemented risk controls and loss mitigation actions, and substantial resources are devoted to developing efficient procedures and to staff training, it is not possible to implement procedures which are fully effective in controlling each of the operational risks noted above. Notwithstanding anything in this risk factor, this risk factor should not be taken as implying that the Issuer will be unable to comply with its obligations either as a building society with securities admitted to the Official List or as a supervised firm regulated by the FCA and the PRA.

The Issuer depends on third parties whose computer systems may be subject to cybercrime attacks. Cybercrime includes attempts by computer hackers to gain access to computer systems and could include business disruptions, the manipulation of data, the causing of systems failures and the stealing of personal customer information. Such attacks are by their nature technologically sophisticated and may be difficult or impossible to detect and defend. If prevention measures do not work or are circumvented this could cause the third parties such as the Seller, the Cash Manager or Servicer to fail to perform their obligations under their respective agreements with the Issuer. Noteholders could therefore be adversely affected.

Market risk

Market risk is the risk of a reduction in or elimination of earnings from changes in interest rates, foreign exchange, equity indices rates and the prices of financial securities. In particular, the UK has recently experienced a period of historically low interest rates which has reduced margins on mortgage loans. The Issuer offers numerous mortgage and savings products with varying interest rate features and maturities that create potential interest rate exposures. The Issuer manages this exposure on a continuous basis, with limits set by the board of directors, using a combination of both on and off balance sheet instruments. The Issuer raises funds through the sterling and euro money markets, capital markets and retail savings market. The Issuer's policy is to hedge exchange rate and equity index exposure to ensure such exposure is immaterial.

The performance of financial markets may cause changes in the value of the Issuer's investment portfolios. The Issuer has implemented risk management methods to mitigate and control these and other market risks to which the Issuer is exposed and exposures are constantly measured and monitored. However, it is difficult to predict with accuracy changes in economic or

market conditions and to anticipate the effects that such changes could have on the Issuer's financial performance and business operations.

United Kingdom Sovereign downgrade

Any downgrade of the United Kingdom sovereign credit rating or the perception that such a downgrade may occur may severely destabilise the markets and the UK economy and have a material adverse effect on the Issuer's operating results, financial condition and prospects, as well as on the marketability of the Covered Bonds. This might also have an impact on the Issuer's own credit ratings, borrowing costs and its ability to fund itself. A United Kingdom sovereign downgrade or the perception that such a downgrade may occur would be likely to have a material effect in depressing consumer confidence, restricting the availability, and increasing the cost, of funding for individuals and companies, further depressing economic activity, increasing unemployment, reducing asset prices and consequently increasing the risk of another recession. These risks are exacerbated by concerns over the levels of the public debt of, and the weakness of the economies in, Italy, the Republic of Ireland, Greece, Portugal and Spain, in particular. Further instability within these countries or others within the Eurozone might lead to contagion which may have a material adverse effect on the Issuer's operating results, financial condition and prospects.

The exact nature and extent of these risks is difficult to predict and protect against in view of (i) the severity of the recent global financial crisis, (ii) difficulties in predicting whether any recovery will be sustained and at what rate, and (iii) the fact that many of the risks related to the business are totally, or in part, outside the control of the Issuer.

Management of Financial Risks

The Issuer's success as a financial institution depends on its ability to manage and control its financial risk, which includes liquidity, market and credit risk. The Issuer is exposed to liquidity risk as a result of mismatches in cash flows from balance sheet assets and liabilities and off-balance sheet financial instruments and changes in market sentiment. The Issuer has market risk exposure as a result of changes in interest rates, foreign currency prices, asset prices or other financial contracts. Credit risk is the risk that a customer or counterparty is unable to meet its obligations to the Issuer as they fall due. If the Issuer fails to manage and control these risks, the Issuer could become unable to meet its obligations, including those under the Covered Bonds, possibly resulting in a material adverse effect to the Issuer's business and reputation. Notwithstanding anything in this risk factor, this risk factor should not be taken as implying that the Issuer may be unable to comply with its obligations as a building society with securities admitted to the Official List or as a supervised firm regulated by the relevant UK regulatory authority.

Other risk factors could adversely affect the Issuer's business

Concerns about, or a default by, one institution in the Issuer's market environment could lead to liquidity problems or losses or defaults by other institutions because the commercial soundness of many financial institutions may be closely interlinked as a result of credit, trading, clearing or other relationships between institutions. This risk is sometimes referred to as "systemic risk" and may adversely affect financial intermediaries, such as clearing agencies, clearing houses, banks, securities firms and exchanges with which the Issuer interacts on a daily basis and therefore could adversely affect the Issuer.

UK-authorized firms are subject to ongoing regulation and associated regulatory risks, including the effects of changes in the laws, regulations, policies, voluntary codes of practice and interpretations thereof in the UK and the European Union. This is particularly the case in the current market environment, which is witnessing increased levels of government and regulatory intervention in the banking and building society sector, which the Issuer expects to continue for the foreseeable

future. The UK government, the FCA and other regulators in the UK or the European Union may intervene further in relation to areas of industry risk already identified, or in new areas, each of which could adversely affect the Issuer. The effects such regulation may have on the Issuer include, without limitation, the imposition of additional costs on the Issuer or the limitation or restriction on the manner in which the Issuer conducts elements of its business. The Issuer continues to work closely with regulatory authorities and industry associations to ensure that it is able to identify and respond to proposed regulatory changes and mitigate the risks posed, although future changes are difficult to predict and could materially adversely affect the business of the Issuer.

The Issuer may settle litigation or regulatory proceedings prior to a final judgment or determination of liability in order to avoid the cost, management efforts or negative business, regulatory or reputational consequences of continuing to contest liability, even when the Issuer believes that it has no liability. The Issuer may also do so when the potential consequences of failing to prevail would be disproportionate to the costs of settlement.

Failure to manage these risks adequately could impact the Issuer adversely and materially, both financially and reputationally.

The financial impact of regulatory risks might be considerable but are difficult to quantify. Amounts eventually paid may exceed the amount of any provisions set aside to cover such risks.

Risks relating to Buy-to-Let mortgages

The Loans in the Portfolio include buy-to-let loans where the relevant mortgaged Properties are not owner-occupied and may be let by the relevant Borrower to tenants. Whilst the Loans in the Portfolio include buy-to-let loans, the percentage of the Loans in the Portfolio that are buy-to-let (including the loans which it is proposed will be New Loans) will not exceed 15% at each relevant Transfer Date in relation to the sale of New Loans. For further information regarding the various conditions applicable to the sale of Loans and their Related Security, please see "*Mortgage Sale Agreement – Eligibility Criteria*" below. The Borrower's ability to service payment obligations in respect of such a Loan is likely to depend on the Borrower's ability to lease the relevant mortgaged Properties on appropriate terms. However, there can be no guarantee that each such mortgaged Property will be the subject of an existing tenancy when the relevant Loan is acquired by the Issuer or that any tenancy which is granted will subsist throughout the life of the Loan and/or that the rental income achievable from such tenancy will be sufficient to provide the Borrower with sufficient income to meet the Borrower's interest obligations in respect of the Loan (or that there will not be any default of payment in rent). This apparent dependency on rental income may increase the likelihood during difficult market conditions of higher delinquency rates and losses on buy-to let mortgages than for owner-occupied mortgages.

Upon enforcement of a Mortgage in respect of a mortgaged Property which is subject to an existing tenancy, the Servicer may not be able to obtain vacant possession of the mortgaged Property in which case the Servicer will only be able to sell the mortgaged Property as an investment property with one or more sitting tenants. This may affect the amount which the Servicer can realise upon the sale of the mortgaged Property.

However, enforcement procedures in relation to such Mortgages (excluding any Scottish Mortgage) include appointing a receiver of rent in which case such a receiver must collect any rents payable in respect of the mortgaged Property and apply them accordingly in payment of any interest and arrears accruing under the Mortgage. Under Scots law, a receiver cannot be appointed under a fixed charge (including a standard security, which is the Scottish equivalent of a land charge) and the only enforcement action which may be taken under a standard security (such as a Scottish Mortgage) is a full enforcement of the charge (i.e. it cannot be enforced selectively by, for instance, attaching to

rental payments). Accordingly, in Scotland, securing the rental flows will require the enforcement of the standard security.

Financial Services Compensation Scheme

The Financial Services and Markets Act 2000 (the **FSMA**) established the Financial Services Compensation Scheme (the **FSCS**), which pays compensation to eligible customers of authorised financial services firms which are unable, or are likely to be unable, to pay claims against them. An institution's FSCS levy is linked to its share of the UK deposit market. The FSCS levy may have a material impact on the profits of the Issuer. Claims on the FSCS are funded by loans from the Bank of England, and until such loans are repaid, increased levies on UK deposit-taking institutions fund interest payments on such loans. As a result of the various claims under the FSCS, the Issuer, in common with all regulated UK deposit takers, has recently been subject to significantly increased FSCS levies. As at June 2014, the Issuer had paid £12.8 million in levies in relation to the FSCS. As at June 2014, a provision of £9.14 million was held in respect of levies in relation to the FSCS. In certain circumstances, regulated UK deposit takers may further be required to fund, by way of a further increase in the FSCS levy, the capital repayment to the Bank of England of such loans.

Following a review by the Financial Services Authority of the FSCS funding model, revised FSCS funding arrangements took effect on 1 April 2013. The FCA is responsible for the new arrangements which require contributions from firms according to their funding class. There are three PRA funding classes and five FCA funding classes; a particular class will meet compensation claims up to the threshold limit for that class, but FCA funding classes may receive additional support from other classes up to the amount of the relevant FCA 'retail pool'. A failure of a firm in one of the FCA intermediation funding classes may entail contributions from the wider retail pool (comprising contributions from each of the five FCA funding classes and additional FCA 'provider' funding classes) who would pay towards the costs. This alternative funding model was introduced to acknowledge the joint responsibilities of providers and distributors, but this may mean that the Issuer, as a provider, may incur higher contributions to the FSCS as result of the failure of distributors.

In December 2013, political agreement was reached on the new EU directive on deposit guarantee schemes, which introduces financing requirements targeting ex ante deposit guarantee scheme funds of 0.8% of covered deposits to be collected from deposit-taking entities over a ten year period (the UK currently operates an ex post financing where fees are required after a payment to depositors has occurred). In case of insufficient ex ante funds, the deposit guarantee scheme will collect immediate ex post contributions from the banking sector, and, as a last resort, they will have access to alternative funding arrangements such as loans from public or private third parties. It is possible, as a result of this new directive, that future FSCS levies on the Issuer may differ from those at present, and such reforms could result in the Issuer incurring additional costs and liabilities, which may adversely affect its business, financial conditions and/or results of operations.

There can also be no assurance that there will be no actions taken under the Banking Act that may lead to further claims against the FSCS, and concomitant increased FSCS levies payable by the Issuer (and other regulated UK deposit takers).

Regulatory reforms may result in additional minimum capital requirements for the Issuer

A perceived or actual reduction in capital surplus could result in actions or sanctions, which may have a material adverse effect on the Issuer's business, including its operating results, financial condition and its prospects. This, in turn, may affect the Issuer's capacity to continue its business operations or pursue strategic opportunities and may have an impact on future growth potential.

The circumstances which could give rise to a reduction in capital surplus could include the following:

- The Issuer may experience a depletion of its capital resources through increased costs or liabilities incurred as a result of the crystallisation of any of the other risk factors described elsewhere in this section.
- The Issuer may experience an increased demand for capital. For example, the Issuer is subject to extensive regulation and regulatory supervision in relation to the levels of capital in its business. New or revised minimum and buffer capital requirements could be applied and/or the manner in which existing regulatory requirements are applied to the Issuer could be changed.

The Issuer manages its capital taking account of market and rating agency expectations as well as regulatory requirements. If market and rating agency expectations increase, driven by, for example, the capital levels or targets amongst peer banks or building societies or through the changing views of rating agencies, then the Issuer may experience pressure to increase its capital ratios.

The Issuer's capital is reported as a ratio of risk-adjusted assets expressed as a percentage in different measures: Common Equity Tier 1 capital, Tier 1 capital and total capital. Recognition as capital of the legacy Tier 1 capital instruments (permanent interest bearing shares) is grandfathered in line with the provisions in CRD IV. At present, the Issuer's Pillar 2A requirements can be met by any form of capital. However, from 1 January 2015, the PRA expects firms to meet Pillar 2A with at least 56 per cent. in Common Equity Tier 1 capital, no more than 44 per cent. in Additional Tier 1 capital and a maximum of 25 per cent. in Tier 2 capital. If the Issuer fails, or is perceived to be likely to fail, to meet its minimum regulatory capital requirements, this may result in administrative actions or regulatory sanctions.

Payment Protection Insurance

In August 2010 the FSA published a Policy Statement (PS10/12) on "The Assessment and Redress of Payment Protection Insurance Complaints". The Statement applies to all types of Payment Protection Insurance (**PPI**) policies which, in the Leeds Group's case, relate to secured lending Payment Protection Insurance products.

The Statement followed the Consultation Paper (CP10/06) and the FSA pressed forward with their measures stated in the Policy Statement (PS 10/12). Nemo Personal Finance joined with the British Bankers Association (**BBA**) in requesting a judicial review of the FSA's proposed approach to the assessment and redress of complaints in respect of sales of PPI.

On 20 April 2011, the High Court ruled in favour of the FSA in concluding that banks and building societies which had sold PPI would be required to review all past PPI sales including sales to customers who had not made complaints. The BBA chose not to appeal this ruling.

Given the initial consultation process and the subsequent policy statement, the likely outcome and the impact of this process and statement on the Leeds Group or of the need to offer wider redress cannot be reliably estimated or quantified, however as of 30 June 2014 the Issuer had provisions of £1.1 million for Mortgage Payment Protection Insurance (**MPPI**). There can be no assurance, however, that this provision will be adequate to cover any liability the Issuer may face in respect of PPI policies.

Demutualisation, mutual society transfers and consequences of the Building Societies Act for Covered Bondholders

The Society's Board is committed to maintaining the mutual status of the Society. Notwithstanding the above, subject to confirmation by the relevant UK regulatory authority, the Society's members and its directors determine whether it remains a building society or if it demutualises (save in circumstances where the relevant UK regulatory authority makes a direction under section 42B of the Building Societies Act or a UK Authority makes an instrument or order under the Banking Act (as amended by section 56 of the Financial Services Act), which results in demutualisation taking place or subject to HM Treasury making an order under section 17(3) of the Banking Reform Act (which section came into force 1 March 2014), the Bank of England requires the conversion or transfer of the Issuer's business to a company in relation to the exercise of the bail-in stabilisation option).

The Building Societies Act includes provisions under which a building society may demutualise by transferring the whole of its business to an existing company (referred to as a "takeover") or to a specially formed company (referred to as a "conversion"). In addition, the Building Societies Act (as modified by the Mutual Societies (Transfers) Order 2009 (the **Mutual Transfers Order**) made under section 3 of the Building Societies (Funding) and Mutual Societies (Transfers) Act 2007 (the **Funding and Mutual Societies Transfers Act**)) includes provisions under which a building society may transfer the whole of its business to the subsidiary of another mutual society (as defined in section 3 of the Funding and Mutual Societies Transfers Act). At present, the claims of depositors and other unsubordinated creditors of the Issuer would rank ahead of share accounts (which term excludes any deferred shares) and the members' rights to any surplus in the event of a liquidation of the Issuer and the claims of subordinated creditors of the Issuer would rank behind share accounts but ahead of members' rights to any surplus in the event of a liquidation of the Issuer. If, however, the Issuer transfers its business to a specially formed company or an existing company (as defined in the Building Societies Act) or to a subsidiary of another mutual society, all the liabilities of the Issuer which immediately prior thereto were classified as share accounts will thereafter rank at least *pari passu* with all other unsecured and unsubordinated liabilities of the Issuer's successor.

Under section 90B of the Building Societies Act (which was inserted by the Funding and Mutual Societies Transfers Act), HM Treasury may, by order, make provision for the purpose of ensuring that, on the winding-up, or dissolution by consent, of a building society, any assets available for satisfying the society's liabilities to creditors (other than liabilities in respect of subordinated deposits, liabilities in respect of preferential debts or any other category of liability which HM Treasury specifies in the order for these purposes) or to shareholders (other than liabilities in respect of deferred shares) are applied in satisfying those liabilities *pari passu*. The power to make an order under section 90B of the Building Societies Act is exercisable by statutory instrument but may not be made unless a draft of it has been laid before and approved by a resolution of each House of Parliament. No such order has been made as at the date of this Prospectus.

Following a transfer of business to a company (including where the transfer is to a subsidiary of another mutual society) by the Issuer the obligations under the Covered Bonds will become obligations of any transferee entity and rank (i) in priority to both the rights of the holders of the equity share capital in the company to any repayment of capital or surplus on a liquidation and any obligations of the company (whether or not created prior to such transfer) expressed to rank junior to such Covered Bonds; (ii) equally with other unsecured and unsubordinated creditors (including inter-bank lenders and retail depositors); and (iii) behind any statutorily preferential creditors.

It is expressed to be a condition of any transfer of business by the Issuer under the Transaction Documents that the Covered Bond Guarantee will remain in place or be modified to apply *mutatis mutandis* in full force and effect and will continue as an obligation of the LLP in

respect of the Covered Bonds which, following any transfer, will be obligations of the transferee entity.

With respect to depositor preference, section 90B of the UK Building Societies Act (which was enacted by the Funding and Mutual Societies Transfers Act) was brought into force with effect from 20 November 2014. Under this section, HM Treasury may, by order, make provision adjusting the relative ranking between share accounts, depositors and other unsubordinated creditors. The power to make an order under section 90B of the UK Building Societies Act is exercisable by statutory instrument but may not be made unless a draft of it has been laid before and approved by a resolution of each House of Parliament.

HM Treasury has consulted on its intention to make an order under section 2(2) of the European Communities Act 1972 and under section 90B to align creditor hierarchy in UK building societies with the depositor preference requirements being introduced through the RRD and, potentially, to further ensure that any building society member's deposits that do not benefit from the depositor preference requirements will nevertheless rank *pari passu* with all other (non-preferred) senior unsecured creditors. For further details in relation to the potential impact of the transposition of the RRD into English law on the Covered Bondholders, please see the risk factor headed "*UK Banking Act 2009 and the European Union Recovery and Resolution Directive*".

Regulation

The Issuer is regulated by the PRA and FCA which regulates the sale of residential mortgages and general insurance products. The regulatory regime requires the Issuer to be compliant across many aspects of activity, including the training, authorisation and supervision of personnel, systems, processes and documentation. If the Issuer fails to be compliant with any relevant regulations, there is a risk of an adverse impact on its business due to sanctions, fines or other action imposed by the regulatory authorities.

The FCA, and other bodies such as the Ombudsman, could impose further regulations or obligations in relation to current and past dealing with retail customers. As a result, the Issuer may incur costs in complying with these regulations or obligations relating to its business, including potential compensation and costs relating to sales advice given to retail customers.

The imposition of such sanctions, fines or other action on the Issuer or the incurring of such costs by the Issuer may affect the Issuer's ability to meet its obligations to Covered Bondholders in respect of the Covered Bonds in circumstances where the LLP is unable to meet its obligations under the Covered Bond Guarantee.

Due to potential mis-selling of structured products the Issuer has made a provision of £3.4 million in respect of potential liabilities for such compensation and costs. There can be no assurance that this provision will be adequate to cover any liability the Issuer may face in relation to such potential mis-selling nor that other sanctions, fines or any other action will not occur in the future.

Future changes in regulation, fiscal or other policies are unpredictable and beyond the Issuer's control and could materially adversely affect its business or operations.

Regulators and other bodies in the UK and worldwide have produced a range of proposals for future legislative and regulatory changes which could impose operational restrictions on the Issuer, require the Issuer to raise further capital, increase the Issuer's expenses and/or otherwise adversely affect its business results, financial condition or prospects. These include, amongst others:

- On 19 June 2013, the Parliamentary Commission on Banking Standards (**PCBS**) published its final report ("Changing Banking for Good"). This was followed by the

publication of the Government's response on 8 July 2013, accepting the overall conclusions of the final report and all of its principal recommendations. Among other things, this included proposals for: (i) a new senior persons regime governing the conduct of bank staff; (ii) the introduction of a criminal offence for reckless misconduct by senior bank staff; and (iii) steps to improve competition in the banking sector. On 18 December 2013, the Banking Reform Act, which includes provisions to address certain of the PCBS's recommendations received royal assent; further detail in respect of matters covered in the Banking Reform Act will be provided by way of secondary legislation. The Banking Reform Act and future related secondary legislation will have a substantial impact on banks and building societies in the UK generally, including the Issuer. Certain provisions regarding a new regime for conduct of individuals performing a senior management function came into force on 25 July 2014 and the PRA and FCA are consulting on the implementation of this regime (with the consultation ending 31 October 2014). The PRA and FCA are expected to publish final rules in early 2015.

- From 1 March 2014, the PRA has a secondary objective in respect of competition; otherwise, the relevant provisions of the Banking Reform Act are not yet in force and it is not known when such provisions will come into force. The Banking Reform Act and future related secondary legislation will have a substantial impact on banks and building societies in the UK generally, including the Issuer;
- the Banking Reform Act also introduces a power for HM Treasury to make an order for the introduction of regulatory rules which will require UK banks and building societies to hold primary loss-absorbing capital (including by way of bail-in bonds) and obliges the FCA to establish a new payment systems regulator. These provisions came into force on 1 March 2014;
- Other measures contained in the Banking Reform Act, but which are not yet in force (and the date on which they will come into force is presently unknown), include: (i) ring-fencing domestic retail banking services of UK banks; (ii) introduction of a power for the UK authorities to bail in debt issued by UK banks and building societies (see "*UK Banking Act 2009 and the European Union Recovery and Resolution Directive*" above); (iii) increasing the ranking of insured depositors on a winding-up to rank ahead of all other unsecured creditors; and (iv) a cap on the cost of pay day loans. Building societies (including the Issuer) will be subject to the proposed bail-in powers (see "*UK Banking Act 2009*" above) and will be affected by the change to the ranking of insured depositors under which deposits that are eligible for protection under the FSCS are preferential debts and therefore in the event of the Issuer's insolvency will rank ahead of other unsecured creditors;
- The Government also intends to commence powers, already available in building societies legislation but not yet in force, which will have the effect that building society shareholding members (other than holders of deferred shares) will rank alongside unsubordinated creditors on a winding-up or dissolution;
- At European Union level, structural reform measures that are similar to some of those contained in the Banking Reform Act are also under consideration, following the report of the European Commission's high level expert group on reforming the structure of the EU Banking Sector (the **Liikanen Group**). This report's proposals were heavily influenced by the UK experience but there remains a risk that any subsequent European Union legislation implementing the recommendations in the report may impose requirements which are more onerous than those in the Banking

Reform Act or which may not be completely consistent with those in the Banking Reform Act; and

- The RRD, which provides an EU-wide framework for the recovery and resolution of credit institutions, came into force on 2 July 2014. The RRD is required to be implemented in member states by 1 January 2015, except for certain bail-in provisions which are to be implemented by 1 January 2016. However, following recent UK Government announcements, the majority of these measures are expected to be enacted in the UK on 1 January 2015. See further “*UK Banking Act 2009 and the European Union Recovery and Resolution Directive*” above.

There is also a risk that the recent restructuring of regulatory bodies and, in particular, the creation of multiple regulators in the UK could lead to a lack of co-ordination and the emergence of inconsistencies between the different regulatory bodies. Any such development could adversely impact the Issuer's ability to manage its business efficiently and subject it to increased costs through managing an increasingly complex compliance burden.

At this point it is impossible to predict the effect that any of the proposed changes will have on the Issuer's operations, business and prospects or how any of the proposals discussed above will be implemented in light of the fundamental changes to the regulatory environment proposed by the Government and/or the European Commission. Depending on the specific nature of the requirements and how they are enforced, such changes could have a significant impact on the Issuer's operations, structure, costs and/or capital requirements. Accordingly, the Issuer cannot assure investors that the implementation of any of the foregoing matters or any other regulatory or legislative changes that may be proposed will not have a material adverse effect on its operations, business, results, financial condition or prospects.

Risk factors relating to the LLP

LLP only obliged to pay Guaranteed Amounts when the same are Due for Payment

Following service of an Issuer Acceleration Notice on the Issuer, a Notice to Pay will be served by the Bond Trustee on the LLP. Subsequent to a failure by the Issuer to make a payment in respect of one or more Series of Covered Bonds, the Bond Trustee may, but is not obliged to, serve an Issuer Acceleration Notice unless and until requested or directed by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds then outstanding as if they were a single Series or if so directed by an Extraordinary Resolution of all the Covered Bondholders in accordance with Condition 9(a). Following service of a Notice to Pay on the LLP, under the terms of the Covered Bond Guarantee the LLP will be obliged to pay Guaranteed Amounts as and when the same are Due for Payment. In these circumstances, the LLP will not be obliged to pay any other amounts which become payable for any other reason.

Payments by the LLP will be made subject to any applicable withholding or deduction and the LLP will not be obliged to pay any additional amounts as a consequence. The attention of Covered Bondholders is drawn to the paragraph headed “*Payments by the LLP*” in the Taxation section below at page 221. Prior to service on the LLP of an LLP Acceleration Notice, the LLP will not be obliged to make any payments in respect of broken funding indemnities, penalties, premiums, default interest or interest on interest which may accrue on or in respect of the Covered Bonds. In addition, the LLP will not be obliged at any time to make any payments in respect of additional amounts which may become payable by the Issuer under Condition 7.

Subject to any grace period, if the LLP fails to make a payment when Due for Payment under the Covered Bond Guarantee or any other LLP Event of Default occurs, then the Bond Trustee may, but is not obliged to unless requested or directed by the holders of at least 25% of the aggregate

Principal Amount Outstanding of the Covered Bonds then outstanding as if they were a single Series or if directed by an Extraordinary Resolution of all the Covered Bondholders in accordance with Condition 9(b) and indemnified and/or secured and/or prefunded to its satisfaction, accelerate the obligations of the LLP under the Covered Bond Guarantee by service of an LLP Acceleration Notice, whereupon the Bond Trustee will have a claim under the Covered Bond Guarantee for an amount equal to the Early Redemption Amount of each Covered Bond, together with accrued interest and all other amounts then due under the Covered Bonds (other than additional amounts payable under Condition 7), although in such circumstances the LLP will not be obliged to gross up in respect of any withholding which may be required in respect of any payment. Following service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP, the Security Trustee may enforce the Security over the Charged Property. The proceeds of enforcement and realisation of the Security shall be applied by the Security Trustee in accordance with the Post-Enforcement Priority of Payments in the Deed of Charge, and the Covered Bondholders will receive amounts from the LLP on an accelerated basis.

Excess Proceeds received by the Bond Trustee

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may receive Excess Proceeds. The Excess Proceeds will be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the LLP for its own account, as soon as practicable, and will be held by the LLP in the GIC Account or (if applicable) the Stand-by GIC Account and the Excess Proceeds will thereafter form part of the Security and will be used by the LLP in the same manner as all other monies from time to time standing to the credit of the LLP Accounts. Any Excess Proceeds received by the Bond Trustee will discharge *pro tanto* the obligations of the Issuer in respect of the Covered Bonds and Coupons (subject to restitution of the same if such Excess Proceeds shall be required to be repaid by the LLP). However, the obligations of the LLP under the Covered Bond Guarantee are unconditional and irrevocable (following service on the LLP of a Notice to Pay) and the receipt by the Bond Trustee of any Excess Proceeds will not reduce or discharge any such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder will be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the LLP in the manner as described above.

Finite resources available to the LLP to make payments due under the Covered Bond Guarantee

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice on the Issuer, all amounts payable under the Covered Bonds will be accelerated as against the Issuer following which a Notice to Pay will be served by the Bond Trustee on the LLP. The LLP's ability to meet its obligations under the Covered Bond Guarantee will depend on: (i) the realisable value of Selected Loans and their Related Security in the Portfolio; (ii) the amount of Revenue Receipts and Principal Receipts generated by the Portfolio and the timing thereof; (iii) amounts received from the Swap Providers; (iv) the realisable value of Substitution Assets held by it; and (v) the receipt by it of credit balances and interest on credit balances on the GIC Account and, if applicable, the Stand-by GIC Account and the LBS Reserve Fund Account and the interest element of Authorised Investments purchased from amounts credited to the GIC Account or the Stand-by GIC Account and, if applicable, the LBS Reserve Fund Account, as applicable. Recourse against the LLP under the Covered Bond Guarantee is limited to the aforementioned assets and the LLP will not have any other source of funds available to meet its obligations under the Covered Bond Guarantee.

If an LLP Event of Default occurs and the Security created by or pursuant to the Deed of Charge is enforced, the proceeds of realisation of the Charged Property may not be sufficient to meet the claims of all the Secured Creditors, including the Covered Bondholders.

In addition, all obligations of the LLP to the Covered Bondholders in respect of the Secured Obligations owing to the Covered Bondholders are limited in recourse to the Charged Property and, upon the Security Trustee giving written notice to the Covered Bondholders that:

- (a) it has received notice from the Servicer that, in its sole opinion, there is no reasonable likelihood of there being any further realisations in respect of the Charged Property (whether arising from enforcement of the Security or otherwise) which would be available to pay amounts outstanding under the Transaction Documents; and
- (b) all amounts available to be applied to pay amounts owing under the Transaction Documents have been so applied in accordance with the Transaction Documents (including the Priority of Payments),

the Covered Bondholders shall have no further claim against the LLP in respect of any amounts owing to them which remain unpaid and such unpaid amounts shall be deemed to be discharged in full.

There is no guarantee that the proceeds of realisation of the Charged Property will be in an amount sufficient to repay all amounts due to the Secured Creditors (including the Covered Bondholders) under the Covered Bonds and the Transaction Documents.

If an LLP Acceleration Notice is served on the LLP then the Covered Bonds may be repaid sooner or later than expected or not at all.

If, following enforcement of the Security constituted by or pursuant to the Deed of Charge or the Security Trustee having determined that there is no reasonable likelihood of there being further realisation in respect of the Charged Property, the Secured Creditors have not received the full amount due to them from the LLP pursuant to the terms of the Transaction Documents, then they may still have an unsecured claim against the Issuer for the shortfall. There is no guarantee that the Issuer will have sufficient funds to pay that shortfall.

Covered Bondholders should note that the Asset Coverage Test has been structured to ensure that the Adjusted Aggregate Loan Amount is equal to or in excess of the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds for so long as Covered Bonds remain outstanding, which should reduce the risk of there ever being a shortfall (although there is no assurance of this and, in particular, the sale of further Loans and Related Security by the Seller to the LLP may be required to avoid or remedy a breach of the Asset Coverage Test). The LLP and the Seller (in its capacity as Member) must ensure that following the occurrence of an Issuer Event of Default, the Amortisation Test is met on each Calculation Date and a breach of the Amortisation Test will constitute an LLP Event of Default and will entitle the Bond Trustee to serve an LLP Acceleration Notice on the LLP (see "*Summary of the Principal Documents – LLP Deed – Asset Coverage Test*" and "*Credit Structure – Asset Coverage Test*"). The Asset Coverage Test and the Yield Shortfall Test have in the aggregate been structured to ensure that the Asset Pool is sufficient to pay amounts due on the Covered Bonds and senior ranking expenses which will include costs relating to the maintenance, administration and winding-up of the Asset Pool whilst the Covered Bonds are outstanding. However no assurance can be given that the Asset Pool will yield sufficient amounts for such purpose.

The LLP or the Cash Manager acting on its behalf may, from time to time, send notification to the Security Trustee of the proposed percentage (used in the computation of the Adjusted Aggregate Loan Amount and the Asset Percentage) selected by it in accordance with the relevant provisions of the LLP Deed to ensure that the Covered Bonds achieve an Aaa rating by Moody's using Moody's expected loss methodology. However there is no obligation on the LLP to ensure that

an Aaa rating is maintained by Moody's and the LLP is under no obligation to change the figure selected by it in accordance with the relevant provisions of the LLP Deed and notified to Moody's and the Security Trustee in line with such level of credit enhancement necessary to maintain a Aaa rating by Moody's. If the LLP does not send further notification to Moody's and the Security Trustee, the Asset Percentage may not be reduced and may be insufficient to ensure the maintenance of an Aaa rating by Moody's and the Covered Bonds may be downgraded by Moody's, even though the Asset Coverage Test is not breached. For the avoidance of doubt, merely notifying Moody's and the Security Trustee of the amended Asset Percentage does not ensure that an Aaa rating is maintained. An Issuer Event of Default and/or an LLP Event of Default will not occur solely as a result of a downgrade of the Covered Bonds.

Reliance of the LLP on third parties

The LLP has entered into agreements with a number of third parties, who have agreed to perform services for the LLP. In particular, but without limitation, the Servicer has been appointed to service Loans in the Portfolio sold to the LLP, the Cash Manager has been appointed to calculate and monitor compliance with the Asset Coverage Test and the Amortisation Test and to provide cash management services to the LLP and the GIC Account and Transaction Account will be held with the Account Bank, the Stand-by GIC Account and the Stand-by Transaction Accounts will be held with the Stand-by Transaction Account Bank and the LBS Reserve Fund Account will be held with the Stand-by Transaction Account Bank. In the event that any of those parties fails to perform its obligations under the relevant agreement to which it is a party, the realisable value of the Portfolio or any part thereof or pending such realisation (if the Portfolio or any part thereof cannot be sold) the ability of the LLP to make payments under the Covered Bond Guarantee may be affected. For instance, if the Servicer has failed to manage the Loans adequately, this may lead to higher incidences of non-payment or default by Borrowers. The LLP is also reliant on the Swap Providers to provide it with the funds matching its obligations under the Intercompany Loan Agreement and the Covered Bond Guarantee, as described below.

If a Servicer Event of Default occurs pursuant to the terms of the Servicing Deed, then the LLP, with the consent of the Security Trustee, will be entitled to terminate the appointment of the Servicer and appoint a new servicer in its place. There can be no assurance that a substitute servicer with sufficient experience of managing mortgages of residential properties would be found who would be willing and able to service the Loans on the terms of the Servicing Deed. In addition, as described below, any substitute servicer will be required to be authorised under the FSMA. The ability of a substitute servicer to fully perform the required services would depend, among other things, on the information, software and records available at the time of the appointment. Any delay or inability to appoint a substitute servicer may affect the realisable value of the Portfolio or any part thereof and/or the ability of the LLP to make payments under the Covered Bond Guarantee. However, if the Servicer ceases to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB, the Servicer will use reasonable efforts to appoint a back-up servicer facilitator acceptable to the LLP within 60 days of the Servicer ceasing to be assigned such ratings. If the Servicer ceases to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa3 or by Fitch of at least BBB-, it will, with the back-up servicer facilitator, use reasonable efforts to enter into a back-up servicing deed, in form and substance acceptable to the parties to the Servicing Deed, with a suitably experienced third party acceptable to, and which shall be appointed by, the LLP within 60 days of the Servicer ceasing to be assigned such rating.

The Servicer has no obligation itself to advance payments that Borrowers fail to make in a timely fashion. Covered Bondholders will have no right to consent to or approve of any actions taken by the Servicer under the Servicing Deed.

Neither the Security Trustee nor the Bond Trustee is obliged in any circumstances to act as a servicer or to monitor the performance by the Servicer of its obligations.

Reliance on Swap Providers

To provide a hedge against possible variances in the rates of interest payable on the Loans in the Portfolio (which may, for instance, include variable rates of interest, discounted rates of interest, fixed rates of interest or rates of interest which track a base rate) and LIBOR for one month Sterling deposits, the LLP has entered into the Interest Rate Swap Agreement with the Interest Rate Swap Provider. In addition, to provide a hedge against interest rate and currency risks in respect of amounts received by the LLP under the Loans and the Interest Rate Swap and amounts payable by the LLP on the outstanding Term Advances or (following service on the LLP of a Notice to Pay) under the Covered Bond Guarantee in respect of the Covered Bonds, the LLP will enter into a Covered Bond Swap Agreement with each Covered Bond Swap Provider.

If the LLP fails to make timely payments of amounts due under any Swap Agreement (except where such failure is caused by the assets available to the LLP on a Due for Payment date being insufficient to make the required payment in full), then it will have defaulted under that Swap Agreement and such Swap Agreement may be terminated. Further, a Swap Provider is only obliged to make payments to the LLP as long as and to the extent that the LLP complies with its payment obligations under the relevant Swap Agreement. If a Swap Agreement terminates or the Swap Provider is not obliged to make payments or if it defaults in its obligations to make payments of amounts in the relevant currency equal to the full amount to be paid to the LLP on the payment date under the Swap Agreements, the LLP will be exposed to changes in the relevant currency exchange rates to Sterling (where relevant) and to any changes in the relevant rates of interest. Unless a replacement swap is entered into, the LLP may have insufficient funds to make payments under the Intercompany Loan Agreement or Covered Bond Guarantee.

If a Swap Agreement terminates, then the LLP may be obliged to make a termination payment to the relevant Swap Provider. There can be no assurance that the LLP will have sufficient funds available to make a termination payment under the relevant Swap Agreement, nor can there be any assurance that the LLP will be able to find a replacement swap counterparty which has sufficiently high ratings as may be required by any of the Rating Agencies and which agrees to enter into a replacement swap agreement.

If the LLP is obliged to pay a termination payment under any Swap Agreement, such termination payment will rank (A) ahead of amounts due on the Covered Bonds in respect of the Interest Rate Swap prior to the service of an LLP Acceleration Notice, the commencement of winding-up proceedings against the LLP and/or realisation of the Security and (B) *pari passu* with amounts due on the Covered Bonds in respect of the Covered Bond Swaps and in respect of the Interest Rate Swap following service of an LLP Acceleration Notice, the commencement of winding-up proceedings against the LLP and/or realisation of the Security, except where default by, or downgrade of, the relevant Swap Provider has caused the relevant Swap Agreement to terminate. The obligation to pay a termination payment may adversely affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

Differences in timings of obligations of the LLP and the Covered Bond Swap Providers under the Covered Bond Swaps

With respect to the Covered Bond Swaps, the LLP will pay or make a provision for a monthly amount, on each LLP Payment Date, to each Covered Bond Swap Provider based on LIBOR for one month Sterling deposits. Each Covered Bond Swap Provider will not be obliged to make corresponding swap payments to the LLP under a Covered Bond Swap for up to twelve months until amounts are due and payable by the LLP under the Intercompany Loan Agreement

(prior to the service of a Notice to Pay or LLP Acceleration Notice on the LLP) or are Due for Payment under the Covered Bond Guarantee (after the service of a Notice to Pay or LLP Acceleration Notice on the LLP). If a Covered Bond Swap Provider does not meet its payment obligations to the LLP under the relevant Covered Bond Swap and such Covered Bond Swap Provider does not make a termination payment that has become due from it to the LLP, the LLP may have a larger shortfall in funds with which to make payments under the Covered Bond Guarantee with respect to the Covered Bonds than if the Covered Bond Swap Provider's payment obligations coincided with LLP's payment obligations under the Covered Bond Guarantee. Hence, the difference in timing between the obligations of the LLP and the Covered Bond Swap Providers under the Covered Bond Swaps may affect the LLP's ability to make payments under the Covered Bond Guarantee with respect to the Covered Bonds.

Change of counterparties

The parties to the Transaction Documents who receive and hold monies pursuant to the terms of such documents (such as the Account Bank) are required to satisfy certain criteria, pursuant to those Transaction Documents, in order that they can continue to receive and hold monies.

These criteria include those criteria imposed under the FSMA and criteria in relation to the short-term and/or long-term, unguaranteed and unsecured ratings ascribed to such party by Fitch and Moody's. If the party concerned ceases to satisfy the applicable criteria, including the ratings criteria detailed below, then the rights and obligations of that party (including the right or obligation to receive monies on behalf of the LLP) may be required to be transferred to another entity which does satisfy the applicable criteria. In these circumstances, the terms agreed with the replacement entity may not be as favourable as those agreed with the original party pursuant to the Transaction Documents.

In addition, should the applicable criteria cease to be satisfied, then the parties to the relevant Transaction Document may agree to amend or waive certain of the terms of such document, including the applicable criteria, in order to avoid the need for a replacement entity to be appointed. The consent of Covered Bondholders may not be required in relation to such amendments and/or waivers.

Limited description of the Portfolio

The Covered Bondholders will not receive detailed statistics or information in relation to the Loans in the Portfolio because it is expected that the constitution of the Portfolio will frequently change due to, for instance:

- the Seller selling Loans and their Related Security (or New Loan Types and their Related Security) to the LLP;
- New Sellers acceding to the Transaction and selling Loans and their Related Security (or New Loan Types and their Related Security) to the LLP; and
- the Seller repurchasing Loans and their Related Security in accordance with the Mortgage Sale Agreement.

There is no assurance that the characteristics of the New Loans assigned to the LLP on a Transfer Date will be the same as those of the Loans in the Portfolio as at that Transfer Date. However, each Loan will be required to meet the Eligibility Criteria and the Representations and Warranties set out in the Mortgage Sale Agreement – see "*Summary of the Principal Documents – Mortgage Sale Agreement – Sale by the Seller of Loans and Related Security*" (although the Eligibility Criteria and Representations and Warranties may change in certain circumstances – see

"The Bond Trustee and the Security Trustee may agree to modifications to the Transaction Documents without, respectively, the Covered Bondholders' or Secured Creditors' prior consent" above). In addition, the Asset Coverage Test is intended to ensure that the Adjusted Aggregate Loan Amount is an amount equal to or in excess of the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds for so long as Covered Bonds remain outstanding and the Cash Manager will provide monthly reports that will set out certain information in relation to the Asset Coverage Test. A monthly report is also made available to Covered Bondholders, the Security Trustee, the Bond Trustee and the Rating Agencies detailing among other things compliance with the Asset Coverage Test and is available on the Society's website at <http://www.leedsbuildingsociety.co.uk/treasury/covered-bonds-documents.html>.

Interest Only Loans

The Portfolio may contain Loans which may be repayable on an interest-only basis. Where the Borrower is only required to pay interest during the term of the Loan, with the capital being repaid in a lump sum at the end of the term, unless the Loan is a buy-to-let loan, the Borrower is required to ensure that they have a repayment strategy in place for 12 months before the date of the Loan. The Seller's previous policy was not to verify or require proof that such repayment mechanism was in place and not to take security over any investment policies taken out by Borrowers. Notwithstanding this, the Seller would review the repayment mechanism in line with the size of the Loan, the applicant's age, income and likelihood of the repayment mechanism accumulating sufficient value to repay the Loan and will decline the application if this repayment mechanism is deemed to be unacceptable. Currently, the Issuer verifies each repayment vehicle, including pensions, endowments and general savings and investments. The Seller does not take security over any investment policies taken out by Borrowers. The maximum loan to value for all interest only loans is 50% and where sale of property is used as the repayment strategy, there must be at least £150,000 equity in the property, which is validated using the mortgage valuation. Interest only is not allowed for shared ownership or shared equity lending.

Borrowers may not have been making payment in full or on time of the premiums due on any relevant investment or life policy, which may therefore have lapsed and/or no further benefits may be accruing thereunder. In certain cases, the policy may have been surrendered but not necessarily in return for a cash payment and any cash received by the Borrower may not have been applied in paying amounts due under the Loan. Thus the ability of such a Borrower to repay an interest-only loan at maturity without resorting to the sale of the underlying property depends on such Borrower's responsibility in ensuring that sufficient funds are available from a given source such as pension policies, PEPs, ISAs or endowment policies, as well as the financial condition of the Borrower, tax laws and general economic conditions at the time. If a Borrower cannot repay an interest-only loan and a loss occurs, this may affect repayments on the Covered Bonds. However, the Asset Coverage Test is intended to ensure that the Adjusted Aggregate Loan Amount is an amount equal to or in excess of the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds for so long as Covered Bonds remain outstanding and the Cash Manager will provide monthly reports that will set out certain information in relation to the Asset Coverage Test.

Fixed charges may take effect under English law as floating charges

Pursuant to the terms of the Deed of Charge, the LLP has purported to grant fixed charges over, amongst other things, its interests in the English Loans and their Related Security, the Substitution Assets and its rights and benefits in the LLP Accounts and all Authorised Investments purchased from time to time.

The law in England and Wales relating to the characterisation of fixed charges is unsettled. The fixed charges purported to be granted by the LLP may take effect under English law as floating

charges only, if, for example, it is determined that the Security Trustee does not exert sufficient control over the Charged Property for the security to be said to constitute fixed charges. If the charges take effect as floating charges instead of fixed charges, then, as a matter of law, certain claims would have priority over the claims of the Security Trustee in respect of the floating charge assets. In particular, the "prescribed part" (referred to below), the expenses of any administration and/or winding-up and the claims of any preferential creditors would rank ahead of the claims of the Security Trustee in this regard. The Enterprise Act 2002 abolished the preferential status of certain Crown debts (including the claims of the United Kingdom tax authorities). However, certain employee claims (in respect of contributions to pension schemes and wages) still have preferential status. In this regard, it should be noted that the LLP has agreed in the Transaction Documents not to have any employees.

In addition, any administrative receiver, administrator or liquidator appointed in respect of the LLP will be required to set aside the prescribed percentage or percentages of the floating charge realisations in respect of the floating charges contained in the Deed of Charge.

An equivalent risk applies under Northern Irish law in relation to the Northern Irish Loans and their Related Security.

Under Scots law the concept of fixed charges taking effect as floating charges does not arise and accordingly there is no equivalent risk in relation to the Scottish Loans and their Related Security.

Maintenance of Portfolio

Asset Coverage Test: Pursuant to the terms of the Mortgage Sale Agreement, the Seller agreed to use all reasonable efforts to transfer Loans and their Related Security to the LLP in order to ensure that the Portfolio is in compliance with the Asset Coverage Test. The consideration payable to the Seller for the Sale of the Loans and Related Security to the LLP will be a combination of: (i) a cash payment paid by the LLP; and/or (ii) the Seller being treated as having made a Capital Contribution to the LLP (in an amount up to the difference between the True Balance of the Loans sold by the Seller to the LLP as at the relevant Transfer Date and the cash payment (if any) paid by the LLP for such Loans); and (iii) Deferred Consideration.

Alternatively, the Society (in its capacity as Member of the LLP) may make a Cash Capital Contribution to the LLP pursuant to the LLP Deed in order to ensure that the LLP is in compliance with the Asset Coverage Test. If a breach of the Asset Coverage Test occurs which is not cured on the next Calculation Date, an Asset Coverage Test Breach Notice will be served on the LLP, which will result in the consequences set out in "*Summary of Principal Documents – LLP Deed – Asset Coverage Test*". There is no specific recourse by the LLP to the Seller in respect of the failure to sell Loans and their Related Security to the LLP nor is there any specific recourse to the Society if it does not make Cash Capital Contributions to the LLP. In addition, Covered Bondholders should be aware that the FCA may take certain action in relation to the Seller, including prohibiting the Seller from transferring further Loans to the LLP. Any such action may have an adverse effect on the ability of the Issuer and the LLP to meet its obligations under the Covered Bonds and the Covered Bond Guarantee, as applicable.

Amortisation Test: Pursuant to the LLP Deed, the LLP and the Society (in its capacity as a Member of the LLP) must ensure that on each Calculation Date following service of a Notice to Pay on the LLP but prior to the service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, the Amortisation Test Aggregate Loan Amount is in an amount at least equal to the aggregate Sterling Equivalent of the Principal Amount Outstanding under the Covered Bonds. The Amortisation Test is intended to ensure that the assets of the LLP do not fall below a certain threshold and to ensure that the assets of

the LLP are sufficient to meet its obligations under the Covered Bond Guarantee together with senior expenses that rank in priority to or *pari passu* with amounts due on the Covered Bonds.

If the collateral value of the Portfolio has not been maintained in accordance with the terms of the Asset Coverage Test or the Amortisation Test, then that may affect the realisable value of the Portfolio or any part thereof (both before and after the occurrence of an LLP Event of Default) and/or the ability of the LLP to make payments under the Covered Bond Guarantee. However, failure to satisfy the Amortisation Test on any Calculation Date following an Issuer Event of Default will constitute an LLP Event of Default, thereby entitling the Bond Trustee to accelerate the Issuer's obligations under the Covered Bonds against the Issuer (to the extent such obligations had not already been accelerated against the Issuer) and the LLP's obligations under the Covered Bond Guarantee against the LLP subject to and in accordance with the Conditions and the Trust Deed.

Prior to the occurrence of an Issuer Event of Default, the Asset Monitor will, subject to receipt of the relevant information from the Cash Manager, test the calculations performed by the Cash Manager in respect of the Asset Coverage Test once each year on the Calculation Date immediately prior to each anniversary of the Programme Date and more frequently in certain circumstances. Following the occurrence of an Issuer Event of Default, the Asset Monitor will be required to test the calculations performed by the Cash Manager in respect of the Amortisation Test. See further "*Summary of the Principal Documents – Asset Monitor Agreement*".

Neither the Bond Trustee nor the Security Trustee shall be responsible for monitoring compliance with, nor the monitoring of, the Asset Coverage Test or the Amortisation Test or any other test, nor supervising the performance by any other party of its obligations under any Transaction Document.

Sale of Selected Loans and their Related Security following the occurrence of an Issuer Event of Default

If a Notice to Pay is served on the LLP, then the LLP will be obliged to sell Selected Loans and their Related Security (selected on a random basis) in order to make payments to the LLP's creditors including payments under the Covered Bond Guarantee (see "*Summary of the Principal Documents – LLP Deed – Sale of Selected Loans and their Related Security following an Issuer Event of Default*").

There is no guarantee that a buyer will be found to acquire Selected Loans and their Related Security at the times required and there can be no guarantee or assurance as to the price which may be able to be obtained, which may affect payments under the Covered Bond Guarantee. However, the Selected Loans may not be sold by the LLP for less than an amount equal to the Adjusted Required Redemption Amount for the relevant Series of Covered Bonds until six months prior to: (a) the Final Maturity Date in respect of such Covered Bonds; or (b) (if the same is specified as applicable in the relevant Final Terms) the Extended Due for Payment Date under the Covered Bond Guarantee in respect of such Covered Bonds. In the six months prior to, as applicable, the Final Maturity Date or Extended Due for Payment Date, the LLP is obliged to sell the Selected Loans for the best price reasonably available notwithstanding that such price may be less than the Adjusted Required Redemption Amount. If Selected Loans are not sold for an amount equal to or in excess of the Adjusted Required Redemption Amount, the LLP may have insufficient funds available to pay the Covered Bonds.

On the Final Maturity Date of a Series of Covered Bonds or, as applicable, on each Interest Payment Date up to and including the Extended Due for Payment Date, the LLP will apply all proceeds standing to the credit of the Transaction Account or the Stand-by Transaction Accounts (to the extent maintained), or otherwise the GIC Account or Stand-by GIC Account (to the extent maintained) and the LBS Reserve Fund Account to redeem the relevant Series of Covered Bonds.

Such proceeds will include the sale proceeds of Selected Loans (including any excess sale proceeds resulting from the sale of Selected Loans sold in respect of another Series of Covered Bonds) and all principal repayments received on the Loans in the Portfolio generally. This may adversely affect later maturing Series of Covered Bonds if the Selected Loans sold to redeem an earlier maturing Series of Covered Bonds are sold for less than the Adjusted Required Redemption Amount and accordingly the LLP is required to apply other assets in the Portfolio (i.e. Principal Receipts) to redeem that earlier maturing Series of Covered Bonds.

Realisation of Charged Property following the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice and/or following the commencement of winding-up proceedings against the LLP

If an LLP Event of Default occurs and an LLP Acceleration Notice is served on the LLP and/or winding-up proceedings are commenced against the LLP, then the Security Trustee will be entitled to enforce the Security created under and pursuant to the Deed of Charge and the proceeds from the realisation of the Charged Property will be applied by the Security Trustee towards payment of all secured obligations in accordance with the Post-Enforcement Priority of Payments, described in "Cashflows" below.

There is no guarantee that the proceeds of realisation of the Charged Property will be in an amount sufficient to repay all amounts due to the Secured Creditors (including the Covered Bondholders) under the Covered Bonds and the Transaction Documents.

If an LLP Acceleration Notice is served on the LLP then the Covered Bonds may be repaid sooner or later than expected or not at all.

Factors that may affect the realisable value of the Portfolio or any part thereof or the ability of the LLP to make payments under the Covered Bond Guarantee

Following the occurrence of an Issuer Event of Default, the service on the Issuer of an Issuer Acceleration Notice and the service on the LLP of a Notice to Pay, the realisable value of Selected Loans and their Related Security comprised in the Portfolio may be reduced (which may affect the ability of the LLP to make payments under the Covered Bond Guarantee) by:

- representations or warranties not being given by the LLP or (unless otherwise agreed with the Seller) the Seller;
- default by Borrowers of amounts due on their Loans;
- the Loans of New Sellers being included in the Portfolio;
- changes to the Lending Criteria of the Seller;
- the LLP not having legal title to the Loans in the Portfolio;
- risks in relation to some types of Loans which may adversely affect the value of Portfolio or any part thereof;
- limited recourse to the Seller;
- possible regulatory changes by the Office of Fair Trading (the OFT), the FCA, the PRA and other regulatory authorities; and

- regulations in the United Kingdom that could lead to some terms of the Loans being unenforceable.

Each of these factors is considered in more detail below. However, it should be noted that the Asset Coverage Test, the Amortisation Test and the Eligibility Criteria are intended to ensure that there will be an adequate amount of Loans in the Portfolio and monies standing to the credit of the LLP Accounts to enable the LLP to repay the Covered Bonds following an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the LLP and accordingly it is expected (but there is no assurance) that Selected Loans and their Related Security could be realised for sufficient values to enable the LLP to meet its obligations under the Covered Bond Guarantee.

No representations or warranties to be given by the LLP or the Seller if Selected Loans and their Related Security are to be sold

Following the service of an Asset Coverage Test Breach Notice (which has not been revoked) or the service of a Notice to Pay on the LLP (but in each case prior to the service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security), the LLP will be obliged to sell Selected Loans and their Related Security to third party purchasers, subject to a right of pre-emption enjoyed by the Seller pursuant to the terms of the Mortgage Sale Agreement (see "*Summary of the Principal Documents – LLP Deed – Method of Sale of Selected Loans and their Related Security*"). In respect of any sale of Selected Loans and their Related Security to third parties, however, the LLP will not be permitted to give warranties or indemnities in respect of those Selected Loans and their Related Security (unless expressly permitted to do so by the Security Trustee, acting on the instructions of the Bond Trustee, itself acting on advice of a financial or other adviser (selected or approved by it) opining or confirming that the provision of any such warranties and/or indemnities is appropriate in the circumstances and in accordance with market practice and neither the Security Trustee nor the Bond Trustee shall have any liability or be liable to any other person for acting upon such advice, opinion or confirmation). The Security Trustee will not be required to release the Selected Loans from the Security unless the conditions relating to release of the Security as set out in Clause 4 of the Deed of Charge are satisfied). There is no assurance that the Seller would give any representations and warranties in respect of the Selected Loans and their Related Security. Any Representations and Warranties previously given by the Seller in respect of the Loans in the Portfolio may not have value for a third party purchaser if the Seller is then insolvent. Accordingly, there is a risk that the realisable value of the Selected Loans and their Related Security could be adversely affected by the lack of representations and warranties which in turn could adversely affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

Neither the Bond Trustee nor the Security Trustee shall have any responsibility for the adequacy or sufficiency, or any deterioration in the value, of the Portfolio or the Loans and their Related Security comprised in the Portfolio, neither shall the Bond Trustee nor the Security Trustee be obliged to monitor the performance of the Portfolio or the Loans and their Related Security comprised in the Portfolio or be responsible for monitoring whether or not the best price has been achieved for the sale of Loans (including Selected Loans) and their Related Security (and any other related rights under the same) by or on behalf of the LLP or otherwise pursuant to the Transaction Documents or whether or not any such sale has been effected on terms commercially available in the market or effected in a timely manner. Neither the Bond Trustee nor the Security Trustee shall be liable to any Secured Creditor, including the Covered Bondholders, or any other person for any loss occasioned thereby.

Default by Borrowers in paying amounts due on their Loans

Borrowers may default on their obligations due under the Loans. Defaults may occur for a variety of reasons. The Loans are affected by credit, liquidity and interest rate risks. Various factors influence mortgage delinquency rates, prepayment rates, repossession frequency and the ultimate payment of interest and principal. Examples of such factors include changes in the national or international economic climate, regional economic or housing conditions, changes in tax laws, interest rates, inflation, the availability of financing, yields on alternative investments, political developments and government policies. Other factors in Borrowers' individual, personal or financial circumstances may affect the ability of Borrowers to repay the Loans. Loss of earnings, illness, divorce and other similar factors may lead to an increase in delinquencies by and bankruptcies of Borrowers, and could ultimately have an adverse impact on the ability of Borrowers to repay the Loans. In addition, the ability of a Borrower to sell a property given as security for a Loan at a price sufficient to repay the amounts outstanding under that Loan will depend upon a number of factors, including the availability of buyers for that property, the value of that property and property values in general at the time.

The True Balance of any Defaulted Loans in the Portfolio will be given a reduced weighting for the purposes of any calculation of the Asset Coverage Test and the Amortisation Test.

The Loans of New Sellers may be included in the Portfolio

New Sellers which are members of the Leeds Group, may in the future accede to the Programme and sell Loans and their Related Security to the LLP. However, this would only be permitted if the conditions precedent relating to New Sellers acceding to the Transaction (more fully described under "*Summary of the Principal Documents – Mortgage Sale Agreement – New Sellers*", below) are met. Provided that those conditions are met, the consent of the Covered Bondholders to the accession of any New Seller to the Programme will not be obtained.

Any loans originated by a New Seller will have been originated in accordance with the lending criteria of the New Seller, which may differ from the Lending Criteria of Loans originated by the Seller. If the lending criteria differ in a way that affects the creditworthiness of the loans in the Portfolio, that may lead to increased defaults by Borrowers and may affect the realisable value of the Portfolio or any part thereof or the ability of the LLP to make payments under the Covered Bond Guarantee. As noted above, however, Defaulted Loans in the Portfolio will be given a reduced weighting for the purposes of the calculation of the Asset Coverage Test.

Changes to the Lending Criteria of the Seller

Each of the Loans originated by the Seller will have been originated in accordance with its Lending Criteria at the time of origination. It is expected that the Seller's Lending Criteria will generally consider type of property, term of loan, age of applicant, the loan-to-value ratio, status of applicants and credit history. In the event of the sale or transfer of any Loans and Related Security to the LLP, the Seller will warrant only that such Loans and Related Security were originated in accordance with the Seller's Lending Criteria applicable at the time of origination. The Seller retains the right to revise its Lending Criteria from time to time. If the Lending Criteria change in a manner that affects the creditworthiness of the Loans, that may lead to increased defaults by Borrowers and may affect the realisable value of the Portfolio, or part thereof, and the ability of the LLP to make payments under the Covered Bond Guarantee. As noted above, however, Defaulted Loans in the Portfolio will be given a reduced weighting for the purposes of the calculation of the Asset Coverage Test and the Amortisation Test.

The LLP does not have legal title to the Loans in the Portfolio on the relevant Transfer Date

The sale by the Seller to the LLP of English Loans and Northern Irish Loans and their Related Security has taken or will take effect by way of an equitable assignment. The sale by the Seller to the LLP of Scottish Loans and their Related Security has been or will be given effect by way of Scottish Declarations of Trust under which the beneficial interest in the Scottish Loans and their Related Security has been or will be transferred to the LLP. As a result, legal title to all of the English Loans, Northern Irish Loans and Scottish Loans and each of their Related Security will remain with the Seller. The LLP, however, will have the right to demand that the Seller transfers to it legal title to the Loans and the Related Security in the limited circumstances described in "*Summary of the Principal Documents – Mortgage Sale Agreement – Transfer of title to the Loans to the LLP*" and until such right arises the LLP will not give notice of the sale of the English Loans and their Related Security to any Borrower or apply to the Land Registry or the Central Land Charges Registry to register or record its equitable interest in the Loans and their Related Security or take any steps to perfect its title to the Scottish Loans and their Related Security or the Northern Irish Loans and their Related Security.

Since the LLP has not obtained legal title to the Loans or their Related Security and has not protected its interest in the English Loans and their Related Security by registration of a notice at the Land Registry or otherwise perfected its legal title to any of the Loans or their Related Security, the following risks exist:

- *first*, if the Seller wrongly sells a Loan and its Related Security, which has already been sold to the LLP, to another person and that person acted in good faith and did not have notice of the interests of the LLP in the Loan and its Related Security, then such person might obtain good title to the Loan and its Related Security, free from the interests of the LLP. If this occurred then the LLP would not have good title to the affected Loan and its Related Security and it would not be entitled to payments by a Borrower in respect of that Loan. However, the risk of third party claims obtaining priority to the interests of the LLP would be likely to be limited to circumstances arising from a breach by the Seller of its contractual obligations or fraud, negligence or mistake on the part of the Seller or the LLP or their respective personnel or agents;
- *second*, the rights of the LLP may be subject to the rights of the Borrowers against the Seller, such as rights of set-off, which occur in relation to transactions or deposits made between Borrowers and the Seller, and the rights of Borrowers to redeem their mortgages by repaying the Loans directly to the Seller; and
- *third*, unless the LLP has perfected the assignment or assignation (as appropriate) of the Loans and their Related Security (which it is only entitled to do in certain limited circumstances), the LLP would not be able to enforce any Borrower's obligations under a Loan or Mortgage itself but would have to join the Seller as a party to any legal proceedings.

If any of the risks described in the first two bullet points above were to occur then the realisable value of the Portfolio or any part thereof and/or the ability of the LLP to make payments under the Covered Bond Guarantee may be affected.

Once notice has been given to the Borrowers of the assignment or assignation (as appropriate) of the Loans and their Related Security to the LLP, independent set-off rights which a Borrower has against the Seller (such as, for example, set-off rights associated with Borrowers holding deposits with the Seller) will crystallise and further rights of independent set-off would cease to accrue from that date and no new rights of independent set-off could be asserted following that

notice. Set-off rights arising under "transaction set-off" (which are set-off claims arising out of a transaction connected with the Loan) will not be affected by that notice and will continue to exist. In relation to potential transaction set-off in respect of the Loans, see below.

It should be noted however, that the Asset Coverage Test seeks to take account of the potential set-off risk associated with Borrowers holding deposits with the Seller (although there is no assurance that all such risks will be accounted for). Further, for so long as the LLP does not have legal title, the Seller will undertake for the benefit of the LLP and the Secured Creditors that it will lend its name to, and take such other steps as may be reasonably required by the LLP and/or the Security Trustee in relation to, any legal proceedings in respect of the Loans and their Related Security.

Set-off risk may adversely affect the value of the Portfolio or any part thereof

As described above, the sale by the Seller to the LLP of English Loans and Northern Irish Loans has been or will be given effect by an equitable assignment, with each sale of Scottish Loans being given effect by a Scottish Declaration of Trust. As a result, legal title to the English Loans, Northern Irish Loans and Scottish Loans and their Related Security sold by the Seller to the LLP will remain with the Seller. Therefore, the rights of the LLP may be subject to the direct rights of the Borrowers against the Seller, including rights of set-off which occur in relation to transactions or deposits made between the Borrowers and the Seller existing prior to notification to the Borrowers of the assignment or assignation (as appropriate) of the Loans.

The exercise of set-off rights by Borrowers may adversely affect the realisable value of the Portfolio and/or the ability of the LLP to make payments under the Covered Bond Guarantee. The Asset Coverage Test has been structured to mitigate the potential set-off risk (although there is not assurance that such risks will be accounted for).

Limited recourse to the Seller

The LLP, the Bond Trustee and the Security Trustee will not undertake any investigations, searches or other actions on any Loan or its Related Security and will rely instead on the Representations and Warranties given in the Mortgage Sale Agreement by the Seller in respect of the Loans sold by it to the LLP.

If any Loan sold by the Seller does not materially comply with any of the Representations and Warranties made by the Seller as at the Transfer Date of that Loan, then the Seller will be required to notify the LLP and the Security Trustee as soon as reasonably practical after becoming aware of the fact and upon receipt of a request to do the same from the LLP, remedy the breach within 28 Business Days of receipt by it of the request.

If the Seller fails to remedy the breach of a Representation and Warranty within 28 Business Days, then the Seller will be required (but only prior to the occurrence of an Issuer Event of Default and after the service of a Loan Repurchase Notice) to repurchase on or before the next following LLP Payment Date (or such other date that may be agreed between the LLP and the Seller) the relevant Loan and its Related Security and any other Loans of the relevant Borrower that are included in the Portfolio, at their True Balance as of the date of repurchase.

There can be no assurance that the Seller, in the future, will have the financial resources to repurchase a Loan or Loans and its or their Related Security. However, if the Seller does not repurchase those Loans and their Related Security which are in breach of the Representations and Warranties then the True Balance of those Loans will be excluded from the calculation of the Asset Coverage Test. There is no further recourse to the Seller or the Issuer in respect of a breach of a Representation or Warranty.

Regulatory changes by the Financial Conduct Authority, the Office of Fair Trading and any other regulatory authorities

FSMA

Residential mortgage lending in the United Kingdom became a regulated activity under the FSMA on 31 October 2004, the date known as **N(M)**.

Certain provisions of the FSMA apply to a **Regulated Mortgage Contract**. A mortgage loan contract is a Regulated Mortgage Contract under the FSMA if it is entered into on or after N(M) or originated prior to N(M) but varied on or after N(M), such that a new contract is entered into and if, at the time it is entered into: (i) the borrower is an individual or trustee, (ii) the contract provides for the obligation of the borrower to repay to be secured by, in England and Wales, a first ranking legal mortgage or, in Scotland, a first ranking standard security or, in Northern Ireland, a first ranking legal charge or a first ranking legal mortgage, on land (other than timeshare accommodation) in the UK; and (iii) at least 40 per cent. of that land is used, or is intended to be used, as or in connection with a dwelling by the borrower or (in the case of credit provided to trustees) by an individual who is a beneficiary of the trust, or by a "related person" (broadly, the person's spouse, near relative or a person with whom the borrower has a relationship which is characteristic of a spouse).

On and from N(M), subject to any exemption, persons carrying on any specified regulated mortgage-related activities by way of business must be authorised under the FSMA. The specified activities currently are:

- (a) entering into a Regulated Mortgage Contract as lender;
- (b) administering a Regulated Mortgage Contract ("administering" in this context broadly means notifying borrowers of changes in mortgage payments and/or collecting payments due under the mortgage loan);
- (c) advising on Regulated Mortgage Contracts; and
- (d) arranging Regulated Mortgage Contracts.

Agreeing to carry on any of these activities is also a regulated activity. If requirements as to authorisation of lenders and brokers are not complied with, a Regulated Mortgage Contract will be unenforceable against the borrower except with the approval of a court and the unauthorised person may commit a criminal offence. An unauthorised person who carries on the regulated mortgage activity of administering a Regulated Mortgage Contract that has been validly entered into may commit an offence, although this will not render the contract unenforceable against the borrower.

The regime under the FSMA regulating financial promotions covers the content and manner of promotion of agreements relating to qualifying credit and by whom such promotions can be issued or approved. In this respect, the FSMA regime not only covers financial promotions of Regulated Mortgage Contracts but also promotions of certain other types of secured credit agreements under which the lender is a person (such as the Seller) who carries on the regulated activity of entering into a Regulated Mortgage Contract. Failure to comply with the financial promotions regime (as regards by whom promotions can be issued or approved) is a criminal offence and will render the Regulated Mortgage Contract or other secured credit agreement in question unenforceable against the borrower except with the approval of a court.

Any credit agreement intended to be a Regulated Mortgage Contract under the FSMA might instead be wholly or partly regulated by the Consumer Credit Act 1974 (the **CCA**) or treated as such,

or unregulated, and any credit agreement intended to be regulated by the CCA or treated as such, or unregulated, might instead be a Regulated Mortgage Contract under the FSMA, because of technical rules on: (a) determining whether the credit agreement or any part of it falls within the definition of a Regulated Mortgage Contract and (b) changes to credit agreements.

The Seller is required to hold, and holds, authorisation and permission to enter into and to administer and, where applicable, to advise on Regulated Mortgage Contracts. Subject to any exemption, brokers will be required to hold authorisation and permission under the FSMA to arrange and, where applicable, to advise on Regulated Mortgage Contracts.

The LLP is not, nor proposes to become, an authorised person under the FSMA. The LLP does not carry on the regulated activity of administering (servicing) mortgage contracts, because the Loans are serviced pursuant to the Servicing Deed by the Servicer, which has the required authorisation and permission under the FSMA. If the Servicing Deed terminates, however, the LLP will have a period of not more than one month in which to arrange for mortgage servicing to be carried out by a replacement servicer having the required authorisation and permission under the FSMA. In addition, no variation is permitted to be made to the Loans and no further advance or product switch is permitted to be made in relation to a Loan where it would result in the LLP arranging or advising in respect of, administering (servicing) or entering into a Regulated Mortgage Contract or agreeing to carry on any of these activities, if the LLP would be required to be authorised under the FSMA to do so.

The Mortgages and Home Finance: Conduct of Business sourcebook (**MCOB**), which sets out rules under the FSMA for regulated mortgage activities, came into force on 31 October 2004. These rules cover, among other things, certain pre-origination matters such as financial promotion and pre-application illustrations, pre-contract and start-of-contract and post-contract disclosure, contract changes, charges and arrears and repossessions. Rules for prudential and authorisation requirements for mortgage firms, and for extending the appointed representatives regime to mortgages, came into force on 31 October 2004.

A borrower who is a private person may be entitled to claim damages for loss suffered as a result of any contravention by an authorised person of a rule under the FSMA (such as the rules in MCOB), or may set off the amount of the claim against the amount owing by the borrower under the loan or any other loan that the borrower has taken with that authorised person. Any such claim or set-off in relation to a Loan in the Portfolio may adversely affect the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

So as to avoid dual regulation, it is intended that Regulated Mortgage Contracts under the FSMA are not regulated by the CCA, and relevant regulations made in 2005 and 2008 under the FSMA are designed to clarify the position in this regard. This exemption only affects credit agreements made on or after N(M), and credit agreements made before N(M) but subsequently changed such that a new contract is entered into on or after N(M) and constitutes a separate Regulated Mortgage Contract. A court order under section 126 of the CCA is, however, necessary to enforce a land mortgage (including, in Scotland, a standard security) securing a Regulated Mortgage Contract to the extent that the credit agreement would, apart from the exemption referred to above, be regulated by the CCA or treated as such.

As some of the Loans to be included in the Portfolio were offered on or after N(M) and fall within the definition of "regulated mortgage contract", the FSMA regime as set out above is intended to apply to such Loans. Also, although other Loans to be included in the Portfolio were offered prior to N(M), as subsequent Further Advances and Product Switches relating to such Loans were documented as variations to the existing agreements, it is possible that a court could hold that such variations create a Regulated Mortgage Contract. The Seller has given or, as applicable, will give

warranties to the LLP and the Security Trustee in the Mortgage Sale Agreement that, among other things, each Loan and its Related Security is enforceable (subject to exceptions). If a Loan or its Related Security does not comply with these warranties, and if the default cannot be remedied, the Seller will be required to repurchase or procure the repurchase of such Loan and its Related Security from the LLP.

Prior to N(M), in the UK, self-regulation of mortgage business existed under the Mortgage Code (the **Mortgage Code**) issued by the Council of Mortgage Lenders (the **CML**). The Seller subscribed to the Mortgage Code. Membership of the CML and compliance with the Mortgage Code were voluntary. The Mortgage Code set out minimum standards of good mortgage business practice, from marketing to lending procedures and dealing with borrowers experiencing financial difficulties. Since 30 April 1998, lender-subscribers to the Mortgage Code could not accept mortgage business introduced by intermediaries who were not registered with (before 1 November 2000) the Mortgage Code Register of Intermediaries or (on and after 1 November 2000 until 31 October 2004) the Mortgage Code Compliance Board. Complaints relating to breach of the Mortgage Code were dealt with by the relevant scheme, such as the Banking Ombudsman Scheme or the Mortgage Code Arbitration Scheme. The Mortgage Code ceased to have effect on 31 October 2004 when the FSA assumed responsibility for the regulation of Regulated Mortgage Contracts.

The FCA has the power to render unenforceable contracts made in contravention of its temporary product intervention rules. The FSMA permits the FCA to make temporary product intervention rules prohibiting authorised persons from taking a number of actions, including entering into specified contracts with any person or with a specified person. The temporary product intervention rules are intended to offer protection to consumers in the short term whilst either the FCA or the industry develop more permanent solutions and, in any event, are limited to a maximum duration of 12 months. In relation to agreements entered into in breach of temporary product intervention rules, the FCA's rules may provide: (i) for the relevant agreement or obligation to be unenforceable; (ii) for the recovery of any money or other property paid or transferred under the agreement; or (iii) provide for the payment of compensation for any loss sustained under the relevant agreement or obligation. In March 2013 the FSA published a policy statement "The FCA's use of temporary product intervention rules" following a consultation addressing when and how the FCA will consider making temporary product intervention rules. The FCA will consider making temporary product intervention rules where it identifies a risk of consumer detriment arising from a product or practice and will make the rules if it deems prompt action is necessary to reduce or prevent that detriment. In particular, the FCA will consider factors such as the potential scale of detriment in the market and potential scale of detriment to individual customers. Whether particular groups of customers (especially vulnerable customer groups) are more likely to suffer detriment and whether the use of temporary product intervention rules will have any unintended consequences.

In June 2010, as part of this review, the FSA made changes to MCOB which effectively convert previous guidance on the policies and procedures to be applied by authorised firms (such as the Seller) with respect to forbearance in the context of Regulated Mortgage Contracts into formal mandatory rules. Under these rules, a firm is restricted from repossessing a property unless all other reasonable attempts to resolve the position have failed and, in complying with such restriction, a firm is required to consider whether, given the borrower's circumstances, it is appropriate to take certain actions. Such actions refer to (amongst other things) the extension of the term of the mortgage, product type changes and deferral of interest payments. While the FSA indicated at the time that it did not expect each forbearance option referred to in the new rules to be explored at every stage of interaction with the borrower, it is clear that the new rules impose mandatory obligations on firms without regard to any relevant contractual obligations or restrictions. As a result, these rules may operate in certain circumstances to require the Servicer to take certain forbearance-related actions which do not comply with the Transaction Documents (and, in particular, the asset servicing arrangements contemplated by such documents) in respect of one or more Loans. No assurance can

be made that any such actions will not reduce the amounts available to meet the payments due in respect of the Covered Bonds, although the impact of this will depend on the number of Loans which involve a Borrower who experiences payment difficulties.

Distance Marketing

The Financial Services (Distance Marketing) Regulations 2004 apply to, *inter alia*, credit agreements entered into on or after 31 October 2004 by means of distance communication (i.e. without any substantive simultaneous physical presence of the originator and the borrower). A Regulated Mortgage Contract under the FSMA, if originated by a UK lender from an establishment in the UK, will not be cancellable under these regulations but will be subject to related pre-contract disclosure requirements in MCOB. Certain other credit agreements will be cancellable under these regulations if the borrower does not receive the prescribed information at the prescribed time or, in any event, for certain unsecured lending. Where the credit agreement is cancellable under these regulations, the borrower may send notice of cancellation at any time before the end of the 14th day after the day on which the cancellable agreement is made, where all the prescribed information has been received or, if later, the borrower receives the last of the prescribed information.

If the borrower cancels a credit agreement under these regulations, then:

- (a) the borrower is liable to repay the principal and any other sums paid by the originator to the borrower under or in relation to the cancelled agreement, within 30 days beginning with the day of the borrower sending the notice of cancellation or, if later, the originator receiving notice of cancellation;
- (b) the borrower is liable to pay interest, or any early repayment charge or other charge for credit under the cancelled agreement, only if the borrower received certain prescribed information at the prescribed time and if other conditions are met; and
- (c) any security is treated as never having had effect for the cancelled agreement.

If a significant portion of the Loans are characterised as being cancellable under these regulations, then there could be an adverse effect on the Issuer's ability to make payments to Covered Bondholders.

Financial Ombudsman Service

Under the FSMA, the Financial Ombudsman Service (the **Ombudsman**) is required to make decisions on, among other things, complaints relating to activities and transactions under its jurisdiction on the basis of what, in the Ombudsman's opinion, would be fair and reasonable in all circumstances of the case, taking into account, among other things, law and guidance. Transitional provisions exist by which certain complaints relating to breach of the Mortgage Code, the "CML Code" issued by the Council of Mortgage Lenders, occurring before the Mortgage Regulation Date (N(M)) may be dealt with by the Ombudsman.

Complaints brought before the Ombudsman for consideration must be decided on a case-by-case basis, with reference to the particular facts of any individual case. Each case would first be adjudicated by an adjudicator. Either party to the case may appeal against the adjudication. In the event of an appeal, the case proceeds to a final decision by the Ombudsman. As the Ombudsman is required to make decisions on the basis of, among other things, the principles of fairness, and may order a money award to a complaining borrower, it is not possible to predict how any future decision of the Ombudsman would affect the ability of the LLP to make payments of amounts due to Covered Bondholders.

Financial Conduct Authority and Other Regulatory Authorities

In the United Kingdom, the Office of Fair Trade (**OFT**) was prior to 1 April 2014, responsible for the issue of licences under, and the superintendence of the working and enforcement of, the CCA, related consumer credit regulations and other consumer protection legislation. Beginning 1 April 2014, the FCA is the regulator for credit agreements regulated by the CCA, which authorises firms, and issues permissions, rules and guidance on conduct of business under the FSMA. The FCA is also the regulator for regulated mortgage contracts under the FSMA.

A credit agreement is regulated by the CCA where: (a) the borrower is or includes an "individual" as defined in the CCA, (b) if the credit agreement was made before the financial limit was removed (as described below), the amount of "credit" as defined in the CCA does not exceed the financial limit, which is £25,000 for credit agreements made on or after 1 May 1998, or lower amounts for credit agreements made before that date, and (c) the credit agreement is not an exempt agreement under the CCA.

Any credit agreement intended to be a Regulated Mortgage Contract under the FSMA, or unregulated, might instead be wholly or partly regulated by the CCA or be treated as such, and any credit agreement intended to be regulated by the CCA or treated as such, or unregulated, might instead be a Regulated Mortgage Contract under the FSMA because of technical rules on:

- (a) determining whether any credit under the CCA arises, or whether any applicable financial limit of the CCA is exceeded;
- (b) determining whether the credit agreement is an exempt agreement under the CCA (for example, certain types of credit agreement to finance the purchase of, or alteration to, homes or business premises, or Regulated Mortgage Contracts under the FSMA); or
- (c) changes to credit agreements.

Any credit agreement that is wholly or partly regulated by the CCA or treated as such must comply with requirements under the CCA as to licensing or authorisation of lenders and brokers, documentation and origination procedures of credit agreements, and (in so far as applicable) pre-contract disclosure. If it does not comply with those requirements, then to the extent that the credit agreement is regulated by the CCA or treated as such, it is unenforceable against the borrower: (a) without an order of the FCA or the courts, if requirements as to licensing or authorisation of lenders and brokers are not met at the relevant time; (b) totally, for agreements entered into before 6 April 2007, if the form to be signed by the borrower was not signed by the borrower personally or omits or mis-states a "prescribed term" or (c) without a court order in other cases and, in exercising its discretion whether to make the order, the court would take into account any prejudice suffered by the borrower and any culpability of the lender.

A court order under section 126 of the CCA is necessary to enforce a land mortgage (including, in Scotland, a standard security) securing a credit agreement to the extent that the credit agreement is regulated by the CCA or treated as such. In dealing with such application, the court has the power, if it appears just to do so, to amend the credit agreement or to impose conditions upon its performance or to make a time order (for example, giving extra time for arrears to be cleared).

Under sections 75 and 75A of the CCA, in certain circumstances the lender is liable to the borrower in relation to misrepresentation and breach of contract by a supplier in a transaction financed by a credit agreement that is wholly or partly regulated by the CCA or treated as such. The borrower may set off the amount of the claim against the amount owing by the borrower under the loan or under any other loan that the borrower has taken. Any such set-off in relation to a Loan in the

Portfolio may adversely affect the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee. In addition, a borrower who is a private person may be entitled to claim damages for loss suffered as a result of any contravention by an authorised person of a rule under the FSMA. From 1 April 2014 such rules include rules in the FCAs Consumer Credit Sourcebook (**CONC**).

Consumer Credit Act 2006

The Consumer Credit Act 2006 (the **CCA 2006**), which amends and updates the CCA, was enacted on 30 March 2006 and was fully implemented by 31 October 2008. The CCA 2006 updates and amends the CCA as follows.

The "extortionate credit" regime is replaced by an "unfair relationship" test. The "unfair relationship" test applies to all existing and new credit agreements, except Regulated Mortgage Contracts under the FSMA. If the court makes a determination that the relationship between the lender and the borrower is unfair, then it may make an order, among other things, requiring a lender such as the Seller, or any assignee, such as the LLP, to repay amounts received from such borrower. In applying the "unfair relationship" test, the courts are able to consider a wider range of circumstances surrounding the transaction, including the creditor's conduct before and after making the agreement. There is no statutory definition of the word "unfair", as the intention is for the test to be flexible and subject to judicial discretion. However, the word "unfair" is not an unfamiliar term in UK legislation, due to the Unfair Contract Terms Act 1977, the Unfair Terms in Consumer Contracts Regulations 1994 and the Unfair Terms in Consumer Contracts Regulations 1999. The courts may, but are not obliged to, look solely to the CCA 2006 for guidance. The principle of "treating consumers fairly" under the FSMA, and guidance published by the FSA (and, as of 1 April 2013, as published by the FCA and PRA) on that principle and by the FCA (and, prior to 1 April 2014) the OFT on the unfair relationship test may also be relevant. Once the borrower alleges that an unfair relationship exists, the burden of proof is on the creditor to prove the contrary. Recent cases concerning the scope of the unfair relationship test have generally adopted an interpretation which is favourable to borrowers.

An alternative dispute resolution scheme for consumer credit matters is run by the Financial Ombudsman (as described above "*Financial Ombudsman Service*") and was established on 6 April 2007.

The financial limit of £25,000 for CCA regulation has been removed for credit agreements made on or after 6 April 2008, except for (a) certain changes to credit agreements, and (b) buy-to-let loans made before 31 October 2008. Buy-to-let loans made on or after 31 October 2008 are, irrespective of amount, exempt agreements under the CCA. Regulations define buy-to-let loans for these purposes as being credit agreements secured on land where less than 40 per cent. of the floor area of the secured property is used, or is intended to be used, as or in connection with a dwelling by the borrower or by a connected person. A court order under section 126 of the CCA is, however, necessary to enforce a land mortgage (including, in Scotland, a standard security) securing a buy-to-let loan to the extent that the loan would, apart from this exemption, be regulated by the CCA or treated as such.

To the extent that the credit agreement is regulated by the CCA or treated as such, it is unenforceable for any period when the lender fails to comply with requirements as to default notices. From 1 October 2008 (a) the credit agreement is also unenforceable for any period when the lender fails to comply with further requirements as to annual statements and arrears notices, (b) the borrower is not liable to pay interest or, in certain cases, default fees for any period in which the lender fails to comply with further requirements as to post-contractual disclosure and (c) interest upon default fees is restricted to nil until the 29th day after the day on which a prescribed notice is given and then to simple interest (i.e. interest may only be calculated on the principal amount of the

default sum). Early repayment charges are restricted by a formula under the CCA, which applies to the extent that the credit agreement is regulated by the CCA or treated as such. A more restrictive formula applies generally to all such credit agreements made on or after 11 June 2010.

These changes to the CCA may adversely affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

The Seller has interpreted certain technical rules under the CCA in a way common with many other lenders in the mortgage market. If such interpretation were held to be incorrect by a court or the Financial Ombudsman Service, then a Loan, to the extent that it is regulated by the CCA or treated as such, would be unenforceable as described above. If such interpretation were challenged by a significant number of Borrowers, then this could lead to significant disruption and shortfall in the income of the LLP. Court decisions have been made on technical rules under the CCA against certain mortgage lenders, but such decisions are very few and are generally county court decisions which are not binding on other courts.

The Seller has given or, as applicable, will give warranties to the LLP and the Security Trustee in the Mortgage Sale Agreement that, among other things, each Loan and its Related Security is enforceable (subject to exceptions). If a Loan or its Related Security does not comply with these warranties, and if the default cannot be remedied, then the Seller will be required to repurchase or procure the repurchase of such Loan and its Related Security from the LLP.

EU directive on credit agreements relating to residential property

On 31 March 2011, the European Commission published a proposal for a directive on credit agreements relating to residential immovable property for consumers, which was adopted by the Council of the European Union on 28 January 2014 and was published in the Official Journal of the European Union on 28 February 2014 (Directive 2014/17/EU) (the **Mortgage Directive**). It entered into force twenty days after such publication and the EU member states (**Member States**) are required to implement the Mortgage Directive into national law within two years after coming into force.

The Mortgage Directive applies to: (a) credit agreements secured by a mortgage or comparable security commonly used in a Member State on residential immovable property, or secured by a right relating to residential immovable property and (b) credit agreements the purpose of which is to purchase or retain rights in land or in an existing or proposed residential building and also extends the Consumer Credit Directive (2008/48/EC) to unsecured credit agreements the purpose of which is to renovate residential immovable property involving a maximum total amount of credit of EUR 75,000 (the **Consumer Credit Directive**). The Mortgage Directive does not apply to certain equity release credit agreements to be repaid from the sale proceeds of an immovable property, or to certain credit granted by an employer to its employees.

The Mortgage Directive requires (among other things): standard information in advertising; standard pre-contractual information; adequate explanations to the borrower on the proposed credit agreement and any ancillary service; calculation of the annual percentage rate of charge in accordance with a prescribed formula; assessment of creditworthiness of the borrower; and a right of the borrower to make early repayment of the credit agreement. The Mortgage Directive also imposes prudential and supervisory requirements for credit intermediaries and non-bank lenders.

Until the directive is implemented into UK law, it is not possible to tell what effect it would have on the Loans, the Seller, the LLP, the Issuer and/or the Servicer and their respective businesses and operations.

Unfair Terms in Consumer Contracts Regulations 1994 and 1999

In the United Kingdom, the Unfair Terms in Consumer Contracts Regulations 1999 as amended (the **1999 Regulations**), together with (in so far as applicable) the Unfair Terms in Consumer Contracts Regulations 1994 (together with the 1999 Regulations, the **UTCCR**), apply to agreements made on or after 1 July 1995 and affect all or almost all of the Loans and the Competition and Markets Authority (the **CMA**) and any "qualifying body" within the UTCCR (such as the FCA) may seek to enjoin a business from relying on unfair terms

The UTCCR provide that a consumer may challenge a standard term in an agreement on the basis that it is "unfair" within the UTCCR and therefore not binding on the consumer (although the rest of the agreement will remain enforceable if it is capable of continuing in existence without the unfair term).

The UTCCR will not affect terms which define the main subject matter of the contract, such as the borrower's obligation to repay the principal, or price terms, provided that these terms are written in plain and intelligible language and are drawn adequately to the consumer's attention. The UTCCR may affect terms that are not considered to be terms which define the main subject matter of the contract or price terms, such as the lender's power to vary the interest rate, and certain terms imposing early repayment charges and mortgage exit administration fees. For example, if a term permitting the lender to vary the interest rate (as the Seller is permitted to do) is found to be unfair, the borrower will not be liable to pay interest at the increased rate or, to the extent that the borrower has paid it, will be able, as against the lender, or any assignee such as the LLP, to claim repayment of the extra interest amounts paid or to set off the amount of the claim against the amount owing by the borrower under the loan or any other loan agreement that the borrower has taken with the lender. Any such claim or set-off in relation to a Loan in the Portfolio may adversely affect the realisable value of the Loans in the Portfolio and accordingly the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

The lead enforcement body for the UTCCR was the OFT before 1 April 2014, and is the CMA from 1 April 2014. The qualifying body in relation to Regulated Mortgage Contracts and mortgage loans originated by lenders authorised under the FSMA was the FSA before 1 April 2013 and is the FCA from 1 April 2013. The lead enforcement body, the CMA, was and is responsible for enforcing the UTCCR in relation to other mortgage contracts.

In February 2000, the OFT issued a guidance note on what the OFT considers to be fair terms and unfair terms for interest variation in mortgage contracts. Where the interest variation term does not provide for precise and immediate tracking of an external rate outside the lender's control, and if the borrower is locked in, for example by an early repayment charge that is considered to be a penalty, the term is likely to be regarded as unfair under the UTCCR unless the lender: (a) notifies the affected borrower in writing at least 30 days before the rate change; and (b) permits the affected borrower to repay the whole loan during the next three months after the rate change, without paying the early repayment charge. The Seller has reviewed the guidance note and has concluded that its compliance with it will have no material adverse effect on the Loans or its business. The guidance note has been withdrawn from the OFT website, but may remain a factor that the FCA and the CMA may take into account.

In May 2005, the FSA issued a statement of good practice on fairness of terms in consumer contracts. This statement provides that, for locked-in borrowers, (i.e. where the borrower is required to give advance notice, to pay a cost or to give up a benefit in order to withdraw from the contract) a lender may consider drafting the contract to permit a change in the contract to be made only where any lock-in clause is not exercised. In the context of the OFT's investigation into credit card default fees, the OFT in April 2006 issued a statement of its view of the principles that credit card issuers should follow in setting default fees, and that the principles are likely to apply to analogous default

fees in other contracts such as mortgages. The principles are in essence that terms imposing default fees should not have the object of raising more in revenue than is reasonably expected to be necessary to recover certain limited administrative costs incurred as a result of a borrower's default.

In January 2007, the FSA issued a statement of good practice on mortgage exit administration fees. This statement provides that the lender should ensure that the fee represents in fact the cost of the administration services that the lender provides when a borrower exits the mortgage. The FSA issued a follow-up communication in November 2007 emphasising that this statement should not be interpreted narrowly and, where appropriate, firms should consider applying its principles to other charges.

MCOB requires that, for Regulated Mortgage Contracts: (a) arrears charges represent a reasonable estimate of the cost of the additional administration required as a result of the borrower being in arrears, and (b) from 25 June 2010, the borrower's payments are allocated first towards paying off the balance of any payment shortfall, excluding any interest or charges on that balance. In October 2010, the FSA issued a statement that in its view, early repayment charges are likely to amount to the price paid by the borrower in exchange for services provided and may not be reviewable for fairness under the UTCCR, provided that they are written in plain and intelligible language and are adequately drawn to the borrower's attention. In January 2012, the FSA issued a further statement intended to raise awareness of issues that it commonly identifies under the UTCCR.

In March 2013, the Law Commission and the Scottish Law Commission published advice to the UK Government on reforming the law on unfair contract terms. The Commissions recommended, among other things, that a term that defines the main subject matter of the contract, or a price term, should only be exempt from being reviewed as to its fairness if the term is transparent and prominent. The Commissions also recommend that the UTCCR should expressly provide that, in proceedings brought by individual consumers, the court is required to consider the fairness of a term, even if the consumer has not raised the issue of unfairness, where the court has available to it the legal and factual elements necessary for that task. Such reforms could be included in the Consumer Rights Bill introduced into Parliament in January 2014.

Whilst the CMA and FCA have powers to enforce the UTCCR, it would be for a court to determine their proper interpretation. The extremely broad and general wording of the UTCCR makes any assessment of the fairness of terms largely subjective and makes it difficult to predict whether or not a term would be held by a court to be unfair. It is therefore possible that any Loans which have been made or may be made to Borrowers covered by the UTCCR may contain unfair terms which may result in the possible unenforceability of the terms of the underlying loans.

The guidance issued by the FCA (and in the past, the FSA and the OFT) has changed over time and it is possible that it may change in the future. No assurance can be given that any such changes in the UTCCR, or reform of the UTCCR, if enacted, or changes to guidance on interest variation terms, if adopted, will not have a material adverse effect on the Loans, the Seller, the LLP, the Issuer and/or the Servicer and their respective businesses and operations. This may adversely affect the ability of the LLP to dispose of the Portfolio, or any part thereof, in a timely manner or the realisable value of the Portfolio, or any part thereof, and accordingly affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee.

Unfair Commercial Practices Directive 2005

On 11 May 2005, the European Parliament and Council adopted Directive (2005/29/EC) regarding unfair business-to-consumer commercial practices (the **Unfair Practices Directive**). Generally, this directive applies full harmonisation, which means that Member States may not impose more stringent provisions in the fields to which full harmonisation applies. By way of

exception, this directive permits Member States to impose more stringent provisions in the fields of financial services and immovable property, such as mortgage loans.

The Unfair Practices Directive provides that enforcement bodies may take administrative action or legal proceedings against a commercial practice on the basis that it is "unfair" within this directive. This Directive is intended to protect only collective interests of consumers, and so is not intended to give any claim, defence or right of set-off to an individual consumer.

The Unfair Practices Directive is implemented into United Kingdom law by the Consumer Protection from Unfair Trading Regulations 2008 (the **CPUTR**), which came into force on 26 May 2008. The CPUTR prohibit certain practices which are deemed "unfair" within the terms of the CPUTR. Breach of the CPUTR does not (of itself) render an agreement void or unenforceable, but the possible liabilities for misrepresentation or breach of contract in relation to the underlying credit agreements may result in irrecoverable losses on amounts to which such agreements apply and the Competition and Markets Authority (the CMA) and any "qualifying body" within the UTCCR (such as the FCA) may seek to enjoin a business from relying on unfair terms. Breach of certain CPUTR provisions is a criminal offence. The Consumer Protection (Amendment) Regulations 2014 (SI No.870/2014) were laid before Parliament on 1 April 2014 and came into force on 1 October 2014. These amendments to the CPUTR give consumers a right to redress for prohibited practices, including a right to unwind agreements.

In addition, the FCA (and, prior to 1 April 2013, the FSA) has taken and takes the Directive into account in reviewing the relevant rules under the FSMA. For example, the MCOB, for Regulated Mortgage Contracts from 25 June 2010 (formerly these were matters of non-binding guidance) prevents the lender from: (a) repossessing the mortgaged property unless all other reasonable attempts to resolve the position have failed, which include considering whether it is appropriate to offer an extension of term, or conversion to interest-only for a period, or a product switch, and (b) automatically capitalising a payment shortfall.

The Unfair Practices Directive provides for a transitional period until 12 June 2013 for applying full harmonisation in the fields to which it relates. In March 2013, the European Commission published a report on the application of the Unfair Practices Directive which indicated (among other things) that there is no case for further harmonisation in the fields of financial services and immovable property. No assurance can be given that the United Kingdom implementation of the Unfair Practices Directive and any further full harmonisation will not have a material adverse effect on the Loans or on the manner in which they are serviced and accordingly on the ability of the LLP to make payments to Covered Bondholders.

Mortgage Repossession

A protocol for mortgage repossession cases in England and Wales (the **Pre-Action Protocol**) came into force on 19 November 2008, and a revised protocol for mortgage repossession cases in Northern Ireland came into force on 5 September 2011. Both protocols set out the steps that judges will expect any lender to take before starting a claim. A number of mortgage lenders have confirmed that they will delay the initiation of repossession action for at least three months after a borrower who is an owner-occupier is in arrears. The application of such moratorium is subject to the wishes of the borrower and may not apply in cases of fraud.

The MCOB from 25 June 2010 (formerly these were matters of non-binding guidance) prevents, in relation to Regulated Mortgage Contracts: (a) repossessing the property unless all other reasonable attempts to resolve the position have failed, which include considering whether it is appropriate to offer an extension of term or a product switch and (b) automatically capitalising a payment shortfall.

There can be no assurance that any delay in starting and/or completing repossession actions by the Seller would not result in the amounts recovered being less than if the Seller did not allow any such delays (which may ultimately affect the ability of the LLP to make payments of interest and principal on the Covered Bonds when the same are Due for Payment). The protocol and MCOB requirements for mortgage possession cases may have adverse effects in markets experiencing above average levels of possession claims. Delays in the initiation of responsive action in respect of the Loans may result in lower recoveries and a lower repayment rate on the Covered Bonds.

The Mortgage Repossession (Protection of Tenants etc) Act 2010 and the Home Owner and Debtor Protection (Scotland) Act 2010

The Mortgage Repossessions (Protection of Tenants etc.) Act 2010 came into force on 1 October 2010. This Act gives courts in England and Wales the same power to postpone and suspend repossession for up to two months on application by an unauthorised tenant (i.e. a tenant in possession without the lender's consent) as generally exists on application by an authorised tenant. The lender has to serve notice at the property before enforcing a possession order.

The Home Owner and Debtor Protection (Scotland) Act 2010 came into force on 30 September 2010 and imposes additional requirements on heritable creditors (the Scottish equivalent of a mortgagee) in relation to the enforcement of standard securities over residential property in Scotland. Under Part I of the Act the heritable creditor (which may be the Seller or, in the event of it taking legal title to the Scottish Loans and their Related Security, the LLP) has to obtain a court order to exercise its power of sale (in addition to initiating the enforcement process by the service of a two-month "calling up" notice), unless the borrower and any other occupiers have surrendered the property voluntarily. In applying for the court order, the heritable creditor has also to demonstrate that it has taken various preliminary steps to attempt to resolve the borrower's position and to comply with further procedural requirements.

The Pre-action Protocol and these Acts may have adverse effects in markets experiencing above average levels of possession claims. Delays in the initiation of responsive action in respect of the Loans may result in lower recoveries and may affect the ability of the LLP to make payments under the Covered Bond Guarantee.

UK proposals for changes to mortgage regulation and to the regulatory framework

In January 2011, HM Treasury announced proposals to enhance consumer protection in the mortgage market. Forthcoming legislation is expected to provide for consumer protection when a mortgage book is sold by a regulated mortgage lender to an unregulated entity. In this regard, it is proposed that the definition of the regulated activity of administering a Regulated Mortgage Contract will be expanded so that any entity which exercises specified rights in relation to a Regulated Mortgage Contract, such as changing interest rates or taking action to repossess a property against a borrower, will be required to be authorised and regulated under the FSMA.

In December 2011, the FSA published a consultation paper that consolidates proposals arising out of its wide-ranging mortgage market review, which was launched in October 2009 to consider strengthening rules and guidance on, *inter alia*, affordability assessments, product regulation, arrears charges and responsible lending. The FSA's aim was to ensure the continued provision of mortgage credit for the majority of borrowers who can afford the financial commitment of a mortgage, while preventing a re-emergence of poor lending practices as the supply of mortgage credit in the market recovers. In October 2012, the FSA published a feedback statement and final rules that generally came into force on 26 April 2014 with transitional arrangements where, among other things, the borrower does not take on additional borrowing. The mortgage market review introduced rules that require relevant institutions, with effect from 26 April 2014, to obtain evidence (with permitted exceptions) that a borrower will have in place a clearly understood and credible

payment strategy and that the payment strategy has the potential to repay the principal at the end of the term of an interest-only loan.

In December 2012, the Financial Services Act 2012 received royal assent. This Act contains provisions which (among other things) on 1 April 2013 replaced the FSA with the Prudential Regulation Authority (the **PRA**), which is responsible for micro-prudential regulation of financial institutions that manage significant risks on their balance sheets, and the FCA, which is responsible for conduct of business. This Act also contains provisions enabling the transfer of consumer credit regulation (which includes new and existing second charge residential mortgages) from the OFT to the FCA. The relevant secondary legislation was enacted in 2013 and 2014 and the transfer was effected on 1 April 2014.

Under the Financial Services Act 2012 the FCA may make rules, under which, from dates to be specified: (a) carrying on certain credit-related regulated activities (including in relation to servicing) otherwise than in accordance with permission from the FCA will render the credit agreement unenforceable without FCA approval; and (b) the FCA will have power to render unenforceable contracts made in contravention of its rules on cost and duration of credit agreements or in contravention of its product intervention rules. This Act also provides for formalised cooperation to exist between the FCA and the Ombudsman (as described above), particularly where issues identified potentially have wider implications, with a view to the FCA requiring affected firms to operate consumer redress schemes.

Any further changes to MCOB arising from the FCA's mortgage market review, or to MCOB or the FSMA arising from (i) HM Treasury's proposals to change mortgage regulation or changes in the regulatory framework or (ii) any future review carried out by the FCA, may adversely affect the Loans, the Sellers, the LLP, the Issuer and/or the Servicer and their respective businesses and operations.

General

No assurance can be given that additional regulations or guidance from the FCA, the PRA, the Ombudsman, the OFT or any other regulatory authority will not arise with regard to the mortgage market in the United Kingdom generally, the Seller's particular sector in that market or specifically in relation to the Seller. Any such action or developments or compliance costs may have a material adverse effect on the Loans, the Seller, the LLP, the Issuer and/or the Servicer and their respective businesses and operations. This may adversely affect the ability of the LLP to dispose of the Portfolio or any part thereof in a timely manner and/or the realisable value of the Portfolio or any part thereof and accordingly affect the ability of the LLP to meet its obligations under the Covered Bond Guarantee when due.

Potential effects of any additional regulatory changes

In the United Kingdom and elsewhere, there is continuing political and regulatory scrutiny of the banking industry and, in particular, retail banking. In the United Kingdom, the Competition Commission, the FSA and the OFT (and in relation to current enquiries, the FCA and the PRA) have recently carried out, or are currently conducting, several enquiries. In recent years there have been several issues in the UK financial services industry in which the relevant UK regulatory authority has intervened directly, including the sale of personal pensions and the sale of mortgage-related endowments. No assurance can be given that changes will not be made to the regulatory regime and developments described above in respect of the mortgage market in the United Kingdom generally, the Seller's particular sector in that market or specifically in relation to the Seller. Any such action or developments, in particular, but not limited to, the cost of compliance, may have a material adverse effect on the Leeds Group and its businesses and operations. This may adversely affect the Issuer's or the LLP's (as the case may be) ability to make payments in full when due on the Covered Bonds.

Implementation of and/or changes to the Basel III framework may affect the capital requirements and/or the liquidity associated with a holding of the Covered Bonds for certain investors

In Europe, the U.S. and elsewhere, there is significant focus on fostering greater financial stability through increased regulation of financial institutions, and their corresponding capital and liquidity positions. This has resulted in a number of regulatory initiatives which are currently at various stages of implementation and which may have an impact on the regulatory position for certain investors in covered bond exposures and/or on the incentives for certain investors to hold covered bonds, and may thereby affect the liquidity of such securities. Investors in the Covered Bonds are responsible for analysing their own regulatory position and none of the Issuer, the Guarantor, the Lead Managers or the Arrangers makes any representation to any prospective investor or purchaser of the Covered Bonds regarding the treatment of their investment on the Closing Date or at any time in the future.

In particular, it should be noted that the Basel Committee on Banking Supervision (**BCBS**) has approved significant changes to the Basel regulatory capital and liquidity framework (such changes being commonly referred to as **Basel III**). Basel III provides for a substantial strengthening of existing prudential rules, including new requirements intended to reinforce capital standards (with heightened requirements for global systemically important banks) and to establish a leverage ratio "backstop" for financial institutions and certain minimum liquidity standards (referred to as the Liquidity Coverage Ratio (**LCR**) and the Net Stable Funding Ratio (**NSFR**)). BCBS member countries agreed to implement Basel III from 1 January 2013, subject to transitional and phase-in arrangements for certain requirements (e.g. the LCR requirements refer to implementation from the start of 2015, with full implementation by January 2019, and the NSFR requirements refer to implementation from January 2018). As implementation of Basel III requires national legislation, the final rules and the timetable for its implementation in each jurisdiction, as well as the treatment of covered bonds (e.g. as LCR eligibility assets or not), may be subject to some level of national variation. It should also be noted that changes to regulatory capital requirements are coming for insurance and reinsurance undertakings through national initiatives, such as the Solvency II framework in Europe.

Prospective investors should therefore make themselves aware of the requirements described above (and any corresponding implementing rules of their regulator), where applicable to them, in addition to any other applicable regulatory requirements with respect to their investment in the Covered Bonds. No predictions can be made as to the precise effects of such matters on any investor or otherwise.

Investors who purchase Covered Bonds in denominations that are an integral multiple of the Specified Denomination may be adversely affected if definitive Covered Bonds are subsequently required to be issued

In relation to any issue of Covered Bonds that have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Covered Bonds may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case, a Covered Bondholder who, as a result of trading such amounts, holds an amount which (after deducting integral multiples of such minimum Specified Denomination) is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Covered Bond in respect of such holding (should definitive Covered Bonds be printed) and would need to purchase a principal amount of Covered Bonds such that its holding amounts to a Specified Denomination. If such Covered Bonds in definitive form are issued, Covered Bondholders should be aware that definitive Covered Bonds that have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Limited Liability Partnerships

The LLP is a limited liability partnership. Limited liability partnerships, created by statute pursuant to the LLPA 2000, are bodies corporate for general English and Scottish law purposes and have unlimited capacity. A general description of limited liability partnerships is set out below under "*Description of Limited Liability Partnerships*". This area of the law is relatively undeveloped. Accordingly, there is a risk that as the law develops, new case law or new regulations made under or affecting the LLPA 2000 or relating to limited liability partnerships could adversely affect the ability of the LLP to perform its obligations under the Transaction Documents which could, in turn, adversely affect the interests of the Covered Bondholders.

Pensions Act 2004

Under the Pensions Act 2004, a person that is "connected with" or an "associate" of an employer under an occupational pension scheme can be subject to either a contribution notice or a financial support direction. The Issuer is an employer under an occupational scheme and also a member of the LLP. On this basis, the LLP is likely to be treated as "connected with" the Issuer.

A contribution notice could be served on the LLP if it was party to an act, or a deliberate failure to act, the main purpose or one of the main purposes of which was either (i) to prevent the recovery of the whole or any part of a debt which was, or might become, due from the employer under Section 75 of the Pensions Act 1995 or (ii) otherwise than in good faith, to prevent such a debt becoming due, to compromise or otherwise settle such a debt, or to reduce the amount of such a debt which would otherwise become due.

A financial support direction could be served on the LLP where the employer is either a service company or insufficiently resourced. An employer is insufficiently resourced if the value of its resources is less than 50 per cent. of the pension scheme's deficit calculated on an annuity buy-out basis and there is a connected or associated person whose resources at least cover that difference. A financial support direction can only be served where the Pensions Regulator considers it is reasonable to do so, having regard to a number of factors.

As a result of the Supreme Court decision in *Re Nortel, Re Lehman Companies* [2013] UKSC 52, if the Pensions Regulator issued a financial support direction or contribution notice against the LLP then, depending on when such a direction or notice was issued (and regardless of whether the LLP was in liquidation or administration, as the case may be, at that time), any corresponding liability would not be treated as an expense of the administration or liquidation (as the case may be). As a result, such a claim would be treated as an ordinary unsecured debt and such claim would not rank in priority to, or *pari passu* with, the rights and claims of the Security Trustee under the Deed of Charge with respect to any charged asset.

If a contribution notice or financial support direction were to be served on the LLP this could adversely affect investors in the Covered Bonds.

Scottish Devolution

On 18 September 2014, a referendum was held in Scotland on the issue of Scottish independence from the rest of the United Kingdom. The result of the referendum was a majority 'no' vote against Scottish independence. However, in the run-up to the referendum, the main Westminster political parties promised that, in the event of a no vote, they would devolve to the Scottish Parliament additional legislative powers normally reserved to the UK Parliament, such as welfare and income tax raising powers. As there is currently no consensus between the main Westminster political parties and the Scottish Government on the exact nature of these powers, the impact of this on the Scottish economy and on Scottish political and policy developments is uncertain and may

affect some Borrowers' ability to pay amounts when due on the Mortgage Loans originated in Scotland, which may adversely affect payments on the Covered Bonds. A White Paper on the additional devolved powers was published on 27 November 2014 with a draft Scotland Bill outlining the additional devolved powers to follow in early 2015.

Exchange rate risks and exchange controls

If an investor holds Covered Bonds which are not denominated in the investor's home currency, he will be exposed to movement in exchange rates adversely affecting the value of his holding. In addition, the imposition of exchange controls in relation to any Covered Bonds could result in an investor not receiving payments on those Covered Bonds.

The Issuer will pay principal and interest on the Covered Bonds and the LLP will make any payments under the Covered Bond Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit other than the Specified Currency (the **Investor's Currency**). These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Covered Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Covered Bonds and (3) the Investor's Currency-equivalent market value of the Covered Bonds. Governmental and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Covered Bonds. As a result, investors may receive less interest or principal than expected.

FORM OF THE COVERED BONDS

The Covered Bonds of each Series will be in either bearer form, with or without interest coupons and/or talons attached, or registered form, without interest coupons and/or talons attached. Bearer Covered Bonds will be issued outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act (**Regulation S**) and Registered Covered Bonds may be issued both outside the United States to non-U.S. persons in reliance on the exemption from registration provided by Regulation S and within the United States or to, or for the account of or benefit of, U.S. persons in reliance on Rule 144A or otherwise in private transactions that are exempt from the registration requirements under the Securities Act.

Bearer Covered Bonds

Each Tranche of Bearer Covered Bonds will be initially issued in the form of a temporary global covered bond without interest coupons attached (a **Temporary Global Covered Bond**) or, if so specified in the applicable Final Terms (the **Applicable Final Terms**), a permanent global covered bond without interest coupons attached (a **Permanent Global Covered Bond** and, together with the Temporary Global Covered Bonds, the **Bearer Global Covered Bonds** and each a **Bearer Global Covered Bond**) which, in either case, will:

1. if the Bearer Global Covered Bonds are intended to be issued in new global covered bond (**NGCB**) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank S.A./N.V. (**Euroclear**) and Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**); and
2. if the Bearer Global Covered Bonds are not intended to be issued in NGCB form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for Euroclear and Clearstream, Luxembourg.

Whilst any Bearer Covered Bond is represented by a Temporary Global Covered Bond, payments of principal, interest (if any) and any other amount payable in respect of the Bearer Covered Bonds due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Covered Bond if the Temporary Global Covered Bond is not intended to be issued in NGCB form) only to the extent that certification to the effect that the beneficial owners of interests in such Bearer Covered Bond are not U.S. persons for U.S. federal income tax purposes or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the **Exchange Date**) which is 40 days after a Temporary Global Covered Bond is issued, interests in such Temporary Global Covered Bond will be exchangeable (free of charge) upon a request as described therein either for: (i) interests in a Permanent Global Covered Bond of the same Series; or (ii) for Bearer Definitive Covered Bonds of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Bearer Definitive Covered Bonds, to such notice period as is specified in the applicable Final Terms), in each case against certification of non-US beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Covered Bond will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Covered Bond for an interest in a Permanent Global Covered Bond or for Bearer Definitive Covered Bonds is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Covered Bond will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Covered Bond if the Permanent Global Covered Bond is not intended to be issued in NGCB form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Covered Bond will be exchangeable (free of charge), in whole but not in part, for Bearer Definitive Covered Bonds with, where applicable, interest coupons and talons attached upon either: (i) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Covered Bond) to the Principal Paying Agent as described therein; or (ii) only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that: (i) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or (ii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Bearer Covered Bonds represented by the Permanent Global Covered Bond in definitive form. The Issuer will promptly give notice to the Covered Bondholders of each Series of Bearer Global Covered Bonds in accordance with Condition 13 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Covered Bond) or the Bond Trustee may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The applicable Final Terms will not specify that Temporary or Permanent Global Covered Bonds are exchangeable for definitive Covered Bonds where such Covered Bonds are issued having denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of a smaller amount.

Bearer Global Covered Bonds and Bearer Definitive Covered Bonds will be issued pursuant to the Agency Agreement.

Bearer Global Bonds and Bearer Definitive Covered Bonds will bear the restrictive legend described under "*Subscription and Sale and Transfer and Selling Restrictions*".

The following legend will appear on all Permanent Global Covered Bonds and Bearer Definitive Covered Bonds which have an original maturity of more than one year and on all interest coupons relating to such Bearer Covered Bonds:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Covered Bonds or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Bearer Covered Bonds or interest coupons.

Covered Bonds which are represented by a Bearer Global Covered Bond will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Registered Covered Bonds

The Registered Covered Bonds of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global covered bond in registered form (a **Regulation S Global Covered Bond**). Prior to expiry of the Distribution Compliance Period applicable to each Tranche of Covered Bonds, beneficial interests in a Regulation S Global Covered Bond may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 2 and may not be held otherwise than through Euroclear or Clearstream, Luxembourg, and such Regulation S Global Covered Bond will bear a legend regarding such restrictions on transfer.

The Registered Covered Bonds of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions exempt from registration under the Securities Act: (i) to **qualified institutional buyers** within the meaning of Rule 144A under the Securities Act (**QIBs**); or (ii) to **accredited investors** (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) that are Institutional Accredited Investors and who execute and deliver an IAI Investment Letter (as defined in the "*Terms and Conditions of the Covered Bonds*") in which they agree to purchase the Covered Bonds for their own account and not with a view to the distribution thereof in accordance with the Securities Act.

The Registered Covered Bonds of each Tranche sold to QIBs will be represented by a global covered bond in registered form (a **Rule 144A Global Covered Bond** and, together with a Regulation S Global Covered Bond, the **Registered Global Covered Bonds**).

Registered Global Covered Bonds will either: (i) be deposited with a custodian for, and registered in the name of a nominee of, DTC for the accounts of Euroclear and Clearstream, Luxembourg; or (ii) be deposited with a common depository or common safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg, or in the name of a nominee of the common safekeeper as specified in the applicable Final Terms. In the case of a Regulation S Global Covered Bond registered in the name of a nominee of DTC, prior to the end of the Distribution Compliance Period applicable to the Covered Bonds represented by such Regulation S Global Covered Bond, interests in such Regulation S Global Covered Bond may only be held through the accounts of Euroclear and Clearstream, Luxembourg.

Persons holding beneficial interests in Registered Global Covered Bonds will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of Definitive Covered Bonds in fully registered form.

The Registered Covered Bonds of each Tranche sold to Institutional Accredited Investors will be in definitive form, registered in the name of the holder thereof (**Definitive IAI Registered Covered Bonds**). Unless otherwise set forth in the applicable Final Terms, Definitive IAI Registered Covered Bonds will be issued only in minimum denominations of U.S.\$500,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency). Definitive IAI Registered Covered Bonds will be subject to the restrictions on transfer set forth therein and will bear the restrictive legend described under "*Subscription and Sale and Transfer and Selling Restrictions*". Institutional Accredited Investors that hold Definitive IAI Registered Covered Bonds may elect to hold such Covered Bonds through DTC, but transferees acquiring the Covered Bonds in transactions exempt from Securities Act registration pursuant to Regulation S or Rule 144A under the Securities Act (if available) may do so upon satisfaction of the requirements applicable to such transfer as described under "*Subscription and Sale and Transfer and Selling Restrictions*". The Rule 144A Global Covered Bonds and the Definitive IAI Registered Covered Bonds will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Covered Bonds will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 5(d)) as the registered holder of the Registered Global Covered Bonds. None of the Issuer, the LLP, the Bond Trustee, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Covered Bonds in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 5(d)) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Covered Bond will be exchangeable (free of charge), in whole but not in part, for Registered Definitive Covered Bonds without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that: (i) in the case of Covered Bonds registered in the name of a nominee for DTC, either DTC has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; (ii) in the case of Covered Bonds registered in the name of a nominee for a common depository or in the name of a nominee of the common safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds represented by the Registered Global Covered Bond in definitive form. The Issuer will promptly give notice to the Covered Bondholders of each Series of Registered Global Covered Bonds in accordance with Condition 13 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any registered holder of an interest in such Registered Global Covered Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Definitive Rule 144A Covered Bonds will be issued only in minimum denominations of U.S.\$250,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency).

Transfer of Interests

Interests in a Registered Global Covered Bond may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Covered Bond or in the form of a Definitive IAI Registered Covered Bond and Definitive IAI Registered Covered Bonds may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such Covered Bonds in the form of an interest in a Registered Global Covered Bond. No beneficial owner of an interest in a Registered Global Covered Bond will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent applicable. Registered Covered Bonds are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see "*Subscription and Sale and Transfer and Selling Restrictions*".

General

Pursuant to the Agency Agreement (as defined under Conditions of the Covered Bonds), the Principal Paying Agent shall arrange that, where a further Tranche of Covered Bonds is issued which is intended to form a single Series with an existing Tranche of Covered Bonds, the Covered Bonds of such further Tranche shall be assigned a common code and ISIN and, where applicable, a CUSIP and CINS number which are different from the common code, ISIN, CUSIP and CINS assigned to Covered Bonds of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period applicable to the Covered Bonds of such Tranche.

Any reference herein to DTC, Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the Issuer, the Principal Paying Agent and the Bond Trustee.

No Covered Bondholder or Couponholder shall be entitled to proceed directly against the Issuer or the LLP unless the Bond Trustee or, as the case may be, the Security Trustee, having become so bound to proceed, fails so to do within a reasonable period and the failure shall be continuing.

The Issuer may agree with any Dealer that Covered Bonds may be issued in a form not contemplated by the Terms and Conditions of the Covered Bonds, in which case (if such Covered Bonds are intended to be listed) a new Prospectus will be made available which will describe the effect of the agreement reached in relation to such Covered Bonds.

The Issuer will notify the ICSDs and the Paying Agents upon issue whether the Covered Bonds are intended, or are not intended, to be held in a manner which would allow Eurosystem eligibility and deposited with one of the ICSDs as common safekeeper (and in the case of registered Covered Bonds, registered in the name of a nominee of one of the ICSDs acting as common safekeeper). Where the Covered Bonds are not intended to be deposited with one of the ICSDs as common safekeeper upon issuance, should the Eurosystem eligibility criteria be amended in the future such as that the Covered Bonds are capable of meeting such criteria, the Covered Bonds may then be deposited with one of the ICSDs as common safekeeper. Where the Covered Bonds are so deposited with one of the ICSDs as common safekeeper (and in the case of registered Covered Bonds, registered in the name of a nominee of one of the ICSDs acting as a common safekeeper) upon issuance or otherwise, this does not necessarily mean that the Covered Bonds will be recognised as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem at issuance or at any time during their life. Such recognition will depend upon the European Central Bank being satisfied that Eurosystem eligibility criteria have been met.

TERMS AND CONDITIONS OF THE COVERED BONDS

The following are the Terms and Conditions of the Covered Bonds which will be incorporated by reference into each Global Covered Bond (as defined below) and each Definitive Covered Bond, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer(s) at the time of issue but, if not so permitted and agreed, such Definitive Covered Bond will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Covered Bond and Definitive Covered Bond.

This Covered Bond is one of a Series (as defined below) of Covered Bonds issued by Leeds Building Society (the **Issuer**) constituted by a trust deed (such trust deed as modified and/or supplemented and/or restated from time to time, the **Trust Deed**) dated 2 October 2008 (the **Programme Date**) and as supplemented and amended on 2 October 2009, 5 October 2010, 15 December 2011, on 27 December 2012 and on 9 December 2013 made between the Issuer, Leeds Building Society Covered Bonds Limited Liability Partnership as guarantor (the **LLP**) and Deutsche Trustee Company Limited as bond trustee (in such capacity, the **Bond Trustee**, which expression shall include any successor as Bond Trustee) and as security trustee (in such capacity, the **Security Trustee**, which expression shall include any successor as Security Trustee).

Save as provided for in Conditions 9 and 14, references herein to the **Covered Bonds** shall be references to the Covered Bonds of this Series and shall mean:

The Bond Trustee acts for the benefit of the holders for the time being of the Covered Bonds (the **Covered Bondholders**, which expression shall, in relation to any Covered Bonds represented by a Global Covered Bond, be construed as provided below) and the holders of the Coupons (the **Couponholders**, which expression shall, unless the context otherwise requires, include the holders of the Talons), and for holders of each other Series of Covered Bonds in accordance with the provisions of the Trust Deed.

As used herein, **Tranche** means Covered Bonds which are identical in all respects (including as to listing) and **Series** means a Tranche of Covered Bonds together with any further Tranche or Tranches of Covered Bonds which are: (i) expressed to be consolidated and form a single series; and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The security for the obligations of the LLP under the Covered Bond Guarantee and the other Transaction Documents to which it is a party has been created in and pursuant to, and on the terms set out in, a deed of charge (such deed of charge as amended and/or supplemented and/or restated from time to time, the **Deed of Charge**) dated the Programme Date, as supplemented on 2 October 2009, and made between the LLP, the Bond Trustee, the Security Trustee and certain other Secured Creditors.

1. Form, Denomination and Title

The Covered Bonds are in bearer form or in registered form as specified in the applicable Final Terms and, in the case of Definitive Covered Bonds (being Bearer Definitive Covered Bond(s) and/or, as the context may require, Registered Definitive Covered Bond(s)), serially numbered, in the Specified Currency and the Specified Denomination(s). Covered Bonds of one Specified Denomination may not be exchanged for Covered Bonds of another Specified Denomination and Bearer Covered Bonds may not be exchanged for Registered Covered Bonds and *vice versa*.

This Covered Bond may be a Fixed Rate Covered Bond, a Floating Rate Covered Bond, a Zero Coupon Covered Bond or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms, and subject to confirmation from the Rating Agencies prior to the issuance of any such Covered Bond that the then current ratings of any outstanding Series of Covered Bonds will not be adversely affected by the issuance of this Covered Bond.

This Covered Bond may be denominated in any currency.

Bearer Definitive Covered Bonds are issued with Coupons attached, unless they are Zero Coupon Covered Bonds in which case references to Coupons and Couponholders in these Conditions are not applicable.

Subject as set out below, title to the Bearer Covered Bonds and Coupons will pass by delivery and title to the Registered Covered Bonds will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer, the LLP, the Paying Agents, the Security Trustee and the Bond Trustee will (except as otherwise required by law) deem and treat the bearer of any Bearer Covered Bond or Coupon and the registered holder of any Registered Covered Bond as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Covered Bond, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Covered Bonds is represented by a Global Covered Bond deposited with a common depositary (in the case of a CGCB) (as defined below) or common safekeeper (in the case of a NGCB (as defined below)) for Euroclear Bank S.A./N.V. (**Euroclear**) and/or Clearstream Banking, société anonyme (**Clearstream, Luxembourg**) or so long as a common depositary or common safekeeper, as the case may be, for Euroclear and Clearstream Luxembourg or The Depository Trust Company (**DTC**) or its nominee is the registered holder of a Registered Global Covered Bond, each person (other than Euroclear or Clearstream, Luxembourg or DTC) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg or DTC as the holder of a particular nominal amount of such Covered Bonds (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all

purposes save in the case of manifest error and any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream's CreationOnline system) in accordance with its usual procedures and in which the holder of a particular nominal amount of the Covered Bonds is clearly identified with the amount of such holding) shall be treated by the Issuer, the LLP, the Paying Agents, the Security Trustee and the Bond Trustee as the holder of such nominal amount of such Covered Bonds for all purposes other than with respect to the payment of principal or interest or other amounts on such nominal amount of such Covered Bonds, and, in the case of DTC or its nominee, voting, giving consents and making requests, for which purpose the bearer of the relevant Bearer Global Covered Bond or the registered holder of the relevant Registered Global Covered Bond shall be treated by the Issuer, the LLP, any Paying Agent, the Security Trustee and the Bond Trustee as the holder of such nominal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expression **Covered Bondholder** and related expressions shall be construed accordingly.

Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the rules and procedures for the time being of DTC, Euroclear and Clearstream, Luxembourg, as the case may be.

References to DTC, Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits (but not in the case of any NGCB), be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

2. Transfers of Registered Covered Bonds

(a) *Transfers of interests in Registered Global Covered Bonds*

Transfers of beneficial interests in Rule 144A Global Covered Bonds (as defined below) and Regulation S Global Covered Bonds (as defined below) (together, the **Registered Global Covered Bonds**) will be effected by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Covered Bond will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Covered Bonds in definitive form or for a beneficial interest in another Registered Global Covered Bond only in the authorised denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Covered Bond registered in the name of a nominee for DTC shall be limited to transfers of such Registered Global Covered Bond, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee.

(b) *Transfers of Registered Covered Bonds in definitive form*

Subject as provided in Conditions 2(e), 2(f) and 2(g) below, upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Covered Bond in definitive form may be transferred in whole or in part (in the authorised denominations set out in the applicable Final Terms). In order to effect any such transfer: (i) the holder or holders must: (A) surrender the Registered Covered Bond for registration of the transfer of the Registered Covered Bond (or the relevant part of the Registered Covered Bond) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing; and (B) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent; and (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful

enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer, the Bond Trustee, the Transfer Agent and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 6 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Registered Covered Bond in definitive form of a like aggregate nominal amount to the Registered Covered Bond (or the relevant part of the Registered Covered Bond) transferred. In the case of the transfer of part only of a Registered Covered Bond in definitive form, a new Registered Covered Bond in definitive form in respect of the balance of the Registered Covered Bond not transferred will be so authenticated and delivered or (at the risk of the transferor) sent by uninsured mail to the address specified by the transferor.

(c) ***Registration of transfer upon partial redemption***

In the event of a partial redemption of Covered Bonds under Condition 6, the Issuer shall not be required to register the transfer of any Registered Covered Bond, or part of a Registered Covered Bond, called for partial redemption.

(d) ***Costs of registration***

Covered Bondholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

(e) ***Transfers of interests in Regulation S Global Covered Bonds***

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Covered Bond to a transferee in the United States or who is a U.S. person will only be made:

- (i) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a **Transfer Certificate**), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Covered Bond or beneficial interest therein to the effect that such transfer is being made:
 - (A) to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
 - (B) to a person who is an Institutional Accredited Investor, together with, in the case of (B), a duly executed investment letter from the relevant transferee substantially in the form set out in the Agency Agreement (an **IAI Investment Letter**); or
- (ii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably

require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

In the case of (A) above, such transferee may take delivery through a Legended Covered Bond in global or definitive form and, in the case of (B) above, such transferee may take delivery only through a Legended Covered Bond in definitive form. Prior to the end of the applicable Distribution Compliance Period beneficial interests in Regulation S Covered Bonds registered in the name of a nominee for DTC may only be held through the accounts of Euroclear and Clearstream, Luxembourg. After expiry of the applicable Distribution Compliance Period: (i) beneficial interests in Regulation S Global Covered Bonds registered in the name of a nominee for DTC may be held through DTC directly, by a participant in DTC or indirectly through a participant in DTC; and (ii) such certification requirements will no longer apply to such transfers.

(f) ***Transfers of interests in Legended Covered Bonds***

Transfers of Legended Covered Bonds or beneficial interests therein may be made:

- (i) to a transferee who takes delivery of such interest through a Regulation S Global Covered Bond, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, in the case of a Regulation S Global Covered Bond registered in the name of a nominee for DTC, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Covered Bonds being transferred will be held immediately thereafter through Euroclear and/or Clearstream, Luxembourg; or
- (ii) to a transferee who takes delivery of such interest through a Legended Covered Bond:
 - (A) where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
 - (B) where the transferee is an Institutional Accredited Investor, subject, in the case of (B), to delivery to the Registrar of a Transfer Certificate from the transferor to the effect that such transfer is being made to an Institutional Accredited Investor, together with a duly executed IAI Investment Letter from the relevant transferee; or
- (iii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

Covered Bonds transferred by Institutional Accredited Investors to QIBs pursuant to Rule 144A or outside the United States pursuant to Regulation S will be eligible to be held by such QIBs or non-U.S. investors through DTC, Euroclear or Clearstream, Luxembourg, as appropriate, and the

Registrar will arrange for any Covered Bonds which are the subject of such a transfer to be represented by the appropriate Registered Global Covered Bonds, where applicable.

Upon the transfer, exchange or replacement of Legended Covered Bonds, or upon specific request for removal of the Legend therein, the Registrar shall deliver only Legended Covered Bonds or refuse to remove the Legend therein, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

(g) ***Exchanges and transfers of Registered Covered Bonds generally***

Holders of Registered Covered Bonds in definitive form, other than Institutional Accredited Investors, may exchange such Covered Bonds for interests in a Registered Global Covered Bond of the same type at any time.

(b) Status of the Covered Bond Guarantee

The payment of Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment has been unconditionally and irrevocably guaranteed by the LLP (the **Covered Bond Guarantee**) in the Trust Deed. However, the LLP shall have no obligation under the Covered Bond Guarantee to pay any Guaranteed Amounts until the occurrence of an Issuer Event of Default, service by the Bond Trustee on the Issuer of an Issuer Acceleration Notice and service by the Bond Trustee on the LLP of a Notice to Pay or, if earlier, following the occurrence of an LLP Event of Default and service by the Bond Trustee of an LLP Acceleration Notice. 4. Interest

(a) Interest on Fixed Rate Covered Bonds

Each Fixed Rate Covered Bond bears interest on its Principal Amount Outstanding from (and including) its date of issue (the **Interest Commencement Date**) at the rate(s) per annum equal to the Rate(s) of Interest payable, subject as provided in these Conditions, in arrear on the Interest Payment Date(s) in each year up to (and including) the Final Maturity Date. If a Notice to Pay is served on the LLP, the LLP shall pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the fixed coupon amount specified in the Final Terms (the **Fixed Coupon Amount**). Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the broken amount specified in the relevant Final Terms (the **Broken Amount**) so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Covered Bonds in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Covered Bonds which are represented by a Global Covered Bond, the aggregate outstanding nominal amount of the Fixed Rate Covered Bonds represented by such Global Covered Bond; or
- (ii) in the case of Fixed Rate Covered Bonds in definitive form, the Specified Denomination;

and in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms:
 - (A) in the case of Covered Bonds where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (B) in the case of Covered Bonds where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if "**30/360**" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Conditions:

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest

Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date).

Original Due for Payment Date means, in respect of the payment of Guaranteed Amounts, prior to the occurrence of an LLP Event of Default and following an Issuer Event of Default, service of an Issuer Acceleration Notice and service of a Notice to Pay on the LLP, the date on which the Scheduled Payment Date in respect of such Guaranteed Amounts is reached, or, if later, the day which is two Business Days following service of a Notice to Pay on the LLP in respect of such Guaranteed Amounts or, if the applicable Final Terms specified that an Extended Due for Payment Date is applicable to the relevant Series of Covered Bonds, the Interest Payment Date that would have applied if the Final Maturity Date of such Series of Covered Bonds had been the Extended Due for Payment Date.

Principal Amount Outstanding means in respect of a Covered Bond on any day the principal amount of that Covered Bond on the relevant Issue Date thereof less principal amounts received by the relevant Covered Bondholder in respect thereof on or prior to that day.

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, euro 0.01.

(b) ***Interest on Floating Rate Covered Bonds***

(i) ***Interest Payment Dates***

Each Floating Rate Covered Bond bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (1) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (2) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Conditions, the expression **Interest Period** shall mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) below, the **Floating Rate Convention**, such Interest Payment Date: (i) in the case of (x) above, shall be the last day that is a

Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis*; or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

- (2) the **Following Business Day Convention**, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the **Modified Following Business Day Convention**, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the **Preceding Business Day Convention**, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, **Business Day** means a day which is:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms; and
- (B) in the case of any sum payable, either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively or (2) in relation to any Covered Bonds denominated or payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Covered Bonds will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Covered Bonds*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent Bank or other person specified in the applicable Final Terms under an interest rate swap transaction if the Agent Bank or that other person were acting as Calculation Agent for that swap transaction under the terms of

an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Covered Bonds (the **ISDA Definitions**) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is the period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination for Floating Rate Covered Bonds*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (local time in the relevant financial centre of the payment) on the Interest Determination Date in question plus or minus the Margin (if any), all as determined by the Agent Bank. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent Bank for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this sub-paragraph (B) in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of this Condition 4 is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of this Condition 4 is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent Bank, in the case of Floating Rate Covered Bonds, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent Bank will calculate the amount of interest payable on the Floating Rate Covered Bonds in respect of each Specified Denomination (each an **Interest Amount**) for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Principal Amount Outstanding, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an amount of interest for any Interest Period:

- (A) if **Actual/Actual** or **Actual/Actual (ISDA)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if **Actual/365 (Fixed)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if **Actual/365 (Sterling)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (D) if **Actual/360** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (E) if **30/360, 360/360** or **Bond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (F) if **30E/360** or **Eurobond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30.

- (v) *Notification of Rate of Interest and Interest Amounts*

The Agent Bank (in the case of Floating Rate Covered Bonds) will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Bond Trustee and to any stock exchange or other relevant competent authority or quotation system on which the relevant Floating Rate Covered Bonds are for the time being listed, quoted and/or traded or by which they have been admitted to listing and to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth Business Day (as defined in Condition 4(b)(i)) thereafter by the Agent Bank. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment or alternative arrangements will be promptly notified to the

Bond Trustee and each stock exchange or other relevant authority on which the relevant Floating Rate Covered Bonds are for the time being listed or by which they have been admitted to listing and to the Covered Bondholders in accordance with Condition 13.

(vi) *Determination or Calculation by Bond Trustee*

If for any reason at any relevant time after the Issue Date, the Agent Bank defaults in its obligation to determine the Rate of Interest or to calculate any Interest Amount in accordance with sub-paragraph (A) (*ISDA Determination for Floating Rate Covered Bonds*) or (B) (*Screen Rate Determination for Floating Rate Covered Bonds*) or as otherwise specified in the applicable Final Terms, as the case may be, and in each case in accordance with paragraph (iv) above, the Bond Trustee (or an agent appointed by it) shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent Bank.

(vii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent Bank or the Bond Trustee shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the LLP, the Agent Bank, the other Paying Agents, the Bond Trustee and all the Covered Bondholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the LLP, the Covered Bondholders or the Couponholders shall attach to the Agent Bank or the Bond Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Accrual of Interest*

Interest (if any) will cease to accrue on each Covered Bond (or in the case of the redemption of part only of a Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused in which event, interest will continue to accrue as provided in the Trust Deed.

5. Payments

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or electronic transfer to an account in the relevant Specified Currency (which, in the case of a payment in Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency; and

- (ii) payments in euro will be made by credit or electronic transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

In the case of Bearer Covered Bonds, payments in U.S. Dollars will be made by transfer to a U.S. Dollar account maintained by the payee with a bank outside of the United States (which expression, as used in this Condition 5, means the United States of America, including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction), or by cheque drawn on a United States bank. In no event will payment in respect of Bearer Covered Bonds be made by a cheque mailed to an address in the United States. All payments of interest in respect of Bearer Covered Bonds will be made to accounts located outside the United States except as may be permitted by United States tax law in effect at the time of such payment without detriment to the Issuer.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 to 1474 (inclusive) of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto. References to Specified Currency will include any successor currency under applicable law.

(b) ***Presentation of Bearer Definitive Covered Bonds and Coupons***

Payments of principal and interest (if any) will (subject as provided below) be made against presentation and surrender of Bearer Definitive Covered Bonds or Coupons, as the case may be, at any specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Covered Bonds in definitive bearer form (other than Long Maturity Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall include Coupons falling to be issued on exchange of matured Talons), failing which an amount equal to the face value of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the total amount due) will be deducted from the amount due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, 5 years from the date on which such Coupon would otherwise have become due.

Upon amounts in respect of any Fixed Rate Covered Bond in definitive bearer form becoming due and repayable by the Issuer (in the absence of a Notice to Pay) or by the LLP under the Covered Bond Guarantee prior to its Final Maturity Date (or, as the case may be, Extended Due for Payment Date), all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Covered Bond or Long Maturity Covered Bond in definitive bearer form, all unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Covered Bond** is a Fixed Rate Covered Bond (other than a Fixed Rate Covered Bond which on issue had a Talon attached) whose

nominal amount on issue is less than the aggregate interest payable thereon provided that such Covered Bond shall cease to be a Long Maturity Covered Bond on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the Principal Amount Outstanding of such Covered Bond. If the date for redemption of any Bearer Definitive Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Bearer Definitive Covered Bond.

(c) ***Payments in respect of Bearer Global Covered Bonds***

Payments of principal and interest (if any) in respect of Covered Bonds represented by any Bearer Global Covered Bond will (subject as provided below) be made in the manner specified above in relation to Bearer Definitive Covered Bonds and otherwise in the manner specified in the relevant Global Covered Bond (against presentation or surrender, as the case may be, of such Global Covered Bond if the Bearer Global Covered Bond is not intended to be issued in NGCB form at the specified office of any Paying Agent outside the United States). On the occasion of each payment, (i) in the case of any Bearer Global Covered Bond which is not issued in NGCB form, a record of such payment made on such Bearer Global Covered Bond, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Covered Bond by the Paying Agent and such record shall be prima facie evidence that the payment in question has been made and (ii) in the case of any Global Covered Bond which is issued in NGCB form, the Paying Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

(d) ***Payments in respect of Registered Covered Bonds***

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Covered Bond (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by electronic transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the register of holders of the Registered Covered Bonds maintained by the Registrar (the **Register**) (i) in respect of a Registered Global Covered Bond, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) in respect of a Registered Definitive Covered Bond, at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Covered Bonds held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, **Designated Account** means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Covered Bond (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in

the Register (i) in respect of a Registered Global Covered Bond, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) in respect of a Registered Definitive Covered Bond, at the close of business on the fifteenth day (whether or not such fifteenth day is a Business Day) before the relevant due date (the **Record Date**) at the holder's address shown in the Register on the Record Date and at the holder's risk. Upon application of the holder to the specified office of the Registrar not less than three Business Days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

Holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the LLP, the Bond Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) ***General provisions applicable to payments***

The holder of a Global Covered Bond (or, as provided in the Trust Deed, the Bond Trustee) shall be the only person entitled to receive payments in respect of Covered Bonds represented by such Global Covered Bond and the Issuer or, as the case may be, the LLP will be discharged by payment to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Covered Bonds represented by such Global Covered Bond must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or the LLP to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be). No person other than the holder of the relevant Global Covered Bond (or, as provided in the Trust Deed, the Bond Trustee) shall have any claim against the Issuer or the LLP in respect of any payments due on that Global Covered Bond.

Notwithstanding the foregoing provisions of this Condition, payments of principal and/or interest in U.S. Dollars in respect of the Bearer Covered Bonds will only be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. Dollars at such specified offices outside the United States of the full amount of interest on the Bearer Covered Bonds in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. Dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the LLP, adverse tax consequences to the Issuer or the LLP.

(f) ***Payment Day***

If the date for payment of any amount in respect of any Covered Bond or Coupon is not a Payment Day (as defined below), the holder thereof shall not be entitled to payment of the relevant amount due until the next following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay. In this Condition (unless otherwise specified in the applicable Final Terms), **Payment Day** means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Covered Bonds in definitive form only, the relevant place of presentation; and
 - (B) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open; and
- (iii) in the case of any payment in respect of a Registered Global Covered Bond denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Covered Bond) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(g) ***Interpretation of principal and interest***

Any reference in these Conditions to principal in respect of the Covered Bonds shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or under any undertakings or covenants given in addition thereto, or in substitution therefor, pursuant to the Trust Deed;

- (ii) the Final Redemption Amount of the Covered Bonds;
- (iii) the Early Redemption Amount of the Covered Bonds;
- (iv) the Optional Redemption Amount(s) (if any) of the Covered Bonds;
- (v) in relation to Covered Bonds redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Covered Bonds, the Amortised Face Amount (as defined in Condition 6(f));
- (vii) any premium and any other amounts (other than interest) which may be payable under or in respect of the Covered Bonds; and
- (viii) any Excess Proceeds which may be payable by the Bond Trustee to the LLP under or in respect of the Covered Bonds.

Any reference in these Conditions to interest in respect of the Covered Bonds shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or under any undertakings given in addition thereto, or in substitution therefor, pursuant to the Trust Deed.

(h) ***Redenomination***

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Covered Bondholders and the Couponholders, on giving prior written notice to the Bond Trustee, the Security Trustee, the Agents, the Registrar (in the case of Registered Covered Bonds), Euroclear, Clearstream, Luxembourg and DTC and at least 30 days' prior notice to the Covered Bondholders in accordance with Condition 13, elect that, with effect from the Redenomination Date specified in the notice, the Covered Bonds shall be redenominated in euro. In relation to any Covered Bonds where the applicable Final Terms provides for a minimum Specified Denomination in the Specified Currency which is equivalent to at least euro 100,000 and which are admitted to trading on a regulated market in the European Economic Area, it shall be a term of any such redenomination that the holder of any Covered Bonds held through Euroclear and/or Clearstream, Luxembourg and/or DTC must have credited to its securities account with the relevant clearing system a minimum balance of Covered Bonds of at least euro 100,000.

The election will have effect as follows:

- (i) the Covered Bonds shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Covered Bond equal to the nominal amount of that Covered Bond in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, in consultation with the Agents and the Bond Trustee, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Covered Bondholders, the competent listing authority, stock exchange and/or market (if any) on or by which the Covered Bonds may be listed and/or admitted to trading and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Covered Bonds will be calculated by reference to the aggregate nominal amount of Covered Bonds

presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;

- (iii) if definitive Covered Bonds are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 100,000 and/or such higher amounts as the Agents may determine and notify to the Covered Bondholders and any remaining amounts less than euro 100,000 shall be redeemed by the Issuer and paid to the Covered Bondholders in euro in accordance with Condition 6;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Covered Bonds) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement euro-denominated Covered Bonds and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Covered Bonds and Coupons so issued will also become void on that date although those Covered Bonds and Coupons will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Covered Bonds and Coupons will be issued in exchange for Covered Bonds and Coupons denominated in the Specified Currency in such manner as the Agents may specify and as shall be notified to the Covered Bondholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Covered Bonds;
- (v) after the Redenomination Date, all payments in respect of the Covered Bonds and the Coupons, other than payments of interest and/or principal in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Covered Bonds to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (vi) if the Covered Bonds are Fixed Rate Covered Bonds and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated
 - (a) in the case of Covered Bonds represented by a Global Covered Bond, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Covered Bonds represented by such Global Covered Bonds; and
 - (b) in the case of definitive Covered Bonds, by applying the Rate of Interest to the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;

- (vii) if the Covered Bonds are Floating Rate Covered Bonds, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (viii) such other changes shall be made to this Condition (and the Transaction Documents) as the Issuer may decide, after consultation with the Agents and the Bond Trustee, and as may be specified in the notice, to conform it to conventions then applicable to instruments denominated in euro.

(i) **Definitions**

In these Conditions, the following expressions have the following meanings:

Calculation Amount has the meaning given in the applicable Final Terms.

6. Redemption and Purchase

(a) **Final redemption**

Unless previously redeemed or purchased and cancelled as specified below, each Covered Bond will be redeemed by the Issuer at its Final Redemption Amount in the relevant Specified Currency on the Final Maturity Date specified in the applicable Final Terms.

Without prejudice to Condition 9, if an Extended Due for Payment Date is specified as applicable in the Final Terms for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the Final Terms (or after expiry of the grace period set out in Condition 9(a)(i)) and following the service of a Notice to Pay on the LLP by no later than the date falling one Business Day prior to the Extension Determination Date the LLP has insufficient monies available under the Guarantee Priority of Payments to pay the Guaranteed Amounts corresponding to the Final Redemption Amount in full in respect of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after

service of such Notice to Pay on the LLP or if later the Final Maturity Date (in each case, after the expiry of the grace period set out in Condition 9(a)(i)) or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the LLP under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above may be paid by the LLP on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date.

The Issuer shall confirm to the Principal Paying Agent as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date of a Series of Covered Bonds whether (a) payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date or (b) payment will not be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date.

Any failure by the Issuer to notify the Principal Paying Agent shall not affect the validity or effectiveness of the extension.

The LLP shall notify the relevant Covered Bondholders (in accordance with Condition 13), the Rating Agencies, the Bond Trustee, the Security Trustee, the Principal Paying Agent and the Registrar (in the case of Registered Covered Bonds) as soon as reasonably practicable and in any event at least one Business Day prior to the earlier of the dates specified in (a) and (b) of the preceding paragraph of any inability of the LLP to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the LLP to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the LLP shall on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay or if later the Final Maturity Date (in each case, after the expiry of the grace period set out in Condition 9(b)(i)) and (b) the Extension Determination Date, apply the monies (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) *pro rata* in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the LLP to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the LLP shall not constitute an LLP Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to or to the order of the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the LLP under the Covered Bond Guarantee in connection with this Condition 6(a).

For the purposes of these Conditions:

Extended Due for Payment Date means, in relation to any Series of Covered Bonds, the date, if any, specified as such in the applicable Final Terms to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Final Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the LLP or if later the Final Maturity Date (in each case, after the expiry of the grace period set out in Condition 9(a)(i)) or (b) the Extension Determination Date; and

Extension Determination Date means, in respect of a Series of Covered Bonds, the date falling two Business Days after the expiry of seven days from (and including) the Final Maturity Date of such Series of Covered Bonds.

Guarantee Priority of Payments means the priority of payments relating to monies standing to the credit of the Transaction Account or, as applicable, the Stand-by Transaction Accounts (to the extent maintained), the GIC Account or, as applicable, the Stand-by GIC Account (to the extent maintained), and the LBS Reserve Fund Account to be paid on each LLP Payment Date in accordance with the Trust Deed.

Rating Agency means any one of Moody's Investors Service Limited and Fitch Ratings Ltd. (together, the **Rating Agencies**) or their successors, to the extent they provide ratings in respect of the Covered Bonds. Each Rating Agency is established in the European Union and is registered under the CRA Regulations.

(b) ***Redemption for taxation reasons***

The Covered Bonds may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Covered Bond is not a Floating Rate Covered Bond) or on any Interest Payment Date (if this Covered Bond is a Floating Rate Covered Bond), on giving not less than 30 nor more than 60 days' notice to the Bond Trustee and, in accordance with Condition 13, the Covered Bondholders (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that on the occasion of the next date for payment of interest, the Issuer is or will be required to pay additional amounts as provided in Condition 7. Covered Bonds redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in Condition 6(f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) ***Redemption at the option of the Issuer (Issuer Call)***

If an Issuer Call is specified in the applicable Final Terms, the Issuer may, having given not less than 15 nor more than 30 days' notice to the Bond Trustee, the Principal Paying Agent, (in the case of the redemption of Registered Covered Bonds) the Registrar and, in accordance with Condition 13, the Covered Bondholders (which notice shall be irrevocable) redeem all or some only (as specified in the applicable Final Terms) of the Covered Bonds then outstanding on any Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date(s). Upon expiry of such notice, the Issuer shall be bound to redeem the Covered Bonds accordingly. In the event of a redemption of some only of the Covered Bonds, such redemption must be for an amount being the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of Covered Bonds, the Covered Bonds to be redeemed (the **Redeemed Covered Bonds**) will be selected individually by lot, in the case of Redeemed Covered Bonds represented by Definitive Covered Bonds, and in accordance with the rules of DTC, Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of DTC, Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Covered Bonds represented by a Global Covered Bond, in each case, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Covered Bonds represented by Definitive Covered Bonds, a list of the serial numbers of such Redeemed Covered Bonds will be published in accordance with Condition 13 not less than 30 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Covered Bonds represented by Definitive Covered Bonds shall bear the same proportion to the aggregate nominal amount of all Redeemed Covered Bonds as the aggregate nominal amount of Definitive Covered Bonds outstanding bears to the aggregate nominal amount of the Covered Bonds then outstanding, in

each case on the Selection Dates, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Covered Bonds represented by a Global Covered Bond shall be equal to the balance of the Redeemed Covered Bonds. No exchange of the relevant Global Covered Bond will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6(c) and notice to that effect shall be given by the Issuer to the Covered Bondholders in accordance with Condition 13 at least 30 days prior to the Selection Date.

(d) ***Redemption at the option of the Covered Bondholders (Investor Put)***

If an investor put is specified as being applicable in the Final Terms (the **Investor Put**), then if and to the extent specified in the applicable Final Terms, upon the holder of a relevant Covered Bond giving to the Issuer, in accordance with Condition 13, not less than 30 nor more than 60 days' notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, provided that the Cash Manager has notified the Bond Trustee in writing that there will be sufficient funds available to pay any termination payment due to the relevant Covered Bond Swap Provider(s), redeem subject to, and in accordance with, the terms specified in the applicable Final Terms in whole (but not in part) such Covered Bond on the Optional Redemption Date and at the relevant Optional Redemption Amount as specified in, or determined in the manner specified in, the applicable Final Terms together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date.

If the relevant Covered Bond is in definitive form, to exercise the right to require redemption of this Covered Bond, the holder of this Covered Bond must deliver such Covered Bond, on any Business Day (as defined in Condition 4(b)) falling within the above-mentioned notice period at the specified office of any Paying Agent during normal business hours accompanied by a duly signed and completed notice of exercise of the Investor Put in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Notice**) and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition 6(d).

(e) ***Redemption due to illegality***

The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bond Trustee, the Principal Paying Agent, the Registrar and, in accordance with Condition 13, all the Covered Bondholders (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Term Advance made by it to the LLP from the Covered Bonds pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Covered Bonds redeemed pursuant to this Condition 6(e) will be redeemed at their Early Redemption Amount referred to in Condition 6(f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(f) ***Early Redemption Amounts***

For the purpose of Conditions 6(b) and 6(e) above and 6(i) below and Condition 9, each Covered Bond will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of a Covered Bond with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of a Covered Bond (other than a Zero Coupon Covered Bond) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Covered Bond is denominated, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (iii) in the case of a Zero Coupon Covered Bond, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (a) the Reference Price; and
 - (b) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable,

or such other amount as is provided in the applicable Final Terms.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made (i) in the case of a Zero Coupon Covered Bond payable in a Specified Currency other than euro, on the basis of a 360-day year consisting of 12 months of 30 days each or (ii) in the case of a Zero Coupon Covered Bond payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non leap year divided by 365) or (iii) on such other calculation basis as may be specified in the applicable Final Terms.

(g) ***Purchases***

The Issuer or any of its subsidiaries or the LLP may at any time purchase or otherwise acquire Covered Bonds (provided that, in the case of Bearer Definitive Covered Bonds, all unmatured Coupons and Talons appertaining thereto are attached thereto or surrendered therewith) at any price and in any manner. If purchases are made by tender, tenders must be available to all the Covered Bondholders alike. Such Covered Bonds may be held, reissued, resold or, at the option of the Issuer or the relevant subsidiary, surrendered to any Paying Agent and/or the Registrar for cancellation (except that any Covered Bonds purchased or otherwise acquired by the LLP must immediately be surrendered to any Paying Agent and/or the Registrar for cancellation).

(h) ***Cancellation***

All Covered Bonds which are redeemed will forthwith be cancelled (together with, in the case of Bearer Definitive Covered Bonds, all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Covered Bonds so cancelled and any Covered Bonds purchased and surrendered for cancellation pursuant to Condition 6(g) above and cancelled (together with, in the case of Bearer Definitive Covered Bonds, all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be held, reissued or resold.

(i) ***Late payment on Zero Coupon Covered Bonds***

If the amount payable in respect of any Zero Coupon Covered Bond upon redemption of such Zero Coupon Covered Bond pursuant to Conditions 6(a), (b), (c), (d) or (e) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Covered Bond shall be the amount calculated as provided in Condition 6(f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Covered Bond becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Covered Bond have been paid; and
- (ii) the date on which the full amount of the monies payable in respect of such Zero Coupon Covered Bonds has been received by the Principal Paying Agent or the Bond Trustee or the Registrar and notice to that effect has been given to the Covered Bondholders either in accordance with Condition 13 or individually.

(j) ***Certification on redemption under Conditions 6(b), 6(c), 6(d) and 6(e)***

Prior to the publication of any notice of redemption pursuant to Conditions 6(b), 6(c), 6(d) and 6(e), the Issuer shall deliver to the Bond Trustee a certificate signed by two Authorised Signatories (as defined in the Master Definitions and Construction Agreement) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds and Couponholders.

7. Taxation

All payments of principal and interest (if any) in respect of the Covered Bonds and Coupons by or on behalf of the Issuer or the LLP, as the case may be, will be made free and clear of, and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the United Kingdom or any political sub-division thereof or by any authority therein or thereof having power to tax unless such withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In the event of a withholding or deduction being made by the Issuer in respect of a payment made by it, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the Covered Bondholders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Covered Bonds or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Covered Bond or Coupon presented for payment:

- (a) in the United Kingdom; or
- (b) by or on behalf of a holder who (i) is able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other claim for exemption to the relevant taxing authority but fails to do so; or (ii) is liable for such taxes, duties, assessments or governmental charges in respect of such Covered Bonds or Coupons (as the case may be) by reason of his having some connection with the United Kingdom other than merely by reason of the holding of such Covered Bonds or Coupons; or

- (c) more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on the last day of such period of 30 days; or
- (d) where the holder is able to avoid such withholding or deduction by presenting an appropriate certificate; or
- (e) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such directive; or
- (f) by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Covered Bond or Coupon to another Paying Agent in a Member State of the European Union.

As used herein:

Relevant Date means the date on which such payment in respect of the Covered Bond or Coupon first becomes due and payable, except that, if the full amount of the monies payable on such date has not been duly received by the Bond Trustee, the Registrar or the Principal Paying Agent on or prior to such date, it means the date on which such monies have been so received, notice to that effect having been given to the Covered Bondholders in accordance with Condition 13.

Should any payments made by the LLP under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes or duties of whatever nature imposed or levied by or on account of the United Kingdom or any political sub-division thereof or by any authority therein or thereof having power to tax, the LLP will not be obliged to pay any additional amounts as a consequence.

8. Prescription

The Covered Bonds (whether in bearer or registered form) and Coupons will become void unless presented for payment within 10 years (in the case of principal) and 5 years (in the case of interest) in each case from the Relevant Date (as defined in Condition 7) therefor, subject in each case to the provisions of Condition 5.

There shall not be included in any Coupon sheet issued on exchange of a Talon, any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5 or any Talon which would be void pursuant to Condition 5.

9. Events of Default and Enforcement

(a) Issuer Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9(a) means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in Sterling converted into Sterling at the relevant Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds

then Outstanding shall, (but in the case of the happening of any of the events mentioned in subparagraph (ii) below, only if the Bond Trustee shall have concluded in its absolute discretion in writing to the Issuer and the LLP that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, provided that a breach of any obligation of the Issuer to provide notices, reports or other information to the relevant UK regulatory authority under the RCB Regulations and/or the RCB Sourcebook shall not, in itself, be considered materially prejudicial to the interests of the Covered Bondholders by the Bond Trustee) (subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction), give notice (an **Issuer Acceleration Notice**) in writing to the Issuer that as against the Issuer (but not, for the avoidance of doubt, against the LLP under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Trust Deed if any of the following events (each an **Issuer Event of Default**) shall occur and be continuing:

- (i) the Issuer fails to pay any principal or interest in respect of the Covered Bonds or any of them and the default continues for a period of 14 days or more (in the case of interest) or 7 days or more (in the case of principal) following the due date; or
- (ii) if the Issuer fails to perform or observe any obligations under the Covered Bonds or Coupons of any Series, the Trust Deed or any other Transaction Document to which the Issuer is a party (other than the Programme Agreement and the Subscription Agreement) but excluding any obligation of the Issuer to comply with the Asset Coverage Test or any representation or warranty given by the Issuer in respect of the Asset Coverage Test, and such failure continues for the period of 30 days next following the service by the Bond Trustee on the Issuer of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy, in which case no period of continuation will apply and no notice by the Bond Trustee will be required); or
- (iii) if an administrator or other similar official is appointed in relation to the Issuer or any Material Subsidiary or in relation to the whole or, in the opinion of the Bond Trustee, a material part of the assets of any of them or if an encumbrancer takes possession of, or an administrative or other receiver is appointed in relation to, the whole or, in the opinion of the Bond Trustee, any material part of the assets of the Issuer or a Material Subsidiary or a distress, diligence or execution is levied or enforced upon or sued out against the whole or, in the opinion of the Bond Trustee, any material part of the assets of the Issuer or a Material Subsidiary and, in any such case, is not discharged within 60 days; or
- (iv) if the Issuer ceases to carry on its business or substantially the whole of its business (except in any case in connection with a substitution pursuant to Condition 14 and Clause 22 of the Trust Deed), or for the purpose of or in connection with a reconstruction, union, transfer (of engagements or business), reorganisation, merger or amalgamation the terms of which have previously been approved in writing by the Bond Trustee or by an Extraordinary Resolution); or
- (v)
 - (a) any payment aggregating an amount of at least £10,000,000 (or its equivalent in any other currency or currencies) in respect of the principal of or any premium of or interest on any Indebtedness for Monies Borrowed of the Issuer or any Material Subsidiary is not made on its due date (or by the expiry of any applicable grace period therefor); or
 - (b) any Indebtedness for Monies Borrowed of the Issuer or any Material Subsidiary having an outstanding aggregate principal amount of at least

£10,000,000 (or its equivalent in any other currency or currencies) becomes due and payable prior to its stated maturity by reason of default; or

- (c) if any guarantee of or indemnity in respect of any payment aggregating an amount of at least £10,000,000 (or its equivalent in any other currency or currencies) in respect of any Indebtedness for Monies Borrowed of any third party given by the Issuer or any Material Subsidiary is not honoured when due and called upon (or by the expiry of any applicable grace period therefor); or
- (vi) if, except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Bond Trustee or by an Extraordinary Resolution of the Covered Bondholders or for the purposes of a solvent winding-up where the assets of a Material Subsidiary attributable directly or indirectly to the Issuer are distributed to any one or more of the Issuer and the other Subsidiaries which are, or would as a result become, Material Subsidiaries:
 - (a) a Material Subsidiary stops payment to its creditors generally or ceases to carry on the whole or, in the opinion of the Bond Trustee, substantially the whole of its business; or
 - (b) an order is made by any competent court or resolution is passed for the winding-up or dissolution of any Material Subsidiary; or
- (vii) if an Asset Coverage Test Breach Notice has been served and not revoked (in accordance with the terms of the Transaction Documents) on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice.

Indebtedness for Monies Borrowed means any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of (1) money borrowed, (2) liabilities under or in respect of any acceptance or acceptance credit or (3) any notes, bonds, debentures, debenture stock, loan stock or other securities offered, issued or distributed whether by way of public offer, private placing, acquisition consideration or otherwise and whether issued for cash or in whole or in part for a consideration other than cash.

Material Subsidiary shall mean any Subsidiary of the Issuer whose total assets (attributable to the Issuer) are equal to 10 per cent. or more of the consolidated total assets of the Issuer and its Subsidiaries.

A certificate signed by two Authorised Signatories (as defined in the Master Definitions and Construction Agreement) of the Issuer that in their opinion a Subsidiary of the Issuer is or is not or was or was not at any particular time or throughout any specified period a Material Subsidiary may be relied upon by the Bond Trustee without further enquiry or evidence and, if so relied upon shall, in the absence of manifest error be conclusive and binding on all parties.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 9(a), the Bond Trustee shall forthwith serve a notice to pay (the **Notice to Pay**) on the LLP pursuant to the Covered Bond Guarantee and the LLP shall be required to make payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings against the Issuer in accordance with the first paragraph of Condition 9(c).

The Trust Deed provides that all monies received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice and a Notice to Pay (the **Excess Proceeds**), shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the LLP for its own account, as soon as practicable, and shall be held by the LLP in the LLP Accounts and the Excess Proceeds shall thereafter form part of the Security and shall be used by the LLP in the same manner as all other monies from time to time standing to the credit of the LLP Accounts pursuant to the Deed of Charge and the LLP Deed. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds and Coupons. However, the obligations of the LLP under the Covered Bond Guarantee are (following service of a Notice to Pay) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds and payments to the LLP of such Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the LLP in the manner as described above.

(b) ***LLP Events of Default***

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 9(b) means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in Sterling converted into Sterling at the relevant Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds then outstanding shall (subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction), but in the case of the happening of any of the events described in paragraph (ii) below, only if the Bond Trustee shall have certified in writing to the Issuer and the LLP that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, give notice (the **LLP Acceleration Notice**) in writing to the Issuer and to the LLP, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the LLP under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due and payable under the Covered Bonds (other than additional amounts payable under Condition 7), in each case as provided in the Trust Deed and thereafter the Security shall become enforceable if any of the following events (each an **LLP Event of Default**) shall occur and be continuing:

- (i) default is made by the LLP for a period of seven (7) days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series (except in the case of the payments of a Guaranteed Amount when Due for Payment under Condition 6(a), where the LLP shall be required to make payments of Guaranteed Amounts which are Due for Payment on the dates specified therein); or
- (ii) if default is made by the LLP in the performance or observance of any obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Trust

Deed, the Deed of Charge or any other Transaction Document to which the LLP is a party and (except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy, when no such continuation and notice as is hereinafter mentioned will be required) such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the LLP requiring the same to be remedied; or

- (iii) an order is made or an effective resolution passed for the liquidation or winding-up of the LLP; or
- (iv) if the LLP ceases or threatens to cease to carry on its business or substantially the whole of its business except for the purpose of or in connection with a reconstruction, union, transfer (of engagements or business), reorganisation, merger or amalgamation the terms of which have previously been approved in writing by the Bond Trustee or by an Extraordinary Resolution; or
- (v) the LLP shall stop payment or shall be unable, or shall admit inability, to pay its debts generally as they fall due or shall be adjudicated or found bankrupt or insolvent; or
- (vi) proceedings are initiated against the LLP under any applicable liquidation, winding-up, insolvency, bankruptcy, composition, reorganisation or other similar laws (including, but not limited to, presentation of a petition or the filing of documents with a court or any registrar for its winding-up, administration or dissolution or the giving notice of the intention to appoint an administrator (whether out of court or otherwise)) or a receiver and/or manager, administrative receiver, administrator, trustee or other similar official shall be appointed (whether out of court or otherwise) in relation to the LLP or in relation to the whole or any part of its assets, or a distress, diligence or execution or other process shall be levied or enforced upon or sued out against the whole or any part of its assets, and, in any such case, is not discharged within 20 days, or if the LLP shall initiate or consent to judicial proceedings relating to itself under any applicable liquidation, winding-up, insolvency, bankruptcy, composition, reorganisation or other similar laws or shall make a conveyance, assignment or assignation for the benefit of, or shall enter into any composition with, its creditors generally; or
- (vii) a failure to satisfy the Amortisation Test (as set out in the LLP Deed) on any 12th day of each month (or, if that is not a Business Day, then the immediately preceding Business Day) (the **Calculation Date**) following an Issuer Event of Default; or
- (viii) the Covered Bond Guarantee is not, or is claimed by the LLP not to be, in full force and effect.

Following the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice on the LLP, each of the Bond Trustee and the Security Trustee may or shall take such proceedings or steps in accordance with the first and third paragraphs, respectively, of Condition 9(c) and the Covered Bondholders (or the Bond Trustee on their behalf) shall have a claim against the LLP, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due and payable under the Covered Bonds (other than additional amounts payable under Condition 7) as provided in the Trust Deed in respect of each Covered Bond.

(c) ***Enforcement***

The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings, steps or action against the Issuer and/or the LLP, as the case may be, and/ or any other person as it may think fit to enforce the provisions of the Trust Deed, the Covered Bonds or the Coupons or any other Transaction Document to which it is a party, but it shall not be bound to take any such proceedings, steps or actions in relation to the Trust Deed, the Covered Bonds or the Coupons or any other Transaction Document unless (i) it shall have been so directed by an Extraordinary Resolution of all the Covered Bondholders of all Series (with the Covered Bonds of all Series taken together as a single Series as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into Sterling at the relevant Covered Bond Swap Rate as aforesaid) and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series and shall not have regard to the interests of any other Secured Creditors.

The Security Trustee may at any time, at its discretion and without further notice, take such proceedings, steps or action against the Issuer and/or the LLP and/or any other person as it may think fit to enforce the provisions of the Deed of Charge or any other Transaction Document to which it is a party, and may, at any time after the Security has become enforceable, take such steps as it may think fit to enforce the Security, but it shall not be bound to take any such steps unless (i) it shall have been so directed by the Bond Trustee itself acting at its sole discretion or as directed by an Extraordinary Resolution of all the Covered Bondholders of all Series (with the Covered Bonds of all Series taken together as a single Series as aforesaid) or a request in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together converted into Sterling at the relevant Covered Bond Swap Rate as aforesaid); and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph the Security Trustee shall only have regard to the interests of the Covered Bondholders of all Series and shall not have regard to the interests of any other Secured Creditors. In having regard to the interests of the Covered Bondholders, the Security Trustee shall be entitled to rely solely on a written confirmation from the Bond Trustee as to whether, in the opinion of the Bond Trustee, any matter, action or omission is or is not in the interests of, or is or is not prejudicial or materially prejudicial to the interests of, the Covered Bondholders.

No Covered Bondholder or Couponholder shall be entitled to proceed directly against the Issuer or the LLP or to take any action with respect to the Trust Deed, the Covered Bonds, the Coupons or the Security unless the Bond Trustee or the Security Trustee, as applicable, having become bound so to proceed, fails so to do within a reasonable time and such failure shall be continuing and unremedied.

10. Replacement of Covered Bonds, Coupons and Talons

Should any Covered Bond, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent in London (in the case of Bearer Covered Bonds or Coupons) or the Registrar (in the case of Registered Covered Bonds), or any other place approved by the Bond Trustee of which notice shall have been published in accordance with Condition 13, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Covered Bonds, Coupons or Talons must be surrendered before replacements will be issued.

11. Principal Paying Agent, Paying Agents, Registrar, Transfer Agent and Exchange Agent

The names of the initial Principal Paying Agent, the other initial Paying Agents, the initial Registrar, the initial Transfer Agent, the initial Exchange Agent and their initial specified offices are set out below.

In the event of the appointed office of any such bank being unable or unwilling to continue to act as the Principal Paying Agent, or failing duly to determine the Rate of Interest, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint the London office of such other bank as may be approved by the Bond Trustee to act as such in its place. The Principal Paying Agent may not resign its duties or be removed from office without a successor having been appointed as aforesaid.

The Issuer is entitled, with the prior written approval of the Bond Trustee, to vary or terminate the appointment of any Paying Agent, the Agent Bank, the Registrar, any Transfer Agent or the Exchange Agent and/or appoint additional or other Paying Agents or Transfer Agents or the Agent Bank, the Registrar or the Exchange Agent and/or approve any change in the specified office through which any Paying Agent, the Agent Bank, the Registrar, any Transfer Agent or the Exchange Agent acts, provided that:

- (a) there will at all times be a Principal Paying Agent, an Agent Bank and a Registrar;
- (b) the Issuer will, so long as any of the Covered Bonds is outstanding, maintain a Paying Agent (which may be the Principal Paying Agent) having a specified office in a city approved by the Bond Trustee in continental Europe;
- (c) so long as any of the Covered Bonds are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Covered Bonds) and a Transfer Agent (in the case of Registered Covered Bonds) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or, as the case may be, other relevant authority;
- (d) so long as any of the Registered Global Bonds payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with an office in New York City; and
- (e) the Issuer will ensure that it maintains a Paying Agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such directive if any.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(e). Notice of any such variation, termination, appointment or change will be given by the Issuer to the Covered Bondholders as soon as reasonably practicable in accordance with Condition 13.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and the LLP and, in certain circumstances specified therein, of the Bond Trustee and do not assume any obligation to, or relationship of agency or trust with, any Covered Bondholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or

converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Bearer Covered Bond to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. Notices

All notices regarding the Bearer Covered Bonds will be valid if published in the Financial Times or any other daily newspaper in London approved by the Bond Trustee or, if this is not possible, in one other English language daily newspaper approved by the Bond Trustee with general circulation in the United Kingdom. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Bearer Covered Bonds are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers or, where published in such newspapers on different dates, the last date of such first publication.

All notices regarding the Registered Covered Bonds will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth weekday after mailing and, in addition, for so long as any Registered Covered Bonds are listed, quoted or traded on a stock exchange or are admitted to listing by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

So long as the Covered Bonds are represented in their entirety by any Global Covered Bonds held on behalf of DTC and/or Euroclear and/or Clearstream, Luxembourg, there may be substituted for such publication in such newspaper(s) the delivery of the relevant notice to DTC and/or Euroclear and/or Clearstream, Luxembourg for communication by them to the Covered Bondholders and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of the stock exchange, or as the case may be, other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or, as the case may be, any other relevant authority. Any such notice shall be deemed to have been given to the Covered Bondholders on the day on which the said notice was given to DTC and/or Euroclear and/or Clearstream, Luxembourg.

14. Meetings of Covered Bondholders, Modification, Waiver and Substitution

- (a) Covered Bondholders, Couponholders and other Secured Parties should note that the Issuer, the LLP and the Principal Paying Agent may without their consent or the consent of the Bond Trustee or the Security Trustee agree to modify any provision of any Final Terms which is of a formal, minor or technical nature or is made to correct a proven or manifest error or to comply with any mandatory provisions of law.

(b) **Meetings of Covered Bondholders**

The Trust Deed contains provisions for convening meetings of the Covered Bondholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions or the provisions of the Trust Deed. The quorum at any such meeting in respect of any Covered Bonds of any Series for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing the Covered Bondholders whatever the nominal amount of the Covered Bonds of such Series so held or represented, except that at any meeting the business of which includes the modification of any Series Reserved Matter, the quorum shall be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Covered Bondholders of a Series shall, subject as provided below, be binding on all the Covered Bondholders of such Series, whether or not they are present at the meeting, and on all Couponholders in respect of such Series of Covered Bonds. Pursuant to the Trust Deed, the Bond Trustee or the Issuer may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between such Covered Bondholders, in which event the provisions of this paragraph shall apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 9 or to direct the Bond Trustee or the Security Trustee to take any enforcement action (each a **Programme Resolution**) shall only be capable of being passed at a single meeting of the Covered Bondholders of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the LLP or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the nominal amount of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the Covered Bondholders of all Series shall be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting, and on all related Couponholders in respect of such Series of Covered Bonds.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Sterling, the nominal amount of the Covered Bonds of any Series not denominated in Sterling shall be converted into Sterling at the relevant Covered Bond Swap Rate.

(c) **Modifications and waivers**

The Bond Trustee, the Security Trustee (acting on the directions of the Bond Trustee, so long as there are any Covered Bonds outstanding or all of the other Secured Creditors, if there are no Covered Bonds outstanding), the LLP and the Issuer may also agree, without the consent of the Covered Bondholders or Couponholders of any Series and without the consent of the other Secured Creditors, to:

- (i) any modification (other than in relation to a Series Reserved Matters) of the Covered Bonds of one or more Series, the related Coupons or any Transaction Document

provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of any of the Covered Bondholders of any Series; or

- (ii) any modification of the Covered Bonds of any one or more Series, the related Coupons or any Transaction Document which is, in the opinion of the Bond Trustee, of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of law.

Notwithstanding the above provisions of paragraph (c):

- (i) the Issuer, the LLP and the Principal Paying Agent may agree, without the consent of the Bond Trustee, the Security Trustee, the Covered Bondholders or Couponholders or any of the other Secured Creditors, to any modification of any of the provisions of any Final Terms which is of a formal, minor or technical nature or is made to correct a proven or manifest error or to comply with any mandatory provisions of law.
- (ii) the Issuer and the LLP may request the Bond Trustee and the Security Trustee to agree to modifications to the Transaction Documents and/or the Terms and Conditions of the Covered Bonds to enable the Covered Bonds issued under the Programme to qualify as regulated covered bonds under the RCB Regulations or any replacement or amended regulations. Each of the Bond Trustee and the Security Trustee shall agree to such modifications without the consent or sanction of any of the Covered Bondholders or the Couponholders and without the consent or sanction of any other Secured Creditors, subject to receipt by the Bond Trustee and the Security Trustee of: (a) a certificate signed by two directors of the Issuer and a certificate of a Designated Member of the LLP, each certifying to the Bond Trustee and the Security Trustee (i) that the requested amendments are to be made solely for the purpose of enabling the Covered Bonds to qualify as regulated covered bonds under the RCB Regulations or any replacement of amended regulations and (ii) that the requested amendments are not, in the opinion of the Issuer or the LLP, materially prejudicial to the interests of any Covered Bondholders or any Secured Creditor. Neither the Bond Trustee nor the Security Trustee shall be obliged to agree to any amendment which, in the sole opinion of the Bond Trustee or the Security Trustee, as the case may be, would have the effect of (a) exposing the Bond Trustee or the Security Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee or the Security Trustee in the Transaction Documents and/or the Terms and Conditions of the Covered Bonds.
- (iii) the Bond Trustee shall, without the consent of the holders of any of the Covered Bonds which are issued after 9 December 2013 and which are not consolidated and do not form a single Series with any Covered Bonds issued prior to such date or any other Secured Creditor, (other than any Secured Creditor party to the relevant Transaction Document to be amended) and shall direct the Security Trustee to agree to EMIR Related Modifications (as defined below), subject to receipt by the Bond Trustee and the Security Trustee of a certificate signed by two Authorised Signatories of the Issuer or by a Designated Member of the LLP (upon which the Bond Trustee and the Security Trustee may rely without further enquiry or liability to any person) certifying to the Bond Trustee and the Security Trustee that the requested amendments to the Conditions applying to Covered Bonds of any one or more Series (including these Conditions) and/or any relevant Transaction Document(s) are to be made solely for the purpose of enabling the Issuer or the LLP to satisfy any requirements which apply to either of them under Regulation (EU)

648/2012 (the **European Market Infrastructure Regulation**, or **EMIR**) (any such amendment, an **EMIR Related Modification**) and on the matters (a) and (b) set out below and the holders of such Covered Bonds and the other Secured Creditors shall be deemed to have instructed the Bond Trustee and the Security Trustee to concur in making any and all such EMIR Related Modifications. For the avoidance of doubt, in relation to any Series of Covered Bonds issued prior to 9 December 2013, such modifications must be made pursuant to other provisions of this Condition 14, as applicable. The Bond Trustee and the Security Trustee shall not be obliged to agree to any EMIR Related Modification which, in the sole opinion of the Bond Trustee or the Security Trustee, as applicable, would have the effect of:

- (a) exposing the Bond Trustee and/or the Security Trustee, as applicable, to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction, or
- (b) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee and/or the Security Trustee, as applicable, in the Transaction Documents and/or the Conditions of the Covered Bonds.

The powers conferred by this Condition 14(c)(iii) shall not extend to a Series Reserved Matter. Neither the Bond Trustee nor the Security Trustee shall be responsible or liable in damages or otherwise to any party or person for any loss incurred by reason of the Bond Trustee and/or the Security Trustee consenting to or concurring in any amendment, replacement and/or modification in respect of this Condition 14(c)(iii).

The Bond Trustee may also agree, without the consent of the Covered Bondholders of any Series, the related Couponholders, to the waiver or authorisation of any breach or proposed breach of any of the provisions of the Covered Bonds of any Series, or determine, without any such consent as aforesaid, that any Issuer Event of Default or LLP Event of Default or Potential Issuer Event of Default or Potential LLP Event of Default shall not be treated as such, provided that, in any such case, it is not, in the opinion of the Bond Trustee, materially prejudicial to the interests of any of the Covered Bondholders of any Series. Save as otherwise expressly provided in the Deed of Charge, the Security Trustee shall agree to the waiver or authorisation of any breach or proposed breach of any of the provisions of any Transaction Document only if so directed by (a) the Bond Trustee, so long as there are any Covered Bonds outstanding or (b) all of the other Secured Creditors, if there are no Covered Bonds outstanding.

In respect of any proposed modification, waiver, authorisation or determination, prior to the Bond Trustee agreeing to any such modification, waiver, authorisation or determination pursuant to this Condition 14, the Issuer must send written confirmation to the Bond Trustee that such modification, waiver, authorisation or determination, as applicable, would not result in a breach of the RCB Regulations or result in the Issuer and/or the Programme ceasing to be registered under the RCB Regulations and that either:

- (a) such modification, waiver, authorisation or determination would not require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations; or
- (b) if such modification, waiver, authorisation or determination would require the FCA to be notified in accordance with Regulation 20 of the RCB Regulations, the Issuer has provided all information required to be provided to the FCA and the FCA has given its consent to such proposed modification, waiver, authorisation or determination.

Any such modification, waiver, authorisation or determination shall be binding on all the Covered Bondholders of all Series of Covered Bonds for the time being outstanding, the related Couponholders and the other Secured Creditors, and unless the Security Trustee and the Bond Trustee otherwise agree, any such modification shall be notified by the Issuer to the Covered Bondholders of all Series of Covered Bonds for the time being outstanding and the other Secured Creditors in accordance with the relevant terms and conditions as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any consent, approval, modification, waiver, authorisation or determination referred to in these Conditions), the Bond Trustee and the Security Trustee shall have regard to the general interests of the Covered Bondholders of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Covered Bondholders, Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee and the Security Trustee shall not be entitled to require, nor shall any Covered Bondholder or Couponholder be entitled to claim, from the Issuer, the LLP, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholder and/or Couponholders, except to the extent already provided for in Condition 7 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

In having regard to the interests of the Covered Bondholders, the Security Trustee shall be entitled to rely solely on a written confirmation from the Bond Trustee as to whether, in the opinion of the Bond Trustee, any matter, action or omission is or is not in the interests of or is not prejudicial or materially prejudicial to the interests of, the Covered Bondholders. The Bond Trustee shall have sole responsibility for resolving conflicts of interest as between Covered Bondholders or any Series of them, subject to and in accordance with the provisions of the Trust Deed and the Conditions.

In exercising or performing any of its discretions, rights, powers, trusts or duties under or in relation to these presents or any other Transaction Document (including without limitation, any consent, approval, modification, waiver, authorisation or determination referred to in these Conditions), the Bond Trustee may have regard to any Rating Agency Confirmation whether or not any such confirmation is addressed to, or provides that it may be relied on by, the Bond Trustee and irrespective of the method by which such confirmation is conveyed.

(d) Substitution

- (i) Subject as provided in the Trust Deed, the Bond Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Covered Bondholders, may agree, without the consent of the Covered Bondholders or Couponholders, to the substitution of any Successor in Business of the Issuer or of a Subsidiary of the Issuer or any such Successor in Business, not being in any such case a building society formed by the amalgamation of the Issuer and one or more other building societies pursuant to Section 93 of the Building Societies Act or a building society to which the Issuer has transferred all of its engagements pursuant to Section 94 of the Building Societies Act or the successor in accordance with Sections 97 to 102 of the Building Societies Act or a subsidiary of a mutual society to which the Issuer has transferred the whole of its business pursuant to Section 97 of the Building Societies Act (as modified by the Mutual Transfers Order) or any other order made in the future by HM Treasury under section 3 of the Funding and Mutual Societies Transfers Act, in place of the Issuer as principal debtor under the Covered Bonds and the Trust Deed, provided (in case of the substitution of any company which is a

Subsidiary of the Issuer or such Successor in Business) that the obligations of such Subsidiary in respect of the Covered Bonds and the Trust Deed in respect thereof shall be guaranteed by the Issuer or such Successor in Business in such form as the Bond Trustee may require.

- (ii) The Issuer has covenanted with the Bond Trustee in the Trust Deed that it will not transfer its business to a successor in accordance with Section 97 of the Building Societies Act unless either (1) the Bond Trustee receives a certification from the Issuer and the proposed successor that the proposed successor will be or (as the case may be) will remain an authorised person under the FSMA (or any statutory modification or re-enactment thereof) and the Issuer has received Rating Agency Confirmation for such transfer or (2) such transfer is approved by an Extraordinary Resolution of the Covered Bondholders.
- (iii) If the Issuer shall amalgamate with one or more other building societies pursuant to Section 93 of the Building Societies Act or transfer all of its engagements to another building society pursuant to Section 94 of the Building Societies Act or transfer the whole of its business to a successor in accordance with Sections 97 to 102 of the Building Societies Act or transfer the whole of its business to a subsidiary of a mutual society pursuant to Section 97 of the Building Societies Act (as modified by the Mutual Transfers Order) or any other order made in the future by HM Treasury under section 3 of the Funding and Mutual Societies Transfers Act, the successor will, pursuant to such provisions and provided that the Issuer has obtained a Rating Agency Confirmation for such amalgamation or transfer, automatically be substituted in place of the Issuer as principal debtor under the Trust Deed without any prior approval thereof being required from the Covered Bondholders, the Couponholders or the Bond Trustee.
- (iv) Any substitution pursuant to this Condition 14 shall be binding on the Covered Bondholders and the Couponholders and, unless the Bond Trustee agrees otherwise, shall be notified to the Covered Bondholders as soon as practicable thereafter in accordance with Condition 13.

It shall be a condition of any substitution pursuant to this Condition 14 that:

- (i) the Covered Bond Guarantee shall remain in place or be modified to apply *mutatis mutandis* and continue in full force and effect in relation to any Successor in Business or any Subsidiary of the Issuer or any other successor entity which is proposed to be substituted for the Issuer as principal debtor under the Covered Bonds and the Trust Deed; and
 - (ii) any successor to the Issuer, including any Successor in Business or any Subsidiary of the Issuer or of such Successor in Business, or any other building society, company or other successor entity of the kind referred to in Clause 22.3 of the Trust Deed, is included in the register of issuers pursuant to the RCB Regulations and that all other provisions of the RCB Regulations (including Regulation 20 of the RCB Regulations) are satisfied prior to the substitution of the Issuer.
- (e) **Rating Agencies**
- If:
- (a) a confirmation of rating or other response by a Rating Agency is a condition to any action or step under any Transaction Document; and

- (b) a written request for such confirmation or response is delivered to that Rating Agency by any of the LLP, the Issuer, Bond Trustee and/or the Security Trustee, as applicable (each a **Requesting Party**) and the Rating Agency indicates that it does not consider such confirmation or response necessary in the circumstances, the Requesting Party shall be entitled to assume that the then current ratings of the Covered Bonds on issue will not be downgraded or withdrawn by such Rating Agency as a result of such action or step. However, nothing in this Condition 14 shall in anyway affect the right of a Rating Agency to downgrade or withdraw its then Current Ratings of the Covered Bonds in such a manner as it sees fit.

The Bond Trustee and/or the Security Trustee shall be entitled to treat as conclusive a certificate signed by an Authorised Signatory of the Issuer or a Designated Member of the LLP as to any matter referred to in (b) above, and the Bond Trustee and/or the Security Trustee, shall not be responsible for any loss, liability, costs, damages, expenses or inconvenience that may be caused as a result.

For the purposes of this Condition 14:

Potential Issuer Event of Default means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute an Issuer Event of Default;

Potential LLP Event of Default means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute an LLP Event of Default;

15. Indemnification of the Bond Trustee and/or Security Trustee and Bond Trustee and/or Security Trustee Contracting with the Issuer and/or the LLP

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee or the Security Trustee is of the opinion that the interests of the Covered Bondholders of any one or more Series would be materially prejudiced thereby, the Bond Trustee or the Security Trustee shall not exercise such power, trust, authority or discretion without the approval of such Covered Bondholders of the Relevant Series by Extraordinary Resolution or by a direction in writing of such Covered Bondholders of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding or as otherwise required under the Transaction Documents.

The Trust Deed and the Deed of Charge contain provisions for the indemnification of the Bond Trustee and the Security Trustee and for their relief from responsibility, including provisions relieving them from taking any action unless indemnified and/or secured and/or pre-funded to their satisfaction.

The Trust Deed and the Deed of Charge also contain provisions pursuant to which each of the Bond Trustee and Security Trustee, respectively, is entitled, *inter alia*: (i) to enter into business transactions with the Issuer, the LLP and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the LLP and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Covered Bondholders or Couponholders or the other Secured Creditors and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

Neither the Bond Trustee nor the Security Trustee will be responsible for: (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee and the Security Trustee will be entitled to assume, until they each have written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Portfolio, including, without limitation, whether the Portfolio is in compliance with the Asset Coverage Test or the Amortisation Test; or (iv) monitoring whether Loans and Related Security satisfy the Eligibility Criteria. Neither the Bond Trustee nor the Security Trustee will be liable to any Covered Bondholder or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent chargee in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

Each of the Bond Trustee and the Security Trustee may refrain from taking any action or exercising any right, power, authority or discretion vested in it relating to the transactions contemplated in the Transaction Documents until it has been indemnified and/or secured and/or pre-funded to its satisfaction against any and all actions, charges, claims, costs, damages, demands, expenses, liabilities, losses and proceedings which might be sustained by it as a result and none of them will be required to do anything which may cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authorities or discretions if it has reasonable grounds for believing that repayment of such funds or adequate indemnity or security against such risk or liability is not assured to it.

16. Limited Recourse

The Covered Bondholders agree with the LLP and the Security Trustee that, notwithstanding any other provision of any Transaction Document, all obligations of the LLP to the Covered Bondholders in respect of the Secured Obligations owing to the Covered Bondholders are limited in recourse to the Charged Property and, upon the Security Trustee giving written notice to the Covered Bondholders that:

- (a) it has determined in its sole opinion that there is no reasonable likelihood of there being any further realisations in respect of the Charged Property (whether arising from enforcement of the Security or otherwise) which would be available to pay amounts outstanding under the Transaction Documents; and
- (b) all amounts available to be applied to pay amounts owing under the Transaction Documents have been so applied in accordance with the Transaction Documents,

the Covered Bondholders shall have no further claim against the LLP in respect of any amounts owing to them which remain unpaid and such unpaid amounts shall be deemed to be discharged in full.

17. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Covered Bondholders or the Couponholders to create and issue further bonds having terms and conditions the same as the Covered Bonds of any Series or the same in all respects save for the amount and date of the first payment of interest thereon, issue date and/or purchase price and so that the same shall be consolidated and form a single Series with the outstanding Covered Bonds of such Series.

18. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of this Covered Bond under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

19. Governing Law

The Trust Deed, the Agency Agreement, the Corporate Services Agreement, the Covered Bonds, the Coupons and the other Transaction Documents (other than each declaration of trust in relation to the sale of Scottish Loans and their Related Security to the LLP (each a **Scottish Declaration of Trust**) and certain supplemental security documents to be granted pursuant to the Deed of Charge) and any non-contractual obligations arising out of or in connection with them shall be governed by, and shall be construed in accordance with, English law unless specifically stated to the contrary. Each Scottish Declaration of Trust and certain supplemental security documents to be granted pursuant to the Deed of Charge will be governed by, and construed in accordance with, Scots law. Those aspects of the Transaction Documents specific to Northern Irish Loans will be construed in accordance with by Northern Irish law.

USE OF PROCEEDS

The gross proceeds from each issue of Covered Bonds will be used by the Issuer to make available Term Advances to the LLP pursuant to the terms of the Intercompany Loan Agreement, which in turn shall be used by the LLP (after swapping the proceeds of the Term Advances into Sterling, if necessary) either (i) to acquire Loans and their Related Security or (ii) to invest the same in Substitution Assets up to the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP:

- (i) to acquire Loans and their Related Security or to invest the same in Substitution Assets up to the prescribed limit; and/or
- (ii) if an existing Series, or part of an existing Series, of Covered Bonds is being refinanced by such issue of Covered Bonds, to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced; and/or
- (iii) subject to complying with the Asset Coverage Test, to make a Capital Distribution to a Member; and/or
- (iv) to deposit all or part of the proceeds into the GIC Account or, as applicable, the Stand-by GIC Account and/or (if so directed by the Issuer) in the LBS Reserve Fund Account (including, without limitation, to fund the Reserve Funds up to an amount not exceeding, as applicable, the Reserve Fund Required Amount or the LBS Reserve Fund Required Amount).

THE ISSUER

LEEDS BUILDING SOCIETY

Introduction

Leeds Building Society (the “Issuer” or the “Society”), formed in 1875, is the fifth largest building society in the United Kingdom¹ with assets at 30 June 2014 of £12.1 billion.

The Society generates business from a number of sources including a network of 67 high street branch offices in the United Kingdom, Ireland and Gibraltar, a customer telephone service centre, the Leeds Building Society website, postal savings and financial intermediaries.

The Society’s network of branches stretches from Aberdeen in the North to Southampton in the South and Belfast in the West to Norwich in the East. There are 27 branches in the Society’s heartland of Leeds and the rest of Yorkshire. The Society also operates outside of the United Kingdom in Gibraltar and Ireland.

The Society is committed to remaining an independent mutual building society. It strongly supports the concept of mutuality by seeking to give additional value to borrowers and investors and the communities it serves.

Constitution

The Society was incorporated in England on 21 January 1875 for an indefinite duration with registered number 320B. It is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority and operates in accordance with the Building Societies Act 1986 (the “Act”), the Financial Services and Markets Act 2000 and the Society’s Memorandum and Rules. It is an authorised building society within the meaning of the Act and is registered with the Financial Conduct Authority and the Prudential Regulation Authority, registered number 164992.

The affairs of the Society are conducted and managed by a Board of Directors who are appointed by the Society’s members and who serve in accordance with the Society’s Rules and Memorandum. The Board is responsible to the Society’s members for the proper conduct of the affairs of the Society and appoints and supervises the senior executives of the Society who are responsible to the Board for the day-to-day management of the Society.

The Society is a mutual organisation with qualifying retail investors and borrowers having membership rights. Eligibility to vote at General Meetings is governed by the Act and the Society’s Rules. No individual member is entitled to more than one vote on any resolution proposed at a General Meeting.

The Society’s registered and head office address is 105 Albion Street, Leeds LS1 5AS and the telephone number is 08450 505 065.

Subsidiaries

The Society operates the following principal wholly owned subsidiary companies:

- Leeds Financial Services Ltd –for the provision of financial services.

¹ Source: www.bsa.org.uk website

- Leeds Mortgage Funding Ltd – for the provision of mortgage finance.
- Leeds Overseas (Isle of Man) Ltd – for the provision of mortgage finance in the Isle of Man.
- Headrow Commercial Property Services Ltd – for the purpose of collecting rental income from commercial properties.
- Leeds Building Society Covered Bonds LLP – a provider of mortgage assets and guarantor of covered bonds (although incorporated as an LLP, the Society's interest is, in substance, equal to being a 100 per cent owned subsidiary).
- Albion No. 2 PLC – a provider of residential mortgage backed securities (which is not a subsidiary of the Issuer but has been consolidated for accounting purposes in the Issuer's annual report).

Board of Directors

The Directors of Leeds Building Society are listed below:

Directors	Position
Robin J. Ashton	Chairman
Peter A. Hill	Chief Executive
Philippa Brown	Non-Executive Director
Susan Cooklin	Non-Executive Director
David Fisher	Non-Executive Director
Philip Jenks	Non-Executive Director
Robin S. P. Litten	Finance Director
Les M. Platts	Vice Chairman
Abhai Rajguru	Non-Executive Director
Kim L. Rebecchi	Sales and Marketing Director
Ian Robertson	Non-Executive Director
Karen R Wint	Operations Director

A list of each Director's outside directorships as at 31 December 2013 can be found in the Society's 2013 annual business statement (a copy of which is incorporated by reference into this Prospectus).

Documents may be served on the above named directors at: c/o Deloitte LLP (Ref MP), 1 City Square, Leeds, LS1 2AL, which is the business address of such directors.

Robin J. Ashton has disclosed to the Society that a potential conflict of interest could arise between his duties to the Society and his separate duties as a director of Shawbrook Bank Limited (having its registered office at Lutea House, The Drive, Warley Hill Business Park, Great Warley, Brentwood, Essex, United Kingdom, CM13 3BE (and having company number 00388466)).

Shawbrook Bank Limited operates as a banking institution (regulated by the FCA with authorised number 204574) accepting private and business deposits from small to medium sized enterprises.

Ian Robertson has disclosed a potential conflict of interest to the Board as a director of the Homes and Communities Agency for England. Since 1 April 2012, the Homes and Communities Agency for England has been responsible for the regulation of social housing providers in England. The Homes and Communities Agency is part of the government and is the national housing and regeneration agency for England.

Given the business of the Society involves making mortgage loans to customers, and the nature of the mandate of the Homes and Communities Agency involves regulation and delivery of social housing, a potential conflict could arise were the Society to enter into any arrangement or have any contact on a business level with the Homes and Communities Agency.

Philip Jenks has disclosed to the Society that a potential conflict of interest could arise between his duties to the Society and his separate duties as a director of Charter Court Financial Services Group Ltd (company number 6712054) and its subsidiaries Charter Court Financial Services Ltd (company number 6749498), Charter Mortgages Ltd (company number 6749495) and Exact Mortgage Experts Ltd (company number 6749563) all of which have their registered office at 2 Charter Court, Broadlands, Wolverhampton, WV10 6TD. Charter Court Financial Services Group Ltd offers financial service solutions whilst Charter Mortgages Ltd operates as an originator of mortgages and Exact Mortgage Experts Ltd as an originator and a servicer of mortgages. These businesses may from time to time securitise loans originated by them under the name of Precise Mortgage Funding.

Les Platts has disclosed a potential conflict of interest to the Board as a director of A. J. Bell Holdings Ltd (having its registered office at Trafford House, Chester Road, Manchester, M32 0RS (having company number 4503206)). A. J. Bell Holdings Ltd is one of the UK's largest providers of online investment platforms and stockbroker services. It operates exclusively on an execution-only basis and also provides white labelling, dealing, custody and investment administration services to other financial services firms.

It is possible that in the future a potential conflict of interest could arise from the above mentioned businesses. In order to manage such a potential conflict, if such circumstances arose the relevant Board member would not be able to vote at any meeting of the Board of Directors which considered an engagement with that business.

Other than as set out above, no Director has any actual or potential conflict of interest between his or her duties to the Society and his or her private interests or other duties.

SUMMARY OF THE PRINCIPAL DOCUMENTS

Trust Deed

The Trust Deed, made between the Issuer, the LLP, the Bond Trustee and the Security Trustee on the Programme Date as supplemented on 2 October 2009, 5 October 2010, 15 December 2011, 27 December 2012 and 9 December 2013, is the principal agreement governing the Covered Bonds. The Trust Deed contains provisions relating to, *inter alia*:

- the constitution of the Covered Bonds and the terms and conditions of the Covered Bonds (as more fully set out under "*Terms and Conditions of the Covered Bonds*" above);
- the covenants of the Issuer and the LLP;
- the terms of the Covered Bond Guarantee (as described below);
- the enforcement procedures relating to the Covered Bonds and the Covered Bond Guarantee; and
- the appointment, powers and responsibilities of the Bond Trustee and the circumstances in which the Bond Trustee may resign or retire or be removed.

Covered Bond Guarantee

Under the terms of the Covered Bond Guarantee, if the Issuer defaults in the payment on the due date of any monies due and payable under or pursuant to the Trust Deed or the Covered Bonds or any Coupons, if any other Issuer Event of Default occurs (other than by reason of non-payment) or if an LLP Event of Default occurs, the LLP has agreed (subject as described below) to pay or procure to be paid (following service of an Issuer Acceleration Notice and Notice to Pay or, if applicable, an LLP Acceleration Notice) unconditionally and irrevocably to or to the order of the Bond Trustee (for the benefit of the Covered Bondholders), an amount equal to that portion of the Guaranteed Amounts which shall have become Due for Payment but would otherwise be unpaid, as of any Original Due for Payment Date or, if applicable, Extended Due for Payment Date, by the Issuer. Under the Covered Bond Guarantee, the Guaranteed Amounts will become due and payable on any earlier date on which an LLP Acceleration Notice is served.

Following the occurrence of an Issuer Event of Default and after the Covered Bonds have been declared due and payable by the Bond Trustee as against the Issuer, following service of an Issuer Acceleration Notice, the Bond Trustee is required to serve a Notice to Pay on the LLP. Payment by the LLP of the Guaranteed Amounts pursuant to the Covered Bond Guarantee is required to be made on the later of: (i) the day which is two Business Days following service of a Notice to Pay on the LLP; or (ii) the day on which the Guaranteed Amounts are otherwise Due for Payment.

All payments of Guaranteed Amounts by or on behalf of the LLP will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessment or other governmental charges of whatever nature, unless the withholding or deduction of such taxes, assessments or other governmental charges are required by law or regulation or administrative practice of any jurisdiction. If any such withholding or deduction is required, the LLP will pay the Guaranteed Amounts net of such withholding or deduction and shall account to the appropriate tax authority for the amount required to be withheld or deducted. The LLP will not be obliged to pay any

amount to the Bond Trustee or any holder of Covered Bonds or Coupons in respect of the amount of such withholding or deduction.

Under the terms of the Covered Bond Guarantee, the LLP agrees that its obligations under the Covered Bond Guarantee shall be as principal debtor and not merely as surety and shall be absolute and (following service of an Issuer Acceleration Notice and Notice to Pay or, if earlier, service of an LLP Acceleration Notice) unconditional, irrespective of, and unaffected by, any invalidity, irregularity or unenforceability of, or defect in, any provisions of the Trust Deed, the Deed of Charge, the Conditions, the applicable Final Terms, the Covered Bonds or the Coupons or any other Transaction Document or the absence of any action to enforce the same or the waiver, modification or consent by the Bond Trustee or any of the Covered Bondholders or Couponholders in respect of any provisions of the same or the obtaining of any judgment or decree against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defence of a guarantor.

Subject to the grace period specified in Condition 9(b) of the Conditions, failure by the LLP to pay the Guaranteed Amounts when Due for Payment will result in an LLP Event of Default.

The Trust Deed provides that the Excess Proceeds shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the LLP for its own account, as soon as practicable, and shall be held by the LLP in the GIC Account (or the Stand-by GIC Account, as applicable) and the Excess Proceeds shall thereafter form part of the Security and shall be used by the LLP in the same manner as all other monies from time to time standing to the credit of the GIC Account (or Stand-by GIC Account, as applicable). Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the Covered Bonds and Coupons. However, the obligations of the LLP under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and Notice to Pay or, if earlier, service of an LLP Acceleration Notice) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the LLP in the manner as described above.

The Trust Deed is governed by English law.

Intercompany Loan Agreement

On each Issue Date, the Issuer will use the proceeds of the Covered Bonds issued under the Programme to lend on that date an amount equal to the Principal Amount Outstanding on the Issue Date of the issue of the related Covered Bonds to the LLP by way of a Term Advance pursuant to the Intercompany Loan Agreement. Each Term Advance will be made in the Specified Currency of the relevant Series or Tranche, as applicable, of the Covered Bonds, as set out in the applicable Final Terms, and, if not denominated in Sterling, will be swapped into Sterling pursuant to the relevant Covered Bond Swap Agreement. The Sterling Equivalent of each Term Advance will be used by the LLP: (i) as consideration for the acquisition of Loans and their Related Security from the Seller pursuant to the terms of the Mortgage Sale Agreement, as described under – "*Mortgage Sale Agreement – Sale by the Seller of Loans and their Related Security*"; and/or (ii) to invest in Substitution Assets in an amount not exceeding the prescribed limit to the extent required to meet the requirements of Regulations 23 and 24(1)(a) of the RCB Regulations and the Asset Coverage Test and thereafter may be applied by the LLP: (a) as consideration in part for the acquisition of Loans and their Related Security from the Seller pursuant to the terms of the Mortgage Sale Agreement, as described under – "*Mortgage Sale Agreement – Sale by the Seller of Loans and their Related Security*"; and/or (b) to invest in Substitution Assets in an amount not exceeding the prescribed limit;

and/or (c) (subject to written confirmation from the LLP that on the relevant Issue Date it has not been served with an Asset Coverage Test Breach Notice which has not been revoked), to make a Capital Distribution to a Member; and/or (d) if an existing Series, or part of an existing Series, of Covered Bonds is being refinanced by such issue of Covered Bonds, to repay the Term Advance(s) corresponding to the Covered Bonds being so refinanced (after exchange into the currency of the Term Advance(s) being repaid, if necessary); and/or (e) to make a deposit in the GIC Account or, as applicable, the Stand-by GIC Account and/or (if so directed by the Issuer) the LBS Reserve Fund Account (including, without limitation, to fund the Reserve Funds to an amount not exceeding, as applicable, the Reserve Fund Required Amount or the LBS Reserve Fund Required Amount). Each Term Advance will bear interest at a rate of interest equal to the rate of interest payable on the corresponding Series or Tranche, as applicable, of Covered Bonds.

The Issuer will not be relying on repayment of any Term Advance in order to meet its repayment obligations under the Covered Bonds. The LLP will pay amounts due in respect of Term Advances(s) in accordance with the relevant Priorities of Payments. Prior to the service of an Asset Coverage Test Breach Notice (which has not been revoked) or a Notice to Pay on the LLP, amounts due in respect of each Term Advance will be paid by the LLP to, or as directed by, the Issuer on each Interest Payment Date, subject to paying all higher ranking amounts in the Pre-Acceleration Revenue Priority of Payments or, as applicable, the Pre-Acceleration Principal Priority of Payments. The Issuer may use amounts paid by the LLP due on the Term Advances to pay amounts due on the Covered Bonds. However, any failure by the LLP to pay any amounts due on the Term Advances will not affect the liability of the Issuer to pay the relevant amount due on the Covered Bonds. For so long as an Asset Coverage Test Breach Notice is outstanding and has not been revoked, the LLP may not borrow any new Term Advances (and the Issuer may not make any new Term Advances) under the Intercompany Loan Agreement.

The amounts owed by the LLP to the Issuer under the Term Advances will be reduced by: (i) any amounts paid by the LLP under the terms of the Covered Bond Guarantee to repay the Covered Bonds; and (ii) the Principal Amount Outstanding of any Covered Bonds (the proceeds of which were originally applied to make a Term Advance to the LLP) purchased by the LLP and cancelled in accordance with Condition 6(h).

The Intercompany Loan Agreement is governed by English law.

Mortgage Sale Agreement

Sale by the Seller of Loans and Related Security

Loans and their Related Security will be sold by the Seller to the LLP from time to time pursuant to the terms of the Mortgage Sale Agreement entered into between the Society (in its capacity as Seller), the LLP and the Security Trustee on the Programme Date as amended and restated on 2 October 2009 (as amended and/or supplemented and/or restated from time to time).

The Portfolio will consist of Loans and their Related Security sold from time to time by the Seller to the LLP in accordance with the terms of the Mortgage Sale Agreement. The types of Loans forming part of the Portfolio will vary over time provided that, at the time the relevant Loans are sold to the LLP, the Eligibility Criteria (as described below) in respect of such Loans are met on the relevant Transfer Date. Accordingly, the Portfolio may, at any time, include Loans with characteristics that were not being offered to Borrowers on previous Transfer Dates.

Prior to the occurrence of an Issuer Event of Default or an LLP Event of Default, the LLP will acquire Loans and their Related Security from the Seller in the three circumstances described below:

- (a) *first*, in relation to the issue of Covered Bonds from time to time in accordance with the Programme, the Issuer will make Term Advances to the LLP, the proceeds of which may be applied in whole or in part by the LLP to acquire Loans and their Related Security from the Seller. In exchange for the sale of the Loans and their Related Security to the LLP, the Seller will receive an amount equal to the True Balance of those Loans sold by it as at the Transfer Date, which will be satisfied by a combination of:
 - (i) a cash payment to be made by the LLP from the proceeds of the relevant Term Advance and/or from Available Principal Receipts (unless an Asset Coverage Test Breach Notice has been served and is unrevoked); and/or
 - (ii) the Seller being treated as having made a Capital Contribution in an amount equal to the difference between the aggregate of the True Balance of the Loans sold by the Seller as at the relevant Transfer Date and the cash payment (if any) made by the LLP; and
 - (iii) Deferred Consideration;
- (b) *second*, prior to service of an Asset Coverage Test Breach Notice on the LLP (which has not been revoked), the LLP will use the Available Principal Receipts to acquire New Loans and their Related Security from the Seller and/or Substitution Assets (in respect of any Substitution Assets, up to the prescribed limit) on each LLP Payment Date; and
- (c) *third*, the LLP and the Seller are required to ensure that the Portfolio is maintained at all times in compliance with the Asset Coverage Test (as determined by the Cash Manager on each Calculation Date). If on any Calculation Date there is a breach of the Asset Coverage Test the Seller will use all reasonable endeavours to offer to sell sufficient New Loans and their Related Security to the LLP on or before the next Calculation Date so that the Portfolio is in compliance with the Asset Coverage Test in consideration of the Seller being treated as having made a Capital Contribution (in an amount equal to the True Balance of the New Loans sold by the Seller as at the relevant Transfer Date) and in consideration of the right to receive the Deferred Consideration.

If Selected Loans and their Related Security are sold by or on behalf of the LLP as described below under "*LLP Deed – Requirement to sell Selected Loans following service of a Notice to Pay*", the obligations of the Seller insofar as they relate to those Selected Loans and their Related Security will cease to apply.

The Seller will also be required to repurchase Loans and their Related Security sold to the LLP in the circumstances described below under "*Repurchase of Loans*".

Eligibility Criteria

The sale of Loans and their Related Security to the LLP will be subject to various conditions (the **Eligibility Criteria**) being satisfied on the relevant Transfer Date or in respect of Additional Loan Advances, on the next Calculation Date, including:

- (a) no Issuer Event of Default or LLP Event of Default under the Transaction Documents shall have occurred which is continuing as at the relevant Transfer Date;

- (b) the LLP, acting on the advice of the Cash Manager, is not aware, and could not reasonably be expected to be aware, that the purchase of the New Portfolio on the relevant Transfer Date will adversely affect the then current rating by Moody's or Fitch of the Covered Bonds;
- (c) the weighted average yield on the Loans in the Portfolio (including the loans which it is proposed will be New Loans) is at least 0.15 per cent. greater than LIBOR for one month Sterling deposits after taking into account (i) the weighted average yield on the Loans; and (ii) the margins on the Interest Rate Swap and any additional interest rate swaps entered into by the LLP; and (iii) the average yield on any Substitution Assets held by the LLP;
- (d) if the sale of loans which it is proposed will be New Loans on the relevant Transfer Date includes the sale of New Loan Types to the LLP, the Security Trustee has received Rating Agency Confirmation that such New Loan Types may be sold to the LLP; and
- (e) the percentage of the Loans in the Portfolio that are buy-to-let (including the loans which it is proposed will be New Loans) will not exceed 15%;

provided that in each case, as certified by an Authorised Signatory of each of the Issuer and the LLP, if the Transfer Date is an Issue Date, of the conditions set out in (a) to (e) above, only conditions (a), (c) and (d) are required to be satisfied to effect an assignment and transfer of the loans which is proposed will be New Loans.

If the Seller accepts an application from or makes an offer (which is accepted) to a Borrower for a Product Switch or Additional Loan Advance, then if the Eligibility Criterion referred to in paragraph (c) relating to the Loan subject to that Product Switch or Additional Loan Advance is not satisfied on the next following Calculation Date, the LLP will be entitled to rectify the relevant breach of that Eligibility Criteria by requiring the Seller to transfer further Loans to the LLP in an amount sufficient to ensure that the Eligibility Criterion in paragraph (c) above is met.

On the relevant Transfer Date, the Representations and Warranties (described below in – "*Representations and Warranties*") will be given by the Seller in respect of the Loans and their Related Security sold by the Seller to the LLP.

Transfer of Title to the Loans to the LLP

English Loans and Northern Irish Loans and their Related Security will be sold by the Seller to the LLP by way of equitable assignment. Scottish Loans (if any) and their Related Security will be sold by the Seller to the LLP on the First Transfer Date by way of a Scottish Declaration of Trust and further Scottish Loans may be sold by the Seller to the LLP after the First Transfer Date by way of further Scottish Declarations of Trust, under which the beneficial interest in such Scottish Loans will be transferred to the LLP. In relation to Scottish Loans, references in this document to a sale of Loans or to Loans having been sold are to be read as references to the making of such Scottish Declarations of Trust. Such beneficial interest (as opposed to the legal title) cannot be registered or recorded in the Registers of Scotland. As a result, legal title to all of the Loans and their Related Security will remain with the Seller until legal assignments or assignments (as appropriate) are delivered by the Seller to the LLP and notice of the sale is given by the Seller to the Borrowers. Legal assignment or assignment (as appropriate) of the Loans and their Related Security (including, where appropriate, their registration or recording in the relevant property register) to the LLP will be deferred and will only take place in the limited circumstances described below.

Legal assignment or assignation (as appropriate) of the Loans and their Related Security to the LLP (or, where specified, of the Selected Loans and their Related Security) will be completed on or before the 20th Business Day after the earliest of the following:

- (a) either: (i) the occurrence of an Issuer Event of Default under Condition 9(a)(i) to 9(a)(vi) and service on the Issuer of an Issuer Acceleration Notice and the service on the LLP of a Notice to Pay; or (ii) if the Bond Trustee has previously served on the Issuer an Issuer Acceleration Notice and served on the LLP a Notice to Pay in respect of an Issuer Event of Default under Condition 9(a)(vii), then the occurrence of any other Issuer Event of Default;
- (b) a written direction is received by the Issuer from the FCA requiring the transfer of all of the engagements or the business of the Issuer to another entity in circumstances where the rights of borrowing members of the Society will cease (provided that, where approval of the transfer is required by either the relevant UK regulatory authority or by applicable law from the members of the Issuer, such approval is obtained);
- (c) in respect of Selected Loans only, at the request of the LLP following the acceptance of any offer to sell the Selected Loans and their Related Security to any person who is not the Seller;
- (d) the Seller and/or the LLP being required: (i) by law; (ii) by an order of a court of competent jurisdiction; (iii) by a regulatory authority which has jurisdiction over the Seller; or (iv) by any organisation of which the Seller is a member, or whose members comprise, but are not necessarily limited to, mortgage lenders and with whose instructions it is customary for the Seller to comply, to perfect legal title to the Loans; and
- (e) the Seller requesting a transfer by way of assignment or assignation (as appropriate) by giving notice in writing to the LLP and the Security Trustee.

Pending completion of the transfer, the right of the LLP to exercise the powers of the legal owner of, or (in Scotland) the heritable creditor under, the Mortgages will be secured by, or (in Scotland) supported by, an irrevocable power of attorney granted by the Seller in favour of the LLP and the Security Trustee.

Except where lodged with the relevant registry in relation to any registration or recording which may be pending at the Land Registry or the Registers of Scotland or the Registers of Northern Ireland, and save in relation to Loans which are Dematerialised Loans, the Title Deeds and Loan Files relating to the Loans in the Portfolio will be held by or to the order of the Seller or the Servicer, as the case may be, or by solicitors, licensed conveyancers or (in Scotland) qualified conveyancers acting for the Seller in connection with the creation of the Loans and their Related Security. The Seller or the Servicer, as the case may be, will undertake that, save in relation to Loans which are Dematerialised Loans, all the Title Deeds and Loan Files relating to the Loans in the Portfolio which are at any time in their possession or under their control or held to their order will be held to the order of the Security Trustee or as the Security Trustee may direct.

Representations and Warranties

None of the LLP, the Security Trustee or the Bond Trustee has made or has caused to be made on its behalf any enquiries, searches or investigations in respect of the Loans and their Related Security to be sold to the LLP. Instead, each is relying entirely on the Representations and Warranties by the Seller contained in the Mortgage Sale Agreement. The parties to the Mortgage

Sale Agreement may, with the prior written consent of the Security Trustee (which shall be given if Rating Agency Confirmation has been received by the LLP or the Issuer), amend the Representations and Warranties in the Mortgage Sale Agreement. The material Representations and Warranties are as follows and are given on the relevant Transfer Date in respect of the Loans and Related Security to be sold to the LLP only on that date and on the Calculation Date following the making of any Additional Loan Advance or Product Switch in respect of the Loan to which the Additional Loan Advance or Product Switch relates only:

- each English Loan and Northern Irish Loan was made not earlier than 1991 and each Scottish Loan was made not earlier than 1995;
- at least one monthly payment due in respect of each Loan has been paid by the relevant Borrower;
- no Loan has any arrears outstanding;
- no Loan relates to a Property which is not a residential property;
- no Loan has a True Balance of more than £1,000,000;
- each Loan has a remaining term of less than 50 years as at the relevant Transfer Date;

- subject to, in relation to a Right to Buy Loan, any charge or security which may arise or be granted in favour of the relevant local authority or other social landlord

- the True Balance on each Loan and its Related Security constitute a legal, valid, binding and enforceable debt due to the Seller from the relevant Borrower and the terms of each Loan and its Related Security constitute valid and binding obligations of the Borrower enforceable in accordance with their terms and non-cancellable except that enforceability may be limited by bankruptcy, insolvency or other similar laws of general applicability affecting the enforcement of creditors' rights generally and the court's discretion in relation to equitable remedies;
- all approvals, consents and other steps necessary to permit a legal or equitable or beneficial transfer, or a transfer of servicing or other disposal as and in the manner contemplated by the Transaction Documents from the Seller to the LLP, of the Loans and their related Mortgages to be sold under the Mortgage Sale Agreement have been obtained or taken and there is no requirement in order for the transfer to be effective to obtain the consent of the Borrower before, on or after any equitable or beneficial transfer or before any legal transfer of the Loans and their related Mortgages and such transfer or disposal shall not give rise to any claim by the Borrower against the LLP, the Security Trustee or any of their successors in title or assigns;
- all of the Properties are located in England or Wales, Scotland or Northern Ireland;
- unless the Loan is a Loan Without Independent Valuation, not more than 12 months (or a longer period as may be acceptable to a Reasonable, Prudent Mortgage Lender) prior to the granting of each Mortgage, the Seller received a Valuation Report on the relevant Property (or another form of report concerning the valuation of the relevant Property as would be acceptable to a Reasonable, Prudent Mortgage Lender), the contents of which were such as would be acceptable to a Reasonable, Prudent Mortgage Lender;
- prior to the taking of each Mortgage (other than a remortgage), the Seller: (a) instructed its solicitor, licensed conveyancer or (in Scotland) qualified conveyancer to carry out an investigation of title to the relevant Property and to undertake other searches, investigations, enquiries and other actions on behalf of the Seller in accordance with the instructions which the Seller issued to the relevant solicitor, licensed conveyancer or (in Scotland) qualified conveyancer as are set out, in the case of English Loans, in the CML's Lenders' Handbook for England and Wales (or, for Mortgages taken before the CML's Lenders' Handbook for England and Wales was adopted in 1999, the Seller's standard form instructions to solicitors) and, in the case of Scottish Loans, the CML's Lenders' Handbook for Scotland (or, for Mortgages taken before the CML's Lenders' Handbook for Scotland was adopted in 2000, the Seller's standard form instruction to solicitors) and, in the case of Northern Irish Loans, the CML's Lender's Handbook for Northern Ireland or other comparable or successor instructions and/or guidelines as may for the time being be in place,

subject only to those variations as would be acceptable to a Reasonable, Prudent Mortgage Lender and (b) received a Certificate of Title from the solicitor or licensed conveyancer or qualified conveyancer referred to in (a) above relating to such Property the contents of which were such as would have been acceptable to a Reasonable, Prudent Mortgage Lender at that time;

- buildings insurance cover for each Property is available under one of: (i) a buildings insurance policy arranged by the Borrower in accordance with the relevant Mortgage Conditions or under the buildings insurance policy arranged by the Seller; or (ii) in the case of a leasehold property or a commonhold property a buildings insurance policy arranged by the relevant landlord or property management company or commonhold association; or (iii) the Block Insurance Policy;
- immediately prior to the purchase of any Loan and the Related Security by the LLP, and subject to registration or recording at the Land Registry or the Registers of Scotland or (as the case may be) the Registers of Northern Ireland, the Seller has good title to, and is the absolute unencumbered legal and beneficial owner of, all property, interests, rights and benefits in relation to the Loans and Related Security agreed to be sold and/or assigned by the Seller to the LLP under the Mortgage Sale Agreement;
- the Seller has, since the making of each Loan, kept or procured the keeping of full and proper accounts, books and records as are necessary to show all material transactions, payments, receipts, proceedings and notices relating to such Loan;
- there are no governmental authorisations, approvals, licences or consents required as appropriate for the Seller to enter into or to perform its obligations under the Mortgage Sale Agreement or to render the Mortgage Sale Agreement legal, valid, binding, enforceable and admissible in evidence in a court in England and Wales which have not been obtained;
- each Loan and its Related Security will be "eligible property" for the purposes of Regulation 2 of the RCB Regulations;
- the rate of interest under each Loan is charged in accordance with the Standard Documentation, subject to the terms of any offer letter in relation thereto; and

If New Loan Types are to be sold to the LLP, then the Representations and Warranties in the Mortgage Sale Agreement will be modified as required to accommodate these New Loan Types. The prior consent of the Covered Bondholders to the requisite amendments will not be required to be obtained.

Repurchase of Loans

If the Seller receives a Repurchase Notice from the Cash Manager identifying a Loan or its Related Security in the Portfolio which does not, as at the relevant Transfer Date or relevant Calculation Date (in the case of an Additional Loan Advance), materially comply with the Representations and Warranties set out in the Mortgage Sale Agreement, then the Seller will be required to repurchase: (i) any such Loan and its Related Security; and (ii) any other Loan secured or intended to be secured by that Related Security or any part of it. The repurchase price payable upon the repurchase of any Loan is an amount (not less than zero) equal to the True Balance thereof. The repurchase proceeds received by the LLP will be applied (other than Accrued Interest and Arrears of Interest) in accordance with the Pre-Acceleration Principal Priority of Payments (see "*Cashflows*" below).

In addition to the foregoing circumstances, the Seller will also be required to repurchase a Loan or Loans and its or their Related Security sold by the Seller to the LLP where:

- (i) an Additional Loan Advance made in respect of a Loan results in certain Eligibility Criteria being breached;
- (ii) a Product Switch occurs and on the Calculation Date immediately following the making of the Product Switch, the relevant Loan does not materially comply with the Representations and Warranties; or
- (iii) if the Seller accepts an application from, or makes an offer to, a Borrower (which is accepted) for a Product Switch or Additional Loan Advance, at the option of the LLP in its sole discretion, or if the Seller intends to accept an application from, or to make an offer to, a Borrower for a Product Switch or Additional Loan Advance that would result in the LLP being required to be regulated by the relevant UK regulatory authority by reason of it entering into or arranging a Regulated Mortgage Contract.

Defaulted Loans

If a Seller receives a Defaulted Loans Notice from the Cash Manager identifying any Defaulted Loan, then that Defaulted Loan will be attributed a reduced weighting in the calculation of the Asset Coverage Test and the Amortisation Test as at the relevant Calculation Date. In addition, the Seller may, at its option, repurchase a Defaulted Loan and its Related Security from the LLP for an amount equal to its True Balance as at the date of repurchase.

General ability to repurchase

Prior to the occurrence of an Issuer Event of Default, the Seller may from time to time offer to repurchase a Loan and its Related Security from the LLP for a purchase price of not less than the aggregate True Balance of the relevant Loan. The LLP may accept such offer at its discretion.

Right of Pre-emption

Under the terms of the Mortgage Sale Agreement, the Seller has a right of pre-emption in respect of any sale, in whole or in part, of Selected Loans and their Related Security.

The LLP will serve on the Seller a Selected Loan Offer Notice offering to sell those Selected Loans and their Related Security for an offer price equal to the greater of the then True Balance of the Selected Loans and the Adjusted Required Redemption Amount, subject to the offer being accepted by the Seller within ten Business Days. If an Issuer Event of Default has occurred but no liquidator or administrator has been appointed to the Seller, the Seller's right to accept the offer (and

therefore its right of pre-emption) will be conditional upon the delivery by the Seller of a solvency certificate to the LLP and the Security Trustee. If the Seller rejects the LLP's offer or fails to accept it in accordance with the foregoing, the LLP will offer to sell the Selected Loans and their Related Security to other Purchasers (as described under "*LLP Deed – Sale of Selected Loans and their Related Security following the occurrence of an Issuer Event of Default*", below).

If the Seller validly accepts the LLP's offer to sell the Selected Loans and their Related Security, the LLP will, within three Business Days of such acceptance, serve a Selected Loan Repurchase Notice on the Seller. The Seller will sign and return a duplicate copy of the Selected Loan Repurchase Notice and will repurchase from the LLP free from the Security created by and pursuant to the Deed of Charge the relevant Selected Loans and their Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) referred to in the relevant Selected Loan Repurchase Notice. Completion of the purchase of the Selected Loans and their Related Security by the Seller will take place on the LLP Payment Date after receipt of the Selected Loans Repurchase Notice(s) or such date as the LLP may direct in the Selected Loans Repurchase Notice (provided that such date is not later than the earlier to occur of the date which is: (a) ten Business Days after receipt by the LLP of the returned Selected Loan Repurchase Notice; and (b) the Final Maturity Date of the Earliest Maturing Covered Bonds).

For the purposes hereof:

Adjusted Required Redemption Amount means, the Sterling Equivalent of the Required Redemption Amount, plus or minus the Sterling Equivalent of any swap termination amounts payable under the Covered Bond Swap Agreement by or to the LLP respectively in respect of the relevant Series of Covered Bonds less (where applicable) amounts standing to the credit of the LLP Accounts and the Sterling Equivalent of the principal balance of any Authorised Investments (excluding all amounts to be applied on the next following LLP Payment Date to repay higher ranking amounts in the Guarantee Priority of Payments and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds) plus or minus any swap termination amounts payable by or to the LLP respectively under the Interest Rate Swap Agreement.

Required Redemption Amount means, in respect of a Series of Covered Bonds, the amount calculated as follows:

$$\begin{array}{l} \text{the Principal Amount Outstanding of} \\ \text{the relevant Series of Covered} \\ \text{Bonds} \end{array} \times \begin{array}{l} (1+ \text{Negative Carry Factor} \times (\text{days to} \\ \text{maturity of the relevant Series of} \\ \text{Covered Bonds}/365)) \end{array}$$

Additional Loan Advances, Product Switches

The Seller is solely responsible for funding all Additional Loan Advances in respect of Loans sold by the Seller to the LLP, if any. The amount of the Seller's Capital Contribution will increase by the amount of the funded Additional Loan Advances. If the Seller (i) accepts an application from, or makes an offer (which is accepted) to, a Borrower for a Product Switch or an Additional Loan Advance, or (ii) intends to accept an application from, or make an offer to a Borrower, for a Product Switch or Additional Loan Advance which would result in the LLP being required to be regulated by the relevant UK regulatory authority by reason of it entering into or arranging a Regulated Mortgage Contract, the LLP may, in its sole discretion, serve on the Seller a Loan Repurchase Notice (in duplicate) requiring the Seller to repurchase the relevant Loan which is the subject of the Product Switch or Additional Loan Advance and its Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) provided that in the case of (i) above, the Seller may offer to sell the relevant Loan(s) back to the LLP as described above under "*Sale by the Seller of Loans and Related Security*".

Authorised Underpayments

In the event that the Seller permits a Borrower to make an Authorised Underpayment, the Seller will be required to pay to the LLP an amount equal to the unpaid interest associated with that Authorised Underpayment and the amount of any such payment shall be credited to the Revenue Ledger and shall constitute a Cash Capital Contribution by the Seller to the LLP.

New Sellers

In the future, any New Seller that wishes to sell loans and their related security to the LLP will accede to, *inter alia*, the Mortgage Sale Agreement and the LLP Deed as a Member. The sale of New Loans and their Related Security by New Sellers to the LLP will be subject to certain conditions, including the following:

- each New Seller accedes to the terms of the LLP Deed as Member (with such subsequent amendments as may be agreed by the parties thereto) so that it has, in relation to those New Loans and their Related Security to be sold by the relevant New Seller, substantially the same rights and obligations as the Seller had in relation to those Loans and their Related Security comprised in the Initial Portfolio under the LLP Deed;
- each New Seller accedes to the terms of the Mortgage Sale Agreement (with such subsequent amendments as may be agreed by the parties thereto) or enters into a new mortgage sale agreement with the LLP and the Security Trustee, in each case so that it has, in relation to those New Loans and their Related Security to be sold by the relevant New Seller, substantially the same rights and obligations as the Seller had in relation to those Loans and their Related Security comprised in the Initial Portfolio under the Mortgage Sale Agreement;
- each New Seller accedes to the Programme Agreement and enters into such other documents as may be required by the Security Trustee, the Bond Trustee and/or the LLP (acting reasonably) to give effect to the addition of a New Seller to the transactions contemplated under the Programme;
- each New Seller ensures that any New Loans and their Related Security sold by such New Seller to the LLP comply with criteria equivalent to the Eligibility Criteria and representations and warranties equivalent to the Representations and Warranties set out in the Mortgage Sale Agreement;
- each New Seller procures that either the Servicer services the New Loans and their Related Security sold by such New Seller on the terms set out in the Servicing Deed (with such subsequent amendments as may be agreed by the parties thereto) or the New Seller (or its nominee) enters into a servicing deed with the LLP and the Security Trustee which sets out the servicing obligations of the New Seller (or its nominee) in relation to the New Loans and their Related Security and which is on terms substantially similar to the terms set out in the Servicing Deed (fees payable to the Servicer or the New Seller (or its nominee) acting as servicer of such New Loans and their Related Security would be determined on the date of the accession of the New Seller to the Programme);
- the LLP and the Cash Manager certify in writing to the Security Trustee that any accession of a New Seller to the Programme will not prejudice the Asset Coverage Test; and

- the Security Trustee is provided with a Rating Agency Confirmation in relation to the accession of a New Seller to the Programme.

If the above conditions are met, the consent of the Covered Bondholders will not be obtained to the accession of a New Seller to the Programme.

The Mortgage Sale Agreement is governed by English law (other than certain aspects relating to Scottish Loans and their Related Security and Northern Irish Loans and their Related Security, which are governed by Scots law and Northern Irish law respectively).

Servicing Deed

Pursuant to the terms of the Servicing Deed entered into on the Programme Date and as supplemented on 15 December 2011 between the LLP, the Society (in its capacity as Servicer) and the Security Trustee, the Servicer has agreed to manage on behalf of the LLP the Loans and their Related Security sold by the Seller to the LLP.

The Servicer will be required to manage the Loans in accordance with the Servicing Deed and:

- (i) as if the Loans and their Related Security sold by the Seller to the LLP had not been sold to the LLP but remained with the Seller; and
- (ii) in accordance with the Seller's administration, arrears and enforcement policies and procedures forming part of the Seller's policy from time to time as they apply to those Loans.

The Servicer's actions in managing the Loans in accordance with the Servicing Deed will be binding on the LLP and the Secured Creditors.

The Servicer will have the power to exercise the rights, powers and discretions and to perform the duties of the LLP in relation to the Loans and their Related Security that it is servicing pursuant to the terms of the Servicing Deed, and to do anything which it reasonably considers necessary or convenient or incidental to the administration of those Loans and their Related Security.

Undertakings of the Servicer

Pursuant to the terms of the Servicing Deed, the Servicer will undertake in relation to those Loans and their Related Security that it is servicing, *inter alia*, to:

- act as collection agent for the LLP under the Direct Debiting Scheme in accordance with the provisions of the Servicing Deed;
- notify relevant Borrowers of any change in their Monthly Payments;
- keep records and accounts on behalf of the LLP in relation to the Loans and their Related Security comprised in the Portfolio;
- keep the Loan Files and Title Deeds in its possession or under its control in safe custody and maintain records necessary to enforce each Mortgage and where relevant, any other Related Security and to provide the LLP and the Security Trustee with access to the Title Deeds (other than Title Deeds in relation to Loans which are Dematerialised Loans) and other records relating to the administration of the Loans and their Related Security;

- keep any records necessary for all taxation purposes, including, without limitation, VAT;
- assist the auditors of the LLP and provide information to them upon reasonable request;
- provide a redemption statement upon the request of a relevant Borrower or the Borrower's solicitor, licensed conveyancer or otherwise at the discretion of the Servicer;
- notify relevant Borrowers of any other matter or thing which the applicable Mortgage Conditions or Offer Conditions require them to be notified of in the manner and at the time required by the relevant Mortgage Conditions or Offer Conditions;
- take all reasonable steps to recover all sums due to the LLP including without limitation by the institution of proceedings and/or the enforcement of any Loan comprised in the Portfolio or its Related Security, using the discretion of a Reasonable, Prudent Mortgage Lender in applying the enforcement procedures forming part of the Seller's Policy;
- take all other action and do all other things which it would be reasonable to expect a Reasonable, Prudent Mortgage Lender to do in administering its loans and their related security;
- maintain a register in respect of the Portfolio;
- make available to the LLP and the Security Trustee a report on a monthly basis containing information about the Loans and their Related Security comprised in the Portfolio;
- provide to the relevant UK regulatory authority such information about the Loans and their Related Security contained in the Portfolio and/or such other information as the relevant UK regulatory authority may direct pursuant to Regulation 18 of the RCB Regulations; and
 - assist the Cash Manager in the preparation of a monthly asset coverage report in accordance with the Cash Management Agreement.

The Servicer undertakes that in the event of the Seller being assigned a short term rating of lower than F2 by Fitch or lower than P-2 by Moody's, then it shall redirect any direct debits from Borrowers into accounts controlled by it in respect of Loans to the CB Collection Account. All amounts credited to the CB Collection Account shall be paid to the Stand-by GIC Account in accordance with the requirements of, and the time limits set out in, the Servicing Deed. The Servicer also acknowledges that it shall hold all amounts standing to the credit of the CB Collection Account on trust for the LLP.

Setting of Standard Variable Rate and other discretionary rates and margins

Pursuant to the terms of the Mortgage Sale Agreement and in accordance with Mortgage Conditions applicable to certain of the Loans, the Seller has prescribed policies relating to interest rate setting, arrears management and handling of complaints which the LLP (and any subsequent purchaser thereof) will be required to adhere to following the transfer of Loans and their Related Security. Such arrears management and handling of complaints policies are consistent with those to be applied by the Servicer under the terms of the Servicing Deed. The interest rate setting policy

specified in the Mortgage Sale Agreement is only applicable to Loans with interest rates which may be varied from time to time in the discretion of the lender and requires that such interest rates should be set in accordance with any applicable statement of good practice of the relevant UK regulatory authority or any other requirements or recommendations of the relevant UK regulatory authority with which it is customary to comply.

In addition to the undertakings described above, the Servicer has also undertaken in the Servicing Deed to determine and set in relation to all the Loans in the Portfolio the LLP Standard Variable Rate and any other discretionary rates and margins (in accordance with the policy to be adhered to by the LLP above) except in the limited circumstances described below in this subsection when the LLP will be entitled to do so. The Servicer will not at any time prior to service of a Notice to Pay on the LLP and/or the transfer of legal title to the Portfolio (or any part thereof) to the LLP, without the prior consent of the LLP, set or maintain:

- (i) the LLP Standard Variable Rate applicable to the Loans sold by the Seller to the LLP and in the Portfolio at a rate which is higher than (although it may be lower than or equal to) the then prevailing Standard Variable Rate of the Seller which applies to mortgage loans beneficially owned by the Seller outside the Portfolio; and
- (ii) any other discretionary rate or margin in respect of any other Loan sold by the Seller to the LLP and in the Portfolio which is higher than (although it may be lower than or equal to) the interest rate or margin which applies to that type of mortgage loan beneficially owned by the Seller outside the Portfolio.

In particular, the Servicer shall determine on each Calculation Date, having regard to:

- (a) the income which the LLP would expect to receive during the next succeeding LLP Payment Period (the **Relevant LLP Payment Period**);
- (b) the LLP Standard Variable Rate and any other discretionary rate or margin in respect of the Loans which the Servicer proposes to set under the Servicing Deed for the Relevant LLP Payment Period; and
- (c) the other resources available to the LLP including the Interest Rate Swap Agreement, the relevant Covered Bond Swap Agreements and the Reserve Fund,

whether the LLP would receive an amount of income during the Relevant LLP Payment Period which, when aggregated with the funds otherwise available to it, is less than the amount which is the aggregate of (1) the amount of interest which would be payable (or provisioned to be paid) under the Intercompany Loan or, if a Notice to Pay has been served, the Covered Bond Guarantee on each LLP Payment Date falling at the end of the Relevant LLP Payment Period and relevant amounts payable (or provisioned to be paid) to the Covered Bond Swap Providers under the Covered Bond Swap Agreements in respect of all Covered Bonds on each LLP Payment Date of each Series of Covered Bonds falling at the end of the Relevant LLP Payment Period and (2) the other senior expenses payable by the LLP ranking in priority thereto in accordance with the relevant Priority of Payments applicable prior to an LLP Event of Default and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security.

If the Servicer determines that there will be a shortfall in the foregoing amounts, it will give written notice to the LLP and the Security Trustee, within one Business Day, of the amount of the shortfall. If the LLP or the Security Trustee notifies the Servicer and the Seller that, having regard to the obligations of the LLP and the amount of the shortfall, further Loans and their Related Security should be sold by the Seller to the LLP pursuant to the Mortgage Sale Agreement, the Seller will use all reasonable endeavours to offer to sell New Loans and their Related Security to the LLP on or

before the next Calculation Date which have a Standard Variable Rate and/or other discretionary rates or margins sufficient to avoid such shortfall on future Calculation Dates. In consideration of such sale, the Seller will be treated as having made a Capital Contribution (in an amount equal to the True Balance of the New Loans) sold by the Seller as at the relevant Transfer Date and will be entitled to receive the Deferred Consideration.

In addition, the Servicer shall determine on each Calculation Date following an Issuer Event of Default, having regard to the aggregate of:

- (a) the LLP Standard Variable Rate and any other discretionary rate or margin, in respect of the Loans which the Servicer proposes to set under the Servicing Deed for the relevant LLP Payment Period; and
- (b) the other resources available to the LLP under the Interest Rate Swap Agreement,

whether the LLP would receive an aggregate amount of interest on the Loans and amounts under the Interest Rate Swap Agreement during the Relevant LLP Payment Period which would give a yield on the Loans of at least LIBOR plus 0.20 per cent. (the **Yield Shortfall Test**).

If the Servicer determines that the Yield Shortfall Test will not be met, it will give written notice to the LLP and the Security Trustee, within one Business Day, of the amount of the shortfall and the LLP Standard Variable Rate and the other discretionary rates or margins which would, in the Servicer's opinion, need to be set in order for no shortfall to arise, and the Yield Shortfall Test to be met, having regard to the date(s) on which the change to the LLP Standard Variable Rate and the other discretionary rates or margins would take effect and at all times acting in accordance with the standards of a Reasonable, Prudent Mortgage Lender. If the LLP notifies the Servicer that, having regard to the obligations of the LLP, the LLP Standard Variable Rate and/or the other discretionary rates or margins should be increased, the Servicer or replacement Servicer, as the case may be, will take all steps which are necessary to increase the LLP Standard Variable Rate and/or any other discretionary rates or margins including publishing any notice which is required in accordance with the Mortgage Conditions.

The LLP and the Security Trustee may terminate (to the extent it has actual knowledge of the occurrence of a Servicer Event of Default) the authority of the Servicer to determine and set the LLP Standard Variable Rate and any other variable rates or margins on the occurrence of a Servicer Event of Default as defined under "*Removal or resignation of the Servicer*", in which case the LLP (with the prior written consent of the Security Trustee) will appoint the replacement Servicer to set the LLP Standard Variable Rate and the other discretionary rates or margins itself in accordance with this sub-section.

Remuneration

As full remuneration for its servicing duties and activities and as reimbursement for any expense incurred by it in connection therewith, the Servicer or any substitute servicer which is a member of the Leeds Group is entitled to receive the fee from the LLP as set out in Servicing Deed. If, however, a servicer is appointed from outside the Leeds Group, the level of this fee may be amended.

Back-up Servicing Deed

If the Servicer ceases to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB, it will use reasonable efforts to appoint a back-up servicer facilitator acceptable to the LLP within 60 days of the Servicer ceasing to be assigned such ratings. If the Servicer ceases to be assigned a long-term

unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa2 or by Fitch of at least BBB-, it will, with the back-up servicer facilitator, use reasonable efforts to enter into a back-up servicing deed, in form and substance acceptable to the parties to the Servicing Deed, with a suitably experienced third party acceptable to, and which shall be appointed by, the LLP within 60 days of the Servicer ceasing to be assigned such rating.

Removal or resignation of the Servicer

The LLP (subject to the prior written consent of the Security Trustee) may, upon written notice to the Servicer, terminate the Servicer's rights and obligations immediately if any of the following events (each a "**Servicer Termination Event**" and, each of the first three events set out below, a **Servicer Event of Default**) occurs:

- the Servicer defaults in the payment of any amount due to the LLP under the Servicing Deed and fails to remedy that default for a period of three Business Days after the earlier of the Servicer becoming aware of the default and receipt by the Servicer of written notice from the Security Trustee or the LLP requiring the same be remedied;
- the Servicer fails to comply with any of its other obligations under the Servicing Deed which failure in the opinion of the Security Trustee is materially prejudicial to the Covered Bondholders and does not remedy that failure within the earlier of 20 Business Days after becoming aware of the failure and receipt by the Servicer of written notice from the Security Trustee or the LLP requiring the same be remedied;
- an Insolvency Event occurs in relation to the Servicer; or
- the LLP resolves that the appointment of the Servicer should be terminated.

Subject to the fulfilment of a number of conditions, the Servicer may voluntarily resign by giving not less than 12 months' written notice to the Security Trustee and the LLP, including that a substitute servicer qualified to act as such under the FSMA and with a management team with experience of managing mortgages in the United Kingdom has been appointed and enters into a servicing deed with the LLP substantially on the same terms as the Servicing Deed. The resignation of the Servicer is also conditional on the resignation having no adverse effect on the then current ratings of the Covered Bonds unless the Covered Bondholders agree otherwise by Extraordinary Resolution.

If the appointment of the Servicer is terminated, the Servicer must deliver the Title Deeds and Loan Files relating to the Loans managed by it to, or at the direction of, the LLP. The Servicing Deed will terminate at such time as the LLP has no further interest in any of the Loans or their Related Security sold to the LLP and serviced under the Servicing Deed that have been comprised in the Portfolio.

The Servicer may sub-contract or delegate the performance of its duties under the Servicing Deed provided that it meets conditions as set out in the Servicing Deed.

Neither the Bond Trustee nor the Security Trustee is obliged to act as servicer in any circumstances.

The Servicing Deed is governed by English law and was made by way of deed.

Asset Monitor Agreement

Under the terms of the Asset Monitor Agreement entered into on the Programme Date between the Asset Monitor, the LLP, the Cash Manager and the Security Trustee, the Asset Monitor has agreed, subject to due receipt of the information to be provided by the Cash Manager to the Asset Monitor, to report on the arithmetic accuracy of the calculations performed by the Cash Manager on the Calculation Date immediately prior to each anniversary of the Programme Date with a view to confirmation of compliance by the LLP with the Asset Coverage Test or the Amortisation Test, as applicable, on that Calculation Date.

If the long-term ratings of the Cash Manager or the Issuer fall below Baa3/BBB- (by Moody's or Fitch, respectively), or if an Asset Coverage Test Breach Notice has been served on the Issuer and has not been revoked, the Asset Monitor will, subject to receipt of the relevant information from the Cash Manager, be required to report on such arithmetic accuracy following each Calculation Date and, following a determination by the Asset Monitor of any errors in the calculations performed by the Cash Manager such that the Asset Coverage Test has been failed on the applicable Calculation Date (where the Cash Manager had recorded it as being satisfied) or the Adjusted Aggregate Loan Amount or the Amortisation Test Aggregate Loan Amount is mis-stated by an amount exceeding one per cent. of the Adjusted Aggregate Loan Amount or the Amortisation Test Aggregate Loan Amount, as applicable, (as at the date of the relevant Asset Coverage Test or the relevant Amortisation Test), the Asset Monitor will be required to conduct such tests following each Calculation Date for a period of six months thereafter.

The Asset Monitor is entitled, in the absence of manifest error, to assume that all information provided to it by the Cash Manager for the purpose of reporting on the arithmetic accuracy is true and correct and not misleading, and is not required to report as such or otherwise take steps to verify the accuracy of any such information. The Asset Monitor Report will be delivered to the Cash Manager, the LLP, the Issuer, the Bond Trustee and the Security Trustee.

As of the Programme Date, the LLP will pay to the Asset Monitor a fee of up to £5,000 per report (exclusive of VAT) for the reports to be performed by the Asset Monitor.

The LLP may, at any time, only with the prior written consent of the Security Trustee, terminate the appointment of the Asset Monitor by giving at least 60 days' prior written notice to the Asset Monitor, and the Asset Monitor may, at any time, resign by giving at least 60 days' prior written notice to the LLP and the Security Trustee (any replacement Asset Monitor to be approved by the Security Trustee (such approval to be given if the replacement is an accountancy firm of national standing) which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement).

The Asset Monitor may resign from its appointment upon giving 20 days' prior written notice if any action taken by the Recipients causes a professional conflict of interest for the Asset Monitor under the rules of the professional and/or regulatory bodies regulating the activities of the Asset Monitor. The Asset Monitor will inform the Recipients as soon as reasonably practicable of any action of which the Asset Monitor is aware that may cause a professional conflict of interest for the Asset Monitor which could result in termination.

Upon receipt of any notice of resignation by the Asset Monitor, the LLP shall immediately use all reasonable endeavours to appoint a replacement (such replacement to be approved by the Security Trustee, such approval to be given if the replacement is an accountancy firm of national standing) which agrees to perform the duties of the Asset Monitor set out in the Asset Monitor Agreement. If a replacement is not appointed by the date which is 30 days prior to the date when tests are to be carried out in accordance with the terms of the Asset Monitor Agreement, then the LLP shall use all reasonable endeavours to appoint an accountancy firm of national standing to carry

out the relevant tests on a one-off basis, provided that such appointment is approved by the Security Trustee.

Neither the Bond Trustee nor the Security Trustee will be obliged to act as Asset Monitor in any circumstances.

The Asset Monitor Agreement is governed by English law.

LLP Deed

The Members of the LLP have agreed to operate the business of the LLP in accordance with the terms of a limited liability partnership deed entered into on the Programme Date as supplemented on 2 October 2009, on 5 October 2010, 15 December 2011 and on or about 27 December 2012 between the LLP, the Society, the Designated Members, the Bond Trustee and the Security Trustee (the **LLP Deed**).

Members

As at the date of this Prospectus, each of the Seller and the Designated Members is a member (each a **Member**, and together with any other members from time to time, the **Members**) of the LLP. The Designated Members and (for this purpose) the Seller have such duties as are specified in the LLPA 2000 or otherwise at law and in the LLP Deed. The LLP Deed requires that there will at all times be at least two Designated Members of the LLP.

Any New Seller that wishes to sell New Loans and their Related Security to the LLP will, amongst other things, be required to become a Member of the LLP and accede to the LLP Deed, amongst other documents. No New Member may be appointed without the consent of the Security Trustee which shall be given upon receipt by the LLP or the Security Trustee of a Rating Agency Confirmation.

Capital Contributions

From time to time the Society (in its capacity as a Member) will make Capital Contributions to the LLP. Capital Contributions may be made in cash or in kind (e.g. through a contribution of Loans to the LLP). The Capital Contribution Balance of the Society shall be calculated in Sterling on each Calculation Date as the difference between (a) the True Balance of the Portfolio as at the last day of the immediately preceding Calculation Period plus Principal Receipts standing to the credit of the LLP Accounts plus the principal amount of Substitution Assets and Authorised Investments as at the last day of the immediately preceding Calculation Period and (b) the Sterling Equivalent of the aggregate Principal Amount Outstanding under the Covered Bonds as at the last day of the preceding Calculation Period.

If at any time, the Society is acting as the Cash Manager and a Cash Manager Relevant Event occurs and is continuing the Society in its capacity as a Member of the LLP will:

- (a) within 5 London Business Days of the occurrence of the Cash Manager Relevant Event, notify the LLP, the Security Trustee, the Account Bank, the Stand-by Transaction Account Bank, the Stand-by GIC Provider and each Covered Bond Swap Provider of such event;
- (b) within 10 London Business Days of the occurrence of the Cash Manager Relevant Event make a Cash Capital Contribution to the LLP in an aggregate amount equal to the Required Coupon Amount for each Series of Covered Bonds payable on:

- (i) the immediately succeeding Interest Payment Date (in the case of a Term Advance where a Covered Bond Swap is not in place other than in respect of an Accumulation Series of Covered Bonds), (ii) the immediately succeeding payment date specified in the Covered Bond Swap which relates to such Series of Covered Bonds (in the case of a Term Advance where a Covered Bond Swap is in place) and/or (iii) the immediately succeeding LLP Payment Date for each such Term Advance (in the case of a Term Advance relating to an Accumulation Series of Covered Bonds) (each a "**Relevant Payment Date**"); and
- (c) thereafter if a Required Coupon Amount Shortfall exists in respect of (i) any Series of Covered Bonds and/or (ii) any Covered Bond Swap, within one London Business Day of receipt by the Society of notification from the Cash Manager (on behalf of the LLP) that the occurrence of a Required Coupon Amount Shortfall exists, make a Cash Capital Contribution to the LLP in an aggregate amount equal to the Required Coupon Amount Shortfall.

Within 1 London Business Day of receipt of such Cash Capital Contribution from the Society (as a Member of the LLP), the LLP shall (or shall procure that the Cash Manager shall) transfer to the GIC Account or, as applicable, the Stand-by GIC Account (for credit to the Coupon Payment Ledger) an amount equal to the amount of the Cash Capital Contribution received by the LLP from the Society (in its capacity as a Member of the LLP) in respect of paragraphs (b) and (c) above.

Any such Cash Capital Contribution representing Required Coupon Amounts will be treated as a revenue item but will not form part of Available Revenue Receipts.

While a Cash Manager Relevant Event is continuing (but prior to the service of a Notice to Pay or an LLP Acceleration notice on the LLP) the LLP will, on each LLP Payment Date, to the extent of Available Revenue Receipts (taking into account amount to be paid in priority to any credit to the Coupon Payment Ledger) fund the Coupon Payment Ledger in an amount up to the Required Coupon Amount for the next following Relevant Payment Date(s) subject to and in accordance with the Pre-Acceleration Revenue Priority of Payments.

Within 1 London Business Day of receipt of a Cash Capital Contribution from the Society under paragraphs (b) or (c) above; or (where either (x) there is no Required Coupon Amount Shortfall or (y) receipt of a Cash Capital Contribution from the Society occurs prior to the Relevant Payment Date in question) each Relevant Payment Date on which a Cash Manager Relevant Event has occurred and is continuing, the LLP will deliver an irrevocable payment instruction (which such instruction may, for the avoidance of doubt, be given using the internet banking system of the Account Bank or the Stand-by GIC Provider, as applicable), instructing the Account Bank or, as applicable, the Stand-by GIC Provider, to (a), in the case of a Term Advance where no Covered Bond Swap is in place, no later than 2.00p.m. (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time), on each date on which any payment of interest in respect of such Term Advance becomes due under the terms of the Intercompany Loan Agreement, make a payment from the GIC Account or the Stand-by GIC Account, as applicable, in an amount equal to the Required Coupon Amount for such Term Advance on the relevant Interest Payment Date to an account specified by the Principal Paying Agent to the Issuer and the LLP from time to time and/or (b) in the case of a Term Advance where a Covered Bond Swap is in place, on each date on which any payment is due under the relevant Covered Bond Swap(s) (other than any termination payment under the relevant Covered Bond Swap Agreement and any payment in respect of principal), make a payment from the GIC Account or, as applicable, the Stand-by GIC Account in an amount equal to the Required Coupon Amount for such Covered Bond Swap(s) on the relevant

payment date under the Covered Bond Swap in accordance with the terms of the relevant Covered Bond Swap Agreement.

"Required Coupon Amount" means in respect of a Term Advance, an aggregate amount equal to the Sterling Equivalent of (i) (in the case of each Term Advance where a Covered Bond Swap is not in place other than in respect of an Accumulated Series of Covered Bonds), interest due from the LLP on the Term Advance on the next Loan Interest Payment Date, (ii) (in the case of each Term Advance where a Covered Bond Swap is in place) an amount equal to the net amount due from the LLP under the Covered Bond Swap(s) on the next payment date (other than those amounts due in respect of principal) under the relevant Covered Bond Swap Agreement and (iii) (in the case of a Term Advance relating to an Accumulation Series of Covered Bonds), the LLP Monthly Interest Amount Payable by the LLP on that relevant Term Advance for the relevant LLP Payment Date.

"Required Coupon Amount Shortfall" means, in respect of each Term Advance on any LLP Payment Date, taking into account any amount to be credited to the Coupon Payment Ledger on the same date in respect of any other Term Advance, the amount by which the Required Coupon Amount exceeds the sum of:

- (a) the amount of Available Revenue Receipts remaining following payment in full of the amounts referred to in paragraphs (a) to (d) inclusive of the Pre-Acceleration Revenue Priority of Payments; and
- (b) the amount then standing to the credit of the Coupon Payment Ledger in relation to that Term Advance.

The Designated Members will not make any Capital Contributions to the LLP.

Capital Contributions or returns on Capital Contributions shall only be paid to Members after the LLP has paid or, as applicable, provided for all higher ranking amounts in the relevant Priority of Payments.

Each Member will be responsible for the payment of its own tax liabilities and will be required to indemnify the LLP and the other Members from any liabilities which they incur as a result of the relevant Member's non-payment thereof.

Asset Coverage Test

Under the terms of the LLP Deed, the LLP and the Seller must ensure that on each Calculation Date, the Adjusted Aggregate Loan Amount is in an amount at least equal to the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date.

If on any Calculation Date, the Adjusted Aggregate Loan Amount is less than the Sterling Equivalent of the aggregate Principal Amount Outstanding of all Covered Bonds as calculated on the relevant Calculation Date, then the LLP (or the Cash Manager on its behalf) will notify the Members, the Bond Trustee and the Security Trustee thereof and the Seller will use all reasonable endeavours to sell sufficient further Loans and their Related Security to the LLP in accordance with the Mortgage Sale Agreement (see "*Summary of the Principal Documents – Mortgage Sale Agreement – Sale by the Seller of Loans and their Related Security*") or provide Cash Capital Contributions to ensure that the Asset Coverage Test is met on the next following Calculation Date. If the Adjusted Aggregate Loan Amount is less than the Sterling Equivalent of the aggregate Principal Amount Outstanding of all Covered Bonds on the next following Calculation Date, the Asset Coverage Test will be breached and the Bond Trustee will serve an Asset Coverage Test Breach Notice on the LLP (subject to the Bond Trustee having actual knowledge or express notice of

the breach) and the LLP or the Issuer shall send notice of the same to the FCA pursuant to the RCB Regulations. The Bond Trustee shall revoke an Asset Coverage Test Breach Notice if, on any Calculation Date falling on or prior to the third Calculation Date following the service of an Asset Coverage Test Breach Notice, the Asset Coverage Test is subsequently satisfied (subject to the Bond Trustee having actual knowledge or express notice of the same) and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

Following service of an Asset Coverage Test Breach Notice (which has not been revoked):

- (a) the LLP will be required to sell Selected Loans (as described further under "*LLP Deed – Sale of Selected Loans and their Related Security following service of an Asset Coverage Test Breach Notice*");
- (b) prior to the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice or, if earlier, the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, the Pre-Acceleration Revenue Priority of Payments and the Pre-Acceleration Principal Priority of Payments will be modified as more particularly described in "*Allocation and distribution of Available Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice*" below; and
- (c) the Issuer will not be permitted to make to the LLP and the LLP will not be permitted to borrow from the Issuer any new Term Advances under the Intercompany Loan Agreement.

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances, may be required) to serve an Issuer Acceleration Notice. On the occurrence of an Issuer Event of Default, the Issuer shall give notice of the same to the FCA pursuant to the RCB Regulations. Following service of an Issuer Acceleration Notice, the Bond Trustee will be required to serve a Notice to Pay on the LLP.

For the purposes hereof:

Adjusted Aggregate Loan Amount means the amount calculated on each Calculation Date for the last day of the immediately preceding Calculation Period as follows:

$$A + B + C + D - (Y + Z)$$

where,

A = the lower of (i) and (ii), where:

- (i) = the sum of the **Adjusted True Balance** of each Loan in the Portfolio, which shall be, in relation to each Loan, the lower of (1) the True Balance of that Loan on the last day of the immediately preceding Calculation Period and (2) the Indexed Valuation relating to that Loan multiplied by M (where for all Loans that are less than three months in arrears or not in arrears, M = 0.75; for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of less than or equal to 75%, M = 0.40 and for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of more than 75%, M = 0.25),

minus

the aggregate sum of the following deemed reductions to the aggregate Adjusted True Balance of the Loans in the Portfolio if any of the following occurred:

- (1) a Loan or its Related Security was, in the immediately preceding Calculation Period, in breach of the Representations and Warranties contained in the Mortgage Sale Agreement or subject to any other obligation of the Seller to repurchase the relevant Loan and its Related Security and, in each case, the Seller has not repurchased the relevant Loan or Loans and its or their Related Security to the extent required by the terms of the Mortgage Sale Agreement. In this event, the aggregate Adjusted True Balance of the Loans in the Portfolio (as calculated in respect of the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the Adjusted True Balance of the relevant Loan or Loans (as calculated in respect of the last day of the immediately preceding Calculation Period); and/or
- (2) the Seller, in any preceding Calculation Period, was in breach of any other material warranty under the Mortgage Sale Agreement and/or the Servicer was, in any preceding Calculation Period, in breach of any material term of the Servicing Deed. In this event, the aggregate Adjusted True Balance of the Loans in the Portfolio (as calculated in respect of the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the resulting financial loss incurred by the LLP in the preceding Calculation Period (such financial loss to be calculated by the Cash Manager without double counting and to be reduced by any amount paid (in cash or in kind) to the LLP by the Seller to indemnify the LLP for such financial loss); and

- (ii) = the sum of the **Arrears Adjusted True Balance** of each Loan in the Portfolio which shall be, in relation to each Loan, the lower of (1) the True Balance of that Loan on the last day of the immediately preceding Calculation Period and (2) the Indexed Valuation relating to that Loan multiplied by N (where for all Loans that are less than three months in arrears or not in arrears, $N = 1$, for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of less than or equal to 75%, $N = 0.40$ and for all Loans that are three months or more in arrears and have a True Balance to Indexed Valuation ratio of more than 75%, $N = 0.25$);

minus

the aggregate sum of the following deemed reductions to the aggregate Arrears Adjusted True Balance of the Loans in the Portfolio if any of the following occurred:

- (1) a Loan or its Related Security was, in the immediately preceding Calculation Period, in breach of the Representations and Warranties contained in the Mortgage Sale Agreement or subject to any other obligation of the Seller to repurchase the relevant Loan and its

Related Security and, in each case, the Seller has not repurchased the relevant Loan or Loans and its or their Related Security to the extent required by the terms of the Mortgage Sale Agreement. In this event, the aggregate Arrears Adjusted True Balance of the Loans in the Portfolio (as calculated in respect of the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the Arrears Adjusted True Balance of the relevant Loan or Loans (as calculated in respect of the last day of the immediately preceding Calculation Period); and/or

- (2) the Seller, in any preceding Calculation Period, was in breach of any other material warranty under the Mortgage Sale Agreement and/or the Servicer was, in any preceding Calculation Period, in breach of any material term of the Servicing Deed. In this event, the aggregate Arrears Adjusted True Balance of the Loans in the Portfolio (as calculated in respect of the last day of the immediately preceding Calculation Period) will be deemed to be reduced by an amount equal to the resulting financial loss incurred by the LLP in the preceding Calculation Period (such financial loss to be calculated by the Cash Manager without double counting and to be reduced by any amount paid (in cash or in kind) to the LLP by the Seller to indemnify the LLP for such financial loss),

the result of the calculation in this paragraph (ii) above being multiplied by the Asset Percentage (as defined below);

B = the aggregate amount of Principal Receipts on the Loans in the Portfolio during the immediately preceding Calculation Period (as recorded in the Principal Ledger) which have not been applied as at the relevant Calculation Date by on or behalf of the LLP to acquire further Loans and their Related Security or otherwise applied in accordance with the terms of the LLP Deed and/or the other Transaction Documents;

C = the aggregate amount of any Cash Capital Contributions made by the Members (as recorded in the Capital Account Ledgers of each Member) or the proceeds of any Term Advances which have not been applied as at the relevant Calculation Date by or on behalf of the LLP to acquire further Loans and their Related Security or otherwise applied in accordance with the terms of the LLP Deed and/or the other Transaction Documents and shall not, for the avoidance of doubt, include any Cash Capital Contributions made to fund the Coupon Payment Ledger or to fund the Reserve Funds up to, as applicable, the Reserve Fund Required Amount or the LBS Reserve Fund Required Amount;

D = the aggregate outstanding principal balance of any Substitution Assets;

Y = an amount equal to the aggregate Deposit Set Off Amount for each Borrower whose Loan is included in the Portfolio;

Z = the weighted average remaining maturity of all Covered Bonds then outstanding multiplied by the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds multiplied by the Negative Carry Factor, where the **Negative Carry Factor** is (i) 0.5 per cent. if the

weighted average margin of the interest rate payable on the Covered Bonds is less or equal to 0.1 per cent. per annum or (ii) 0.5 per cent. plus that margin minus 0.1 per cent., if that margin is greater than 0.1 per cent. per annum (provided that if the weighted average remaining maturity of all Covered Bonds then outstanding is less than one, the weighted average remaining maturity shall be deemed, for the purposes of this calculation, to be one).

Asset Percentage means, save where otherwise agreed:

- (a) 93.5 per cent.; or
- (b) such lesser percentage figure as determined from time to time in accordance with the terms of the LLP Deed, being the percentage figure that is necessary to ensure that the Covered Bonds maintain the then current ratings assigned to them by Fitch; and
- (c) such lesser percentage figure as determined from time to time in accordance with the terms of the LLP Deed being the figure as selected by the LLP (or the Cash Manager acting on its behalf) and notified to Moody's and the Security Trustee on such Calculation Date the percentage figure or, where the LLP (or the Cash Manager acting on its behalf) has not notified Moody's and the Security Trustee of the minimum percentage figure on the relevant Calculation Date, on the last date of such notification, as applicable, being the percentage figure that is necessary to ensure that the Covered Bonds achieve an Aaa rating by Moody's using Moody's expected loss methodology (regardless of the actual Moody's rating of the Covered Bonds at the time).

Deposit Set Off Amount means, for each Borrower whose Loan is included in the Portfolio, the lesser of (a) 100 per cent. of the aggregate balance of each savings account held at the Seller by such Borrower (whether such savings account is a joint account or not and whether such other joint savings account holder is a Borrower under a Loan in the Portfolio or not and to avoid double counting, such savings balance shall only be included in the calculation once) and (b) the aggregate True Balance of such Borrower's Loan which is included in the Portfolio, in each case as calculated on any day after the last day of the immediately preceding Calculation Period but prior to the Calculation Date.

In addition, the LLP or the Cash Manager acting on its behalf may, from time to time, send notification to Moody's and the Security Trustee of the percentage figure selected by it to ensure that the Covered Bonds achieve an Aaa rating by Moody's using Moody's expected loss methodology.

Save where otherwise agreed with the Rating Agencies, the Asset Percentage will be adjusted in accordance with the various methodologies to ensure that sufficient credit enhancement will be maintained. Notwithstanding the above, the Asset Percentage may not, at any time, exceed 93.5 per cent. unless otherwise agreed with the Rating Agencies.

There is no obligation on the LLP to ensure that an Aaa rating is maintained by Moody's and the LLP is under no obligation to change the figure selected by it and notified to Moody's and the Security Trustee in line with the level of credit enhancement required to ensure an Aaa rating by Moody's using Moody's expected loss methodology.

Amortisation Test

The LLP and the Seller must ensure that on each Calculation Date following service of a Notice to Pay on the LLP (but prior to service of an LLP Acceleration Notice and/or the

commencement of winding-up proceedings against the LLP and/or realisation of the Security) the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date.

If on any Calculation Date following service of Notice to Pay on the LLP, the Amortisation Test Aggregate Loan Amount is less than the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date, then the Amortisation Test will be deemed to be breached and an LLP Event of Default will occur. The LLP or the Cash Manager, as the case may be, will immediately notify the Members, the Security Trustee and (whilst Covered Bonds are outstanding) the Bond Trustee of any breach of the Amortisation Test and the Bond Trustee shall be entitled to serve an LLP Acceleration Notice in accordance with the Conditions.

The **Amortisation Test Aggregate Loan Amount** will be calculated on each Calculation Date as follows:

$$A + B + C - Z$$

where,

A = the aggregate **Amortisation Test True Balance** of each Loan, which shall be the lower of (1) the True Balance of that Loan on the last day of the immediately preceding Calculation Period multiplied by M and (2) 100 per cent. of the Indexed Valuation relating to that Loan multiplied by M,

where for all the Loans that are less than three months in arrears or not in arrears M = 1 and for all the Loans that are three months or more in arrears M = 0.7;

B = the sum of the amount of any cash standing to the credit of the LLP Accounts and the principal amount of any Authorised Investments (excluding any Revenue Receipts received in the immediately preceding Calculation Period);

C = the aggregate outstanding principal balance of any Substitution Assets;

Z = the weighted average remaining maturity of all Covered Bonds then outstanding **multiplied by** the Sterling Equivalent of the aggregate Principal Amount Outstanding of the Covered Bonds **multiplied by** the Negative Carry Factor.

Sale of Selected Loans and their Related Security following service of an Asset Coverage Test Breach Notice

After service of an Asset Coverage Test Breach Notice (which has not been revoked) or the service of a Notice to Pay and prior to service of an LLP Acceleration Notice, the LLP will be obliged to sell Selected Loans and their Related Security in the Portfolio in accordance with the LLP Deed (as described below), subject to the rights of pre-emption enjoyed by the Seller to buy the Selected Loans and their Related Security pursuant to the Mortgage Sale Agreement and subject to any Cash Capital Contribution made by the Members. The proceeds from any such sale or refinancing will be credited to the GIC Account or the Stand-by GIC Account, as applicable, and applied as set out in the Priorities of Payments (see "*Allocation and distribution of Available*

Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice" below).

Sale of Selected Loans and their Related Security following service of a Notice to Pay

After a Notice to Pay has been served on the LLP but prior to service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, the LLP will be obliged to sell Selected Loans and their Related Security in the Portfolio in accordance with the LLP Deed (as described below), subject to the rights of pre-emption enjoyed by the Seller to buy the Selected Loans and their Related Security pursuant to the Mortgage Sale Agreement. The proceeds from any such sale or refinancing will be credited to the GIC Account or the Stand-by GIC Account, as applicable, and applied as set out in the Guarantee Priority of Payments.

Method of Sale of Selected Loans

If the LLP is required to sell Selected Loans and their Related Security to Purchasers following either the service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay, the LLP will be required to ensure that before offering Selected Loans for sale:

- (a) the Selected Loans have been selected from the Portfolio on a random basis as described in the LLP Deed; and
- (b) the Selected Loans have an aggregate True Balance in an amount (the **Required True Balance Amount**) which is as close as possible to the amount calculated as follows:
 - (1) following the service of an Asset Coverage Test Breach Notice (but prior to service of a Notice to Pay), such amount that would ensure that, if the Selected Loans were sold at their True Balance, the Asset Coverage Test would be satisfied on the next Calculation Date taking into account the payment obligations of the LLP on the Payment Date immediately following that Calculation Date (assuming for this purpose that the Asset Coverage Test Breach Notice is not revoked on the next Calculation Date); or
 - (2) following service of a Notice to Pay:

$$N \times \frac{\text{True Balance of all the Loans in the Portfolio}}{\text{the Sterling Equivalent of the Required Redemption Amount in respect of each Series of Covered Bonds then outstanding}}$$

where "N" is an amount equal to the Sterling Equivalent of the Required Redemption Amount of the Earliest Maturing Covered Bonds less amounts standing to the credit of the LLP Accounts and the principal amount of any Authorised Investments (excluding all amounts to be applied on the next following LLP Payment Date to repay higher ranking amounts in the Guarantee Priority of Payments and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds).

For the avoidance of doubt, the entire Portfolio may comprise Selected Loans.

The LLP will offer the Selected Loans and their Related Security for sale to Purchasers for the best price reasonably available but in any event:

- (i) following the service of an Asset Coverage Test Breach Notice (but prior to the service of a Notice to Pay), for an amount not less than the True Balance of the Selected Loans; and
- (ii) following service of a Notice to Pay, for an amount not less than the Adjusted Required Redemption Amount.

Following the service of a Notice to Pay, if the Selected Loans and their Related Security have not been sold (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six months prior to, as applicable, (a) if the Earliest Maturing Covered Bonds are not subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the Final Maturity Date in respect of the Earliest Maturing Covered Bonds or, (b) if the Earliest Maturing Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the Extended Due for Payment Date in respect of the Earliest Maturing Covered Bonds (after taking into account all payments, provisions and credits to be made in priority thereto), then the LLP will offer the Selected Loans for sale for the best price reasonably available notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

Following the service of a Notice to Pay, in addition to offering Selected Loans for sale to Purchasers in respect of the Earliest Maturing Covered Bonds, the LLP (subject to the rights of pre-emption enjoyed by the Seller pursuant to the Mortgage Sale Agreement) is permitted to offer for sale a portfolio of Selected Loans, in accordance with the provisions summarised above, in respect of other Series of Covered Bonds, provided that any such sale of Selected Loans is for an amount not less than the Adjusted Required Redemption Amount in respect of that Series of Covered Bonds or, where the sale occurs within six months of the Final Maturity Date or Extended Due Date for Payment (as applicable) for that Series of Covered Bonds, the best price reasonably available in accordance with Clause 19.4 of the LLP Deed.

The LLP is also permitted to offer for sale to Purchasers a Partial Portfolio. Except in circumstances where the portfolio of Selected Loans is being sold within six months of, as applicable, the Final Maturity Date or, as applicable, if the Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the Extended Due for Payment Date in respect of the Series of Covered Bonds to be repaid from such proceeds, the sale price of the Partial Portfolio (as a proportion of the Adjusted Required Redemption Amount) shall be at least equal to the proportion that the Partial Portfolio bears to the relevant portfolio of Selected Loans.

The LLP will through a tender process appoint a portfolio manager of recognised standing approved by the Security Trustee (the **Portfolio Manager**) on a basis intended to incentivise the Portfolio Manager to achieve the best price for the sale of the Selected Loans (on terms that are commercially available in the market) to advise it in relation to the sale of the Selected Loans in accordance with the LLP Deed to Purchasers (except where the Seller is buying the Selected Loans in accordance with their right of pre-emption in the Mortgage Sale Agreement). The terms of the agreement giving effect to the appointment of the Portfolio Manager shall be approved by the Security Trustee. The Security Trustee shall approve the agreement giving effect to the appointment and the appointment of the Portfolio Manager if (i) the Portfolio Manager is an investment bank or accountant of recognised standing and (ii) two Authorised Signatories of the LLP have certified to the Security Trustee that such appointment is on a basis intended to incentivise the Portfolio Manager to achieve the best price for the sale of the Selected Loans (on terms that are commercially available in the market), which certificate shall be conclusive and binding on all parties.

In respect of any sale or refinancing of Selected Loans and their Related Security following service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay, the LLP will instruct the Portfolio Manager to use all reasonable endeavours to procure that Selected Loans are sold as quickly as reasonably practicable and in accordance with its recommendations of the Portfolio Manager (which shall take into account the market conditions at that time and the scheduled repayment dates of the Covered Bonds and the terms of the LLP Deed).

The terms of any sale and purchase agreement with respect to the sale or refinancing of Selected Loans and their Related Security (the "**Sale and Purchase Agreement**") will be in such form as is approved by the Security Trustee, such approval shall be given if the Security Trustee has provided its consent to the appointment of the Portfolio Manager in accordance with Clause 19.7 of the LLP Deed and the LLP certifies to the Security Trustee that:

- (a) such agreement gives effect to the recommendations of the Portfolio Manager (which take into account the market conditions at that time and the scheduled repayment dates of the Covered Bonds and the terms of the LLP Deed);
- (b) such agreement provides for sale of Selected Loans which have been selected from the Portfolio on a Random Basis;
- (c) the purchase price for the Selected Loans subject of such agreement is (in the circumstances where an Asset Coverage Test Breach Notice (but not a Notice to Pay) has been served) for an amount not less than the True Balance of the Selected Loans and (in the circumstances where a Notice to Pay has been served) for an amount not less than the Adjusted Required Redemption Amount or (in the circumstances contemplated by Clause 19.4 of the LLP Deed) for the best price reasonably available notwithstanding that such amount may be less than the Adjusted Required Redemption Amount;
- (d) such agreement is on terms that are consistent with the Mortgage Conditions and, in particular, the interest rate setting provisions;
- (e) such agreement does not include any warranties or indemnities of the LLP other than as permitted under Clause 19.10 of the LLP Deed; and
- (f) such agreement includes provisions substantially in the following form of paragraphs (a) and (b) below:

"(a) Notwithstanding any other provision of the Sale and Purchase Agreement, the Purchaser agrees with and acknowledges to the LLP that:

- (i) the Purchaser may not institute or join with any person in bringing, instituting or joining any insolvency or bankruptcy proceedings of any kind in relation to the LLP or take any steps against the LLP for the purpose of obtaining payment of any amount due from the LLP to the Purchaser; and
 - (ii) the Purchaser shall not be entitled to take or join in the taking of any corporate action, legal proceedings or other procedure or step which would result in the terms of any other agreements which the LLP has entered into not being complied with.
- (b) The Purchaser acknowledges and agrees that it will only be entitled to receive payments from the LLP in accordance with the deed of charge dated

2 October 2008 and made between, *inter alios*, the LLP and Deutsche Trustee Company Limited."

Following the service of a Notice to Pay, if Purchasers accept the offer or offers from the LLP so that some or all of the Selected Loans shall be sold prior to the next following Final Maturity Date or, if the Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the next following Extended Due for Payment Date in respect of the Earliest Maturing Covered Bonds, then the LLP will, subject to the foregoing paragraph, enter into a sale and purchase agreement with the relevant Purchasers which will require *inter alia* a cash payment from the relevant Purchasers. Any such sale will not include any warranties or indemnities from the LLP in respect of the Loans and the Related Security unless expressly agreed by the Security Trustee and unless otherwise agreed with the Seller.

Covenants of the LLP and the Members

Each of the Members covenants that, subject to the terms of the Transaction Documents, it will not sell, transfer, convey, charge, declare a trust over, create any beneficial interest in or otherwise dispose of its interest in the LLP without the prior written consent of the LLP and, whilst the Covered Bonds are outstanding, the Bond Trustee. Whilst any amounts are outstanding in respect of the Covered Bonds, each of the Members undertakes not to terminate or purport to terminate the LLP Deed or institute any winding-up, administration, insolvency or similar proceedings against the LLP.

The LLP covenants that it will not, save to the extent permitted by or provided for in the Transaction Documents or with the prior written consent of the Security Trustee (which may only be given (so long as any Covered Bonds are outstanding) if the Security Trustee is so instructed by the Bond Trustee pursuant to the Deed of Charge or where no Covered Bonds are outstanding by all other Secured Creditors):

- (a) create or permit to subsist any security interest over the whole or any part of its assets or undertakings, present or future (unless arising by operation of law);

- (f) have any employees, premises or subsidiaries;
- (g) acquire assets other than pursuant to the Mortgage Sale Agreement, the Cash Management Agreement and the LLP Deed;
- (h) engage in any activities in the United States (directly or through agents) or derive any income from United States sources as determined under United States income tax principles or hold any property if doing so would cause it to be engaged or

deemed to be engaged in a trade or business within the United States as determined under United States tax principles;

- (i) establish any "establishment" as that term is used in Article 2(h) of the EU Insolvency Regulation;
- (j) enter into any contracts, agreements or other undertakings;
- (k) compromise, compound or release any debt due to it;
- (l) commence, defend, settle or compromise any litigation or other claims relating to it or any of its assets; and

The LLP and each of the Members further covenants that it will:

- (i) ensure that the Asset Pool will only comprise those assets set out in items (a) to (h) of Regulation 3(1) (*Asset Pool*) of the RCB Regulations;
- (ii) ensure that the Loans and the Related Security, the Substitution Assets and the Authorised Investments contained in the Asset Pool comply with the definition of "eligible property" in Regulation 2 (*Eligible Property*) of the RCB Regulations;
- (iii) keep a record of those assets that form part of the Asset Pool which, for the avoidance of doubt, shall not include any Swap Collateral; and
- (iv) at all times comply with its obligations under the RCB Regulations and/or the RCB Sourcebook.

Covenants of the Seller

The Seller covenants and undertakes for the benefit of the LLP, the Members and the Security Trustee that, until such time as the Security created pursuant to the Deed of Charge is released the Seller shall not directly or indirectly:

- (a) hold a majority of the voting rights in the LLP;
- (b) have the right to appoint or remove a majority of other Members to the LLP and/or members of the Management Committee; and
- (c) alone or pursuant to an agreement with any other Member(s) control the majority of the voting rights in the LLP.

The Seller undertakes and covenants to the Members, the LLP and the Security Trustee that it shall not act in a manner which causes or otherwise results in the LLP becoming or being a Subsidiary of the Seller.

Limit on Investing in Substitution Assets

Prior to the service of an Asset Coverage Test Breach Notice on the LLP (if not revoked) or a Notice to Pay on the LLP, the LLP will be permitted to invest Available Revenue Receipts, Available Principal Receipts and the proceeds of Term Advances standing to the credit of the LLP Accounts in Substitution Assets, provided that the aggregate amount so invested in Substitution Assets does not exceed 15 per cent. of the total assets of the LLP at any one time and provided that

such investments are made in accordance with the terms of the Cash Management Agreement. Depositing such amounts in any LLP Account will not constitute an investment in Substitution Assets for these purposes.

Following service of an Asset Coverage Test Breach Notice (if not revoked) or a Notice to Pay on the LLP, all Substitution Assets must be sold by the LLP (or the Cash Manager on its behalf) as quickly as reasonably practicable and the proceeds credited to the GIC Account or the Stand-by GIC Account and the LLP will be permitted to invest all available monies in Authorised Investments, provided that such investments are made in accordance with the terms of the Cash Management Agreement.

There is no limit on the amounts that the LLP shall be entitled to invest in Authorised Investments.

Other Provisions

The allocation and distribution of Revenue Receipts, Principal Receipts and all other amounts received by the LLP is described under "*Cashflows*" below.

The Management Committee, comprised as at the date of this Prospectus of a director of the Society, the two corporate directors of the First Designated Member and the two corporate directors of the Second Designated Member, will act on behalf of the LLP to which (other than any decision to approve the audited accounts of the LLP or to make a resolution for the voluntary winding-up of the LLP, which require a unanimous decision of the Members) the Members delegate all matters. Any decision by the LLP Management Committee relating to the admission of a New Member, any change in the LLP's business, any change to the LLP's name and any amendment to the LLP Deed, will be made, whilst any Covered Bonds are outstanding, with the consent of the Bond Trustee.

For so long as any Covered Bonds are outstanding, each Member has agreed that it will not dissolve or purport to dissolve the LLP or institute any winding-up, administration, insolvency or other similar proceedings against the LLP. Furthermore, the Members have agreed *inter alia* not to demand or receive payment of any amounts payable by the LLP (or the Cash Manager on its behalf) or the Security Trustee unless all amounts then due and payable by the LLP to all other creditors ranking higher in the relevant Priorities of Payments have been paid in full.

Each Member will be responsible for the payment of its own tax liabilities and will be required to indemnify the LLP and the other Members from any liabilities which they incur as a result of the relevant Member's non-payment.

Following the appointment of a liquidator to the Seller, any decisions of the LLP that are reserved to the Members in the LLP Deed shall be made by the Designated Members only.

The LLP Deed is governed by English law.

Cash Management Agreement

The Cash Manager will provide certain cash management services to the LLP pursuant to the terms of the Cash Management Agreement entered into on the Programme Date and as amended and restated on 15 December 2011, on 27 December 2012 and on 9 December 2013 between the LLP, the Society in its capacity as the Cash Manager and the Security Trustee.

The Cash Manager's services include but are not limited to:

- (a) operating the LLP Accounts;

- (b) maintaining the Ledgers on behalf of the LLP;
- (c) maintaining records of all Authorised Investments and/or Substitution Assets, as applicable;
- (d) distributing the Revenue Receipts and the Principal Receipts in accordance with the Priorities of Payments described under Cashflows, below;
- (e) determining whether the Asset Coverage Test is satisfied on each Calculation Date in accordance with the LLP Deed, as more fully described under "*Credit Structure – Asset Coverage Test*, below";
- (f) determining whether the Amortisation Test is satisfied on each Calculation Date following an Issuer Event of Default in accordance with the LLP Deed, as more fully described under "*Credit Structure – Amortisation Test*", below;
- (g) providing the relevant UK regulatory authority with information on the composition of any Substitution Assets and/or Authorised Investments comprised in the assets of the LLP and/or such other information as may be required by the relevant UK regulatory authority in accordance with the RCB Regulations;
- (h) making the necessary notifications and procuring the necessary payments with respect to any Cash Capital Contributions which are to be credited to the Coupon Payment Ledger; and
- (i) preparation of Investor Reports for the Covered Bondholders, the Rating Agencies and the Bond Trustee.

In relation to an Accumulation Series of Covered Bonds, the Cash Manager shall maintain the Interest Accumulation Ledger, to which the LLP Monthly Interest Amount will be credited on each LLP Payment Date. Amounts standing to the credit of the Interest Accumulation Ledger which have accumulated in respect of a Series of Covered Bonds will be applied (i) prior to the service of a Notice to Pay, on the immediately following Loan Interest Payment Date or where the Loan Interest Payment Date is also a LLP Payment Date, on such LLP Payment Date in making interest payments, in accordance with the terms of the Intercompany Loan Agreement and the Cash Management Agreement or (ii) following the service of a Notice to Pay, on the immediately following Interest Payment Date, or where the Interest Payment Date is also an LLP Payment Date on that Interest Payment Date (together with any applicable Available Revenue Receipts) in making payments in respect of interest due on the Covered Bonds.

In certain circumstances the LLP, with the consent of the Security Trustee, will have the right to terminate the appointment of the Cash Manager in which event the LLP will appoint a substitute (the identity of which will be subject to the Security Trustee's written approval). Any substitute cash manager will have substantially the same rights and obligations as the Cash Manager (although the fee payable to the substitute cash manager may be higher).

The Cash Management Agreement is governed by English law.

Back-up Cash Management Agreement

The Cash Manager undertakes that, on the Cash Manager ceasing to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa1 or by Fitch of at least BBB, it will use reasonable efforts to appoint a back-up cash manager facilitator acceptable to the LLP within 60 days of the Cash Manager ceasing to be assigned such ratings. The

back-up cash manager facilitator will assist in the arrangement of the back-up cash management agreement described in below.

If the Cash Manager ceases to be assigned a long-term unsecured, unguaranteed and unsubordinated debt obligation rating by Moody's of at least Baa3 or by Fitch of at least BBB-, it will, with the back-up cash manager facilitator appointed pursuant to the preceding paragraph, use reasonable efforts to enter into a back-up cash management agreement in form and substance satisfactory to the parties to the Cash Management Agreement with a suitably experienced third party acceptable to, and which shall be appointed by, the LLP within 60 days of the Cash Manager ceasing to be assigned such ratings. The Cash Manager, shall on behalf of the LLP, make a draft of the back-up cash management agreement available to the Rating Agencies prior to its execution.

Interest Rate Swap Agreement

Some of the Loans in the Portfolio pay a variable rate of interest for a period of time that may be linked either to the Seller's Standard Variable Rate or linked to an interest rate other than the Seller's Standard Variable Rate, such as a rate that tracks the Bank of England base rate. Other Loans pay a fixed rate of interest for a period of time. However, the Sterling payments to be made by the LLP under the Covered Bond Swaps or on Covered Bonds or Term Advances if there is no Covered Bond Swap are based on LIBOR for one month Sterling deposits. To provide a hedge against the possible variance between:

- (a) the rates of interest payable on the Loans in the Portfolio; and
- (b) LIBOR for one month Sterling deposits,

the LLP and the Interest Rate Swap Provider have entered into the Interest Rate Swap Agreement on the Programme Date.

The Interest Rate Swap will terminate on the date on which the Loan Balance is reduced to zero (in the absence of an Interest Rate Swap Early Termination Event or an Interest Rate Swap Rating Termination Event (as defined below)).

In the event that the relevant ratings of the Interest Rate Swap Provider, or any guarantor, as applicable, is or are, as applicable, downgraded by a Rating Agency below the ratings specified in the Interest Rate Swap Agreement (in accordance with the requirements of the Rating Agencies) for the Interest Rate Swap Provider, and, where applicable, as a result of the downgrade, the then current ratings of the Covered Bonds would or may, as applicable, be adversely affected, the Interest Rate Swap Provider will be required to take certain remedial measures which may include providing collateral for its obligations, arranging for its obligations to be transferred to an entity with ratings required by the relevant Rating Agency, procuring another entity with rating(s) required by the relevant Rating Agency to become co-obligor or guarantor in respect of its obligations, and/or taking such other action as it may agree with the relevant Rating Agency. A failure to take such steps will allow the LLP to terminate the Interest Rate Swap Agreement (an **Interest Rate Swap Rating Termination Event**).

The Interest Rate Swap Agreement may also be terminated in certain other circumstances (each referred to as an **Interest Rate Swap Early Termination Event**), including:

- at the option of any party to the Interest Rate Swap Agreement, if there is a failure by the other party to pay any amounts due under the Interest Rate Swap Agreement (for the avoidance of doubt, no such failure to pay by the LLP will entitle the Interest Rate Swap Provider to terminate the Interest Rate Swap Agreement, if such

failure is due to the assets available at such time to the LLP being insufficient to make the required payment in full);

- upon the occurrence of the insolvency of the Interest Rate Swap Provider or any guarantor, and certain insolvency-related events in respect of the LLP, or the merger of the Interest Rate Swap Provider without an assumption of the obligations under the Interest Rate Swap Agreement; and
- at the option of the Interest Rate Swap Provider if it becomes obliged to receive payments net of any withholding or is obliged to gross up any payments it makes under the Interest Rate Swap Agreement;
- upon a change in law which results in the illegality of the obligations to be performed by either party under the Interest Rate Swap Agreement;
- if any of the Additional Tax Representation (as defined in Part 2(b) of the Interest Rate Swap Agreement) proves to have been incorrect or misleading in any material respect with respect to one or more Transactions when made or repeated or deemed to have been made or repeated;
- if any of the Priorities of Payments is amended such that the LLP's obligations to the Interest Rate Swap Provider become further contractually subordinated to the LLP's obligations to any other Secured Creditor; or
- upon service by the Bond Trustee of an LLP Acceleration Notice on the LLP.

Upon the termination of the Interest Rate Swap Agreement pursuant to an Interest Rate Swap Early Termination Event or an Interest Rate Swap Rating Termination Event, the LLP or the Interest Rate Swap Provider may be liable to make a termination payment to the other in accordance with the provisions of the Interest Rate Swap Agreement.

Any Swap Collateral Excluded Amounts or amounts payable to the LLP in respect of Tax Credits will be paid to the Interest Rate Swap Provider directly and not via the Priorities of Payments.

If withholding taxes are imposed on payments made by the Interest Rate Swap Provider under the Interest Rate Swap Agreement, the Interest Rate Swap Provider shall always be obliged to gross up these payments. If withholding taxes are imposed on payments made by the LLP to the Interest Rate Swap Provider under the Interest Rate Swap Agreement, the LLP shall not be obliged to gross up those payments.

If the LLP is required to sell Selected Loans in the Portfolio in order to provide liquidity in respect of the Earliest Maturing Covered Bonds following an Issuer Event of Default and service of a Notice to Pay on the LLP, then, to the extent practicable and desirable, either:

- (a) the Interest Rate Swap in respect of such Loans will be amended so that, with effect from the date of the relevant sale, the outstanding principal balance of the relevant Loan shall be excluded from the definition of Loan Balance, a mark-to-market close-out payment shall be made by the LLP or the Interest Rate Swap Provider, as appropriate and such amount will be taken into account in calculating the Adjusted Required Redemption Amount for the sale of the Selected Loans; or

- (b) such Interest Rate Swap will be partially novated to the purchaser of such Loans, and such purchaser will thereby become party to a separate interest rate swap transaction with the relevant Interest Rate Swap Provider.

Under the Interest Rate Swap Agreement, the LLP's obligations are limited in recourse to the Charged Property available for distribution to the Interest Rate Swap Provider under the Priorities of Payments. To the extent that the LLP is unable to make any payment in full under any Interest Rate Swap due to its assets being insufficient to make such payment in full, the relevant Interest Rate Swap Provider's payment obligations will rateably reduce.

If the LLP (or a Member) receives any Tax Credits in respect of an Interest Rate Swap prior to the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, payments in respect of such Tax Credits will be used, to the extent provided for in the Interest Rate Swap Agreement, to reimburse the Interest Rate Swap Provider for any gross-up in respect of any withholding or deduction made under the Interest Rate Swap Agreement. Prior to the occurrence of an LLP Event of Default and the service of an LLP Acceleration Notice, any Swap Collateral Excluded Amounts in respect of the Interest Rate Swap will be returned to the Interest Rate Swap Provider subject to the terms of the Interest Rate Swap Agreement.

The Interest Rate Swap Agreement is governed by English law.

Covered Bond Swap Agreements

The LLP will enter into one or more Covered Bond Swaps with one or more Covered Bond Swap Providers. Each Covered Bond Swap will provide a hedge against certain interest rate and currency risks in respect of amounts received by the LLP under the Loans and the relevant Interest Rate Swap and amounts payable by the LLP under the Intercompany Loan Agreement (prior to the service of a Notice to Pay on the LLP) and under the Covered Bond Guarantee in respect of Covered Bonds (after the service of a Notice to Pay on the LLP).

Where required to hedge such risks, there will be one (or more) Covered Bond Swap Agreement(s) and Covered Bond Swap(s) in relation to each Series or Tranche, as applicable, of Covered Bonds. Under Covered Bond Swaps which hedge foreign currency risk on the relevant Issue Date, the LLP will pay to the Covered Bond Swap Provider the amount received by the LLP under the applicable Term Advance (being an amount equal to the gross proceeds of the issue of such Series or Tranche, as applicable, of Covered Bonds) and in return the Covered Bond Swap Provider will pay an amount equal to the Sterling Equivalent of the applicable Term Advance. Thereafter, the Covered Bond Swap Provider will pay to the LLP on each Interest Payment Date amounts equivalent to the amounts that would be payable by the LLP under either the applicable Term Advance in accordance with the terms of the Intercompany Loan or the Covered Bond Guarantee in respect of interest and principal payable under the relevant Series or Tranche of Covered Bonds. In return, the LLP will pay to the Covered Bond Swap Provider on the date specified in the relevant Covered Bond Swap Agreement an amount in Sterling calculated by reference to LIBOR for one month Sterling deposits for the relevant Interest Period plus a spread and the Sterling Equivalent of any principal due in respect of the relevant Term Advance in accordance with the Intercompany Loan Agreement or the Covered Bond Guarantee.

If prior to the Final Maturity Date in respect of the relevant Series or Tranche of Covered Bonds or (if an Extended Due for Payment Date is specified as applicable in the Final Terms for a Series of Covered Bonds and the payment of the amount corresponding to the Final Redemption Amount or any part of it by the LLP under the Covered Bond Guarantee is deferred until the relevant Extended Due for Payment Date pursuant to Condition 6(a) of the Terms and Conditions of the Covered Bonds) any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date, the LLP notifies (pursuant to the terms of the Covered Bond Swap) the

relevant Covered Bond Swap Provider of the amount in the Specified Currency to be paid by the Covered Bond Swap Provider on such Final Maturity Date or Interest Payment Date (such amount being equal the Final Redemption Amount or the relevant portion thereof payable by the LLP on such Final Maturity Date or Interest Payment Date under the Covered Bond Guarantee in respect of the relevant Series or Tranche of Covered Bonds), the Covered Bond Swap Provider will pay the LLP such amount and the LLP will pay the Covered Bond Swap Provider the Sterling Equivalent of such amount. Further, if on any day an Early Redemption Amount is payable pursuant to Condition 9(b), the Covered Bond Swap Provider will pay the LLP such Amount (or the relevant portion thereof) and the LLP will pay the Covered Bond Swap Provider the Sterling Equivalent thereof, following which the notional amount of the relevant Covered Bond Swaps will reduce accordingly.

Each Covered Bond Swap will terminate (in the absence of a Covered Bond Swap Early Termination Event or a Covered Bond Swap Rating Termination Event (as defined below)) on the earlier of:

- (a) the Final Maturity Date or, if the LLP notifies the Covered Bond Swap Provider, prior to the Final Maturity Date, of the inability of the LLP to pay in full Guaranteed Amounts corresponding to the Final Redemption Amount, the final Interest Payment Date on which an amount representing the Final Redemption Amount is paid (but in any event not later than the Extended Due for Payment Date); and
- (b) the final date on which the Security Trustee distributes the proceeds of the Security in accordance with the Post-Enforcement Priority of Payments, following the enforcement of the Security pursuant to Condition 9(b).

Under the terms of each Covered Bond Swap Agreement, in the event that the relevant rating of the Covered Bond Swap Provider is downgraded by a Rating Agency below the rating(s) specified in the relevant Covered Bond Swap Agreement (in accordance with the requirements of the Rating Agencies) for the Covered Bond Swap Provider, and, where applicable, as a result of the downgrade, the then current ratings of the Covered Bonds would or may, as applicable, be adversely affected, the Covered Bond Swap Provider will, in accordance with the relevant Covered Bond Swap Agreement, be required to take certain remedial measures which may include providing collateral for its obligations under the Covered Bond Swap Agreement, arranging for its obligations under the Covered Bond Swap Agreement to be transferred to an entity with the ratings required by the relevant Rating Agency, procuring another entity with the ratings required by the relevant Rating Agency to become co-obligor in respect of its obligations under the Covered Bond Swap Agreement, or taking such other action as it may agree with the relevant Rating Agency. A failure to take such steps will allow the LLP to terminate the Covered Bond Swaps entered into under that Covered Bond Swap Agreement (a **Covered Bond Swap Rating Termination Event**).

A Covered Bond Swap Agreement may also be terminated in certain other circumstances (each referred to as a **Covered Bond Swap Early Termination Event**), which may include one or more of the following:

- at the option of any party to the Covered Bond Swap Agreement, if there is a failure by the other party to pay any amounts due under such Covered Bond Swap Agreement (for the avoidance of doubt, no such failure to pay by the LLP will entitle the relevant Covered Bond Swap Provider to terminate the Covered Bond Swap Agreement, if such failure is due to the assets available at such time to the LLP being insufficient to make the required payment in full);
- upon the occurrence of the insolvency of the relevant Covered Bond Swap Provider or any guarantor, and certain insolvency-related events in respect of the LLP or the

merger of the Covered Bond Swap Provider without an assumption of the obligations under the relevant Covered Bond Swap Agreement;

- at the option of the Covered Bond Swap Provider if it becomes obliged to receive payments net of any withholding or is obliged to gross up any payments it makes under the Covered Bond Swap Agreements;
- at the option of either party upon a change in law which results in the illegality of the obligations to be performed by either party under the Covered Bond Swap Agreements;
- upon the redemption and/or cancellation of any series of Covered Bonds in whole or part in accordance with the Conditions;
- if any of the Additional Tax Representation (as defined in Part 2(b) of the Covered Bond Swap Agreement) prove to have been incorrect or misleading in any material respect with respect to one or more Transactions when made or repeated or deemed to have been made or repeated and at least one entity (with the required ratings as specified in the relevant Covered Bond Swap Agreement) has made a firm offer which would remain capable of becoming legally binding upon acceptance (in accordance with the relevant Covered Bond Swap Agreement);
- if any of the Priorities of Payments is amended such that the LLP's obligations to the Covered Bond Swap Provider become further contractually subordinated to the LLP's obligations to any other Secured Creditor; or
- upon service by the Bond Trustee of an LLP Acceleration Notice on the LLP.

Upon the termination of a Covered Bond Swap Agreement, the LLP or the relevant Covered Bond Swap Provider may be liable to make a termination payment to the other in accordance with the provisions of the relevant Covered Bond Swap Agreement. The amount of this termination payment will be calculated and made in the currency specified in the relevant schedule to the Covered Bond Swap Agreement.

Any termination payment made by the Covered Bond Swap Provider to the LLP in respect of a Covered Bond Swap Agreement will first be used to the extent necessary (prior to the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security) to pay a replacement Covered Bond Swap Provider (or replacement Covered Bond Swap Providers) to enter into a replacement Covered Bond Swap with the LLP, unless a replacement Covered Bond Swap Agreement (or replacement Covered Bond Swap Agreements) has already been entered into on behalf of the LLP. Any premium received by the LLP from a replacement Covered Bond Swap Provider in respect of a replacement Covered Bond Swap will first be used to make any termination payment due and payable by the LLP with respect to the previous Covered Bond Swap Agreement, unless such termination payment has already been made on behalf of the LLP.

If withholding taxes are imposed on payments made by any Covered Bond Swap Provider to the LLP under a Covered Bond Swap Agreement, such Covered Bond Swap Provider shall always be obliged to gross up those payments. If withholding taxes are imposed on payments made by the LLP to the Covered Bond Swap Provider under a Covered Bond Swap Agreement, the LLP shall not be obliged to gross up those payments.

If the LLP (or a Member) receives any Tax Credits in respect of a Covered Bond Swap prior to the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, payments

in respect of such Tax Credits will be used, to the extent provided for in the relevant Covered Bond Swap Agreement, to reimburse the relevant Covered Bond Swap Provider for any gross-up in respect of any withholding or deduction made under the relevant Covered Bond Swap. Prior to the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, any Swap Collateral Excluded Amounts in respect of a Covered Bond Swap will be returned to the relevant Covered Bond Swap Provider subject to the terms of the relevant Covered Bond Swap Agreement.

In the event that the Covered Bonds are redeemed and/or cancelled in accordance with the Conditions, the Covered Bond Swap(s) in connection with such Covered Bonds will terminate or partially terminate, as the case may be. Any breakage costs payable by or to the LLP in connection with such termination will be taken into account in calculating:

- (i) the Adjustment Required Redemption Amount for the Sale of Selected Loans; and
- (ii) the purchase price to be paid for the relevant Covered Bonds purchased by the LLP in accordance with Condition 6(f).

Under each Covered Bond Swap Agreement, the LLP's obligations are limited in recourse to the Charged Property available for distribution to the Covered Bond Swap Provider under the Priorities of Payments. To the extent that the LLP is unable to make any payment in full under any Covered Bond Swap due to its assets being insufficient to make such payment in full, the relevant Covered Bond Swap Provider's payment obligations will rateably reduce.

The Covered Bond Swap Agreements will be governed by English law.

Bank Account Agreement

Pursuant to the terms of the Bank Account Agreement entered into on the Programme Date and as amended and restated on or about 15 December 2011 between the LLP, the Account Bank, the Cash Manager and the Security Trustee, the LLP will maintain with the Account Bank the accounts described below, which will be operated in accordance with the Cash Management Agreement, the LLP Deed and the Deed of Charge:

- (a) the GIC Account into which amounts may be deposited by the LLP (including, following the occurrence of an Issuer Event of Default which is not cured within the applicable grace period, all amounts received from Borrowers in respect of Loans in the Portfolio). On each LLP Payment Date as applicable, amounts required to meet the LLP's various creditors and amounts to be distributed to the Members under the LLP Deed will be transferred to the Transaction Account (to the extent maintained);
- (b) the Transaction Account (to the extent maintained) into which amounts may be deposited by the LLP prior to their transfer to the GIC Account. Monies standing to the credit of the GIC Account will be transferred to the Transaction Account on each LLP Payment Date and applied by the Cash Manager in accordance with the Priorities of Payments described below under **Cashflows**; and
- (c) The LBS Reserve Fund Account, into which amounts may be deposited by the LLP equal to the LBS Reserve Fund Required Amount. On each LLP Payment Date as applicable, amounts required to meet the LLP's various creditors and amounts to be distributed to the Members under the LLP Deed will be transferred to the Transaction Account or, as applicable, the Stand-by Transaction Accounts (to the extent maintained) or (if the Transaction Account or Stand-by Transaction Accounts are not maintained) to the GIC Account or, as applicable, the Stand-by GIC Account. Upon the short-term, unsecured, unsubordinated and unguaranteed debt

obligation rating of the Society ceasing to be at least F1 (or the long-term unsecured, unsubordinated and unguaranteed debt obligation rating of the Society ceasing to be at least A) by Fitch, amounts standing to the credit of the LBS Reserve Fund Account will be transferred to the GIC Account or, as applicable, the Stand-by GIC Account.

If the short term, unsecured, unsubordinated and unguaranteed debt obligations of the Account Bank cease to be rated at least P-1 by Moody's or F1 by Fitch (or the long term unsecured, unsubordinated and unguaranteed debt obligations cease to be rated at least A by Fitch) then either:

- the GIC Account and the Transaction Account (to the extent maintained) will be closed and all amounts standing to the credit thereof shall be transferred to accounts held with a bank whose short term, unsecured, unsubordinated and unguaranteed debt obligations are rated at least P-1 by Moody's and F1 (and whose long term unsecured, unsubordinated and unguaranteed debt obligations are rated at least A) by Fitch; or
- the Account Bank will obtain an unconditional and unlimited guarantee of its obligations under the Bank Account Agreement from a financial institution whose short term, unsecured, unsubordinated and unguaranteed debt obligations are rated at least P-1 by Moody's and F1 (and whose long term unsecured, unsubordinated and unguaranteed debt obligations are rated at least A) by Fitch.

The Bank Account Agreement is governed by English law.

On 15 December 2011 the LLP, Barclays Bank PLC (in its capacity as the **Stand-by Transaction Account Bank**), the Society (in its capacities as the Cash Manager and the Seller) and the Security Trustee entered into a stand-by transaction account agreement (the **Stand-by Transaction Account Agreement**).

In December 2011, as a result of the Account Bank no longer maintaining the Account Bank Required Ratings, the appointment of the Account Bank was terminated and the Transaction Account was closed. Pursuant to the terms of the Stand-by Transaction Account Agreement the LLP simultaneously opened a Sterling denominated stand-by transaction account with the Stand-by Transaction Account Bank (in the name of the LLP) (the **Sterling Stand-by Transaction Account**).

In order to allow the LLP to accept amounts denominated in euro, the LLP opened a euro denominated stand-by transaction account with the Stand-by Transaction Account Bank (the **Euro Stand-by Transaction Account** and together with the Sterling Stand-by Transaction Account, the **Stand-by Transaction Accounts**). The Stand-by Transaction Accounts are operated in accordance with the Stand-by Transaction Account Agreement, the Cash Management Agreement, the LLP Deed and the Deed of Charge.

If the short term, unsecured, unsubordinated and unguaranteed debt obligations ratings of the Stand-by Transaction Account Bank fall below P-1 by Moody's or F1 by Fitch (or the long term unsecured, unsubordinated and unguaranteed debt obligations of the Stand-by Transaction Account Bank cease to be rated at least A by Fitch), pursuant to the Stand-by Transaction Account Agreement, the Stand-by Transaction Account Bank will, either be replaced by, or have its obligations guaranteed by, a satisfactorily rated financial institution.

References in this Prospectus to the Transaction Account shall include, unless otherwise stated, references to the Sterling Stand-by Transaction Account and the Euro Stand-by Transaction Account.

The Stand-by Transaction Account Agreement is governed by English law.

Stand-by Guaranteed Investment Contract

On 15 December 2011 the LLP, Barclays Bank PLC (in its capacity as the **Stand-by GIC Provider**), the Society (in its capacities as the Cash Manager and the Seller) and the Security Trustee entered into a stand-by guaranteed investment contract (the **Stand-by Guaranteed Investment Contract**).

In December 2011, as a result of the Account Bank no longer maintaining the Account Bank Required Ratings, the appointment of the Account Bank was terminated and the GIC Account was closed. Pursuant to the terms of the Stand-by Guaranteed Investment Contract the LLP simultaneously opened a stand-by guaranteed investment contract account with the Stand-by GIC Provider (in the name of the LLP) (the **Stand-by GIC Account**).

The Stand-by GIC Account is operated in accordance with the Stand-by Guaranteed Investment Contract, the Cash Management Agreement, the LLP Deed and the Deed of Charge. The Stand-by Guaranteed Investment Contract became operative on 15 December 2011 at which point the LLP transferred the GIC Account from the Account Bank to the Stand-by GIC Provider.

If the short term, unsecured, unsubordinated and unguaranteed debt obligations ratings of the Stand-by GIC Provider fall below P-1 by Moody's or F1 by Fitch (or the long term unsecured, unsubordinated and unguaranteed debt obligations of the Stand-by GIC Provider cease to be rated at least A by Fitch), pursuant to the Stand-by Guaranteed Investment Contract, the Stand-by GIC Provider will, either be replaced by, or have its obligations guaranteed by, a satisfactorily rated financial institution.

References in this Prospectus to the GIC Account include, unless otherwise stated, references to the Stand-by GIC Account.

The Stand-by Guaranteed Investment Contract is governed by English law.

Corporate Services Agreement

The Designated Members, the LLP and Holdings have entered into a Corporate Services Agreement with Structured Finance Management Limited (as Corporate Services Provider) on the Programme Date, pursuant to which the Corporate Services Provider has agreed to provide corporate services to the First Designated Member, the Second Designated Member and Holdings respectively.

The Corporate Services Agreement is governed by English law.

Issuer-ICSDs Agreement

The Issuer has entered into an Issuer-ICSDs Agreement with Euroclear Bank S.A./N.V. and Clearstream Banking SA (the **ICSDs**) in respect of any Covered Bonds issued in NGCB form. The Issuer-ICSDs Agreement provides that the ICSDs will, in respect of any such NGCBs, maintain their respective portion of the issue outstanding amount through their records.

The Issuer-ICSDs Agreement is governed by English law.

Deed of Charge

Pursuant to the terms of the Deed of Charge entered into on the Programme Date as supplemented on 2 October 2009 by the LLP, the Security Trustee and the other Secured Creditors (as may be supplemented and amended from time to time), the secured obligations of the LLP and all other obligations of the LLP under or pursuant to the Transaction Documents to which it is a party are secured, *inter alia*, by the following security (the **Security**) over the following property, assets and rights (the **Charged Property**):

- (a) a first fixed charge (which may take effect as a floating charge) over the LLP's interest in the English Loans, Northern Irish Loans and their Related Security and other related rights comprised in the Portfolio;
- (b) an assignment by way of first fixed charge over the rights of the LLP in and to the Insurance Policies;
- (c) a first ranking assignment in security of the LLP's interest in the Scottish Loans and their Related Security (comprising the LLP's beneficial interest under the trusts declared by the Seller pursuant to the Scottish Declarations of Trust);
- (d) an assignment by way of first fixed security over all of the LLP's interests, rights and entitlements under and in respect of any Transaction Document to which it is a party (and, in respect of the Interest Rate Swap Agreement and Covered Bond Swap Agreement, after giving effect to all applicable netting provisions therein);
- (e) a first fixed charge (which may take effect as a floating charge) over the rights and benefits of the LLP in the LLP Accounts (including any Excess Proceeds) and any other account of the LLP and all amounts standing to the credit of the LLP Accounts and such other accounts;
- (f) a first fixed charge (which may take effect as a floating charge) over the rights and benefits of the LLP in respect of all Authorised Investments and Substitution Assets purchased from time to time from amounts standing to the credit of the LLP Accounts; and
- (g) a first floating charge over all the assets and undertaking of the LLP (including the assets and undertaking of the LLP located in Scotland or governed by Scots law and the assets and undertaking of the LLP located in Northern Ireland or governed by the law of Northern Ireland).

In respect of the property, rights and assets referred to in paragraph (c) above, fixed security has been and will be created over such property, rights and assets sold to the LLP on or after the Programme Date by means of Scottish Supplemental Charges entered into pursuant to the Deed of Charge.

Release of Security

In the event of any sale of Loans (including Selected Loans) and their Related Security by the LLP pursuant to and in accordance with the Transaction Documents, such Loans and their Related Security will be automatically released from the Security created by and pursuant to the Deed of Charge on the date of such sale.

In the event of the repurchase of a Loan and its Related Security by the Seller pursuant to and in accordance with the Transaction Documents, the Loan and its Related Security will be

deemed automatically released from the Security created by and pursuant to the Deed of Charge on the date of the repurchase.

Enforcement

If an LLP Acceleration Notice is served on the LLP, the Security Trustee shall be entitled to appoint a Receiver, and/or enforce the Security constituted by the Deed of Charge (including selling the Portfolio), and/or take such steps as it shall deem necessary, subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction. All proceeds (other than any Third Party Amount, Swap Collateral Excluded Amounts or amounts payable in respect of Tax Credits) received by the Security Trustee from the enforcement or realisation of the Security will be applied in accordance with the Post-Enforcement Priority of Payments described under "*Cashflows*".

The Deed of Charge is governed by English law (other than each Scottish Supplemental Charge granted pursuant and supplemental to the Deed of Charge and certain other provisions relating to the property, rights and assets referred to in paragraph (c) above which are and will be governed by Scots law and the first fixed charge over the Northern Irish Loans and their Related Security and the floating charge over the assets and undertaking of the LLP located in or governed by the law of Northern Ireland which are governed by Northern Irish law).

CREDIT STRUCTURE

The Covered Bonds will be direct, unsecured, unconditional obligations of the Issuer. The LLP has no obligation to pay the Guaranteed Amounts under the Covered Bond Guarantee until the occurrence of an Issuer Event of Default, service by the Bond Trustee on the Issuer of an Issuer Acceleration Notice and on the LLP of a Notice to Pay or, if earlier, following the occurrence of an LLP Event of Default, service by the Bond Trustee of an LLP Acceleration Notice. The Issuer will not be relying on payments by the LLP in respect of the Term Advances or receipt of Revenue Receipts or Principal Receipts from the Portfolio in order to pay interest or repay principal under the Covered Bonds.

There are a number of features of the Programme which enhance the likelihood of timely and, as applicable, ultimate payments to the Covered Bondholders, as follows:

- the Covered Bond Guarantee provides credit support to the Issuer;
- the Asset Coverage Test is intended to test the asset coverage of the LLP's assets in respect of the Covered Bonds at all times;
- the Amortisation Test is intended to test the asset coverage of the LLP's assets in respect of the Covered Bonds following the occurrence of an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the LLP;
- a Reserve Fund (unless the Society's short term unsecured, unsubordinated and unguaranteed debt obligations are rated at least P-1 by Moody's) will be established in the GIC Account to trap Available Revenue Receipts in an amount up to the Reserve Fund Required Amount;
- a LBS Reserve Fund (unless the Society's short term unsecured, unsubordinated and unguaranteed debt obligations are rated at least F1+ by Fitch) will be established in the LBS Reserve Fund Account to trap Available Revenue Receipts up to the LBS Reserve Fund Required Amount;
- under the terms of the Bank Account Agreement, the Account Bank has agreed to pay a variable rate of interest on all amounts held by the LLP in the GIC Account at a rate of 0.30 per cent. per annum below LIBOR for one-month Sterling deposits or such greater amount as the LLP and the Account Bank may agree from time to time;
- under the terms of the Stand-by GIC Agreement, the Stand-by GIC Provider has agreed to pay a variable rate of interest on all amounts held by the LLP in the Stand-by GIC Account at a rate of 0.30 per cent. per annum below LIBOR for one-month Sterling deposits or such greater amount as the LLP and the Stand-by GIC Provider may agree from time to time; and
- the pre-funding of the Required Coupon Amount on each LLP Payment Date following a Cash Manager Relevant Event and the delivery of irrevocable payment instructions in advance of such amounts becoming due for payment will enhance the likelihood of timely payments to the Covered Bondholders.

Certain of these factors are considered more fully in the remainder of this section.

In addition, the Issuer is required to comply with the terms of the Regulated Covered Bonds Regulations, as to which see further "*Description of the UK Covered Bond Regime*" below.

Guarantee

The Covered Bond Guarantee provided by the LLP under the Trust Deed guarantees payment of Guaranteed Amounts when the same become Due for Payment in respect of all Covered Bonds issued under the Programme. The Covered Bond Guarantee will not guarantee any amount becoming payable for any other reason, including any accelerated payment pursuant to Condition 9 (*Events of Default and Enforcement*) following the occurrence of an Issuer Event of Default. In this circumstance (and until an LLP Event of Default occurs and an LLP Acceleration Notice is served), the LLP's obligations will only be to pay the Guaranteed Amounts as they fall Due for Payment.

See further "*Summary of the Principal Documents – Trust Deed*" as regards the terms of the Covered Bond Guarantee. See further "*Cashflows – Guarantee Priority of Payments*" as regards the payment of amounts payable by the LLP to the Covered Bondholders and other Secured Creditors following the occurrence of an Issuer Event of Default.

Asset Coverage Test

The Asset Coverage Test is intended to ensure that the LLP can meet its obligations under the Covered Bond Guarantee and senior ranking expenses which will include costs relating to the maintenance, administration and winding-up of the Asset Pool whilst the Covered Bonds are outstanding. Under the LLP Deed, the LLP and the Seller (in its capacity as Member) must ensure that on each Calculation Date the Adjusted Aggregate Loan Amount will be in an amount equal to or in excess of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date. If on any Calculation Date the Asset Coverage Test is not satisfied and such failure is not remedied on or before the next following Calculation Date, the Asset Coverage Test will be breached and (subject to the Bond Trustee having actual knowledge or express notice of such breach) the Bond Trustee will serve an Asset Coverage Test Breach Notice on the LLP. The Asset Coverage Test is a formula which adjusts the True Balance of each Loan in the Portfolio and has further adjustments to take account of set-off on a Borrower's savings accounts held with the Seller and failure by the Seller, in accordance with the Mortgage Sale Agreement, to repurchase Defaulted Loans or Loans that do not materially comply with the Representations and Warranties on the relevant Transfer Date.

See further "*Summary of the Principal Documents – LLP Deed – Asset Coverage Test*", above.

An Asset Coverage Test Breach Notice will be revoked if, on any Calculation Date falling on or prior to the third Calculation Date following the service of the Asset Coverage Test Breach Notice, the Asset Coverage Test is satisfied and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances, may be required) to serve an Issuer Acceleration Notice. Following service of an Issuer Acceleration Notice, the Bond Trustee must serve a Notice to Pay on the LLP.

The Issuer is additionally required to ensure that the principal amount of eligible property in the Asset Pool is greater than 108 per cent. of the Principal Amount Outstanding of the Covered Bonds in accordance with the terms of the RCB Regulations. See further "*Description of the UK Covered Bond Regime*" below.

Amortisation Test

The Amortisation Test is intended to ensure that if, following an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and the service of a Notice to Pay on the LLP (but prior to service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security), the assets of the LLP available to meet its obligations under the Covered Bond Guarantee fall to a level where the Covered Bondholders may not be repaid, an LLP Event of Default will occur and all amounts owing under the Covered Bonds may be accelerated. Under the LLP Deed, the LLP and the Seller (in its capacity as Member) must ensure that, on each Calculation Date following an Issuer Event of Default and the service of a Notice to Pay on the LLP, the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date. The Amortisation Test is a formula which adjusts the True Balance of each Loan in the Portfolio and has further adjustments to take account of Loans in arrears. See further "*Summary of the Principal Documents – LLP Deed – Amortisation Test*", above.

Reserve Fund

The LLP will need to (unless the Society's short term unsecured, unsubordinated and unguaranteed debt obligations are rated at least P-1 by Moody's) establish the Reserve Fund on the GIC Account or, as applicable, the Stand-by GIC Account which will be credited with Available Revenue Receipts up to an amount equal to the Reserve Fund Required Amount. The LLP will not be required to maintain the Reserve Fund following the occurrence of an Issuer Event of Default.

The Reserve Fund will be funded from Available Revenue Receipts after the LLP has paid all of its obligations in respect of items ranking higher than the Reserve Ledger in the Pre-Acceleration Revenue Priority of Payments on each LLP Payment Date and *pari passu* with amounts to be credited to the LBS Reserve Fund.

A Reserve Ledger will be maintained by the Cash Manager to record the balance from time to time of the Reserve Fund. Following the occurrence of an Issuer Event of Default and service of a Notice to Pay on the LLP, amounts standing to the credit of the Reserve Fund will be added to certain other income of the LLP in calculating Available Revenue Receipts.

Interest Accumulation Ledger

In relation to each Accumulation Series of Covered Bonds, the Cash Manager shall maintain an Interest Accumulation Ledger, to which the LLP Monthly Interest Amount will be credited on each LLP Payment Date. Amounts standing to the credit of the Interest Accumulation Ledger in respect of each such Accumulation Series of Covered Bonds will be applied on the relevant Loan Interest Payment Date, together with Available Revenue Receipts (applied in accordance with the relevant Priorities of Payments), to make payments under the Term Advances or Covered Bonds, as applicable.

LBS Reserve Fund

The LLP will be required (unless the Society's short term unsecured, unsubordinated and unguaranteed debt obligations are rated at least F1+ by Fitch), to establish the LBS Reserve Fund on the LBS Reserve Fund Account, which will be credited with Available Revenue Receipts up to an amount equal to the LBS Reserve Fund Required Amount. The LLP will not be required to maintain the LBS Reserve Fund following the occurrence of an Issuer Event of Default.

The LBS Reserve Fund will be funded from Available Revenue Receipts after the LLP has paid all of its obligations in respect of items ranking higher than the LBS Reserve Ledger in the Pre-

Acceleration Revenue Priority of Payments on each LLP Payment Date, and *pari passu* with amounts to be credited to the Reserve Fund.

A LBS Reserve Ledger will be maintained by the Cash Manager to record the balance from time to time of the LBS Reserve Fund Account. Following the occurrence of an Issuer Event of Default and service of a Notice to Pay on the LLP, all amounts standing to the credit of the LBS Reserve Fund will be transferred to the GIC Account or, as applicable, the Stand-by GIC Account, and added to certain other income of the LLP in calculating Available Revenue Receipts.

Coupon Payment Ledger

If a Cash Manager Relevant Event occurs and is continuing, the Society in its capacity as a Member of the LLP will (a) within 10 London Business Days of the occurrence of the Cash Manager Relevant Event and, (b) thereafter, if a Required Coupon Amount Shortfall exists, within one London Business Day of receipt of notification of each Required Coupon Amount Shortfall make a Cash Capital Contribution to the LLP in an amount equal to the Required Coupon Amount or the Required Coupon Amount Shortfall, as the case may be.

While a Cash Manager Relevant Event is continuing (but prior to the service of a Notice to Pay or an LLP Acceleration Notice on the LLP) the LLP will, on each LLP Payment Date, fund the Coupon Payment Ledger in an amount up to the Required Coupon Amount.

Within 1 London Business Day of receipt of a Cash Capital Contribution from the Society, the LLP shall (or shall procure that the Cash Manager shall) credit the Coupon Payment Ledger of the GIC Account or, as applicable, the Stand-by GIC Account with an amount equal to such Cash Capital Contribution.

Within 1 London Business Day of receipt of a Cash Capital Contribution from the Society or, (where either (x) there is no Required Coupon Amount Shortfall or (y) receipt of a Cash Capital Contribution from the Seller occurs prior to the Relevant Payment Date in question) each Relevant Payment Date on which a Cash Manager Relevant Event has occurred and is continuing, the LLP will deliver an irrevocable payment instruction (which such instruction may, for the avoidance of doubt, be given using the internet banking system of the Account Bank or the Stand-by GIC Provider, as applicable), instructing the Account Bank or, as applicable, the Stand-by GIC Provider to (a), in the case of a Term Advance where no Covered Bond Swap is in place, no later than 2:00p.m. (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time), on each date on which any payment of interest in respect of such Term Advance becomes due under the Intercompany Loan Agreement, make a payment from the GIC Account or, as applicable, the Stand-by GIC Account in an amount equal to the Required Coupon Amount for such Term Advance on the relevant Interest Payment Date to an account specified by the Principal Paying Agent to the Issuer and the LLP from time to time and/or (b) in the case of a Term Advance where a Covered Bond Swap is in place, on each date on which any payment is due under the relevant Covered Bond Swap(s) (other than any termination payment under the relevant Covered Bond Swap Agreement and any payment in respect of principal), make a payment from the GIC Account or, as applicable, the Stand-by GIC Account in an amount equal to the Required Coupon Amount for such Covered Bond Swap(s) on the relevant payment date under the Covered Bond Swap in accordance with the terms of the relevant Covered Bond Swap Agreement.

CASHFLOWS

As described above under "*Credit Structure*", until a Notice to Pay or LLP Acceleration Notice is served on the LLP, the Covered Bonds will be obligations of the Issuer only. The Issuer is liable to make payments when due on the Covered Bonds, whether or not it has received any corresponding payment from the LLP.

This section summarises the Priorities of Payments of the LLP, as to the allocation and distribution of amounts standing to the credit of the LLP Accounts and their order of priority:

- (a) prior to service on the LLP of an Asset Coverage Test Breach Notice, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security;
- (b) following service of an Asset Coverage Test Breach Notice (and for so long as it has not been revoked);
- (c) following service of a Notice to Pay; and
- (d) following service of an LLP Acceleration Notice, realisation of the Security and/or the commencement of winding-up proceedings against the LLP.

If the Transaction Account is closed in accordance with the terms of the Bank Account Agreement, any payment to be made to or from the Transaction Account shall, as applicable, be made to or from the Stand-by Transaction Accounts.

If either Stand-by Transaction Account is closed in accordance with the terms of the Stand-by Transaction Account Agreement, any payment to be made to or from the Stand-by Transaction Accounts shall be made from the GIC Account (or Stand-by GIC Account, as applicable) or no payment shall be made at all if such payment is expressed to be from the GIC Account (or Stand-by GIC Account, as applicable) to the Transaction Account or the Stand-by Transaction Accounts.

LLP Payment Dates will occur monthly.

Allocation and distribution of Available Revenue Receipts prior to the service on the LLP of an Asset Coverage Test Breach Notice which has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of Winding-Up Proceedings against the LLP and/or realisation of the Security

Prior to service on the LLP of an Asset Coverage Test Breach Notice which has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, and whilst amounts are outstanding in respect of the Covered Bonds, Available Revenue Receipts will be allocated and distributed as described below. On the Calculation Date immediately preceding each LLP Payment Date, the LLP (or the Cash Manager on its behalf) shall calculate the amount of Available Revenue Receipts available for distribution on the immediately following LLP Payment Date, the Reserve Fund Required Amount, the LBS Reserve Fund Required Amount, the Required Coupon Amount and the Required Coupon Amount Shortfall (if any) (in each case, if applicable).

Pre-Acceleration Revenue Priority of Payments

On each LLP Payment Date, the LLP (or the Cash Manager on its behalf) will transfer Available Revenue Receipts from the GIC Account or the Stand-by GIC Account, as applicable, and,

if required (after transferring funds from the GIC Account or Stand-by GIC Account to the Transaction Account or Stand-by Transaction Accounts), the LBS Reserve Fund Account, to the Transaction Account or Stand-by Transaction Account, in an amount equal to the lower of (a) the amount required to make the payments described below (taking into account any Available Revenue Receipts standing to the credit of the Transaction Account or Stand-by Transaction Accounts) and (b) the amount of Available Revenue Receipts standing to the credit of the GIC Account or Stand-by GIC Account.

If an LLP Payment Date is the same as an Interest Payment Date, then the distribution of Available Revenue Receipts under the Pre-Acceleration Revenue Priority of Payments will be delayed until the Issuer has made the scheduled interest and/or principal payments due and payable on that Interest Payment Date save as provided for below.

The LLP will create and maintain ledgers for each Series of Covered Bonds and record amounts (other than in respect of principal) allocated to such Series of Covered Bonds in accordance with paragraph (e) of the Pre-Acceleration Revenue Priority of Payments below, and such amounts, once allocated, will be used to pay (i) amounts (other than in respect of principal) due under the relevant Term Advance in respect of the relevant Series of Covered Bonds on the date specified for payment in such Term Advance and (ii) amounts (other than in respect of principal) due under the Covered Bond Swap in respect of the relevant Series of Covered Bonds on the dates specified for payment within such Covered Bond Swap Agreement.

Prior to service on the LLP of an Asset Coverage Test Breach Notice that has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, Available Revenue Receipts as calculated on the immediately preceding Calculation Date will be applied by the LLP (or by the Cash Manager on its behalf) on each LLP Payment Date (except for amounts due to the Bond Trustee and the Security Trustee or to other third parties by the LLP or the Issuer under paragraphs (a) and (b) or Third Party Amounts, which shall be paid when due) in making the following payments and provisions (the **Pre-Acceleration Revenue Priority of Payments**) (in each case only if and to the extent that payments of a higher priority have been made in full):

- (a) *first*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) all amounts then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Bond Trustee (including remuneration payable to it) under the provisions of the Trust Deed together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (ii) all amounts then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Security Trustee (including remuneration payable to it) under the provisions of the Deed of Charge together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein;
- (b) *second*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) any amounts then due and payable by the LLP to third parties and incurred without breach by the LLP of the Transaction Documents to which it is a party (and for which payment has not been provided for elsewhere in the relevant Priorities of Payments) and to provide for any such amounts

expected to become due and payable by the LLP in the immediately succeeding LLP Payment Period and to pay or discharge any liability of the LLP for taxes; and

- (ii) any remuneration and other amounts (including costs and expenses) then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Agents pursuant to the terms of the Agency Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
- (c) *third*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
- (i) any remuneration then due and payable to the Servicer and any costs, charges, liabilities and expenses then due and payable or to become due and payable to the Servicer pursuant to the terms of the Servicing Deed in the immediately succeeding LLP Payment Period, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (ii) any remuneration then due and payable to the Cash Manager and any costs, charges, liabilities and expenses then due and payable or to become due and payable to the Cash Manager pursuant to the terms of the Cash Management Agreement in the immediately succeeding LLP Payment Period, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (iii) amounts (if any) then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Account Bank (or, as applicable, the Stand-by Transaction Account Bank and the Stand-by GIC Provider) (including costs) pursuant to the terms of the Bank Account Agreement (or, as applicable, the Stand-by Transaction Account Agreement and the Stand-by Guaranteed Investment Contract), together with applicable VAT (or other similar taxes) thereon to the extent provided therein, provided that if such amounts have already been withdrawn from the Stand-by Transaction Account or the Stand-by GIC Account in accordance with the Stand-by Transaction Account Agreement or the Stand-by Guaranteed Investment Contract, as applicable, no such amounts will be payable in accordance with this paragraph (c)(iii);
 - (iv) amounts then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Corporate Services Provider pursuant to the terms of the Corporate Services Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein; and
 - (v) amounts then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Asset Monitor pursuant to the terms of the Asset Monitor Agreement (other than the amounts referred to in paragraph (h) below), together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
- (d) *fourth*, in or towards payment of any amount due and payable to the Interest Rate Swap Provider (including any termination payment due and payable by the LLP under the Interest Rate Swap Agreement, but excluding any Excluded Swap

Termination Amount) (except to the extent that such amounts have been paid out of any premium received from the replacement Interest Rate Swap Provider) pursuant to the terms of the Interest Rate Swap Agreement;

- (e) *fifth*, in or towards payment *pro rata* and *pari passu* on the LLP Payment Date or to provide for payment on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine (in respect of amounts provided for, with a corresponding credit to the relevant ledger) (and in the case of any such payment or provision, after taking into account any provisions previously made and any amounts received or receivable from the Interest Rate Swap Provider under the Interest Rate Swap Agreement and, if applicable, any amounts (other than principal) received or receivable from a Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement on the LLP Payment Date or such date in the future as the Cash Manager may reasonably determine), of:
- (i) taking into account any amounts paid from amounts credited to the Coupon Payment Ledger (other than any amounts to be credited on such LLP Payment Date in accordance with (f) below), in respect of any Term Advance with a Covered Bond Swap in place, any amounts due and payable or to become due and payable to the relevant Covered Bond Swap Providers (other than in respect of principal) *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (including any termination payment due and payable by the LLP under the relevant Covered Bond Swap Agreement, but excluding any Excluded Swap Termination Amount (except to the extent that such amounts have been paid out of any premiums received from the relevant replacement Covered Bond Swap Provider)) pursuant to the terms of the relevant Covered Bond Swap Agreement;
 - (ii) taking into account any amounts paid from amounts credited to the Coupon Payment Ledger (other than any amounts to be credited on such LLP Payment Date in accordance with (f) below), and, taking into account, in respect of any Term Advance that relates to an Accumulation Series of Covered Bonds, any amount credited to the Interest Accumulation Ledger in respect of that Series of Covered Bonds, in respect of any Term Advance without a Covered Bond Swap in place, any amounts due and payable or to become due and payable (excluding principal amounts), *pro rata* and *pari passu* in respect of each relevant Term Advance, to the Issuer pursuant to the terms of the Intercompany Loan Agreement; and
 - (iii) in respect of any Accumulation Series of Covered Bonds, where the amount is not due and payable in respect of any related Term Advance, to, if applicable make a credit to the Interest Accumulation Ledger in respect of that Term Advance in an amount equal to the LLP Monthly Interest Amount,
- (f) *sixth*, if a Cash Manager Relevant Event has occurred and is continuing, in or towards a deposit to the GIC Account or, as applicable, the Stand-by GIC Account, (with a corresponding credit to the Coupon Payment Ledger maintained in respect of that account) of an amount up to but not exceeding the amount by which the then applicable Required Coupon Amount exceeds the amount standing to the credit of the Coupon Payment Ledger;

- (g) *seventh*, if a Servicer Event of Default has occurred, all remaining Available Revenue Receipts to be credited to the GIC Account or, as applicable, the Stand-by GIC Account (with a corresponding credit to the Revenue Ledger) until such Servicer Event of Default is either remedied by the Servicer or waived by the Security Trustee or a new servicer is appointed to service the Portfolio (or the relevant part thereof);
- (h) *eighth*, in or towards a credit *pro rata* and *pari passu* to (i) the Reserve Ledger on the GIC Account or Stand-by GIC Account of an amount up to but not exceeding the amount by which the Reserve Fund Required Amount exceeds the existing balance on the Reserve Ledger as calculated on the immediately preceding Calculation Date and (ii) if applicable, the LBS Reserve Fund Account (with a corresponding credit to the LBS Reserve Ledger) of an amount up to but not exceeding the amount by which the LBS Reserve Fund Required Amount exceeds the existing balance on the LBS Reserve Fund Account, as calculated on the immediately preceding Calculation Date;
- (i) *ninth*, in or towards payment *pro rata* and *pari passu* in accordance with the respective amounts thereof of any Excluded Swap Termination Amounts due and payable by the LLP to each Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement and to the Interest Rate Swap Provider under the Interest Rate Swap Agreement;
- (j) *tenth*, in or towards payment *pro rata* and *pari passu* in accordance with the respective amounts thereof of any indemnity amount due to the Members pursuant to the LLP Deed and certain costs, expenses and indemnity amounts due to the Asset Monitor pursuant to the Asset Monitor Agreement;
- (k) *eleventh*, in or towards repayment to the Society of any Cash Capital Contributions made by the Society (in its capacity as a Member of the LLP) to credit the Coupon Payment Ledger
- (l) *twelfth*, to pay all remaining Available Revenue Receipts (except for an amount equal to the fees payable to each Designated Member in accordance with paragraph (m) below and an amount equal to the profit to be paid to the Members in accordance with paragraph (n) below) to the Seller in or towards payment of Deferred Consideration due to the Seller for the transfer of the Loans and their Related Security to the LLP;
- (m) *thirteenth*, in or towards payment of a fee of £50 (inclusive of any VAT) due to each Designated Member; and
- (n) *fourteenth*, towards payment *pro rata* and *pari passu* to the Members of the sum of £3,000 (or such other sum as may be agreed by the Members from time to time) in aggregate, to be allocated and paid to each Member in proportion to their respective Capital Contribution Balances as at the immediately preceding Calculation Date subject to a minimum of £1 per annum each, as their profit for their respective interests as Members of the LLP.

On each Loan Interest Payment Date, any amount standing to the credit of the Interest Accumulation Ledger and (without double counting) any amount credited to the Interest Accumulation Ledger on such Loan Interest Payment Date (if such Loan Interest Payment Date is also an LLP Payment Date) in accordance with (e)(iii) above, shall be applied in paying interest due

on the Term Advance in respect of such Accumulation Series of Covered Bonds at item (e)(ii) of the Pre-Acceleration Revenue Priority of Payments to the extent such amounts are due and payable.

Prior to a Notice to Pay having been delivered, if a Cash Manager Relevant Event occurs, the LLP will on any LLP Payment Date immediately prior to the LLP Payment Date on which amounts or Scheduled Interest is required to be paid in respect of any Term Advance relating to an Accumulation Series of Covered Bonds, apply the amount standing to the credit of the Interest Accumulation Ledger in respect of such Accumulation Series of Covered Bonds to the Coupon Payment Ledger to fund in full or in part the amount to be deposited by the Seller pursuant to the LLP Deed. Such application shall occur after the application of item (e) but before the application of item (f) in each case of the Pre-Acceleration Revenue Priority of Payments.

Any amounts (other than Swap Collateral Excluded Amounts and other than Swap Provider Tax Payments) received by the LLP under the Interest Rate Swap Agreement on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payments made on any preceding LLP Payment Date, to make payments (other than in respect of principal) due and payable *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap to each relevant Covered Bond Swap Provider under each relevant Covered Bond Swap Agreement or, as the case may be, to the Issuer in respect of each relevant Term Advance under the Intercompany Loan Agreement or otherwise to make provision for such payments on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine unless an Asset Coverage Test Breach Notice has been served and has not been revoked.

Any amounts (other than in respect of principal and other than Swap Collateral Excluded Amounts and other than Swap Provider Tax Payments) received by the LLP under a Covered Bond Swap on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payments made on any preceding LLP Payment Date, to make payments (other than principal) due and payable to the Issuer in respect of each relevant Term Advance under the Intercompany Loan Agreement or otherwise to make provision for such payments on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine unless an Asset Coverage Test Breach Notice has been served and has not been revoked.

Any amounts (other than Swap Collateral Excluded Amounts and other than Swap Provider Tax Payments) received by the LLP under the Interest Rate Swap Agreement and any amounts (other than in respect of principal and other than Swap Collateral Excluded Amounts) received under the Covered Bond Swap Agreements on or after the LLP Payment Date but prior to the next following LLP Payment Date, which are not put towards a payment or provision in accordance with paragraph (e) above or the preceding two paragraphs, will be credited to the Revenue Ledger on the relevant LLP Account and applied as Available Revenue Receipts on the next succeeding LLP Payment Date.

If the LLP requires any Available Revenue Receipts or Available Principal Receipts to be exchanged into a currency other than Sterling, and such exchange would not be subject to or covered by the terms of a Covered Bond Swap Agreement, then the LLP (or the Cash Manager on its behalf) shall perform all necessary currency conversions at the then prevailing spot rate of exchange.

In accordance with the Intercompany Loan Agreement, the LLP shall direct each Covered Bond Swap Provider to pay any amounts due to the LLP under a Covered Bond Swap, the proceeds of which would otherwise be applied by the LLP directly towards payment to the Issuer in accordance with sub-paragraph (e)(ii) above or sub-paragraph (c)(ii) below, directly to the Bond Trustee or (if so directed by the Bond Trustee) the Principal Paying Agent, unless the Issuer has paid or discharged the corresponding payment under the relevant Series of Covered Bonds (in which case,

the relevant amount shall be paid by the LLP to such account of the Issuer as is notified to the LLP by the Issuer for this purpose).

If any Swap Collateral Available Amounts are received by the LLP on any LLP Payment Date, such amounts shall be applied by the LLP (or by the Cash Manager on its behalf) on that LLP Payment Date in the same manner as it would have applied the receipts which such Swap Collateral Available Amounts replace.

Each Member acknowledges that the profit paid pursuant to paragraph (n) of the Pre-Acceleration Revenue Priority of Payments above to each Member represents a reasonable commercial return to the Member from its involvement in the LLP and also agrees that such profits will not be paid to the Members at a time when they knew or ought to have known that there was no reasonable prospect of avoiding an insolvent liquidation of the LLP as a result of such profit distribution.

If at any time after an Account Bank Relevant Event there are amounts representing Revenue Receipts or Principal Receipts standing to the credit of the Transaction Account or Stand-by Transaction Accounts which are not available to be applied in accordance with paragraphs (a) to (n) of the Pre-Acceleration Revenue Priority of Payments above or paragraphs (a) to (d) of the Pre-Acceleration Principal Priority of Payments below, such amounts will be credited to the appropriate ledger in the GIC Account or, as applicable, the Stand-by GIC Account on the LLP Payment Date.

Allocation and Distribution of Available Principal Receipts prior to the service of an Asset Coverage Test Breach Notice which has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the Commencement of Winding-up Proceedings against the LLP and/or Realisation of the Security

Prior to service on the LLP of an Asset Coverage Test Breach Notice which has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security and whilst amounts are outstanding in respect of the Covered Bonds, Available Principal Receipts will be allocated and distributed as described below.

On each Calculation Date, the LLP (or the Cash Manager on its behalf) shall calculate the amount of Available Principal Receipts available for distribution on the immediately following LLP Payment Date.

On each LLP Payment Date, the LLP (or the Cash Manager on its behalf) will transfer funds from the GIC Account or the Stand-by GIC Account, as applicable, and, if required, (after transferring funds from the GIC Account or Stand-by GIC Account to the Transaction Account or Stand-by Transaction Accounts), the LBS Reserve Fund Account, to the Transaction Account or Stand-by Transaction Accounts, in an amount equal to the lower of (a) the amount required to make the payments or credits described below (taking into account any Available Principal Receipts standing to the credit of the Transaction Account or Stand-by Transaction Accounts) and (b) the amount of all Available Principal Receipts standing to the credit of the GIC Account or Stand-by GIC Account.

If an LLP Payment Date is on an Interest Payment Date, then distribution of Available Principal Receipts under the Pre-Acceleration Principal Priority of Payments will be delayed until the Issuer has made scheduled interest and/or principal payments due and payable under the Covered Bonds on that Interest Payment Date unless, notwithstanding the proviso in item (b) of the Pre-Acceleration Principal Priority of Payments or in the paragraph immediately following the Pre-Acceleration Principal Priority of Payments, payment is made by the LLP directly to the Bond Trustee (or to the Principal Paying Agent at the direction of the Bond Trustee).

The LLP will create and maintain ledgers for each Series of Covered Bonds and record amounts in respect of principal allocated to such Series of Covered Bonds in accordance with paragraph (c) of the Pre-Acceleration Principal Priority of Payments below, and such amounts, once allocated, will be used to pay (i) amounts in respect of principal due under the relevant Term Advance in respect of the relevant Series of Covered Bonds on the date specified for payment in such Term Advance and (ii) amounts in respect of principal due under the Covered Bond Swap in respect of the relevant Series of Covered Bonds on the dates specified for payment within such Covered Bond Swap Agreement.

Pre-Acceleration Principal Priority of Payments

Prior to service on the LLP of an Asset Coverage Test Breach Notice that has not been revoked, a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, all Available Principal Receipts (other than Cash Capital Contributions made from time to time by the Seller in its capacity as a Member) as calculated on the immediately preceding Calculation Date will be applied by or on behalf of the LLP on each LLP Payment Date in making the following payments and provisions (the **Pre-Acceleration Principal Priority of Payments**):

- (a) *first*, to acquire New Loans and their Related Security offered to the LLP by the Seller in accordance with the terms of the Mortgage Sale Agreement in an amount sufficient to ensure that, taking into account the other resources available to the LLP, the LLP is in compliance with the Asset Coverage Test and, thereafter, to acquire Substitution Assets;
- (b) *second*, to deposit the remaining Principal Receipts in the GIC Account or Stand-by GIC Account, as applicable (with a corresponding credit to the Principal Ledger) in an amount sufficient to ensure that, taking into account the other resources available to the LLP, the LLP is in compliance with the Asset Coverage Test;
- (c) *third*, in or towards repayment *pro rata* and *pari passu* on the LLP Payment Date or to provide for repayment on such date in the future of such proportion of the relevant payment falling due in the future as the Cash Manager may reasonably determine (in respect of amounts provided for, with a corresponding credit to the relevant ledger) (and in the case of any such payment or provision, after taking into account any provisions previously made and, if applicable, any principal amounts received or receivable from a Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement on the LLP Payment Date or such date in the future as the Cash Manager may reasonably determine):
 - (i) the amounts (in respect of principal) due or to become due and payable to the relevant Covered Bond Swap Providers *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (but, for the avoidance of doubt, excluding any Excluded Swap Termination Amount) pursuant to the terms of the relevant Covered Bond Swap Agreement; and
 - (ii) any amounts (in respect of principal) due or to become due and payable, *pro rata* and *pari passu* in respect of each relevant Term Advance, to the Issuer pursuant to the terms of the Intercompany Loan Agreement; and
- (d) *fourth*, subject to complying with the Asset Coverage Test, to make a Capital Distribution *pro rata* and *pari passu* to each Member (other than the Designated Members) in proportion to each such Member's Capital Contribution Balance as calculated on the immediately preceding Calculation Date (or, if the Society is not

then a Member, towards repayment of the Issuer Subordinated Loan in accordance with the LLP Deed), provided that only Available Principal Receipts that are specifically attributable to Loans sold or Cash Contributions made by a specific Member (in its capacity as a Seller) shall be paid to that Member.

Any amounts in respect of principal received by the LLP under a Covered Bond Swap on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payments made on any preceding LLP Payment Date, to make payments in respect of principal due and payable to the Issuer in respect of the corresponding Term Advance under the Intercompany Loan Agreement or otherwise to make provision for such payments on such date in the future of such proportion of the relevant payment falling in the future as the Cash Manager may reasonably determine, unless an Asset Coverage Test Breach Notice has been served on the LLP and has not been revoked.

Any amounts of principal (other than Swap Collateral Excluded Amounts) received by the LLP under the Covered Bond Swap Agreements on the LLP Payment Date or any date prior to the next succeeding LLP Payment Date which are not put towards a payment or provision in accordance with paragraph (c) above or the preceding paragraph, will be credited to the Principal Ledger on the relevant LLP Account and applied as Available Principal Receipts on the next succeeding LLP Payment Date.

Any Cash Capital Contributions made by the Society (in its capacity as a Member) other than those deemed to be Revenue Receipts or Principal Receipts from time to time shall, unless an Asset Coverage Test Breach Notice has been served and has not been revoked, be distributed to the Society as a Capital Distribution.

If at any time after an Account Bank Relevant Event, there are amounts representing Principal Receipts standing to the credit of the Stand-by Transaction Accounts which are not available to be applied in accordance with the Pre-Acceleration Revenue Priority of Payments, the same will be credited to the Stand-by GIC Account.

Allocation and distribution of Available Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice

At any time after service on the LLP of an Asset Coverage Test Breach Notice that has not been revoked, but prior to service on the LLP of a Notice to Pay or an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security, all Available Revenue Receipts and Available Principal Receipts will continue to be applied in accordance with the Pre-Acceleration Revenue Priority of Payments and the Pre-Acceleration Principal Priority of Payments, respectively, save that, whilst any Covered Bonds remain outstanding, no monies (including for the avoidance of doubt, any monies then standing to the credit of the Interest Accumulation Ledger) will be applied under paragraphs (e)(ii) unless they are paid directly by the LLP to the Principal Paying Agent and (i) (to the extent only that such amounts are payable to the Members), (l), (m) or (n) of the Pre-Acceleration Revenue Priority of Payments or paragraphs (a), (c)(ii) unless they are paid directly by the LLP to the Principal Paying Agent or (d) of the Pre-Acceleration Principal Priority of Payments. For the avoidance of doubt, after service of an Asset Coverage Test Breach Notice but prior to service of a Notice to Pay, any amounts due from the Covered Bond Swap Provider shall be paid directly to the Bond Trustee or (if so directed by the Bond Trustee) the Principal Paying Agent.

Allocation and Distribution of Monies following the service of a Notice to Pay

At any time after the service on the LLP of a Notice to Pay, but prior to service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings in respect of

the LLP and/or realisation of the Security, Available Revenue Receipts and all Available Principal Receipts standing to the credit of the LLP Accounts will be applied as described below under "*Guarantee Priority of Payments*".

On each LLP Payment Date, the LLP (or the Cash Manager on its behalf) will transfer Available Revenue Receipts and Available Principal Receipts from the Revenue Ledger, the Reserve Ledger, the Principal Ledger or the Capital Account Ledger, as the case may be, to the Payment Ledger on the LLP Account, in an amount equal to the lower of (a) the amount required to make the payments set out in the Guarantee Priority of Payments and (b) the amount of all Available Revenue Receipts and Available Principal Receipts standing to the credit of such ledgers on the LLP Accounts.

The LLP will create and maintain ledgers for each Series of Covered Bonds and record amounts allocated to such Series of Covered Bonds in accordance with paragraphs (e) and (f) of the *Guarantee Priority of Payments* below, and such amounts, once allocated, will only be available to pay amounts due under the Covered Bond Guarantee and amounts due under the Covered Bond Swap in respect of the relevant Series of Covered Bonds on the scheduled repayment dates thereof.

Guarantee Priority of Payments

On each LLP Payment Date after the service on the LLP of a Notice to Pay but prior to the service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings in respect of the LLP and/or realisation of the Security, the LLP (or the Cash Manager on its behalf) will apply Available Revenue Receipts and Available Principal Receipts as calculated on the immediately preceding Calculation Date to make the following payments and provisions in the following order of priority (the **Guarantee Priority of Payments**) (in each case only if and to the extent that payments of a higher priority have been made in full):

- (a) *first*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
 - (i) all amounts then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Bond Trustee (including remuneration payable to it) under the provisions of the Trust Deed together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (ii) all amounts then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Security Trustee (including remuneration payable to it) under the provisions of the Deed of Charge together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein;

 - (i) any remuneration and other amounts (including costs and expenses) then due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Agents pursuant to the terms of the Agency Agreement together with applicable VAT (or other similar taxes) thereon to the extent provided therein; and
 - (ii) any amounts then due and payable by the LLP to third parties and incurred without breach by the LLP of the Transaction Documents to which it is a

party (and for which payment has not been provided for elsewhere in the relevant Priorities of Payments) and to provide for any such amounts expected to become due and payable by the LLP in the immediately succeeding LLP Payment Period and to pay or discharge any liability of the LLP for taxes;

- (c) *third*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof of:
- (i) any remuneration then due and payable to the Servicer and any costs, charges, liabilities and expenses then due and payable or to become due and payable to the Servicer pursuant to the terms of the Servicing Deed in the immediately succeeding LLP Payment Period, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (ii) any remuneration then due and payable to the Cash Manager and any costs, charges, liabilities and expenses then due and payable or to become due and payable to the Cash Manager pursuant to the terms of the Cash Management Agreement in the immediately succeeding LLP Payment Period, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (iii) amounts (if any) due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Account Bank (or, as applicable, the Stand-by Transaction Account Bank and the Stand-by GIC Provider) (including costs) pursuant to the terms of the Bank Account Agreement (or, as applicable, the Stand-by Transaction Account Agreement and the Stand-by Guaranteed Investment Contract), together with applicable VAT (or other similar taxes) thereon to the extent provided therein, provided that if such amounts have already been withdrawn from the Stand-by Transaction Accounts or the Stand-by GIC Account in accordance with the Stand-by Transaction Account Agreement or the Stand-by Guaranteed Investment Contract, as applicable, no such amounts will be payable in accordance with this paragraph (c)(iii);
 - (iv) amounts due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Corporate Services Provider pursuant to the terms of the Corporate Services Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (v) amounts (if any) due and payable to the relevant UK regulatory authority under the RCB Regulations (other than the initial registration fee) together with the applicable VAT (or other similar taxes) thereon; and
 - (vi) amounts due and payable or to become due and payable in the immediately succeeding LLP Payment Period to the Asset Monitor pursuant to the terms of the Asset Monitor Agreement (other than the amounts referred to in paragraph (k) below), together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
- (d) *fourth*, in or towards payment, of any amount due to the Interest Rate Swap Provider (including any termination payment due and payable by the LLP under the Interest Rate Swap Agreement but excluding any Excluded Swap Termination Amount)

(except to the extent that such amounts have been paid out of any premium received from the replacement Interest Rate Swap Provider) pursuant to the terms of the Interest Rate Swap Agreement;

- (e) *fifth*, to pay or provide for (in respect of amounts provided for, with a corresponding credit to the relevant ledger) *pro rata* and *pari passu* according to the respective amounts thereof:
- (i) taking into account any amounts paid from amounts previously credited to the Coupon Payment Ledger, in respect of any Term Advance with a Covered Bond Swap in place the amounts due and payable (or to become due and payable in the immediately succeeding LLP Payment Period) to the relevant Covered Bond Swap Providers (other than in respect of principal) *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (including any termination payment due and payable by the LLP under the relevant Covered Bond Swap Agreement, but excluding any Excluded Swap Termination Amount (except to the extent that such amounts have been paid out of any premiums received from the relevant replacement Covered Bond Swap Provider)) pursuant to the terms of the relevant Covered Bond Swap Agreement;
 - (ii) taking into account any amounts paid from amounts previously credited to the Coupon Payment Ledger and, taking into account, in respect of any Term Advance that related to an Accumulation Series of Covered Bonds, any amount credited to the Interest Accumulation Ledger in respect of that Series of Covered Bonds, in each case, in respect of any Term Advance without a Covered Bond Swap in place, to the Bond Trustee or (if so directed by the Bond Trustee) the Principal Paying Agent on behalf of the Covered Bondholders *pro rata* and *pari passu* Scheduled Interest that is Due for Payment (or will become Due for Payment in the immediately succeeding LLP Payment Period) under the Covered Bond Guarantee in respect of each Series of Covered Bonds; and
 - (iii) in respect of any Accumulation Series of Covered Bonds, where the amount is not due and payable in respect of any related Series of Covered Bonds, to, if applicable make a credit to the Interest Accumulation ledger in respect of that Series of Covered Bonds in an amount equal to the LLP Monthly Interest Amount,

but, in the case of any such payment or provision, after taking into account any amounts received or receivable from the Interest Rate Swap Provider in respect of the Interest Rate Swap and, if applicable, any amounts (other than in respect of principal) received or receivable from a Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement on the LLP Payment Date or in the immediately succeeding LLP Payment Period, provided that if the amount available for distribution under this paragraph (e) (excluding any amounts received or to be received from the relevant Covered Bond Swap Provider) would be insufficient to pay the Sterling Equivalent of the Scheduled Interest that is Due for Payment in respect of each Series of Covered Bonds under sub-paragraph (e)(ii) above, the shortfall shall be divided amongst all such Series of Covered Bonds on a *pro rata* basis and the amount payable by the LLP to the relevant Covered Bond Swap Provider in respect of each relevant Covered Bond Swap under sub-paragraph (e)(i) above shall be reduced by the amount of the shortfall applicable to the Series of Covered Bonds in respect of which such payment is to be made;

(f) *sixth*, to pay or provide for (in respect of amounts provided for, with a corresponding credit to the relevant ledger) *pro rata* and *pari passu* according to the respective amounts thereof, of:

(i) the amounts (in respect of principal) due and payable to the relevant Covered Bond Swap Provider (or to become due and payable in the immediately succeeding LLP Payment Period) *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (but, for the avoidance of doubt, excluding any Excluded Swap Termination Amount) pursuant to the terms of the relevant Covered Bond Swap Agreement; and

(ii) to the Bond Trustee or (if so directed by the Bond Trustee) the Principal Paying Agent on behalf of the Covered Bondholders *pro rata* and *pari passu* Scheduled Principal that is Due for Payment (or will become Due for Payment in the immediately succeeding LLP Payment Period) under the Covered Bond Guarantee in respect of each Series of Covered Bonds,

but, in the case of any such payment or provision, after taking into account any principal amounts received or receivable from a Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement on the LLP Payment Date or in the immediately succeeding LLP Payment Period, provided that if the amount available for distribution under this paragraph (f) (excluding any amounts received or to be received from the relevant Covered Bond Swap Provider) would be insufficient to pay the Sterling Equivalent of the Scheduled Principal that is Due for Payment in respect of each relevant Series of Covered Bonds under sub-paragraph (f)(ii) above, the shortfall shall be divided amongst all such Series of Covered Bonds on a *pro rata* basis and the amount payable by the LLP to the relevant Covered Bond Swap Provider in respect of each relevant Covered Bond Swap under sub-paragraph (f)(i) above shall be reduced by the amount of the shortfall applicable to the Covered Bonds in respect of which such payment is to be made;

(g) *seventh*, in respect of any Series of Covered Bonds to which an Extended Due for Payment Date applies and whose Final Redemption Amount was not paid in full by the Extension Determination Date (the **Extended Covered Bonds**) and any relevant Covered Bond Swap in respect thereof, on a *pro rata* and *pari passu* basis according to the respective amounts thereof:

(i) the amounts (in respect of principal) due and payable to each relevant Covered Bond Swap Provider (or to become due and payable in the immediately succeeding LLP Payment Period) *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap (but, for the avoidance of doubt, excluding any Excluded Termination Amount) pursuant to the terms of the relevant Covered Bond Swap Agreement; and

(ii) to the Bond Trustee or (if so directed by the Bond Trustee) the Principal Paying Agent on behalf of the Covered Bondholders *pro rata* and *pari passu* the Final Redemption Amount or the relevant proportion thereof under the relevant Covered Bond Guarantee in respect of each relevant Series of Extended Covered Bonds,

but, in the case of any such payment, after taking into account any amounts (in respect of principal) received or receivable from the relevant Covered Bond Swap Provider in respect of the relevant Covered Bond Swap corresponding to the Extended Covered Bonds on the LLP Payment Date or in the immediately

succeeding LLP Payment Period, provided that if the amount available for distribution under this paragraph (g) (excluding any amounts received or to be received from the relevant Covered Bond Swap Provider) would be insufficient to pay the Sterling Equivalent of the Final Redemption Amount in respect of each relevant Series of Extended Covered Bonds under sub-paragraph (g)(ii) above, the shortfall shall be divided amongst all such Series of Extended Covered Bonds on a *pro rata* basis and the amount payable by the LLP to the relevant Covered Bond Swap Provider under each relevant Covered Bond Swap Agreement in respect of each relevant Series of Extended Covered Bonds under sub-paragraph (g)(i) above shall be reduced by the amount of the shortfall applicable to the Covered Bonds in respect of which such payment is to be made;

- (h) *eighth*, to deposit the remaining monies in the GIC Account or Stand-by GIC Account, as applicable, for application on the next following LLP Payment Date in accordance with the priority of payments described in paragraphs (a) to (g) (inclusive) above until the Covered Bonds have been fully repaid or provided for (such that the Required Redemption Amount has been accumulated in respect of each outstanding Series of Covered Bonds);
- (i) *ninth*, in or towards payment *pro rata* and *pari passu* in accordance with the respective amounts thereof of any Excluded Swap Termination Amounts due and payable by the LLP to each Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement and to the Interest Rate Swap Provider under the Interest Rate Swap Agreement;
- (j) *tenth*, after the Covered Bonds have been fully repaid or provided for (such that the Required Redemption Amount has been accumulated in respect of each outstanding Series of Covered Bonds), any remaining monies will be applied in and towards repayment in full of amounts outstanding under the Intercompany Loan Agreement;
- (k) *eleventh*, in or towards payment *pro rata* and *pari passu* according to the respective amounts thereof of any indemnity amount due to the Members pursuant to the LLP Deed (and, if the Society is not then a Member of the LLP, towards repayment of the Issuer Subordinated Loan) and certain costs, expenses and indemnity amounts due by the LLP to the Asset Monitor pursuant to the Asset Monitor Agreement; and
- (l) *twelfth*, thereafter any remaining monies will be applied in accordance with Clause 20 (*Application and Distribution of Monies when Covered Bonds Repaid*) of the LLP Deed.

On each Loan Interest Payment Date, any amount standing to the credit of the Interest Accumulation Ledger and (without double counting) any amount credited to the Interest Accumulation Ledger on such Interest Payment Date (if such Interest Payment Date is also an LLP Payment Date) in accordance with (e)(iii) above in respect of an Accumulation Series of Covered Bonds, shall be applied in paying Scheduled Interest that is Due for Payment in respect of such Accumulation Series of Covered Bonds in accordance with item (e)(ii) of the Guarantee Priority of Payments.

Any amounts (other than Swap Collateral Excluded Amounts and other than Swap Provider Tax Payments) received by the LLP under the Interest Rate Swap Agreement on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payment made on any preceding LLP Payment Date, to make payments (other than in respect of principal) due and payable *pro rata* and *pari passu* in respect of each relevant Covered Bond Swap to the relevant Covered Bond Swap Provider under the relevant Covered Bond

Swap Agreement or, as the case may be, to the Issuer in respect of Scheduled Interest that is Due for Payment (or will become Due for Payment) under the Covered Bond Guarantee in respect of each relevant Series of Covered Bonds.

Any amounts (other than Swap Collateral Excluded Amounts and other than Swap Provider Tax Payments) received by the LLP under a Covered Bond Swap Agreement (whether or not in respect of principal) on or after the LLP Payment Date but prior to the next following LLP Payment Date will be applied, together with any provision for such payment made on any preceding LLP Payment Date, to make payments of interest or principal, as the case may be, in respect of the relevant Series of Covered Bonds under the Covered Bond Guarantee.

Any amounts (other than Swap Collateral Excluded Amounts and other than Swap Provider Tax Payments) received under the Interest Rate Swap Agreement or any Covered Bond Swap Agreement on or after the LLP Payment Date but prior to the next following LLP Payment Date which are not put towards a payment or provision in accordance with sub-paragraphs (e)(ii), (f)(ii), or (g)(ii) of the Guarantee Priority of Payments or any amounts received under the two paragraphs immediately above will be credited to the Revenue Ledger or the Principal Ledger (as appropriate) and the relevant LLP Account and applied as Available Revenue Receipts or Available Principal Receipts, as the case may be, on the next succeeding LLP Payment Date.

If the LLP requires any Available Revenue Receipts or Available Principal Receipts to be applied to be exchanged into a currency other than Sterling, and such exchange would not be subject to or covered by the terms of a Covered Bond Swap Agreement, then the LLP (or the Cash Manager on its behalf) shall perform all necessary currency conversions at the then prevailing spot rate of exchange.

If any Swap Collateral Available Amounts are received by the LLP on an LLP Payment Date, such amounts shall be applied by the LLP (or by the Cash Manager on its behalf) on that LLP Payment Date in the same manner as it would have applied the receipts which such Swap Collateral Available Amounts replace.

Termination payments, indemnities and tax credits received in respect of Swaps, premiums received in respect of replacement Swaps

If the LLP receives any termination payment from a Swap Provider in respect of a Swap, such termination payment will first be used (prior to the occurrence of an LLP Event of Default and service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or the realisation of the Security) to pay a replacement Swap Provider to enter into a replacement Swap with the LLP, unless a replacement Swap has already been entered into on behalf of the LLP. If the LLP receives any premium from a replacement Swap Provider in respect of a replacement Swap, such premium will first be used to make any termination payment due and payable by the LLP with respect to the previous Swap, unless such termination payment has already been made on behalf of the LLP.

Any termination payment received by the LLP which is not applied to pay any premium to a replacement Swap Provider(s) to enter into a replacement Swap Agreement(s) will be credited to the Revenue Ledger and the LLP Accounts and applied as Available Revenue Receipts on the next succeeding LLP Payment Date.

Any premium received by the LLP from a replacement Swap Provider(s) to enter into a replacement Swap Agreement(s) which is not applied to pay a termination payment to the replaced Swap Provider(s) will be credited to the Revenue Ledger and the LLP Accounts and applied as Available Revenue Receipts on the next succeeding LLP Payment Date.

If the LLP is required under the terms of any Swap Agreement to make a payment to a Swap Provider in consequence of the receipt by a Member of a credit, allowance, set off or repayment in respect of taxation (a **LLP Tax Credit Payment**), then such Member shall pay to the LLP an amount equal to the LLP Tax Credit Payment on the date on which such LLP Tax Credit Payment is due to be made by the LLP under the terms of such Swap Agreement.

If the Swap Provider breaches certain tax representations in the relevant Swap Agreement and a Member of the LLP suffers a loss, the LLP may receive payment of indemnity amounts from the Swap Provider on the affected Member's behalf. The LLP shall account to the Member for such amounts and shall pay amounts upon receipt to the affected Member.

Amounts received by the LLP, in accordance with this section shall not be funds of the LLP and will not be construed to be amounts received in respect of Available Revenue Receipts or Available Principal Receipts.

Payments out of the LLP Accounts Upon Enforcement, Realisation and/or Winding-up

From and including the time when the Bond Trustee serves an LLP Acceleration Notice on the LLP and/or realisation of the Security and/or the commencement of winding-up proceedings against the LLP, no amount may be withdrawn from the LLP Accounts without the prior written consent of the Security Trustee.

Under the terms of the Deed of Charge, all monies received or recovered by the Security Trustee (or a Receiver appointed by it) (excluding all amounts due or to become due in respect of any Tax Credit, Third Party Amounts, Swap Collateral Excluded Amounts, LLP Tax Credit Payments or Swap Provider Tax Payments) after the service of an LLP Acceleration Notice, the commencement of winding-up proceedings against the LLP and/or realisation of the Security, for the benefit of the Secured Creditors in respect of the Secured Obligations, shall be held by it in the LLP Accounts on trust to be applied (save to the extent required otherwise by law) in the following order of priority (and, in each case, only if and to the extent that payments of a higher order of priority have been made in full) (the **Post-Enforcement Priority of Payments**):

- (a) *first*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof, of:
 - (i) all amounts due and payable or to become due and payable to:
 - (A) the Bond Trustee (including remuneration payable to it) under the provisions of the Trust Deed together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein; and
 - (B) the Security Trustee (including remuneration payable to it) and any Receiver appointed by the Security Trustee under the provisions of the LLP Deed together with interest and applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (ii) any remuneration and other amounts (including costs and expenses) then due and payable to the Agents pursuant to the terms of the Agency Agreement together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (iii) amounts in respect of:

- (A) any remuneration then due and payable to the Servicer and any costs, charges, liabilities and expenses then due or to become due and payable to the Servicer under the terms of the Servicing Deed, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (B) any remuneration then due and payable to the Cash Manager and any costs, charges, liabilities and expenses then due or to become due and payable to the Cash Manager pursuant to the terms of the Cash Management Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (C) amounts (if any) due and payable to the Account Bank (or, as applicable, the Stand-by GIC Provider and the Stand-by Transaction Account Bank) (including costs) pursuant to the terms of the Bank Account Agreement (or, as applicable, the Stand-by Guaranteed Investment Contract and/or the Stand-by Transaction Account Agreement), together with applicable VAT (or other similar taxes) thereon to the extent provided therein;
 - (D) amounts due to the Corporate Services Provider pursuant to the terms of the Corporate Services Agreement, together with applicable VAT (or other similar taxes) thereon to the extent provided therein; and
 - (E) amounts overdue to the Asset Monitor pursuant to the terms of the Asset Monitor Agreement (other than amounts referred to in paragraph (d) below), together with applicable VAT (or similar taxes) thereon to the extent provided therein;
- (iv) any amounts due and payable to the Interest Rate Swap Provider (including any termination payment due and payable by the LLP under the Interest Rate Swap Agreement, but excluding any Excluded Swap Termination Amount) pursuant to the terms of the Interest Rate Swap Agreement;
- (v) all amounts due and payable:
- (A) to the relevant Covered Bond Swap Providers *pro rata* and *pari passu* in respect of each relevant Series of Covered Bonds (including any termination payment due and payable by the LLP under the relevant Covered Bond Swap Agreement, but excluding any Excluded Swap Termination Amount) pursuant to the terms of the relevant Covered Bond Swap Agreement; and
 - (B) under the Covered Bond Guarantee, to the Bond Trustee on behalf of the Covered Bondholders *pro rata* and *pari passu* in respect of interest and principal due and payable on each Series of Covered Bonds,

provided that if the amount available for distribution under this paragraph (a) (excluding any amounts received from the relevant Covered Bond Swap Provider in respect of the amounts referred to in sub-paragraph (a)(v)(A) above) would be insufficient to pay the Sterling Equivalent of the amounts due and payable under the Covered Bond Guarantee in respect of each

Series of Covered Bonds under (a)(v)(B) above, the shortfall shall be divided amongst all such Series of Covered Bonds on a *pro rata* basis and the amount payable by the LLP to the relevant Covered Bond Swap Provider in respect of each relevant Covered Bond Swap under sub-paragraph (a)(v)(A) above shall be reduced by the amount of the shortfall applicable to the Series of Covered Bonds in respect of which such payment is to be made;

- (b) *second*, in or towards satisfaction *pro rata* and *pari passu* according to the respective amounts thereof, of any Excluded Swap Termination Amounts due and payable by the LLP to each Covered Bond Swap Provider under the relevant Covered Bond Swap Agreement and to the Interest Rate Swap Provider under the Interest Rate Swap Agreement;
- (c) *third*, after the Covered Bonds have been fully repaid, any remaining monies shall be applied in or towards repayment in full of all amounts outstanding under the Intercompany Loan Agreement;
- (d) *fourth*, towards payment *pro rata* and *pari passu* in accordance with the respective amounts thereof of any indemnity amount due to the Members pursuant to the LLP Deed and certain costs, expenses and indemnity amounts overdue to the Asset Monitor pursuant to the Asset Monitor Agreement; and
- (e) *fifth*, thereafter any remaining monies shall be applied in or towards payment to the Members pursuant to Clause 20 (*Application and Distribution of Monies When Covered Bond Repaid*) of the LLP Deed (and, if the Society is not then a Member of the LLP, towards repayment of the Issuer Subordinated Loan pursuant to the LLP Deed).

If the LLP receives any Tax Credits in respect of a Swap following the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, such Tax Credits will be used to reimburse the relevant Swap Provider for any gross-up in respect of any withholding or deduction made under the relevant Swap. Following the occurrence of an LLP Event of Default and the service of an LLP Acceleration Notice, any Swap Collateral Excluded Amounts in respect of a Swap will be returned to the relevant Swap Provider subject to the terms of the relevant Swap Agreement, and any Third Party Amounts will be returned to the Seller.

Since the admission of the Issuer to the register of issuers pursuant to Regulation 14 of the RCB Regulations, the above Post-Enforcement Priority of Payments is subject to the provisions of Regulations 28 and 29 of the RCB Regulations. In particular, costs properly incurred by a receiver, liquidator, provisional liquidator or manager of the LLP in relation to:

- persons providing services for the benefit of Covered Bondholders (which pursuant to the RCB Regulations shall include the persons listed in paragraph (a) above (excluding the Swap Providers));
- the Swap Providers in respect of amounts due to them under paragraph (a) above; and
- any other persons providing a loan to the LLP to enable it to meet the claims of Covered Bondholders or the costs of the people described in paragraphs (a)(i) and (a)(ii) above (e.g. liquidity loans),

shall be expenses which shall be payable out of the proceeds of realisation of the Security (in the case of a receivership) or the assets of the LLP (in the case of an administration, winding-up or provisional liquidation), and shall rank equally among themselves in priority to all other expenses (including the claims of Covered Bondholders). See further, "*Risk Factors –Expenses of Insolvency officeholders*".

New Portfolio means in each case the portfolio of New Loans and their Related Security (other than any New Loans and their Related Security which have been redeemed in full prior to the Transfer Date or which do not otherwise comply with the terms of the Mortgage Sale Agreement as at the Transfer Date), particulars of which are set out in the relevant New Portfolio Notice or in a document stored upon electronic media (including, but not limited to, a CD-ROM) delivered to the Security Trustee or its representative, and all right, title, interest and benefit of the Seller in and to the rights and assets set out in paragraphs (a) to (f) above in relation to such New Loans and their Related Security.

A monthly report is made available to Covered Bondholders, the Security Trustee, the Bond Trustee and the Rating Agencies detailing (among other things) compliance with the Asset Coverage Test and is available on the Society's website at <http://www.leedsbuildingsociety.co.uk/treasury/covered-bonds-documents.html>.

DESCRIPTION OF THE UK REGULATED COVERED BOND REGIME

This section is only a summary of the United Kingdom Covered Bond Regime. Prospective purchasers of Covered Bonds should consider carefully all the information contained in this document, including the information set out below, before making any investment decision.

The Regulated Covered Bonds Regulations 2008 (SI 2008/346) as amended by the Regulated Covered Bonds (Amendment) Regulations 2008 (SI 2008/1714), the Regulated Covered Bonds (Amendment) Regulation 2011 (SI 2011/2859 and the Regulated Covered Bonds (Amendment) Regulations 2012 (SI 2012/2977) (and as further amended from time to time, the **RCB Regulations**) and the corresponding implementation provisions, set out in the Regulated Covered Bonds Sourcebook published under the FSMA (the **RCB Sourcebook**), came into force in the UK on 6 March 2008. In summary, the RCB Regulations implement a legislative framework for UK covered bonds. The framework is intended to meet the requirements set out in Article 52(4) of EU Directive 2009/65/EC on undertakings for collective investment in transferable securities, as amended (the **UCITS Directive**). In general, covered bonds which are UCITS Directive-compliant benefit from higher prudential investment limits and may be ascribed a preferential risk weighting.

FCA supervision and registration

The FCA performs certain supervision and enforcement related tasks in respect of the new regime, including admitting issuers and covered bonds to the relevant registers and monitoring compliance with ongoing requirements. To assist it with these tasks, the FCA has certain powers under the RCB Regulations. In particular, in certain circumstances the FCA may direct the winding-up of an owner, remove an issuer from the register of issuers and/or impose a financial penalty of such amount as it considers appropriate in respect of an issuer or owner and direct an issuer to publish information given to the FCA under the RCB Regulations. Moreover, as the body which regulates the financial services industry in the UK, the FCA may take certain actions in respect of issuers using its general powers under the UK regulatory regime (including restricting an issuer's ability to transfer further assets to the asset pool).

The Issuer was admitted to the register of issuers and the Programme was admitted to the register of regulated covered bonds under the RCB Regulations on 1 May 2009.

Requirements under the legislative framework

The RCB Regulations and the RCB Sourcebook include various requirements related to registered issuers, asset pool owners, pool assets and the contractual arrangements made in respect of such assets. In this regard, issuers and owners have various initial and ongoing obligations under the RCB Regulations and the RCB Sourcebook and are responsible for ensuring they comply with them. In particular, issuers are required to (amongst other things) enter into arrangements with the owner for the maintenance and administration of the asset pool such that certain asset record-keeping obligations and asset capability and quality related requirements are met and notify the FCA of various matters (including any regulated covered bonds it issues, the assets in the asset pool, matters related to its compliance with certain regulations and any proposed material changes). Owners are required to (amongst other things) notify the FCA of various matters (including any proposed transfer of ownership of the asset pool) and, on insolvency of the issuer, make arrangements for the maintenance and administration of the asset pool (similar to the issuer obligations described above).

The UK authorities undertook a review of the UK legislative framework in 2011 and 2012 and certain changes were made to the regime with the intention of enhancing the attractiveness of UK regulated covered bonds to investors. These changes took effect from 1 January 2013 and include the following:

- (a) *Single asset pool designation* – issuers are required to designate their programme as being a single asset pool (consisting of either class one assets – public sector debt, class two assets – residential mortgage loans or class three assets – commercial loans, and in each case liquid assets) or a mixed asset pool (consisting of all eligible property for the purposes of the RCB Regulations). The Issuer has provided the necessary certifications for the Programme to be registered as a single asset pool programme, falling in class two. As a result, the Asset Pool will consist solely of residential mortgage loans and certain liquid assets, being UK Government securities and cash deposits, all of which comply with paragraph 68(a) or (b) of Annex VI to the Banking Consolidation Directive (2006/48/EC). In keeping with the new requirements under the RCB Regulations, the Asset Pool will not include any asset-backed securities.
- (b) *Fixed minimum over-collateralisation requirement for principal and fixed minimum coverage requirement for interest* – under the new requirements, the total principal amount outstanding on the loans constituting eligible property in the asset pool will be required to be more than the total principal amounts outstanding in relation to the regulated covered bonds by at least 8 per cent. and a minimum threshold will apply in respect of interest amounts such that the total amount of interest payable in the period of twelve (12) months following any given date in respect of the eligible property in the asset pool will be required to be not less than the interest which would be payable in relation to the regulated covered bonds in that period. For the purposes of calculating each of these tests, the Issuer can take into account certain liquid assets up to a maximum of 8 per cent. of those covered bonds that have a maturity date of one year or more and 100 per cent. of those covered bonds that have a maturity date of less than one year.
- (c) Regulatory and Investor reporting, including loan-level data – new investor reporting requirements will apply. In particular, issuers are required to make available detailed loan-level information relating to the asset pool following an issuance of regulated covered bonds after 1 January 2013. Issuers are also be required to publish certain transaction documents relating to the programme. Information will be published by the Issuer at <https://boeportal.co.uk/GlobalPortal/Account/Login.aspx>
- (d) *Asset pool monitor role* – new requirements have been introduced to formalise the role of the asset pool monitor. Under the new provisions, an asset pool monitor will be required, on an annual basis, to inspect and assess the Issuer's compliance with certain principles based requirements under the regime and to report on their findings to the FCA (with additional reporting requirements in the case of Issuer non-compliance). Each issuer was required to appoint an asset pool monitor in advance of their annual confirmation of such compliance falling on or after 1 January 2013. The Issuer has appointed the Asset Monitor to undertake this role pursuant to the terms of the Asset Monitor Agreement.

DESCRIPTION OF LIMITED LIABILITY PARTNERSHIPS

Since 6 April 2001 it has been possible to incorporate a limited liability partnership in England, Wales and Scotland under the Limited Liability Partnerships Act 2000 (the "**LLPA 2000**") (but not in Northern Ireland, until late 2004 under the Limited Liability Partnerships Act (Northern Ireland) 2002). Limited liability partnerships are legal entities that provide limited liability to the members of a limited liability partnership combined with the benefits of the flexibility afforded to partnerships and the legal personality afforded to companies.

Corporate characteristics

A limited liability partnership is more like a company than a partnership. A limited liability partnership is a body corporate with its own property and liabilities, separate from its members. Like shareholders in a limited company, the liability of the members of a limited liability partnership is limited to the amount of their capital because it is a separate legal entity and when the members decide to enter into a contract, they bind the limited liability partnership in the same way that directors bind a company. Members may be liable for their own negligence and other torts or delicts, like company directors, if they have assumed a personal duty of care and have acted in breach of that duty. Third parties can assume that members, like company directors, are authorised to act on behalf of the limited liability partnership.

The provisions of the Companies Act 2006 and the Insolvency Act 1986 have been modified by the Limited Liability Partnerships Regulations 2009 and the Limited Liability Partnerships Regulations 2001 (each as amended from time to time) so as to apply most of the insolvency and winding-up procedures for companies equally to a limited liability partnership and its members. As a distinct legal entity a limited liability partnership can grant fixed and floating security over its assets and a limited liability partnership will survive the insolvency of any of its members. An administrator or liquidator of an insolvent member would be subject to the terms of the members' agreement relating to the limited liability partnership but a liquidator of an insolvent member may not take part in the administration of the limited liability partnership or its business.

Limited liability partnerships must file annual returns and audited annual accounts at Companies House for each financial year in the same way as companies.

Partnership characteristics

A limited liability partnership retains certain characteristics of a partnership. It has no share capital and there are no capital maintenance requirements. The members are free to agree how to share profits, who is responsible for management and how decisions are made, when and how new members are appointed and the circumstances in which its members retire. The members' agreement is a private document and there is no obligation to file it at Companies House.

Taxation

A limited liability partnership which carries on a trade or business with a view to profit (and which is not the subject of certain insolvency proceedings) is, generally speaking, treated as a partnership for corporation tax purposes. As such, the members of a limited liability partnership, and not the limited liability partnership itself, are subject to corporation tax in relation to the business of the limited liability partnership in broadly the same way that the members of a partnership are subject to corporation tax in relation to the business of that partnership.

BOOK-ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of the Clearing Systems currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer and the LLP believe to be reliable, but none of the Issuer, the LLP, the Bond Trustee nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer, the LLP nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Covered Bonds held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to Section 17A of the Exchange Act. DTC holds and provides asset servicing for securities that its participants (**Direct Participants**) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerised book-entry transfers and pledges between Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (**DTCC**). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (**Indirect Participants**). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of DTC Covered Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Covered Bonds on DTC's records. The ownership interest of each actual purchaser of each Covered Bond (**Beneficial Owner**) is in turn to be recorded on the Direct Participant's and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant's or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Covered Bonds are to be accomplished by entries made on the books of participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Covered Bonds, except in the event that use of the book-entry system for the DTC Covered Bonds is discontinued.

To facilitate subsequent transfers, all DTC Covered Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other nominee as may be requested by an authorised representative of DTC. The deposit of DTC Covered Bonds with DTC and their

registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Covered Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Covered Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the DTC Covered Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to DTC Covered Bonds unless authorised by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Covered Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Covered Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorised representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or the Principal Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such participant and not of DTC or its nominee, the Principal Paying Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorised representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

Under certain circumstances, DTC will exchange the DTC Covered Bonds for Registered Definitive Covered Bonds, which it will distribute to its participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Covered Bond, will be legended as set forth under "*Subscription and Sale and Transfer and Selling Restrictions*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Beneficial Owner desiring to pledge DTC Covered Bonds to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Covered Bonds, will be required to withdraw its Registered Covered Bonds from DTC as described below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream,

Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Covered Bonds

The Issuer may apply to DTC in order to have any Tranche of Covered Bonds represented by a Registered Global Covered Bond accepted in its book-entry settlement system. Upon the issue of any such Registered Global Covered Bond, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Covered Bond to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Covered Bond will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Covered Bond, the respective depositaries of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Covered Bond accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Covered Bond accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Covered Bond. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Covered Bond in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by participants to beneficial owners of Covered Bonds will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such participant and not the responsibility of DTC, the Bond Trustee, the Security Trustee, the Agents or the Issuer. Payment of principal, premium, if any, and interest, if any, on Covered Bonds to DTC is the responsibility of the Issuer.

Transfers of Covered Bonds Represented by Registered Global Covered Bonds

Transfers of any interests in Covered Bonds represented by a Registered Global Covered Bond within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Covered Bonds represented by a Registered Global Covered Bond to such persons may depend upon the ability to exchange such Covered Bonds for Covered Bonds in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Covered Bonds represented by a Registered Global Covered Bond accepted by DTC to pledge such Covered Bonds to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Covered Bonds may depend upon the ability to exchange such Covered Bonds for Covered Bonds in definitive form. The ability of any

holder of Covered Bonds represented by a Registered Global Covered Bond accepted by DTC to resell, pledge or otherwise transfer such Covered Bonds may be impaired if the proposed transferee of such Covered Bonds is not eligible to hold such Covered Bonds through a Direct Participant or Indirect Participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Covered Bonds described under "*Subscription and Sale and Transfer and Selling Restrictions*", cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Principal Paying Agent and any custodian (**Custodian**) with whom the relevant Registered Global Covered Bonds have been deposited.

On or after the Issue Date for any Series, transfers of Covered Bonds of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Covered Bonds of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Covered Bonds will be effected through the Registrar, the Principal Paying Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Covered Bonds among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Bond Trustee, the Security Trustee, the Issuer, the LLP, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Covered Bonds represented by Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

United Kingdom Taxation

The comments below are of a general nature based on the Issuer's understanding of current United Kingdom law and HM Revenue & Customs published practice and are not intended to be exhaustive. They relate only to the position of persons who are the absolute beneficial owners of their Covered Bonds and all payments made thereon and may not apply to certain classes of persons such as dealers. They do not necessarily apply where the income is deemed for tax purposes to be income of any other person. Any holders of Covered Bonds who are in doubt as to their tax position should consult their professional advisers. The following comments relate only to withholding tax and do not deal with any other aspect of the United Kingdom taxation treatment that may be applicable to holders of Covered Bonds (including, for instance, income tax, capital gains tax and corporation tax). Prospective holders of Covered Bonds should note that the particular terms of issue of any Series of Covered Bonds as specified in the applicable Final Terms may affect the tax treatment of that and any other Series of Covered Bonds and should be treated with appropriate caution. The comments below do not deal with the tax consequences of any substitution of the Issuer in accordance with Condition 7 of the Covered Bonds.

Holders of Covered Bonds who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of Covered Bonds are particularly advised to consult their professional advisers as to whether they are so liable (and, if so, under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Covered Bonds. In particular, holders of Covered Bonds should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Covered Bonds even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

Payment of interest by the Issuer in respect of the Covered Bonds

Interest on the Covered Bonds may be paid without withholding or deduction for or on account of United Kingdom tax where (a) the Covered Bonds are and continue to be listed on a "recognised stock exchange", as defined in Section 1005 of the Income Tax Act 2007 (ITA) (the London Stock Exchange is a recognised stock exchange and securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the FSMA) and admitted to trading on the London Stock Exchange); or (b) at the time the interest on the Covered Bond is paid, the Issuer reasonably believes (and any person by or through whom interest on the Covered Bond is paid reasonably believes) the interest constitutes an "excepted payment" within the meaning of any of sections 933 to 937 of ITA, provided that HM Revenue & Customs (HMRC) has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

In all other cases, an amount must generally be withheld from payments of interest on the Covered Bonds that has a United Kingdom Source on account of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to (a) the availability of other reliefs or (b) any direction to the contrary by HMRC under an applicable double taxation treaty. If payments by the Issuer are subject to any withholding or deduction for or on account of United Kingdom tax, the Issuer may be required to pay additional amounts to cover the amount so withheld or deducted as described in Condition 7 (Taxation) of the Covered Bonds.

HMRC has powers, in certain circumstances, to obtain information about: payments derived from securities (whether income or capital); certain payments of interest (including the amount payable on the redemption of a deeply discounted security); and securities transactions.

The persons from whom HMRC can obtain information include: a person who receives (or is entitled to receive) a payment derived from securities; a person who makes such a payment (received from, or paid on behalf of another person); a person by or through whom interest is paid or credited; a person who effects or is a party to securities transactions (which includes an issue of securities) on behalf of others; registrars or administrators in respect of securities transactions; and each registered or inscribed holder of securities.

The information HMRC can obtain includes: details of the beneficial owner of securities; details of the person for whom the securities are held, or the person to whom the payment is to be made (and, if more than one, their respective interests); information and documents relating to securities transactions; and, in relation to interest paid or credited on money received or retained in the United Kingdom, the identity of the security under which interest is paid.

HMRC has indicated that it will not use its information-gathering power on interest to obtain information about amounts payable on the redemption of deeply discounted securities which are paid before 6 April 2015.

In certain circumstances the information which HMRC has obtained using these powers may be exchanged with tax authorities in other jurisdictions.

Payments by the LLP

If the LLP makes any payment in respect of interest on the Covered Bonds (or any other amounts due under the Covered Bonds other than the repayment of amounts subscribed for under the Covered Bonds), such payment may be subject to United Kingdom withholding tax, whether or not the Covered Bonds are listed on a "recognised stock exchange" within the meaning of Section 1005 of ITA. If payments are subject to any withholding or deduction for or on account of tax, the LLP will not be required to pay any additional amounts.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the **EU Savings Directive**), Member States are required to provide to the tax authorities of other Member States details of certain payments of interest and similar income paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted Council Directive 2014/48/EU amending and broadening the scope of the requirements described above. Member States are required to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The amendments to the Directive will also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported. This approach will apply to payments made to, or secured for, persons, entities or legal arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Luxembourg and Austria are required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments. The changes referred to above will broaden the types of payments subject to withholding in those Member States which still operate a withholding system when they are implemented. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the EU Savings Directive.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The attention of Covered Bondholders is drawn to Condition 7(e) and page 119 in "*Risk Factors*".

Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (**FATCA**) impose a new reporting regime and potentially a 30% withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a **foreign financial institution**, or **FFI** (as defined by FATCA)) that does not become a **Participating FFI** by entering into an agreement with the U.S. Internal Revenue Service (**IRS**) to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a "United States Account" of the Issuer (a **Recalcitrant Holder**). The Issuer is classified as an FFI.

The new withholding regime is now in effect for payments from sources within the United States and will apply to payments of gross proceeds (including principal payments) from dispositions of property that can produce U.S. source interest or dividends beginning 1 January 2017 and **foreign pass-thru payments** (a term not yet defined) no earlier than 1 January 2017. This withholding would potentially apply to payments in respect of any Covered Bonds that are issued on or after the **grandfathering date**, which is the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign pass-thru payment are filed with the Federal Register, or which are materially modified on or after the grandfathering date. If Covered Bonds are issued on or before the grandfathering date, and additional Covered Bonds of the same series are issued after that date, the additional Covered Bonds may not be treated as grandfathered, which may have negative consequences for the existing Covered Bonds, including a negative impact on market price.

The United States and a number of other jurisdictions have entered into, or have agreed in substance to, intergovernmental agreements to facilitate the implementation of FATCA (each, an **IGA**). Pursuant to FATCA and the "Model 1" and "Model 2" IGAs released by the United States, an FFI in an IGA signatory country could be treated as a **Reporting FI** not subject to withholding under FATCA on any payments it receives. Further, it is expected that an FFI in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being **FATCA Withholding**) from payments it makes. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and the United Kingdom have entered into an agreement (the **US-UK IGA**) based largely on the Model 1 IGA.

The Issuer expects to be treated as a Reporting FI pursuant to the US-UK IGA and does not anticipate being obliged to deduct any FATCA Withholding from payments it makes. There can be no assurance, however, that the Issuer will be treated as a Reporting FI, or that in the future it would not be required to deduct FATCA Withholding from payments it makes. Accordingly, the Issuer and any financial institutions through which payments on the Covered Bonds are made may be required to deduct FATCA Withholding if (i) any FFI through or to which payment on such Covered Bonds is made is not a Participating FFI or a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

While the Covered Bonds are in global form and held within the ICSDs, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Covered Bonds by the Issuer, the Guarantor, any paying agent or the common depository or common safekeeper, given that each of the entities in the payment chain between the Issuer and the participants in the ICSDs is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach

introduced under an IGA will be unlikely to affect the Covered Bonds. The documentation expressly contemplates the possibility that the Covered Bonds may go into definitive form and therefore that they may be taken out of the ICSDs. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, definitive notes will only be printed in remote circumstances.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form.

The proposed financial transactions tax (FTT)

On 14 February 2013 the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the **participating Member States**).

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Covered Bonds (including secondary market transactions) in certain circumstances. The issuance and subscription of Covered Bonds should, however, be exempt.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Covered Bonds where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

A joint statement issued in May 2014 by ten of the eleven participating Member States indicated an intention to implement the FTT progressively, such that it would initially apply to shares and certain derivatives, with this initial implementation occurring by 1 January 2016. The FTT, as initially implemented on this basis, may not apply to dealings in the Covered Bonds.

The proposed FTT proposal remains subject to negotiation between the participating Member States and timing remains unclear. Additional EU Member States may decide to participate. Prospective holders of the Covered Bonds are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE AND TRANSFER AND SELLING RESTRICTIONS

The Dealers have, in a programme agreement dated 2 October 2008, as amended and restated on 5 October 2010 (as the same may be amended and/or supplemented and/or restated from time to time) (the **Programme Agreement**) between, amongst others, the Issuer and the LLP a basis upon which such Dealers or any of them may from time to time agree to purchase Covered Bonds. Any such agreement for any particular purchase by a Dealer will extend to those matters stated under "*Form of the Covered Bonds and Terms and Conditions of the Covered Bonds*" above. The Issuer may pay the Dealers commission from time to time in connection with the sale of any Covered Bonds, and, in the Programme Agreement, the Issuer has agreed to reimburse and indemnify the Dealers for certain of their expenses and liabilities in connection with the establishment and any future updates of the Programme and the issue of Covered Bonds under the Programme. The Dealers are entitled to be released and discharged from their obligations in relation to any agreement to issue and purchase Covered Bonds under the Programme Agreement in certain circumstances prior to payment to the Issuer.

Transfer Restrictions

As a result of the following restrictions, purchasers of Covered Bonds in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Covered Bonds.

Each purchaser of Registered Covered Bonds (other than a person purchasing an interest in a Registered Global Covered Bond with a view to holding it in the form of an interest in the same Global Covered Bond) or person wishing to transfer an interest from one Registered Global Covered Bond to another or from global to definitive form or *vice versa*, will be required to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

- (i) that either: (a) it is a QIB, purchasing (or holding) the Covered Bonds for its own account or for the account of one or more QIBs and it is aware that any sale to it is being made in reliance on Rule 144A, (b) it is an Institutional Accredited Investor which has delivered an IAI Investment Letter or (c) it is outside the United States and is not a U.S. person;
- (ii) that the Covered Bonds are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act or any applicable U.S. State securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as set forth below;
- (iii) that, unless it holds an interest in a Regulation S Global Covered Bond and either is a person located outside the United States or is not a U.S. person, if in the future it decides to resell, pledge or otherwise transfer the Covered Bonds or any beneficial interests in the Covered Bonds, it will do so, prior to the date which is one year after the later of the last Issue Date for the Series and the last date on which the Issuer or an affiliate of the Issuer was the owner of such Covered Bonds, only (a) to the Issuer or any affiliate thereof, (b) inside the United States to a person whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A, (c) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act, (d) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available) or (e) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. State securities laws;

- (iv) it will, and will require each subsequent holder to, notify any purchaser of the Covered Bonds from it of the resale restrictions referred to in paragraph (iii) above, if then applicable;
- (v) that Covered Bonds initially offered in the United States to QIBs will be represented by one or more Rule 144A Global Covered Bonds, that Covered Bonds offered to Institutional Accredited Investors will be in the form of Definitive IAI Registered Covered Bonds and that Covered Bonds offered outside the United States in reliance on Regulation S will be represented by one or more Regulation S Global Covered Bonds;
- (vi) that the Covered Bonds, other than the Regulation S Global Covered Bonds, will bear a legend to the following effect unless otherwise agreed to by the Issuer:

"THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE **SECURITIES ACT**), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER (A) REPRESENTS THAT (1) IT IS A **QUALIFIED INSTITUTIONAL BUYER** (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) PURCHASING THE SECURITIES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ONE OR MORE QUALIFIED INSTITUTIONAL BUYERS OR (2) IT IS AN INSTITUTIONAL **ACCREDITED INVESTOR** (AS DEFINED IN RULE 501(A)(1), (2), (3) OR (7) UNDER THE SECURITIES ACT) (AN INSTITUTIONAL ACCREDITED INVESTOR); (B) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE SECURITIES EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT IN RESPECT OF THIS SECURITY (THE AGENCY AGREEMENT) AND, PRIOR TO THE DATE WHICH IS ONE YEAR AFTER THE LATER OF THE LAST ISSUE DATE FOR THE SERIES AND THE LAST DATE ON WHICH THE ISSUER OR AN AFFILIATE OF THE ISSUER WAS THE OWNER OF SUCH SECURITIES OTHER THAN (1) TO THE ISSUER OR ANY AFFILIATE THEREOF, (2) INSIDE THE UNITED STATES TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (3) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 903 OR RULE 904 UNDER THE SECURITIES ACT, (4) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND ANY OTHER JURISDICTION; AND (C) IT AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS SECURITY IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

THIS SECURITY AND RELATED DOCUMENTATION (INCLUDING, WITHOUT LIMITATION, THE AGENCY AGREEMENT REFERRED TO HEREIN) MAY BE AMENDED OR SUPPLEMENTED FROM TIME TO TIME, WITHOUT THE CONSENT OF, BUT UPON NOTICE TO, THE HOLDERS OF SUCH SECURITIES SENT TO THEIR REGISTERED ADDRESSES, TO MODIFY THE RESTRICTIONS ON AND PROCEDURES FOR REALES AND OTHER TRANSFERS OF THIS SECURITY TO REFLECT ANY CHANGE IN APPLICABLE LAW OR REGULATION (OR THE INTERPRETATION THEREOF) OR IN PRACTICES RELATING TO REALES OR

OTHER TRANSFERS OF RESTRICTED SECURITIES GENERALLY. THE HOLDER OF THIS SECURITY SHALL BE DEEMED, BY ITS ACCEPTANCE OR PURCHASE HEREOF, TO HAVE AGREED TO ANY SUCH AMENDMENT OR SUPPLEMENT (EACH OF WHICH SHALL BE CONCLUSIVE AND BINDING ON THE HOLDER HEREOF AND ALL FUTURE HOLDERS OF THIS SECURITY AND ANY SECURITIES ISSUED IN EXCHANGE OR SUBSTITUTION THEREFOR, WHETHER OR NOT ANY NOTATION THEREOF IS MADE HEREON).";

- (vii) if it is outside the United States and is not a U.S. person, that if it should resell or otherwise transfer the Covered Bonds prior to the expiration of the distribution compliance period (defined as 40 days after the completion of the distribution of the Tranche of Covered Bonds of which such Covered Bonds are a part, as determined and certified by the relevant Dealer, in the case of a non-syndicated issue, or the Lead Manager, in the case of a syndicated issue), it will do so only (a)(i) outside the United States in compliance with Rule 903 or 904 under the Securities Act or (ii) to a QIB in compliance with Rule 144A and (b) in accordance with all applicable U.S. State securities laws; and it acknowledges that the Regulation S Global Covered Bonds will bear a legend to the following effect unless otherwise agreed to by the Issuer:

"THIS SECURITY HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE **SECURITIES ACT**), OR ANY APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT IN RESPECT OF THIS SECURITY (THE **AGENCY AGREEMENT**) AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT. UNTIL THE EXPIRY OF THE PERIOD OF 40 DAYS AFTER THE COMPLETION OF THE DISTRIBUTION OF ALL THE COVERED BONDS OF THE TRANCHE OF WHICH THIS COVERED BOND FORMS PART, SALES MAY NOT BE MADE IN THE UNITED STATES OR TO U.S. PERSONS UNLESS MADE (I) PURSUANT TO RULE 903 OR 904 OR REGULATION S UNDER THE SECURITIES ACT OR (II) TO QUALIFIED INSTITUTIONAL BUYERS AS DEFINED IN, AND IN TRANSACTIONS PURSUANT TO, RULE 144A UNDER THE SECURITIES ACT."; and

- (viii) that the Issuer and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify the Issuer; and if it is acquiring any Covered Bonds as a fiduciary or agent for one or more accounts it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.

Institutional Accredited Investors who purchase Registered Covered Bonds in definitive form offered and sold in the United States in reliance upon the exemption from registration provided by Regulation D of the Securities Act are required to execute and deliver to the Registrar an IAI Investment Letter. Upon execution and delivery of an IAI Investment Letter by an Institutional Accredited Investor, Covered Bonds will be issued in definitive registered form, see "*Form of the Covered Bonds*".

The IAI Investment Letter will state, among other things, the following:

- (i) that the Institutional Accredited Investor has received a copy of the Prospectus and such other information as it deems necessary in order to make its investment decision;

- (ii) that the Institutional Accredited Investor understands that any subsequent transfer of the Covered Bonds is subject to certain restrictions and conditions set forth in the Prospectus and the Covered Bonds (including those set out above) and that it agrees to be bound by, and not to resell, pledge or otherwise transfer the Covered Bonds except in compliance with, such restrictions and conditions and the Securities Act;
- (iii) that, in the normal course of its business, the Institutional Accredited investor invests in or purchases securities similar to the Covered Bonds;
- (iv) that the Institutional Accredited Investor is an institution that is an accredited investor within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in the Covered Bonds, and it and any accounts for which it is acting are each able to bear the economic risk of its or any such accounts' investment for an indefinite period of time;
- (v) that the Institutional Accredited Investor is acquiring the Covered Bonds purchased by it for its own account or for one or more accounts (each of which is an Institutional Accredited Investor) as to each of which it exercises sole investment discretion and not with a view to any distribution of the Covered Bonds, subject, nevertheless, to the understanding that the disposition of its property shall at all times be and remain within its control; and
- (vi) that, in the event that the Institutional Accredited Investor purchases Covered Bonds, it will acquire Covered Bonds having a minimum purchase price of at least U.S.\$500,000 (or the approximate equivalent in another Specified Currency).

No sale of Legended Covered Bonds in the United States to any one purchaser will be for less than U.S.\$100,000 (or the approximate equivalent in another Specified Currency) principal amount or, in the case of sales to Institutional Accredited Investors, U.S.\$500,000 (or the approximate equivalent in another Specified Currency) principal amount and no Legended Covered Bond will be issued in connection with such a sale in a smaller principal amount. If the purchaser is a non-bank fiduciary acting on behalf of others, each person for whom it is acting must purchase at least U.S.\$250,000 (or the approximate equivalent in another Specified Currency) or, in the case of sales to Institutional Accredited Investors, U.S.\$500,000 (or the approximate equivalent in another Specified Currency) principal amount of Registered Covered Bonds.

Dealers may arrange for the resale of Covered Bonds to QIBs pursuant to Rule 144A and each such purchaser of Covered Bonds is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Covered Bonds which may be purchased by a QIB pursuant to Rule 144A is U.S.\$250,000 (or the approximate equivalent in another Specified Currency).

Bearer Covered Bonds, including Temporary Global Covered Bonds, Permanent Global Covered Bonds and Bearer Definitive Covered Bonds, will bear a legend to the following effect unless otherwise agreed to by the Issuer:

"THIS SECURITY HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE **SECURITIES ACT**), OR ANY APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT IN RESPECT OF THIS SECURITY (THE **AGENCY AGREEMENT**) AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT. UNTIL THE EXPIRY OF THE PERIOD OF 40 DAYS AFTER THE

COMPLETION OF THE DISTRIBUTION OF ALL THE COVERED BONDS OF THE TRANCHE OF WHICH THIS COVERED BOND FORMS PART, SALES MAY NOT BE MADE IN THE UNITED STATES OR TO U.S. PERSONS UNLESS MADE (I) PURSUANT TO RULE 903 OR 904 OR REGULATION S UNDER THE SECURITIES ACT OR (II) TO QUALIFIED INSTITUTIONAL BUYERS AS DEFINED IN, AND IN TRANSACTIONS PURSUANT TO, RULE 144A UNDER THE SECURITIES ACT. "

Selling Restrictions

United States

The Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from, or in transactions not subject to, the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Covered Bonds in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations promulgated thereunder.

In connection with any Covered Bonds which are offered or sold outside the United States in reliance on Regulation S (**Regulation S Covered Bonds**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulations S Covered Bonds (i) as part of its distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Tranche of Covered Bonds of which such Covered Bonds are a part, as determined and certified by the relevant Dealer, in the case of a non-syndicated issue, or the Lead Manager, in the case of a syndicated issue, and except in either case in accordance with Regulation S under the Securities Act. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Regulation S Covered Bonds during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Covered Bonds within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of a Tranche of Covered Bonds, an offer or sale of such Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers may arrange for the resale of Covered Bonds to QIBs pursuant to Rule 144A and each such purchaser of Covered Bonds is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Covered Bonds which may be purchased by a QIB pursuant to Rule 144A is U.S.\$100,000 (or the approximate equivalent in another Specified Currency).

To permit compliance with Rule 144A in connection with any resales or other transfers of Covered Bonds that are "restricted securities" within the meaning of the Securities Act, each of the Issuer and the LLP has undertaken in the Trust Deed to furnish, upon the request of a holder of such Covered Bonds or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, any of the Covered Bonds remain outstanding as "restricted securities" within the meaning of Rule 144(a)(3) of the

Securities Act and each of the Issuer and the LLP is neither a reporting company under Section 13 or 15(d) of the Exchange Act nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Covered Bonds which are the subject of the offering contemplated by this Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Covered Bonds to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 100 or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Covered Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Covered Bonds to the public" in relation to any Covered Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the Covered Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "Prospectus Directive" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in the Relevant Member State, and the expression **2010 PD Amending Directive** means Directive 2010/73/EU.

United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Covered Bonds in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer or the LLP; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Covered Bonds in, from or otherwise involving the United Kingdom.

Republic of Italy

The offering of the Covered Bonds has not been registered by CONSOB (the Italian Securities Exchange Commission) pursuant to Italian securities legislation and, accordingly, no Covered Bonds may be offered, sold or delivered, nor may copies of the Prospectus or of any other document relating to the Covered Bonds be distributed in the Republic of Italy, except:

- (i) to qualified investors (*investitori qualificati*), as defined in Article 100 of Legislative Decree No. 58 of 24 February 1998, as amended (the **Financial Services Act**) and Article 31, second paragraph, of CONSOB (the Italian Securities Exchange Commission) Regulation No. 11522 of 1 July 1998, as amended (**Regulation No. 11522**) by CONSOB; or
