

# The Leader in UCC Services

CSC is the leading provider of UCC search, filing, and online portfolio management services

Our services save costs, reduce errors, improve due diligence efforts, and make routine business processes much easier.

CSC has provided Uniform Commercial Code (UCC) services for nearly six decades. Today we serve thousands of financial institutions, including many of the world's largest lenders—from commercial banks, capital finance companies, and large leasing enterprises, to legal firms that specialize in secured transactions.

CSC processes millions of UCC searches and filings annually, and monitors millions more for expiration or continuation. Our solutions are scalable to your needs. CSC currently delivers custom interfaces to more than 120 major financial institutions and leasing companies. We'll do the same for you. We provide rapid, integrated services with standard or proprietary loan applications. Our vast correspondent network enables CSC to provide timely fulfillment of search and filing orders at the federal, state, and local levels throughout the U.S.
