## Covenant Commentary

The quarterly reporting for this period was received on 30 September 2016. Rental Income is collected from the tenants on a monthly basis. The ICR stands at 4.01 and so in compliance with the covenant.

The level of quarterly rent for the months of April, May and June 2016 was €11,179,991.82. The increase of €257.57 in respect of the quarterly rent collected in the previous quarter (11,179,733.43) is due a small increase in the rent payable by one of the small tenants.

The Finance Costs have decreased by €64,661.72 (€2,789,763.13 in the October 2016 IPD Test Date versus €2,854,424.85 in the July 2016 IPD Test Date) due to the lower interest rate and the reduced amount of the Facility Fee €27,990.13 in the July 2016 Test Date versus €27,565.56 in the October 2016 Test Date).

In accordance with the Programme, the Issuer must transfer on each Rent Payment Date from the Rent Collection Account into the Sweep Account the lower of a) the amounts standing to the credit of the Rent Collection Account on each Rent Payment Date b) the Required Transfer Amount. The balance of the Sweep account as at 30 September 2016 was €3,375,783.60 (in excess of the Required Transfer Amount).

The semiannual statutory valuation covering the 77 properties in this portfolio as at 30 June 2016, addressed to the Finance Parties and in line with the requirements of the Loan Agreement, has been received. The updated value has been used for the LTV calculation in the October 2016 IPD Test Date.

### Property Commentary

#### VALUATION OF THE PORTFOLIO

The current Market Value reflects the latest updated Value as per the 30.06.2016 Valuation. The updated value shows a decrease of €2,340,500 in respect of the previous value. This is due to a) The interchange of valuers (previously Danos valued 20 properties and Propius valued 57 properties). This has been done to comply with Greek legal regulations for REICs, whereby the Borrower must change the statutory valuers every 3 years. Further, National Bank of Greece has given notice to vacate the property in Ioannou Metxa 13, Glyfada, in 2017. This has made the value of the property decrease from €9,140,000 to €6,839,000.

#### RENTAL INCOME/ARREARS

The current Annual Rental Income is €44,719,967. 99.12% of the Rental Income (€44,324,941) is paid by the main tenant National Bank of Greece, the remaining 0.88% (€395,027 being paid by third party tenants. There have been no arrears of rent for the period.

#### CAPEX

In accordance with the Programme, the Borrower must provide detailed description of any non budgeted Capex costs exceeding €250,000 per quarter. A total amount of €952,353 has been spent in Capex works during the period. None of the CAPEX amounts spent were higher than €250,000. The table below compares the actual and the budgeted capex amounts for the year:

	Budgeted	Actual
1/7/2015-30/9/2015	€ 872,550	€ 433,228
1/10/2015-31/12/2015	€ 872,550	€ 1,491,744
1/01/2016-31/03/2016	€ 976,264	€ 560,443
1/04/2016-31/06/2016	€ 976,264	€ 952,353
<b>TOTAL</b>	<b>€ 2,722,340</b>	<b>€ 3,437,768</b>

### **OTHER PROPERTY COMMENTS**

With regards to the upcoming vacancy of the in Ioannou Metxa 13 property previously mentioned, it should be noted that according to the 30.12.2013 Lease Agreement between NBG PANGAEA REIC and NBG Group Tenants, NBG has waived its statutory right to terminate the majority of the Leases, and instead has agreed to the “Flexibility Mechanism”, whereby the tenants will have the right, from the beginning of the fourth until the fifteenth year after 30 December 2013, to withdraw, on an annual basis, from a certain number of leaseholds corresponding to up to 0.83% annually of the Total Base Rent, following twelve months' advance written notice each time. The NBG Group Tenants have the right to roll over the unused percentages to subsequent lease years for a maximum of three years for each annual unused percentage.

According to the above agreement and since the aforementioned percentage of the Flexibility Mechanism (i.e. 0.83%) is depleted with the vacation of the property located at 13, Ioannou Metaxa. There are no further vacancies expected during 2017.

The property is well located in the heart of Glyfada’s commercial centre. The Borrower has already started marketing the property to prime retailers and real estate agents and is planning to publish an “Invitation for the Expression of Interest” (EoI) by the end of 2016 to urge for proposals, and start entering into discussions with prospective tenants.
